

COUNCIL DISTRICT 10 REPRESENTATIVE: Mr. Kevin Atkins

Kevin Atkins was appointed to the Los Angeles Equine Advisory Committee by Councilmember Wesson. He has lived in Los Angeles for 31 years, with a wife and two young adult sons.

Mr. Atkins is a graduate of Lincoln University with a Bachelor of Science degree in Biology. He currently holds a Funeral Directors license from the State of California. After 16 years of working in the field of sales, Mr. and Mrs. Atkins opened their own business, Atkins & Atkins Services, Inc., a mortuary transportation service.

The greater Los Angeles area offers many recreational activities and throughout the years, Mr. Atkins has always enjoyed the sport of horseback riding. Three years ago his youngest son joined the Compton Junior Posse, a children's youth and horse charity, where he is a regular volunteer. Recently Mr. Atkins finished building his own ranch in the Richland Farms Community of Compton, California.

Mr. Atkins believes that the City of Los Angeles has long needed an Equine Advisory Committee to deal with the unique issues of urban horse-keeping. He is highly qualified to bring experience and common sense gained from his neighborhood to this committee. As a member of the Equine Advisory Committee, Mr. Atkins remains connected to the sport of horseback riding and equestrian concerns and regulations, on a regular basis.
