RECOMMENDATIONS:

1. Find, in accordance with Charter Section 1022 (Attachment 1), that the Department of Recreation and Parks (RAP) does not have, available in its employ, personnel with sufficient time or necessary expertise to undertake all of the park facility construction projects in a timely manner, and it is more feasible, economical and in RAP’s best interest, to secure these services by contract with several contractors to perform this work as-needed and on an occasional, but frequent basis, without engaging in a new competitive bidding process for each individual project to be performed.

2. Find, in accordance with Charter Section 371(e)(2) and Los Angeles Administrative Code Section 10.15(a)(2), that a competitive bidding is not practicable or advantageous as it is necessary for RAP to be able to call on contractors to perform this work as-needed and on an occasional, but frequent, basis without engaging in a new competitive process for each individual project to be performed; however, from among as-needed contractors each individual project is assigned on the basis of availability, price, and unique expertise of the as-needed contractor;

3. Find in accordance with Charter Section 371(e)(10), that use of competitive bidding would be undesirable, impractical or impossible or is otherwise is excused by the common law and the Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by RAP to provide park facility construction projects;

4. Find, in accordance with Charter Section 372, that obtaining competitive proposals or bids for each individual project for which work may be performed pursuant to this agreement is not reasonably practicable or compatible with RAP’s interests of having available as-needed contractors who are assigned various projects on the basis of availability, price, and
expertise, and that it is therefore necessary to have several as-needed contractors for this type of service available when called upon by RAP to perform services;

5. Approve the selection process for the selection of qualified firms;

6. Authorize the General Manager or their designee to make technical corrections to the proposals received in response to the RFQ as necessary; and

7. Approve the proposed contract (Contract) (Attachment 2), substantially in the form on file in the Board Office, between RAP and the following five (5) firms for as-needed park facility construction services for a three (3) year contract, specifying the terms and conditions, subject to approval of the Mayor and the City Attorney as to form.

8. Direct the Board Secretary to transmit the Contracts to the Mayor in accordance with Executive Directive No. 3 (Villaraigosa Series) and concurrently, to the City Attorney for review and approval as to form; and,

9. Authorize the Board President and Secretary to execute the Contracts upon receipt of the necessary approvals.

SUMMARY:

RAP is in need of Park Facility Construction services; which current staffing can only provide on a limited basis. Currently, RAP has contracts in place to perform park facility construction services at
over four hundred fifty (450) park locations under the jurisdiction of RAP. The contracts are critical to maintaining and expanding our current park facility infrastructures. Awarding the recommended contracts will extend the terms of existing contracts and add new prequalified contractors to our on call list.

These contracts will provide RAP with additional resources to perform park facility construction services to help supplement current City forces. In addition, these contracts will provide RAP’s Planning, Maintenance and Construction Branch a tool to meet current and future park facility construction projects.

The various Park Facility Construction services will include, but are not limited to, demolition, paving, resurfacing and coating of roadways, athletic and playing field/court surfaces, pathways, parking lots, and the construction of masonry and concrete walls. Also included are the grading of parking lots, open turf areas and athletic fields, installation of plumbing, electrical, fencing, asphalt, concrete and masonry work for construction of athletic fields/courts, field/court amenities, playground equipment and construction of new park facilities.

On April 6, 2016, the Board approved a Request for Qualifications (RFQ) for Park Facility Construction (Report No. 16-086), which was released April 12, 2016. On June 7, 2016, RAP received ten (10) proposals in response to the RFQ. The responders were:

   273 N Benson Ave
   Upland, CA 91786
   Qualified for: Flatwork Concrete and New Park Construction
During the review and evaluation of minimum qualifications for the Flatwork Concrete qualifier, it was determined that the RAP overestimated the minimum qualifications for the Flatwork Concrete Qualifier. The RFQ for Park Facility Construction- Flatwork Concrete qualifier requested a list of projects for which the total volume of concrete work must have met a minimum of twenty thousand (20,000) CY. After review of all submitted responses, it was determined that any responder that submitted flatwork concrete responses that met a minimum of seven hundred (700) CY during review, would be qualified under the flatwork concrete qualifier. Staff paid close attention to reference responses regarding the respondent's ability to perform and produce quality work.

RFQ responses were evaluated solely for the minimum qualifications (as stated in RFQ Document). The minimum qualifications determined the responder's knowledge and experience to perform the terms and specifications of this Contract. It was found through review and verification by RAP staff that the above-listed responders met and/or exceeded the minimum qualifications as set forth in the RFQ.

Once it was determined that the responders had met all of the minimum qualifications, staff verified the references provided by the respondents. Questions were posed regarding respondent's ability to produce a quality product that met all necessary standards, in a timely manner. They were also asked whether the respondent was timely and effective in their correspondence with governing agencies. All of the references for the respondents who met our minimum qualifications responded favorably to these questions and highly recommended the respective respondent. It was then determined that the above listed Respondents should be selected as a pre-qualified Park Facility Construction contractors and eligible to bid on future RAP projects.

All responders who submitted and qualified performed and passed the City's Business Inclusion Program (BIP) outreach.

The selected pre-qualified contractors are recommended to the Board for a three (3) year contract, in an amount not-to-exceed an annual expenditure of Four Million Dollars ($4,000,000.00) per contract. The contract amount is an estimate, and RAP does not guarantee that the contract maximum amount will be reached. The construction services that RAP is requesting shall be on an as-needed basis; RAP, in entering into an agreement, guarantees no minimum amount of business or compensation.

Contracts awarded through this RFQ shall be subject to funding availability and early termination by Department, as provided in the Standard Provisions for City Contracts.
Funding for projects will be provided from various funding sources including to but not limited to Proposition K, Quimby, and Proposition 40.

**FISCAL IMPACT STATEMENT:**

Executing these as-needed contracts has no impact to the Department’s General Fund.

CONTRACT BETWEEN
THE CITY OF LOS ANGELES
AND
ASPHALT FABRIC & ENGINEERING, INC.
FOR PARK FACILITY CONSTRUCTION

This CONTRACT is made and entered into this ___ day of ___________20___, by and between the CITY OF LOS ANGELES, a municipal corporation, acting by and through its BOARD OF RECREATION AND PARK COMMISSIONERS (hereinafter referred to as “CITY”), and ASPHALT FABRIC & ENGINEERING, INC., (hereinafter referred to as “CONTRACTOR”). CITY and CONTRACTOR shall be referred to hereinafter collectively as “the PARTIES”.

RECITALS

WHEREAS, The Department of Recreation and Parks of the City of Los Angeles (hereinafter referred to as “DEPARTMENT” owns various facilities and infrastructure throughout the City of Los Angeles and is responsible for the park facility construction services at various facilities; and

WHEREAS, DEPARTMENT requires the services of an experienced and responsible contractor to perform park facility construction services at various park facilities; and

WHEREAS, on April 6, 2016, the Board of Recreation and Park Commissioners (referred to hereinafter as “BOARD”) approved the release of a Request for Qualifications (“RFQ”) for Park Facility Construction (Report No. 16-086); and

WHEREAS, the RFQ was released on April 12, 2016, and ten (10) responses to the RFQ were received on June 7, 2016; and

WHEREAS, five (5) of the ten (10) RFQ responses met the minimum requirements for the park facility construction as specified on the RFQ; and CONTRACTOR’s response was one of the responses meeting such minimum requirements; and

WHEREAS, DEPARTMENT requires the services of CONTRACTOR to provide as-needed flatwork concrete and new park construction services; and
WHEREAS, CONTRACTOR has the necessary equipment and staff, possesses sufficient knowledge, expertise, and experience and is willing and able to provide the services requested by DEPARTMENT; and

WHEREAS, the BOARD, as the contract awarding authority, finds pursuant to Charter Section 371(e)(2), that the services to be provided are professional and special services of a temporary and occasional character for which competitive bidding is not practicable or advantageous as it is necessary for the DEPARTMENT to be able to call on contractors to perform this work as-needed and on an occasional, but frequent, basis without engaging in a new competitive process for each individual project to be performed; however, from among as needed contractors each individual project is assigned on the basis of availability of an as-needed contractor to perform the work, the price to be charged and the unique expertise of the as-needed contractor; and

WHEREAS, the BOARD, as the contract awarding authority, finds pursuant to Charter Section 371(e)(10) that use of competitive bidding would be undesirable, impractical or impossible or is otherwise excused by the common law and the Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by DEPARTMENT to provide as-needed park facility construction; and

WHEREAS, the BOARD, as the contract awarding authority, finds pursuant to Charter Section 372 that obtaining competitive proposals or bids for each individual project for which work may be performed pursuant to this agreement is not reasonably practicable or compatible with the DEPARTMENT's interests of having available as-needed contractors who are assigned various projects on the basis of availability, price and expertise and that it is therefore necessary to have several as-needed contractors for this type of service available when called upon by the DEPARTMENT to perform services; and

WHEREAS, the BOARD, as the contract awarding authority, finds pursuant to Charter Section 1022, that the work can be performed more economically or feasibly by independent contractors than by DEPARTMENT employees because the DEPARTMENT does not have available in its employ, personnel with sufficient time or the necessary expertise to undertake park facility construction and related work in a timely manner, and therefore it is more feasible and economical and in the DEPARTMENT's best interest to secure these services by contract with CONTRACTOR to perform this work as-needed and on an occasional, but frequent basis, without engaging in a new competitive bidding process for each individual project to be performed.

The City reserves the right to request additional supporting documentation to substantiate costs at any time.

Tasks that are completed by subcontractors shall be supported by subcontractor invoices, copies of pages from reports, brochures, photographs, or other unique documentation that substantiates their charges.

Failure to adhere to these policies may result in nonpayment pursuant to Charter Section 262(a), which requires the City Controller to inspect the quality, quantity, and condition of services, labor, materials, supplies, or equipment received by any City office or department, and to approve demands before they are drawn on the Treasury.

STANDARD PROVISIONS FOR CITY CONTRACTS

PSC-1. Construction of Provisions and Titles Herein

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against CITY or CONTRACTOR. The word "CONTRACTOR" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one CONTRACTOR, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. Applicable Law, Interpretation and Enforcement

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and CITY, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. CONTRACTOR shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to CONTRACTOR.

In any action arising out of this Contract, CONTRACTOR consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

PSC-3. Time of Effectiveness

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

A. This Contract has been signed on behalf of CONTRACTOR by the person or persons authorized to bind CONTRACTOR;

B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;

C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
D. This Contract has been signed on behalf of CITY by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

PSC-4. Integrated Contract

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

PSC-5. Amendment

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

PSC-6. Excusable Delays

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of CONTRACTOR shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both CONTRACTOR and Subcontractor, and without any fault or negligence of either of them. In such case, CONTRACTOR shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit CONTRACTOR to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event CONTRACTOR'S delay or failure to perform arises out of a Force Majeure Event, CONTRACTOR agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

PSC-7. Waiver

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.
PSC-8.  **Suspension**

At CITY'S sole discretion, CITY may suspend any or all services provided under this Contract by providing CONTRACTOR with written notice of suspension. Upon receipt of the notice of suspension, CONTRACTOR shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to CITY until CITY gives written notice to recommence the services.

PSC-9.  **Termination**

A.  **Termination for Convenience**

CITY may terminate this Contract for CITY'S convenience at any time by providing CONTRACTOR thirty days written notice. Upon receipt of the notice of termination, CONTRACTOR shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. CITY shall pay CONTRACTOR its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by CONTRACTOR to effect the termination. Thereafter, CONTRACTOR shall have no further claims against CITY under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights CITY is entitled to, shall become CITY property upon the date of the termination. CONTRACTOR agrees to execute any documents necessary for CITY to perfect, memorialize, or record CITY'S ownership of rights provided herein.

B.  **Termination for Breach of Contract**

1.  Except as provided in PSC-6, if CONTRACTOR fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, CITY may give CONTRACTOR written notice of the default. CITY'S default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of CITY. Additionally, CITY'S default notice may offer CONTRACTOR an opportunity to provide CITY with a plan to cure the default, which shall be submitted to CITY within the time period allowed by CITY. At CITY'S sole discretion, CITY may accept or reject CONTRACTOR'S plan. If the default cannot be cured or if CONTRACTOR fails to cure within the period allowed by CITY, then CITY may terminate this Contract due to CONTRACTOR'S breach of this Contract.

2.  If the default under this Contract is due to CONTRACTOR'S failure to maintain the insurance required under this Contract, CONTRACTOR shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance
coverage and Contractor's obligation to suspend performance of services. CONTRACTOR shall not recommence performance until CONTRACTOR is fully insured and in compliance with CITY'S requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against CONTRACTOR, or if CONTRACTOR makes an assignment for the benefit of creditors, then CITY may immediately terminate this Contract.

4. If CONTRACTOR engages in any dishonest conduct related to the performance or administration of this Contract or violates CITY'S laws, regulations or policies relating to lobbying, then CITY may immediately terminate this Contract.

5. Acts of Moral Turpitude
   a. CONTRACTOR shall immediately notify CITY if CONTRACTOR or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").
   
   b. If CONTRACTOR or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, CITY may immediately terminate this Contract.
   
   c. If CONTRACTOR or a Key Person is charged with or indicted for an Act of Moral Turpitude, CITY may terminate this Contract after providing CONTRACTOR an opportunity to present evidence of CONTRACTOR'S ability to perform under the terms of this Contract.
   
   d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly
abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.

e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of CONTRACTOR.

6. In the event CITY terminates this Contract as provided in this section, CITY may procure, upon such terms and in the manner as CITY may deem appropriate, services similar in scope and level of effort to those so terminated, and CONTRACTOR shall be liable to CITY for all of its costs and damages, including, but not limited to, any excess costs for such services.

7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that CONTRACTOR was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.

8. The rights and remedies of CITY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

C. In the event that this Contract is terminated, CONTRACTOR shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

PSC-10. Independent Contractor

CONTRACTOR is an independent contractor and not an agent or employee of CITY. CONTRACTOR shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of CITY.

PSC-11. Contractor’s Personnel

Unless otherwise approved by CITY, CONTRACTOR shall use its own employees to perform the services described in this Contract. CITY has the right to review and approve any personnel who are assigned to work under this Contract. CONTRACTOR shall remove personnel from performing work under this Contract if requested to do so by CITY.

CONTRACTOR shall not use Subcontractors to assist in performance of this Contract without the prior written approval of CITY. If CITY permits the use of Subcontractors,
CONTRACTOR shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. CITY has the right to approve CONTRACTOR'S Subcontractors, and CITY reserves the right to request replacement of any Subcontractor. CITY does not have any obligation to pay CONTRACTOR'S Subcontractors, and nothing herein creates any privity of contract between CITY and any Subcontractor.

PSC-12. Assignment and Delegation

CONTRACTOR may not, unless it has first obtained the written permission of CITY:

A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or

B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

PSC-13. Permits

CONTRACTOR and its directors, officers, partners, agents, employees, and Subcontractors, shall obtain and maintain all licenses, permits, certifications and other documents necessary for CONTRACTOR'S performance of this Contract. CONTRACTOR shall immediately notify CITY of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents that relate to CONTRACTOR'S performance of this Contract.

PSC-14. Claims for Labor and Materials

CONTRACTOR shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any CITY property (including reports, documents, and other tangible or intangible matter produced by CONTRACTOR hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

For the duration of this Contract, CONTRACTOR shall maintain valid Business Tax Registration Certificate(s) as required by CITY'S Business Tax Ordinance, Section 21.00 et seq. of the Los Angeles Municipal Code ("LAMC"), and shall not allow the Certificate to lapse or be revoked or suspended.

PSC-16. Retention of Records, Audit and Reports

CONTRACTOR shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form or as otherwise approved by CITY. These records shall be retained for a period of no less than three years from the later of the following: (1) final payment made by CITY, (2) the expiration
of this Contract or (3) termination of this Contract. The records will be subject to examination and audit by authorized CITY personnel or CITY'S representatives at any time. CONTRACTOR shall provide any reports requested by CITY regarding performance of this Contract. Any subcontract entered into by CONTRACTOR for work to be performed under this Contract must include an identical provision.

In lieu of retaining the records for the term as prescribed in this provision, CONTRACTOR may, upon CITY'S written approval, submit the required information to CITY in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract.

PSC-17. Bonds

All bonds required by CITY shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code (“LAAC”) Sections 11.47 et seq., as amended from to time.

PSC-18. Indemnification

Except for the gross negligence or willful misconduct of CITY, or any of its boards, officers, agents, employees, assigns and successors in interest, CONTRACTOR shall defend, indemnify and hold harmless CITY and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by CITY, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including CONTRACTOR'S employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of an act, error, or omission by CONTRACTOR, Subcontractors, or their boards, officers, agents, employees, assigns, and successors in interest. The rights and remedies of CITY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-19. Intellectual Property Indemnification

CONTRACTOR, at its own expense, shall defend, indemnify, and hold harmless the CITY, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by CITY, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by CONTRACTOR, or its Subcontractors, in performing the work under
this Contract; or (2) as a result of CITY'S actual or intended use of any Work Product (as defined in PSC-21) furnished by CONTRACTOR, or its Subcontractors, under this Contract. The rights and remedies of CITY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-20. Intellectual Property Warranty

CONTRACTOR represents and warrants that its performance of all obligations under this Contract does not infringe in any way, directly or contributorily, upon any third party's intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity and proprietary information.

PSC-21. Ownership and License

Unless otherwise provided for herein, all finished and unfinished works, tangible or not, created under this Contract including, without limitation, documents, materials, data, reports, manuals, specifications, artwork, drawings, sketches, blueprints, studies, memoranda, computation sheets, computer programs and databases, schematics, photographs, video and audiovisual recordings, sound recordings, marks, logos, graphic designs, notes, websites, domain names, inventions, processes, formulas, matters and combinations thereof, and all forms of intellectual property originated and prepared by CONTRACTOR or its Subcontractors under this Contract (each a "Work Product"; collectively "Work Products") shall be and remain the exclusive property of CITY for its use in any manner CITY deems appropriate. CONTRACTOR hereby assigns to CITY all goodwill, copyright, trademark, patent, trade secret and all other intellectual property rights worldwide in any Work Products originated and prepared under this Contract. CONTRACTOR further agrees to execute any documents necessary for CITY to perfect, memorialize, or record CITY'S ownership of rights provided herein.

CONTRACTOR agrees that a monetary remedy for breach of this Contract may be inadequate, impracticable, or difficult to prove and that a breach may cause CITY irreparable harm. CITY may therefore enforce this requirement by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude CITY from seeking or obtaining any other relief to which CITY may be entitled.

For all Work Products delivered to CITY that are not originated or prepared by CONTRACTOR or its Subcontractors under this Contract, CONTRACTOR shall secure a grant, at no cost to CITY, for a non-exclusive perpetual license to use such Work Products for any CITY purposes.

CONTRACTOR shall not provide or disclose any Work Product to any third party without prior written consent of CITY.

Any subcontract entered into by CONTRACTOR relating to this Contract shall include this provision to contractually bind its Subcontractors performing work under this Contract.
such that CITY’S ownership and license rights of all Work Products are preserved and protected as intended herein.

PSC-22. Data Protection

A. CONTRACTOR shall protect, using the most secure means and technology that is commercially available, CITY-provided data or consumer-provided data acquired in the course and scope of this Contract, including but not limited to customer lists and customer credit card or consumer data, (collectively, the “City Data”). CONTRACTOR shall notify CITY in writing as soon as reasonably feasible, and in any event within twenty-four hours, of CONTRACTOR’S discovery or reasonable belief of any unauthorized access of City Data (a “Data Breach”), or of any incident affecting, or potentially affecting City Data related to cyber security (a “Security Incident”), including, but not limited to, denial of service attack, and system outage, instability or degradation due to computer malware or virus. CONTRACTOR shall begin remediation immediately. CONTRACTOR shall provide daily updates, or more frequently if required by CITY, regarding findings and actions performed by CONTRACTOR until the Data Breach or Security Incident has been effectively resolved to CITY’S satisfaction. CONTRACTOR shall conduct an investigation of the Data Breach or Security Incident and shall share the report of the investigation with CITY. At CITY’S sole discretion, CITY and its authorized agents shall have the right to lead or participate in the investigation. CONTRACTOR shall cooperate fully with CITY, its agents and law enforcement.

B. If CITY is subject to liability for any Data Breach or Security Incident, then CONTRACTOR shall fully indemnify and hold harmless CITY and defend against any resulting actions.

PSC-23. Insurance

During the term of this Contract and without limiting CONTRACTOR’S obligation to indemnify, hold harmless and defend CITY, CONTRACTOR shall provide and maintain at its own expense a program of insurance having the coverages and limits not less than the required amounts and types as determined by the Office of the City Administrative Officer of Los Angeles, Risk Management (template Form General 146 in Exhibit 1 hereto). The insurance must: (1) conform to CITY’S requirements; (2) comply with the Insurance Contractual Requirements (Form General 133 in Exhibit 1 hereto); and (3) otherwise be in a form acceptable to the Office of the City Administrative Officer, Risk Management. CONTRACTOR shall comply with all Insurance Contractual Requirements shown on Exhibit 1 hereto. Exhibit 1 is hereby incorporated by reference and made a part of this Contract.
PSC-24. **Best Terms**

Throughout the term of this Contract, **CONTRACTOR**, shall offer **CITY** the best terms, prices, and discounts that are offered to any of **CONTRACTOR’S** customers for similar goods and services provided under this Contract.

PSC-25. **Warranty and Responsibility of Contractor**

**CONTRACTOR** warrants that the work performed hereunder shall be completed in a manner consistent with professional standards practiced among those firms within **CONTRACTOR’S** profession, doing the same or similar work under the same or similar circumstances.

PSC-26. **Mandatory Provisions Pertaining to Non-Discrimination in Employment**

Unless otherwise exempt, this Contract is subject to the applicable non-discrimination, equal benefits, equal employment practices, and affirmative action program provisions in LAAC Section 10.8 et seq., as amended from time to time.

A. **CONTRACTOR** shall comply with the applicable non-discrimination and affirmative action provisions of the laws of the United States of America, the State of California, and **CITY**. In performing this Contract, **CONTRACTOR** shall not discriminate in any of its hiring or employment practices against any employee or applicant for employment because of such person’s race, color, religion, national origin, ancestry, sex, sexual orientation, gender, gender identity, age, disability, domestic partner status, marital status or medical condition.

B. The requirements of Section 10.8.2.1 of the LAAC, the Equal Benefits Ordinance, and the provisions of Section 10.8.2.1(f) are incorporated and made a part of this Contract by reference.

C. The provisions of Section 10.8.3 of the LAAC are incorporated and made a part of this Contract by reference and will be known as the “Equal Employment Practices” provisions of this Contract.

D. The provisions of Section 10.8.4 of the LAAC are incorporated and made a part of this Contract by reference and will be known as the “Affirmative Action Program” provisions of this Contract.

Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

PSC-27. **Child Support Assignment Orders**

**CONTRACTOR** shall comply with the Child Support Assignment Orders Ordinance, Section 10.10 of the LAAC, as amended from time to time. Pursuant to Section 10.10(b) of the LAAC, **CONTRACTOR** shall fully comply with all applicable State and Federal

**STANDARD PROVISIONS FOR CITY CONTRACTS (Rev. 10/17) 10**
employment reporting requirements. Failure of CONTRACTOR to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment or Notices of Assignment, or the failure of any principal owner(s) of CONTRACTOR to comply with any Wage and Earnings Assignment or Notices of Assignment applicable to them personally, shall constitute a default by the CONTRACTOR under this Contract. Failure of CONTRACTOR or principal owner to cure the default within 90 days of the notice of default will subject this Contract to termination for breach. Any subcontract entered into by CONTRACTOR for work to be performed under this Contract must include an identical provision.

PSC-28. Living Wage Ordinance

CONTRACTOR shall comply with the Living Wage Ordinance, LAAC Section 10.37 et seq., as amended from time to time. CONTRACTOR further agrees that it shall comply with federal law proscribing retaliation for union organizing. Any subcontract entered into by CONTRACTOR for work to be performed under this Contract must include an identical provision.

PSC-29. Service Contractor Worker Retention Ordinance

CONTRACTOR shall comply with the Service Contractor Worker Retention Ordinance, LAAC Section 10.36 et seq., as amended from time to time. Any subcontract entered into by CONTRACTOR for work to be performed under this Contract must include an identical provision.

PSC-30. Americans with Disabilities Act

PSC-31. Contractor Responsibility Ordinance

PSC-32. Business Inclusion Program

CONTRACTOR shall perform subcontractor outreach activities through BAVN. CONTRACTOR shall not change any of its designated Subcontractors or pledged specific items of work to be performed by these Subcontractors, nor shall CONTRACTOR reduce their level of effort, without prior written approval of CITY.
PSC-33. **Slavery Disclosure Ordinance**

CONTRACTOR shall comply with the Slavery Disclosure Ordinance, LAAC Section 10.41 et seq., as amended from time to time. Any subcontract entered into by CONTRACTOR for work to be performed under this Contract must include an identical provision.

PSC-34. **First Source Hiring Ordinance**

CONTRACTOR shall comply with the First Source Hiring Ordinance, LAAC Section 10.44 et seq., as amended from time to time. Any subcontract entered into by CONTRACTOR for work to be performed under this Contract must include an identical provision.

Failure to comply entitles CITY to terminate this Contract and to pursue all available legal remedies. Charter Section 470(c)(12) and LAMC Section 49.7.35 limit the ability of the Restricted Persons to make campaign contributions to and engage in fundraising for certain elected CITY officials or candidates for elected CITY office for twelve months after this Contract is signed. Additionally, a CONTRACTOR subject to Charter Section 470(c)(12) is required to comply with disclosure requirements by submitting a completed and signed Ethics Commission Form 55 and to amend the information in that form as specified by law. Any CONTRACTOR subject to Charter Section 470(c)(12) shall include the following notice in any contract with any Subcontractor expected to receive at least $100,000 for performance under this Contract:

"Notice Regarding Restrictions on Campaign Contributions and Fundraising in City Elections

You are required to provide the names and contact information of your principals to the CONTRACTOR and to amend that information within ten business days if it changes during the twelve month time period. Failure to comply may result in termination of this Contract and any other available legal remedies. Any subcontract entered into by CONTRACTOR for work to be performed under this Contract must include an identical provision.

PSC-39. Limitation of City's Obligation to Make Payment to Contractor

Notwithstanding any other provision of this Contract, including any exhibits or attachments incorporated therein, and in order for CITY to comply with its governing legal requirements, CITY shall have no obligation to make any payments to CONTRACTOR unless CITY shall have first made an appropriation of funds equal to or in excess of its obligation to make any payments as provided in this Contract. CONTRACTOR agrees that any services provided by CONTRACTOR, purchases made by CONTRACTOR or expenses incurred by CONTRACTOR in excess of the appropriation(s) shall be free and without charge to CITY and CITY shall have no obligation to pay for the services, purchases or expenses. CONTRACTOR shall have no obligation to provide any services, provide any equipment or incur any expenses in excess of the appropriated amount(s) until CITY appropriates additional funds for this Contract.

PSC-40. Compliance with Identity Theft Laws and Payment Card Data Security Standards

CONTRACTOR shall comply with all identity theft laws including without limitation, laws related to: (1) payment devices; (2) credit and debit card fraud; and (3) the Fair and Accurate Credit Transactions Act ("FACTA"), including its requirement relating to the content of transaction receipts provided to Customers. CONTRACTOR also shall comply with all requirements related to maintaining compliance with Payment Card Industry Data Security Standards ("PCI DSS"). During the performance of any service to install, program or update payment devices equipped to conduct credit or debit card transactions, including PCI DSS services, CONTRACTOR shall verify proper truncation of receipts in compliance with FACTA.
PSC-41. Compliance with California Public Resources Code Section 5164

California Public Resources Code Section 5164 prohibits a public agency from hiring a person for employment or as a volunteer to perform services at any park, playground, or community center used for recreational purposes in a position that has supervisory or disciplinary authority over any minor, if the person has been convicted of certain crimes as referenced in the Penal Code, and articulated in California Public Resources Code Section 5164(a)(2).

If applicable, CONTRACTOR shall comply with California Public Resources Code Section 5164, and shall additionally adhere to all rules and regulations that have been adopted or that may be adopted by CITY. CONTRACTOR is required to have all employees, volunteers and Subcontractors (including all employees and volunteers of any Subcontractor) of CONTRACTOR working on premises to pass a fingerprint and background check through the California Department of Justice at CONTRACTOR’S sole expense, indicating that such individuals have never been convicted of certain crimes as referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2), if the individual will have supervisory or disciplinary authority over any minor.

PSC-42. Possessor Interests Tax

Rights granted to CONTRACTOR by CITY may create a possessory interest. CONTRACTOR agrees that any possessory interest created may be subject to California Revenue and Taxation Code Section 107.6 and a property tax may be levied on that possessory interest. If applicable, CONTRACTOR shall pay the property tax. CONTRACTOR acknowledges that the notice required under California Revenue and Taxation Code Section 107.6 has been provided.

PSC-43. Confidentiality

All documents, information and materials provided to CONTRACTOR by CITY or developed by CONTRACTOR pursuant to this Contract (collectively “Confidential Information”) are confidential. CONTRACTOR shall not provide or disclose any Confidential Information or their contents or any information therein, either orally or in writing, to any person or entity, except as authorized by CITY or as required by law. CONTRACTOR shall immediately notify CITY of any attempt by a third party to obtain access to any Confidential Information. This provision will survive expiration or termination of this Contract.
EXHIBIT 1

INSTRUCTIONS AND INFORMATION
ON COMPLYING WITH CITY INSURANCE REQUIREMENTS

(Share this information with your insurance agent or broker)

1. Agreement/Reference All evidence of insurance should identify the nature of your business with the CITY. Clearly show any assigned number of a bid, contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your submission will be properly credited. Provide the types of coverage and minimum dollar amounts specified on the Required Insurance and Minimum Limits sheet (Form Gen. 146) as determined in writing by the CAO-RM.

2. When to submit Normally, no work may begin until a CITY insurance certificate approval number ("CA number") has been obtained, so insurance documents should be submitted as early as practicable. For As-needed Contracts, insurance need not be submitted until a specific job has been awarded. Design Professionals coverage for new construction work may be submitted simultaneously with final plans and drawings, but before construction commences.

Submitting your documents. Track4LA® is the CITY’S online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used by insurance brokers and agents as they submit client insurance certificates directly to the CITY. It uses the standard insurance industry form known as the ACORD 25 Certificate of Liability Insurance in electronic format. Track4LA® advantages include standardized, universally accepted forms, paperless approval transactions (24 hours, 7 days per week), and security checks and balances. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access Track4LA® at http://track4la.lacity.org and follow the instructions to register and submit the appropriate proof of insurance on your behalf.

Insurance industry certificates other than the ACORD 25 may be accepted, however substitutions other than through Track4LA® will significantly delay the insurance approval process as documents will have to be manually processed. CONTRACTOR must provide CITY a thirty day notice of cancellation (ten days for non-payment of premium) AND an Additional Insured Endorsement naming the CITY an additional insured completed by your insurance company or its designee. If the policy includes an automatic or blanket additional insured endorsement, the Certificate must state the CITY is an automatic or blanket additional insured. An endorsement naming the CITY as an Additional Named Insured and Loss Payee as its Interests May Appear is required on property policies. All evidence of insurance must be authorized by a person with authority to bind coverage, whether that is the authorized agent/broker or insurance underwriter. Completed Insurance Industry Certificates other than ACORD 25 Certificates are sent electronically to CAO.insurance.bonds@lacity.org.

Additional Insured Endorsements DO NOT apply to the following:

- Indication of compliance with statute, such as Workers’ Compensation Law.
- Professional Liability insurance.

Verification of approved insurance and bonds may be obtained by checking Track4LA®, the CITY’S online insurance compliance system, at http://track4la.lacity.org.

4. Renewal When an existing policy is renewed, have your insurance broker or agent submit a new Acord 25 Certificate or edit the existing Acord 25 Certificate through Track4LA® at http://track4la.lacity.org.

5. Alternative Programs/Self-Insurance Risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and self-insurance programs are subject to separate approval after the CITY has reviewed the relevant audited financial statements. To initiate a review of your program, you should complete the Applicant’s Declaration of Self Insurance form (http://cao.lacity.org/risk/InsuranceForms.htm) to the CAO-RM for consideration.
6. **General Liability** insurance covering your operations (and products, where applicable) is required whenever the CITY is at risk of third-party claims which may arise out of your work or your presence or special event on CITY premises. **Sexual Misconduct** coverage is a required coverage when the work performed involves minors. **Fire Legal Liability** is required for persons occupying a portion of CITY premises. Information on two CITY insurance programs, the SPARTA program, an optional source of low-cost insurance which meets the most minimum requirements, and the Special Events Liability Insurance Program, which provides liability coverage for short-term special events on CITY premises or streets, is available at (www.2sparta.com), or by calling (800) 420-0555.

7. **Automobile Liability** insurance is required only when vehicles are used in performing the work of your Contract or when they are driven off-road on CITY premises; it is not required for simple commuting unless CITY is paying mileage. However, compliance with California law requiring auto liability insurance is a contractual requirement.

8. **Errors and Omissions** coverage will be specified on a project-by-project basis if you are working as a licensed or other professional. The length of the claims discovery period required will vary with the circumstances of the individual job.

9. **Workers’ Compensation and Employer’s Liability** insurance are not required for single-person contractors. However, under state law these coverages (or a copy of the state’s Consent To Self Insure) must be provided if you have any employees at any time during the period of this contract. Contractors with no employees must complete a Request for Waiver of Workers’ Compensation Insurance Requirement (http://cao.lacity.org/risk/InsuranceForms.htm). A **Waiver of Subrogation** on the coverage is required only for jobs where your employees are working on CITY premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals, toxic materials, power tools, etc. The Waiver of Subrogation waives the insurer’s right to recover (from the CITY) any workers’ compensation paid to an injured employee of the contractor.

10. **Property** insurance is required for persons having exclusive use of premises or equipment owned or controlled by the CITY. **Builder’s Risk/Course of Construction** is required during construction projects and should include building materials in transit and stored at the project site.

11. **Surety** coverage may be required to guarantee performance of work and payment to vendors and suppliers. A **Crime Policy** may be required to handle CITY funds or securities, and under certain other conditions. **Specialty coverages** may be needed for certain operations. For assistance in obtaining the CITY required bid, performance and payment surety bonds, please see the City of Los Angeles Bond Assistance Program website address at http://cao.lacity.org/risk/BondAssistanceProgram.pdf or call (213) 258-3000 for more information.

12. **Cyber Liability & Privacy** coverage may be required to cover technology services or products for both liability and property losses that may result when a CITY contractor engages in various electronic activities, such as selling on the Internet or collecting data within its internal electronic network. **CONTRACTOR’S** policies shall cover liability for a data breach in which the CITY employees’ and/or CITY customers’ confidential or personal information, such as but not limited to, Social Security or credit card information are exposed or stolen by a hacker or other criminal who has gained access to the CITY’S or CONTRACTOR’S electronic network. The policies shall cover a variety of expenses associated with data breaches, including: notification costs, credit monitoring, costs to defend claims by state regulators, fines and penalties, and loss resulting from identity theft. The policies are required to cover liability arising from website media content, as well as property exposures from: (a) business interruption, (b) data loss/destruction, (c) computer fraud, (d) funds transfer loss, and (e) cyber extortion.
