Have the desire to get involved in your community!

Find a recreation center, facility, and/or park you are interested in volunteering at and arrange an appointment with the Director.

Complete Volunteer Application.

Get fingerprinted and registered at live scan site and be cleared by California’s Department of Justice (DOJ).

After clearance from DOJ, Human Resources will contact the Director and the Volunteer will receive their assignment.

Volunteer and make a difference in your community!
How...

All City of Los Angeles Volunteers Must:

• Fill out a Volunteer Application
  Each prospective volunteer is required to complete a confidential application.

• Complete a Background Check
  In order to comply with the State of California Public Resources Code 5164, all volunteers, both adult and youth, are required to be fingerprinted. All results are completely confidential and reviewed only by authorized staff in the Human Resources Division.

Where...

• If you already know the recreation facility or park you would like to volunteer at, call or visit and ask for the director or coordinator.

• To learn more about the Department or for help locating a facility, visit our website at www.LAPARKS.org.
