City of Los Angeles

Register through Cypress Park Recreation Center in-person or online. If registering online, a hard copy registration form is still required and needs to be returned to the recreation center before participation in any baseball activities. We are here to help!

CONGRATULATIONS!

You are ready for the 2024 Baseball season! Be on the lookout for an email, call, flyer, or a social media post for the start of clinics, evaluations, team practices, and Opening Day.

Participant registration is not complete until Task 1, Task 2, and a hard copy application is turned in.

This does not apply to the 3-4 year old age division.

Home run!
