RECOMMENDATIONS:

That the Board:

1. Approve a proposed Professional Services Agreement with Royal Polaris Sportfishing, Inc., substantially in the form on file in the Board Office, commencing on December 28, 2012 and ending on March 15, 2013, allowing Cabrillo Marine Aquarium to charter the Royal Polaris vessel for the 39th annual whale-watching and ecological tour excursion to Baja California, Mexico, subject to the approval of the Mayor and of the City Attorney as to form;
2. Direct the Chief Accounting Employee to appropriate \$64,320.00 from Fund 301, Department 88, Account 035M, Municipal Recreation Program (MRP) MRPXX830 for chartering the Royal Polaris vessel from March 7, 2013 through March 15, 2013;
3. Find, that in accordance with Charter Section 1022, the Department does not have available in its employ personnel with the expertise to undertake these specialized professional tasks and that it is more feasible to secure the services by contract;
4. Direct the Board Secretary to transmit forthwith the proposed Professional Service Agreement, concurrently, to the Mayor's Office in accordance with Executive Directive No. 3, and the City Attorney for approval as to form; and,
5. Authorize the Board President and Secretary to execute the Agreement, upon receipt of the necessary approvals.

NO. 12-330

SUMMARY:

The Department of Recreation and Parks Cabrillo Marine Aquarium is a non-profit public aquarium that engages all visitors in education, recreation, and research of the marine life of Southern California and has sponsored the annual whale-watching and ecological tour excursion, known as the "Meet the Friendly Whales of Baja" trip for the past thirty-eight (38) years. The Cabrillo Marine Aquarium Baja trip attracts passengers from across the country and furthers its international reputation as one of the finest teaching aquariums in the United States. The goal in sponsoring the trip is to further Cabrillo Marine Aquarium's mission of promoting knowledge, appreciation, and conservation of the marine life of Southern California. Staff recommends continuing the sponsorship of this year's trip which is scheduled for March 7, 2013 through March 15, 2013.

In accordance with Los Angeles Administrative Code Section 10.15 (a)(2), competitive bidding for this agreement is not practical or advantageous to the Department. Staff contacted other vendors that could provide similar services and had the necessary permits from the Mexican government to allow access to San Ignacio Lagoon; however, the vessels were smaller and had a limited passenger load that would have prevented the Cabrillo Marine Aquarium from conducting an adequate program. The Royal Polaris is the only sports fishing boat of adequate size and quality to comfortably accommodate the thirty-nine (39) passengers for the excursion and that had the necessary permits issued by the Mexican government to allow access to San Ignacio Lagoon.

The excursion starts from the Cabrillo Marine Aquarium. For a fee of \$2,550 per person, passengers will be transported to San Diego to board the Royal Polaris vessel and begin their (9) nine-day whale watching and ecological tour. Passengers will explore the pristine coastal environments, diverse geological formations, and native vegetation of Baja. During the course of the trip, passengers may catch a glimpse of elephant seals, sea lions, dolphins, marine birds, and whales within camera range on board small motorized boats (skiffs) in San Ignacio Lagoon.

The excursion will include thirty-nine (39) passengers, plus a crew of eight (8), which is a total of forty-seven(47) persons making the trip. The passengers include three (3) Cabrillo Marine Aquarium staff, and three (3) volunteers who possess expertise in the fields of geology botany, ornithology, and marine biology. The Team Leader for this trip will be the Cabrillo Marine Aquarium Program Director who will be assisted by the Aquarium's Education Curator. Cabrillo Marine Aquarium employees will be paid their normal salary and will be provided with food and accommodations throughout the nine-day trip. The volunteer experts will not receive financial remuneration, but will be provided room and board. In the event of last minute cancellations that cannot be filled from a waiting list of paying passengers, Cabrillo Marine will offer passage to Cabrillo Marine Aquarium staff or volunteers who can contribute an in-kind service or can cover

the cost of their food and permits. Selection will be made by the Program Director and Aquarium Administrator.

A request for a Charter Section 1022 determination was submitted to the Personnel Department on August 31, 2012. It was determined that although the City uses some classifications that perform some of the duties outlined in the contract, the employees do not have the skills, experience and necessary permits to perform the scope of work sought by the Department and that the City does not possess the necessary sea worthy vessel. (See Attachment A)

The Department will pay Royal Polaris Sportfishing, Inc., an amount not to exceed \$64,320.00 for the nine-day whale-watching and ecological tour excursion.

Royal Polaris Sportfishing, Inc. currently employs staff with the experience and expertise to provide the equipment and perform the necessary services. Therefore, it is more feasible to contract out the services in order to ensure the needs of the public are met.

FISCAL IMPACT STATEMENT:

Funds to pay for the charter are advances and reimbursed to Fund 301, Department 88, Municipal Recreation Program Account 035M/MRPXX830. This program is self-sustaining in that the fees from the passengers offset the expense of the program. Cabrillo Marine Aquarium expects to recover all costs associated with this program. There is no impact on the Department's General Fund.
