CITY OF LOS ANGELES

CONTRACTOR RESPONSIBILITY ORDINANCE
(Los Angeles Administrative Code Section 10.40 et seq.)

1. What is the Contractor Responsibility Ordinance?

The Contractor Responsibility Ordinance (CRO) requires that each department make a determination as to whether prospective contractors are responsible and capable of fully performing the work before being awarded a City contract. The Ordinance also requires prospective contractors to complete a Responsibility Questionnaire that will be posted on the internet for 14 calendar days for public review.

2. When was the Ordinance adopted?

The City Council adopted the CRO on November 21, 2000. Regulations implementing the Ordinance were adopted on June 19, 2001.

3. Who is responsible for the administration and enforcement of the Ordinance?

Three (3) departments were named as administrative agencies responsible for the administration of the CRO. Each Designated Administrative Agency (DAA) administers the Ordinance for a specific type of agreement. The three DAA’s, the type of agreement each DAA is responsible for, and contact information for each DAA is provided in the table below.

4. Are all service, procurement, and construction agreements subject to the CRO?

Generally, an agreement, including one processed as an Authorization for Expenditure (AFE) with a Letter of Agreement, is covered by the CRO if it meets one of the definitions below.

**Service agreements:** Agreements covered under the general category of a “service agreement” include:
- An agreement for $25,000.00 or more and for at least three months in which a contractor will provide services to or for the City.
- An agreement for a lease or license of City property if the service to be performed on the property is something that City employees could perform.
- An agreement for the lease or license of City property that is in a location where a substantial number of the general public might visit.
- An agreement for the grant of City financial assistance for $100,000 or more if the agreement is for the purpose of economic development or job growth. City financial assistance may also include loans if certain conditions are met. (Refer to Sec. 10.40.0(b) of the CRO.)

Contractor Responsibility Ordinance Summary Q&A (Rev. 06/04)
Purchase agreements: Purchase agreements are covered if they are for One Hundred Thousand Dollars ($100,000.00) or more. Agreements to purchase garments are covered if they are for Twenty-Five Thousand Dollars ($25,000.00) or more.

Construction agreements: All construction agreements are covered, regardless of amount or term.

5. When did the Ordinance become applicable?

The Ordinance is being applied to Invitations for Bids (IFB) (including Requests for Proposals, Requests for Qualifications, "sole-sourced" contracts, and any other procurement process) released to the public on or after September 4, 2001. An agreement entered into as a result of an IFB released prior to that date is not subject to the CRO unless it is amended after September 4, 2001, and the amended agreement meets the definitions stated in the answer to Question #4 above.

6. If an IFB is subject to the CRO, what must a department do?

The department must inform prospective bidders/proposers that the CRO is applicable to the IFB. The department must also include the appropriate Responsibility Questionnaire for bidders/proposers to fill out. Depending on the type of contract to be awarded, one of three Questionnaires may be included in the IFB: Service; Procurement; and Construction.

7. What is a Responsibility Questionnaire?

The Responsibility Questionnaire asks for information about the bidder/proposer: business organization or structure; financial resources and responsibility; performance history; prior disputes; and history in complying with laws. Before a department awards a contract, the department will consider information contained in the Questionnaire as part of the review of a bidder/proposer's responsibility, as well as any information contained in the Office of Contract Compliance's Contractor Evaluation database [http://caodocs.ci.la.ca.us/ContEval/] regarding the proposer's prior performance on City contracts.

8. What must a bidder/proposer do when responding to an IFB?

If the IFB is subject to the CRO, the bidder/proposer must complete the Responsibility Questionnaire and return it to the City department with the bid/proposal. If a bidder/proposer does not submit a completed Questionnaire with the bid/proposal, the City department may consider the bidder/proposer to be non-responsive to the IFB and may disqualify the bidder/proposer from the rest of the IFB process.

9. Is a separate Questionnaire required for each IFB?

Unless the IFB is exempt, a separate Questionnaire must be submitted for each IFB to which a bidder/proposer responds.

10. What will the City do with the Questionnaire?

The department responsible for awarding the agreement will review the information contained in the submitted questionnaires, and if necessary, follow up with the bidder/proposer to clarify any information contained in the Questionnaire. The awarding authority will send the completed Questionnaires to the appropriate DAA. The DAA will post the Questionnaires on the City's Bidder/Contractor Responsibility website: www.lacity.org/bidresp. This posting also applies to "sole-sourced" contracts, so the completed Questionnaire from a proposed "sole-sourced" contractor must be forwarded to the appropriate DAA for posting.

Contractor Responsibility Ordinance Summary Q&A (Rev. 06/04)
11. How long will the Questionnaires be posted?

The Questionnaires will be posted on the internet for fourteen (14) calendar days. Unless an exemption applies, a department cannot award an agreement until the posting requirement has been met.

12. What happens during the fourteen (14) calendar-day posting period?

The general public will be able to review the Questionnaires posted. If, during the fourteen (14) calendar-day posting period, the DAA receives information that calls into question a bidder/proposer’s responsibility, the DAA will investigate the matter. In that case, no agreement may be awarded until the DAA finishes its investigation. Information obtained during the investigation will be provided to the department to consider in its determination of a bidder/proposer’s responsibility.

13. How does a department know that the posting requirement has been met?

The awarding department should complete the top portion of the Posting Verification Form and forward it to the DAA along with the Questionnaires. The DAA will complete the bottom portion of the Posting Verification Form and return it to the department when the posting requirement has been met.

14. Are contract amendments subject to the CRO?

If an agreement is amended after September 4, 2001, and the amended agreement meets the definitions stated in the answer to Question #4 above, it is subject to the CRO. Contractors do not have to submit a Questionnaire; however, the CRO Contract Language must be incorporated into the amended agreement.

15. After the agreement is awarded, or the agreement is amended, what does the CRO require the contractor to do?

The CRO requires a contractor to:

- Comply with all federal, state, and local laws in the performance of the contract, including but not limited to laws regarding health and safety, labor and employment, wage and hours, and licensing laws, which affect employees.
- Notify the awarding authority within 30 calendar days after receiving notice that any governmental agency has started an investigation into violations of, or has found that the contractor has violated, any federal, state, or local law in the performance of the contract.
- When applicable, provide the awarding authority, within thirty (30) calendar days, updated responses to the Questionnaire if a change occurs that would affect the contractor’s responsibility and ability to continue the agreement.
- Ensure that subcontractors working on the City agreement comply with all federal, state, and local laws in the performance of the agreement.
- Ensure that subcontractors working on the City agreement submit a Pledge of Compliance to comply with the CRO.

16. What happens if a contractor is found to be in violation of the Ordinance?

The DAA will notify the contractor that a violation has been found and give the contractor ten (10) calendar days to correct the violation. If the contractor fails to do so, the City may terminate the agreement and pursue all available contractual remedies. The City may also hold a non-responsibility hearing and debar the contractor from doing business with the City for five (5) years.
17. What about subcontractors?

Subcontractors are subject to the CRO, and the contractor must ensure that each of its subcontractors complies with the CRO. Subcontractors do not need to complete a Questionnaire, but they must submit to the awarding department a Pledge of Compliance with the Ordinance before they can start work on a City agreement.

18. What if a subcontractor is found to be in violation of the Ordinance?

Because the prime contractor is responsible for ensuring that all its subcontractors comply with the CRO, the sanctions listed in the answer to Question #16 may be applied to the prime contractor if the subcontractor does not correct the violation(s).

19. Are there any exemptions under the Ordinance?

Generally, two (2) categories of exemptions exist under the CRO:

(1) Agreements exempt from all the CRO requirements:
- Contracts with a governmental entity such as the United States of America, the State of California, a county, city or public agency of such entities, or a public or quasi-public corporation located therein and declared by law to have such status.
- Contracts for the investment of trust moneys or agreements relating to the management of trust assets.
- Banking contracts entered into by the Treasurer pursuant to California Government Code Section 53630 et seq.

(2) Agreements that are only exempt from the requirement that a bidder/proposer submit a Questionnaire. The contractor must still comply with all other CRO provisions.
- Agreements awarded on the basis of emergency circumstances when the awarding authority finds that the City would suffer a financial loss or that City operations would be adversely impacted. This exemption is subject to approval by the DAA.
- Agreements for goods or services that are proprietary or available from only one source. This exemption is subject to approval by the DAA.
- Agreements awarded under the authority of Charter Sections 371(e)(5), (6), (7) or (8). The awarding authority must certify in writing that the contract is entered into in compliance with the requirements of those Charter sections.

20. Where can I obtain a copy of the Contractor Responsibility Ordinance and the Rules and Regulations?

All CRO-related information and documents can be found on the CRO website: http://www.lacity.org/bidresp.

CITY OF LOS ANGELES

LIVING WAGE ORDINANCE

(Los Angeles Administrative Code Section 10.37 et seq.)

1. What is the Living Wage Ordinance?

The Living Wage Ordinance (LWO) requires employers who have agreements with the City to pay their employees at least a minimum “living wage” and to provide certain benefits. If the agreement is subject to the LWO, the employer must do the following:

- Pay employees working on the subject agreement a wage rate that is at least equal to the “living wage” rate. The “living wage” is adjusted annually and becomes effective July 1 of each year. Employers can obtain information about the living wage rate currently in effect by going to Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance (OCC) website at www.lacity.org/bca/OCCmain.html.
- Provide employees with at least twelve (12) paid days off per year for sick leave, vacation, or personal necessity; and at least ten (10) unpaid sick days off per year.
- Tell employees who make less than Twelve Dollars ($12.00) per hour that they may qualify for the federal Earned Income Tax Credit and provide them with the forms required to apply for the credit.
- Cooperate with the City by providing access to the work site and to payroll and related documents so that the City can determine if the employer is complying with the LWO.
- Pledge to comply with federal laws prohibiting an employer from retaliating against employees for union organizing.
- Not retaliate against any employee who makes claims about non-compliance with the LWO.

2. When was the Ordinance adopted?

The LWO was adopted in May, 1997 and amended in January, 1999.

3. What types of agreements are subject to the Ordinance?

Generally, the LWO covers the following types of agreements:

- An agreement in an amount over Twenty-Five Thousand Dollars ($25,000.00) and for at least three (3) months in which an employer will provide services to or for the City.
- An agreement for the lease or license of City property if the service being performed on the property is something that City employees would otherwise do.
- An agreement for the lease or license of City property that is in a location where a substantial number of the general public might visit.
- An agreement in which the City gives financial assistance for the purpose of promoting economic development or job growth.
- An agreement in which the City determines that applying the LWO would be in the best interest of the City.

Living Wage Ordinance Summary – 06/09
4. Is an agreement subject to the LWO if it was entered into before May, 1997?

Agreements executed after May, 1997 are subject to the LWO. An agreement entered into before May 1997 may become subject to LWO if it is later amended or modified in order to add time or money to the original agreement.

5. Are there any requirements that would apply to an employer who does not have an agreement with City that is subject to the LWO?

All employers are required to comply with the LWO’s prohibition against retaliation, even if the employer does not have an agreement with the City that is subject to the Ordinance.

6. Are all employees covered by the Ordinance?

Intentionally left blank 8/18/06

7. Are an employer’s subcontractors subject to the requirements of the Ordinance?

A subcontractor may be covered by the Ordinance if the subcontractor performs work on the subject agreement. If so, the subcontractor must also comply with the requirements of the LWO, including all reporting requirements. The prime contractor is responsible for the making sure that the subcontractor complies with the LWO.

8. What happens if an employer is found to be in violation of the Ordinance?

Payments due may be withheld. Also, the employer may be deemed to be in material breach of the agreement. When that happens, the City may take the following steps:

- Terminate the agreement and pursue all available contractual remedies.
- Debar the employer from doing business with the City for three (3) years or until all penalties and restitution have been fully paid, whichever occurs last.
- Bring a lawsuit against the employer for all unpaid wages and health benefit premiums and/or seek a fine of up to One Hundred Dollars ($100.00) for each day the violation remains uncorrected.

9. What if a subcontractor is found to be in violation of the Ordinance?

Because the prime contractor is responsible for making sure that all its subcontractors comply with the LWO, the sanctions listed in answer #8 may be applied to the prime contractor if the subcontractor does not correct the violation(s).

10. What can an employee do if an employer is in violation of the Ordinance?

The employee can submit a complaint to the Office Contract Compliance which will investigate the complaint. Also, the employee can bring his or her own lawsuit against the employer for:

Living Wage Ordinance Summary – 06/09
• Back pay for failing to pay the correct wages or correct health benefit premiums.
• Reinstatement and back pay for retaliation.
• Triple the amount of the back pay that is owed if the violation was found by the court to be willful.

11. Are there any exemptions available under the Ordinance?

An employer may apply for an exemption based on the following categories:

• Service agreements that are less than three (3) months or Twenty-Five Thousand Dollars ($25,000.00) or less.
• Agreements for the purchase of goods, property, or the leasing of property (with City as the lessee).
• Construction contracts that do not meet the definition of a service agreement.
• Employees who are required to have an occupational license in order to provide services to or for the City are exempt.
• Employers who are party to a collective bargaining agreement (CBA) that has language stating that the CBA shall supersede the LWO.
• Financial assistance recipients who meet the requirements stated in Section 10.37.1(c) of the LWO.
• Employers (contractors, subcontractors, financial assistance recipients) organized under IRS Code, Section 501(c)(3) whose chief executive officer’s hourly wage rate is less than eight times the hourly wage rate of the lowest paid worker are be exempt. However, this exemption does not apply to child care workers.
• Lessees or licensees who have no more than a total of seven employees and who have annual gross revenue of less than Four Hundred Fifty-Four Thousand Sixteen Dollars ($454,016.00) (effective July 1, 2009). The qualifying annual gross revenue is adjusted every July.
• One-person contractors, lessees, licensees or financial assistance recipients who employ no workers.
• Agreements that involve other governmental entities.

12. Who is responsible for the administration and enforcement of the Ordinance?

The Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance, located at 1149 S. Broadway Street, Suite 300, Los Angeles, CA 90015. For additional information, please call (213) 847-2625, or go to the Office of Contract Compliance website at http://bca.lacity.org.
LIVING WAGE ORDINANCE STATUTORY EXEMPTIONS

Living Wage Ordinance (LWO) statutory exemptions are now divided into the following three categories:

1. Exemptions that do not require approval from the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance (OCC).
2. Exemptions that do not require OCC approval but require a Contractor Certification of Exemption.
3. Exemptions that require submission of an Application for Exemption and OCC approval of the Application.

1. The following exemptions do not require OCC approval or any Contractor Certification: Departments only need to indicate the exemption in the appropriate category on the LWO Departmental Determination of Coverage Form.
   a. Less than three (3) months OR less than Twenty-Five Thousand Dollars ($25,000.00) (LAAC 10.37.1(j)). Service contracts or Authority for Expenditures that do not meet these thresholds are not covered by the LWO.
   b. Other governmental entities (LAAC 10.37.1(g)). Agreements with other governmental entities such as Los Angeles County, the State of California, or the University of California, are not covered by the LWO. Subcontractors to these entities are also not covered by the LWO.
   c. Purchase of goods, property, or the leasing of property, with the City as lessee (LAAC 10.37.1(j)). Such contracts are categorically exempt from the LWO unless they include a service component that is more than just incidental (regular and recurring services is required). Examples of such categorically exempt contracts include contracts to purchase office supplies or to lease space to be occupied by City departments.
   d. Construction contracts, not conforming to the definition of a service contract (LAAC 10.37.1(j)). Such contracts are categorically exempt from the LWO. Examples include construction of buildings and infrastructure.
   e. City financial assistance not meeting thresholds (LAAC 10.37.1(e)). Agreements to provide a contractor with City financial assistance (which typically mean grants or loans provided at interest rates that are lower than the Applicable Federal Rate) are categorically exempt from the LWO if they meet both of the following:
      (1) The assistance given in a 12-month period is below One Million Dollars ($1,000,000.00) AND less than One Hundred Thousand Dollars ($100,000.00) per year.
      (2) The assistance is not for economic development or job growth.
   f. Business Improvement Districts (BID) (LWO Regulation #11). Service agreements are categorically exempt from the LWO if the services are funded with the BID’s assessment money collected by the City after the formation of the BID. Service contracts in which City money is used to hire firms to help in forming the BID remain subject to the LWO unless the contractor otherwise qualifies for an exemption.

2. The following exemption categories do not require OCC approval, but the contractor must still submit a Contractor Certification of Exemption from Living Wage (OCC/LW-13). No OCC approval is required for the exemption to be valid. However, the department must include the Contractor Certification of Exemption with the contract.
   a. 501(c)(3) Non-profit organizations (LAAC 10.37.1(g)): Employers (contractors, subcontractors, financial assistance recipients) organized under IRS Code Section 501(c)(3) are exempt from the LWO if the hourly wage rate of the corporation’s highest paid employee is less than eight times the hourly wage rate of the corporation’s lowest paid worker. However, the exemption does not extend to
Child Care Workers as defined in the LWO Rules and Regulations (an employee “whose work on an agreement involves the care or supervision of children twelve (12) years of age and under.”). A copy of the IRS 501(c)(3) Exemption Letter will be required.

b. One-person contractors with no employees (LAAC 10.37.1(f)): Contractors, lessees, licensees or financial assistance recipients who employ no workers are exempt from the LWO.

3. The following exemption categories require submission of an application for exemption and OCC approval of the application to be valid.

a. Collective bargaining agreements (CBA) that supersede the LWO (LAAC 10.37.12): Contractors whose employees are covered by a CBA that supersede the requirements of the LWO are not subject to the LWO. A copy of the CBA with the superseding language or a letter from the union indicating that the union has agreed to allow the CBA to supersede the LWO will be required to be submitted. Example: Labor agreement between parking contractor and a labor union with language that wages and benefits in the CBA shall supersede the LWO. Contractors must use the LWO Application for Non-Coverage or Exemption form (Form OCC/LW-10) and submit a copy of the CBA or a letter from the union.

b. Occupational license (LAAC 10.37.1(f)): Employees required to possess an occupational license in order to provide the services under the City agreement are not subject to the LWO. However, only the individual employees who are required to possess an occupational license are exempt. Employees who work on the City contract and are not required to possess an occupational license remain subject to the LWO. Example: Under California Labor Code Sections 7375 – 7380, a person must be licensed by the State of California in order to inspect and certify cranes and derricks used in lifting services. Contractors must use the LWO Application for Non-Coverage or Exemption form (Form OCC/LW-10) and submit a listing of the employees who possess occupational licenses and a copy of the licenses.

c. Small business exemptions for Public Lessees/Licensees (LAAC 10.37.1(i)): Small business that lease property from the City may apply for OCC approval for LWO exemption if the lessee or licensee:
   (1) employs no more than a total of seven (7) employees; and (2) has annual gross revenues of less than Four Hundred Fifty-Four Thousand Sixteen Dollars ($454,016.00) (adjusted July 1, 2009). This applies only to lessees with lease agreements executed after February 24, 2001, and to amendments executed after February 24, 2001 that add monies or extend term. Use the Application for “Small Business” Exemption (Form OCC/LW-20) and submit the application with the documents requested on that form.

d. City financial assistance agreements that exceed the LWO monetary thresholds may apply for one of the exemptions below. Applicants and departments should refer to Regulation #3(c) for the requirements and the documents that must be submitted with the LWO Application for Non-Coverage or Exemption (OCC/LW-10).

   (1) The City financial assistance recipient (CFAR) is in its first year of operation (LAAC 10.37.1(c)).
   (2) The CFAR employs fewer than five employees (LAAC 10.37.1(c)).
   (3) The CFAR would face undue hardship because it employs the long-term unemployed or provides trainee positions to prepare employees for permanent positions (LAAC 10.37.1(c)). REQUIRES COUNCIL APPROVAL.

OFFICE OF CONTRACT COMPLIANCE, EEDE SECTION: (213) 647-2625
CITY OF LOS ANGELES
SERVICE CONTRACTOR WORKER RETENTION
ORDINANCE
(Los Angeles Administrative Code Section 10.36 et seq.)

1. What is the Service Contractor Worker Retention Ordinance?

The Service Contractor Worker Retention Ordinance (SCWRO), effective May, 1996, requires a successor contractor and its subcontractors to retain for a 90-day period certain employees who worked for the terminated contractor or its subcontractors for at least twelve (12) months. (See also Question #7 regarding which employees are covered.)

2. What is a successor contractor?

A successor contractor is one who has been awarded an agreement to provide services to or for the City that are similar to those that were provided under a recently terminated agreement.

3. What types of agreements are covered by the Ordinance?

The SCWRO covers the following types of agreements:

- For services in an amount over Twenty-Five Thousand Dollars ($25,000.00) and for at least three (3) months.
- In which the primary purpose is to provide services to or for the City (including leases and licenses).
- In which the City provides financial assistance for the purpose of promoting economic development or job growth.

4. What does the Ordinance require a terminated contractor to do?

The SCWRO requires the terminated contractor to provide the awarding authority with the names, addresses, dates of hire, hourly wage, and job classes of each employee who worked on the City agreement for that terminated contractor or its subcontractor. The awarding authority will provide the information to the successor contractor.

5. What does the Ordinance require a successor contractor to do?

The Ordinance requires the successor contractor to:

- Offer employment and retain for a ninety (90)-day period the employees who worked for at least twelve (12) months for the terminated contractor or its subcontractors.
- Not discharge the employees retained under the SCWRO without cause during the ninety (90)-day period.
- Perform a written performance evaluation of each employee retained under the SCWRO at the end of the ninety (90)-day period.

Service Contractor Worker Retention Ordinance Summary (06/09)
6. Do the employees retained under the Ordinance receive any additional protection?

Employees retained under the SCWRO are employed under the terms and conditions of the successor contractor or as required by law. However, if the agreement the employees are working under is subject to Living Wage Ordinance (LWO), the employees must be paid the wage rate and be provided the benefits required by LWO.

7. Does the successor contractor have to retain all the prior contractor’s employees?

The SCWRO covers only employees who meet all of the following requirements:

- Earn less than Fifteen Dollars ($15.00) per hour.
- Primary job is in the City working on or under the City agreement.
- Worked for the terminated contractor or its subcontractor for the preceding twelve (12) months or longer.
- Not a managerial, supervisory, or confidential employee; or an employee required to possess an occupational license.

8. What if the successor contractor determines that fewer employees are required to provide the services than were required by the prior contractor?

The names of the affected employees will be placed in order by seniority within each job classification. The successor contractor is required to retain employees based on seniority. The names of employees not retained will be placed on a preferential hiring list from which the successor contractor must use for subsequent hires.

9. What happens if an employee is discharged in violation of the Ordinance?

The employee may bring a lawsuit against the successor contractor. The employee can also submit a complaint to the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance which will investigate the complaint.

10. What if a contractor is found to be in violation of the Ordinance?

The City may terminate the agreement or pursue other legal remedies.

11. Who is responsible for administering and enforcing the Ordinance?

The Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance, located at 1149 S. Broadway St., Suite 300, Los Angeles, CA 90015. For additional information, please call (213) 847-2625, or go to the Office of Contract Compliance website at http://bcac.lacity.org.

DEPARTMENT OF PUBLIC WORKS' POLICY
BUSINESS INCLUSION PROGRAM FOR A REQUEST FOR QUALIFICATIONS (RFQ)

SUMMARY

This policy sets forth the Department of Public Works’ rules and procedures to be followed by respondents on advertised personal services contracts in regards to the City’s BIP outreach requirements. In general, this policy provides that respondents for contracts must demonstrate compliance with the indicators relating to an active outreach program to obtain participation by MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs. Failure to demonstrate outreach on the BAVN to comply with the indicators will render the response submission non-responsive.

A. GENERAL

This policy statement explains how the City’s BIP will be administered within the Department of Public Works for personal services contracts. The Department is committed to ensuring full and equitable participation by minority, women, small, emerging, disabled veteran, and other businesses in the provision of all goods and services to the Department on a contractual basis. This BIP is set forth in this policy Statement. Respondents to this department shall be fully informed concerning the requirements of this Program. Failure to comply with the City’s BIP outreach requirements will render the response non-responsive and result in its rejection.

Additional information and/or assistance in implementing this program may be obtained through the Office of Contract Compliance, Bureau of Contract Administration by e-mail at bca.biphelp@lacity.org.

9. Business Inclusion Program Outreach documentation: The respondent must take affirmative steps prior to submission of their RFQ response to ensure that a maximum effort is made to recruit potential subconsultants. Minority, women, small, emerging, disabled veteran owned and controlled businesses must be considered along with other business enterprises whenever possible as sources of subconsulting services. Affirmative steps for BIP Outreach documentation are outlined in Paragraph C herein. The BIP Outreach documentation must be submitted as described in Paragraph C herein. Failure to submit the BIP Outreach documentation will render the response non-responsive.

10. Subcontract: For the purpose of this program, the term “Subcontract” denotes an agreement between the prime Consultant and an individual, firm or corporation for the performance of a particular portion of the work which the prime Consultant has obligated itself.

11. Subconsultant: An individual, firm, or corporation having a direct contract with the consultant for the performance of a part of the work which is proposed to be constructed or done under the contract or permit, including the furnishing of all labor, materials, or equipment. For the purposes of this Program, a subconsultant may also be referred to as a subcontractor.

12. Vendor and/or supplier: A firm that owns, operates or maintains a store, warehouse, or other establishment in which the materials or supplies required for the performance of the contract are bought, kept in stock, and regularly sold to the public in the usual course of business. The firm must engage in, as its principal business, and its own name, the purchase and sale of the products in question. A vendor and/or supplier of bulk items such as steel, cement, stone and petroleum products need not keep such products in stock, if it owns or operates distribution equipment.

13. Manufacturer: A firm that operates or maintains a factory or establishment that produces on the premises the materials or supplies obtained by the contractor.

14. Broker: A firm that charges for providing a bona fide service, such as professional, technical, consultant or managerial services and assistance in the procurement of essential personnel, facilities, equipment, insurance or bonds, materials or supplies required for performance of the contract. The fee or commission is to be reasonable and not excessive as compared with fees customarily allowed for similar services.

15. Participation Recognition: This applies to recognition as an MBE, WBE, SBE, EBE, and/or DVBE.

   a. All listed MBE, WBE, SBE, EBE, and/or DVBE firms must be certified as defined under Paragraph B, Definitions, Item 4, on the date the task work order for the project is assigned before credit may be allowed toward the respective MBE, WBE, SBE, EBE, and/or DVBE pledged participation level.
b. Work performed by a MBE, WBE, SBE, EBE, and/or DVBE prime consultant will not be considered when determining a prime consultant’s BIP Outreach. The prime consultant will be required to make a BIP Outreach to obtain reasonable anticipated MBE, WBE, SBE, EBE, and/or DVBE participation levels through subconsulting or materials and supplies acquisition.

c. Recognition for materials and/or supplies is limited to 60 percent of the amount to be paid to the vendor for such materials/supplies in computing the pledged levels of MBE, WBE, SBE, EBE, and/or DVBE participation, unless the vendor manufactures or substantially alters the materials/supplies.

d. MBE, WBE, SBE, EBE, and/or DVBE credit for brokers required for performance of the contract is limited to the reasonable fee or commission charged, as not considered excessive, as compared with fees customarily allowed for similar services.

e. A firm which qualified as both a MBE and a WBE will be credited as either MBE participation or as WBE participation, but will not be credited for both. However, a MBE and/or WBE firm may also receive SBE, EBE, and/or DVBE credit if so qualified.

f. A listed MBE, WBE, SBE, EBE, and/or DVBE firm must be potentially available to perform a commercially useful function, i.e., must be potentially responsible for the execution of a distinct element of the work and potentially available to carry out its responsibility by performing, managing and supervising the work.

g. MBE/WBE credit shall not be given to a Joint Venture partner listed as a subconsultant by a Joint Venture respondent.

h. A SBE, EBE, DVBE prime consultant shall receive pledged participation credit for the work performed by its own workforce.

C. BIP OUTREACH DOCUMENTATION

It is the policy of the City of Los Angeles to provide Minority Business Enterprises (MBEs), Women Business Enterprises (WBEs), Small Business Enterprises (SBEs), Emerging Business Enterprises (EBEs), Disabled Veteran Business Enterprises (DVBEs), and all Other Business Enterprises (OBEs) an equal opportunity to participate in the performance of City contracts. In order to maximize this participation while minimizing the administrative impact on City staff and RFQ respondents alike, the Mayor’s Office has developed a BIP. The BIP requires City departments to set anticipated participation levels based on the opportunities presented in their advertised contracts and Department’s achievement of its annual goals. A respondent’s BIP Outreach to MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs shall be determined by their compliance with the following BIP Outreach process which will be performed on the City’s Business Assistance Virtual Network (BAVN). The BAVN can be accessed by going to the City’s Webpage (www.lacity.org) and linking onto “Bids, RFPs & Grants” or directly at www.labavn.org. Failure to meet the anticipated MBE, WBE, SBE, EBE, and/or DVBE participation levels will not by itself be the basis for disqualification or determination of non-compliance with this policy. **However, failure to comply with the BIP Outreach documentation requirements as described in this section will render the RFO response non-responsive and will result in its rejection.** Compliance with the BIP Outreach requirements is required even if the proposer has achieved the anticipated MBE, WBE, SBE, EBE, and DVBE participation levels. Adequacy of a respondent’s BIP Outreach will be determined by the Board after consideration of the indicators of BIP Outreach as set forth below.

Any technical difficulties while utilizing the BAVN should be reported immediately using the following steps:
1. Email BAVN Support at ITA.BAVN@lacity.org.
2. Email Bureau of Contract Administration, Subcontractor Outreach and Enforcement Section (SOE) at bca.biphelp@lacity.org.
3. If you are not contacted within 15 minutes during normal City working hours (7:00 a.m. to 4:30 p.m. Monday-Friday), call (213) 847-2605 and ask for an SOE Analyst to assist you.

If the above procedures are not followed as stipulated, incomplete outreach and/or incomplete documentation may not be accepted.

Each indicator (2-7) is evaluated on a pass/fail basis. All indicators (2-7) must be passed to be deemed responsive. Only BIP Outreach documentation submitted under the respondent’s name will be evaluated. Therefore submission by a third party will result in the respondent being deemed non-responsive.

1 LEVEL OF ANTICIPATED MBE, WBE, SBE, EBE, and DVBE PARTICIPATION

The respondent has performed a BIP Outreach in an attempt to obtain potential subconsultant participation by MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs which could be expected by the Board to produce a reasonable level of participation by interested business enterprises, including the MBE, WBE, SBE, EBE, and DVBE anticipated percentages set forth on Page 1 herein and to have the respondent meet the subconsulting expectations for the project.

2 ATTENDED PRE-SUBMITTAL MEETING

The respondent attended the pre-submittal meeting scheduled by the Project Manager to inform all respondents of the requirements for the project for which the contract will be awarded. This requirement may be waived if the respondent certifies it is informed as to those project requirements and has participated in a City-sponsored or City-approved matchmaking event in the prior 12 months.

**Required Documentation:** An employee of the respondent’s company must attend the pre-submittal meeting scheduled for this project. Credit may not be given if the employee arrives late or fails to sign the pre-submittal meeting attendance roster. This requirement will be waived if the respondent both certifies in writing that it is informed as to the BIP Outreach requirements for the project and has participated in a City-sponsored or City-approved matchmaking event in the prior 12 months as is evidenced by the event attendance documents.

**Note:** If the RFQ states that the pre-submittal meeting is mandatory, then attendance at the pre-submittal meeting is the only way to pass this indicator.

3 SUFFICIENT WORK IDENTIFIED FOR SUBCONSULTANTS

The respondent has identified the minimum number, as determined by the Department, of specific items of work that will be performed by subconsultants. This will ensure an opportunity for subconsultant participation among MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs.

**Required Documentation:** Outreach via e-mail in the selected potential work items. This outreach must be performed using the BAVN’s BIP Outreach system. The outreach must be to potential MBE, WBE, SBE, EBE,
DVBE, and OBE subconsultants who are currently registered on the BAVN. Failure of the respondent to outreach in all of the potential work items selected by the City as potential subconsulting work items may result in the RFQ response being deemed non-responsive.

Note: City staff will access the BAVN and verify compliance with this indicator after the RFQ submission deadline.

4 WRITTEN NOTICES TO SUBCONSULTANTS

All notifications must be provided utilizing BAVN, and made not less than fifteen (15) calendar days prior to the date the RFQ responses are required to be submitted. In all instances, respondents must document that invitations for subconsulting bids were sent to available MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs for each item of work to be performed.

Required Documentation: E-mail notification in each of the selected potential work items to potentially available MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs for each anticipated work item to be performed. The notification must be performed using the BAVN’s BIP Outreach system. The notification must be to potential subconsultants currently registered on the BAVN. If the respondent is aware of a potential subconsultant that is not currently registered on the BAVN, it is the respondent’s responsibility to encourage the potential subconsultant to become registered so that the respondent can include them as part of their outreach. Notifications must contain areas of work anticipated to be subconsulted, City of Los Angeles project name, name of the respondent, and contact person's name, address, and telephone number. Respondents are required to send notifications to a sufficient number of firms comprised of MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs in each potential work item chosen, as determined by the City. What is considered sufficient will be determined by the total number of potential subconsultants in each specific work item.

The City will determine each work area by the North American Industry Classification System (NAICS) code. The following table shows the sufficient number of MBE, WBE, SBE, EBE, DVBE, and OBE subconsultants that need to be notified for each work area.

A respondent’s failure to utilize this notification function will result in their RFQ response being deemed non-responsive.

Note: Respondents will not be able to utilize the BAVN’s BIP Outreach notification function if there are less than fifteen (15) calendar days prior to the RFQ response submittal deadline. In utilizing the BAVN’s notification function, respondents will receive a message if they have failed to outreach to a sufficient number of firms when they go to view their summary sheet. Respondents will be given an opportunity to include their own customized statements when utilizing the notification function. However, the City will take into consideration the wording and may deem a respondent non-responsive if the wording is perceived to seriously limit potential subconsultant responses. City staff will access the BAVN and verify compliance with this indicator after the RFQ
submission deadline. Respondents are encouraged to print their BIP Outreach summary sheet prior to logging out as documented proof of their progress.

5 PLANS, SPECIFICATIONS AND REQUIREMENTS

The respondent provided interested potential subconsultants with information about the availability of project scope, services requested, and other requirements for the anticipated subconsulting work.

Required Documentation: Include in Indicator 4, information detailing how, where and when the respondent will make the required information available to interested potential subconsultants. The notification must be performed using the BAVN’s BIP Outreach system.

Note: For purposes of RFQs, making a copy of the RFQ available to potential subconsultants will meet this requirement. At the time a respondent utilizes the BAVN’s BIP Outreach notification function, the required information will automatically be included in the notification. Respondents will not be able to utilize the BAVN’s Outreach notification function if there are less than fifteen (15) calendar days prior to the RFQ response submittal deadline. City staff will access the BAVN and verify compliance with this indicator after the RFQ submission deadline.

6 NEGOTIATED IN GOOD FAITH

The respondent has responded to every unsolicited offer sent by a registered subconsultant using BAVN and has evaluated in good faith bids or proposals submitted by interested potential MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs. Respondents must not unjustifiably reject as unsatisfactory a bid or proposal offered by a registered subconsultant, as determined by the Board. The respondent must submit a list of all subconsultants for each item of work, including dollar amounts of bids or proposals received. This list must include an explanation of the evaluation that lead to the bid or proposal being rejected and the explanation must have been communicated to the subconsultant using BAVN.

Required Documentation:
   a) Schedule A List of Potential MBE/WBE/SBE/EBE/DVBE/OBE Subconsultants;
   b) An online Summary Sheet organized by work area, listing the following:
      1) the responses and/or bids received;
      2) the name of the subconsultant who submitted the bid/quote;
      3) a brief reason given for selection/non-selection as a subconsultant;
   c) Copies of all potential MBE/WBE/SBE/EBE/DVBE/OBE bids or quotes received must be submitted prior to award of a contract by the City;

The reasons for selection/non-selection should be included in the notes section of the online Summary Sheet. If the respondent elects to perform a listed work area with its own forces, they must include a bid/quote for comparison purposes and an explanation must be provided and included on the summary sheet. All bids/quotes received, regardless of whether or not the respondent outreached to the subconsultant, must be submitted and included on the online Summary Sheet. To that extent, the City expects the respondent to submit a bid from each subconsultant listed on the online Summary Sheet, including those listed on the respondent’s Schedule A. All potential subconsultants with whom the respondent has had contact outside of the BAVN must be documented on the online Summary Sheet.

The Summary Sheet must be performed using the BAVN’s BIP Outreach system and must be submitted by 4:30 p.m. on the first calendar day following the day of the RFQ response submittal deadline.
If a bid/quote is submitted by a firm that is not registered with the BAVN, the respondent is required to add that firm to their Summary Sheet. A respondent’s failure to utilize the BAVN’s Summary Sheet function will result in their RFQ response being deemed non-responsive.

**Note:** For the purposes of this RFQ only, letters of intent acknowledging a potential subconsultant’s interest in being contacted for work and/or hourly rates for their type of work will be considered the “bids or quotes received.” Staff will request copies of all of the bids/quotes received as part of the BIP Outreach evaluation process. Respondents must have a bid/quote from each potential subconsultant listed on their Schedule A prior to submission of the Schedule A. The submission of the Schedule A is outlined in G herein. Respondents are encouraged to submit all of their bids/quotes with their RFQ response submittal. Respondents will not be able to edit their Summary Sheet on the BAVN’s BIP Outreach Summary Sheet function after 4:30 p.m. on the first calendar day following the day of the RFQ response submittal deadline. City staff will access the BAVN and verify compliance with the summary sheet provision of this indicator after the RFQ submission deadline. Respondents are required to have each of the subconsultants on their Schedule A registered on the BAVN prior to being awarded the contract.

### 7 BOND, LINES OF CREDIT, AND INSURANCE ASSISTANCE

Each notification by the respondent shall also include an offer of assistance to interested potential MBEs, WBEs, SBEs, EBEs, DVEBs, and OBEs in obtaining bonds, lines of credit, or insurance required by the Awarding Authority or proposer.

**Required Documentation:** Include in Indicator 4, information about the respondent's efforts to assist with bonds, lines of credit and insurance. The notification must be performed using the BAVN’s BIP Outreach system.

**Note:** At the time a respondent utilizes the BAVN’s BIP Outreach notification function, the required information will automatically be included in the notification. Respondents will not be able to utilize the BAVN’s BIP Outreach notification function if there are less than fifteen (15) calendar days prior to the RFQ response submittal deadline. Respondents will be given an opportunity to include their own customized statements when utilizing the notification function. However, the City will take into consideration the wording and may deem a respondent non-responsive if the wording seriously limits potential subconsultant responses or is deemed contrary to the intent of this indicator. City staff will access the BAVN and verify compliance with this indicator after the RFQ submission deadline.

The respondent shall submit completed BIP Outreach documentation either via the BAVN’s BIP Outreach system or prior to award, as specified for each indicator. The Board in its review of the BIP Outreach documentation may request additional information to validate and/or clarify that the BIP Outreach submission was adequate. Any additional information submitted after the response due date and time will be treated at a higher level of scrutiny and may require third party documentation in order to substantiate its authenticity. Such information shall be submitted promptly upon request by the Board.

### D AWARD OF CONTRACT

The Board reserves the right to reject any and all RFQ responses. The award of a contract will be to the responsive, responsible Respondent whose submittal complies with all requirements prescribed herein. This includes compliance with the required BIP Outreach. A positive and adequate demonstration to the satisfaction of the Board that a BIP Outreach to include potential MBE/WBE/SBE/EBE/DVBE/OBE subconsultants’ participation was made is a condition for eligibility for award of the contract.
In the event that the Board considers awarding away from a respondent because of the respondent’s failure to supply adequate BIP Outreach documentation, the Board shall afford the respondent an opportunity to present further evidence to the Board prior to a public hearing of the respondent’s BIP Outreach evaluation.

E. SUBCONSULTANT SUBSTITUTION

In addition to the requirements set forth in the provisions pertaining to the listing of potential subconsultants, the following shall apply for the purpose of this Program:

1. Substitution During Contract Duration: The contract award requires that the level of all subconsultant participation shall be maintained throughout the duration of the contract. To this extent, any unapproved reduction in the listed subcontract amount will be considered an unauthorized substitution.

   a. The Consultant shall request approval of the Board for all substitutions of bid-listed (Schedule B) subconsultants.

   b. The request shall be in writing and submitted to the designated Project Manager for the Board. The request shall give the reason for the substitution, the name of the subconsultant and the name of the replacement.

2. MBE/WBE/SBE/EBE/DVBE/OBE Subconsultant Substitution: The Board requires that whenever the Consultant seeks to substitute a bid-listed (Schedule B) subconsultant, the Consultant must make a BIP Outreach to replace the subconsultant.

   a. The Consultant shall contact some of each of the following: certified MBE, certified WBE, certified SBE, certified EBE, certified DVBE, and OBE sub-bid prospects from each trade (see Schedule A) for which sub-bid/subconsulting work is available and document the following for submittal:

      1. Name of company contacted; contact person and telephone number; date and time of contact.

      2. Response for each item of work which was solicited, including dollar amounts.

      3. Reason for selection or rejection of sub-bid prospect.

      4. In the event that the Consultant is unable to find some certified MBE, certified WBE, certified SBE, certified EBE, certified DVBE, and OBE sub-bid prospects, (first from their Schedule A, then from other outreach methods) for each trade, the Consultant should contact the Office of Contract Compliance by e-mail at bca.biphelp@lacity.org for assistance prior to certifying under penalty of perjury that it was unable to fully meet this requirement.

   b. The Consultant shall submit all documentation to the Department’s Project Manager who may refer it to the Office of Contract Compliance for review and approval.

3. In the event that a subcontract is reduced due to a project change that will not be specified in a change order, the Consultant shall request approval for reducing the subcontract by documenting the following for submittal:

Rev, 12/30/12 (Public Works RFQ - BAVN)
a. The name of the company for which the subcontract reduction is requested and the dollar amount of the reduction.

b. The reason for the reduction. Specific details should be given in order for the Consultant’s request to be processed promptly.

c. The Consultant shall submit all documentation to the Department’s Project Manager who may refer it to the Office of Contract Compliance for review and approval.

F. **SUB-AGREEMENT FALSIFICATION**

Falsification or misrepresentation of a sub-agreement as to company name, contract amount and/or actual work to be done by the sub-bidder/subconsultant will result in sanctions set forth in provisions pertaining to listing of subconsultants.

G. **SUBMITTAL DOCUMENTS**

1. List of Potential MBE/WBE/SBE/EBE/DVBE/OBE Subconsultants (Schedule A)

   Respondents shall submit with their RFQ response the List of Potential MBE/WBE/SBE/EBE/DVBE/OBE Subconsultants, provided herein as Schedule A. The respondent shall list the name, address, telephone, contact person and a description of work or supplies to be provided by each of the firms which may be utilized to perform portions of work in a specific task. This list is considered the respondent’s list of prequalified subconsultants which will be utilized when preparing a proposal for a specific project or task work order. For this reason, it is expected that the respondent will list multiple potential subconsultants for each specific area of work. Respondents are expected to only use the firms listed on the Schedule A when preparing a proposal for a specific project or task work order. In the event that the respondent has either a desire to update their Schedule A or a need to solicit subconsultants that are not on the Schedule A, the respondent will be expected to perform an outreach which, at a minimum, conforms to the requirements set forth under “E. Subconsultant Substitutions” of this document.

2. Task Work Order List of Subconsultants (Schedule B)

   At the time a specific task work order is assigned to the consultant, the consultant must submit the Task Work Order List of Subconsultants (Schedule B). The Schedule B is required prior to commencement of work. The consultant is committing itself to utilizing the subconsultants listed on this schedule for the portions of work and subcontract amounts for which they are listed. It is expected that the subconsultants listed on the Schedule B will be from the pool of potential subconsultants listed on the Schedule A. If the consultant needs to list subconsultants that are not on their Schedule A, the consultant needs to refer to the directions included under “1. List of Potential MBE/WBE/SBE/EBE/DVBE/OBE Subconsultants (Schedule A)” for additional details on the process for adding subconsultants to their Schedule A.

3. MBE/WBE/SBE/EBE/DVBE/OBE Utilization Profile (Schedule C)

   During the term of the contract, the consultant must submit a separate MBE/WBE/SBE/EBE/DVBE/OBE Utilization Profile (Schedule C) for each task work order when submitting an invoice to the City.

Rev. 12/30/12 (Public Works RFQ - BAVN)
4. Final Subconsulting Report (Schedule D)

Upon completion of each task work order, a summary of these records shall be prepared on the "Final Report of Subconsulting and Purchases" form (Schedule D) and certified correct by the consultant or its authorized representative. The completed form shall be furnished to the Department within 15 working days after completion of the task work order.

H. RESPONSIBILITY FOR IMPLEMENTATION AND MONITORING

The Bureau which acts as the City’s Project Manager for the resulting contract will be the responsible entity for proper implementation and monitoring of the policy.

I. AWARD OF CONTRACT

Nothing herein restricts the discretion of the Board of Public Works to reject all proposals in accordance with Charter Section 371.

**MUST BE SUBMITTED WITH THE RFQ RESPONSE**

Rev. 12/30/12 (Public Works RFQ - BAVN)
SECTION H
MUNICIPAL LOBBYING ORDINANCE (MLO)

The City’s Municipal Lobbying Ordinance (Ord No. 169916) requires certain individuals and entities to register with the City Ethics Commission and requires public disclosure of certain lobbying activities, including money received and spent. Additionally, for all construction contracts, public leases, or licenses of any value and duration; goods or service contracts with a value greater than Twenty-Five Thousand Dollars ($25,000.00) and a term of at least three (3) months, each Respondent must submit with its response a certification, on forms CEC Form 50, prescribed by the City Ethics Commission, that the Respondent acknowledges and agrees to comply with the disclosure requirements and prohibitions established in the Los Angeles Municipal Lobbying Ordinance, if the Respondent qualifies as a lobbying entity. (h) "City Financial Assistance Recipient" means any person who receives from the City discrete financial assistance in the amount of One Hundred Thousand Dollars ($100,000.00) or more for economic development or job growth expressly articulated and identified by the City, as contrasted with generalized financial assistance such as through tax legislation.

Categories of such assistance shall include, but are not limited to, bond financing, planning assistance, tax increment financing exclusively by the City, and tax credits, and shall not include assistance provided by the Community Development Bank. City staff assistance shall not be regarded as financial assistance for purposes of this article. A loan shall not be regarded as financial assistance. The forgiveness of a loan shall be regarded as financial assistance. A loan shall be regarded as financial assistance to the extent of any differential between the amount of the loan and the present value of the payments thereunder, discounted over the life of the loan by the applicable federal rate as used in 26 U.S.C. Sections 1274(d), 7872(f). A recipient shall not be deemed to include lessees and sublessees.

Los Angeles Administrative Code § 10.37.1

(f) “Public lease or license”.

(a) Except as provided in (j)(b), "Public lease or license" means a lease or license of City property on which services are rendered by employees of the public lessee or licensee or sublessee or sublicensee, or of a contractor or subcontractor, but only where any of the following applies:

1. The services are rendered on premises at least a portion of which is visited by substantial numbers of the public on a frequent basis (including, but not limited to, airport passenger terminals, parking lots, golf courses, recreational facilities), or
2. Any of the services could feasibly be performed by City employees if the awarding authority had the requisite financial and staffing resources; or
3. The DAA has determined in writing that coverage would further the proprietary interests of the City.

(b) A public lessee or licensee will be exempt from the requirements of this article subject to the following limitations:

1. The lessee or licensee has annual gross revenues of less than the annual gross revenue threshold, three hundred fifty thousand dollars ($350,000), from business conducted on City property;
2. The lessee or licensee employs no more than seven (7) people total in the company on and off City property;

4. Whether annual gross revenues are less than three hundred fifty thousand dollars ($350,000) shall be determined based on the gross revenues for the last tax year prior to application or such other period as may be established by regulation;
5. The annual gross revenue threshold shall be adjusted annually at the same rate and at the same time as the living wage is adjusted under section 10.37.2 (a);
6. A lessee or licensee shall be deemed to employ no more than seven (7) people if the company’s entire workforce worked an average of no more than one thousand two-hundred fourteen (1,214) hours per month for at least three-fourths (3/4) of the time period that the revenue limitation is measured;
7. Public leases and licenses shall be deemed to include public subleases and sublicenses;
8. Form 55
Instructions

Bidders who respond to certain City contract solicitations are limited by City law in their
ability to financially participate in City elections. They are prohibited from making
campaign contributions to and engaging in certain fundraising activity for City candidates
and officeholders. They are also required to disclose their identities and the identities of
their subcontractors and principals. Form 55 must be used for that purpose, and these
instructions provide information about how to complete it.

If you have questions about Form 55, please contact the Ethics Commission.
(213) 978-1960
ethics.bidder@lacity.org

Bidder Responsibilities

You are a bidder required to complete Form 55 when all of the following apply:

♦ You submit a response or proposal for an RFP (request for proposals), RFQ (request for
qualifications), RFB (request for bids), or any other written or verbal request to enter into a City
contract; and

♦ The contract you seek is expected to be valued at $100,000 or more; and

♦ The contract must be approved by an elected office (City Council, Mayor, City Controller, or
City Attorney).

Form 55 is used to disclose information about the following individuals and entities:

♦ You (the bidder);
♦ Your principals;
♦ Your subcontractors with subcontracts valued at $100,000 or more; and
♦ The principals of those subcontractors.

The campaign finance restrictions and requirements in Los Angeles City
Charter § 470(c)(12) and Los Angeles Municipal Code § 49.7.35 apply to
all of those individuals and entities. They are subject to the laws because of the
positions they hold in relation to a City bid, not because they are disclosed on your
Form 55.

You are required to do all of the following:

1. Submit your Form 55 with your bid or proposal documents to the City
department awarding the contract.

2. Amend your Form 55 within 10 days if the information in the form changes
after you submit it with your bid.

3. Notify your principals and subcontractors of the campaign finance
restrictions and requirements that apply to them.
Page 1: Cover Page and Bidder Information

You must complete all sections on the cover page.

A. Original or Amended Filing

Original Filing – Check this box if this is the first time you are submitting a Form 55 in connection with a City contract that you currently seek or have been awarded.

Amended Filing – Check this box if you are making changes to a Form 55 that was previously submitted in connection with the same City contract that you are seeking or have been awarded. For an amended filing, you must provide the later of:
- The date that your original Form 55 submission was signed, or
- The date that your most recent amendment was signed.

Example 1
Your law firm submitted a Form 55 last month when responding to an RFP with the City Attorney’s Office for legal services. Your law firm is now responding to an RFP with the Port of Los Angeles for a different contract to provide legal services. Check the “Original Filing” box on the Form 55 submitted to the Port, because this is the first time your firm is submitting Form 55 in connection with the legal services contract with the Port.

Example 2
Your company submitted a Form 55 last week when responding to an RFP with the Department of Water and Power (DWP) for construction services. This week, your company moved its offices to a new location. Your company is required to update its contact information on the Form 55 submitted with its proposal. Check the “Amended Filing” box, because your company is submitting an updated version of the Form 55 that was submitted in connection with the same construction services contract with DWP.

B. Reference Number

If applicable, provide the bid number, contract number, RFP number, or other identifying number or code assigned to the bid or potential contract that you seek. You can usually find this number on the City solicitation package (e.g., the RFP documents). However, not all solicitations have a reference number.

If there is no reference number for the bid or contract, enter "N/A" in this box.

C. Date Bid Submitted

Enter the date that you submit your bid or response documents to the City department awarding the contract.

D. Description of Contract

Provide the following information in this section:
- Title of the RFP, RFQ, or RFB as listed on the City solicitation documents; and
- Description of the services to be provided under the contract sought.

A brief description of the contract is usually given in the RFP, RFQ, RFB, or solicitation documents. If you cannot find one, describe what will be performed under the contract.
E. City Department Awarding the Contract
Provide the name of the City department that will be awarding the contract you seek.

F. Bidder Information
Provide all of the following information:

- Your full legal name;
- Your street address;
- Your telephone number; and
- Your email address.

The email address and telephone number provided in this section will be used to contact you if there are questions about the information provided in your Form 55. Remember to amend your Form 55 to keep this information current.

G. Schedule Summary
1. Schedule A – Bidder’s Principals
In this section, indicate whether you have principals to disclose. Check only one box in this section. A principal is any of the following:

- Board chair;
- President;
- Chief executive officer;
- Chief operating officer;
- An individual who serves in the functional equivalent of one of the above positions;
- An individual who holds an ownership interest of 20% or more, or
- An employee authorized to represent you before the City regarding this contract.

Check the first box if you are an individual and do not have other principals.

Check the second box if you are an entity (corporation, company, partnership, organization, etc.) or if you are an individual who has other principals. Attach to the cover page as many Schedule A pages as necessary to identify all of your principals.

Most bidders are entities that have principals. So most bidders must check the second box and attach Schedule A pages to the cover page.

Example 1
You are putting together a proposal for a City contract on behalf of your employer, Bidder, Inc. The proposal must include a Form 55. Because Bidder, Inc. is an entity, you must check the second box and disclose Bidder, Inc.’s principals on attached Schedule A pages.

Example 2
You are an individual submitting a proposal for a City contract and must complete a Form 55. You have two employees who are authorized to represent you before the City on this proposal. You must check the second box and disclose yourself and those employees as your principals on attached Schedule A pages.
2. **Schedule B – Subcontractors and Their Principals**

In this section, indicate whether you have one or more subcontractors with subcontracts valued at $100,000 or more on the City contract you seek. Check only one box in this section.

Check the **first box** if you do not have subcontractors with subcontracts worth $100,000 or more.

Check the **second box** if you do have subcontractors with subcontracts worth $100,000 or more. Attach to the cover page as many Schedule B pages as necessary to identify all of your subcontractors and their principals.

**Example 1**

Your construction company is submitting a response to a City RFP to provide construction services on a development project and must submit a Form 55. For the proposed project, you expect to hire ABC Company as a subcontractor that will perform $50,000 worth of work and XYZ Corporation as another subcontractor that will perform $200,000 worth of work. Check the second box and attach Schedule B pages to disclose XYZ Corporation and its principals.

**Example 2**

Your architecture firm is submitting a response to a City RFP to provide landscape design services at a new park, and a Form 55 is required. For the proposed project, you expect to hire two subcontractors: More Sunshine, Inc., which will provide consulting services worth $30,000; and Beautiful Parks Company, which will perform $65,000 worth of the work. Check the first box, indicating that you do not have any subcontractors with subcontracts valued at $100,000 or more.

3. **Total Number of Pages Submitted**

Enter the total number of Form 55 pages that you are submitting, including the cover page and all attached Schedule A and B pages.

**H. Bidder’s Certification**

Form 55 must be signed by an authorized representative of the bidder. By signing this section, you are certifying under penalty of perjury all of the following:

- You **understand** and **will comply** with the requirements and restrictions in Los Angeles City Charter § 470(c)(12) and Los Angeles Municipal Code § 49.7.35;

- You have **notified** your principals and subcontractors of the requirements and restrictions; and

- The information you provided in the Form 55 and all attached pages is **true and complete** to the best of your knowledge and belief.
Page 2: Schedule A — Bidder’s Principals

You must complete this section to disclose your principals. See page 3 of these instructions for a definition of "principal".

Provide the name, title, and address for each of your principals. If you need more space, mark the box indicating that you are attaching additional Schedule A pages. You may attach as many additional Schedule A pages as necessary to disclose all of your principals.

*Remember to include all attached Schedule A pages in the total page count on your cover page.*

Page 3: Schedule B — Subcontractors and Their Principals

You must complete this section to disclose your subcontractors with subcontracts worth $100,000 or more. You must also disclose the principals of those subcontractors. "Principal" is defined the same for bidders and for subcontractors. See page 3 of these instructions for the definition.

You must submit at least one Schedule B page for each subcontractor. Provide the name and address of the subcontractor, and then mark the appropriate box to indicate whether the subcontractor has principals.

If a subcontractor has more principals than will fit on one page—or if you have multiple subcontractors to disclose—mark the box indicating that you are attaching additional Schedule B pages. You may attach as many additional Schedule B pages as necessary to disclose all of your subcontractors with subcontracts worth $100,000 or more and all of their principals.

*Remember to include all attached Schedule B pages in the total page count on your cover page.*
