SUMMARY

At its December 16, 2021 meeting, the Board of Recreation and Parks Commissioners (Board) approved Report No. 21-218, which authorized RAP to submit an application to CDE for continued funding for FY 2022-2023 childcare and preschool programs at Jim Gilliam Child Care Center and Ralph M. Parsons Preschool at EXPO Center. This application was an agreement to enter an automatic contract renewal with CDE for FY 2022-2023, with the ability to review the CSPP CT&C, attached to this Report as Attachment 1, and opt out of a contract by June 30, 2022.

RAP has been receiving funding from CDE for over 35 years to provide childcare services at Jim Gilliam Child Care Center, which has a licensed capacity to serve 45 children in a high-need area, and for the last six years at Ralph M. Parsons Preschool, which has a licensed capacity to serve up to 90 children. CSPP provides funding for subsidized care for pre-kindergarteners. The CSPP grant assists with serving children of families with incomes at or below seventy-five percent (75%) of the State median income level.

RAP received notification from CDE on May 27, 2022 of an award for CSPP, which is documented as part of the Local Agreement for Child Development Services (Local Agreement) attached to this Report as Attachment 1, in the amount of Seven Hundred Seven Thousand, Four Hundred Forty-Eight Dollars (\$707,448) for FY 2022-2023 at the Jim Gilliam Child Care Center and Ralph M. Parsons Preschool at Expo Center. The award is a maximum reimbursable amount with payments made by CDE based on RAP's quarterly reports of actual enrollment, attendance, and expenses. RAP staff recommends the approval and acceptance of the Local Agreement and the terms incorporated therein, including the CSPP CT&C, which is also attached to this Report as Attachment 1.

FISCAL IMPACT

BOARD REPORT

PG. 3 NO. 22-158

Acceptance of a CSPP grant from CDE does not require RAP to provide matching funding; therefore, it would not impact RAP's General Fund. This grant, if approved, provides funding to continue the subsidized preschool programs at the Jim Gilliam Child Care Center and Ralph M. Parsons Preschool within EXPO Center.

STRATEGIC PLAN INITIATIVES AND GOALS

Approval of this Board Report advances RAP's Strategic Plan by supporting:

Goal No. 2: Offer Affordable and Equitable Recreation Programming

Outcome No. 1: Improved health and social equity for young Angelenos

This Report was prepared by Jennifer Sapone, Senior Management Analyst I, Program Grants Section.

F. Audit Requirements for Subcontracts

(5 CCR 17803)

An organization that operates a preschool program under contract with the CDE is called a contractor. The contractor may choose to enter into an agreement with another organization (subcontractor), where the subcontractor operates one (1) or more of the contractor's preschool programs. Consequently, an entity may be acting in the dual capacity of contractor and subcontractor for one (1) or more CDE contractors – each having one (1) or more CDE contracts. In some cases, a subcontractor may not have its own contract directly with the CDE.

The organization receiving funds from the state shall be responsible for obtaining the required financial and compliance audits of the organization and any subcontractors, except for subcontracts exempt from CDE review, as agreed to by the Departments of Finance (DOF) and General Services (DGS).

The audit of the subcontract shall be submitted to the CDE as follows:

1. School districts, county offices of education, community colleges, and direct funded charter schools, shall submit the audit of the subcontract by the fifteenth day of the fifth month following the fiscal year in which the subcontracted services were performed;

A. Reasonable and Necessary Costs

(5 CCR 17700(az), 17804, and 2 CFR Section 200 et seq.)

Contractors may be reimbursed for actual costs that are reasonable and necessary to the performance of the contract. Reasonable and necessary costs are those costs that do not exceed what an ordinarily prudent person would incur in the conduct of a competitive business under the circumstances prevailing at the time of the decision to incur the cost, and whether the cost is of a type recognized as ordinary and necessary for the operation of the entity or the proper and efficient performance of the award. Consideration must be given to market prices for comparable goods or services for the geographic area.

B. Indirect Costs

(5 CCR Sections 17700(al), and 17805)

1. If indirect costs are claimed, an indirect cost allocation plan must be on file with the contractor and available for review by the CDE staff and auditors.
2. The maximum indirect cost rate shall be ten percent (10%) of the modified total direct costs.
3. For any non-federal entity that has a negotiated indirect cost rate, which includes all school districts and county offices of education, the maximum indirect cost rate shall be the lesser of the negotiated indirect cost rate or ten percent (10%).
4. This rate is applied to budget categories 1000-5000 only in determining the maximum amount of indirect costs that are reimbursable under the contract.
5. The amount of cost allocable to this contract shall not exceed the benefits to this contract. The allocation method must quantify this benefit among all similar programs and then distribute the costs accordingly.
6. The indirect cost rate shall not include consideration of any costs otherwise non-reimbursable. If depreciation or use allowance is included in the indirect cost rate, such allowance shall not be claimed on the asset as a direct cost.

C. Administrative Costs

(EC 8258, 5 CCR 17700(e))

Contractors may claim administrative costs, as defined in 5 CCR 17700(e), which are related to the administration of the early learning and care program.

The fifteen percent (15%) includes any allowance for indirect costs and audits. Contractors shall maintain written documentation of the rationale used in determining direct and administrative costs.

D. Service Level Exemption (Start-Up) for New or Expanded Programs

(EC 8255)

1. Allowable start-up costs will be in an amount not to exceed fifteen percent (15%) of new or expansion funding authorized in the Budget Act for State Preschool Programs.

 - b. Setting up of the program and facility;
 - c. Finalization of rental agreements and necessary deposits;

 - e. Purchase of an initial premium for insurance.
3. Contractors shall maintain an auditable record of start-up costs which shall be included within the audit at the end of the year.
4. Reimbursable start-up costs shall occur prior to attainment of full enrollment.
5. If all or part of the fifteen percent (15%) allowable start-up costs is needed and spent, that portion will **not** have to be earned through provision of services.

Contractors with collective bargaining agreements allowing higher rates of reimbursement shall not pay the difference out of contract funds.

The CDE shall notify the contractor of a change in expense rates within thirty (30)

calendar days after the CDE has received notification of a change in rates from the California Department of Human Resources.

Contractors shall be reimbursed for out-of-state travel expenses only with prior written approval from the CDE. The CDE shall not approve out-of-state travel expenses:

1. For more than one employee, per contract per year.

1. The name of the child;
2. The date(s) of absence;
3. The specific reason for the absence; and

Contractors shall adopt reasonable policies delineating circumstances that would constitute an excused absence for "family emergency" and "in the best interest of the child."

Except for children who are recipients of protective services or at risk of abuse or neglect, excused absences "in the best interest of the child" shall be limited to ten (10) days during the contract period.

not using services, the provider, if not the contractor, shall promptly notify the contractor.

Using the contact information on file, the contractor shall attempt to contact the parent through a variety of communication methods. At least one communication attempt shall be in writing, which may be through electronic methods. The contractor shall keep documentation of all communication attempts, including a copy of all written communication, in the family data file. The contractor shall inform the parent in these communications that failure to communicate with the contractor or provider may result in termination of preschool services.

The contractor shall issue a notice of action to disenroll the family on the basis of abandonment of care when there has been no communication with the provider or the contractor for a total of 30 consecutive calendar days.

F. General Record Keeping Requirements

(5 CCR 17820)

Contractors shall not delay or obstruct the collection of the provider information.

Contractors must notify family child care providers in writing of the collection and use of the information in order to comply with applicable laws, including the Information Practices Act.

Upon learning that a family child care provider will no longer receive a subsidized child care payment, contractors shall, as required by law and in conformance with the format, timeline and manner prescribed by the CDE, inform the CDE of the date the provider ended subsidized care.

Contractors are required to deduct from reimbursement any dues as requested by a certified provider organization. The deductions may include membership dues, initiation fees, general assessments, and payment of any other membership benefit program sponsored by the certified provider organization.

If the deductions from a provider's subsidy payments required action by more than one contractor, the certified provider organization shall establish reasonable procedures to ensure that the total amount deducted does not exceed the total dues and other voluntary deductions owned by that provider.

A contractor must rely on a certification from the certified provider organization requesting a deduction that it has and will maintain an authorization, signed by the individual provider from whose subsidy the deduction is to be made. A certified provider organization that certifies that it has and will maintain authorization shall not be required to provide a copy of an individual authorization to the entity unless a dispute arises about the existence or terms of the authorizations.

4. Memorandum of Understanding

Must adhere to any requirements that bind contractors in any applicable memorandum of understanding

5. Interference

Contractors are prohibited from interfering with the right of providers to collectively bargain and further prohibited from deterring or discouraging providers to join the union

6. Training Partnership

K. Annual Financial and Compliance Audits

(5 CCR 17823)

Contractors shall submit to the CDE, Audits and Investigations Division (A&I), an acceptable annual financial and compliance audit as follows:

1. The audits for school districts and county offices of education for the contract period shall be submitted to the State Controller and the CDE by December 15, in accordance with EC 41020 and extensions shall only be granted in accordance with EC 41020.2.
2. The audit reports for community colleges are due to CDE by December 31.
3. All other contractors shall submit their annual audit to CDE by the 15th day of the fifth month following the end of the contractor's fiscal year, or earlier if specified by CDE. The audit report must meet the requirements of the *Audit Guide*, including the requirements for preschool specific supplementary information. If a contractor

receives less than twenty-five thousand dollars (\$25,000) per year from any state agency, the audit shall be conducted and submitted biennially, unless the CDE deems there is evidence of fraud or other violation of state law in connection with the contract. If the contract is terminated during the contract period, then the audit required under this paragraph shall cover the period from the beginning of the contract through the date of termination.

All audits shall be performed by one of the following:

- a. A Certified Public Accountant who possesses a valid license to practice within the State of California;
- b. A Public Accountant licensed on or before December 31, 1970 and currently certified and licensed by the State of California;
- c. A member of the CDE's staff of auditors.
- d. Public contractors may have their audits prepared by in-house auditors or internal audit staff that performs auditing functions and meets the tests of independence found in the Government Auditing Standards, issued by the Comptroller General of the United States.

Any contractor who subcontracts their preschool services to another entity (see "Subcontract for preschool services" in Definitions) is required to submit an audit report that complies with the *Audit Guide* for their subcontractor(s) as well as for their agency.

Private agencies (including proprietary entities) that expend seven hundred fifty thousand dollars (\$750,000) or more in total federal funds are required to have an Organization Wide Audit (OWA) performed in accordance with the *Uniform Guidance* and the *Audit Guide*.

Governmental and other public agencies (excluding school districts, county offices of education and community college districts) must comply with the requirements of the *Uniform Guidance* and the *Audit Guide*. All other agencies (excluding school districts, county offices of education and community colleges) must submit a contractor audit performed in accordance with the *Audit Guide*.

L. Review of Audit by the CDE Audits and Investigations Division (A&I)

(5 CCR 17824)

The A&I shall conduct a review of the audit to determine whether the audit is acceptable and to determine the contractor's net reimbursable program costs.

The contractor may appeal the A&I findings according to the procedures specified, if the amount of the demand for remittance meets or exceeds the threshold specified in *EC 8309(a)(3)*.

M. Delinquent Audits and One-Time-Only Extensions

(5 CCR 17825)

If an audit is not received on or before the required due date and an extension has not been granted, the audit shall be considered delinquent and all apportionments shall be withheld.

Except for contractors on conditional status, the A&I may annually grant a contractor a one-time-only, thirty (30) calendar day extension of the audit due date provided the inability of the contractor to submit the audit by the due date was beyond the fault and control of the contractor.

Contractors shall be liable for all CDE costs incurred in obtaining an independent audit if the contractor fails to produce or submit an acceptable audit.

N. California State Auditor

(GC 8546.7)

Contractors shall be subject to the examination and audit of the California State Auditor for a period of three (3) years after final payment under this contract.

O. Budget and Calendar

Contractors shall submit a revised calendar to the EED and EENFS whenever there are changes to the most recent version submitted. Contractors shall submit revised budgets as requested.

P. Reserve Accounts

All contractors are encouraged to develop and maintain a reserve within the Child Development Fund. This reserve is derived from earned, but unexpended contract funds. Reserve account funds are state funds the contractor holds in reserve as deferred revenue until they are properly spent or returned to the CDE.

Contractors may retain a reserve balance in a preschool reserve account, separate from reserve funds maintained in a resource and referral reserve account or alternative payment reserve account. The reserve account may be equal to fifteen percent (15%) of the sum of the maximum reimbursable amounts of all CSPP contracts, or two thousand dollars (\$2,000), whichever is greater. *EC 8336 (b)(2)*

Preschool Reserve Account Requirements

The following criteria must be followed when establishing and using the preschool reserve account:

1. Each agency wishing to establish a reserve shall submit a letter of intent no later than July 20 following the close of the fiscal year for which the reserve will be established. The letter of intent must be submitted electronically as directed by the CDE.

2. Each reserve must be maintained in an interest-bearing account and the amount of interest earned will be included in the reserve balance.
3. Reserve monies can only be used for expenses that are allowable reimbursable expenses. Transfers to a current-year contract shall be reported as restricted program income on that contract's enrollment, attendance, and fiscal report.
4. Reserve monies are generated from current year contracts, therefore, the transferable amount generated during the contract period will not be available until July 1 of the subsequent fiscal year.
5. Transfers to the reserve will be authorized by EENFS only once per fiscal year. Upon receipt of the June final report, preliminary reserve amounts will be calculated by EENFS and reported to the contractor. If the contractor is an LEA, this may be the official notification provided there are no further amendments. For agencies required to submit an audit to the CDE, the amount will not be final until the audit is closed by the A&I and there are no outstanding billings.
6. Participating agencies must submit a Reserve Account Activity Report electronically, with a copy of their supporting General Ledger along with their June attendance and fiscal report due July 20. Reports not submitted by July 20 shall be deemed delinquent and apportionment(s) shall be withheld until the required report is received.
7. Upon closure of a reserve account or termination of preschool contracts, all monies in any reserve account shall be returned to the CDE.

VII. TECHNICAL ASSISTANCE

(EC 8314)

Technical assistance shall be provided to any contracting agency making a written request to its assigned consultant or administrator within sixty (60) days of receipt of the request.

VIII. CONTRACT CLASSIFICATIONS

A. Clear Contract

(*EC 8314(a)(1)*)

This designation shall be given to a contract that is neither a provisional contract, as described in paragraph (B) nor a conditional contract, as described in paragraph (C).

B. Provisional Contract

(*EC 8314(a)(2)* and 5 *CCR 17794* and 17821)

This designation applies to an agency's first contract for any particular service or to the contract of an existing contracting agency for a new, modified, or different type of service. The timeframe of a provisional contract is at the discretion of the CDE and is given to ensure that the contracting agency can demonstrate fiscal and programmatic compliance before the contract is designated as a clear contract. Contractors on provisional status shall submit monthly fiscal and attendance reports to EENFS. The contract status shall be reviewed annually.

C. Conditional Contract

(*EC 8314(a)(3)*, 5 *CCR 17722*, 17726, 17811, 17821, 17825, 17826, 17828, and 17829-17832)

This designation applies to a high-risk contract awarded to a contracting agency that evidences fiscal or programmatic noncompliance, or both fiscal and programmatic noncompliance.

A contracting agency with one or more contracts designated as conditional is deemed to be on conditional status with the CDE for all CSPP purposes and is subject to any restrictions deemed reasonable to secure compliance.

The conditional contract shall include Conditional Status Addendum that contains a bill of particulars detailing the items of noncompliance, the standards that must be met to avoid termination of the contract and to qualify the agency for clear contract status, and a technical assistance plan.

Failure to demonstrate substantive progress toward fiscal or program compliance within six (6) months of that designation shall constitute a breach of contract and may subject the contract to termination for any applicable cause specified in *EC 8315* or *8317*, in accordance with Section 8309.

Contractors receiving conditional contracts (stamped on the face sheet of the contract) shall be on conditional status until the CDE issues a contract rider formally clearing the contract. Contractors shall not be approved for out-of-state travel expenses while on conditional status nor approved for extensions for audit report deadlines.

While on conditional status, the contractor shall submit monthly fiscal and attendance reports to EENFS. The first monthly report shall include a current inventory of equipment purchased in whole or in part with contract funds.

Contractors on “conditional” status are not eligible to apply for new or additional funds.

Contractors on “conditional” status shall receive technical assistance from the CDE.

IX. APPEALS, TERMINATIONS, AND NON-RENEWALS

A. Resolution of Contract Administration Disputes

(*EC 8306 and 8307 and 5 CCR 17833*)

The procedure specified in this Section shall be used to resolve disputes between contractors and the CDE that may arise regarding the interpretation and application of any term or condition of a contract, including, but not limited to, requests for waivers, approval of subcontracts or expenditures requiring approval, requests for reimbursement rate adjustments, or reductions in the total amount of contract reimbursement that are not appealable.

The contractor shall attempt to resolve contract disputes at the lowest staff level within the CDE.

If the dispute is not resolved at the lowest staff level, the contractor may appeal the decision by submitting a written description of the issues and the basis for the dispute to the Regional Administrator of the CDE having jurisdiction over the contractor's service delivery area. The Regional Administrator shall make a determination and shall send a written notification of the decision to the contractor, together with the reasons for the decision, within thirty (30) calendar days of the receipt of the appeal by the Regional Administrator.

The contractor may appeal the decision of the Regional Administrator to the Associate Director of the EED by submitting a written description of the issues in dispute, and a copy of the Regional Administrator's decision. The Associate Director of the EED shall send notification of the decision to the contractor and shall specify the reason(s) for the decision within thirty (30) calendar days of the receipt of the appeal by the Associate Director. The decision of the Associate Director of the EED shall be the final administrative action afforded the contractor.

B. Independent Appeal Procedures

(*EC 8309, 8310, 8312, 8313 and 5 CCR 17826*)

Pursuant to the requirements of *EC 8309*, an independent appeal procedure shall be available to any contractor whose contract is terminated, or where the denial of an agency's contracted payment or a demand for remittance of an overpayment is more than twenty-five thousand dollars (\$25,000) or four percent (4%) of a local contracting agency's annual contract, whichever is less.

Such appeals shall be heard by independent hearing officers in accordance with procedures established by the Office of Administrative Hearings (OAH) as specified in *California Code of Regulations, Title 1*, sections 1121 through 1126, and be preceded by a written notice of action to the local contracting agency which shall include the following:

1. A statement of the specific reasons for the action in the Statement of Issues.
2. A description of the local contracting agency's rights and responsibilities concerning the appeal procedure described herein.

The determination of the administrative hearing officer shall be the final administrative determination afforded the contractor.

C. Immediate Termination

(EC 8315, 8316, 8318 and 5 CCR 17826)

1. A contracting agency that evidences any of the following acts or omissions may have its contract immediately terminated if there is documented evidence of the acts and omissions, and upon review and recommendation of the general counsel of the CDE for any of the following reasons:
 - a. Fraud, or conspiracy to defraud.
 - b. Misuse or misappropriation of state or federal funds, including a violation of *EC* 8316.
 - c. Embezzlement.
 - d. Threats of bodily or other harm to a state official.

 - g. Substantiated abuse or molestation of children.
 - h. Failure to report suspected child abuse or molestation.
 - i. Theft of supplies, equipment or food.
 - j. Cessation of operations without the permission of the CDE, or acts or omissions evidencing abandonment of the contract or contracts.
 - k. Failure to pay salaries owed to employees, or pay federal payroll tax, for more than fifteen (15) days after the employee salaries, or federal payroll taxes were due, unless the failure is attributable to a delay in receiving apportionments from the state.
 - l. Contractors that have in place or who place a person in a position of fiscal responsibility or control who have been convicted of a crime involving misuse or misappropriation of state or federal funds, or a state or federal crime involving moral turpitude, may have its contract terminated if there is documented evidence of the conviction, and upon review and recommendation of the general

counsel of the CDE.

For purposes of this section, "position of fiscal responsibility or control" includes any authority to direct or control expenditure of, or any access to, state or federal preschool funds received pursuant to this section whether that authority or access is conferred based on the person's status as an employee, director, manager, board member, or volunteer, or based on any other status.

If the agency provides evidence to the CDE, before the effective date given in the notice of immediate termination, that the convicted person has been removed from the position of fiscal responsibility or control and provides assurance that the person will not be returned to a position of fiscal responsibility or control, the CDE shall withdraw the termination action.

2. A contractor whose contract is immediately terminated retains appeal rights.

Contractors that are the subject of an immediate termination shall not continue to operate during the appeal of termination.

3. A notice of immediate termination shall be served on the contracting agency by personal service or at the last address on file with the department, by overnight mail or certified mail. Service may be proved in the manner authorized in a civil action. Service by mail is complete at the time of deposit.

D. Non-Immediate Termination

(EC 8313, 8317, 8318 and 5 CCR 17826)

1. In addition to the grounds set forth above in *Immediate Termination*, which also may be the basis for a non-immediate termination, termination of a contract during the contract period may occur when:
 - a. A contractor fails to correct items of fiscal or programmatic noncompliance within six (6) months of receiving a conditional contract which includes a Conditional Status Addendum stating the specific items of noncompliance and the corrective actions necessary to come into compliance; or
 - b. A contractor fails or refuses to make available for examination or copying by an authorized employee of the CDE any records or documents that the contractor is required to retain, upon a request by that employee to examine or copy such records or documents; or
 - c. A contractor refuses to permit an authorized employee of the CDE to enter a facility operated by the contractor during the days and/or hours of operation on file with the CDE, for the purpose of reviewing administrative operations of the contractor or for observing preschool services provided by the contractor.
2. Any action by the CDE to terminate a contract, other than to terminate a contract on an immediate basis shall be preceded by a ninety (90) day notice of the action,

stating the following:

- a. A statement of the specific reasons for the action in the Statement of Issues.
 - b. A description of the local contracting agency's rights and responsibilities concerning the appeal procedure described herein.
3. Except for cases of immediate termination, contractors that are terminated shall be allowed to continue to operate during the appeal of termination.

E. Appeals Procedures For Independent Appeals

(5 CCR 17826 and GC 11500)

1. Notice of Defense/Appeal Petition

The contractor shall be served notice of the action as set forth in *EC 8313* and *GC 11500 et seq.* The contractor may contest the noticed action as set forth in *GC 11506* by filing a notice of defense/appeal petition with the CDE within fifteen (15) days after service of the action, and may request a hearing before the OAH. The notice of defense/appeal petition shall include:

- a. A clear, concise statement of the action being appealed; and
- b. The name, address and telephone number of the contractor's authorized representative for the proceeding.

In addition, the contractor may also, as part of the Notice of defense/appeal petition:

- a. Object to the action upon the grounds that it does not state acts or omissions upon which the contractor may proceed;
 - b. Object to the form of the action on the grounds it is so indefinite or uncertain that the respondent cannot identify the transaction or prepare a defense;
 - c. Admit any of the charges in the action in whole or in part;
 - d. Object to the action upon the grounds that, under the circumstances, compliance with the requirements of a regulation would result in a material violation of another regulation enacted by another department affecting substantive rights.
2. Failure To Submit A Timely Notice Of Defense Or Appeal Petition Or Proceed With Appeal

If a contractor is served a notice of action and fails to properly file a notice of defense/appeal petition, or files a notice of defense/appeal petition, but fails to appear at the appeal hearing, action may be taken by the CDE (or by the Administrative Law Judge for failure to appear at the hearing) based upon the contractor's express admissions or other evidence and affidavits without any notice

to the contractor. Notwithstanding the default, the CDE or the OAH may, before a proposed decision is issued, grant an appeal hearing on reasonable notice to the parties. If the CDE issues a default decision against the contractor, it must serve notice of that decision on the contractor and the contractor has seven (7) days after service to request that the decision be vacated stating the grounds relied on. The CDE, in its discretion, may vacate the decision and grant a hearing on a showing of good cause.

3. Hearing

If the contractor submits a timely request for a hearing, the CDE shall have ten (10) calendar days to request that the OAH schedule a hearing and transmit the following to the OAH:

- a. The notice of defense/appeal petition submitted to the CDE by the contractor;
- b. The original notice of action sent to the contractor; and
- c. The name, address and telephone number of the CDE authorized representative for the proceeding.

The OAH shall schedule a hearing on the appeal filed by a contractor to commence no later than thirty (30) calendar days following the receipt of the petition by the CDE, but at least ten (10) calendar days' written notice will be given of the time and place of the hearing. An OAH hearing officer will hear evidence submitted by the CDE and the contractor during the hearing. The hearing will be recorded. The hearing officer may continue hearings, if deemed necessary.

4. The Decision

The hearing officer shall issue a final decision, in writing, within thirty (30) calendar days after the submission of the case. The decision shall be sent by registered mail or personally served on the representatives of the parties by OAH. The decision shall be the final administrative action afforded the contractor.

5. Settlement between the Parties

The CDE and contractor may, at any time before or after issuance of a notice of action, agree to a settlement of the actions. The settlement terms, as agreed to by both parties, are to be incorporated into a stipulation and waiver decision that is approved by the CDE agency head or his or her designee and issued by the CDE. The decision shall be the final administrative action afforded the contractor.

6. Request for Additional Written Materials on File at CDE

Contractors may request, in writing, any public documents on which the CDE intends to rely from the CDE files at a cost of fifteen cents (\$.15) cents per page, payable in advance. The CDE will mail the material requested not later than ten (10) days from the receipt of the request.

X. CONTRACT STATUS CHANGE PROCEDURES

A. Administrative Review of Changes in Contract Status

(EC 8307, 8314, and 5 CCR 17828)

1. Contract performance shall be reviewed at least annually by CDE staff who shall determine by April 1 of each year whether to offer continued funding on a clear contract, continued funding on a conditional basis or to make no offer of continued funding.
2. If the staff recommends conditional status or no offer of continued funding, the contractor shall be notified in writing of the reasons for the proposed change in contract status by April 7. The notice of proposed action shall be sufficiently specific to allow the contractor to respond to the factual basis for the proposed action.
3. If the contractor disagrees with the proposed action, the contractor's response shall be received by the CDE within ten (10) calendar days of receipt of the notice of proposed action. The contractor's response shall include any written materials in support of its position and, if the contractor intends to make an oral presentation, the response shall so specify.
4. If the action is being appealed, the staff recommendation and the contractor's response shall be reviewed by an administrative review panel convened by the Director of the EED. The review panel will consist of representatives of EED management, EENFS, CDE's Legal Office, A&I, Contracts Office (or their successor divisions with CDE), and a representative of another CSPP contractor. All of these panel members shall be unbiased and shall not have been involved in either monitoring the contractor or making the decision to take the action.
5. The panel members may request additional documentation or submit written questions to either the agency or to the early education staff, as may be necessary. Parties will be given an opportunity to respond to any additional information.
6. If an oral presentation has not been requested, the panel will review the written submissions, and issue a final decision upholding, modifying, or reversing the proposed change in the contract status. If an oral presentation has been requested, the contractor will be notified by telephone of the time and place of the presentation. The oral presentation will be scheduled no later than fourteen (14) calendar days from receipt of the contractor's response.
7. At the oral presentation, the contractor or the contractor's representative will have an opportunity to explain any material submitted in its response. While the contractor may present any information or arguments that are relevant to the proposed action, the review panel may set reasonable limits on the scope of the presentation.

8. Within seven (7) calendar days after the oral presentation, the review panel shall issue and mail to the contractor a decision upholding, reversing or modifying the proposed change in contract status.
9. The decision of the review panel shall be the final action of the CDE with regard to that contract.

B. Conditional Status Imposed During the Contract Period

(5 CCR 17829)

If the contractor demonstrates fiscal or programmatic noncompliance during the contract period, based on such information as an annual audit report, a program quality review, a contract compliance review, or a change in licensing status, the CDE may place the contract on conditional status for the remainder of the contract period.

The contractor shall receive notice and may request an administrative review of the proposed action as required by 5 CCR 17828, in the event such a change in contract status is recommended by staff of the CDE.

If the contract is placed on conditional status during the last ninety (90) days of the contract period and the contractor is offered continued funding, the contract for the subsequent contract period will also be on conditional status.

C. Conditional Status Addendum

(EC 8314, 5 CCR 17830)

If the contractor is placed on conditional status during the contract period a Conditional Status Addendum will be issued by the CDE and the Conditional Status Addendum shall be considered a part of the annual child development contract and binding on the contractor.

A Conditional Status Addendum shall contain a bill of particulars as specified in EC 8314, which shall detail the items of noncompliance, the standards that must be met to avoid termination of the contract and to qualify the contractor for clear contract status and a technical assistance plan. The Addendum shall further include all the following:

1. The specific item(s) of noncompliance which the contractor must correct;
2. The specific corrective action(s) which must be taken;
3. The time period within which the contractor must complete the corrections; and
4. Notice that failure to demonstrate substantive progress within six (6) months shall constitute a breach of contract and may result in termination of the contract either through an immediate or ninety (90) day noticed action, or no offer of continued funding.

D. Duration of Conditional Contract Status

(EC 8314) and 5 CCR 17832)

Failure to demonstrate substantive progress toward fiscal or program compliance within six (6) months of being on conditional status shall constitute a breach of contract and may subject the contract to termination. Regardless of whether the contractor complies with the terms of the Conditional Status Addendum, the contractor's contract may not be renewed the following year pursuant to the procedures set forth in Section A above, *Administrative Review of Changes in Contract Status*

A contractor with a repayment plan shall remain on conditional contract status and not receive any apportionments until full repayment is made.

A contractor on conditional contract status that is not on a repayment plan shall remain in that status until:

1. The CDE issues written notice to the contractor that the conditional status has been cleared;
2. The contractor is issued a clear contract; or
3. The contract terminates according to its terms.

A contractor may request written verification from the CDE that some of the deficiencies have been corrected even if the contractor will not be removed from conditional contract status.

E. Contractor's Responsibility After Notice of Termination or Notice of Decision to Make No Offer of Continued Funding

(5 CCR 17827)

After receiving notice of the CDE's decision to terminate the contract or to make no offer of continued funding, the contractor shall submit copies to, or make available for copying by the CDE, all of the following:

1. A current inventory of equipment purchased in whole or in part with contract funds;
2. The names, addresses and telephone numbers of all families served by the contract, all staff members funded by the contract; and
3. Monthly enrollment and attendance reports until the contract is actually terminated or until the final month for which the contractor retains a contract. Contractors providing services through family child care homes shall also submit the names, addresses and telephone numbers of all providers of subsidized services under the contract.
4. The CDE shall only be obligated to compensate the contractor for net reimbursable program costs or earnings, whichever is less, in accordance with this contract

through the date of termination. There shall be no other compensation to the contractor. The CDE shall offset any monies the contractor owes against any monies CDE owes under this contract.
