### Step 1: Safer At Parks Alternative Learning Center & After School - Initial Participant Registration - 152520401

To enroll a participant in the Safer at Parks Alternative Learning Center you must complete a two step online process. In the first step, enroll the participant in the Safer at Parks Alternative Learning Center - Initial Registration activity. You will not be able to add the weeks of the program to your cart until this has been completed. Enrollment in the Initial Participant Registration alone does not guarantee the participant a spot in the program. Step two is to register in the weeks of the Safer At Parks program. This is only required for the first enrollment per child; once enrolled in the Initial Participant Registration you will not need to register for it again for the remainder of the school year.

Information such as emergency contacts, pickup info and medical history will be required to register for this activity.

The City of Los Angeles Department of Recreation and Parks offers Safer At Parks Alternative Learning Centers for students in first through fifth grade. Students must provide their own lunches and WiFi enabled laptops or tablets. No classroom instruction will be given by park staff; only supervision and monitoring of participants.

Staff and participants will be screened for COVID-19 symptoms and have temperature checks at check-in and throughout the day. There will be stable groups with enforced social distancing and frequent hand washing.

Activity runs 8:00am to 7:00pm.
