RECOMMENDATIONS

1. Approve a proposed second Amendment to Concession Agreement No. 262 (Amendment), herein included as Attachment 1, between the City of Los Angeles and the American Southwestern Railway Association, Inc., dba Travel Town Museum Foundation (TTMF), a California 501(c)(3) non-profit educational organization, for the operation and maintenance of the gift shop concession at the Travel Town Museum, subject to the approval of the Mayor, the City Council, and the City Attorney as to form;

2. Find, in accordance with Charter Section 1022, that the Department of Recreation and Parks (RAP) does not have personnel available in its employ with sufficient time and expertise to undertake these specialized professional tasks and that it is more feasible to secure these services by contract;

3. Find, in accordance with Charter Section 371 (e)(10), that for the performance of the professional, expert, and technical services required, competitive bidding is undesirable and impractical because the time and monetary cost of soliciting bids would be unwarranted and wasteful; said resource expenditure would be in excess of any benefit that could be gained by soliciting bids;

4. Find, in accordance with Los Angeles Administrative Code Sections 10.15(a)(10) and 10.17, that it is not practicable or advantageous to the City's interests to solicit competitive bids because TTMF possesses specific expert and technical knowledge and skills related to
Travel Town equipment and history, which are required to successfully operate the Gift Shop, volunteer program, and restoration program;

5. Find, in accordance with Article III, Section 1, Class 1(1), (14) and Class 3(3) of the City CEQA Guidelines, that this Amendment is categorically exempt from the California Environmental Quality Act (CEQA) provisions and direct RAP staff to file a Notice of Exemption (NOE);

6. Direct the Board Secretary to transmit the proposed Amendment concurrently to the Mayor in accordance with Executive Directive No. 3 (Villaraigosa Series) and to the City Attorney for review and approval as to form;

7. Authorize the Board President and Secretary to execute the Amendment upon receipt of the necessary approvals; and,

8. Accept the donation of a new modular building from TTMF, subject to the condition that TTMF assume all costs and liabilities associated with the procurement, permitting, delivery, and installation of the new modular building.

SUMMARY

The Travel Town Museum (Museum) is located at 5200 Zoo Drive in Griffith Park. It is host to an array of trains, train cars, interpretive displays, and other historic vehicles that represent the history of rail transportation. The RAP Park Services group operates and maintains the Museum which is open to the public free of charge. The Museum is visited each week by hundreds of youth and adults.

The American Southwestern Railway Association, Inc., dba Travel Town Museum Foundation (TTMF) is a 501(c)(3) non-profit educational organization, and began its partnership with the Museum in 1987 by providing volunteers for docent tours and general maintenance and restoration of the trains. In 2000, TTMF assumed emergency operation of the Travel Town Museum Gift Shop (Gift Shop) when the previous operator suddenly terminated their agreement.

TTMF's non-profit distinction allows it to invest the proceeds from the Gift Shop directly into the museum. The primary function of the Gift Shop's revenue is to assist TTMF with the restoration of City-owned historical train cars. Gift Shop revenue is also used to allow TTMF to maintain volunteer programs for tours, grounds maintenance, and Museum events. TTMF officers estimate that between 1987 and 2014, TTMF has raised and invested over $202,304.00 in artifacts, restorations, educational materials, and facility improvements at Travel Town. In 2015, TTMF managed over 200 volunteers who committed over 9,700 volunteer hours on projects and programs at Travel Town Museum.

In 2015, TTMF generated $280,100.21 in revenue. Of that, TTMF paid $14,232.33 in rent to RAP.
TTMF currently operates the Travel Town Gift Shop Concession through Concession Agreement No. 262 (Agreement) which was executed on September 23, 2009, for a term of one year with two one-year options to renew, both of which were exercised. RAP amended the Agreement on February 26, 2013 to extend the term to one year with five one-year options to renew, effective on February 26, 2013.

On April 2, 2014, the Board of Recreation and Parks Commissioners approved Board Report No. 14-081, Travel Town Museum Gift Shop Concession – Amendment No. 2 to Concession Contract Number 262 and Donation of a New Modular Building (Attachment 2). This Amendment would have extended the term of the Agreement by 20 years, introduced a flat-fee escalated payment structure, revised the Travel Town Museum Gift Shop premises, authorized RAP to accept the donation of a new modular building to be used as the new site for the Gift Shop, and formalized the Museum volunteer and restoration programs.

On July 10, 2015, the Office of the Mayor returned the proposed second Amendment without action to the Board and requested that the Board make a finding on the basis for exempting the City’s competitive bidding requirements for the proposed second Amendment, pursuant to CAO File No. 0150-08808-0002 (Attachment 3).

Under the assumption that the Amendment was approved and executed, TTMF moved forward with the construction of the proposed modular building. Construction and permitting for the building was completed in July of 2016. Without an agreement to authorize RAP to accept the donation of the modular building, TTMF is unable to move operations into the new building. It is anticipated that moving Gift Shop operations to the new building will increase Gift Shop revenue as it provides a larger and more appealing space. This translates to a higher rental sharing payment to RAP, and an increase in the funds available to TTMF for restoration and education projects. Delay of the move continues to have a negative impact on Travel Town Museum, TTMF, and RAP.

PROPOSED AMENDMENT PROVISIONS

1. Term: The term of Agreement Number 262 will be extended to ten (10) years effective on the date of execution of the Amendment. There will be an additional five-year renewal option at the sole discretion of the General Manager.

2. Rental Fee (Flat Fee):
   Agreement years 1 through 3 $1,350.00 per month ($16,200.00 annually)
   Agreement years 4 and 5 $1,650.00 per month ($19,800.00 annually)
   Agreement years 6 through 10 $1,950.00 per month ($23,400.00 annually)
   Extension option years 11 through 15 $2,150.00 per month ($25,800.00 annually)

At the end of Agreement year 10, the General Manager will review the performance of the Concession and will make a recommendation to the Board to either keep the established pay structure, or amend the Agreement to adjust the Rental Fee to the greater of either five percent (5%) of gross receipts or the established rental fee for the respective Agreement year.
3. Premises:
   The Premises for the Gift Shop will be revised to include the site of the modular building
to be donated by TTMF, as proposed in the January 4, 2013 unsolicited proposal
(Attachment 1, Exhibit A).

4. Donation of New Modular Building:
   TTMF will donate a modular building to RAP as described in the January 4, 2013
unsolicited proposal (Attachment 1, Exhibit A). The City and/or RAP will bear no costs or
liabilities associated with the donation. TTMF will use the new modular building as the
new location for Gift Shop operations.

5. Existing Modular Building:
   TTMF will cease using the existing modular building as a gift shop immediately upon
occupancy of the donated modular building. TTMF will be responsible for any and all
costs of repairs, upkeep, maintenance, and operation of the existing modular building.
Before TTMF is allowed to reuse the existing modular building for any operations, RAP
must approve all upgrades performed to ensure compliance with RAP standards and
with the Americans with Disabilities Act (ADA) regulations. TTMF must also submit a
written proposal to the General Manager for approval detailing all improvements and the
projected use of the existing modular building. Following approval from RAP, TTMF will
use the building as a research library and volunteer break area. If TTMF wants to use
the existing modular building for any other purpose, a written proposal must be
submitted to the General Manager for approval.

6. Museum Volunteer Program:
   Under the direction of the designated RAP representative, TTMF will provide oversight of
the Museum Volunteer Program, to include:

   a. Docent tours
   b. Educational and informational outreach
   c. Grounds maintenance to supplement RAP maintenance
   d. Exhibit development and maintenance

   TTMF will actively assist RAP in creating awareness of the Museum Volunteer Program,
to include outreach, training, and retention of volunteers.

7. Museum Restoration Program:
   TTMF will submit a written proposal to the RAP General Manager for all new restoration
projects. Proposed restoration projects will not commence until written approval of the
RAP General Manager is obtained by TTMF.

   Progress on all current restoration projects will be reported to the General Manager
every twelve (12) months. Reports will include a projected work plan for approval by the
General Manager. All current restoration projects will be completed within twelve (12)
months of execution of the proposed Amendment. Any current restoration project that is
not completed within the twelve (12) month timeframe will require TTMF to submit a written proposal for consideration by the RAP General Manager. Said restoration projects shall halt until written approval from the RAP General Manager is obtained by TTMF.

A list of current restoration projects is included as an Exhibit to the proposed Amendment (Attachment 1, Exhibit G). The City and/or RAP will bear no costs associated with any current or proposed Museum Restoration Program project and is not obligated to fund or provide any form of service for such projects, unless approved in writing by the RAP General Manager.

8. Utilities:
TTMF will assume any and all costs to install or provide electrical hook-ups or connections to the new modular building. RAP will not be responsible for any costs associated with the installation of utility hook-ups, including installation of dedicated electrical meters or for any other utilities (e.g., water, gas, telephones) which may or may not be used at the donated modular building. As stated in the current Agreement, RAP will incur the monthly electrical costs subsequent to the installation of the electrical meter by TTMF. RAP will not incur any costs for telephone or internet services in the modular buildings. A monthly fee of $100.00 for utilities costs has been included in TTMF’s monthly Rental Fee rate.

RAP staff recommends the approval of Amendment No. 2 to Concession Agreement No. 262 in order to allow TTMF to donate the new modular building, move operations into the new building, and continue to provide tours, education programs, grounds maintenance, and restoration projects at the Museum.

ENVIRONMENTAL IMPACT STATEMENT

The proposed Project consists of maintenance of an existing modular building to host a research area and a volunteer break room; of the amendment to an existing agreement with negligible or no expansion of use of an existing facility, and of the construction and donation of a modular building to host a commercial activity (gift shop). RAP staff recommends that the Board determine that the proposed Project is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to Article III, Section 1, Class 1(1)(14) and Class 3(3) of the City CEQA Guidelines.

FISCAL IMPACT STATEMENT

TTMF will pay $205,200.00 to RAP over the initial ten-year Agreement extension. If the General Manager chooses to exercise the renewal option, TTMF will pay a minimum of $129,000.00 to RAP over the following five years.

CONCESSION AGREEMENT NO. 262
FOR THE OPERATION AND MAINTENANCE OF THE
TRAVEL TOWN MUSEUM GIFT SHOP CONCESSION

THIS AMENDMENT NO. 2 TO CONCESSION AGREEMENT NO. 262 (AMENDMENT) is made
and entered into this ______ day of ______, 20____, by and between the CITY OF
LOS ANGELES, a municipal corporation (CITY), acting by and through its Board of Recreation
and Park Commissioners (BOARD), and AMERICAN SOUTHWESTERN RAILWAY
ASSOCIATION, INC., dba TRAVEL TOWN MUSEUM FOUNDATION, a California 501(c)(3)
non-profit educational organization, (CONCESSIONAIRE).

WITNESSETH

WHEREAS, CITY has chosen to serve the public by providing a souvenir stand at Travel Town
in Griffith Park through a concession operator; and,

WHEREAS, CITY previously selected CONCESSIONAIRE to operate the Travel Town Museum
Gift Shop (CONCESSION) in accordance with the terms and conditions of Concession
Agreement No. 262 as amended (AGREEMENT); and,

WHEREAS, the AGREEMENT was executed on September 23, 2009, and encompassed all
rights and duties of the parties; and,

WHEREAS, the AGREEMENT was amended on February 20, 2013 to extend the
AGREEMENT term to one (1) year, effective on February 20, 2013, with five (5) one (1) year
options to renew, at the sole discretion of the GENERAL MANAGER; and,

WHEREAS, CONCESSIONAIRE has submitted an unsolicited proposal to donate a new
modular building to be used as the Travel Town Museum Gift Shop; and,

WHEREAS, CONCESSIONAIRE has agreed to assume all costs and liabilities associated with
the procurement, permitting, delivery, and installation of the new modular building; and,

WHEREAS, it is in the CITY's best interest to accept the donation of a new modular building
and continue services with CONCESSIONAIRE, who has demonstrated its capability to perform
said services; and,

WHEREAS, the principal purpose of CITY in entering into this AGREEMENT is to serve the
public by providing a quality souvenir stand, historic restoration, historic interpretation of
facilities and equipment at Travel Town, and volunteer management services; and,

WHEREAS, BOARD finds, in accordance with Charter Section 1022, that it is necessary,
feasible, and economical to secure these services by contract as it lacks available personnel in
its employ with sufficient time and expertise to undertake these specialized professional
services; and,

WHEREAS, BOARD finds, pursuant to Charter Section 371(e)(10), that the use of competitive
bidding would be undesirable and impractical because, unlike the purchase of a specified
product, there is no single criterion, such as price comparison, that will determine which
proposer can best provide the services required by DEPARTMENT for the improvement,
operation, and maintenance of CONCESSION; and,
WHEREAS, the Board finds, in accordance with Los Angeles Administrative Code Section 10.15(a)(10), that it does not require competitive bids for contracts for the performance of professional, scientific, expert, technical, or other special services where not practicable with or advantageous to the CITY's interests; and,

WHEREAS, CONCESSIONAIRE's distinction as a California 501(c)(3) non-profit educational organization allows all of CONCESSIONAIRE's profits from the CONCESSION to be reinvested directly into the expert historic restoration, interpretation, and maintenance of Travel Town grounds and equipment; and,

WHEREAS it is not advantageous to the CITY's interest to introduce a competitive proposal process because CONCESSIONAIRE possesses specific expert and technical knowledge and skills related to Travel Town equipment and history, which are required to successfully operate the Gift Shop, volunteer program, and restoration program; and,

WHEREAS, CONCESSIONAIRE's extensive experience managing the gift shop, volunteer programs, restoration programs, and educational programs; coupled with a deep knowledge of the history of Los Angeles Railroads and their impact on the development of this region is unique to CONCESSIONAIRE; and,

WHEREAS, Los Angeles Administrative Code Section 10.17 does not require competitive proposals for contracts for the performance of professional, scientific, expert, or technical services where not reasonably practicable and compatible with the CITY's interests; and,

WHEREAS, it is not compatible with the CITY's interests to introduce a competitive proposal process because CONCESSIONAIRE provides expert and technical services which are only accessible to CITY through relationships maintained by CONCESSIONAIRE with local artists, historians, organizations, and vendors.

THEREFORE, the parties to the AGREEMENT hereby mutually agree to amend the AGREEMENT as follows:

1. SECTION 3. PREMISES
   Replace the first paragraph with the following paragraph:
   "The PREMISES (Exhibit A) subject to this AGREEMENT are located at: 5200 Zoo Drive, Los Angeles, CA 90027. 2. SECTION 4. TERM OF AGREEMENT
   Replace the first paragraph with the following:

| Agreement Years 4 and 5     | $1,650.00 per month |
| Agreement Years 6 through 10| $1,950.00 per month |
| Renewal Option Years 11 through 15 | $2,150.00 per month |

If GENERAL MANAGER chooses to exercise the option to renew, prior to the execution of the renewal option, GENERAL MANAGER shall evaluate the financial performance of CONCESSION for Contract Years 1 through 10, and recommend to BOARD either of two options to begin with Contract Year 11: 1) To remain with the aforementioned monthly rental fee established by this Amendment; or, 2) Propose a contract amendment to adjust the monthly rental fee to be the greater of either five percent (5%) of gross revenue generated by CONCESSIONAIRE, or the established rental fee for the respective Contract Year.

Both CITY and CONCESSIONAIRE agree that such determination and recommendation will be at the sole discretion of the GENERAL MANAGER, BOARD, and CITY.”

4. SECTION 9. OPERATING RESPONSIBILITIES

Replace Section 9.M “Utilities” with the following:

“CITY shall pay for all utilities except for telephone and internet. The monthly rental fees outlined in Section 6. Rental Fee and Payment include a monthly contribution of One Hundred Dollars ($100.00) for utility fees. The utility contribution amount for Extension Option years 11 through 15 are subject to evaluation and change.

Water and electricity shall be utilized by CONCESSIONAIRE in the most efficient manner possible, and CONCESSIONAIRE expressly agrees to comply with all CITY water conservation programs.

New Modular Building: CONCESSIONAIRE shall assume any and all costs to install or provide electrical hook-up or connections to the new modular building. CITY will not be responsible for any costs associated with the installation of utility hook-ups, including installation of dedicated electrical meters or for any other utilities (e.g., water, gas, telephone) which may or may not be used at the new modular building. CITY will incur the monthly electrical costs subsequent to the installation of the electrical meter by CONCESSIONAIRE.

Include the following as Section 9.T "Museum Volunteer Program":

"Under the direction of the designated CITY representative, CONCESSIONAIRE will provide oversight of the Museum Volunteer Program, to include:

a) Docent tours;
b) Educational and informational outreach;
c) Grounds maintenance to supplement CITY maintenance; and,
d) Exhibit development and maintenance.

CONCESSIONAIRE will actively assist CITY in creating awareness of the Museum Volunteer Program, to include outreach, training, and retention of volunteers."

Include the following as Section 9.U "Museum Restoration Program":

CONCESSIONAIRE shall not commence work detailed in the projected work plan until written approval by the GENERAL MANAGER is obtained. A list of the current Travel Town Museum restoration projects overseen by CONCESSIONAIRE is included as Exhibit E.

CITY will bear no costs associated with any current or proposed Museum Restoration Program project and is not obligated to fund or provide any form of service for such projects, unless approved in writing by the GENERAL MANAGER."

5. SECTION 11. IMPROVEMENTS

Include the following as Section 11.D "Donation of Modular Building":

"CONCESSIONAIRE will donate a modular building to CITY as described in the CONCESSIONAIRE's January 4, 2013, unsolicited proposal (Exhibit E), and shall assume all costs and liabilities associated with the procurement, permitting, delivery, and installation of the new modular building. CITY will bear no costs, and shall not be responsible for any CONCESSIONAIRE activities, actions, or liabilities associated with the donation, including, but not limited to: design, permits, licenses, delivery, installation,
insurance, and/or site preparation. CONCESSIONAIRE shall utilize the donated modular building for Gift Shop operations.

CONCESSIONAIRE will cease using the existing modular building immediately upon occupancy of the donated modular building. Before CONCESSIONAIRE is allowed to reuse the existing modular building, CITY must approve all upgrades performed by CONCESSIONAIRE at no cost to CITY to ensure compliance with DEPARTMENT standards and with the Americans with Disabilities Act (ADA) regulations. CONCESSIONAIRE must submit a written proposal to GENERAL MANAGER, to be reviewed in good faith and in a timely manner, for approval detailing improvements and projected use of the existing modular building. Said proposal shall include operating hours and projected public access plan. Said proposal must be approved by GENERAL MANAGER before CONCESSIONAIRE may reuse the existing modular building.

Robert Morales  
City of Los Angeles  
Department Recreation and Parks  
221 N. Figueroa St. Suite 1550,  
Los Angeles, CA 90012  

Dear Mr. Morales,

The American Southwestern Railway Association, doing business as the Travel Town Museum Foundation (TTMF), would like to make the offer of a new Gift Shop building to the Department of Recreation and Parks for the Travel Town Museum. The new building would be a modular structure, centrally located on Museum grounds near the existing restrooms. The building project would greatly improve an unplanted dirt area at the museum and help improve the entire facility. The new gift shop would offer a larger retail space than the current gift shop, enabling the store to offer a greater selection of merchandise to better serve the Museum’s visitors.

As part of the project, the TTMF would like to repurpose the current gift shop space as a Volunteer Center and Program Office. The Volunteer center would house a Library and Conference Room where the volunteers and members of the public could conduct research. There would be an office for the Program Manager and locker area for volunteers to store personal belongings while serving at the Museum.

The new building, as well as the repurposing of the existing building, would be done as a donation to Museum with funds raised for that purpose. The ASRA/TTMF anticipates continuing the operation of the Gift Shop concession under the current Concession Agreement, at least for the remaining 5 years stipulated in the agreement.

New Gift Shop Building

The New Gift Shop will be in a more central location at the Museum. The Photo below shows the current status of the proposed site - our volunteers would remove the fencing and relocate the materials inside the fencing to the service yard area of the museum.

DesignSpace Modular Buildings of Fontana, CA (DSMB) has quoted us a turnkey price of $219,000, which the ASRA/TTMF is willing to fully fund.
Below is the plan for the new building, as supplied by DSMB. Below that is a draft plan of the north side of Travel Town, with the new building outline in blue.
Budget for Gift Shop

The following is an abbreviated budget for the cost estimates including the Income of grants from Foundations that support the work of the Travel Town Museum Foundation. Expenses above and beyond the cost of the building include furnishing the inside of the building. The old building will also need to be furnished. Fundraising and in-kind donation solicitation is on-going to cover these costs.

DSMB has given us a turnkey quote, however we need to bring the City of Los Angeles Department of Recreation and Parks Planning, Construction and Maintenance representatives and DSMB together to make sure we can work through any unforeseen issues.

Attached please find the Proposal from Design Space Mobile Modular. We anticipate that there will need to be several meetings to approve the final placement of the new building as well as other move-in challenges.

Scheduling

Once we have had this offer accepted from the Department, we would like to get the process started and schedule any permitting meetings to make sure the installation will be seamless. The build-time for the new building is estimated to be from 2-6 months, so move in probably cannot take place until July or August of 2013. This should give the Museum volunteers time to clear
the site, the City and DSMB time to prepare the site for the piers, telephone and electrical hook-up, and the Foundation time to raise more money for furnishings and landscaping.

We look forward to hearing from you soon. We are very excited to move forward with this great improvement for the Travel Town Museum facility. If I can provide any more information please contact me at 818-822-7022, or via e-mail at Nancy.newgiftshop@traveltown.org.

Thank you again for your support!

DesignSpace Modular Buildings Proposal
December 26, 2013

Ms. Nancy Gneier, Executive Director
American Southwestern Railway Association, Inc.
DBA Travel Town Museum Foundation
P. O. Box 39846
Los Angeles, CA 90039.

DONATION OF A MODULAR BUILDING FOR THE PROPOSED USE AS THE TRAVEL TOWN MUSEUM GIFT SHOP

Dear Ms. Gneier,

I am in receipt of your revised proposal E-mailed to the Department of Recreation and Parks (RAP) on October 2, 2013. I am also in receipt of your E-mail to RAP and Councilmember Tom LaBonge dated November 21, 2013.

Over the past year, RAP has attempted to provide the American Southwestern Railway Association, Inc., dba Travel Town Museum Foundation (Foundation) with a means to donate the proposed modular building and use throughout a long-term agreement. RAP has also provided the Foundation with the option to donate the proposed modular building at no cost to the City or RAP under the terms of existing Concession Agreement No. 262. The Foundation has elected to not accept the terms of the previous RAP proposals.

The following is the current RAP proposal in response to your October 2, 2013, counter proposal. Please understand that the non-acceptance by the Foundation will create delays in the ability to present a mutually agreed upon proposal to the Board of Recreation and Park Commissioners to consider. This includes delays in presenting the item to the Mayor and Council should a proposal for a new agreement eventually be agreed upon.

Final Proposal
The following are RAP’s terms for the proposed acceptance of the donation of a modular building and the Foundation’s use as the Museum Gift Shop:

1. Term of Agreement
   Twenty (20) years from the date of execution of the proposed agreement.
2. Payment to RAP
The following monthly payments will be due to RAP on the first day of each month, and will be considered late if said payment is postmarked after the fifteenth (15th) day of the month payment is due:

<table>
<thead>
<tr>
<th>Contract Years</th>
<th>Amount</th>
<th>Annual Amount</th>

</tr>
<tr>

<td>$24,600</td>
</tr>
<tr>

</tr>
</tbody>
</table>

The charges for late or delinquent payments shall be $50.00 for each month the payment is late, plus interest calculated at the rate of eighteen percent (18%) per annum, assessed monthly on the balance of the unpaid amount. Payments shall be considered past due if postmarked after the fifteenth (15th) day of the month in which payment is due.

Note: The matter of rent reduction will not be included in the proposed agreement. All Concessionaires have the ability to request temporary rent reduction and, at the written approval of the Board, be granted such temporary rent reduction.

Concession Agreement No. 262.

In order to proceed with the donation of the new modular building and preparation of a new
Concession Agreement, a written unconditional acceptance of the aforementioned terms, signed
by an authorized agent of the Foundation on Foundation letterhead, must be received by RAP no

RECOMMENDATIONS:

That the Board:

1. Approve a proposed Amendment to Concession Contract Number 262 (Amendment), substantially in the form on file in the Board Office, between the City of Los Angeles Department of Recreation and Parks (RAP) and the American Southwestern Railway Association, Inc., dba Travel Town Museum Foundation (TTMF), a California 501(c)(3) non-profit educational organization, for the operation of a gift shop at the Travel Town Museum, subject to the approval of the Mayor, the City Council, and the City Attorney as to form;

2. Find, in accordance with Charter Section 1022, that RAP does not have personnel available in its employ with sufficient time and expertise to undertake these specialized professional tasks and that it is more feasible to secure these services by contract;

3. Direct the Board Secretary to transmit the proposed Amendment concurrently to the Mayor in accordance with Executive Directive No. 3 and to the City Attorney for review and approval as to form;

4. Authorize the Board President and Secretary to execute the Amendment upon receipt of the necessary approvals; and,

5. Accept the donation of a new modular building from TTMF, subject to the condition that TTMF assume all costs and liabilities associated with the procurement, permitting,
SUMMARY:

The Travel Town Museum (Museum) is located at 5200 Zoo Drive in Griffith Park and is host to a display of trains and train cars, and other vehicles that represents the history of transportation. The RAP Park Services group operates and maintains the Museum which is open to the public free of charge. The Museum is visited each week by hundreds of youths and adults who are interested in the history of trains.

The American Southwestern Railway Association, Inc., dba Travel Town Museum Foundation (TTMF) is a 501(c)(3) non-profit educational organization, and began its partnership with the Museum in 1987 by providing volunteers for docent tours and general maintenance and restoration of the trains and train cars.

TTMF currently operates the Travel Town Gift Shop Concession through Concession Agreement No. 262 which was executed on September 23, 2009, for a term of one-year with five (5) options to renew. TTMF also provides volunteers for tours, grounds maintenance, Museum events, and train restorations. Miniature Train Rides and a Snack Stand are operated through concession agreements with different business entities.

On January 4, 2013, TTMF submitted an unsolicited proposal to donate and install, at no cost to RAP, a new modular building for use by TTMF as the Travel Town Gift Shop (Attachment A). RAP entered into discussions with TTMF regarding specific terms of the donation which produced several counter-offers. On December 26, 2013, the General Manager sent written correspondence to TTMF with a final proposal (Attachment B). On January 7, 2014, TTMF accepted the final proposal (Attachment C).

As part of the proposed Amendment, TTMF will donate a new modular building to RAP to be used as the new gift shop building for TTMF during the extended term of the Concession Agreement. TTMF will pay all costs to procure, deliver and install the building and obtain all required permits and licenses. TTMF will also be responsible for all liabilities associated with the delivery and installation of the new modular building.

Revenue generated from the Gift Shop is used by TTMF to fund train restoration projects, educational programs, and for operating expenses.

Amendment to Concession Agreement No. 262
The current contract is termed to expire on September 22, 2015. TTMF currently pays 5% of total gross receipts to RAP as rent. In 2013, TTMF paid $13,231 as rent to RAP. The Amendment will revise the following sections of the current contract:
REPORT OF GENERAL MANAGER

PG. 3                NO. 14-081

1. Term
The term of the contract will be extended by twenty (20) years effective the date of execution of the Amendment.

2. Rent Payment to RAP (Flat-Fee)
   | Contract Years 1 through 3 | $1,250 per month | ($15,000 annually) |
   | Contract Years 4 through 6 | $1,550 per month | ($18,600 annually) |
   | Contract Years 7 through 10| $1,850 per month | ($22,200 annually) |
   | Contract Years 11 through 15| $2,050 per month | ($24,600 annually) |
   | Contract Years 16 through 20| $2,250 per month | ($27,000 annually) |

3. Premises
The Premises for the Travel Town Museum Gift Shop will be revised to include the site for proposed for the modular building by TTMF in the January 4, 2013, unsolicited proposal.

4. Donation of New Modular Building
TTMF will donate a modular building to RAP as described in the January 4, 2013, unsolicited proposal (Attachment A). The City and/or RAP will bear no costs or liabilities associated with the donation, including, but not limited to: design, permits, licenses, delivery, installation, and/or site preparation. The installation of the modular building will be completed within twelve (12) months from the execution of this Amendment. Failure to complete the installation of the modular building will be a material breach of contract, in which case RAP may terminate the contract.

5. Existing Modular Building
TTMF will cease using the Existing Modular Building as a Gift Shop immediately upon occupancy of the donated modular building. TTMF will be responsible for any and all costs of repairs, upkeep, maintenance, and operation of the existing modular building. Before TTMF is allowed to "reuse" the existing modular building, RAP must approve all upgrades performed to ensure compliance with Department standards and with the Americans with Disabilities Act (ADA) regulations.

6. Museum Volunteer Program
Under the direction of the designed RAP Representative, TTMF will provide oversight of the Museum Volunteer Program, to include: 1) docent tours; 2) educational and informational outreach; 3) grounds maintenance to supplement RAP maintenance; and, 4) exhibit maintenance. TTMF will actively assist RAP in creating awareness of the Museum Volunteer Program, to include outreach, training, and retention of volunteers.
7. Museum Restoration Program
All new restoration projects require TTMF to submit a written proposal for consideration by the RAP General Manager. Proposed restoration projects will not commence until written approval by the RAP General Manager is obtained by TTMF.

All current restoration projects will be completed within twelve (12) months of execution of the proposed Amendment. Any current restoration project not completed within the twelve (12) month timeframe will require TTMF to submit a written proposal for consideration by the RAP General Manager. The proposed continuation of an existing restoration project will not continue until written approval by the RAP General Manager is obtained by TTMF.

A list of current restoration projects is included as an exhibit to the proposed Amendment. The City and/or RAP will bear no costs associated with any current or proposed Museum Restoration Program project and is not obligated to fund or provide any form of service for such projects, unless approved in writing by the RAP General Manager.

8. Utilities
TTMF will assume any and all costs to install or provide electrical hook-up or connections to the new modular building. RAP will not be responsible for any costs associated with the installation of utility hook-ups, including installation of dedicated electrical meters or for any other utilities (e.g., water, gas, telephones) which may or may not be used at the donated modular building (gift shop). As stated in the current contract, RAP will incur the monthly electrical costs subsequent to the installation of the electrical meter by TTMF.

Staff recommends the approval of the Amendment in order to allow TTMF to donate the new modular building and continue providing tours, education programs, grounds maintenance, and restoration projects at the Museum.

The Office of Councilmember Tom LaBonge (Fourth Council District), has concurred with RAP staff’s recommendations regarding accepting the donation of the modular building and provided $20,000 in AB 1290 funds to TTMF to help purchase the modular building to replace the existing gift shop (Council Motion No. 13-0634).

Charter Section 1022
Los Angeles City Charter Section 1022 prohibits contracting out work that could be done by City employees unless the Board determines it is more economical and/or feasible to contract out the service.

On July 20, 2012, the Personnel Department completed a Charter Section 1022 review as part of the process for Concession Agreement No. 262. The Personnel Department determined that
there were no City classifications with the expertise to perform essential aspects of the work, including all aspects of operating a souvenir stand or gift shop. It is therefore more feasible to secure these services through an independent contractor.

ENVIRONMENTAL IMPACT STATEMENT:

Staff has determined that the proposed Amendment with TTMF will continue to allow the Travel Town Gift Shop to be used for operations involving no expansion of use, and, therefore, is exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Article III, Section 1, Class 1 (14) of the City CEQA Guidelines.

FISCAL IMPACT STATEMENT:

TTMF will pay $447,600 to RAP over the extended twenty year term of the Operating Agreement. Of that amount, $313,320, or Seventy Percent (70%), of the revenue will be deposited into RAP’s General Fund (Fund 302, Department 88); $89,520, or Twenty Percent (20%), will be deposited into the Travel Town Development Account (Fund 302, Department 89, Account 89980D); and, $44,760, or Ten Percent (10%), will be deposited into the Concession Improvement Account (Fund 302, Department 89, Account 89070K).

Department Recreation and Parks

Los Angeles, CA 90012

Dear Mr. Morales,

The American Southwestern Railway Association, doing business as the Travel Town Museum Foundation (TTMF), would like to make the offer of a new Gift Shop building to the Department of Recreation and Parks for the Travel Town Museum. The new building would be a modular structure, centrally located on Museum grounds near the existing restrooms. The building project would greatly improve an unplanted dirt area at the museum and help improve the entire facility. The new gift shop would offer a larger retail space than the current gift shop, enabling the store to offer a greater selection of merchandise to better serve the Museum’s visitors.

As part of the project, the TTMF would like to repurpose the current gift shop space as a Volunteer Center and Program Office. The Volunteer center would house a Library and Conference Room where the volunteers and members of the public could conduct research. There would be an office for the Program Manager and locker area for volunteers to store personal belongings while serving at the Museum.

The new building, as well as the repurposing of the existing building, would be done as a donation to Museum with funds raised for that purpose. The ASRA/TTMF anticipates continuing the operation of the Gift Shop concession under the current Concession Agreement, at least for the remaining 5 years stipulated in the agreement.

New Gift Shop Building
The New Gift shop will be in a more central location at the Museum. The Photo below shows the current status of the proposed site – our volunteers would remove the fencing and relocate the materials inside the fencing to the service yard area of the museum.

DesignSpace Modular Buildings of Fontana, CA, (DSMB) has quoted us a turnkey price of $219,000, which the ASRA/TTMF is willing to fully fund.
Below is the plan for the new building, as supplied by DSMB. Below that is a draft plan of the north side of Travel Town, with the new building outline in blue.
Budget for Gift Shop

The following is an abbreviated budget for the cost estimates including the Income of grants from Foundations that support the work of the Travel Town Museum Foundation. Expenses above and beyond the cost of the building include furnishing the inside of the building. The old building will also need to be furnished. Fundraising and in-kind donation solicitation is on-going to cover these costs.

DSMB has given us a turnkey quote, however we need to bring the City of Los Angeles Department of Recreation and Parks Planning, Construction and Maintenance representatives and DSMB together to make sure we can work through any unforeseen issues.

Volunteer Center Cost Estimates (2012 Estimates)

Expenses
Turn-key purchase of 24 x 60 Modular Building
Wooden deck, ramps, and steps, with tax

Income:

Attachments
Attached please find the Proposal from Design Space Mobile Modular. We anticipate that there will need to be several meetings to approve the final placement of the new building as well as other move-in challenges.

Scheduling
Once we have had this offer accepted from the Department, we would like to get the process started and schedule any permitting meetings to make sure the installation will be seamless. The build-time for the new building is estimated to be from 2-6 months, so move in probably cannot take place until July or August of 2013. This should give the Museum volunteers time to clear
the site, the City and DSMB time to prepare the site for the piers, telephone and electrical hook-up, and the Foundation time to raise more money for furnishings and landscaping.

We look forward to hearing from you soon. We are very excited to move forward with this great improvement for the Travel Town Museum facility. If I can provide any more information please contact me at 818-822-7022, or via e-mail at Nancy.newgiftshop@traveltown.org.

DONATION OF A MODULAR BUILDING FOR THE PROPOSED USE AS THE TRAVEL TOWN MUSEUM GIFT SHOP

Dear Ms. Gneier,

I am in receipt of your revised proposal E-mailed to the Department of Recreation and Parks (RAP) on October 2, 2013. I am also in receipt of your E-mail to RAP and Councilmember Tom LaBonge dated November 21, 2013.

Over the past year, RAP has attempted to provide the American Southwestern Railway Association, Inc., dba Travel Town Museum Foundation (Foundation) with a means to donate the proposed modular building and use throughout a long-term agreement. RAP has also provided the Foundation with the option to donate the proposed modular building at no cost to the City or RAP under the terms of existing Concession Agreement No. 262. The Foundation has elected to not accept the terms of the previous RAP proposals.

The following is the current RAP proposal in response to your October 2, 2013, counter proposal. Please understand that the non-acceptance by the Foundation will create delays in the ability to present a mutually agreed upon proposal to the Board of Recreation and Park Commissioners to consider. This includes delays in presenting the item to the Mayor and Council should a proposal for a new agreement eventually be agreed upon.

Final Proposal
The following are RAP’s terms for the proposed acceptance of the donation of a modular building and the Foundation’s use as the Museum Gift Shop:

1. Term of Agreement
   Twenty (20) years from the date of execution of the proposed agreement.
2. Payment to RAP
   The following monthly payments will be due to RAP on the first day of each month, and will be considered late if said payment is postmarked after the fifteenth (15th) day of the month payment is due:

   | Contract Years 1 through 3 | $1,250 per month | ($15,000 annually) |
   | Contract Years 4 through 6 | $1,550 per month | ($18,600 annually) |
   | Contract Years 7 through 10 | $1,850 per month | ($22,200 annually) |
   | Contract Years 11 through 15 | $2,050 per month | ($24,600 annually) |
   | Contract Years 16 through 20 | $2,250 per month | ($27,000 annually) |

   The charges for late or delinquent payments shall be $50.00 for each month the payment is late, plus interest calculated at the rate of eighteen percent (18%) per annum, assessed monthly on the balance of the unpaid amount. Payments shall be considered past due if postmarked after the fifteenth (15th) day of the month in which payment is due.

   Note: The matter of rent reduction will not be included in the proposed agreement. All Concessionaires have the ability to request temporary rent reduction and, at the written approval of the Board, be granted such temporary rent reduction.

3. Premises
   The Premises for the Museum Gift Shop will be revised to include the site proposed for the modular building, as proposed by the Foundation in the January 4, 2013, unsolicited proposal (Attachment A).

4. Donation of a New Modular Building
   The Foundation will donate a modular building to RAP as described in the January 4, 2013, unsolicited proposal (Attachment A). The City and/or RAP will bear no costs associated with the donation, including, but not limited to: design, permits, licenses, delivery, installation, and/or site preparation.

5. Existing Modular Building
   The Foundation will cease using the Existing Modular Building as a Gift Shop immediately upon occupancy of the donated modular building. By entering into this Agreement, the Foundation may repurpose the existing modular building as a Volunteer Center. The Foundation will be responsible for any and all costs of repairs, upkeep, maintenance and operation of the existing modular building. Before the Foundation is allowed to "reuse" the existing modular building, the Department must approve all upgrades are performed to Department standards and be compliance with the ADA regulations.
6. **Museum Volunteer Program**
   Under the direction of the designated RAP Representative, the Foundation will provide oversight of the Museum Volunteer Program, to include: 1) docent tours; 2) educational and informational outreach; 3) grounds maintenance to supplement RAP maintenance; and, 4) exhibit maintenance. The Foundation will actively assist RAP in creating awareness of the Museum Volunteer Program, to include outreach, training, and retention of volunteers.

   Note: Clarification of the Foundation's role and relationship in the Museum Volunteer Program may be required prior to a proposed agreement being submitted to the Board for consideration.

7. **Museum Restoration Program**
   All new restoration projects will require the Foundation to submit a written proposal for consideration by the RAP General Manager. Restoration projects will not commence until written approval by the RAP General Manager is obtained.

   All current restoration projects will be completed within twelve (12) months of execution of the proposed agreement. Any current restoration projects not completed within the aforementioned timeframe will require the Foundation to submit a written proposal for consideration by the RAP General Manager in order to continue the restoration.

   A list of current restoration projects approved by the RAP General Manager will be included as an exhibit to any proposed agreement prior to submission to the Board for consideration.

8. **Utilities**
   The Foundation will assume any and all costs to install or provide electrical hook-up or connections to the new modular building.

10. The remaining terms and conditions of a proposed agreement will be consistent with Concession Agreement No. 262.

In order to proceed with the donation of the new modular building and preparation of a new Concession Agreement, a written unconditional acceptance of the aforementioned terms, signed by an authorized agent of the Foundation on Foundation letterhead, must be received by RAP no later than 5:00 P.M. on January 13, 2014. Comments
The City of Los Angeles (City), through the Board of Recreation and Park Commissioners (Board) and Department of Recreation and Parks (Department), owns the Travel Town Museum and the Travel Town Museum Gift Shop (Concession) located at 5200 Zoo Drive in Council District 4. Prior to the initial agreement, the Department reports that the American Southwestern Railway Association, Inc. dba Travel Town Museum Foundation (TTMF) has been operating the Concession under a permit dated January 2000, which converted to a month-to-month basis on December 9, 2005.

In December 2008, the Board approved an Agreement between the City and TTMF, a 501(c)(3) non-profit educational organization, for the operation and maintenance of the Concession for a term of one year with two one-year options to renew. In August 2012, the Board approved the first amendment to include three additional one-year options to renew. The Board made a determination to exempt competitive bidding and approved the first amendment because Department staff anticipated that construction activities related to the Los Angeles Department of Water and Power’s

River Supply Conduit Project (Project) in Griffith Park would make it unlikely to attract proposers with desirable terms. Staff was instructed to develop a Request for Proposals for the Concession, for immediate release once the Project is complete.

At its meeting of April 2, 2014, the Board approved a proposed second Amendment to extend the Agreement by an additional 20 years. The proposed second Amendment changes the rental fee schedule, boundaries of the premises, agreement to include the donation of a new modular building and repurposing of the existing modular building, involvement of TTMF with the Museum Volunteer Program, requirements for museum restoration projects, and payment of utilities. However the Board did not make a finding for exempting the competitive bidding process.

Under the terms of the proposed second amendment, the term will be extended by twenty years effective on the date of execution. The rental fee will be $1,250 per month ($15,000 annually) for Years 1 through 3, $1,550 per month ($18,600 annually) for Years 4 through 6, $1,850 per month ($22,200 annually) for Years 7 through 10, $2,050 per month ($24,600 annually) for Years 11 through 15, and $2,250 per month ($27,000 annually) for Year 16 through 20. The terms further indicate that during Year 5 of the amendment, the Department will evaluate the Concession's financial information, negotiate with the Concessionaire, and recommend to the Board whether the terms of the rental payment should be further revised to be the greater of either five percent of gross revenue generated at the Concession or the established rental fee, to be made effective at the beginning of Year 7.

The proposed second Amendment also includes the donation of a new modular building from TTMF to be used as the new site for the gift shop and refurbishment of the old modular building. The Department will have to first approve all upgrades performed prior to TTMF being able to use the existing modular building for another purpose.

In accordance with the requirements of the California Environmental Quality Act (CEQA), the Department determined that the proposed second Amendment would consist of allowing the Travel Town Gift Shop to be used for operations involving no expansion of use, and therefore is exempt from the provisions of CEQA, pursuant to Article III, Section 1, Class 1, Category 14 of the City's CEQA Guidelines.

Council approval of the proposed second Amendment to the Agreement is not required because although the cumulative term exceeds three years, the estimated annual payments to the City do not exceed $141,949.

RECOMMENDATION

That the Mayor:

a) Return the proposed second Amendment to the Concession Agreement between the City of Los Angeles and American Southwestern Railway Association, Inc. dba Travel Town Museum Foundation without action to the Board of Recreation and Park Commissioners; and

b) Request the Board of Recreation and Park Commissioners to make a finding on the basis for exempting the City's competitive bidding requirements for the proposed second Amendment.
FISCAL IMPACT STATEMENT

The American Southwestern Railway Association, Inc. dba Travel Town Museum Foundation (TTMF) shall continue to pay five percent of the total gross receipts to the Recreation and Parks as rent as outlined in its current contract which expires on September 22, 2015. There is no known impact on the General Fund. To the extent applicable, the recommendation above complies with the City's Financial Policies in that user charges and fees are set to support the full cost of operations for which the fees are charged.
