Please complete and return with your SOQ.

Please answer the following questions regarding your firms design experience:

1. Has your firm renovated or designed a "Links" style course (s)? _____

If yes, please provide the course and location, scope of work, year completed, and the owners representative contact information.

2. Has your firm renovated a "Historic/Classic" course? _____

If yes, please provide the course and location, scope of work, year completed, and the owners representative contact information.

3. Has your firm ever designed alternate length courses? _____

If yes, please provide the course and location, scope of work, year completed, and the owners representative contact information.

4. Does your firm specialize in any particular work?

5. Would your firm be interested in work that may only include cart path and or irrigation improvements? _____

If no, what types of projects would your firm be interested in proposing?
