- pen/pencil
- Flashlight

What NOT to bring

- Cell phones
- Personal sporting equipment
- Laptops
- Roller Shoes
- Tablets
- TV's
- Irreplaceable Items
- Video Recorders

Dress Standards at Camp

Shoes

All campers must wear closed toe shoes at camp with a few exceptions. Flip flops and sandals can be worn at the pool, to the restroom, and in the shower. Closed toe shoes should be sturdy tennis shoes or hiking boots for activities. Since campers will be running around, rock climbing, and participating in strenuous activities we ask that they bring shoes that provide good support. Ballet flats and shoes such as Tom's are not appropriate for these activities.

Clothing

Clothing should be appropriate for the activities campers are participating in. We ask that campers have shorts or pants that provide enough stretch to allow movement to participate. If your child is planning to participate in the high ropes course or climbing wall we ask that they do not wear baggy or free flowing shorts that ride up when wearing a harness.

Jewelry

Jewelry is an item that often gets lost at camp. We ask that if your child chooses to wear jewelry at camp she understands when it should be left in the cabin. Loose necklaces or earrings should not be worn during regular activities where they can accidentally be ripped off the body or caught on equipment. Jewelry cannot be worn in the pool. Counselors are not responsible for holding campers' jewelry.
