

# City of Los Angeles Department of Recreation and Parks

**Providing Recreational Opportunities for over 125 years** 

Los Angeles is the second largest city in the United States, encompassing 470 square miles and a population of over 3.8 million people. The City of Los Angeles Department of Recreation and Parks (RAP) is the City's most comprehensive social service agency, providing affordable recreational and cultural programs, and activities for the residents of Los Angeles.

## Partnership Section

"Creating collaborative relationships to build healthy communities"

#### **Our Vision:**

To provide communities with the best recreational experiences and opportunities through the Department of Recreation and Parks facilities and programs.

#### **Our Mission:**

To enhance and expand recreational programs and services through public and private collaborations.

#### **Our Goal:**

To align ourselves with organizations with similar objectives that support the mutual needs of RAP, the community and the sponsor.

#### **RAP Assets and Resources Include:**

184	<b>Recreation Facilities</b>	38 l	<b>Jniversal Access</b>	<b>17 Community Gardens</b>

21	<b>Synthetic Field Locations</b>	321	<b>Tennis Courts</b>	
9	<b>Residential Camps</b>	90+	Indoor Gyms	16,169 acres of Parkland

## **And 58 Outdoor Fitness Circuits**

#### What is an Outdoor Fitness Circuit?

Outdoor Fitness Circuits are free to the public, easy-to-use outdoor gyms that offer fun exercise opportunities to the park experience.

Our Fitness Circuits create a fun, accessible, and social environment where families and individuals can enjoy exercising together.

#### **Re-Creating Recreation for Los Angeles**

Outdoor Fitness Circuits give people free access to top-quality exercise equipment, including ADA accessible equipment, suitable for all fitness levels.

### **Adult Obesity in the United States**

- More than one third of U.S. adults are obese.
- Obesity-related conditions include heart disease, strokes, type 2 diabetes and certain types of cancer, and some of the leading causes of preventable death.
- The estimated annual health care costs of obesity-related illness are a staggering \$190.2 billion or nearly 21% of annual medical spending in the United States.

Outdoor Fitness Circuits provide new opportunities for park patrons to be active and healthy, free of charge.

<sup>\*</sup>Information obtained from Center for Disease Control and Prevention. (2015). *Adult Obesity Facts* https://www.cdc.gov/obesity/data/adult.html

Sponsorship dollars help build new Outdoor Fitness Circuits in a community near you.

Sponsorship can provide many needed amenities to create a suitable and enjoyable experience for active communities.

All RAP Fitness Circuits Locations can be found at: http://www.laparks.org/dos/outdoorFitness.htm

## **Potential Sponsorship Benefits\***

Naming opportunities may exist pursuant to the RAP Naming Policy.

#### Collaborate with a world renowned leader in Recreation

- On-Site recognition with Sponsor's Logo
- Sponsor recognition within various Social Media Platforms.
- Public relation opportunities and community outreach
- Invitation to have a presence at events and ceremonies, possibly including speaking arrangements.
- Access to Park Patrons
- On-site product giveaways/coupon distribution

#### Promotional reach to a potential audience of 1.3 million households

- Logo featured on RAP website; center brochures; program flyers
- Product and coupon distribution opportunities at other RAP facilities
- 10 x 10 Booth space at regional and/or citywide events
- Use of Fitness Circuit(s) for Sponsor events
- Many more beneficial opportunities that can be tailored to your business' needs
