

STACIA CRANE

As a dedicated civic leader and equine ambassador, Stacia brings a rich history in the equestrian world spanning back to the 1970s. Her journey from producing horse shows to operating her own horse hauling business that specialized in delivering Christmas ponies, remains a cherished experience. Her expertise extends to judging large livestock and founding a non-profit mounted drill team for children aged 7-18. Stacia has worked various roles within the equine industry, including managing horse rental strings, driving Percheron horses for hay rides, and participating in numerous parades. Beyond her equestrian pursuits, she has served as a congressional liaison, consumer advocate, Lean Six Sigma process manager, and public information officer. With decades of experience, Stacia brings a wealth of knowledge and a passion for equine welfare to the committee.
