BOARD REPORT

PG. 2 NO. 16-185

SUMMARY

On September 1, 2015, the Los Angeles City Council unanimously voted to endorse the City of Los Angeles's (CITY) bid for the 2024 Olympic and Paralympic Games (Games). In doing so, the City Council noted that "the Los Angeles bid emphasizes Southern California's wealth of existing world class sporting facilities, its strong travel and tourism infrastructure, its position as one of the great media capitals of the world, its close ties with the entertainment industry, and its ability to generate substantial revenues." Particularly important to the mission of RAP, the Council noted that the 1984 Olympic Games in Los Angeles "left a financial legacy that continues to support youth sports programs to this day."

The CITY authorized LA24, a private California non-profit public benefit corporation, separate and apart from the CITY, to prepare and submit the bid to host the Games. LA24 is an exploratory committee organized to oversee and coordinate the CITY's bid to host the Games. It is governed by a board of directors that includes representation from across Los Angeles, including leaders in business, labor, sports, and civic affairs, as well as representation from the United States Olympic Committee (USOC) and U.S. members of the International Olympic Committee (IOC).

On September 15, 2015, the United States Olympic Committee formally submitted the CITY as the United States' official candidate city to host the 2024 Games. These Games are projected to occur between July 19, 2024 and August 30, 2024. In addition to the CITY, three European cities have submitted bids for the 2024 Games, Budapest, Paris, and Rome. The IOC is expected to select a Host City for the 2024 Games in September 2017.

On January 15, 2016, the Los Angeles City Council approved a Memorandum of Understanding (MOU) between the City of Los Angeles and the Los Angeles 2024 Exploratory Committee (LA24). The MOU sets forth the general terms and parameters of the roles and responsibilities of the CITY and LA24 in relation to the Candidature Process to attract the 2024 Olympic and Paralympic Games, including the CITY's rights to approve certain agreements and expenditures related to the Games.

To select a Host City for the 2024 Games, the IOC is implementing a new candidature process. This process consists of three (3) stages as follows:

Stage 1: Vision, Games Concept, and Legacy (September 2015 to February 2016)

Stage 2: Governance, Legal, and Venue Funding (February 2016 to October 2016)

Stage 3: Games Delivery, Experience and Venue Legacy (October 2016 to February 2017)

The IOC has also established an Evaluation Commission that will conduct a detailed assessment of each city bid that will include site visits, technical presentations, and bid city workshops. This commission will produce a report to inform the IOC membership of the strengths, weaknesses, and opportunities presented by each city bid.

BOARD REPORT

PG. 3 NO. 16-185

On February 17, 2016, LA24 submitted its first deliverable to the IOC to complete Stage 1 of the IOC Candidature Process. Stage 1 required candidate cities to develop their Games vision, concept, and strategy in response to an 86-question questionnaire providing candidate cities with a detailed, experience-based approach to planning for an event as large and complex as the Games. LA24's deliverable proposed its approach to a wide range of important and interesting issues. In its initial venue plan, submitted to the IOC in February 2016, LA24 proposed a strategy to finance the Games without City funds utilizing more than 25 public and private venues throughout the CITY and surrounding areas. These venues include many of the major and iconic sports venues in and around Los Angeles, including, among others, the Coliseum, Staples Center, Stub Hub Center, Rose Bowl, Forum, and facilities at UCLA and USC.

The current venue plan contains several venues operated or owned by the City. These include the following:

- Sepulveda Basin
- Woodley Lakes Golf Course
- Los Angeles Convention Center

These venues are operated by RAP under a long-term Master Lease with the United States Army Corps of Engineers (USACE):

- Sepulveda Basin – proposed to be used for several events, including Shooting, and Canoe-kayak Slalom.
- Woodley Lakes Golf Course – proposed to be used for Equestrian events.
(See Attachment A, Appendix A for the Site Plan)

These sites have been part of the proposed venue plan from the start of the bid process, and would be the first Olympic venues to ever be located in the Valley; neither the 1932 nor 1984 Games included events in that part of the CITY.

Having completed Stage 1 of the Candidature Process, LA24 is currently preparing for Stage 2 entitled "Governance, Legal and Venue Funding." This stage is designed to ensure each Candidate City has the necessary governmental, legal and financial mechanisms in place to stage the Games. As part of this process, LA24 will need to secure a number of guarantees from relevant authorities including the CITY. These include securing the venue sites under RAP's control.

It is recommended that the Board of Recreation and Park Commissioners' approve the proposed Venue Use Agreements with LA24 to make available the indicated Recreation and Parks facilities to LA24 for the Games should the CITY be selected as the host for 2024 Games.

BOARD REPORT

PG. 4 NO. 16-185

Some of the terms of the proposed agreement include:

- Use of portions of the Sepulveda Basin and Woodley Lakes Golf Course during the certain periods of the Games, including a Pre-Olympic Period, Exclusive Use Period, and Post-Olympic Period (see Attachment A, Appendix B for Use Periods).
- Compensation to RAP for revenue and expense impacts related to the use of portions of the above RAP-owned facilities.
- Indemnification for RAP during the use of the facilities for the Games.
- Commitment to return RAP's venues in the same or in an improved condition following the Games.

RAP believes the potential selection of the CITY as the Host City for the 2024 Games, as well as the proposed use of RAP facilities as venues, is an exciting opportunity for RAP. Hosting the Games would promote RAP and its facilities on an international stage, and further RAP's mission of encouraging sports, recreation and healthy living. Further, as discussed below, we believe the agreement reached regarding reimbursement methodology and financial compensation adequately protects RAP's financial interests.

As discussed above, LA24 is required to return RAP's venues in the same or in an improved condition following the Exclusive Use Period. However, LA24 has presented RAP with the option of constructing and "leaving behind" a permanent canoe-kayak slalom water course facility and other improvements. Given that significant research, community engagement and other due diligence would be needed to inform an appropriate recommendation related to this opportunity, the Venue Use Agreement includes a Legacy Improvements provision under which RAP may make requests to maintain specific improvements as permanent facilities prior to the Games and the Exclusive Use Periods.

REIMBURSEMENT METHODOLOGY AND FINANCIAL COMPENSATION

As part of the proposed Venue Use Agreement, RAP will agree to make reasonable efforts to mitigate any negative financial impact due to hosting the Games events at Sepulveda Basin and Woodley Lakes Golf Course. LA24 will reimburse RAP for its Expected Net Income (if positive) associated with RAP's operations at Sepulveda Basin and Woodley Lakes Golf Course for the Exclusive Use Period, plus the following out of pocket costs (to the extent unavoidable, mitigated and actually paid by RAP).

- a. Salaries, benefits and other indirect costs of full-time and part-time employees providing services directly to the 2024 Entity;
- b. Supplies and contract services benefitting the 2024 Entity; and
- c. Utilities used by the 2024 Entity.

Expected Net Income and these estimated costs will be mutually determined and agreed upon by RAP and LA24 no later than June 30th, 2022.

BOARD REPORT

PG. 5 NO. 16-185

Following an evaluation of current full-time and part-time RAP employees assigned to the Sepulveda Basin and Woodley Lakes Golf Course, it is anticipated that employees not utilized by the 2024 Entity to support the Games will be redeployed to other facilities and activities during the Exclusive Use Period. Costs associated with RAP employees that may partially support the Games, while also performing regular RAP duties, will be reimbursed under a shared services model.

RAP has also assessed the potential impacts the proposed Games may have on concessions operating at Sepulveda Basin and Woodley Lakes Golf Course. Should Los Angeles be selected as the host City of the 2024 Games, staff will ensure that all future concession contracts at these locations include provisions related to the temporary closure of concession operations during the Exclusive Use Period, as necessary.

ENVIRONMENTAL IMPACT STATEMENT

The project consists of an agreement with LA24 to use various RAP facilities as possible venues for the purpose of bidding for, hosting or staging of, and funding or carrying out of, the 2024 Olympic and Paralympic Games under the authority of the International Olympic Committee (IOC). Therefore, staff recommends that the Board determine that the project is statutorily exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Article 18, Section 15272 of the State CEQA Guidelines. However, if construction of facilities necessary for such Olympic Games is required by the International Olympic Committee as a condition of being awarded the Olympic Games, then additional consideration of potential environmental impacts will need to be determined and appropriate documentation prepared in accordance with the applicable State CEQA Guidelines. Staff further recommends that a Notice Exemption be filed with the Los Angeles County Clerk within five (5) working days of the approval of the project by the Board.

FISCAL IMPACT STATEMENT

There will be no immediate impact to RAP's General Fund upon approval of this agreement. Per the Venue Use Agreements terms, LA24 will compensate RAP for revenue and expenses resulting from the proposed use of RAP sites.

Re: Venue Use Guarantee – Los Angeles 2024 (G2.20 and G2.21 / Stage 2 Candidature Questionnaire Olympic Games 2024)

Dear Casey,

The City of Los Angeles Department of Recreation and Parks (“Venue Owner”) fully endorses the Candidature of the City of Los Angeles (“City”) for the 2024 Olympic and Paralympic Games (“Games”), and provides, herewith, to Los Angeles 2024 Exploratory Committee (“Candidature Committee”) this guarantee (“Guarantee”), as requested by the International Olympic Committee (“IOC”) and International Paralympic Committee (“IPC”). The Venue Owner also agrees to abide by the terms of the Host City Contract (including the Olympic Charter) as it may apply to this Guarantee (“Guarantee”) and any other definitive documentation relating to the Host City Contract or this Guarantee (including any Venue Use Agreements (as defined below)).

We are honored to have the opportunity to host Game events in our venues, including Woodley Lakes Golf Course, the public park and recreational areas within the Sepulveda Flood Control Basin (collectively, the “Venues”), as further depicted in the red bounded areas identified on Appendix A (“Venue Map”). The United States Army Corps of Engineers actively operates and maintains the Sepulveda Flood Control Basin for flood control purposes. The portion of this guarantee relating to the Sepulveda Flood Control Basin is therefore subject to compliance with all terms and conditions of Army Corps of Engineers Lease No. DACW 09-1-67-11. As the owner or lessee of the Venues, vested with all powers of representation required, Venue Owner hereby guarantees the use of the Venues for the purposes of the preparation for and conduct of the Games, including the relevant Test Events consistent with the Minimum Terms of Guarantee (as defined below), and agrees to take all measures and grant all consents that are within the authority or control of the Venue Owner as may be necessary to fulfill this Guarantee.

This Guarantee relates to the requirements of the IOC as specified in G 2.20 and G 2.21 as set forth in Stage 2 of the Candidature Questionnaire Olympic Games 2024.

MINIMUM TERMS OF GUARANTEE

This Guarantee is provided by the Venue Owner under the following terms (“Minimum Terms of Guarantee”), which shall form the essential basis of and be subject in all respects to the definitive

agreement that will be entered into between the Venue Owner, the Candidature Committee and the Los Angeles Organizing Committee for the Games ("OCOG") (and other third parties, as necessary) further detailing the conditions of use of the Venues for the Games ("Venue Use Agreement"):

- i) In this Guarantee:
 - a) EXCLUSIVE USE PERIOD for each of the Venues means the periods identified next to the name of such Venue on Appendix B under the column "Exclusive Use Period", as well as other period(s) (to be defined by mutual agreement of the OCOG and the Venue Owner at a later stage) for the holding of test events ("Test Events").
 - b) NON-EXCLUSIVE USE PERIOD for each of the Venues means the periods identified next to the name of such Venue on Appendix B under the column "Non-Exclusive Use Period".
- ii) This Guarantee includes the exclusive use of the Venues for the Games for the EXCLUSIVE USE PERIOD, in consideration for such payments, reimbursements and/or offsets as further described on Appendix C ("Consideration"). The Consideration is inclusive of all taxes and fees, which will be adjusted solely for inflation according to the Consumer Price Index for all Urban Consumers (CPI-U) for the Los Angeles-Riverside-Orange County, CA metropolitan area, published by the U.S. Bureau of Labor Statistics ("CPI"), in accordance with Appendix C.
- iii) The Consideration under clause (ii) above is inclusive of
 - a) any remuneration, expenses and other costs related to any Venue Owner staff, personnel and other service providers who will work in the Venues, at the option and under the direction of the OCOG, during the Games;
 - b) any remuneration, expenses and other costs related to any equipment or furnishings located in the Venues and used, at the option of the OCOG, during the Games; and
 - c) an irrevocable and unlimited license to the OCOG and the IOC (and the IPC, if applicable), including a right to sub-license, to use the name, image, branding and/or designs (including any material derived therefrom) of the Venues for commercial and non-commercial purposes in any and all current and/or future media in connection with the Games, free from any third-party rights and/or any further charges, and
 - d) any remuneration, expenses and other costs related to any actions as required to ensure that the terms of the "Clean Venue Appendix" attached as Appendix D is fully respected during the EXCLUSIVE USE PERIOD and at such other times as are set forth in the Venue Use Agreement.
- iv) All event-related costs incurred in connection with the production of the Games (including the costs of constructing overlay) during the EXCLUSIVE USE PERIOD are

not included in the Consideration and will be payable separately by the OCOG under the terms of the Venue Use Agreement.

- v) This Guarantee further includes the non-exclusive access to the Venue, at no cost for the OCOG, during the NON-EXCLUSIVE USE PERIOD for constructing and installing preliminary overlay works, implementing a phased move-in to and move-out of the Venues, restoring the Venues to their original condition (ordinary wear and tear excluded), and such other uses as may be reasonably requested by the OCOG (including with respect to clauses (vi)(a)-(b) below); provided, however, such non-exclusive access during the NON-EXCLUSIVE USE PERIOD shall not materially disrupt or otherwise interfere with Venue Owner's normal and customary operation of the Venues (including with respect to the hosting of any events at such Venues).
- vi) The Venue Owner undertakes that it will take the following actions:
 - a) facilitate site and infrastructure visits at reasonable times and intervals during the period commencing upon the election of the Host City through the conclusion of the Games, for the IOC, IPC, International Federations ("IFs") and the host broadcaster of the Games ("Olympic Broadcasting Service" or "OBS") (and/or their duly authorized partners, consultants and contractors) to check the readiness of any sites and infrastructure;
 - b) facilitate the access of OCOG staff and other representatives, and other Games delegations (including Athletes and National Olympic Committees representatives), at reasonable times and intervals, to the Venues for specific period(s) of training and venue familiarization; and
 - c) grant all rights and take all actions as required to ensure that the terms of the "Clean Venue Appendix" attached as Appendix D is fully respected during the EXCLUSIVE USE PERIOD and at such other times as are set forth in the Venue Use Agreement.
- vii) The Venues will be handed over to the OCOG in a clean and fully operational condition consistent with the current use of the Venues (including any planned upgrades as determined at the time of issuing this Guarantee and which are described in Appendix E to this Guarantee). Other than as set forth on Appendix E, Venue Owner shall not make or permit any substantial modifications or alterations to any of the Venues that would materially impact the OCOG's expected use of any of the Venues for any permitted use relating to the Games at any time prior to the start of the Exclusive Period (including any changes to the capacity, size or layout of, or access points to, any Venue) without the prior written approval of the OCOG. The terms or effect of this Guarantee will not be affected by any modification or alteration project.
- viii) The Venue Owner acknowledges that it is the goal of the OCOG and the IOC to encourage and support a responsible concern for environmental issues, to promote sustainable development and operation in sport and to require that the Games are conducted in a manner consistent with these values. To that end, the Venue Owner

agrees to cooperate with the OCOG in its efforts to reduce waste, increase energy efficiency, conserve water and other resources and minimize pollution.

- ix) The Venue Owner is responsible for ensuring that the manager or operator for each Venue (if any) and all other persons or entities (such as concessionaires, contractors, sports leagues, clubs etc.) involved in the operations of such Venue (or any successors) fully comply with the terms and conditions in this Guarantee and the Venue Use Agreement, and the Venue Owner agrees to take all necessary steps to that effect as may be necessary.
- x) The Venue Owner guarantees that, should the ownership of any of the Venues or any Venue manager or operator change prior to the conclusion of the Exclusive Use Period, all terms of this Guarantee will be transferred to, assumed by and fully binding upon the future owner(s)/operator(s).
- xi) The Venue Owner further agrees:
 - a) This Guarantee shall constitute a binding and legally enforceable commitment of the Venue Owner for the benefit of the Candidature Committee and the OCOG.
 - b) The entry into force of this Guarantee is conditioned upon the election of the City as Host City for the Games. In case the City is not elected, all terms contained herein shall become automatically null and void and the Venue Owner shall be released from all its obligations hereunder and the Candidature Committee shall not be liable for any compensation or other payments to the Venue Owner.
 - c) The Venue Owner acknowledges that the OCOG will be formed after the election of the City as Host city of the Games and that all rights of the Candidature Committee and all obligations of the Venue Owner pursuant to this Guarantee shall be automatically transferred to the benefit of the OCOG without any modification upon the formation of the OCOG.

Sincerely,

MICHAEL A. SHULL
General Manager

Appendix C Consideration

Following Venue Owner's commercially reasonable efforts to mitigate any negative financial impact due to hosting Games events at the Venues (including compliance with Section 6.12 (Special Events Carve-Outs), and time-shifting of events (if applicable)), OCOG will reimburse Venue Owner for its Expected Net Income (if positive) for the Exclusive Use Period, *plus* the following out-of-pocket costs (to the extent unavoidable, mitigated and actually paid by Venue Owner), as reflected on the operating income statement: (a) salaries, benefits and other indirect costs of full-time employees providing services directly to the OCOG, (b) supplies and contract services benefitting the OCOG, and (c) utilities used by the OCOG (collectively, "Venue Owner Expenses"). Notwithstanding the foregoing, 2024 Entity shall also reimburse Venue Owner for its retained labor expenses (e.g., relating to labor expense not directly benefitting 2024 Entity) up to the total value of expected but displaced revenue; provided in no event shall Consideration payable hereunder exceed the sum of Venue Owner Expenses and Venue Owner's retained labor expenses.

Expected Net Income shall mean (a) with respect to Woodley Lakes, "Total Gross Revenue" minus "Total Expenses" as reflected on the Venue Owner's operating income statement for Woodley Lakes for the dates corresponding to the Exclusive Use Period in the years 2019, 2020 and 2021, divided by three, and finally adjusted for inflation according to CPI through 2024 and (b) with respect to Sepulveda, revenue that relates solely to activities that would otherwise have occurred within such Venue during the Exclusive Use Period but are mutually agreed to be displaced due to the permitted uses of the Venues by the OCOG (e.g., filming, recreational activities and concessions commissions earned by Venue Owner), minus expenses related to such activities, in each case determined by Venue Owner in good faith by reference to revenue actually received for such dates corresponding to the Exclusive Use Period for the affected portion of the Venues for the years 2019, 2020 and 2021, divided by three, and finally adjusted for inflation according to CPI through 2024.

No later than June 30, 2022, the parties shall agree upon the estimated Venue Owner Expenses, which shall be mutually determined by the parties by reference to the Venue Owner Expenses reflected on Venue Owner's operating income statement for the dates corresponding to the Exclusive Use Period in the years 2019, 2020 and 2021, divided by three, and finally adjusted for inflation according to CPI through 2024. The parties shall make necessary adjustments for the Games, including any increase or decrease to labor provided, any increase or decrease to supplies necessary for the Games, any increase or decrease to expected utility usage related to the Games, and any necessary adjustments to avoid double-counting of expenses or revenues. For the avoidance of doubt, the parties agree that the full-time labor costs reimbursable by the OCOG shall be solely those costs related to services provided directly to the OCOG in connection with the Venue. To the extent that such costs are attributable to services provided to both to OCOG and to Venue Owner, the parties shall determine a proportionate reimbursement for such shared services.

The parties shall true-up the Venue Owner Expenses to reflect the difference between estimated and actual expenses within sixty (60) days following the Games. Venue Owner shall issue an invoice to the OCOG reconciling the difference between estimated Venue Owner Expenses and actual Venue Owner Expenses, as determined by the Venue Owner in good faith. Such invoice shall be reasonably detailed and include backup evidencing expenses incurred (e.g., copies of utility bills, payroll registers, invoices for supplies, etc.).

If as a result of the reconciliation, it is reasonably determined that (x) actual Venue Owner Expenses for the Exclusive Use Period exceeded estimated Venue Owner Expenses for such period, then the OCOG shall promptly reimburse Venue Owner for the difference, or (y) estimated Venue Owner Expenses for the Exclusive Use Period exceed the actual Venue Owner Expenses then Venue Owner shall promptly reimburse OCOG for the difference.

In no event shall indirect expenses attributable to OCOG exceed the "cap rate" set forth in the latest edition of the City of Los Angeles Cost Allocation Plan available at the time of the true-up.

For the avoidance of doubt, to the extent OCOG requests the services of any Venue Owner Personnel (whether part-time or full-time), OCOG shall reimburse Venue Owner for the hourly wages and any indirect costs attributable to such employees who provide services directly to OCOG.

Venue Owner shall permit OCOG or its representatives to inspect and take copies of all relevant financial records necessary to calculate the amounts payable to Venue Owner hereunder.

The Consideration shall be payable upon a schedule to be mutually agreed upon by the parties no later than eighteen (18) months prior to the commencement of the Exclusive Use Period.

The undersigned further undertakes to comply with the IOC's requirements related to naming rights (including rules related to the treatment of non-commercial names, names of individuals, and commercial or corporate names) for Venues used in the Games of the Olympiad from the date of election of the Host City to the conclusion of the Paralympic Games.

4. Broadcasting and Sponsorship

Throughout the term of the Venue Use Agreement, the Venue Owner agrees that the IOC and/or the OCOG (or the IPC, as applicable) has the exclusive right to sell broadcast, sponsorship or any other multimedia rights in relation to the Games being held at the Venue.

5. Exclusive use of Olympic Marketing Partners' products

The Venue Owner agrees that the OCOG shall have the right to exclusively use products and services of Games marketing partners at the Venues (and re-brand existing products and services, to the extent necessary to respect the exclusive rights granted to Olympic and Paralympic sponsors), including but not limited to the following product categories:

- Payment systems (including but not limited to credit card acceptance, automated teller machines (ATMs) and telephone payment systems) in relation to all sales occurring at the Venues related to the Games;
- Non-alcoholic and alcoholic beverages;
- Audio-visual equipment including but not limited to video boards and speakers; and
- Timing, scoring and on-venue results equipment including but not limited to scoreboards.

6. No use of Olympic marks

The Venue Owner agrees that, at no time, shall it have the right to use any Olympic or Paralympic marks, symbols, terminology or derivatives thereof.

7. Brand protection and anti-ambush assistance

Throughout the term of the Venue Use Agreement, the Venue Owner agrees to reasonably assist the OCOG to combat attempts of ambush marketing by advertisers at the Venues who are not Olympic or Paralympic sponsors but develop advertisements for use at the Venues that may, implicitly, suggest that they are sponsors of the Games.

For the avoidance of doubt, this Appendix D shall apply only to the City in its capacity as Venue Owner and shall not otherwise limit the City's actions as a governmental authority (including with respect to taxes).

VENUE USE AGREEMENT

THIS VENUE USE AGREEMENT is made as of the [] day of [], 2016, by and between LOS ANGELES 2024 EXPLORATORY COMMITTEE, a nonprofit public benefit corporation organized under the laws of the State of California (“**LA24**”); and THE CITY OF LOS ANGELES, a municipality incorporated under the laws of the State of California (“**Venue Owner**”).

Recitals

A. On September 15, 2015, the United States Olympic Committee formally submitted the City of Los Angeles (the “**City**”) as the United States’ official applicant city to host the 2024 Olympic and Paralympic Games, which are currently scheduled to commence on July 19, 2024 and end on August 27, 2024.

B. On September 16, 2015, the International Olympic Committee named the City as a candidate city in the competition to host the Games (defined below).

C. LA24 has been incorporated to act as the candidature committee for the City’s bid to host the Games.

D. If the City is awarded the privilege of hosting the Games, an organizing committee for the Games, which is anticipated to be named the “Los Angeles Organizing Committee for the 2024 Olympic and Paralympic Games” (the “**OCOG**”), will be formed and will acquire all of LA24’s rights and assume all of LA24’s obligations under this Agreement. For the purposes of this Agreement, LA24 and its successors and assigns, including the OCOG, are referred to herein collectively as the “**2024 Entity**”.

E. The City leases the area known as the Sepulveda Flood Control Basin from the United States Army Corps of Engineers pursuant to Lease No. DACW 09-1-67-11 (the “**Master Lease**”).

F. The City, in its capacity as Venue Owner, operates the Venue (as defined in Exhibit A), which includes the facilities commonly known as the public park and recreational areas within the Sepulveda Flood Control Basin (collectively, the “**Facilities**”).

G. The 2024 Entity desires to license and use the Venue and to obtain services from Venue Owner for events associated with the Games, all upon the terms and subject to the conditions contained herein, and in accordance with the terms and conditions of the Master Lease.

H. Hosting the Games at the Venue and at other locations in and around the City will bring significant benefits to the State of California, the City and its residents, including world-wide media exposure, substantial benefit to the reputation and prestige of the City and Venue, and advancement of the public interest in the region, and will highlight on the world stage the ability of the City and the Venue to attract world-class entertainment and sports events.

I. The City desires to make the Venue available to the 2024 Entity for the Games on the terms and subject to the conditions contained herein.

Agreement

Article 2. Basic Terms.

2.1 Consideration. As full consideration for the license and rights to access and use the Venue (including all Venue Facilities and Venue Owner Equipment) and all other rights, licenses, properties and services (including the Venue Services) provided to or for the benefit of the 2024 Entity by Venue Owner or its Affiliates under this Agreement, the 2024 Entity shall pay to Venue Owner the consideration set forth in Section 1 of Exhibit B (the “**Consideration**”). The Consideration is inclusive of all taxes and fees and is stated in 2016 dollars, which will be adjusted solely for inflation according to the Consumer Price Index for all Urban Consumers (CPI-U) for the Los Angeles-Riverside-Orange County,

CA metropolitan area, published by the U.S. Bureau of Labor Statistics (“CPI”), for the period between January 1, 2016 and January 1, 2024. The Consideration shall be due and payable in the manner set forth in Section 1 of Exhibit B.

2.2 Use Periods. Pursuant to the terms of this Agreement, the 2024 Entity shall be entitled to license, access and use, and Venue Owner shall license and otherwise make available to the 2024 Entity in accordance with the terms of this Agreement, the Venue, all Venue Services and Venue Owner Equipment, and all other rights, licenses, properties and services provided to or for the benefit of the 2024 Entity under this Agreement (i) during the Pre-Olympic Period set forth in Section 2(a) of Exhibit B, (ii) during the Exclusive Use Period set forth in Section 2(b) of Exhibit B, (iii) during the Post-Olympic Period set forth in Section 2(c) of Exhibit B, and (iv) at such other times, and under such circumstances and for such purposes, as are expressly provided for herein. The Pre-Olympic Period and the Post-Olympic Period are sometimes referred to in this Agreement collectively as the “**Nonexclusive Use Periods**.”

2.3 IOC-Required Guarantee Regarding Control of Commercial Activities. Venue Owner acknowledges that the Candidature Procedures require that all commercial rights related to the Venue during the Exclusive Use Period be reserved for the 2024 Entity. Accordingly, Venue Owner hereby agrees that the 2024 Entity shall have the exclusive right to (a) determine which products, services and other commercial offerings are available within the Venue during the Exclusive Use Period, (b) exercise all of the rights and privileges described on the “IOC Clean Venue Schedule” attached hereto as Schedule 2.3, and (c) receive and retain any and all revenues and other proceeds arising from or otherwise relating to the use of the Venue during the Exclusive Use Period, the activities, rights and privileges described on the “IOC Clean Venue Schedule” attached hereto as Schedule 2.3 and the rights described in Article 6 (Signage; Marketing and Intellectual Property Rights). Venue Owner covenants and agrees that continually throughout the Exclusive Use Period, the Venue will satisfy all of the requirements of the “IOC Clean Venue Schedule” attached hereto as Schedule 2.3. Any breach by Venue Owner of this Section 2.3 (IOC-Required Guarantee Regarding Control of Commercial Activities) shall constitute a Venue Owner Event of Default, which shall entitle the 2024 Entity to exercise any of its rights and remedies hereunder in respect thereof.

Article 3. License and Use of Venue. Venue Owner hereby grants to the 2024 Entity a license to use and access the Venue (which includes all related rights, easements, interests and appurtenances), subject to the terms, conditions and restrictions expressly set forth in this Agreement.

3.1 Pre-Olympic Period. Venue Owner hereby grants to the 2024 Entity a nonexclusive irrevocable (except as set forth in Article 10 (Termination)) license to use and access the Venue during the Pre-Olympic Period for the purposes of (a) constructing, installing and testing Overlay and equipment, (b) implementing a phased move-in to the Venue in preparation for Permitted Uses, and (c) such other uses as may be necessary to prepare the Games. The 2024 Entity and Venue Owner shall coordinate and mutually agree upon the 2024 Entity’s activities in the Venue during the Pre-Olympic Period so that such activities do not unreasonably interfere with Venue Owner’s normal activities and operations. The 2024 Entity and Venue Owner may mutually agree to designate certain portions of the Venue for the Exclusive Use by the 2024 Entity during the Pre-Olympic Period, including for storage needs related to the move-in.

3.2 Exclusive Use Period.

3.2.1 License. Venue Owner hereby grants to the 2024 Entity an exclusive irrevocable (except as set forth in Article 10 (Termination)) license for the Exclusive Use of the Venue by the 2024 Entity during the Exclusive Use Period for the purposes of engaging in Permitted Uses. During the Exclusive Use Period, the 2024 Entity shall have exclusive use of and access to the Venue, including a

secure perimeter established around the Venue (to be erected by the 2024 Entity or its designee at the 2024 Entity's cost and expense), and Games credentials shall be required for any and all access within the Venue. Venue Owner shall deliver the care, custody and exclusive control of the Venue to the 2024 Entity at the commencement of the Exclusive Use Period in a condition satisfying all requirements set forth in this Agreement, including, without limitation, Section 5.2 (Condition).

3.2.2 Permitted Uses. During the Exclusive Use Period, the 2024 Entity may (but shall not be obligated to) use, occupy, control and access the Venue, and may authorize or license others to use, occupy, control and access the Venue, for any and all of the following purposes (collectively, the "**Permitted Uses**"): (a) moving in and out; (b), constructing, installing, testing and using Overlay; (c) installing "look" and wayfinding signage; (d) training staff and conducting other readiness activities; (e) conducting, delivering or hosting of sport related activities (including Test Events, competition(s), athletic practice, training, and medal or award ceremonies or parades); (f) hosting live sites and cultural events held in connection with the Games; (g) broadcasting, designing, building, installing, testing, operating and dismantling broadcast and communication centers, facilities and equipment (collectively, the "**OBS Operations**"); (h) hosting marketing or hospitality events, site visits or tours; (i) conducting other activities contemplated by or referenced in this Agreement (such as advertising, marketing, promotion, hospitality and sponsor-related activities and the sale of food, beverages, novelties, souvenirs, and merchandise); and (j) any other purpose that is ancillary to any of the other purposes set forth in clauses (a)-(i) or otherwise necessary to host the Games. Without limiting any of the foregoing, the parties acknowledge and agree that during the Exclusive Use Period, the 2024 Entity shall also have the exclusive right, at its sole risk, cost and expense, to cause to be constructed or installed (consistent with City Standards) all Overlay and equipment within the Venue as the 2024 Entity, in its sole discretion, determines to be necessary or advisable in connection with the Permitted Uses.

3.2.3 Test Events. For the avoidance of doubt, all of the provisions of this Agreement applicable with respect to the Exclusive Use Period, including, without limitation, Sections 3.2.1 (License), 3.2.2 (Permitted Uses), 5.2 (Condition), 5.3.1 (Exclusive Use Period and Test Events), 5.3.3 (Supplementary Equipment), 5.4 (Personnel), 5.5 (Security and Access Control), 5.6 (Licenses and Permits), 5.7 (Insurance), 5.9 (Responsibility for Costs and Expenses), and Article 6 (Signage; Marketing and Intellectual Property Rights), shall apply with the same force and effect with respect to any Test Event, unless otherwise agreed in writing by the 2024 Entity.

3.3 Post-Olympic Period. Venue Owner hereby grants to the 2024 Entity a nonexclusive irrevocable license (except as set forth in Article 10 (Termination)) to use and access the Venue during the Post-Olympic Period for the purposes of removing the property of the 2024 Entity, the USOC, the IOC, the IPC or any of their respective Affiliates or Representatives and restoring the Venue in accordance with Section 4.2 (Site Restoration) and any applicable rules, regulations and requirements of the USOC, the IOC or the IPC, including the IOC Requirements. The 2024 Entity and Venue Owner may also mutually agree to designate certain portions of the Venue for the Exclusive Use by the 2024 Entity during the Post-Olympic Period.

3.4 Reasonable Access at Other Times. Without limiting any of the foregoing provisions of this Article 3 (License and Use of Venue), Venue Owner shall grant the 2024 Entity and its Representatives reasonable access to the Venue, at any mutually agreeable time prior to the Pre-Olympic Period or following the Post-Olympic Period, as applicable, for the purposes of (a) pre-installing necessary equipment in preparation for the Games in accordance with Section 4.1 (No Impairment), (b) meeting with members of the Venue staff for tours and refining the 2024 Entity's plans for the Venue, (c) arranging or conducting commercial and noncommercial photography, filming, videotaping, telecast and radio transmission associated with the Permitted Uses, (d) removing temporary equipment and Overlay and restoring the Venue in accordance with Section 4.2 (Site Restoration), (e) environmental, geotechnical and

related testing and (f) conducting other tests or checks in accordance with IOC Requirements; provided that the schedule for any activity that is conducted pursuant to this Section 3.4 (Reasonable Access at Other Times) shall be approved by Venue Owner, which approval shall not be unreasonably withheld, delayed or conditioned.

Article 4. Construction.

4.1 No Impairment. The 2024 Entity agrees not to perform any construction on the Venue that would impair the safety or structural integrity of the Venue.

4.2 Site Restoration.

4.2.1 Removal and Restoration. During the Post-Olympic Period, the 2024 Entity shall, subject to Section 4.2.3 (Legacy Improvements), (a) remove all temporary materials (including all commercial signage and displays), equipment and Overlay installed by the 2024 Entity in the Venue, and (b) except as otherwise requested by Venue Owner in accordance with Section 4.2.3 (Legacy Improvement) below, restore the Venue to a condition comparable to its condition prior to the commencement of the 2024 Entity's construction activities, subject to ordinary wear and tear. The 2024 Entity shall coordinate its removal and restoration activities pursuant to this Section 4.2.1 (Removal and Restoration) with Venue Owner in order to give priority to areas thereof that are necessary to enable resumption of Venue Owner's normal Venue operations. If the 2024 Entity fails to commence restoration of the Venue within ten (10) days following the end of the Exclusive Use Period, or fails to diligently pursue restoration after commencement, Venue Owner shall be authorized to restore, or retain third parties to restore, the Venue to a condition comparable to its condition prior to the commencement of Pre-Olympic Period and the 2024 Entity shall reimburse Venue Owner for all reasonable, documented out-of-pocket expenses incurred in connection therewith within sixty (60) days of the presentation of invoices therefor; provided that the Venue Owner may, at the Venue Owner's option, elect to offset such cost and expenses against any amounts that would otherwise be payable to the 2024 Entity under this Agreement.

4.2.2 Costs and Expenses. All removal and restoration activities conducted by the 2024 Entity pursuant to Section 4.2.1 (Removal and Restoration) shall be at the 2024 Entity's sole cost and expense.

4.2.3 Legacy Improvements. Venue Owner may make a written request to the 2024 Entity that Venue Owner be permitted to retain any Overlay, equipment or improvement to the Venue made by the 2024 Entity or its Affiliates in connection with the Games in exchange for mutually agreed upon compensation. Such request must be received by the 2024 Entity by the later to occur of (a) the date that is one hundred eighty (180) days prior to the commencement of the Games Period, or (b) ninety (90) days after Venue Owner is provided with notice and specifications of the Overlay. Notwithstanding the foregoing, Venue Owner shall notify 2024 Entity in writing prior to September 30, 2019 if Venue Owner desires to maintain the canoe-slalom facility and any or all related Overlay as a permanent facility (the "**Election Notice**"). Upon receipt of an Election Notice, 2024 Entity shall meet with Venue Owner to discuss in good faith any necessary amendments to this Agreement as a result of such election (including, without limitation, adjustment to the use periods and/or Consideration). For the avoidance of doubt, in the event Venue Owner does not timely deliver an Election Notice to 2024 Entity, Venue Owner shall be deemed to have elected to maintain the canoe-slalom facility as a temporary facility.

4.2.4 Post-Use Inspection. Promptly following, but not later than ten (10) days after the end of, the Post-Olympic Period, Venue Owner shall conduct a thorough inspection of the Venue to assess whether the Venue has been restored to a condition comparable to its condition prior to the commencement of the 2024 Entity's construction activities, subject to ordinary wear and tear (its "**Original**

Condition”) and shall notify the 2024 Entity in writing of any deficiencies (a “**Deficiency Notice**”). In the event Venue Owner determines that the Venue has been restored to its Original Condition, Venue Owner shall so notify the 2024 Entity in writing (a “**Satisfaction Notice**”). Upon delivery of a Satisfaction Notice, the 2024 Entity shall have no further obligations with respect to the removal of materials from, or any other restoration of, the Venue. If Venue Owner delivers a Deficiency Notice, then Representatives of the 2024 Entity and Venue Owner shall meet to discuss in good faith the deficiencies identified in the Deficiency Notice and how to address them in a timely and efficient manner. In the event that the 2024 Entity disputes any deficiency identified in the Deficiency Notice (or the 2024 Entity’s obligations with respect to such deficiency), such dispute shall be resolved in accordance with Section 11.16 and Exhibit G hereto. In the event that the parties mutually identify deficiencies for which the 2024 Entity is responsible under this Agreement, or an arbitrator determines that the 2024 Entity is responsible for any deficiencies pursuant to a judgment entered in accordance with Exhibit G, then the 2024 Entity shall promptly commence removal of the applicable materials or restoration of the Venue, as applicable, and shall continue to diligently pursue such removal or restoration activities until the Venue has been restored to its Original Condition. At such time as the Venue has been restored to its Original Condition, Venue Owner shall issue a Satisfaction Notice, and the 2024 Entity may request that Venue Owner inspect the Venue and issue a Satisfaction Notice at any time following the end of the Post-Olympic Period. For the avoidance of doubt, in no event shall the Consideration be adjusted, nor shall the 2024 Entity be obligated to pay any rent, use fee or other consideration of any kind, as a result of its or its Representatives’ use of, presence at or access to the Venue following the end of the Post-Olympic Period for the purpose of performing its obligations under this Section 4.2.4; provided that this sentence shall not be construed to relieve the 2024 Entity of its obligations under Section 4.2.2.

4.3 No Other Alterations by Venue Owner. From the date of this Agreement until the commencement of the Pre-Olympic Period, Venue Owner shall be permitted to operate the Venue, and shall conduct its business, as it deems necessary and appropriate in its sole discretion, and Venue Owner may modify, alter, develop and otherwise change the Venue in any way it deems necessary and appropriate, provided that (a) any such modification, alteration, development or other change does not reduce the layout, access, configuration or size of the competition areas or reduce or change the seating capacity of the Venue, or materially impact the 2024 Entity’s expected use of the Venue Facilities for the Permitted Uses, and (b) in no event shall any such modification, alteration, development or other change shall be made during the Exclusive Use Period. Venue Owner agrees to use reasonable efforts to give IOC and USOC sponsors, when applicable (and to the extent it would not conflict with Venue Owner’s then-existing sponsor contracts), first priority to provide any equipment or technology used for any Venue alterations or new construction undertaken by Venue Owner within the Venue after the Host City election.

Article 5. Ownership and Operational Matters.

5.1 Ownership; Taxes. Venue Owner will at all times remain the legal and beneficial owner of the Venue. The 2024 Entity’s interest in the Venue will be that of a licensee and permitted user, and the 2024 Entity shall have no responsibility at any time for any property taxes, payments in lieu of taxes or similar assessments relating to the Venue or any of the Venue Owner Equipment. The 2024 Entity will at all times be the legal and beneficial owner of all 2024 Entity Property.

5.2 Condition.

5.2.1 Specific Elements. Venue Owner shall ensure that the Venue shall have all of the elements, amenities and other attributes that are specified on Schedule 5.2.1 at all times during the Exclusive Use Period.

5.2.2 Quality Venue Standard. Without limiting Section 5.2.1 (Specific Elements), the standard of quality of the Venue shall be substantially equivalent, taken as a whole, to the standard of quality of the Comparable Facilities; provided, however, that Venue Owner shall not be obligated to include in the Venue any element, amenity or attribute that it reasonably determines is not suitable for or commercially viable in the Los Angeles market (the foregoing standard set forth in this paragraph being referred to herein as the “**Quality Venue Standard**”). Venue Owner shall, however, be permitted to include products, features or materials of better quality than those in the Comparable Facilities.

5.2.3 Legal Requirements. Venue Owner shall ensure that all of the spaces, structures, services and facilities of whatsoever nature to be provided or procured by Venue Owner under this Agreement are in compliance with all Applicable Laws, including, without limitation, the Americans with Disabilities Act of 1990, as amended, building codes, laws pertaining to health, fire or public safety, laws pertaining to the sale, distribution and consumption of liquor and all applicable laws of California. In the event that it is determined by any Governmental Authority or any court of competent jurisdiction, prior to or during the Exclusive Use Period or any Nonexclusive Use Period, that any modification or alteration to any portion of the Venue must be made in order to satisfy any such requirement, Venue Owner shall be responsible for procuring such modification or alteration at Venue Owner’s sole cost and expense. Notwithstanding the foregoing, the City, in its capacity as Venue Owner under this Agreement, shall not be considered a Governmental Authority for the purposes of this Agreement.

5.3 Venue Owner Facilities and Vendor Owner Equipment

5.3.1 Exclusive Use Period and Test Events.

(a) During the Exclusive Use Period, Venue Owner shall make available to the 2024 Entity, if and when requested by the 2024 Entity: (i) all Venue Owner Facilities and all Venue Owner Equipment normally located in the Venue in good repair and operating condition, and (ii) all Venue Services normally employed or utilized by Venue Owner in connection with the operation of the Venue (including those services included on Schedule 5.3.1 hereto), at times and schedules as reasonably designated by the 2024 Entity. If the 2024 Entity desires the Venue to be made available for use free of some or all Venue Owner Equipment, the 2024 Entity shall notify Venue Owner and Venue Owner shall remove such Venue Owner Equipment from the Venue, at Venue Owner’s expense (as allocated in accordance with Exhibit B); provided, however, the relocation of existing storage or warehouse facilities at the Venue shall require mutual agreement of the parties. The 2024 Entity shall use reasonable efforts to provide Venue Owner with reasonable advance notice of the 2024 Entity’s requirements for providers of Venue Services. If any Venue Services are normally provided by a third party in connection with the operation of the Venue, Venue Owner shall reasonably cooperate with the 2024 Entity to assist the 2024 Entity in obtaining all rights that may be necessary or desirable for the 2024 Entity to utilize such third party’s Venue Services during the Exclusive Use Period pursuant to (and on the same terms as) Venue Owner’s existing agreements with such third party for such Venue Services. Notwithstanding the foregoing, the 2024 Entity may elect, in its sole and absolute discretion, upon reasonable advance notice to Venue Owner, to arrange for the provision of any or all of the Venue Services by Olympic Sponsors or other third parties selected by the 2024 Entity in its sole discretion, provided, however, only to the extent the provision of services would not violate applicable labor or collective bargaining agreements (as the same may be modified pursuant to Section 5.4.4 (Labor Matters)).

(b) During the Exclusive Use Period, the 2024 Entity shall be permitted to perform any non-structural repairs and maintenance that may be reasonably necessary in connection with its use of the Venue, at the 2024 Entity’s cost and expense; provided, however, to the extent Venue Owner’s prior approval is not received the 2024 Entity shall restore the Venue in compliance with Section 4.2 (Site Restoration). In the case of any repair, maintenance or other corrective action that is reasonably required

with respect to the Venue's existing structure, infrastructure, servicing, building systems or capital equipment in order to maintain the Quality Venue Standard (such repairs, maintenance and other corrective action, collectively, "**Venue Owner Repairs**"), the 2024 Entity shall give Venue Owner prompt written notice thereof; provided that such notice need not be in writing if the matter is of an urgent nature or if public safety is at risk. Venue Owner agrees that promptly upon its receipt of such notice from the 2024 Entity, Venue Owner will take all actions as may be reasonably necessary to comply with the Quality Venue Standard. The cost of all Venue Owner Repairs will be borne by Venue Owner, unless such Venue Owner Repairs are attributable to any willful misconduct or negligence by the 2024 Entity, in which case the 2024 Entity will reimburse Venue Owner for reasonable out-of-pocket costs incurred by Venue Owner in making such Venue Owner Repairs within sixty (60) days after receipt of an invoice detailing Venue Owner's out-of-pocket costs.

5.3.2 Nonexclusive Use Periods.

Article 7. Environmental Matters.

7.1 Condition of Venue. Venue Owner hereby represents and warrants to the 2024 Entity that, to the best of Venue Owner's knowledge (based on a reasonably review of Venue Owner's reasonably accessible records or actual knowledge of management-level or senior employees) that: (a) no portion of the Venue, including the soil, surface area, groundwater and soil vapor, contains or is or has been otherwise impacted by a Hazardous Substance; (b) except as disclosed in writing to the 2024 Entity, no leak, spill, release, discharge, emission, generation or disposal of Hazardous Substances has occurred within the Venue on or prior to the date of this Agreement; and (c) any handling, transportation, storage, treatment or use by Venue Owner of Hazardous Substances that has occurred within the Venue on or prior to the date of this Agreement has been in compliance with all Applicable Laws, except as disclosed in writing to the 2024 Entity; provided that the foregoing clauses (a)-(c) shall not apply to any fuels, solvents and similar substances that were used and disposed of in the ordinary course of operational and janitorial activities at the Venue in compliance with all applicable laws, regulations and ordinances. Venue Owner further represents and warrants to the 2024 Entity that Venue Owner is not subject to any existing, pending or, to Venue Owner's knowledge, threatened investigation, remediation obligations, liability, notice of violation, litigation or claim by any governmental authority or third party under any applicable Environmental Law with respect to the Venue.

7.2 Venue Owner's Covenants.

7.2.1 Representations, Warranties and Covenants. Venue Owner represents, warrants and covenants to the 2024 Entity that from and after the date of this Agreement: (a) all uses of the Venue shall comply with all Environmental Laws, (b) no Hazardous Substances will be brought onto, into or in the vicinity of the Venue or will otherwise be used, stored, disposed or permitted to be used, stored, or disposed in or on the Venue by Venue Owner; and (c) Venue Owner will not use, allow or authorize any tenant, subtenant or other occupant to use, store or dispose Hazardous Substances within one-hundred (100) feet of the Venue or upon any property owned by Venue Owner that abuts the Venue, provided that this clause (c) shall not apply to any commercially reasonable quantities of Hazardous Substances that were, are or will be used, stored, disposed of or sold in the ordinary course of any business or operations conducted by Venue Owner or any tenant, subtenant or other occupant of the Venue and handled in compliance with all Applicable Laws.

7.2.2 Venue Owner shall immediately notify the 2024 Entity in writing after it has become aware of (a) any presence or Release or threatened Release of Hazardous Substances in, on, under, from or migrating towards the Venue; (b) any non-compliance with any Environmental Laws related in any way to the Venue; (c) any required or proposed remediation of environmental conditions relating to the Venue; or (d) any written or oral notice or other communication of which Venue Owner becomes aware from any source whatsoever (including but not limited to a Governmental Authority) relating in any way to Hazardous Substances that has or which may impact the Venue.

7.3 Remediation of Venue.

7.3.1 Venue Owner's Obligation to Remediate. Except as expressly set forth below, if at any time any Hazardous Substances are determined to be present in the Venue (except as a result of the actions or omissions of the 2024 Entity, the OCOG, the IOC, the IPC or any of their respective Affiliates, Representatives, agents, tenants, subtenants, licensees, invitees, or assigns) in a manner that

interferes with the conduct of the Games or any Permitted Use or that has or, in the 2024 Entity's reasonable judgment, could have a material negative impact thereupon, including risk to human health or the environment (the existence of any of the foregoing, a "**Hazardous Condition**"), then Venue Owner shall take all steps necessary to promptly investigate, remove, abate or otherwise remediate such Hazardous Condition in accordance with all applicable Environmental Laws. Venue Owner shall use commercially reasonable efforts not to interfere with the conduct of the Games or any Permitted Use and not to impair or endanger any structural foundations, or other improvements within the Venue during any such investigation, removal, remediation or abatement process.

7.3.2 2024 Entity's Cure Right.

(a) If (i) Venue Owner is unable or unwilling to take steps to promptly investigate, remove, remediate or abate any Hazardous Condition or to provide substituted premises to the 2024 Entity that are acceptable to the 2024 Entity (as determined by the 2024 Entity in its sole discretion) and (ii) such Hazardous Condition has or will have a material adverse effect on the conduct of the Games or any Permitted Use (as determined by the 2024 Entity in its reasonable discretion), then, upon giving Venue Owner at least ten (10) days' written notice of its intention to do so, the 2024 Entity may undertake such actions, and elect to expend such sums, as are reasonably necessary to remedy such Hazardous Condition. Venue Owner agrees to reimburse the 2024 Entity promptly for any costs or expenses incurred by the 2024 Entity or any of its Representatives in taking such remedial action; provided that the 2024 Entity may, at the 2024 Entity's option, elect to offset such cost and expenses against any amounts that would otherwise be payable to Venue Owner under this Agreement.

(b) If Venue Owner agrees to remove, abate or otherwise remediate the Hazardous Substance condition within a reasonable period of time and Venue Owner diligently pursues such action, the 2024 Entity shall not exercise its rights under Section 7.3.2(a); provided, however, that any amount payable to Venue Owner under this Agreement shall be equitably reduced to reflect the economic loss to the 2024 Entity during the period in which the Hazardous Condition exists.

7.3.3 Cumulative Rights. Nothing herein shall be deemed to limit any other rights or remedies to which the 2024 Entity may be entitled to exercise by reason of the existence of any Hazardous Substance that interferes with or has a material adverse effect on the 2024 Entity's use of the Venue.

7.3.4 Costs and Expenses. Without limiting any of the 2024 Entity's rights pursuant to this Section 7.3.4 (Costs and Expenses) or any other provision of this Agreement, Venue Owner acknowledges and agrees that (a) all costs and expenses for the investigation, removal, abatement and/or remediation of all Hazardous Substances that Venue Owner is required to address by the provisions of this Agreement or under applicable Environmental Laws shall be the sole obligation of Venue Owner, and (b) the 2024 Entity and its successors and assigns shall have no duty to contribute to or participate in such investigation, removal, remediation and/or abatement and shall have no responsibility for any cost or expense relating thereto. The provisions of this Section 7.3.4 shall be binding upon Venue Owner and upon any successor or assign of Venue Owner and shall survive any termination of this Agreement.

7.4 Venue Owner's Environmental Indemnity. Venue Owner covenants and agrees at the Venue Owner's sole cost and expense, to protect, defend, indemnify, release and hold harmless the 2024 Entity, the USOC, the IOC and the IPC and each of their respective Affiliates and Representatives (collectively, the "**LA24 Indemnified Parties**") harmless from and against any and all Indemnifiable Claims imposed upon or incurred by or asserted against any LA24 Indemnified Party that directly or indirectly arise out of or in any way relate to any one or more of the following: (a) any presence of any Hazardous Substances in, on, above, or under the Venue; (b) any past, present or threatened Release of any

Hazardous Substances in, on, above, under or from the Venue; (c) any activity by the Venue Owner, any person or entity affiliated with the Venue Owner, and any tenant, subtenant or other user of the Venue in connection with any actual, proposed or threatened use, treatment, storage, holding, existence, disposition or other Release, generation, production, manufacturing, processing, refining, control, management, abatement, removal, handling, transfer or transportation to or from the Venue of any Hazardous Substances at any time located in, under, on or above the Venue, or any actual or proposed remediation of any Hazardous Substances at any time located in, under, on or above the Venue, whether or not such remediation is voluntary or pursuant to court or administrative order, including but not limited to any removal, remedial or corrective action; (d) any past, present or threatened non-compliance or violations of any Environmental Law (or permits issued pursuant to any Environmental Law) in connection with the Venue or operations thereon, including but not limited to any failure by the Venue Owner, any person or entity affiliated with the Venue Owner, and any tenant or other user of the Venue to comply with any order of any governmental authority in connection with any Environmental Law; (e) any act or omission of the Venue Owner, any person or entity affiliated with the Venue Owner, and any tenant, subtenant or other user of the Venue in (i) arranging for disposal or treatment, or arranging with a transporter for transport for disposal or treatment, of any Hazardous Substances at any facility or incineration vessel containing any such or similar Substances or (ii) accepting any Hazardous Substances for transport to disposal or treatment facilities, incineration vessels or sites from which there is a Release, or a threatened Release of any Hazardous Substances which causes the incurrence of costs for remediation; and (f) any misrepresentation or inaccuracy in any representation or warranty or material breach or failure to perform any covenants or other obligations pursuant to this Agreement or relating to environmental matters; provided, however, that Venue Owner's liabilities and obligations under this Section 7.4 (Venue Owner's Environmental Indemnity) shall not apply to Indemnifiable Claims to the extent they arise from (x) any negligence or willful misconduct by any LA24 Indemnified Party or (y) any Hazardous Substances migrating offsite onto the Venue from a source other than the Venue (hereinafter defined as ("**Unallowed Hazardous Substances**")). The provisions of this Section 7.4 (Venue Owner's Environmental Indemnity) shall be binding upon Venue Owner and upon any successor or assign of Venue Owner and shall survive any termination of this Agreement.

7.5 2024 Entity's Environmental Indemnity. The 2024 Entity covenants and agrees at the 2024 Entity's sole cost and expense, to protect, defend, indemnify, release and hold the Venue Owner harmless from and against any and all Indemnifiable Claims imposed upon or incurred by or asserted against the Venue Owner and directly or indirectly arising out of or in any way relating to any one or more of the following: (a) any activity by the 2024 Entity, its successors, assigns, tenants, subtenants or other occupant of the Venue or by any of their respective Representatives in connection with any actual, proposed or threatened use, treatment, storage, holding, existence, disposition or other Release, generation, production, manufacturing, processing, refining, control, management, abatement, removal, handling, transfer or transportation to or from the Venue of any Hazardous Substances at any time located in, under, on or above the Venue, or any actual or proposed remediation of any Hazardous Substances at any time located in, under, on or above the Venue, whether or not such remediation is voluntary or pursuant to court or administrative order, including but not limited to any removal, remedial or corrective action; (b) any non-compliance or violations of any Environmental Law (or permits issued pursuant to any Environmental Law) in connection with the Venue or operations therein, including but not limited to any failure by the 2024 Entity, its successors, assigns, tenants, subtenants or other occupant or any of their Representatives to comply with any order of any governmental authority in connection with any Environmental Law; (c) any acts of the 2024 Entity its successors, assigns, tenants, subtenants or other occupant of the Venue or by any of their respective Representatives in (i) arranging for disposal or treatment, or arranging with a transporter for transport for disposal or treatment, of any Hazardous Substances at any facility or incineration vessel containing any such Hazardous Substances or (ii) accepting any Hazardous Substances for transport to disposal or treatment facilities, incineration vessels or sites from which there is a Release, or a threatened Release of any Hazardous Substances which causes the incurrence of costs for remediation; and (d) any misrepresentation or inaccuracy in any representation or warranty or material breach or failure to perform

any covenants or other obligations pursuant to this Agreement or relating to environmental matters; provided, however, that Venue Owner's liabilities and obligations under this Section 7.5 (2024 Entity's Environmental Indemnity) shall not apply to Indemnifiable Claims to the extent they arise from (x) any negligence or willful misconduct of the Venue Owner or its successors, assigns or by any of their respective Representatives or (y) any Unallowed Hazardous Substances. The provisions of this Section 7.5 (2024 Environmental Indemnity) shall be binding upon the 2024 Entity and upon any successor or assign of the 2024 Entity and shall survive any termination of this Agreement.

7.6 The 2024 Entity Covenants.

(a) The 2024 Entity warrants and represents to the Venue Owner that from and after the date of this Agreement that (i) the 2024 Entity and its successors, assigns, tenants, subtenants or occupants of the Venue or by any of their respective Representatives' uses of the Venue or 500m Perimeter shall be in compliance with all Environmental Laws, and (ii) the 2024 Entity and its successors, assigns, tenant, subtenants, occupants or any of their respective Representatives' shall not bring Hazardous Substances onto or into or about the Venue or shall not otherwise use, store, dispose of or permit Hazardous Substances to be used, stored, or disposed in or on the Venue or within the 500m Perimeter; provided that the prohibition in this Section 7.6 (The 2024 Entity Covenants) shall not apply to commercially reasonable quantities of Hazardous Substances used, stored, or disposed of or sold in the ordinary course of any business or operations conducted by the 2024 Entity or any tenant, subtenant or other occupant of the Venue and handled in compliance with all applicable laws.

(b) The 2024 Entity shall immediately notify the Venue Owner in writing after it has become aware of (i) any presence or Release or threatened Release of Hazardous Substances in, on, under, from or migrating towards the Venue resulting from the 2024 Entity's or its successors, assigns, tenants, subtenants or occupants or their respective representatives' use of the Venue or 500m Perimeter; (ii) any non-compliance with any Environmental Laws related in any way to the 2024 Entity's or its successors, assigns, tenants, subtenants, occupants or their respective Representative's use of the Venue or 500m Perimeter; (iii) any required or proposed remediation of environmental conditions relating to the Venue or 500m Perimeter resulting from the 2024 Entity's, its successors, assigns, tenants, subtenants, occupants and their respective Representatives use of the Venue or 500m Perimeter; and (iv) any written or oral notice or other communication of which Venue Owner becomes aware from any source whatsoever (including but not limited to a Governmental Authority) relating in any way to Hazardous Substances that has or which may impact the Venue.

7.7 2024 Entity's Obligation to Remediate. If at any time any Hazardous Substances are determined to be present in the Venue within one year after the conclusion of the Post-Olympic Period as a direct result of the actions or omissions of the 2024 Entity or any of its Affiliates, Representatives, agents, tenants, subtenants, licensees, invitees, or assigns, then the 2024 Entity shall take all steps necessary to promptly investigate, remove, abate or otherwise diligently and continuously remediate such Hazardous Condition in accordance with all applicable Environmental Laws. The 2024 Entity shall not impair or endanger any structural foundations, or other improvements within the Venue during any such investigation, removal, remediation or abatement process, and shall repair any damage caused by its removal, remediation or abatement process.

Article 8. Defaults and Remedies.

8.1 Events of Default. The occurrence of any of the following events shall constitute an event of default for purposes of this Agreement (each, an "Event of Default"):

(a) any material breach of this Agreement by either the 2024 Entity or Venue Owner; or

(b) solely in the case of Venue Owner, any failure by Venue Owner to perform any of its obligations under Section 2.3 (IOC-Required Guarantee Regarding Control of Commercial Activities), Section 5.4.5 (No Discrimination) or Article 6 (Signage; Marketing and Intellectual Property Rights).

8.2 Venue Owner Event of Default.

8.2.1 Venue Owner Cure Period. Upon the occurrence of any Event of Default by Venue Owner under Section 8.1(a) or 8.1(b) (a “**Venue Owner Event of Default**”), the 2024 Entity may provide written notice of the occurrence of such Event of Default to Venue Owner. In such event, Venue Owner shall have thirty (30) days from receipt of such notice with respect to a Venue Owner Event of Default under Section 8.1(a) (Events of Default) and three (3) business days with respect to a Venue Owner Event of Default under Section 8.1(b) (Events of Default), (each such period, the “**Venue Owner Cure Period**”) to cure such Venue Owner Event of Default. If such Venue Owner Event of Default is not cured within the applicable Venue Owner Cure Period or if the cure is not timely commenced or diligently pursued, the 2024 Entity shall have the right to exercise its cure rights pursuant to Section 8.2.2 (2024 Entity Cure Right) or 8.2.3 (Specified Venue Owner Event of Default), as applicable, and/or to exercise any and all remedies that it may have, whether under this Agreement, in equity or at law.

8.2.2 2024 Entity Cure Right. If Venue Owner fails to timely cure or to timely commence to cure or to diligently pursue the cure of any Venue Owner Event of Default after receiving notice of such Venue Owner Event of Default, the 2024 Entity shall have the right, but no obligation, to perform any obligation of Venue Owner hereunder, and Venue Owner shall promptly reimburse the 2024 Entity for all costs and expenses incurred by the 2024 Entity or any of its Affiliates in connection with such performance; provided that the 2024 Entity may, at the 2024 Entity’s option, elect to offset such cost and expenses against any amounts that would otherwise be payable to Venue Owner under this Agreement.

8.2.3 Specified Venue Owner Event of Default. Venue Owner acknowledges and agrees that the organization and staging of the Games is a time-critical event, for which numerous decisions must be made and implemented immediately. Therefore, notwithstanding anything to the contrary contained in Section 8.2 (Venue Owner Event of Default) or any other provision of this Agreement, Venue Owner acknowledges and agrees that upon the occurrence of any Venue Owner Event of Default within thirty (30) days prior to, or at any time during, the Exclusive Use Period (a “**Specified Venue Owner Event of Default**”), the 2024 Entity shall have the right, but no obligation, to cure such Specified Venue Owner Event of Default and to take any and all actions as the 2024 Entity deems necessary or appropriate to enable fulfillment of the defaulted obligation and/or satisfaction of the IOC Requirements. The 2024 Entity shall use reasonable efforts to notify Venue Owner of such Specified Venue Owner Event of Default and the intended curative actions, but failure to deliver such notice shall not prevent the taking of any such curative action. Venue Owner agrees to reimburse the 2024 Entity promptly for all costs and expenses incurred by the 2024 Entity or any of its Affiliates in connection with such curative actions; provided that the 2024 Entity may, at the 2024 Entity’s option, elect to offset such cost and expenses against any amounts that would otherwise be payable to Venue Owner under this Agreement.

8.2.4 Cumulative Rights. The rights and remedies of the 2024 Entity under this Section 8.2 (Venue Owner Event of Default) are not exclusive, but rather shall be cumulative and in addition to any and all other remedies available to the 2024 Entity, whether under this Agreement, in equity or at law.

8.3 2024 Entity Event of Default. Upon the occurrence of any Event of Default by the 2024 Entity under Section 8.1(a) (a “**2024 Entity Event of Default**”), Venue Owner may provide written notice of the occurrence of such 2024 Entity Event of Default to the 2024 Entity. In such event, the 2024 Entity shall have thirty (30) days from receipt of such notice (the “**2024 Entity Cure Period**”) to cure such 2024 Entity Event of Default. If such 2024 Entity Event of Default is not cured within such thirty (30) day period or if the cure is not timely commenced and diligently pursued, Venue Owner shall have the right to exercise any and all remedies that it may have, whether under this Agreement, in equity or at law.

Article 9. Indemnification.

9.1 Indemnities by 2024 Entity. The 2024 Entity shall indemnify, defend and hold harmless Venue Owner and its Representatives (“**Venue Owner Indemnified Parties**”) from and against any and all costs, losses, liabilities, damages, lawsuits, claims and expenses (including court costs, reasonable attorneys’ fees and disbursements), and all amounts paid in investigation, defense or settlement of any of the foregoing (all of the foregoing, collectively, “**Indemnifiable Claims**”), incurred by Venue Owner or any of its Representatives in connection with or arising out of or resulting from (a) any negligent act or omission or willful misconduct of the 2024 Entity or any of its Representatives in connection with this Agreement, (b) any breach by the 2024 Entity of any of the 2024 Entity’s representations, warranties or covenants under this Agreement, (c) any claim that relates to any construction of Overlay in the Venue by the 2024 Entity or its agents or contractors, or (d) any claim or action that relates to the use, occupancy, management, operation or possession of the Venue by the 2024 Entity, including any third party claim or action that relates to the production, promotion, clean-up after or cancellation of the Games; provided that the foregoing indemnification provisions shall not apply to the extent that any Indemnifiable Claim arises out of or results from (i) any negligent act or omission or willful misconduct of Venue Owner or any of its Representatives or Affiliates or (ii) any Force Majeure Event. The indemnification obligations of the 2024 Entity under this Section 9.1 (Indemnification) shall survive any termination of this Agreement.

9.2 Indemnities by Venue Owner. Venue Owner shall indemnify, defend and hold harmless the LA 24 Indemnified Parties from and against any and all Indemnifiable Claims incurred by any LA24 Indemnified Party in connection with or arising out of or resulting from (a) any negligent act or omission or willful misconduct by Venue Owner or any of its Representatives in connection with this Agreement, (b) any breach of any of Venue Owner’s representations, warranties or covenants under this Agreement, (c) any claim that relates to any defect in the structure, design or layout of the Venue, or any portion thereof, or (d) any claim by any sponsor (including any naming rights sponsor), advertiser, concessionaire, suite licensee or other customer, contractor or licensee of Venue Owner or any of its Affiliates; provided that the foregoing indemnification provisions shall not apply to the extent that any Indemnifiable Claim arises out of or results from (i) any negligent act or omission or willful conduct of the 2024 Entity or any of its Representatives or Affiliates or (ii) any Force Majeure Event. The indemnification obligations of Venue Owner under this Section 9.2 (Indemnities by Venue Owner) shall survive any termination of this Agreement.

9.3 Duty to Mitigate. Any Person that has incurred Indemnifiable Claims that are subject to the indemnification obligations of Section 9.1 or 9.2 (such party, an “**Indemnified Party**”) shall take all commercially reasonable steps to mitigate damages in respect of such Indemnifiable Claims in any manner that it deems reasonably appropriate, and the costs of such defense shall constitute Indemnifiable Claims.

9.4 Waiver of Subrogation. 2024 Entity and its respective Representatives, (a) waive any right of subrogation that might otherwise exist in or accrue to any Person on account of insurance coverage for the Venue or for property located or activities conducted on or in the Venue, and (b) agree to evidence such waiver by endorsement to the applicable insurance policies; provided that the foregoing

waiver shall not apply to the extent that the same would invalidate or increase the cost of the insurance coverage; and provided, further, that in the case of any increased costs, the other parties shall have the right, within thirty (30) days following a written notice, to pay such increased costs and thereby restore the applicability of the foregoing waiver.

Article 10. Termination

10.1 Automatic Termination Upon Non-Selection. If the City is not selected by the IOC to be the host city for the Games, this Agreement shall immediately and automatically terminate upon the selection of any other city as the host city for the Games.

10.2 2024 Entity's Termination Right. This Agreement may be terminated by the 2024 Entity without penalty or other liability, at any time by written notice to Venue Owner, (a) for any reason up until the date that is one (1) year prior to the commencement date of the Pre-Olympic Period, in the 2024 Entity's sole and exclusive discretion; or (b) pursuant to the terms of Section 5.8.3 (Additional Reports).

10.3 Effect of Termination. From and after any termination of this Agreement in accordance with its terms, all rights, covenants and obligations of performance by the parties (except for those rights and obligations that are expressly stated to survive termination, including those contained in Sections 7.3.4 (Costs and Expenses), 7.4 (Venue Owner's Environmental Indemnity), 7.5 (2024 Entity's Environmental Indemnity), 9.1 (Indemnities by 2024 Entity), 9.2 (Indemnities by Venue Owner), 11.5 (No Obligations for Unrelated Parties), 11.7 (Confidentiality), and Exhibit G (Dispute Resolution) shall immediately terminate; provided that no termination of this Agreement shall alter any of the claims of either party for any breach of this Agreement occurring prior to such termination, and the obligations of the parties with respect to such breaches (including those giving rise to such termination) shall survive such termination. Except as expressly set forth herein, neither party shall be obligated to pay the other any cost, fee, premium or penalty as a result of any termination of this Agreement.

Article 11. Miscellaneous Provisions.

11.1 Sustainability. Venue Owner hereby acknowledges that it is the goal of the IOC and the 2024 Entity to encourage and support a responsible concern for environmental issues, to promote sustainable development and operation in sport and to require that the Games are conducted in a manner consistent with these values. To that end, Venue Owner agrees to cooperate with, and to cause all of Venue Owner's Representatives and Affiliates to cooperate with, the 2024 Entity in its efforts to reduce waste, increase energy efficiency, conserve water and other resources and minimize pollution, including compliance with the sustainability requirements set forth in Schedule 11.1.

11.2 Cooperation; Further Assurances. The parties acknowledge that the success of the Games requires cooperation between them at all times and that each of them shall make every effort to keep the other fully informed in a timely manner as to the progress of their plans and activities, any particular difficulties encountered by them, any changes in plans and any other information that might affect the obligations of the other party under this Agreement. Each party agrees to, with reasonable diligence, do all such things, provide all such assurances and assistance and execute and deliver such other documents or instruments as may be reasonably required by any other Person to give effect to the terms and purpose of this Agreement and to carry out its provisions.

11.3 Representations and Warranties of Venue Owner. Venue Owner hereby represents, warrants and covenants to the 2024 Entity that, as of the date of this Agreement and at all times during the term of this Agreement: (a) it is and will continue to be a municipality incorporated under the

laws of the State of California, and it is and will continue to be authorized to do business, and is in good standing, in the State of California; (b) it has and will continue to have all necessary power and authority to enter into this Agreement and to perform its obligations hereunder; (c) the execution of this Agreement by it and the performance by it of its obligations hereunder have been duly authorized by all necessary action; (d) any governmental or third party consents or approvals necessary for the due and valid execution, delivery and performance by Venue Owner of this Agreement have been obtained and are and will continue to be in full force and effect; (e) this Agreement has been duly executed and delivered by Venue Owner and is and will continue to be a valid and binding obligation of Venue Owner, enforceable against it in accordance with its terms, subject to bankruptcy, insolvency, reorganization, moratorium and similar laws of general application relating to or affecting creditors' rights and to general equity principles; (f) the execution, delivery and performance of this Agreement will not result in the breach of or default under (or with notice or passage of time would constitute a breach of or default under) any agreement, understanding or contract with any Person; and (g) the Venue is and will continue to be in compliance with all, and within the past five (5) years has not received any notices of any violations of any, local, state, and federal safety and accessibility laws, including the Americans with Disabilities Act of 1990, 42 U.S.C. § 12101 *et seq.*, as amended. Venue Owner further represents and warrants to the 2024 Entity that Venue Owner has fee simple title to or a valid leasehold interest in the Venue, that all of the structures and grounds within the Venue are under the jurisdiction and control of Venue Owner, and that Venue Owner has all necessary right, power and authority to license and otherwise grant the 2024 Entity the right to access and use the Venue for the period and purposes contemplated by this Agreement.

11.4 Relationship of Parties. Each of the 2024 Entity and Venue Owner shall be solely responsible for its own duties and obligations under this Agreement and shall be deemed to be an independent contractor contracting at arms' length with the other party. Neither Venue Owner nor the 2024 Entity shall be deemed to have guaranteed performance by, or to be jointly liable, for the obligations of the other party under this Agreement or otherwise (except as and to the extent expressly agreed by both parties in a separate writing). Nothing contained in this Agreement shall (a) be deemed to create any agency, partnership or other similar relationship between the parties; and (b) authorize or permit either party to represent or otherwise hold out itself or any of its Representatives to be an agent, employee or partner of the other party.

11.5 No Obligations for Unrelated Parties. It is expressly understood and agreed by Venue Owner that:

(a) None of the State of California, the IOC, the IPC, the USOC or any of their respective Representatives, nor any Representative of the 2024 Entity (all of the foregoing, collectively, "**Unrelated Parties**") shall incur any financial responsibility or liability of any kind or nature whatsoever in connection with or arising out of this Agreement or any subsequent agreement between the parties relating to the subject matter hereof;

(b) Without limiting the foregoing, the 2024 Entity shall not be deemed to be an agency, instrumentality, joint venturer or agent of any Unrelated Party; and

(c) The City, for itself and its successors and assigns, acting solely in its capacity as Venue Owner, hereby irrevocably waives and releases, and hereby agrees and covenants to refrain from bringing or causing to be brought, any claims, demands, action, suits or other proceedings, whether at law or in equity, or whether before a court, arbitration panel, agency board or other body, against any Unrelated Party on account of any and all rights, demands, damages, claims, actions, causes of action, duties or breaches of duty, known or unknown, existing, pending, accrued or unaccrued (each, a "**Cause of Action**"), that Venue Owner has, claims to have or may

have against any Unrelated Party, to the extent any such Cause of Action arises from or relates to this Agreement.

The provisions of this Section 11.5 (No Obligations for Unrelated Parties) shall survive any termination of this Agreement.

11.6 Compliance with Laws. During the term of this Agreement, Venue Owner and the 2024 Entity shall each comply with, and shall each cause their respective Representatives and Affiliates to comply with, all applicable laws, including all federal, state, local and municipal laws, statutes, ordinances, orders, decrees, regulations, permits, guidance documents, policies and other requirements of Governmental Authorities, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing laws which affect employees (collectively, “**Applicable Laws**”), in each case, to the extent relating to this Agreement, or the Venue. Venue Owner and the 2024 Entity hereby agree to promptly disclose in writing to the other party any information obtained by Venue Owner or the 2024 Entity, as applicable, relating to any actual, potential or alleged non-compliance by Venue Owner or the 2024 Entity, as applicable, or any its Representatives or Affiliates, with any Applicable Law.

11.7 Confidentiality. While recognizing that documents provided to the City are generally public documents subject to Public Records Act requests, the 2024 Entity may on its own initiative and its own expense seek recourse of the courts to prevent the release of documents or information that it deems confidential and not subject to public disclosure. Without limiting the foregoing, (i) Venue Owner (in its capacity as Venue Owner) shall not discuss the terms of this Agreement or the planned use of the Venue for the Games with any member of the media without the prior written consent of the 2024 Entity, and (ii) neither party shall issue any press release or make any other public statement concerning the terms of this Agreement without the prior written consent of the other party; provided that nothing in this Section 11.7 (Confidentiality) shall be deemed to prevent the 2024 Entity from making any statement regarding its intended use of the Venue as part of the Games; and provided, further, that nothing in this Section 11.7 (Confidentiality) shall restrict Venue Owner in its capacity as a Governmental Authority, including in connection with any public hearings, meetings, testimony, or written or oral reports necessary for the approval or administration of this Agreement. The provisions of this Section 11.7 (Confidentiality) shall survive any termination of this Agreement for a period of five (5) years.

11.8 Governing Law. This Agreement shall be construed in accordance with, and governed by the substantive laws of, the State of California, without reference to principles governing choice or conflicts of laws. This Agreement will be interpreted without reference to any law, rule, or custom construing this Agreement against the party which drafted this Agreement.

11.9 Time of the Essence. With respect to all dates and time periods in or referred to in this Agreement, time is of the essence.

11.10 IOC Approvals. This Agreement and terms hereof shall be subject to approval by the IOC (“**IOC Approval**”). The 2024 Entity agrees to seek IOC Approval if the City is awarded the right to host the Games. 11.11 Severability. Upon execution by the parties, each term and provision of this Agreement shall be valid and enforceable to the fullest extent permitted by Applicable Law. If any term or provision of this Agreement, or the application thereof to any Person or circumstance, shall be held invalid or unenforceable to any extent in any jurisdiction, then, as to such jurisdiction, the remainder of this Agreement (including the application of such term or provision to Persons or circumstances other than those as to which such term or provision is held invalid or unenforceable in such jurisdiction) shall not be affected thereby. Any such invalidity or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. To the extent permitted by Applicable Law, the parties to this Agreement hereby waive any provision of any Applicable Law that renders any provision of this Agreement unenforceable in any respect.

11.12 Assignment and Delegation. Venue Owner may not assign or in any manner transfer any of its rights or delegate any of its obligations under this Agreement; provided, however, Venue Owner may delegate any of its obligations to any operator or manager of the Venue; and provided, further, no such delegation shall relieve Venue Owner of its obligations under this Agreement. 11.13 Waiver. No action or inaction by either party shall be deemed to constitute a waiver by such party of any compliance by the other party with any representation, warranty or covenant contained in this Agreement. Neither the waiver by any party of a breach of or default under any of the provisions of this Agreement, nor the failure of any party to enforce any of the provisions of this Agreement or to exercise any right or privilege hereunder shall thereafter be construed as a waiver of any subsequent breach or default or as a waiver of any other provisions, rights or privileges hereunder. No failure or delay on the part of any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof.

11.14 Headings. The Section, Exhibit and Schedule headings herein are for convenience and reference only, and in no way define or limit the scope and content of this Agreement or in any way affect its provisions.

Any dispute involving breach (or alleged breach) of this Agreement (including the interpretation or invalidity of any of its terms) or fraud (any of the foregoing, a “**Dispute**”), will be resolved in accordance with the procedures specified in Exhibit G attached hereto, which will be the sole and exclusive procedure for the resolution of any such Dispute, except that a party, without prejudice to such procedures, may file a complaint to seek preliminary injunctive or other provisional judicial relief if such party determines, in its sole discretion, that such action is necessary to avoid irreparable damage or to preserve the status quo, provided that the parties will continue to participate in good faith in the procedures specified in Exhibit G attached hereto; and provided further that nothing in this Section 11.16 (Dispute Resolution) shall be construed to limit or restrict a party’s rights under Section 11.22 (Right to Enforce Strictly; Specific Performance) hereof. Other than the LA24 Indemnified Parties and the Venue Owner Indemnified Parties, no person or entity who is not a party to this Agreement shall be bound by this Section 11.16 (Dispute Resolution).

11.17 [Intentionally Deleted].

If mailed, such notice shall be deemed to be given upon the earlier to occur of (x) the date upon which it is actually received by the addressee and (y) the second business day following the date upon which it is deposited in a first-class postage-prepaid envelope in the United States mail addressed as aforesaid. If given by electronic mail, such notice shall be deemed to be given upon the date it is delivered to the addressee by electronic mail, regardless of whether any subsequent copy is sent or received.

11.19 Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. Any counterpart or other signature delivered by .pdf or other electronic transmission shall be deemed for all purposes as being good and valid execution of this Agreement by the applicable party.

11.20 Right to Record Memorandum of Agreement. The parties hereto acknowledge that a memorandum of this Agreement may be recorded in the public record by the 2024 Entity at its expense. 11.21 Cumulative Rights. Except as expressly set forth in this Agreement, the rights and remedies provided by this Agreement are cumulative and are in addition to any other rights the parties may have by law, or otherwise, and the use of any one right or remedy by any party shall not preclude or waive its right to use any or all other remedies; provided, however, in no event shall any party be permitted to recover more than once for the same damages or otherwise be unjustly enriched.

11.22 Right to Enforce Strictly; Specific Performance.

11.22.1 Right to Enforce Strictly. Notwithstanding any law, usage or custom to the contrary, Venue Owner and the 2024 Entity shall at all times have the right to enforce each of the provisions of this Agreement in strict accordance with its terms. If, at any time, Venue Owner or the 2024 Entity (as the case may be) fails to enforce, or otherwise elects not to enforce, any provision of this Agreement or any right or remedy of Venue Owner or the 2024 Entity (as the case may be) with respect thereto strictly in accordance with its terms, such failure or election shall not constitute, and shall not be construed as creating, any custom or course of dealing in any way or manner contrary to any provision of this Agreement or as having in any way or manner modified the same.

11.22.2 Strict Performance. It is acknowledged and agreed that the 2024 Entity will suffer immediate and irreparable harm in the event of a breach or attempted or threatened breach of this Agreement by Venue Owner of any of Venue Owner's obligations hereunder and that the 2024 Entity will not have an adequate remedy at law. Accordingly, Venue Owner hereby acknowledges and agrees that

the 2024 Entity shall, in addition to the remedies set forth herein and any other remedy available to the 2024 Entity at law or in equity, be entitled to temporary, preliminary and permanent injunctive relief and a decree for specific performance in the event of any such breach or threatened or attempted breach, without the necessity of showing any actual damage or irreparable harm or the posting of any bond or furnishing of any other security.

11.23 Force Majeure. If a Force Majeure Event prohibits, prevents or delays either party, whether directly or indirectly, from performing any of its obligations under this Agreement, then (whether or not Force Majeure Events are expressly referred to in any provision of this Agreement relating to such obligation) such party shall be excused from performance of such obligation to the extent, but only to the extent made necessary by the Force Majeure Event and only until such time as the Force Majeure Event terminates or is removed or resolved. At all times during such period of prevention, prohibition or delay, the parties shall act diligently and in good faith to bring about the termination or removal of the Force Majeure Event as promptly as reasonably possible. None of the parties shall be liable to the other party as a result of such party's failure to perform any of its obligations as a result of a Force Majeure Event.

Article 12. Fundamental Agreement Principles.

12.1 Primacy of the IOC Requirements. Notwithstanding anything contained in this Agreement, to the extent any term of provision of this Agreement conflicts or is inconsistent with any IOC Requirement, such IOC Requirement will govern and control. If any such conflict or inconsistency arises, the 2024 Entity will advise Venue Owner thereof and Venue Owner shall comply with such IOC Requirement; provided, however, to the extent the Venue Owner (acting solely in its capacity as Venue Owner and not as a Governmental Authority) is required to expend any amount in order to comply with any IOC Requirement that is enacted at any time after the date of the execution of this Agreement, and Venue Owner would not otherwise have been responsible for under the terms of this Agreement, then the 2024 Entity shall promptly reimburse Venue Owner such amount. In accordance with IOC Candidature Procedures, Venue Owner specifically agrees to abide by the terms of the "Additional IOC Covenants" set forth on Schedule 12.1.

The 2024 Entity shall advise Venue Owner of such requirements, and the parties shall cooperate in incorporating such requirements into the Venue; provided the cost of incorporating all such requirements will be borne by the 2024 Entity.

12.3 USOC Requirements. Venue Owner acknowledges and agrees that it has no right of recovery of any kind against the USOC, or any Affiliate, director, officer, employee, consultant or independent contractor of the USOC, under this Agreement, and that the sole and exclusive recourse or remedy by Venue Owner for any claims, demands, actions, suits or other proceedings under this Agreement shall be against the assets of the 2024 Entity only. The USOC shall be a third party beneficiary of this Section 13.3 with full rights of enforcement thereof.

12.4 Retention of Records. 2024 Entity shall maintain all records, including records of financial transactions, pertaining to the performance of this Agreement, in accordance with its normal and customary business practices. These records shall be retained during the term of this Agreement and for a period of three years following final payment made by the Venue Owner hereunder or until such time as the 2024 Entity is dissolved ("**Record Retention Period**"). Said records shall be subject to examination and audit by authorized Venue Owner Personnel or Representatives during the Record Retention Period

upon reasonable prior notice. 2024 Entity shall provide any reports reasonably requested by the Venue Owner regarding performance of this Agreement.

Following Venue Owner's commercially reasonable efforts to mitigate any negative financial impact due to hosting Games events at the Venue (including compliance with Section 6.12 (Special Events Carve-Outs), and time-shifting of events (if applicable)), 2024 Entity will reimburse Venue Owner for its Expected Net Income (if positive) for the Exclusive Use Period, *plus* the following out-of-pocket costs (to the extent unavoidable, mitigated and actually paid by Venue Owner), as reflected on the operating income statement: (a) salaries, benefits and other indirect costs of full-time employees providing services directly to the 2024 Entity, (b) supplies and contract services benefitting the 2024 Entity, and (c) utilities used by the 2024 Entity (collectively, "Venue Owner Expenses"). Notwithstanding the foregoing, 2024 Entity shall also reimburse Venue Owner for its retained labor expenses (e.g., relating to labor expense not directly benefitting 2024 Entity) up to the total value of expected but displaced revenue; provided in no event shall Consideration payable hereunder exceed the sum of Venue Owner Expenses and Venue Owner's retained labor expenses.

Expected Net Income shall mean revenue that relates solely to activities that would otherwise have occurred within such Venue during the Exclusive Use Period but are mutually agreed to be displaced due to the permitted uses of the Venue by the 2024 Entity (filming and, recreational activities and concessions commissions earned by Venue Owner), minus expenses related to such activities, in each case determined by Venue Owner in good faith by reference to revenue actually received for such dates corresponding to the Exclusive Use Period for the affected portion of the Venue for the years 2019, 2020 and 2021, divided by three, and finally adjusted for inflation according to CPI through 2024.

No later than June 30, 2022, the parties shall agree upon the estimated Venue Owner Expenses, which shall be mutually determined by the parties by reference to the Venue Owner Expenses reflected on Venue Owner's operating income statement for the dates corresponding to the Exclusive Use Period in the years 2019, 2020 and 2021, divided by three, and finally adjusted for inflation according to CPI through 2024. The parties shall make necessary adjustments for the Games, including any increase or decrease to labor provided, any increase or decrease to supplies necessary for the Games, any increase or decrease to expected utility usage related to the Games, and any necessary adjustments to avoid double-counting of expenses or revenues. For the avoidance of doubt, the parties agree that the full-time labor costs reimbursable by the 2024 Entity shall be solely those costs related to services provided directly to the 2024 Entity in connection with the Venue. To the extent that such costs are attributable to services provided to both to 2024 Entity and to Venue Owner, the parties shall determine a proportionate reimbursement for such shared services.

The parties shall true-up the Venue Owner Expenses to reflect the difference between estimated and actual expenses within sixty (60) days following the Games. Venue Owner shall issue an invoice to the 2024 Entity reconciling the difference between estimated Venue Owner Expenses and actual Venue Owner Expenses, as determined by the Venue Owner in good faith. Such invoice shall be reasonably detailed and include backup evidencing expenses incurred (e.g., copies of utility bills, payroll registers, invoices for supplies, etc.).

If as a result of the reconciliation, it is reasonably determined that (x) actual Venue Owner Expenses for the Exclusive Use Period exceeded estimated Venue Owner Expenses for such period, then the 2024 Entity shall promptly reimburse Venue Owner for the difference, or (y) estimated Venue Owner Expenses for the Exclusive Use Period exceed the actual Venue Owner Expenses then Venue Owner shall promptly reimburse the 2024 Entity for the difference.

In no event shall indirect expenses attributable to 2024 Entity exceed the “cap rate” set forth in the latest edition of the City of Los Angeles Cost Allocation Plan available at the time of the true-up.

For the avoidance of doubt, to the extent 2024 Entity requests the services of any Venue Owner Personnel (whether part-time or full-time), 2024 Entity shall reimburse Venue Owner for the hourly wages and any indirect costs attributable to such employees who provide services directly to 2024 Entity.

Venue Owner shall permit 2024 Entity or its Representatives to inspect and take copies of all relevant financial records necessary to calculate the amounts payable to Venue Owner hereunder.

The Consideration shall be payable upon a schedule to be mutually agreed upon by the parties no later than eighteen (18) months prior to the commencement of the Exclusive Use Period.

For the avoidance of any doubt, the Consideration includes all remuneration, expenses and other costs related to the Venue Services and Venue Owner Equipment used, at the option of the OCOG, during the Games.

The 2024 Entity shall provide notice to Venue Owner of the number of hours and people that it will require, together with such other information as Venue Owner may reasonably require, in relation to the Venue Owner Personnel, no later than one hundred eighty (180) days prior to the commencement of the Games.

VENUE USE AGREEMENT

THIS VENUE USE AGREEMENT is made as of the [] day of [], 2016, by and between LOS ANGELES 2024 EXPLORATORY COMMITTEE, a nonprofit public benefit corporation organized under the laws of the State of California (“LA24”); and THE CITY OF LOS ANGELES, a municipality incorporated under the laws of the State of California (“Venue Owner”).

Recitals

A. On September 15, 2015, the United States Olympic Committee formally submitted the City of Los Angeles (the “City”) as the United States’ official applicant city to host the 2024 Olympic and Paralympic Games, which are currently scheduled to commence on July 19, 2024 and end on August 27, 2024.

B. On September 16, 2015, the International Olympic Committee named the City as a candidate city in the competition to host the Games (defined below).

C. LA24 has been incorporated to act as the candidature committee for the City’s bid to host the Games.

D. If the City is awarded the privilege of hosting the Games, an organizing committee for the Games, which is anticipated to be named the “Los Angeles Organizing Committee for the 2024 Olympic and Paralympic Games” (the “OCOG”), will be formed and will acquire all of LA24’s rights and assume all of LA24’s obligations under this Agreement. For the purposes of this Agreement, LA24 and its successors and assigns, including the OCOG, are referred to herein collectively as the “2024 Entity”.

E. The City, in its capacity as Venue Owner, owns the Venue (as defined in Exhibit A), which includes the facilities commonly known as the Woodley Lakes Golf Course (collectively, the “Facilities”).

F. The 2024 Entity desires to license and use the Venue and to obtain services from Venue Owner for events associated with the Games, all upon the terms and subject to the conditions contained herein, and in accordance with the terms and conditions of the Master Lease.

G. Hosting the Games at the Venue and at other locations in and around the City will bring significant benefits to the State of California, the City and its residents, including world-wide media exposure, substantial benefit to the reputation and prestige of the City and Venue, and advancement of the public interest in the region, and will highlight on the world stage the ability of the City and the Venue to attract world-class entertainment and sports events.

H. The City desires to make the Venue available to the 2024 Entity for the Games on the terms and subject to the conditions contained herein.

Agreement

In consideration of the mutual promises set forth herein, and intending to be legally bound, the parties hereto agree as follows:

Article 1. General Provisions.

1.2 Rules of Construction. Wherever any word or phrase is defined herein or on Exhibit A, each of its other grammatical forms shall have the corresponding meaning. The words “for example,” “include,” “includes,” and “including” when used in this Agreement without being following by words such as “but not limited to” or “without limitation,” shall be deemed to be followed by such words unless otherwise expressly specified. 1.5 Order of Precedence. In the event of a contradiction or inconsistency between or among any of the provisions of this Agreement, precedence will be given in the following order:

1.5.1 This Agreement (including the Schedules and Exhibits); and

1.5.2 The City Standard Provisions.

Article 2. Basic Terms.

2.1 Consideration. As full consideration for the license and rights to access and use the Venue (including all Venue Facilities and Venue Owner Equipment) and all other rights, licenses, properties and services (including the Venue Services) provided to or for the benefit of the 2024 Entity by Venue Owner or its Affiliates under this Agreement, the 2024 Entity shall pay to Venue Owner the consideration set forth in Section 1 of Exhibit B (the “**Consideration**”). The Consideration is inclusive of all taxes and fees and is stated in 2016 dollars, which will be adjusted solely for inflation according to the Consumer Price Index for all Urban Consumers (CPI-U) for the Los Angeles-Riverside-Orange County, CA metropolitan area, published by the U.S. Bureau of Labor Statistics (“**CPI**”), for the period between

January 1, 2016 and January 1, 2024. The Consideration shall be due and payable in the manner set forth in Section 1 of Exhibit B.

2.2 Use Periods. Pursuant to the terms of this Agreement, the 2024 Entity shall be entitled to license, access and use, and Venue Owner shall license and otherwise make available to the 2024 Entity in accordance with the terms of this Agreement, the Venue, all Venue Services and Venue Owner Equipment, and all other rights, licenses, properties and services provided to or for the benefit of the 2024 Entity under this Agreement (i) during the Pre-Olympic Period set forth in Section 2(a) of Exhibit B, (ii) during the Exclusive Use Period set forth in Section 2(b) of Exhibit B, (iii) during the Post-Olympic Period set forth in Section 2(c) of Exhibit B, and (iv) at such other times, and under such circumstances and for such purposes, as are expressly provided for herein. The Pre-Olympic Period and the Post-Olympic Period are sometimes referred to in this Agreement collectively as the “**Nonexclusive Use Periods**.”

2.3 IOC-Required Guarantee Regarding Control of Commercial Activities. Venue Owner acknowledges that the Candidature Procedures require that all commercial rights related to the Venue during the Exclusive Use Period be reserved for the 2024 Entity. Accordingly, Venue Owner hereby agrees that the 2024 Entity shall have the exclusive right to (a) determine which products, services and other commercial offerings are available within the Venue during the Exclusive Use Period, (b) exercise all of the rights and privileges described on the “IOC Clean Venue Schedule” attached hereto as Schedule 2.3, and (c) receive and retain any and all revenues and other proceeds arising from or otherwise relating to the use of the Venue during the Exclusive Use Period, the activities, rights and privileges described on the “IOC Clean Venue Schedule” attached hereto as Schedule 2.3 and the rights described in Article 6 (Signage; Marketing and Intellectual Property Rights). Venue Owner covenants and agrees that continually throughout the Exclusive Use Period, the Venue will satisfy all of the requirements of the “IOC Clean Venue Schedule” attached hereto as Schedule 2.3. Any breach by Venue Owner of this Section 2.3 (IOC-Required Guarantee Regarding Control of Commercial Activities) shall constitute a Venue Owner Event of Default, which shall entitle the 2024 Entity to exercise any of its rights and remedies hereunder in respect thereof.

Article 3. License and Use of Venue. Venue Owner hereby grants to the 2024 Entity a license to use and access the Venue (which includes all related rights, easements, interests and appurtenances), subject to the terms, conditions and restrictions expressly set forth in this Agreement.

3.1 Pre-Olympic Period. Venue Owner hereby grants to the 2024 Entity a nonexclusive irrevocable (except as set forth in Article 10 (Termination)) license to use and access the Venue during the Pre-Olympic Period for the purposes of (a) constructing, installing and testing Overlay and equipment, (b) implementing a phased move-in to the Venue in preparation for Permitted Uses, and (c) such other uses as may be necessary to prepare the Games. The 2024 Entity and Venue Owner shall coordinate and mutually agree upon the 2024 Entity’s activities in the Venue during the Pre-Olympic Period so that such activities do not unreasonably interfere with Venue Owner’s normal activities and operations. The 2024 Entity and Venue Owner may mutually agree to designate certain portions of the Venue for the Exclusive Use by the 2024 Entity during the Pre-Olympic Period, including for storage needs related to the move-in.

3.2 Exclusive Use Period.

3.2.1 License. Venue Owner hereby grants to the 2024 Entity an exclusive irrevocable (except as set forth in Article 10 (Termination)) license for the Exclusive Use of the Venue by the 2024 Entity during the Exclusive Use Period for the purposes of engaging in Permitted Uses. During the Exclusive Use Period, the 2024 Entity shall have exclusive use of and access to the Venue, including a secure perimeter established around the Venue (to be erected by the 2024 Entity or its designee at the 2024

Entity's cost and expense), and Games credentials shall be required for any and all access within the Venue. Venue Owner shall deliver the care, custody and exclusive control of the Venue to the 2024 Entity at the commencement of the Exclusive Use Period in a condition satisfying all requirements set forth in this Agreement, including, without limitation, Section 5.2 (Condition).

3.2.2 Permitted Uses. During the Exclusive Use Period, the 2024 Entity may (but shall not be obligated to) use, occupy, control and access the Venue, and may authorize or license others to use, occupy, control and access the Venue, for any and all of the following purposes (collectively, the "Permitted Uses"): (a) moving in and out; (b), constructing, installing, testing and using Overlay; (c) installing "look" and wayfinding signage; (d) training staff and conducting other readiness activities; (e) conducting, delivering or hosting of sport related activities (including Test Events, competition(s), athletic practice, training, and medal or award ceremonies or parades); (f) hosting live sites and cultural events held in connection with the Games; (g) broadcasting, designing, building, installing, testing, operating and dismantling broadcast and communication centers, facilities and equipment (collectively, the "OBS Operations"); (h) hosting marketing or hospitality events, site visits or tours; (i) conducting other activities contemplated by or referenced in this Agreement (such as advertising, marketing, promotion, hospitality and sponsor-related activities and the sale of food, beverages, novelties, souvenirs, and merchandise); and (j) any other purpose that is ancillary to any of the other purposes set forth in clauses (a)-(i) or otherwise necessary to host the Games. Without limiting any of the foregoing, the parties acknowledge and agree that during the Exclusive Use Period, the 2024 Entity shall also have the exclusive right, at its sole risk, cost and expense, to cause to be constructed or installed (consistent with City Standards) all Overlay and equipment within the Venue as the 2024 Entity, in its sole discretion, determines to be necessary or advisable in connection with the Permitted Uses.

3.2.3 Test Events. For the avoidance of doubt, all of the provisions of this Agreement applicable with respect to the Exclusive Use Period, including, without limitation, Sections 3.2.1 (License), 3.2.2 (Permitted Uses), 5.2 (Condition), 5.3.1 (Exclusive Use Period and Test Events), 5.3.3 (Supplementary Equipment), 5.4 (Personnel), 5.5 (Security and Access Control), 5.6 (Licenses and Permits), 5.7 (Insurance), 5.9 (Responsibility for Costs and Expenses), and Article 6 (Signage; Marketing and Intellectual Property Rights), shall apply with the same force and effect with respect to any Test Event, unless otherwise agreed in writing by the 2024 Entity.

3.3 Post-Olympic Period. Venue Owner hereby grants to the 2024 Entity a nonexclusive irrevocable license (except as set forth in Article 10 (Termination)) to use and access the Venue during the Post-Olympic Period for the purposes of removing the property of the 2024 Entity, the USOC, the IOC, the IPC or any of their respective Affiliates or Representatives and restoring the Venue in accordance with Section 4.2 (Site Restoration) and any applicable rules, regulations and requirements of the USOC, the IOC or the IPC, including the IOC Requirements. The 2024 Entity and Venue Owner may also mutually agree to designate certain portions of the Venue for the Exclusive Use by the 2024 Entity during the Post-Olympic Period.

3.4 Reasonable Access at Other Times. Without limiting any of the foregoing provisions of this Article 3 (License and Use of Venue), Venue Owner shall grant the 2024 Entity and its Representatives reasonable access to the Venue, at any mutually agreeable time prior to the Pre-Olympic Period or following the Post-Olympic Period, as applicable, for the purposes of (a) pre-installing necessary equipment in preparation for the Games in accordance with Section 4.1 (No Impairment), (b) meeting with members of the Venue staff for tours and refining the 2024 Entity's plans for the Venue, (c) arranging or conducting commercial and noncommercial photography, filming, videotaping, telecast and radio transmission associated with the Permitted Uses, (d) removing temporary equipment and Overlay and restoring the Venue in accordance with Section 4.2 (Site Restoration), (e) environmental, geotechnical and related testing and (f) conducting other tests or checks in accordance with IOC Requirements; provided that

the schedule for any activity that is conducted pursuant to this Section 3.4 (Reasonable Access at Other Times) shall be approved by Venue Owner, which approval shall not be unreasonably withheld, delayed or conditioned.

Article 4. Construction.

4.1 No Impairment. The 2024 Entity agrees not to perform any construction on the Venue that would impair the safety or structural integrity of the Venue.

4.2 Site Restoration.

4.2.1 Removal and Restoration. During the Post-Olympic Period, the 2024 Entity shall, subject to Section 4.2.3 (Legacy Improvements), (a) remove all temporary materials (including all commercial signage and displays), equipment and Overlay installed by the 2024 Entity in the Venue, and (b) except as otherwise requested by Venue Owner in accordance with Section 4.2.3 (Legacy Improvement) below, restore the Venue to a condition comparable to its condition prior to the commencement of the 2024 Entity's construction activities, subject to ordinary wear and tear. The 2024 Entity shall coordinate its removal and restoration activities pursuant to this Section 4.2.1 (Removal and Restoration) with Venue Owner in order to give priority to areas thereof that are necessary to enable resumption of Venue Owner's normal Venue operations. If the 2024 Entity fails to commence restoration of the Venue within ten (10) days following the end of the Exclusive Use Period, or fails to diligently pursue restoration after commencement, Venue Owner shall be authorized to restore, or retain third parties to restore, the Venue to a condition comparable to its condition prior to the commencement of Pre-Olympic Period and the 2024 Entity shall reimburse Venue Owner for all reasonable, documented out-of-pocket expenses incurred in connection therewith within sixty (60) days of the presentation of invoices therefor; provided that the Venue Owner may, at the Venue Owner's option, elect to offset such cost and expenses against any amounts that would otherwise be payable to the 2024 Entity under this Agreement.

4.2.2 Costs and Expenses. All removal and restoration activities conducted by the 2024 Entity pursuant to Section 4.2.1 (Removal and Restoration) shall be at the 2024 Entity's sole cost and expense.

4.2.3 Legacy Improvements. Venue Owner may make a written request to the 2024 Entity that Venue Owner be permitted to retain any Overlay, equipment or improvement to the Venue made by the 2024 Entity or its Affiliates in connection with the Games in exchange for mutually agreed upon compensation. Such request must be received by the 2024 Entity by the later to occur of (a) the date that is one hundred eighty (180) days prior to the commencement of the Games Period, or (b) ninety (90) days after Venue Owner is provided with notice and specifications of the Overlay.

4.2.4 Post-Use Inspection. Promptly following, but not later than ten (10) days after the end of, the Post-Olympic Period, Venue Owner shall conduct a thorough inspection of the Venue to assess whether the Venue has been restored to a condition comparable to its condition prior to the commencement of the 2024 Entity's construction activities, subject to ordinary wear and tear (its "**Original Condition**") and shall notify the 2024 Entity in writing of any deficiencies (a "**Deficiency Notice**"). In the event Venue Owner determines that the Venue has been restored to its Original Condition, Venue Owner shall so notify the 2024 Entity in writing (a "**Satisfaction Notice**"). Upon delivery of a Satisfaction Notice, the 2024 Entity shall have no further obligations with respect to the removal of materials from, or any other restoration of, the Venue. If Venue Owner delivers a Deficiency Notice, then Representatives of the 2024 Entity and Venue Owner shall meet to discuss in good faith the deficiencies identified in the Deficiency Notice and how to address them in a timely and efficient manner. In the event that the 2024 Entity disputes any deficiency identified in the Deficiency Notice (or the 2024 Entity's obligations with respect to such

deficiency), such dispute shall be resolved in accordance with Section 11.16 and Exhibit G hereto. In the event that the parties mutually identify deficiencies for which the 2024 Entity is responsible under this Agreement, or an arbitrator determines that the 2024 Entity is responsible for any deficiencies pursuant to a judgment entered in accordance with Exhibit G, then the 2024 Entity shall promptly commence removal of the applicable materials or restoration of the Venue, as applicable, and shall continue to diligently pursue such removal or restoration activities until the Venue has been restored to its Original Condition. At such time as the Venue has been restored to its Original Condition, Venue Owner shall issue a Satisfaction Notice, and the 2024 Entity may request that Venue Owner inspect the Venue and issue a Satisfaction Notice at any time following the end of the Post-Olympic Period. For the avoidance of doubt, in no event shall the Consideration be adjusted, nor shall the 2024 Entity be obligated to pay any rent, use fee or other consideration of any kind, as a result of its or its Representatives' use of, presence at or access to the Venue following the end of the Post-Olympic Period for the purpose of performing its obligations under this Section 4.2.4; provided that this sentence shall not be construed to relieve the 2024 Entity of its obligations under Section 4.2.2.

4.3 No Other Alterations by Venue Owner. From the date of this Agreement until the commencement of the Pre-Olympic Period, Venue Owner shall be permitted to operate the Venue, and shall conduct its business, as it deems necessary and appropriate in its sole discretion, and Venue Owner may modify, alter, develop and otherwise change the Venue in any way it deems necessary and appropriate, provided that (a) any such modification, alteration, development or other change does not reduce the layout, access, configuration or size of the competition areas or reduce or change the seating capacity of the Venue, or materially impact the 2024 Entity's expected use of the Venue Facilities for the Permitted Uses, and (b) in no event shall any such modification, alteration, development or other change shall be made during the Exclusive Use Period. Venue Owner agrees to use reasonable efforts to give IOC and USOC sponsors, when applicable (and to the extent it would not conflict with Venue Owner's then-existing sponsor contracts), first priority to provide any equipment or technology used for any Venue alterations or new construction undertaken by Venue Owner within the Venue after the Host City election.

Article 5. Ownership and Operational Matters.

5.1 Ownership; Taxes. Venue Owner will at all times remain the legal and beneficial owner of the Venue. The 2024 Entity's interest in the Venue will be that of a licensee and permitted user, and the 2024 Entity shall have no responsibility at any time for any property taxes, payments in lieu of taxes or similar assessments relating to the Venue or any of the Venue Owner Equipment. The 2024 Entity will at all times be the legal and beneficial owner of all 2024 Entity Property.

5.2 Condition.

5.2.1 Specific Elements. Venue Owner shall ensure that the Venue shall have all of the elements, amenities and other attributes that are specified on Schedule 5.2.1 at all times during the Exclusive Use Period.

5.2.2 Quality Venue Standard. Without limiting Section 5.2.1 (Specific Elements), the standard of quality of the Venue shall be substantially equivalent, taken as a whole, to the standard of quality of the Comparable Facilities; provided, however, that Venue Owner shall not be obligated to include in the Venue any element, amenity or attribute that it reasonably determines is not suitable for or commercially viable in the Los Angeles market (the foregoing standard set forth in this paragraph being referred to herein as the "**Quality Venue Standard**"). Venue Owner shall, however, be permitted to include products, features or materials of better quality than those in the Comparable Facilities.

5.2.3 Legal Requirements. Venue Owner shall ensure that all of the spaces, structures, services and facilities of whatsoever nature to be provided or procured by Venue Owner under this Agreement are in compliance with all Applicable Laws, including, without limitation, the Americans with Disabilities Act of 1990, as amended, building codes, laws pertaining to health, fire or public safety, laws pertaining to the sale, distribution and consumption of liquor and all applicable laws of California. In the event that it is determined by any Governmental Authority or any court of competent jurisdiction, prior to or during the Exclusive Use Period or any Nonexclusive Use Period, that any modification or alteration to any portion of the Venue must be made in order to satisfy any such requirement, Venue Owner shall be responsible for procuring such modification or alteration at Venue Owner's sole cost and expense. Notwithstanding the foregoing, the City, in its capacity as Venue Owner under this Agreement, shall not be considered a Governmental Authority for the purposes of this Agreement.

5.3 Venue Owner Facilities and Vendor Owner Equipment

5.3.1 Exclusive Use Period and Test Events.

(a) During the Exclusive Use Period, Venue Owner shall make available to the 2024 Entity, if and when requested by the 2024 Entity: (i) all Venue Owner Facilities and all Venue Owner Equipment normally located in the Venue in good repair and operating condition, and (ii) all Venue Services normally employed or utilized by Venue Owner in connection with the operation of the Venue (including those services included on Schedule 5.3.1 hereto), at times and schedules as reasonably designated by the 2024 Entity. If the 2024 Entity desires the Venue to be made available for use free of some or all Venue Owner Equipment, the 2024 Entity shall notify Venue Owner and Venue Owner shall remove such Venue Owner Equipment from the Venue, at Venue Owner's expense (as allocated in accordance with Exhibit B); provided, however, the relocation of existing storage or warehouse facilities at the Venue shall require mutual agreement of the parties. The 2024 Entity shall use reasonable efforts to provide Venue Owner with reasonable advance notice of the 2024 Entity's requirements for providers of Venue Services. If any Venue Services are normally provided by a third party in connection with the operation of the Venue, Venue Owner shall reasonably cooperate with the 2024 Entity to assist the 2024 Entity in obtaining all rights that may be necessary or desirable for the 2024 Entity to utilize such third party's Venue Services during the Exclusive Use Period pursuant to (and on the same terms as) Venue Owner's existing agreements with such third party for such Venue Services. Notwithstanding the foregoing, the 2024 Entity may elect, in its sole and absolute discretion, upon reasonable advance notice to Venue Owner, to arrange for the provision of any or all of the Venue Services by Olympic Sponsors or other third parties selected by the 2024 Entity in its sole discretion, provided, however, only to the extent the provision of services would not violate applicable labor or collective bargaining agreements (as the same may be modified pursuant to Section 5.4.4 (Labor Matters)).

(b) During the Exclusive Use Period, the 2024 Entity shall be permitted to perform any non-structural repairs and maintenance that may be reasonably necessary in connection with its use of the Venue, at the 2024 Entity's cost and expense; provided, however, to the extent Venue Owner's prior approval is not received the 2024 Entity shall restore the Venue in compliance with Section 4.2 (Site Restoration). In the case of any repair, maintenance or other corrective action that is reasonably required with respect to the Venue's existing structure, infrastructure, servicing, building systems or capital equipment in order to maintain the Quality Venue Standard (such repairs, maintenance and other corrective action, collectively, "**Venue Owner Repairs**"), the 2024 Entity shall give Venue Owner prompt written notice thereof; provided that such notice need not be in writing if the matter is of an urgent nature or if public safety is at risk. Article 7. Environmental Matters.

7.1 Condition of Venue. Venue Owner hereby represents and warrants to the 2024 Entity that, to the best of Venue Owner’s knowledge (based on a reasonably review of Venue Owner’s reasonably accessible records or actual knowledge of management-level or senior employees) that: (a) no portion of the Venue, including the soil, surface area, groundwater and soil vapor, contains or is or has been

otherwise impacted by a Hazardous Substance; (b) except as disclosed in writing to the 2024 Entity, no leak, spill, release, discharge, emission, generation or disposal of Hazardous Substances has occurred within the Venue on or prior to the date of this Agreement; and (c) any handling, transportation, storage, treatment or use by Venue Owner of Hazardous Substances that has occurred within the Venue on or prior to the date of this Agreement has been in compliance with all Applicable Laws, except as disclosed in writing to the 2024 Entity; provided that the foregoing clauses (a)-(c) shall not apply to any fuels, solvents and similar substances that were used and disposed of in the ordinary course of operational and janitorial activities at the Venue in compliance with all applicable laws, regulations and ordinances. Venue Owner further represents and warrants to the 2024 Entity that Venue Owner is not subject to any existing, pending or, to Venue Owner's knowledge, threatened investigation, remediation obligations, liability, notice of violation, litigation or claim by any governmental authority or third party under any applicable Environmental Law with respect to the Venue.

7.2 Venue Owner's Covenants.

7.2.1 Representations, Warranties and Covenants. Venue Owner represents, warrants and covenants to the 2024 Entity that from and after the date of this Agreement: (a) all uses of the Venue shall comply with all Environmental Laws, (b) no Hazardous Substances will be brought onto, into or in the vicinity of the Venue or will otherwise be used, stored, disposed or permitted to be used, stored, or disposed in or on the Venue by Venue Owner; and (c) Venue Owner will not use, allow or authorize any tenant, subtenant or other occupant to use, store or dispose Hazardous Substances within one-hundred (100) feet of the Venue or upon any property owned by Venue Owner that abuts the Venue, provided that this clause (c) shall not apply to any commercially reasonable quantities of Hazardous Substances that were, are or will be used, stored, disposed of or sold in the ordinary course of any business or operations conducted by Venue Owner or any tenant, subtenant or other occupant of the Venue and handled in compliance with all Applicable Laws.

7.2.2 Venue Owner shall immediately notify the 2024 Entity in writing after it has become aware of (a) any presence or Release or threatened Release of Hazardous Substances in, on, under, from or migrating towards the Venue; (b) any non-compliance with any Environmental Laws related in any way to the Venue; (c) any required or proposed remediation of environmental conditions relating to the Venue; or (d) any written or oral notice or other communication of which Venue Owner becomes aware from any source whatsoever (including but not limited to a Governmental Authority) relating in any way to Hazardous Substances that has or which may impact the Venue.

7.3 Remediation of Venue.

7.3.1 Venue Owner's Obligation to Remediate. Except as expressly set forth below, if at any time any Hazardous Substances are determined to be present in the Venue (except as a result of the actions or omissions of the 2024 Entity, the OCOG, the IOC, the IPC or any of their respective Affiliates, Representatives, agents, tenants, subtenants, licensees, invitees, or assigns) in a manner that interferes with the conduct of the Games or any Permitted Use or that has or, in the 2024 Entity's reasonable judgment, could have a material negative impact thereupon, including risk to human health or the environment (the existence of any of the foregoing, a "**Hazardous Condition**"), then Venue Owner shall take all steps necessary to promptly investigate, remove, abate or otherwise remediate such Hazardous Condition in accordance with all applicable Environmental Laws. Venue Owner shall use commercially reasonable efforts not to interfere with the conduct of the Games or any Permitted Use and not to impair or endanger any structural foundations, or other improvements within the Venue during any such investigation, removal, remediation or abatement process.

7.3.2 2024 Entity's Cure Right.

(a) If (i) Venue Owner is unable or unwilling to take steps to promptly investigate, remove, remediate or abate any Hazardous Condition or to provide substituted premises to the 2024 Entity that are acceptable to the 2024 Entity (as determined by the 2024 Entity in its sole discretion) and (ii) such Hazardous Condition has or will have a material adverse effect on the conduct of the Games or any Permitted Use (as determined by the 2024 Entity in its reasonable discretion), then, upon giving Venue Owner at least ten (10) days' written notice of its intention to do so, the 2024 Entity may undertake such actions, and elect to expend such sums, as are reasonably necessary to remedy such Hazardous Condition. Venue Owner agrees to reimburse the 2024 Entity promptly for any costs or expenses incurred by the 2024 Entity or any of its Representatives in taking such remedial action; provided that the 2024 Entity may, at the 2024 Entity's option, elect to offset such cost and expenses against any amounts that would otherwise be payable to Venue Owner under this Agreement.

(b) If Venue Owner agrees to remove, abate or otherwise remediate the Hazardous Substance condition within a reasonable period of time and Venue Owner diligently pursues such action, the 2024 Entity shall not exercise its rights under Section 7.3.2(a); provided, however, that any amount payable to Venue Owner under this Agreement shall be equitably reduced to reflect the economic loss to the 2024 Entity during the period in which the Hazardous Condition exists.

7.3.3 Cumulative Rights. Nothing herein shall be deemed to limit any other rights or remedies to which the 2024 Entity may be entitled to exercise by reason of the existence of any Hazardous Substance that interferes with or has a material adverse effect on the 2024 Entity's use of the Venue.

7.3.4 Costs and Expenses. Without limiting any of the 2024 Entity's rights pursuant to this Section 7.3.4 (Costs and Expenses) or any other provision of this Agreement, Venue Owner acknowledges and agrees that (a) all costs and expenses for the investigation, removal, abatement and/or remediation of all Hazardous Substances that Venue Owner is required to address by the provisions of this Agreement or under applicable Environmental Laws shall be the sole obligation of Venue Owner, and (b) the 2024 Entity and its successors and assigns shall have no duty to contribute to or participate in such investigation, removal, remediation and/or abatement and shall have no responsibility for any cost or expense relating thereto. The provisions of this Section 7.3.4 shall be binding upon Venue Owner and upon any successor or assign of Venue Owner and shall survive any termination of this Agreement.

7.4 Venue Owner's Environmental Indemnity. Venue Owner covenants and agrees at the Venue Owner's sole cost and expense, to protect, defend, indemnify, release and hold harmless the 2024 Entity, the USOC, the IOC and the IPC and each of their respective Affiliates and Representatives (collectively, the "**LA24 Indemnified Parties**") harmless from and against any and all Indemnifiable Claims imposed upon or incurred by or asserted against any LA24 Indemnified Party that directly or indirectly arise out of or in any way relate to any one or more of the following: (a) any presence of any Hazardous Substances in, on, above, or under the Venue; (b) any past, present or threatened Release of any Hazardous Substances in, on, above, under or from the Venue; (c) any activity by the Venue Owner, any person or entity affiliated with the Venue Owner, and any tenant, subtenant or other user of the Venue in connection with any actual, proposed or threatened use, treatment, storage, holding, existence, disposition or other Release, generation, production, manufacturing, processing, refining, control, management, abatement, removal, handling, transfer or transportation to or from the Venue of any Hazardous Substances at any time located in, under, on or above the Venue, or any actual or proposed remediation of any Hazardous Substances at any time located in, under, on or above the Venue, whether or not such remediation is voluntary or pursuant to court or administrative order, including but not limited to any removal, remedial or corrective action; (d) any past, present or threatened non-compliance or violations of any Environmental Law (or permits issued pursuant to any Environmental Law) in connection with the Venue or operations thereon, including but not limited to any failure by the Venue Owner, any person or entity affiliated with

the Venue Owner, and any tenant or other user of the Venue to comply with any order of any governmental authority in connection with any Environmental Law; (e) any act or omission of the Venue Owner, any person or entity affiliated with the Venue Owner, and any tenant, subtenant or other user of the Venue in (i) arranging for disposal or treatment, or arranging with a transporter for transport for disposal or treatment, of any Hazardous Substances at any facility or incineration vessel containing any such or similar Substances or (ii) accepting any Hazardous Substances for transport to disposal or treatment facilities, incineration vessels or sites from which there is a Release, or a threatened Release of any Hazardous Substances which causes the incurrence of costs for remediation; and (f) any misrepresentation or inaccuracy in any representation or warranty or material breach or failure to perform any covenants or other obligations pursuant to this Agreement or relating to environmental matters; provided, however, that Venue Owner's liabilities and obligations under this Section 7.4 (Venue Owner's Environmental Indemnity) shall not apply to Indemnifiable Claims to the extent they arise from (x) any negligence or willful misconduct by any LA24 Indemnified Party or (y) any Hazardous Substances migrating offsite onto the Venue from a source other than the Venue (hereinafter defined as ("**Unallowed Hazardous Substances**")). The provisions of this Section 7.4 (Venue Owner's Environmental Indemnity) shall be binding upon Venue Owner and upon any successor or assign of Venue Owner and shall survive any termination of this Agreement.

7.5 2024 Entity's Environmental Indemnity. The 2024 Entity covenants and agrees at the 2024 Entity's sole cost and expense, to protect, defend, indemnify, release and hold the Venue Owner harmless from and against any and all Indemnifiable Claims imposed upon or incurred by or asserted against the Venue Owner and directly or indirectly arising out of or in any way relating to any one or more of the following: (a) any activity by the 2024 Entity, its successors, assigns, tenants, subtenants or other occupant of the Venue or by any of their respective Representatives in connection with any actual, proposed or threatened use, treatment, storage, holding, existence, disposition or other Release, generation, production, manufacturing, processing, refining, control, management, abatement, removal, handling, transfer or transportation to or from the Venue of any Hazardous Substances at any time located in, under, on or above the Venue, or any actual or proposed remediation of any Hazardous Substances at any time located in, under, on or above the Venue, whether or not such remediation is voluntary or pursuant to court or administrative order, including but not limited to any removal, remedial or corrective action; (b) any non-compliance or violations of any Environmental Law (or permits issued pursuant to any Environmental Law) in connection with the Venue or operations therein, including but not limited to any failure by the 2024 Entity, its successors, assigns, tenants, subtenants or other occupant or any of their Representatives to comply with any order of any governmental authority in connection with any Environmental Law; (c) any acts of the 2024 Entity its successors, assigns, tenants, subtenants or other occupant of the Venue or by any of their respective Representatives in (i) arranging for disposal or treatment, or arranging with a transporter for transport for disposal or treatment, of any Hazardous Substances at any facility or incineration vessel containing any such Hazardous Substances or (ii) accepting any Hazardous Substances for transport to disposal or treatment facilities, incineration vessels or sites from which there is a Release, or a threatened Release of any Hazardous Substances which causes the incurrence of costs for remediation; and (d) any misrepresentation or inaccuracy in any representation or warranty or material breach or failure to perform any covenants or other obligations pursuant to this Agreement or relating to environmental matters; provided, however, that Venue Owner's liabilities and obligations under this Section 7.5 (2024 Entity's Environmental Indemnity) shall not apply to Indemnifiable Claims to the extent they arise from (x) any negligence or willful misconduct of the Venue Owner or its successors, assigns or by any of their respective Representatives or (y) any Unallowed Hazardous Substances. The provisions of this Section 7.5 (2024 Environmental Indemnity) shall be binding upon the 2024 Entity and upon any successor or assign of the 2024 Entity and shall survive any termination of this Agreement.

7.6 The 2024 Entity Covenants.

(a) The 2024 Entity warrants and represents to the Venue Owner that from and after the date of this Agreement that (i) the 2024 Entity and its successors, assigns, tenants, subtenants or occupants of the Venue or by any of their respective Representatives' uses of the Venue or 500m Perimeter shall be in compliance with all Environmental Laws, and (ii) the 2024 Entity and its successors, assigns, tenant, subtenants, occupants or any of their respective Representatives' shall not bring Hazardous Substances onto or into or about the Venue or shall not otherwise use, store, dispose of or permit Hazardous Substances to be used, stored, or disposed in or on the Venue or within the 500m Perimeter; provided that the prohibition in this Section 7.6 (The 2024 Entity Covenants) shall not apply to commercially reasonable quantities of Hazardous Substances used, stored, or disposed of or sold in the ordinary course of any business or operations conducted by the 2024 Entity or any tenant, subtenant or other occupant of the Venue and handled in compliance with all applicable laws.

(b) The 2024 Entity shall immediately notify the Venue Owner in writing after it has become aware of (i) any presence or Release or threatened Release of Hazardous Substances in, on, under, from or migrating towards the Venue resulting from the 2024 Entity's or its successors, assigns, tenants, subtenants or occupants or their respective representatives' use of the Venue or 500m Perimeter; (ii) any non-compliance with any Environmental Laws related in any way to the 2024 Entity's or its successors, assigns, tenants, subtenants, occupants or their respective Representative's use of the Venue or 500m Perimeter; (iii) any required or proposed remediation of environmental conditions relating to the Venue or 500m Perimeter resulting from the 2024 Entity's, its successors, assigns, tenants, subtenants, occupants and their respective Representatives use of the Venue or 500m Perimeter; and (iv) any written or oral notice or other communication of which Venue Owner becomes aware from any source whatsoever (including but not limited to a Governmental Authority) relating in any way to Hazardous Substances that has or which may impact the Venue.

7.7 2024 Entity's Obligation to Remediate. If at any time any Hazardous Substances are determined to be present in the Venue within one year after the conclusion of the Post-Olympic Period as a direct result of the actions or omissions of the 2024 Entity or any of its Affiliates, Representatives, agents, tenants, subtenants, licensees, invitees, or assigns, then the 2024 Entity shall take all steps necessary to promptly investigate, remove, abate or otherwise diligently and continuously remediate such Hazardous Condition in accordance with all applicable Environmental Laws. The 2024 Entity shall not impair or endanger any structural foundations, or other improvements within the Venue during any such investigation, removal, remediation or abatement process, and shall repair any damage caused by its removal, remediation or abatement process.

Article 8. Defaults and Remedies.

8.1 Events of Default. The occurrence of any of the following events shall constitute an event of default for purposes of this Agreement (each, an "**Event of Default**"):

(a) any material breach of this Agreement by either the 2024 Entity or Venue Owner; or

(b) solely in the case of Venue Owner, any failure by Venue Owner to perform any of its obligations under Section 2.3 (IOC-Required Guarantee Regarding Control of Commercial Activities), Section 5.4.5 (No Discrimination) or Article 6 (Signage; Marketing and Intellectual Property Rights).

8.2 Venue Owner Event of Default.

8.2.1 Venue Owner Cure Period. Upon the occurrence of any Event of Default by Venue Owner under Section 8.1(a) or 8.1(b) (a “**Venue Owner Event of Default**”), the 2024 Entity may provide written notice of the occurrence of such Event of Default to Venue Owner. In such event, Venue Owner shall have thirty (30) days from receipt of such notice with respect to a Venue Owner Event of Default under Section 8.1(a) (Events of Default) and three (3) business days with respect to a Venue Owner Event of Default under Section 8.1(b) (Events of Default), (each such period, the “**Venue Owner Cure Period**”) to cure such Venue Owner Event of Default. If such Venue Owner Event of Default is not cured within the applicable Venue Owner Cure Period or if the cure is not timely commenced or diligently pursued, the 2024 Entity shall have the right to exercise its cure rights pursuant to Section 8.2.2 (2024 Entity Cure Right) or 8.2.3 (Specified Venue Owner Event of Default), as applicable, and/or to exercise any and all remedies that it may have, whether under this Agreement, in equity or at law.

8.2.2 2024 Entity Cure Right. If Venue Owner fails to timely cure or to timely commence to cure or to diligently pursue the cure of any Venue Owner Event of Default after receiving notice of such Venue Owner Event of Default, the 2024 Entity shall have the right, but no obligation, to perform any obligation of Venue Owner hereunder, and Venue Owner shall promptly reimburse the 2024 Entity for all costs and expenses incurred by the 2024 Entity or any of its Affiliates in connection with such performance; provided that the 2024 Entity may, at the 2024 Entity’s option, elect to offset such cost and expenses against any amounts that would otherwise be payable to Venue Owner under this Agreement.

8.2.3 Specified Venue Owner Event of Default. Venue Owner acknowledges and agrees that the organization and staging of the Games is a time-critical event, for which numerous decisions must be made and implemented immediately. Therefore, notwithstanding anything to the contrary contained in Section 8.2 (Venue Owner Event of Default) or any other provision of this Agreement, Venue Owner acknowledges and agrees that upon the occurrence of any Venue Owner Event of Default within thirty (30) days prior to, or at any time during, the Exclusive Use Period (a “**Specified Venue Owner Event of Default**”), the 2024 Entity shall have the right, but no obligation, to cure such Specified Venue Owner Event of Default and to take any and all actions as the 2024 Entity deems necessary or appropriate to enable fulfillment of the defaulted obligation and/or satisfaction of the IOC Requirements. The 2024 Entity shall use reasonable efforts to notify Venue Owner of such Specified Venue Owner Event of Default and the intended curative actions, but failure to deliver such notice shall not prevent the taking of any such curative action. Venue Owner agrees to reimburse the 2024 Entity promptly for all costs and expenses incurred by the 2024 Entity or any of its Affiliates in connection with such curative actions; provided that the 2024 Entity may, at the 2024 Entity’s option, elect to offset such cost and expenses against any amounts that would otherwise be payable to Venue Owner under this Agreement.

8.2.4 Cumulative Rights. The rights and remedies of the 2024 Entity under this Section 8.2 (Venue Owner Event of Default) are not exclusive, but rather shall be cumulative and in addition to any and all other remedies available to the 2024 Entity, whether under this Agreement, in equity or at law.

Upon the occurrence of any Event of Default by the 2024 Entity under Section 8.1(a) (a “**2024 Entity Event of Default**”), Venue Owner may provide written notice of the occurrence of such 2024 Entity Event of Default to the 2024 Entity. In such event, the 2024 Entity shall have thirty (30) days from receipt of such notice (the “**2024 Entity Cure Period**”) to cure such 2024 Entity Event of Default. If such 2024 Entity Event of Default is not cured within such thirty (30) day period or if the cure is not timely commenced and diligently pursued, Venue Owner shall have the right to exercise any and all remedies that it may have, whether under this Agreement, in equity or at law.

Article 9. Indemnification.

9.1 Indemnities by 2024 Entity. The 2024 Entity shall indemnify, defend and hold harmless Venue Owner and its Representatives (“**Venue Owner Indemnified Parties**”) from and against any and all costs, losses, liabilities, damages, lawsuits, claims and expenses (including court costs, reasonable attorneys’ fees and disbursements), and all amounts paid in investigation, defense or settlement of any of the foregoing (all of the foregoing, collectively, “**Indemnifiable Claims**”), incurred by Venue Owner or any of its Representatives in connection with or arising out of or resulting from (a) any negligent act or omission or willful misconduct of the 2024 Entity or any of its Representatives in connection with this Agreement, (b) any breach by the 2024 Entity of any of the 2024 Entity’s representations, warranties or covenants under this Agreement, (c) any claim that relates to any construction of Overlay in the Venue by the 2024 Entity or its agents or contractors, or (d) any claim or action that relates to the use, occupancy, management, operation or possession of the Venue by the 2024 Entity, including any third party claim or action that relates to the production, promotion, clean-up after or cancellation of the Games; provided that the foregoing indemnification provisions shall not apply to the extent that any Indemnifiable Claim arises out of or results from (i) any negligent act or omission or willful misconduct of Venue Owner or any of its Representatives or Affiliates or (ii) any Force Majeure Event. The indemnification obligations of Venue Owner under this Section 9.2 (Indemnities by Venue Owner) shall survive any termination of this Agreement.

9.4 Waiver of Subrogation. 2024 Entity and its respective Representatives, (a) waive any right of subrogation that might otherwise exist in or accrue to any Person on account of insurance coverage for the Venue or for property located or activities conducted on or in the Venue, and (b) agree to evidence such waiver by endorsement to the applicable insurance policies; provided that the foregoing waiver shall not apply to the extent that the same would invalidate or increase the cost of the insurance coverage; and provided, further, that in the case of any increased costs, the other parties shall have the right, within thirty (30) days following a written notice, to pay such increased costs and thereby restore the applicability of the foregoing waiver.

Article 10. Termination

Except as expressly set forth herein, neither party shall be obligated to pay the other any cost, fee, premium or penalty as a result of any termination of this Agreement.

Article 11. Miscellaneous Provisions.

11.1 Sustainability. Venue Owner hereby acknowledges that it is the goal of the IOC and the 2024 Entity to encourage and support a responsible concern for environmental issues, to promote sustainable development and operation in sport and to require that the Games are conducted in a manner consistent with these values. To that end, Venue Owner agrees to cooperate with, and to cause all of Venue Owner's Representatives and Affiliates to cooperate with, the 2024 Entity in its efforts to reduce waste, increase energy efficiency, conserve water and other resources and minimize pollution, including compliance with the sustainability requirements set forth in Schedule 11.1.

The parties acknowledge that the success of the Games requires cooperation between them at all times and that each of them shall make every effort to keep the other fully informed in a timely manner as to the progress of their plans and activities, any particular difficulties encountered by them, any changes in plans and any other information that might affect the obligations of the other party under this Agreement. Each party agrees to, with reasonable diligence, do all such things, provide all such assurances and assistance and execute and deliver such other documents or instruments as may be reasonably required by any other Person to give effect to the terms and purpose of this Agreement and to carry out its provisions.

11.3 Representations and Warranties of Venue Owner. Neither Venue Owner nor the 2024 Entity shall be deemed to have guaranteed performance by, or to be jointly liable, for the obligations of the other party under this Agreement or otherwise (except as and to the extent expressly agreed by both parties in a separate writing). Nothing contained in this Agreement shall (a) be deemed to create any agency, partnership or other similar relationship between the parties; and (b) authorize or permit either party to represent or otherwise hold out itself or any of its Representatives to be an agent, employee or partner of the other party.

11.5 No Obligations for Unrelated Parties. It is expressly understood and agreed by Venue Owner that:

(a) None of the State of California, the IOC, the IPC, the USOC or any of their respective Representatives, nor any Representative of the 2024 Entity (all of the foregoing, collectively, "**Unrelated Parties**") shall incur any financial responsibility or liability of any kind or nature whatsoever in connection with or arising out of this Agreement or any subsequent agreement between the parties relating to the subject matter hereof;

The provisions of this Section 11.7 (Confidentiality) shall survive any termination of this Agreement for a period of five (5) years.

11.8 Governing Law. This Agreement shall be construed in accordance with, and governed by the substantive laws of, the State of California, without reference to principles governing choice or conflicts of laws. This Agreement will be interpreted without reference to any law, rule, or custom construing this Agreement against the party which drafted this Agreement.

Any such invalidity or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. To the extent permitted by Applicable Law, the parties to this Agreement hereby waive any provision of any Applicable Law that renders any provision of this Agreement unenforceable in any respect.

11.12 Assignment and Delegation. Venue Owner may not assign or in any manner transfer any of its rights or delegate any of its obligations under this Agreement; provided, however, Venue Owner may delegate any of its obligations to any operator or manager of the Venue; and provided, further, no such delegation shall relieve Venue Owner of its obligations under this Agreement. Subject to the limitation set forth in the first sentence of this Section 11.12 (Assignment and Delegation), this Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

11.13 Waiver. No action or inaction by either party shall be deemed to constitute a waiver by such party of any compliance by the other party with any representation, warranty or covenant contained in this Agreement. Neither the waiver by any party of a breach of or default under any of the provisions of this Agreement, nor the failure of any party to enforce any of the provisions of this Agreement or to exercise any right or privilege hereunder shall thereafter be construed as a waiver of any subsequent breach or default or as a waiver of any other provisions, rights or privileges hereunder. No failure or delay on the part of any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof.

11.14 Headings. The Section, Exhibit and Schedule headings herein are for convenience and reference only, and in no way define or limit the scope and content of this Agreement or in any way affect its provisions.

Any dispute involving breach (or alleged breach) of this Agreement (including the interpretation or invalidity of any of its terms) or fraud (any of the foregoing, a “**Dispute**”), will be resolved in accordance with the procedures specified in Exhibit G attached hereto, which will be the sole and exclusive procedure for the resolution of any such Dispute, except that a party, without prejudice to such procedures, may file a complaint to seek preliminary injunctive or other provisional judicial relief if such party determines, in its sole discretion, that such action is necessary to avoid irreparable damage or to preserve the status quo, provided that the parties will continue to participate in good faith in the procedures specified in Exhibit G attached hereto; and provided further that nothing in this Section 11.16 (Dispute Resolution) shall be construed to limit or restrict a party’s rights under Section 11.22 (Right to Enforce Strictly; Specific Performance) hereof. Other than the LA24 Indemnified Parties and the Venue Owner Indemnified Parties, no person or entity who is not a party to this Agreement shall be bound by this Section 11.16 (Dispute Resolution).

11.17 [Intentionally Deleted].

If given by electronic mail, such notice shall be deemed to be given upon the date it is delivered to the addressee by electronic mail, regardless of whether any subsequent copy is sent or received.

11.19 Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. Any counterpart or other signature delivered by .pdf or other electronic transmission shall be deemed for all purposes as being good and valid execution of this Agreement by the applicable party.

11.22 Right to Enforce Strictly; Specific Performance.

11.22.1 Right to Enforce Strictly. Notwithstanding any law, usage or custom to the contrary, Venue Owner and the 2024 Entity shall at all times have the right to enforce each of the provisions of this Agreement in strict accordance with its terms. If, at any time, Venue Owner or the 2024 Entity (as the case may be) fails to enforce, or otherwise elects not to enforce, any provision of this Agreement or any right or remedy of Venue Owner or the 2024 Entity (as the case may be) with respect thereto strictly in accordance with its terms, such failure or election shall not constitute, and shall not be construed as creating, any custom or course of dealing in any way or manner contrary to any provision of this Agreement or as having in any way or manner modified the same.

11.22.2 Strict Performance. It is acknowledged and agreed that the 2024 Entity will suffer immediate and irreparable harm in the event of a breach or attempted or threatened breach of this Agreement by Venue Owner of any of Venue Owner's obligations hereunder and that the 2024 Entity will not have an adequate remedy at law. Accordingly, Venue Owner hereby acknowledges and agrees that the 2024 Entity shall, in addition to the remedies set forth herein and any other remedy available to the 2024 Entity at law or in equity, be entitled to temporary, preliminary and permanent injunctive relief and a decree for specific performance in the event of any such breach or threatened or attempted breach, without the necessity of showing any actual damage or irreparable harm or the posting of any bond or furnishing of any other security.

11.23 Force Majeure. If a Force Majeure Event prohibits, prevents or delays either party, whether directly or indirectly, from performing any of its obligations under this Agreement, then (whether or not Force Majeure Events are expressly referred to in any provision of this Agreement relating to such obligation) such party shall be excused from performance of such obligation to the extent, but only

to the extent made necessary by the Force Majeure Event and only until such time as the Force Majeure Event terminates or is removed or resolved. At all times during such period of prevention, prohibition or delay, the parties shall act diligently and in good faith to bring about the termination or removal of the Force Majeure Event as promptly as reasonably possible. None of the parties shall be liable to the other party as a result of such party's failure to perform any of its obligations as a result of a Force Majeure Event.

Article 12. Fundamental Agreement Principles.

12.1 Primacy of the IOC Requirements. Notwithstanding anything contained in this Agreement, to the extent any term of provision of this Agreement conflicts or is inconsistent with any IOC Requirement, such IOC Requirement will govern and control. If any such conflict or inconsistency arises, the 2024 Entity will advise Venue Owner thereof and Venue Owner shall comply with such IOC Requirement; provided, however, to the extent the Venue Owner (acting solely in its capacity as Venue Owner and not as a Governmental Authority) is required to expend any amount in order to comply with any IOC Requirement that is enacted at any time after the date of the execution of this Agreement, and Venue Owner would not otherwise have been responsible for under the terms of this Agreement, then the 2024 Entity shall promptly reimburse Venue Owner such amount. 12.3 USOC Requirements. Venue Owner acknowledges and agrees that it has no right of recovery of any kind against the USOC, or any Affiliate, director, officer, employee, consultant or independent contractor of the USOC, under this Agreement, and that the sole and exclusive recourse or remedy by Venue Owner for any claims, demands, actions, suits or other proceedings under this Agreement shall be against the assets of the 2024 Entity only. The USOC shall be a third party beneficiary of this Section 13.3 with full rights of enforcement thereof.

12.4 Retention of Records. 2024 Entity shall maintain all records, including records of financial transactions, pertaining to the performance of this Agreement, in accordance with its normal and customary business practices. These records shall be retained during the term of this Agreement and for a period of three years following final payment made by the Venue Owner hereunder or until such time as the 2024 Entity is dissolved ("**Record Retention Period**"). Said records shall be subject to examination and audit by authorized Venue Owner Personnel or Representatives during the Record Retention Period upon reasonable prior notice. 2024 Entity shall provide any reports reasonably requested by the Venue Owner regarding performance of this Agreement.

Exhibit B

Basic Terms

1. Consideration:

Following Venue Owner's commercially reasonable efforts to mitigate any negative financial impact due to hosting Games events at the Venue (including compliance with Section 6.12 (Special Events Carve-Outs), and time-shifting of events (if applicable)), 2024 Entity will reimburse Venue Owner for its Expected Net Income (if positive) for the Exclusive Use Period, *plus* the following out-of-pocket costs (to the extent unavoidable, mitigated and actually paid by Venue Owner), as reflected on the operating income statement: (a) salaries, benefits and other indirect costs of full-time employees providing services directly to the 2024 Entity, (b) supplies and contract services benefitting the 2024 Entity, and (c) utilities used by the 2024 Entity (collectively, "Venue Owner Expenses"). Notwithstanding the foregoing, 2024 Entity shall also reimburse Venue Owner for its retained labor expenses (e.g., relating to labor expense not directly benefitting 2024 Entity) up to the total value of expected but displaced revenue; provided in no event shall Consideration payable hereunder exceed the sum of Venue Owner Expenses and Venue Owner's retained labor expenses.

Expected Net Income shall mean "Total Gross Revenue" minus "Total Expenses" as reflected on the Venue Owner's operating income statement for Woodley Lakes for the dates corresponding to the Exclusive Use Period in the years 2019, 2020 and 2021, divided by three, and finally adjusted for inflation according to CPI through 2024.

No later than June 30, 2022, the parties shall agree upon the estimated Venue Owner Expenses, which shall be mutually determined by the parties by reference to the Venue Owner Expenses reflected on Venue Owner's operating income statement for the dates corresponding to the Exclusive Use Period in the years 2019, 2020 and 2021, divided by three, and finally adjusted for inflation according to CPI through 2024. The parties shall make necessary adjustments for the Games, including any increase or decrease to labor provided, any increase or decrease to supplies necessary for the Games, any increase or decrease to expected utility usage related to the Games, and any necessary adjustments to avoid double-counting of expenses or revenues. For the avoidance of doubt, the parties agree that the full-time labor costs reimbursable by the 2024 Entity shall be solely those costs related to services provided directly to the 2024 Entity in connection with the Venue. To the extent that such costs are attributable to services provided to both to 2024 Entity and to Venue Owner, the parties shall determine a proportionate reimbursement for such shared services.

The parties shall true-up the Venue Owner Expenses to reflect the difference between estimated and actual expenses within sixty (60) days following the Games. Venue Owner shall issue an invoice to the 2024 Entity reconciling the difference between estimated Venue Owner Expenses and actual Venue Owner Expenses, as determined by the Venue Owner in good faith. Such invoice shall be reasonably detailed and include backup evidencing expenses incurred (e.g., copies of utility bills, payroll registers, invoices for supplies, etc.).

If as a result of the reconciliation, it is reasonably determined that (x) actual Venue Owner Expenses for the Exclusive Use Period exceeded estimated Venue Owner Expenses for such period, then the 2024 Entity shall promptly reimburse Venue Owner for the difference, or (y) estimated Venue Owner Expenses for the Exclusive Use Period exceed the actual Venue Owner Expenses then Venue Owner shall promptly reimburse 2024 Entity for the difference.

In no event shall indirect expenses attributable to 2024 Entity exceed the “cap rate” set forth in the latest edition of the City of Los Angeles Cost Allocation Plan available at the time of the true-up.

For the avoidance of doubt, to the extent 2024 Entity requests the services of any Venue Owner Personnel (whether part-time or full-time), 2024 Entity shall reimburse Venue Owner for the hourly wages and any indirect costs attributable to such employees who provide services directly to 2024 Entity.

Venue Owner shall permit 2024 Entity or its Representatives to inspect and take copies of all relevant financial records necessary to calculate the amounts payable to Venue Owner hereunder.

The Consideration shall be payable upon a schedule to be mutually agreed upon by the parties no later than eighteen (18) months prior to the commencement of the Exclusive Use Period.

For the avoidance of any doubt, the Consideration includes all remuneration, expenses and other costs related to the Venue Services and Venue Owner Equipment used, at the option of the OCOG, during the Games.

The 2024 Entity shall provide notice to Venue Owner of the number of hours and people that it will require, together with such other information as Venue Owner may reasonably require, in relation to the Venue Owner Personnel, no later than one hundred eighty (180) days prior to the commencement of the Games.
