Winnetka CCC Preschool and School-age Programs

Successfully operating over four years, our facility is operated by City of Los Angeles Department of Recreation & Parks and located adjacent to Winnetka Recreation Center in the beautiful Winnetka community.

Our Center is licensed for 59 school-age children and can have up to 40 preschool-age children. We operate Monday through Friday from 8:30 a.m. to 7:00 p.m.

As a parent/guardian you could be assured that the academic needs and school projects of your child (children) will be met by the assistance of our qualified staff who have more than 12 units in Child Development and certified in CPR and First Aid. Additional learning enhancement is presented in a structured and fun manner. Age-appropriate activities and materials are used to bring about the highest possible level of learning. Our activities include homework, reading/writing and math skills, art & crafts, music, sports, outdoor games, science, cooking, drama, multicultural events, children's performance nights, and fieldtrips.
