RECOMMENDATION:

That the Board accept the below listed donation and that appropriate recognition is given to the donor.

SUMMARY:

The Griffith Trust has purchased camera, editing and video equipment at a cost of \$25,546.59 for use in the development of photo displays and video presentations for the new Griffith Park Visitor Center exhibit area now under construction.

The equipment is being donated to the Park Ranger Division of the Department of Recreation and Parks and, at the request of the Trust members including Mr. Van Griffith, Mrs. Clare Darden, and Mr. Mike Eberts, will be permanently stored in an editing room inside the Ranger Division Administrative Trailer located at 4730 1/2 Crystal Springs Drive in Los Angeles.

At the request of the Trust members, the equipment will be exclusively used in connection with Park Ranger exhibits and nature interpretation, and the equipment will remain the property of the Department of Recreation and Parks, Park Ranger Division and cannot be transferred to the Department of General Services, as a result of a security consolidation.
