Dear Volunteer Organization:

The City of Los Angeles Department of Recreation and Parks and the Los Angeles Lotus Festival, Inc. are proud to announce the 42<sup>ND</sup> Lotus Festival. The mission of the Lotus Festival is to develop, promote and create an atmosphere of understanding in which Asian and Pacific Islander communities in Southern California and local Angelinos are brought together for two days of cultural sharing.

The Festival seeks to preserve and enlighten the public with a sampling of distinctly different and unique Asian and Pacific Islander culture and tradition through displays, art, music, dance and food. With great tradition, this year's host country is Indonesia!

We invite you and your organization to be a part of this special event. This festival has attained such success and longevity due to the quality volunteers and organizations, such as yours, that have contributed their time and efforts over the years. This year, as with years past, the Lotus Committee would like to provide the best possible service to Lotus Festival attendees. Your group's participation will help make this happen. With a combined total of over 125,000 people estimated to attend this two-day event, volunteers provide an invaluable service to the Lotus Festival.

Attached, you will find a Volunteer Organization Registration Form. Only one application per group is needed. However, if your organization has multiple volunteer groups, please feel free to photocopy the Volunteer Registration Form for each participating club or group. Volunteers must be pre-registered through the Volunteer Committee Chairperson to qualify to be an event volunteer.

Please return the Volunteer Organization Registration Form by **May 12, 2023**. The Lotus Festival will take place on July 15 & 16, 2023. Each group will receive guidelines and instructions in the mail two weeks prior to the event.

Thank You,

Maritza Guzman, Volunteer Chairperson
