BOARD REPORT

DATE: June 01, 2016

BOARD OF RECREATION AND PARK COMMISSIONERS

SUBJECT: GRIFFITH OBSERVATORY - PERSONAL SERVICES CONTRACT WITH CARL ZEISS AG FOR THE ANNUAL MAINTENANCE AND SERVICE OF THE UNIVERSARIUM MIX MODEL 555 STAR PROJECTOR AT THE SAMUEL OSCHIN PLANETARIUM

RECOMMENDATIONS

1. Approve a proposed three year Personal Services Contract (Contract), between the City of Los Angeles and Carl Zeiss AG, a German Corporation ("Contractor"), for the routine maintenance and service of the Universarium MIX Model 555 Star Projector located in the Samuel Oschin Planetarium at Griffith Observatory, subject to the approval of the Mayor, and the City Attorney as to form;

2. Find that yearly maintenance of the Griffith Observatory Star Projector is exempt from competitive bidding, pursuant to Charter Section 371(e)(7), as the work is required to be performed by a sole source contractor, the projector manufacturer (Carl Zeiss AG), whose work is proprietary, with no training available for the services required;

3. Approve the total encumbrance and payment from Fund 302 Department 88 Account 003040, in the amount not to exceed Twenty-Five Thousand Dollars ($25,000.00) per year for the aforementioned maintenance service in Fiscal Years 2015-2016, 2016-2017, 2017-2018, to equal a not-to-exceed total of Seventy-Five Thousand Dollars ($75,000.00) for the proposed three year Contract;

4. Authorize the Department of Recreation and Parks' (RAP) Chief Accounting Employee to make technical corrections as necessary to those transactions included in the Report to carry out the intent of this Report;

5. Direct the Board Secretary to transmit the proposed Contract to the Mayor in accordance with Executive Directive No. 3 and, concurrently, to the City Attorney for review and approval as to form; and,

6. Authorize the Board President and Secretary to execute the Agreement upon receipt of the necessary approvals.
SUMMARY

The Universarium MIX Model 555 Star Projector (also known as the Universarium Mark IX Model 555 Star Projector or the Zeiss Universarium Mark IX Sky Projector) located in the Samuel Oschin Planetarium at Griffith Observatory is the most sophisticated planetarium projector in the world. It is an essential element of every public and school show that the Griffith Observatory produces. The Observatory presents eight to ten live planetarium shows to the public each day it is open. The Samuel Oschin Planetarium generates over Two Million Dollars ($2,000,000.00) each year in revenue.

The Observatory’s Zeiss star projector was purchased by Friends Of The Observatory (FOTO) in 2000 as part of the renovation and expansion of the Observatory. Later, FOTO formally transferred ownership of the projector to the City of Los Angeles via a gift agreement (signed November 2, 2005). The terms of the FOTO purchase contract included five no-cost maintenance service visits for the projector by technicians from Carl Zeiss AG, which were exhausted in 2012. This proposed Contract will be the second maintenance contract requested by the Griffith Observatory since taking fiscal and schedule responsibility in 2013. The first contract was C-123951.

Carl Zeiss AG is the sole manufacturer of the Universarium MIX #555 Star Projector and likewise the sole contractor capable of providing necessary overall maintenance. While the Observatory staff can and does perform basic projector maintenance (changing bulbs and ballasts, lubrication, cleaning), the annual servicing of the instrument is essential for proper long-term operation and care. Critical parts – and the process of their installation – are proprietary to the manufacturer of the equipment. Not properly servicing the projector would be placing at risk a multi-million dollar instrument at the heart of the Griffith Observatory experience.

FISCAL IMPACT STATEMENT

Annual costs for the maintenance service visit shall not exceed Twenty-Five Thousand Dollars ($25,000.00) per year. Sufficient Griffith Observatory funds in this amount have been identified in Fund No. 302, Department 88, Account 003040. There is no additional impact to the RAP’s General Fund.

WHEREAS, on November 2, 2006 the PROJECTOR, installed in 2005 in the Samuel Oschin Planetarium at Griffith Observatory, began presenting live programs to the public; and,

WHEREAS, CONTRACTOR is the sole manufacturer of the PROJECTOR, has proprietary rights to the parts, and is the only entity capable of providing the necessary annual maintenance and servicing of the PROJECTOR which is essential for proper long-term operation and care of the PROJECTOR;

WHEREAS, the CITY, as a condition of the gift from FOTO, is responsible for the ongoing operation, maintenance and repair of the PROJECTOR; and,
WHEREAS, DEPARTMENT desires to secure the professional services of CONTRACTOR, the builder and the only contracting firm capable of performing maintenance on the PROJECTOR at Griffith Observatory; and,

WHEREAS, CONTRACTOR is experienced in providing services of the type required, is willing to perform such services, and can provide such services to the DEPARTMENT, having done so, directly and indirectly, since 2005; and,

WHEREAS, it is in the DEPARTMENT'S best interest to secure said services from CONTRACTOR; and,

WHEREAS, the Board of Recreation and Park Commissioners (BOARD) in its capacity as the contract awarding authority for the DEPARTMENT, finds pursuant to Charter Section 371(e)(7), that the use of competitive bidding would be impossible as the CONTRACTOR is the sole source for these services;

NOW, THEREFORE, CITY and CONTRACTOR, in consideration of the recitals above and of the terms, covenants, and conditions contained herein, agree as follows:

I. SCOPE OF SERVICES

CONTRACTOR shall comply with new, amended, or revised laws, regulations, and/or procedures that apply to the performance of this Contract.

In any action arising out of this Contract, CONTRACTOR consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any law of a federal, state or local government having jurisdiction over this Contract, the validity of the remaining parts, terms or provisions of the Contract shall not be affected thereby.

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter hereof, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in paragraph PSC-6 hereof.

PSC-6. **AMENDMENT**

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-4.

PSC-7. **EXCUSABLE DELAYS**

In the event that performance on the part of any party hereto is delayed or suspended as a result of circumstances beyond the reasonable control and without the fault and negligence of said party, none of the parties shall incur any liability to the other parties as a result of such delay or suspension. Circumstances deemed to be beyond the control of the parties hereunder include, but are not limited to, acts of God or of the public enemy; insurrection; acts of the Federal Government or any unit of State or Local Government in either sovereign or contractual capacity; fires; floods; earthquakes; epidemics; quarantine restrictions; strikes; freight embargoes or delays in transportation, to the extent that they are not caused by the party's willful or negligent acts or omissions, and to the extent that they are beyond the party's reasonable control.

PSC-8. **BREACH**

Except for excusable delays as described in PSC-7, if any party fails to perform, in whole or in part, any promise, covenant, or agreement set forth herein, or should any representation made by it be untrue, any aggrieved party may avail itself of all rights...

PSC-9. WAIVER

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-10. TERMINATION

A. TERMINATION FOR CONVENIENCE

The CITY may terminate this Contract for the CITY'S convenience at any time by giving CONTRACTOR thirty days written notice thereof. Upon receipt of said notice, CONTRACTOR shall immediately take action not to incur any additional obligations, cost or expenses, except as may be reasonably necessary to terminate its activities. The CITY shall pay CONTRACTOR its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by CONTRACTOR to affect such termination. Thereafter, CONTRACTOR shall have no further claims against the CITY under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights thereto, shall become CITY property upon the date of such termination. CONTRACTOR agrees to execute any documents necessary for the CITY to perfect, memorialize, or record the CITY'S ownership of rights provided herein.

B. TERMINATION FOR BREACH OF CONTRACT

1. Except for excusable delays as provided in PSC-7, if CONTRACTOR fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, the CITY may give CONTRACTOR written notice of such default. If CONTRACTOR does not cure such default or provide a plan to cure such default which is acceptable to the CITY within the time permitted by the CITY, then the CITY may terminate this Contract due to CONTRACTOR'S breach of this Contract.

2. If a federal or state proceeding for relief of debtors is undertaken by or against CONTRACTOR, or if CONTRACTOR makes an assignment for the benefit of creditors, then the CITY may immediately terminate this Contract.

3. If CONTRACTOR engages in any dishonest conduct related to the performance or administration of this Contract or violates the
City's lobbying policies, then the City may immediately terminate this Contract.

In the event the City terminates this Contract as provided in this section, the City may procure, upon such terms and in such manner as the City may deem appropriate, services similar in scope and level of effort to those so terminated, and Contractor shall be liable to the City for all of its costs and damages, including, but not limited, any excess costs for such services.

5. All finished or unfinished documents and materials produced or procured under this Contract, including all intellectual property rights thereto, shall become City property upon date of such termination. Contractor agrees to execute any documents necessary for the City to perfect, memorialize, or record the City's ownership of rights provided herein.

6. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that Contractor was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-10(A) Termination for Convenience.

7. The rights and remedies of the City provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

PSC-11. INDEPENDENT CONTRACTOR

Contractor is acting hereunder as an independent contractor and not as an agent or employee of the City. Contractor shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of the City.

PSC-12. CONTRACTOR'S PERSONNEL

Unless otherwise provided or approved by the City, Contractor shall use its own employees to perform the services described in this Contract. The City shall have the right to review and approve any personnel who are assigned to work under this Contract. Contractor agrees to remove personnel from performing work under this Contract if requested to do so by the City.

Contractor shall not use subcontractors to assist in performance of this Contract without the prior written approval of the City. If the City permits the use of subcontractors, Contractor shall remain responsible for performing all aspects of
this Contract. The CITY has the right to approve CONTRACTOR’S subcontractors, and the CITY reserves the right to request replacement of subcontractors. The CITY does not have any obligation to pay CONTRACTOR’S subcontractors, and nothing herein creates any privity between the CITY and the subcontractors.

CONTRACTOR certifies to immediately notify the CITY of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents.

PSC-15. CLAIMS FOR LABOR AND MATERIALS

CONTRACTOR shall promptly pay when due all amounts payable for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any CITY property (including reports, documents, and other tangible or intangible matter produced by CONTRACTOR hereunder), against CONTRACTOR’S rights to payments hereunder, or against the CITY, and shall pay all amounts due under the Unemployment Insurance Act with respect to such labor.

PSC-16. CURRENT LOS ANGELES CITY BUSINESS TAX REGISTRATION CERTIFICATE REQUIRED

If applicable, CONTRACTOR represents that it has obtained and presently holds the Business Tax Registration Certificate(s) required by the CITY’S Business Tax Ordinance, Section 21.00 et seq. of the Los Angeles Municipal Code. For the term covered by this Contract, CONTRACTOR shall maintain, or obtain as necessary, all such Certificates required of it under the Business Tax Ordinance, and shall not allow any such Certificate to be revoked or suspended.

PSC-17. RETENTION OF RECORDS, AUDIT AND REPORTS

CONTRACTOR shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form, in accordance with
requirements prescribed by the CITY. These records shall be retained for a period of no less than three years following final payment made by the CITY hereunder or the expiration date of this Contract, whichever occurs last. Said records shall be subject to examination and audit by authorized CITY personnel or by the CITY’S representative at any time during the term of this Contract or within the three years following final payment made by the CITY hereunder or the expiration date of this Contract, whichever occurs last. CONTRACTOR shall provide any reports requested by the CITY regarding performance of this Contract. Any subcontract entered into by CONTRACTOR, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract.

PSC-18. FALSE CLAIMS ACT

CONTRACTOR acknowledges that it is aware of liabilities resulting from submitting a false claim for payment by the CITY under the False Claims Act (Cal. Gov. Code §§ 12650 et seq.), including treble damages, costs of legal actions to recover payments, and civil penalties of up to $10,000 per false claim.

PSC-19. BONDS

All bonds which may be required hereunder shall conform to CITY requirements established by Charter, ordinance or policy, and shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Sections 11.47 through 11.56 of the Los Angeles Administrative Code.

PSC-20. INDEMNIFICATION

INSTRUCTIONS AND INFORMATION
ON COMPLYING WITH CITY INSURANCE REQUIREMENTS

(Share this information with your insurance agent or broker)

1. Agreement/Reference All evidence of insurance must identify the nature of your business with the CITY. Clearly show any assigned number of a bid, contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your submission will be properly credited. Provide the types of coverage and minimum dollar amounts specified on the Required Insurance and Minimum Limit sheet (Form Gen. 146) included in your CITY documents.

2. When to submit Normally, no work may begin until a CITY insurance certificate approval number ("CA number") has been obtained, so insurance documents should be submitted as early as practicable. For As-needed Contracts, insurance need not be submitted until a specific job has been awarded. Design Professional coverage for new construction work may be submitted simultaneously with final plans and drawings, but before construction commences.

3. Acceptable Evidence and Approval Electronic submission is the best method of submitting your documents. Track4LA® is the CITY's online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used by insurance brokers and agents as their submit client insurance certificates directly to the City. It uses the standard insurance industry form known as the ACORD 25 Certificate of Liability Insurance in electronic format - the CITY is a licensed redistributor of ACORD forms. Track4LA® advantages include standardized, universally accepted forms, paperless approval transactions (24 hours, 7 days per week), and security checks and balances. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access Track4LA® at http://track4la.lacity.org and follow the instructions to register and submit the appropriate proof of insurance on your behalf.

Insurance Industry certificates other than the ACORD 25 that have been approved by the State of California may be accepted, however submissions other than through Track4LA® will significantly delay the insurance approval process as documents will have to be manually processed. All Certificates must provide a thirty (30) days' cancellation notice provision (ten (10) days for non-payment of premium) AND an Additional Insured Endorsement naming the CITY an additional insured completed by your insurance company or its designee. If the policy includes an automatic or blanket additional insured endorsement, the Certificate must state the CITY is an automatic or blanket additional insured. An endorsement naming the CITY an Additional Named Insured and Loss Payee as Its Interests May Appear is required on property policies. All evidence of insurance must be authorized by a person with authority to bind coverage, whether that is the authorized agent/broker or insurance underwriter. Completed insurance industry Certificates other than ACORD 25 Certificates are sent electronically to CAO.insurance.bonds@lacity.org.

Additional Insured Endorsements DO NOT apply to the following:

- indication of compliance with statute, such as Workers' Compensation Law.
- Professional Liability insurance.

Verification of approved insurance and bonds may be obtained by checking Track4LA®, the CITY's online insurance compliance system, at http://track4la.lacity.org.

4. Renewal When an existing policy is renewed, have your insurance broker or agent submit a new Acord 25 Certificate or edit the existing Acord 25 Certificate through Track4LA® at http://track4la.lacity.org.
5. **Alternative Programs/Self-Insurance**  Risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and self-insurance programs are subject to separate approval after the CITY has reviewed the relevant audited financial statements. To initiate a review of your program, you should complete the Applicant’s Declaration of Self Insurance form ([http://oao.lacity.org/risk/insuranceForms.htm](http://oao.lacity.org/risk/insuranceForms.htm)) to the Office of the City Administrative Officer, Risk Management for consideration.

6. **General Liability** insurance covering your operations (and products, where applicable) is required whenever the CITY is at risk of third-party claims which may arise out of your work or your presence or special event on City premises. **Sexual Misconduct** coverage is a required coverage when the work performed involves minors. **Fire Legal Liability** is required for persons occupying a portion of CITY premises. Information on two CITY insurance programs, the SPARTA program, an optional source of low-cost insurance which meets the most minimum requirements, and the Special Events Liability Insurance Program, which provides liability coverage for short-term special events on CITY premises or streets, is available at [www.2sparta.com](http://www.2sparta.com), or by calling (800) 420-0555.

7. **Automobile Liability** insurance is required only when vehicles are used in performing the work of your Contract or when they are driven off-road on CITY premises; it is not required for simple commuting unless CITY is paying mileage. However, compliance with California law requiring auto liability insurance is a contractual requirement.

8. **Errors and Omissions** coverage will be specified on a project-by-project basis if you are working as a licensed or other professional. The length of the claims discovery period required will vary with the circumstances of the individual job.

9. **Workers’ Compensation and Employer’s Liability** insurance are not required for single-person contractors. However, under state law these coverages (or a copy of the state’s Consent To Self Insure) must be provided if you have any employees at any time during the period of this contract. Contractors with no employees must complete a Request for Waiver of Workers’ Compensation Insurance Requirement ([http://oao.lacity.org/risk/insuranceForms.htm](http://oao.lacity.org/risk/insuranceForms.htm)). A **Waiver of Subrogation** on the coverage is required only for jobs where your employees are working on CITY premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals, toxic materials, power tools, etc. The Waiver of Subrogation waives the Insurer’s right to recover (from the CITY) any workers’ compensation paid to an injured employee of the contractor.

10. **Property Insurance** is required for persons having exclusive use of premises or equipment owned or controlled by the CITY. **Builder’s Risk/Course of Construction** is required during construction projects and should include building materials in transit and stored at the project site.

11. **Surety** coverage may be required to guarantee performance of work and payment to vendors and suppliers. A **Crime Policy** may be required to handle CITY funds or securities, and under certain other conditions. **Specialty coverages** may be needed for certain operations. For assistance in obtaining the CITY required bid, performance and payment surety bonds, please see the City of Los Angeles Bond Assistance Program website address at [http://oao.lacity.org/risk/BondAssistanceProgram.pdf](http://oao.lacity.org/risk/BondAssistanceProgram.pdf) or call (213) 258-3000 for more information.
