RECOMMENDATIONS:

1. That the Board accept the following donations from Target Corporation and six (6) 7-Eleven Inc. franchisees, as noted in the Summary of this Report, and that appropriate recognition be given to the donors; and,

2. Direct the Board Secretary to provide individual recognition letters for each of the 7-Eleven, Inc. donors and that all six (6) letters be provided to the 7-Eleven Inc. corporate office, as requested on the donation form recognizing each of the various 7-Eleven Inc. stores that donated.

SUMMARY:

The Partnership Division received the following in-kind donations from Target Corporation and six (6) 7-Eleven Inc. franchisees in support of various RAP programs:

Target Corporation:

The Target Corporation has provided an in-kind donation of a fifteen (15)-foot wooden Tepee valued at approximately $4,000 that was initially used as a prop for a Target commercial. Through EcoSet Consulting, a movie and commercial prop-recycling group, the Tepee was donated to the Griffith Park Boys Camp as the camp encompasses a Native American theme throughout the premises. The benefit of this donation enables the camp to continue its dedication to instill Native American cultural awareness and create memorable experiences for those
children who attend camp at the Griffith Park Boys Camp.

7-Eleven Inc.:

Six (6) 7-Eleven Inc. franchise owners collaborated through the 7-Eleven Inc. Region Headquarters and provided in-kind donations of themed backpacks, packsacks, tissue boxes, holiday ornaments, and store coupons, collectively valued at approximately $2,000, to eight (8) recreation centers for their Winter Camp program. The donations were evenly distributed to the recreation centers offering a Winter Camp program nearest to the donating 7-Eleven Inc. store locations.
