RECOMMENDATION:

That the Board approve the substitution of subcontractor as requested, pursuant to Los Angeles Administrative Code Section 10.14 (3)c.

SUMMARY:

The Department is in receipt of a request from Tobo Construction, Inc., general contractor for the Echo Park — Building Renovation, (W.O. #E170388F), Contract No. 3158, to substitute the following subcontractor:

Continual Plexus Construction, Inc., dba California Pacific, to be replaced with A-1 Welding Iron Works, Inc., to perform the structural steel fabrication portion of subcontract work, because California Pacific has not been able to procure the proper California State Contractor's License for this type of work.

Pursuant to Section 10.14 of the Los Angeles Administrative Code, California Pacific has been notified of the substitution request and the Department received no objection.
