

PARK ADVISORY BOARD (PAB)

Jackie Tatum Harvard Recreation Center

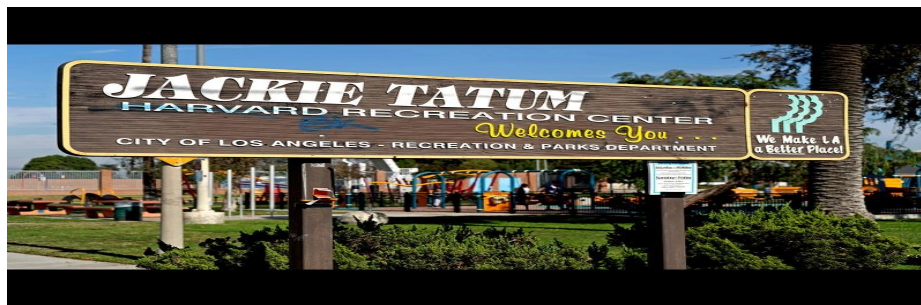

1535 W. 62nd Street * Los Angeles, CA 90047

PARK PROUD LA

Park Advisory Boards (PABs) and their members enhance the overall operation of a recreation facility. The Department of Recreation and Parks believes that the partnership between staff and the community is of primary importance in identifying and meeting the recreational needs of the community. PABs work collectively with the Director to assist in keeping recreation facilities clean and safe for public use, and offers assistance and ideas on programming and fundraising.

- A Park Advisory Board member must be a community stakeholder and understand the community's needs and interests. Board members will have the opportunity to support efforts for park improvements and help establish goals for the park. Board members will also assist with special events and fundraising. All PAB members are appointed by the Director.
- Park Advisory Board members must also share an interest in supporting, improving, and broadening the recreational programming to meet the needs of their community park.
