SUBJECT: HOLLYWOOD BOWL SOUND WALL IMPROVEMENTS PROJECT – ASSIGNMENT OF RIGHT TO APPLY FOR PROPOSITION A CITIES EXCESS FUNDS; CITY COUNCIL RESOLUTION

RECOMMENDATIONS:

That the Board:

1. Recommend to the City Council the adoption of the attached Resolution, which assigns to the Los Angeles Philharmonic Association (LAPA) a right to apply for Proposition A Cities Excess Funds in the amount of $350,000.00, which are available from the Third Supervisorial District of the County of Los Angeles through the Los Angeles County Regional Park and Open Space District on condition that the funds are used for the completion of the Hollywood Bowl Sound Wall Improvements Project, located within the City of Los Angeles; and,

2. Direct staff to transmit a copy of the Resolution to the City Clerk for committee and City Council approval, in accordance with Proposition A guidelines.

SUMMARY:

As a designated grant administrator of Proposition A funds for the City of Los Angeles, the Department of Recreation and Parks (RAP) was contacted by the County of Los Angeles Department of Parks and Recreation (County) to secure the adoption of a City Council resolution assigning to the Los Angeles Philharmonic Association (LAPA) the right to apply for available Third Supervisorial District Proposition A Cities Excess Funds, pursuant to the Proposition A guidelines.

Currently operating the Hollywood Bowl Performing Arts Complex County Regional Park through a lease agreement with the County, LAPA worked with the County to assess the needs
of the Hollywood Bowl. As a result, the proposed Hollywood Bowl Sound Wall Improvements Project was identified. The project will mitigate noise impacts to the neighborhood surrounding the Hollywood Bowl and will include the installation of porous concrete material to replace existing soft materials and further improve control of the existing audio amplification system. The project is estimated to cost $700,000.00, which includes $350,000.00 in Proposition A Counties Excess Funds.

With the City Council action adopting the authorizing resolution, the County will be able to accept the assignment of and allocate the Proposition A Cities Excess Funds to LAP A for the Hollywood Bowl Sound Wall Improvements Project. Upon accepting the grant, LAP A will administer the funds and assume full responsibility of the completion of the Project.

FISCAL IMPACT:

There is no fiscal impact to RAP's General Fund as funding for the completion of this project will be the responsibility of LAP A.
