

How YOU Can Help:

Have you ever felt the desire to help the park? Experienced its beauty, the events hosted by the facility, or walked through the eucalyptus grove and wanted to contribute to its up keeping and restoration efforts?

Here are some options:

1. You can help by volunteering for the various events we host throughout the year.
2. Make a donation at laparksfoundation.org under "Friends of the Parks."
3. Send us an email about what you think. We are here for the community, and what YOU think matters!
4. Participate in our programs.
