RECREATION INSTRUCTOR TRACK AND FIELD

Hours Available

Mondays and Fridays 4:30PM-7:30PM; July 12 – September 4, 2021

Job Description

Seeking a candidate proficient in coaching track and field including sprint and mid distance running, hurdles, long jump, javelin, and shot put. Candidate must be able to teach classes and coach clinics for children age 8-15 and assist with all duties of the Program including set up and tear down of practice areas as well as and coordinating track meets as directed.

Duties:

- Teach track and field classes and clinics
- Prepare sequential, age-appropriate lessons plans for clinics
- Implement lesson plans and adjust as necessary for players needs
- Provide appropriate feedback and guidance to athletes
- Preparation of fields / grounds for practice and meets
- Assist in equipment distribution, collection, and disinfecting
- Custodial care of equipment and supplies associated with track and field program
- Assist in planning, and facilitating multi-park Track Meet
- Interact professionally with parents and participants.
- Any additional Responsibilities assigned by the Park Director or the Recreation Coordinator

Qualifications:

- Must have experience in all aspects of track and field
- Must have working knowledge of rules and safety considerations for track and field events
- Must have experience coaching a wide range of athletes
- Must be able to follow city policy and procedure.
