RECOMMENDATIONS:

That the Board:

1. Approve the plans for the Griffith Park - Ranger Station Fitness Area (PRJ20788) project, substantially in the form on file in the Board Office;
2. Authorize the reallocation of \$140,000.00 in Quimby Fees, currently allocated to the Griffith Park – Swimming Pool Rehabilitation (PRJ20271) project, per Board Report No. 12-008, to the Griffith Park - Ranger Station Fitness Area (PRJ20788) project;
3. Approve the allocation of \$140,000.00 in Quimby Fees, from Griffith Park Account No. 89460K-GB for the Griffith Park - Ranger Station Fitness Area (PRJ20788) project, as described in the Summary of this Report; and,
4. Find that the actions taken by the Board herein are exempt from the California Environmental Quality Act (CEQA).

REPORT OF GENERAL MANAGER

PG. 2 NO. 14-065

SUMMARY:

Griffith Park is located at 4730 Crystal Springs Drive in the Hollywood area of the City. This 4,281.73 acre park provides a variety of recreational programs and activities for the local community. Due to the size of the park, and the facilities, features, programs, and services it provides, Griffith Park meets the standards for a Community Park, as defined in the City's Public Recreation Plan.

Department staff has determined that the installation of new outdoor fitness equipment in the park is necessary and will be of benefit to park visitors and residents of the surrounding community. The scope of the proposed project includes the installation of new outdoor fitness equipment, landscaping and irrigation improvements, and parking area and walkway enhancements. The new outdoor fitness area will be installed in an open landscaped area just north of, and across the street from, the Ranger Station and adjacent to Crystal Springs Drive. This site is located in a highly visible area of the park and is immediately adjacent to a well-used walking and hiking trail.

The Board of Recreation and Park Commissioners (Board) has approved the allocation of a total of \$4,103,395.78 in Quimby Fees for the Griffith Park - Swimming Pool Rehabilitation (PRJ20271) project (Board Report Nos. 10-080, 10-296, 11-098, 12-008, 12-202, and 12-322). The scope of the approved Pool Rehabilitation project included improvements to the swimming pool and bathhouse and to the pool recirculation systems and equipment at the Plunge Pool.

Department staff has identified the Griffith Park - Ranger Station Fitness Area (PRJ20788) project as a high priority project for the community and is recommending the reallocation of a portion of the Quimby Fees currently allocated to the Griffith Park - Swimming Pool Rehabilitation (PRJ20271) project in order to provide funding for the Griffith Park - Ranger Station Fitness Area (PRJ20788) project.

Upon approval of this report, \$140,000.00 in Quimby Fees currently in the Griffith Park Account No. 89460K-GB can be reallocated to the Griffith Park - Ranger Station Fitness Area (PRJ20788) project.

The total Quimby Fees allocation for the Griffith Park - Ranger Station Fitness Area (PRJ20788) project is \$140,000.00. These Fees were collected within two (2) miles of Griffith Park, which is the standard distance for the allocation of the Quimby Fees for community recreational facilities.

REPORT OF GENERAL MANAGER

PG. 3 NO. 14-065

Staff has determined that the subject project will consist of modifications to existing park facilities involving negligible or no expansion of use and placement of new accessory structures. Therefore, the project is exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Article III, Section 1, Class 1(1,3) and Class 11(3) of the City CEQA Guidelines.

FISCAL IMPACT STATEMENT:

The approval of this allocation of Quimby Fees will have no fiscal impact on the Department as the implementation of the proposed park capital improvements will not increase the level of daily maintenance required at this facility.

The estimated costs for the design, development, and construction of the proposed park improvements are anticipated to be funded by Quimby Fees or funding sources other than the Department's General fund.

The maintenance of the proposed park improvements can be performed by current staff with no overall impact to existing maintenance services.

This report was prepared by Darryl Ford, Management Analyst II, Planning, Construction, and Maintenance Branch.

RECOMMENDATIONS:

That the Board:

1. Adopt a Resolution, substantially in the form on file in the Board Office, approving the non-financial transfer of two (2) contiguous property lots; lots 2308 and 2309, with the street address of 5340 Canoga Avenue, Los Angeles, California 91364, approximately 15,772 square feet or 0.36 acre, with the Los Angeles County Assessor Parcel Number (APN) 2167-002-900, from the jurisdiction of the City of Los Angeles Department of General Services (GSD), to the City of Los Angeles, Department of Recreation and Parks (RAP), and authorizing RAP staff, per City Charter Section 594 (a) and (b), to request the assistance of GSD to complete the transfer of jurisdiction and control, at no cost to RAP, per the adopted City Council actions under Council File No. 13-0353, and subject to review and approval of the City Attorney as to form;
2. Direct the Board Secretary to accept the transfer of jurisdiction for the property;
3. Declare that upon approval of said transfer by City Council and completion of the jurisdictional transfer, the site be set apart and dedicated as park property in perpetuity, to be known until formally named, as the "Old Fire Station 84 Pocket Park";
4. Direct staff to issue, as necessary, a Right-Of-Entry permit to develop the site, and to maintain the site if necessary; and,

5. Direct staff to file a Notice of Exemption with the Los Angeles County Clerk within (5) days of Board approval; and,
6. Find that the actions taken by the Board of Recreation and Park Commissioners (Board) herein are exempt from the California Environmental Quality Act (CEQA).

SUMMARY:

Councilmember Dennis Zine introduced a motion that City Council request RAP to accept the transfer of jurisdiction and control, at no cost to RAP, of a City owned property parcel with the street address 5340 Canoga Avenue, Los Angeles, California 91364 (APN: 2167-002-900), to be developed and maintained as a passive pocket park. The property is owned by the City of Los Angeles and was acquired to house Fire Station 84. The property is currently under the control and jurisdiction of GSD. Said Fire Station is no longer used as a fire station. The station was left vacant when the new Fire Station 84 at 21050 Burbank Boulevard was built in 2007. The Council Office recommends that the best use of this parcel is to convert it into a community asset and be developed into a park for the community to use.

On May 30, 2013, the City Council's Information Technology and General Services Committee approved the motion under Council file No. 13-0353. On June 21, 2013, City Council under Council File No. 13-0353, has adopted the actions to transfer jurisdiction and control of parcel APN 2167-002-900 located at address 5340 Canoga Avenue, Los Angeles, California 91364. RAP staff recommends that the Board approve and accept the transfer of jurisdiction of said property and dedicate the property as park property in perpetuity, to be known as "Old Fire Station 84 Pocket Park" until the park is formally named.

Project development will include demolition of the fire station structure, site furnishings, playground equipment, irrigation, landscaping and lighting. Park development will be done by RAP. Development of property will go through the standard community outreach process.

A Phase I Environmental Site Assessment of the property dated November 9, 2011 has determined that there are no Recognized Environmental Conditions on the property. Nevertheless, at least one (1), and possibly two (2) Underground Storage Tanks (USTs), existed on the site, but formal case closure from the Los Angeles Fire Department (LAFD) was granted in 1999 for one 550-gallon diesel tank. The other UST, possibly located in the driveway, may have been abandoned in place, but could not be verified in a Phase II Site Assessment in October 2012. It was recommended that precautions will need to be taken during site development, and a contingency plan created for the possibility of encountering the second purported underground storage tank. (Otherwise, the Phase II Report concluded that the site redevelopment as a park would not be adversely affected by any known or documented condition in the soil at the site.)

REPORT OF GENERAL MANAGER

PG. 3

NO. 14-067

As recommended in the Phase I, a survey of lead-based paint (LBP) and asbestos containing materials (ACM) was conducted on February 3, 2014 that determined that both LBP and ACM were present in the former fire station buildings on the property. Prior to park development, abatement of the LBP and ACM hazards will be required to mitigate impacts to public health and safety in accordance to the applicable regulations.

Staff has determined that the proposed transfer of the property for park purposes is exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Article 19, Section 15325(f) of the State CEQA Guidelines. A Notice of Exemption will be filed with the Los Angeles County Clerk within five (5) days of Board approval. Additional CEQA evaluation will be required for development of the project site, once a plan has been created.

FISCAL IMPACT STATEMENT:

RAP staff estimates that the maintenance cost of the new park with the building to be \$36,204.32 and without the building to be \$23,477.44. The maintenance fee for the building will be higher due to vandalism and deterioration of the building. Maintenance funds for the new parkland will be requested as part of the annual City budget process. If the funding is not granted, this facility will be included in the existing Valley Region routes resulting in reduction of core functions on existing routes.

This report was prepared by John Barraza, Management Analyst II, Real Estate and Asset Management Section.

BOARD OF RECREATION AND PARK COMMISSIONERS

SUBJECT: YOUTH BASEBALL AND GIRLS SOFTBALL – DONATION FROM MAJOR LEAGUE BASEBALL OF UNIFORMS AND EQUIPMENT

R. Adams	_____	*V. Israel	<u></u>
R. Barajas	_____	K. Regan	_____
H. Fujita	_____	N. Williams	_____

General Manager

Approved _____ Disapproved _____ Withdrawn _____

RECOMMENDATION:

That the Board accept a donation from Major League Baseball (MLB), valued at approximately Two Hundred Five Thousand, Three Hundred Ninety Four Dollars (\$205,394.00), consisting of youth baseball and softball uniforms and equipment for 2013 and future youth baseball and softball leagues, and that appropriate recognition be given to the donor.

SUMMARY:

In the Spring of 2013, the Department of Recreation and Parks (RAP) participated in the Reviving Baseball in Inner Cities (RBI) baseball program subsidized through MLB. In total, RAP organized youth baseball and girls' softball leagues at twenty (20) recreation centers citywide, including 346 teams and 4,152 youth participants (boys and girls). MLB generously supplied uniforms for players and coach's uniforms, and various team equipment items needed to run the program.

MLB donated 4,152 sets of uniforms consisting of a hat, jersey and pants for players, and hats and jerseys for 692 coaches. The value of these uniforms is approximately One Hundred Twenty Nine Thousand, Four Hundred Seventy-Four Dollars (\$129,474.00). MLB also donated baseball and softball equipment valued at approximately Seventy-Five Thousand, Nine Hundred Twenty Dollars (\$75,920.00). Through MLB, RAP received:

- 2227 youth-sized hats, jerseys, and pants (approximate value of \$55,675.00);
- 1925 adult-sized hats, jerseys, and pants (approximate value of \$56,499.00);
- 692 adult-sized coaches hats and jerseys (approximate value of \$17,300.00);
- 100 dozen soft-centered tee balls (approximate value of \$3,500.00);

REPORT OF GENERAL MANAGER

PG. 2 NO. 14-068

- 100 dozen baseballs (approximate value of \$3,500.00);
- 58 dozen softballs (approximate value of \$2,030.00);
- 526 baseball and softball bats (approximate value of \$22,881.00);
- 518 batting helmets (approximate value of \$11,914.00);
- 152 sets of catchers equipment including face mask, chest protector, and leg protectors (approximate value of \$21,280.00);
- 146 catcher's mitts (approximate value of \$9,490.00); and
- 265 scorebooks (approximate value of \$1,325.00).

In total, the approximate value of the uniforms and equipment received was \$205,394.00.

RBI is a MLB youth outreach program designed to:

- Increase participation and interest in baseball and softball among underserved youth;
- Encourage academic participation and achievement;
- Increase the number of talented athletes prepared to play in college and minor leagues;
- Promote greater inclusion of minorities into the mainstream of the game; and,
- Teach the value of teamwork.

The uniforms were proudly worn at the league games by the 4,152 boys and girls ages 5 through 15, and the 692 coaches. The uniforms are theirs to keep and wear beyond the Spring 2013 season. The equipment listed above will be retained by each participating recreation center and should be able to be used for three (3) to five (5) years in the future based on heavy use over two (2) seasons per year, however excluding the baseballs that will last up to one (1) year of heavy use.

This donation from MLB follows a previous generous donation in the Fall of 2012. Through the encouragement of MLB, RAP is currently working closely with the Los Angeles Dodgers Foundation to receive support for MLB's future RBI programs.

The Board's acceptance of this donation has been discussed with each of the Superintendents of each of the respective RAP Regions involved and each concurs with staff's recommendation.

FISCAL IMPACT STATEMENT:

This donation of uniforms and equipment valued at approximately \$205,394.00 supplements the equipment of an existing RAP program and therefore, contributes beneficially to the City. There were negligible costs associated with the distribution of the equipment.

RECOMMENDATIONS:

That the Board:

1. Accept a donation from the Los Angeles Clippers Foundation (LACF), consisting of funding and in-kind supplies for an adult Late Night Hoops Basketball Program (Program), with an estimated value of up to Sixty Thousand Dollars (\$60,000.00), to benefit adults ages 18-25, and that appropriate recognition be given to the donor; and,
2. Direct the Department of Recreation and Parks (RAP) Chief Accounting Employee to deposit in Fund 302, Department 89, Account 89703H, and sub-account LA, all funds received from the LACF for the Program and to pay for related expenses from said sub-account.

SUMMARY:

LACF has generously offered to provide RAP with a donation valued up to Sixty Thousand Dollars (\$60,000.00) for support of the Program. The subject donation consist of uniforms, awards, banquet, shoes, a Health and Job Fair, and other Program related activities with of an estimated value of Thirty Thousand Dollars (\$30,000.00). Cash up to the amount of Thirty Thousand Dollars (\$30,000.00) will be provided to RAP to pay for staff, security, officials, scorekeepers, equipment and other Program related expenses.

Late Night Hoops is a late evening basketball league providing positive alternatives for young adults by allowing them to run the courts instead of running the streets. The Program promotes non-violence and unity, health and fitness, educational opportunities, employment referral and organized

recreation and cultural activities.

Over the last twenty (20) years, LACF has joined with RAP to work with inner city youth, adults and families to promote the game of basketball, sportsmanship, and athletics in general as an alternative to negative influences. Since 1990, this collaboration has resulted in programs such as "Neighborhood Pride", "Pride Jam", "Citywide Basketball Finals", "NBA 2Ball", "Junior Clippers" and "Late Night Hoops".

The Late Night Hoops Basketball Program starts in mid-March and will conclude late-June with Championship Game Day Activities that include a championship game, Health and Job Fair, all-star game and three point shooting contest. Rancho Cienega Recreation Center will serve as a host site, along with over one hundred sixty (160) adults from Algin Sutton, Echo Park, EXPO, Green Meadows, Jackie Tatum/Harvard, Jim Gilliam, Mount Carmel, Normandie, Rancho Cienega, Ross Snyder, Saint Andrews and Slauson.

Los Angeles Clippers Foundation has provided similar funding for the last two (2) years. The Program has been a huge success and continues to thrive each year.

Staff discussed the Program with the Assistant General Manager of the Operations Branch and the Superintendents of the Pacific and Metro Regions, and each supports the program and concurs with staff's recommendations.

FISCAL IMPACT STATEMENT:

Acceptance of this donation results in no fiscal impact to RAP's General Fund as LACF is paying for staff and security and providing in-kind Program-related expenses.

RECOMMENDATIONS:

That the Board:

1. Approve a proposed Memorandum of Understanding (MOU), substantially in the form on file in the Board office, between the Department of Recreation and Parks (RAP) and the Friends of EXPO Center (Friends), to establish roles, responsibilities and relationships between RAP and the Friends, subject to the approval of the Mayor and of the City Attorney as to form;
2. Direct the Board Secretary to transmit the proposed MOU to the Mayor for approval in accordance with Executive Directive 3, and concurrently, to the City Attorney for review and approval as to form; and,
3. Authorize the Board President and Secretary to execute the MOU, subsequent to receipt of the necessary approvals.

SUMMARY:

In the latter part of 1998, the Exposition Park Intergenerational Community Center, Inc. (EPICCC), a non-profit corporation, was formed to create and implement a project to add recreational and community services for the residents of Los Angeles residing in the neighborhoods surrounding Exposition Park. Under the leadership of the Weingart Foundation, the initial visionary for the project, four (4) other private foundations joined together to form a public-private partnership with

REPORT OF GENERAL MANAGER

PG. 2

NO. 14-070

the City of Los Angeles, through the Department of Recreation and Parks, to develop and build a new community center at Exposition Park, now known as EXPO Center.

On January 5, 2000, the EPICC Board was given authority through Board Report No. 00-29 to manage the design, renovation, and construction of the project on property owned by the City. The project budget was approximately \$28 million and consisted of \$17 million from the private sector (EPICC) and \$11 million from the public sector (City). The EPICC Board completed the project in October 2004 and turned the EXPO Center over to RAP to manage and operate per the March 23, 2000 Renovation, Rehabilitation and Construction Agreement between the EPICC Board and RAP. The agreement also states that the EPICC Board would dissolve its operations upon completion of the project. The City owns and operates the EXPO Center and operates the Soboroff Sports Field. The Friends of EXPO Center, established on August 5, 1998 (a non-profit organization) is the successor of EPICC. EPICC served as a support and advisory body to the EXPO Center.

The Friends of EXPO Center (Friends) was established in 2006 and is a 28-member Board of Directors comprised of high-level professionals from multinational corporations, public sector agencies, and local businesses, foundations, and non-profit organizations. Friends' initial efforts to generate financial support to build EXPO Center garnered \$30 million from well-established public and private sector sources. Since EXPO's opening in 2004, Friends has raised more than \$10 million for capital improvements and recreational programming.

A key provision of the MOU:

- Staff recommends exempting the Friends from cost recovery for shared office space due to their annual fundraising support which exceeds \$700,000.00.
- General Manager or designee will make its best effort to identify office space for Friends or Friends staff at EXPO at no cost to Friends.

FISCAL IMPACT STATEMENT:

This MOU will not have a fiscal impact on the Department's General Fund. There is no cost to the Department for its implementation, and it does not provide for any specific transfer of funds. By defining roles, responsibilities and relationships between the City and Friends, however, the MOU provides the foundation for continued support of EXPO Center by Friends. The relationship with Friends almost certainly will afford additional fundraising opportunities, which will enable EXPO Center to continue and/or expand services without bearing the full cost of those services. For example, without the funds contributed by Friends, enrollment in the Afterschool Enrichment Program would be substantially lower than the current enrollment.

This report was prepared by Belinda Jackson, Executive Director, EXPO Center.

5. Authorize RAP's Chief Accounting Employee to establish the necessary account within "Recreation and Parks Grant" Fund 205 to accept the SFSP grant, if awarded, in the approximate amount of \$800,000.00 for RAP's Summer Lunch Program.

SUMMARY:

The Summer Food Service Program (SFSP) is a federally funded program administered by the California Department of Education (CDE) that reimburses agencies for providing nutritious meals to children 18 years of age and younger. The Department of Recreation and Parks (RAP) submits an annual application to the CDE for its Summer Lunch Program. The application for the program is due by April 9, 2014.

RAP has participated in the SFSP since 1975. The program offers free lunches at over one hundred (100) parks during the summer months when Los Angeles Unified School District (LAUSD) schools are not in session. All sites are "drop-in" sites where meals are available to all children in the area. Children do not need to apply, meet eligibility requirements, sign up, or sign in. The lunches are nutritious and well-balanced meals that must meet Federal meal pattern requirements.

The SFSP currently reimburses RAP at a rate of \$3.4875 per lunch, which is calculated based on the number of "first" meals (meals served that do not include leftovers or second servings to the same children) with an allowance for second servings to be claimed. For summer 2013, RAP served 198,868 lunches and was reimbursed \$678,637.05.

FISCAL IMPACT STATEMENT:

There is no anticipated impact to RAP's General Fund.
