

Council District 10

One pool served 65,259 swimmers in 2003.

A refurbished E.G. Roberts will reopen later in the summer of 2004

Seasonal Pools:

NONE

Year Round Pools:

CELES KING III

Built 1962

E.G. Roberts (closed)

Built 1979

Special Issues

Without the benefit of seasonal pools, this District has also been seriously impacted by the closure in 2002 of E.G. Roberts, which is currently under major renovation and is scheduled to re-open later this summer. Celes King is in need of some repair, but identifying locations for additional pools is also a priority.

Celes King III, the only open pool in the 10th District at the start of the 2004 swim season, is also a year round pool.
