

Operation SPLASH

Program Summary

Just in time to beat the heat, Kaiser Permanente will help kick off Operation Splash again in the Southern California Region. A program to support aquatic facilities and swim programs in low-income areas, Operation Splash launches in the **City of Los Angeles** on Friday, June 19, 2009.

Operation Splash began as a public/private partnership between Kaiser Permanente and the City of Los Angeles Department of Recreation and Parks Aquatics Division. The program is part of Kaiser Permanente's Healthy Eating, Active Living (HEAL) focus on reducing obesity in the community by increasing opportunities for safe physical activity and access to healthy and affordable foods.

In addition to the four-year cumulative \$1.7 million to the City of Los Angeles, Kaiser Permanente has expanded the Operation Splash program outside Los Angeles for the second year.

Kaiser Permanente's multi-year financial commitment has grown to more than \$2.1 million to expand Operation Splash to seven communities in six counties: Los Angeles, Fontana, Riverside, Chula Vista, Ventura, Coachella Valley, and Kern County.

The launch of Operation Splash will take place on Friday, June 19, 2009 in South Los Angeles at the Jackie Tatum/Harvard Pool and Waterslide, 6210 Denker Avenue, Los Angeles, CA 90047.

The event is also the grand opening of the aquatics center, to be dedicated to Jackie Tatum, the first female and African-American general manager of the Department of Recreation and Parks.
