RECOMMENDATION:

That the Board:

1. Accept the work performed for the Imperial Courts Recreation Center – Field Refurbishment (PRJ#1201S) (W.O. #E170424F) Project under the Memorandum of Understanding (MOU) with the Department of General Services (GSD) as outlined in the body of this report; and

2. Authorize the Board Secretary to furnish GSD with a letter of completion for the subject project.

SUMMARY:

On June 6, 2007, the Imperial Courts Recreation Center - Field Refurbishment (PRJ#1201S) (W.O. #E170424F) Project was awarded to GSD through the approval of an MOU between the Department of Recreation and Parks (RAP), Bureau of Engineering (BOE), and GSD (Report No. 07-123). The MOU was subsequently amended to accommodate scope changes. The project replaced the existing baseball field turf; refurbished the irrigation system; and installed new sports field lighting, backstops, benches, fencing, and outdoor drinking water fountain. The project also converted an existing outdoor basketball court to a picnic area with decomposed granite paving including picnic table and pedestal stationary barbeque grill. Additional improvement includes the construction of a new children's play area with resilient surfaces. The total construction cost was $988,713.
GSD completed all work pertaining to the Imperial Courts Recreation Center - Field Refurbishment (PRJ#1201S) (W.O. #E170424F) Project. The BOE Construction Management Division provided the construction management of the project. The Program Manager has advised RAP that GSD completed the construction of the project and that the quality of the work is very satisfactory.

There are no contract compliance or labor issues with the work done under this MOU. The construction work was completed by City employees and by subcontractors under the supervision of GSD staff.

FISCAL IMPACT STATEMENT:

There is no fiscal impact to the Department of Recreation and Parks. The Department currently operates these facilities, and the operating budget is in place. The $988,713.00 funding was provided by Sites & Facilities funds, Proposition K FY 10 Specified funds, Proposition 40 Murray Hayden, Proposition 40 2/3 Per Capita, and Proposition 40 Roberti-Z’berg Harris grant funds.

This report was prepared by Ejike Mbaruguru, Recreational and Cultural Facilities Program, and Charles Huang, Construction Management Division, Bureau of Engineering. Reviewed by Neil Drucker, Program Manager, Recreational and Cultural Facilities Program; Deborah Weintraub, Chief Deputy City Engineer, Bureau of Engineering; and Michael A. Shull, Superintendent, Planning and Development, Department of Recreation and Parks.

BOARD OF RECREATION AND PARK COMMISSIONERS

SUBJECT: PECK PARK - NAMING OF A PORTION OF THE PARK AS “HERNANDEZ RANCH” IN HONOR OF ALBERT HERNANDEZ AND INSTALLATION OF APPROPRIATE PARK SIGNAGE

R. Adams J. Kolb
H. Fujita F. Mok
S. Huntley K. Regan
V. Israel *M. Shull

Approved Disapproved Withdrawn

RECOMMENDATION:

That the Board:

1. Grant final approval for naming a portion of Peck Park as “Hernandez Ranch” in honor of Albert Hernandez; and,

2. Authorize the installation of appropriate park signage.

SUMMARY:

Peck Park is a large community park located at 560 N. Western Avenue in the San Pedro community of the City. This facility is a 75-acre park which includes children’s play areas, ball fields, basketball courts, walking paths, community building, picnic tables, swimming pool and other outdoor park areas. Many highly valued recreation programs are conducted there for community benefit, such as preschool and senior classes and activities, family programs and youth sports programs.

In September, 2009, Councilwoman Janice Hahn, Council District 15, contacted the Department with a request to name a portion of Peck Park, “Hernandez Ranch”, in honor of Albert Hernandez, a local community contributor who kept ponies and small farm animals in this park area for local adults and children to enjoy and appreciate. He also shared the history of the area with park patrons and how a dairy farm, where he once worked, later became this valuable part of San Pedro, thus cherishing the past and the present of San Pedro, for generations to come. Previously, the community had contacted Councilwoman Hahn that they would like to honor
Mr. Hernandez, who passed away in 2003, with naming a portion of Peck Park in his memory, to honor his commitment to the community which he demonstrated in his pony rides, farm animals and generous sharing of time.

The Peck Park Advisory Board supports the proposed naming, as do many community members. On November 12, 2009, Department staff facilitated a community meeting to discuss the proposed name change. The attending community members were unanimously in support of the proposed naming, the “Hernandez Ranch” area of Peck Park.

There is a sign indicating the name of “Hernandez Ranch” from the days when Mr. Hernandez was there. It is an older sign which may be able to be restored. If the restoration is not feasible, the Council Office has agreed to provide the appropriate park signage.

Council District 15 and the Pacific Region Superintendent are in support with the recommendations as set forth by the Department.

This proposal does not include a park facility or area considered appropriate for naming rights.

Staff has determined that the subject project is exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Article VII, Section 1, Class 11(1) of the City CEQA Guidelines, which provides for the placement of signs on park property as accessory structures to the recreational facilities.

FISCAL IMPACT STATEMENT:

The approval of this project will not have any fiscal impact on the Department, as the cost of the signage, if necessary, will be funded from the Council Office.

BOARD OF RECREATION AND PARK COMMISSIONERS

SUBJECT: RESIDENT CARETAKER FACILITIES ACCOUNT – REVISED FISCAL YEAR 2009-2010 EXPENDITURE PLAN

R. Adams J. Kolb
H. Fujita *F. Mok
S. Huntley K. Regan
V. Israel M. Shull

Approved Disapproved Withdrawn

RECOMMENDATION:

That the Board:

1. Authorize the Chief Accounting Employee to adjust, establish, or remove various Sub-Accounts within the Resident Caretaker Facilities Account (Fund 302, Department 89, Account 250K) in accordance with the Board Report and Attachment A; and,

2. Authorize the Chief Accounting Employee to transfer funds within the account to fund resident caretaker facility maintenance expenses for Fiscal Year 2009-10 in accordance with this Board Report and Attachment A.

SUMMARY:

On August 12, 2009, the Board approved an updated Resident Caretaker Program Policy which, in part, instructed the Department to deposit fifty percent (50%) of all rent into the Resident Caretakers Facility Account to cover administrative costs for the collection of rent, preparation of advertisements, maintenance and review of agreements, various other duties for the program, and to cover maintenance costs for general upkeep of the residences (Report No. 09-220).

On November 4, 2009, the Board approved the Fiscal Year 2009-2010 Expenditure Plan to transfer unallocated funds from within the Resident Caretaker Facility Account into the respective sub-accounts to ensure funds are expended for specific purposes and at designated facilities (Report No. 09-284).
Due to an error in the formula for the total of the “Amount to Transfer from Unallocated” column on the attachment to the aforementioned board report, it is necessary to revise the total to be transferred from the allocated balance from $130,285 to $135,285 and the total remaining unallocated balance from $32,692.26 to $27,692.26 (Attachment A). There is no change in the amounts to be transferred to the respective subaccounts.

FISCAL IMPACT STATEMENT:

There is no fiscal impact to the Department’s General Fund as expenditures will be paid from the Resident Caretaker Facilities Account, Fund 302, Department 89, Account 250K.

BOARD OF RECREATION AND PARK COMMISSIONERS

SUBJECT: CLASS PARKS – MEMORANDUM OF AGREEMENT BETWEEN THE DEPARTMENT OF RECREATION AND PARKS AND THE PACIFIC INSTITUTE TO PROVIDE PERSONAL DEVELOPMENT STAFF TRAINING FOR AT-RISK YOUTH AND FAMILIES

R. Adams  J. Kolb  
H. Fujita  F. Mok  
S. Huntley  K. Regan  
*V. Israel  M. Shull  

Approved  Disapproved  Withdrawn

RECOMMENDATION:

That the Board:

1. Approve a proposed Memorandum of Agreement (MOA), substantially in the form on file in the Board Office, between the Department of Recreation and Parks (Department) and The Pacific Institute, subject to the approval of the Mayor and City Attorney as to form;

2. Find, in accordance with Charter Section 372, that the use of a competitive bidding process would be undesirable, impractical and not advantageous for these specialized personal development training workshops as the Department seeks to complement the Mayor’s vision and goal of gang reduction and safer neighborhoods in our communities;

3. Direct the Board Secretary to transmit the MOA to the Mayor for approval in accordance with Executive Directive No. 3, and concurrently to the City Attorney for review and approval as to form; and,

4. Authorize the General Manager to execute the MOA, subsequent to all necessary approvals.
SUMMARY:

The Pacific Institute (TPI) is the acknowledged world leader in the effectiveness of its programs and delivery to enhance performance improvement, provide effective leadership development and create sustainable cultural change.

Based on TPI’s current success with A Better LA, and the Mayor’s Gang Reduction Youth Development (GRYD) and Summer Night Lights (SNL) staff, the purpose of this MOA is to confirm a mutual vision to empower communities and provide a coordinated effort to educate community members that live within the boundaries of the SNL sites on making positive choices which will reduce gang conflicts and provide the necessary personal tools to become a productive citizen.

In coordination with the Department’s Clean and Safe Spaces (CLASS Parks) Program, TPI’s project is designed to facilitate personal growth and improved community relations for teens and families in the surrounding high crime underserved neighborhoods which incorporates and mirrors the Office of the Mayor’s designated GRYD Zones. The personal development education program is a proprietary training model that only TPI provides. Therefore this distinctive staff training satisfies Charter Section 372.

This training is endorsed by key County and City leaders including Sheriff Lee Baca, former Chief of Police William Bratton, current Chief of Police Charles Beck, and the Mayor’s SNL staff including Chief of Staff Reverend Jeff Carr, who participated in TPI’s training.

The proposed MOA would provide the Department training and certification for a maximum of eighty (80) staff to include CLASS Parks Coordinators, and other staff assigned to SNL. The training will enable staff to implement the following programs, as detailed in the MOA: 1) PX2 programs for youth, 2) Investment in Excellence (IIE), 3) Alcanzando Tu Potencial and Pasos for adults and 4) 21 Keys for parents in both English and Spanish. All training will be conducted by TPI’s Certified Master Facilitators.

In addition, the department will identify four (4) key staff to receive the Certified Master Facilitators training from TPI for the expansion of the program throughout the Department. TPI will also provide copies of all licensed training educational program materials to the CLASS Parks sites.

TPI has a proven track record both locally and nationally, currently working with several city governments and major corporations, as well as the United States Olympic swim team. Studies have shown that TPI’s program improves academic performance, resulting in a decrease in local hostilities based on the current success with A Better LA Program.
The mission and training provided by TPI complements the Mayor's vision and goal of gang reduction and safer neighborhoods in our communities.

**FISCAL IMPACT STATEMENT:**

Participation in this youth and community development training project is expected to result in an expenditure which is not to exceed $95,000. Funds are to be allocated from CLASS Parks Fund 302, Department 88, Account 3040, Contractual Services. Sufficient funds are available in this account to meet the financial obligation.

This report was prepared by Michael L. Harrison, Principal Recreation Supervisor I, CLASS Parks.

RECOMMENDATION:  

That the Board accept the following donation and that appropriate recognition be given to the donor.  

SUMMARY:  

Operations East, EXPO Center has received a donation of equipment, valued at $11,659, from the Friends of EXPO Center (the Friends), to maintain Soboroff Sports Field, a state-of-the-art multiuse sports field located on Menlo Avenue, across the street from the Roy A. Anderson Recreation Center.  

Originally named Exposition Park Intergenerational Community Center, Inc., the Friends was established as a non-profit organization in 1998 to develop the site of the 1932 Los Angeles Swim Stadium and construct a state-of-the-art recreational and community center. Through a unique partnership with the City of Los Angeles, Department of Recreation and Parks, the Friends utilized a combination of $30 million in public and private funding to build EXPO Center. Private sector funders included The Ralph M. Parsons Foundation, The Ahmanson Foundation, Weingart Foundation, LA 84 Foundation, W.M. Keck Foundation, Wells Fargo Bank Foundation, and Capital Group Companies. Today, a 30-member volunteer Board comprised of community and business leaders continues to provide strategic support and financial assistance to EXPO Center.
The Friends raised over $6 million to build the synthetic turf field which will accommodate a variety of field sports and recreational activities year round. The Gift Agreement for the sports field donation was approved by the Commission on November 19, 2008 (Report No. 08-319). In order to ensure that the field is maintained at the highest possible level, the Friends has purchased the following maintenance equipment and donated it to EXPO Center: one John Deere Gator Utility Vehicle, one Gas Leaf Blower, one Field Groomer, one Pressure Washer, and one Park Sweeper.

We will request that the General Services Division (GSD) maintain this equipment pursuant to GSD’s duty to repair and maintain City equipment.

FISCAL IMPACT STATEMENT:

Acceptance of this donation results in no fiscal impact to the Department’s General Fund, and will save the Department the full amount of these purchases as they are necessary for the proper maintenance of Soboroff Sports Field.
