CODE OF CONCUCT					
I hereby pledge to live up to my responsibilities as a coach participating in the City of Los Angeles Department of Recreation and Parks program by following the Coach's Code of Conduct. I understand that the penalties for failure to follow these guidelines may range from a verbal warning to my removal from the program.					
I will place the emotional and physical wellbeing of my players ahead of a personal desire to win. I will help the children understand the valuable lessons sports can teach. I will lead by example in demonstrating fair play. I will adhere to the substitution and minimum play rules.					
I will do my best to make sure that the game is fun for all participants. I will remember to not take the game or myself too seriously.					
I will lead by example in demonstrating fair play and sportsmanship to all my players. I will treat other coaches, players, recreation center staff, and officials with respect. I will enlist the support of my team's parents in my efforts to instill the proper attitudes and values in the players.					
I will remember that I am a youth sports coach and that the game is for children and not adults. Accordingly, I will encourage the team to play sports by providing a supportive atmosphere, but not pressure them. I will not use profanity, and will remember to follow the rules of the game. I will help maintain a sports environment for all participants that is free of drugs, tobacco, and alcohol. I will refrain from their use at all youth sports events.
