RECOMMENDATIONS

1. Find that the Department of Recreation and Parks (RAP) desires to secure a contract for the purchase and installation of playground and outdoor fitness/exercise equipment and related products and services, in order to enhance the recreational experience of the public;

2. Find that Greenfields Outdoor Fitness, Inc. (Greenfields) (CONTRACTOR) is experienced in providing playground and outdoor fitness/exercise equipment and related products and services, and is willing to perform such services;

3. Find that Greenfields can provide such services economically and expediently to RAP and it is in RAP's best interest to secure these services with Greenfields;

4. Find, pursuant to Charter Section 371(e)(2), that the professional, scientific, expert, technical or other special services to be provided by Greenfields are of a temporary and occasional character for which competitive bidding is not practicable or advantageous;

5. Find, pursuant to Charter Section 371(e)(8), that the City may, in lieu of undertaking its own competitive bidding or proposal process, utilize (piggyback) the Unites States General Services Administration (GSA) Contract No. GS03F086GA (Appendix A & B) between GSA and Greenfields;
6. Find, pursuant to Charter Section 371(e)(10), that the services to be provided by Greenfields, are for the performance of professional, scientific, expert or technical services and the use of competitive bidding would be undesirable, impractical or impossible or is otherwise excused by common law;

7. Find, in accordance with Charter Section 1022, that RAP does not have available in its employ personnel with the necessary expertise to undertake and accomplish the aforementioned specialized supplies and professional services in a timely manner and that it is more feasible to secure these services by contract;

8. Find that the letter attached hereto dated April 19, 2018 (Appendix C) from Greenfields, which authorizes RAP to utilize Contract No. GS03F086GA between Greenfields and GSA which was for customized military line of products and also includes Open Market Items, allowing purchasers to acquire all items or services from Greenfields’ offering;

9. Authorize RAP to enter into the proposed Contract (Attachment 2), substantially in the form on file in the Board Office, subject to the review and approval of the Mayor in accordance with Executive Direct No. 3 (Villaraigosa Series), and the City Attorney as to form, between RAP and Greenfields, for the purchase and installation of playground and outdoor fitness/exercise equipment and related products and services, on an occasional and as needed basis, not-to-exceed Seven Million Dollars ($7,000,000.00) per year; the initial term of the proposed Contract being from the date of execution through the prorated remainder of the Contract No. GS03F086GA between Greenfields, and GSA, set to expire August 20, 2022;

10. Direct the Board of Recreation and Park Commissioners (Board) Secretary to transmit the Contract to the Mayor in accordance with Executive Directive No. 3 (Villaraigosa Series), and to transmit the proposed Contract to the City Council for approval, and to the City Attorney for approval as to form;

11. Authorize RAP’s General Manager or his designee to make technical corrections to the proposed Contract as necessary;

12. Authorize the Board President and Secretary to execute the proposed Contract upon receipt of the necessary approvals.

SUMMARY

The Department of Recreation and Parks (RAP) has an ongoing need for the purchase and installation of playground and outdoor fitness/exercise equipment and related products and services on an occasional and as-needed basis. The ability to purchase and install such material and equipment is critical to meeting RAP’s needs to build new and retrofit and repair existing park fitness and exercise equipment.

Staff is recommending that the Board authorize RAP to piggyback on GSA’s competitively bid contract (GSA Contract) with Greenfields (Appendix A) and Contract Summary Document
(Appendix B). The GSA contract, was competitively bid wherein all purchasing parties are guaranteed the greatest discounted off-catalog pricing of products and services. Use of this contract is consistent with RAP’s contract terms for achieving the lowest pricing available. A new competitive process facilitated by RAP would therefore not be practicable or advantageous. Further, under the City Charter, contracts for cooperative arrangement with other governmental agencies for the utilization of the purchasing contracts and professional, scientific, expert or technical services contracts of those agencies and any implementing agreements, even though the contracts and implementing agreements were not entered into through a competitive bid or proposal process are an exception to the City’s competitive bidding requirements.

Greenfields, has issued a letter to RAP (Appendix C) which authorizes use of GSA Contract. RAP will enter into and issue a separate contract with Greenfields (Attachment 2), which will incorporate the terms of the GSA Contract (Appendix A) and the Standard Provisions for City Contracts (Rev 10/17)[v.3] (Attachment 1). Greenfields current contract with GSA will expire on August 20, 2022.

The proposed contract with Greenfields Outdoor Fitness, Inc. provides RAP with a variety of design options for playground and outdoor fitness/exercise equipment and related products and services as shown on Greenfield’s Sourcebook (Appendix D) and Warranty Information (Appendix E). These design options can be customized for all types of users, from young children to older adults, teens and patrons/users with universal accessibility needs. The contract allows RAP the ability to select a wide variety of standard, manufactured recreation and outdoor fitness and exercise equipment.

The proposed contract is recommended in an amount not-to-exceed an annual expenditure of Seven Million Dollars ($7,000,000.00) per year for the purchase and installation of playground and outdoor fitness/exercise equipment, and related products and services on an as-needed basis. The contract amount is an estimate, and RAP does not guarantee that the contract maximum amount will be reached. RAP, in entering into the contract, guarantees no minimum amount of business or compensation. The contract awarded through this Report shall be subject to funding availability and early termination by RAP, as provided in the Standard Provisions for City Contracts (Rev 10/17)[v.3]. Funding for projects will be provided from various funding sources.

**TREES AND SHADE**

No projects are currently associated with this proposed contract. As such there is no direct impact on trees or shade.

**ENVIRONMENTAL IMPACT STATEMENT**

No projects are currently associated with this proposed contract. As such there is no direct environmental impact statement required.
FISCAL IMPACT STATEMENT

Executing this proposed contract will enable RAP to carry out various construction and maintenance projects on an occasional as-needed basis, and has no impact to RAP’s General Fund as funding will be identified on a per project basis.

This Report was prepared by Gino Ogtong, Management Analyst and reviewed by Robert Feld, Senior Management Analyst I and Matthew Rudnick, Chief Management Analyst, Finance Division.

Robert Feld
Sr. MA I, Recreation and Parks

Re: Greenfields GSA Contract Number GS03F086GA

Dear Robert,

Let this letter serve as our approval of the City of Los Angeles Recreation & Parks Department to piggyback on our GSA Contract Number GS03F086GA.

The above GSA Contract was awarded predominantly for our customized military line of products; however, it also includes Open Market items, allowing purchasers to acquire all items or services from Greenfields’ offering should they need to. It was specifically requested by the GSA contract administrator during the negotiations, and we did agree to it.

This contract allows for installation to be included as well.

Please feel free to contact me directly with any inquiries concerning this issue.

Sincerely,

Sam Mendelsohn

ULTIMATE OUTDOOR FITNESS SOURCEBOOK
We all fondly remember spending time outdoors in our youth, enjoying active play in the fresh air. In adulthood, our lives are marked by hectic schedules, sedentary lifestyles, and digital media overload, standing in drastic contrast to those idyllic moments. In an age in which ever-present distractions and packed calendars make the healthy lifestyle ever more elusive, Greenfields Outdoor Fitness offers the ideal solution. By making free fitness opportunities available in public spaces, Greenfields Outdoor Fitness is helping communities across North America and beyond put health and wellness within the reach of their members.

Greenfields’ equipment is particularly appealing for its social and multigenerational aspect. No longer is the gym-quality workout limited to those who fit a stereotype – with Greenfields, all generations of family members and friends can exercise together in an unintimidating setting on units suited to their individual needs and abilities. For this reason, we believe that Greenfields Outdoor Fitness truly offers the number one amenity for the community.

In 2012, Greenfields took the lead in providing equipment that is specifically designed for users in wheelchairs, further broadening the appeal of the outdoor gym and taking a huge stride toward inclusion in public settings. Since then, Greenfields’ Signature Accessible™ line has enjoyed increasing popularity throughout the United States and beyond, and has earned the endorsement of U.S. Paralympic medalist Jen French.

Greenfields prides itself on its customized solutions – each project is addressed individually, and product selections are carefully made to best serve the target demographic. Rugged and durable, the exercise units have stood the test of time in both inner-city environments and harsh climates.

The following pages showcase exciting Greenfields’ gyms in parks, schools, trails, hospitals, military bases, and more. Thanks to Greenfields’ fitness equipment, communities are becoming happier and healthier places to live.

We invite you to join us as we pursue our mission of “Promoting Wellness & Fighting Obesity One Community at a Time.”
Only Greenfields brings such a diverse and functional line of equipment to serve virtually every user! The Ultimate Outdoor Fitness Experience, installed at Simms Park in Bellflower, CA, includes units from Greenfields’ Professional Series, Core Line, and Signature Accessible™ line, and even the Cross Fitness Rig! Beyond providing an appealing place for park users to exercise, the Simms Park Fitness Center & Trail has helped clean up an area formerly known for breeding negative activity.
SIMMS PARK
BELLFLOWER, CA

Now better than ever! Greenfields’ cutting-edge Professional Series line, recently upgraded with a wider-range piston, delivers a challenge even to advanced users! The 15 adjustable units – nearly all of which are installed at Simms Park – provide intense strengthening and cardio workouts.

LEMON PARK
FULLERTON, CA

Give parents an excellent way to fit in a workout, all while keeping an eye on the kids. Greenfields' Professional Series uses bi-directional pistons, eliminating the risk of recoil should young park users try out the equipment. It's the perfect accompaniment to playgrounds, and a vital amenity for families visiting their neighborhood parks.
MISSISSIPPI STATE UNIVERSITY
STARKVILLE, MS

Mississippi State University installed Greenfields’ fitness equipment on a trail encircling a lake near the edge of campus. Student athletes can use the pull-up, dip, and sit-up stations on the Cross Fitness Rig, while those looking for a milder workout have the Rowing Machine, Lat Pull-Down, and Vertical Press available to them. A view of the lake makes it the prettiest spot on campus to exercise!
Teens love to socialize, so what better way to make exercise more enjoyable than to work out on fun, multi-user units outside! Outdoor fitness equipment is ideal for P.E. classes, being more inviting to students who feel intimidated by traditional sports. The gyms can also be used by the community after hours via joint-use agreements with cities or park districts.

Built to last: Greenfields’ equipment is designed to withstand sun, rain, and snow. From Alaska to Miami, our exercise units have stood the test of time in both harsh climates and rugged inner-city environments.
NORMAN P. MURRAY SENIOR CENTER
MISSION VIEJO, CA
Create a space where those of nearly every age can work out together. Seniors love Greenfields not just because of its low-impact activities, but also because it provides excellent opportunities to enjoy quality time with younger family members.
PARKS

Multigenerational, social, and accessible, Greenfields equipment is the perfect enhancement for parks of all sizes. With Greenfields you can provide workout opportunities for parents while children attend sports practices ... give athletes a ready-made warmup venue ... and invite underserved demographics into green spaces.

TRAILS

No longer limited to simply cardio, trails can now give users a full-body workout. Install equipment in clusters for high visibility and frequent usage.
Accessible, low-impact, and free to use, outdoor gyms are the ideal way to keep adults active well into their golden years. But Greenfields’ gyms aren’t limited to seniors – their multigenerational appeal means that grandparents can stay fit while spending time with friends and family of ALL ages.

Enhance any waterfront with an outdoor gym! Greenfields’ equipment is an excellent addition to a lakeside trail or recreational area, providing activities that family members and friends can participate in together.

The epitome of convenience! Outdoor gyms along busy urban thoroughfares provide an incredibly easy workout option for commuters driving home.
SPECIAL OPPORTUNITY!
Applications are now being accepted for the

Make exercise something students enjoy! Less intimidating than competition sports, outdoor gyms provide a way for students to enhance their physical fitness in a fun, social environment. And by designating gyms as joint-use areas, the rest of the community can enjoy the fitness equipment outside of school hours.
The physical and psychological benefits of outdoor exercise are especially helpful to those facing long-term hospital stays. Greenfields’ wheelchair accessible units are particularly well-suited to this application. Trails and clusters on hospital grounds can serve patients, families, visitors, and staff members.

Promote integration
Available to the able-bodied
Endorsed by U.S. Paralympian Jennifer French
As thousands of communities across North America have discovered, outdoor fitness equipment is a unique, fun, and cost-effective solution for a population that increasingly struggles with obesity and related health issues. But too many of these fresh-air gyms neglect a key population: individuals with mobility impairments, who due to their disabilities are more prone to sedentary lifestyles.

To address this need, Greenfields has created a special line specifically for users in wheelchairs. Unique in their functionality and appeal, the Signature Accessible™ line (U.S. Patent 9,079,069) units allow users to exercise without having to transfer out of their wheelchairs. By incorporating these units into the outdoor gym, the benefits of fitness can be extended to a greater percentage of the population. In addition, the social aspect of Greenfields’ fitness zones promotes integration and inclusion of individuals with mobility impairments into the greater community.

As illustrated in this catalog, many units in this line can be used by the able-bodied not only on the side with the seat, but on the accessible side as well. Like Greenfields’ Core Line, the Signature Accessible™ line is durable, social, and most importantly, free for the community!

Greenfields is proud to have U.S. Paralympic medalist Jennifer French as spokesperson for the Signature Accessible™ line.

French recalls the difficulties encountered when she first began using a wheelchair and wanted to exercise; the closest fitness facility that would accommodate her needs was located at a hospital an hour away.

“Fitness is just as important for people with disabilities, if not more important,” says French. “In the U.S., there is a higher incidence of obesity among people with disabilities than the general population. But access to equipment and facilities is much more limited.”

“Having exercise equipment available to use alongside the rest of the community truly integrates people with disabilities into the world of fitness and makes it much more fun!”

CORE LINE LOWER BODY

• Limited 10-year warranty on main post and metal structure
• Limited 5-year warranty on moving parts and bearings
• Limited 5-year warranty on seats and backrests
• Limited 3-year warranty on hydraulic pistons
• Limited 2-year warranty on footrests, armrests, and rubber parts
All warranties cover failure due to natural deterioration or manufacturing defects and do not include any cosmetic issues or wear and tear from normal use. This warranty does not cover cosmetic items such as scratches, dents, marring, fading, discoloring, weathering, wear and tear, or normal level of rusting.

Warranty is valid only if the equipment is installed and maintained in conformity with Greenfields’ installation and maintenance procedures furnished by Greenfields Outdoor Fitness. Equipment should not be exposed to any irritation, especially with reclaimed water, as this will void the warranty.

OTHER PRODUCT INFORMATION
Greenfields will continue to develop its line of products and therefore reserves the right to change the design specifications without notice. The equipment is designed for use by individuals weighing up to 300 pounds.

The equipment is NOT intended to be used by individuals younger than 14 years of age unless supervised by adults.

Greenfields’ units are intended to accommodate the majority of users age 14 and above; however, due to the nature of outdoor fitness equipment, units are regarded as “one size fits most, but not all”.

CUSTOMER SUPPORT
Upon written notification (email or fax) to Greenfields of a product’s failure to conform to any of the aforementioned warranties during the applicable warranty period, Greenfields shall correct such failure/non-conformity by repairing the defective part(s) or providing replacement part(s) within 60 calendar days of receipt of the notification. Greenfields shall ship the required replacement part(s) to the site free of charge, but will not be responsible for providing labor or the cost of labor for removing defective part(s) or installing replacement part(s). Greenfields will warranty the replacement part(s) for the remainder of the original warranty period.

Furthermore, no representation, oral or written, of any individual may be substituted for this exclusive limited warranty. To the extent permitted by law, Greenfields shall not be liable for any direct, indirect, special incidental or consequential damages, which are expressly excluded from the sale of its product.

To make claims under the terms of this warranty, please contact Greenfields’ Customer Support Center at CSC@GreenfieldsFitness.com. Please include photos or video.

INSTALLATION
Greenfields’ equipment is constructed from heavy steel pipes and is subject to heavy forces and torques when in use as intended. Extra care must be taken to ensure that the equipment is securely installed so that it can be safely enjoyed for years to come.

There are two methods of installation for the equipment:
- Surface mount installation with posts bolted to a reinforced concrete slab a minimum of 6”-8” thick (please refer to Installation Instructions & Video for detailed guidelines)
- Permanent in-ground installation in which the equipment post extensions are placed in concrete footings and use provided rebar pegs (please refer to Installation Instructions & Video)

Installers and project managers are encouraged to contact Greenfields’ Customer Support Center with any questions before and/or after installation. Detailed installations instructions are available for all products and are included in the Operations & Maintenance (O&M) Owner’s Manuals which are shipped with every order.

Often the installation of Greenfields products is assigned to the lowest bidder contractor. The contractor may not have been in contact with Greenfields prior to the project or seen the detailed Installation Instructions. It is the responsibility of the project manager to ensure said contractor is provided with the most updated set of Greenfields’ Installation Instructions & Installation Video to ensure the validity of the warranty.

Should the project installer need a copy of the Installation Instructions, please contact Greenfields’ Customer Support Center at 888-315-9037 or by email at CSC@GreenfieldsFitness.com.

SAFETY STANDARDS
This adult outdoor fitness equipment is not intended for use by unsupervised individuals younger than 14 years of age. ASTM recently adopted ASTM F3101−15 Standard Specification for Unsupervised Public Use Outdoor Fitness Equipment. While playgrounds are subject to laws in various states requiring compliance with ASTM and/or Consumer Product Safety Commission (CPSC) guidelines, at present there are no state laws requiring compliance with standards set forth by ASTM for outdoor fitness equipment (nor with CPSC guidelines, as none currently exist). Play equipment can be certified to be in compliance with ASTM by the International Playground Equipment Manufacturers Association (IPEMA), and many agencies have a requirement that they only purchase equipment that is IPEMA certified. However, at this time, this is not possible with outdoor fitness equipment, as IPEMA does not currently certify compliance of outdoor fitness equipment. In addition, at this time there are no programs in place to train certified inspectors for outdoor fitness equipment.

Without a state law that requires compliance, specifications are voluntary only.

However, Greenfields Outdoor Fitness strives to comply with all of the voluntary specifications of ASTM F3101−15.

Greenfields recommends adding a customized sign to each project to limit liability.

SURFACING MATERIALS
Over the years, Greenfields’ product has been installed using the following types of surfacing: decomposed granite (aka DG or crushed granite), concrete, bonded rubber or poured-in-place surfacing, rubber tiles, asphalt, paver stones, and synthetic grass. Mulch, woodchips, beach sand, and sod have also been used but are not recommended for wheelchair access.

The type of surfacing used is ultimately the choice of the owner and their project manager.

MAINTENANCE & EQUIPMENT UPEEK
Greenfields Outdoor Fitness equipment is intended to be used by the unsupervised public in a variety of outdoor settings. Greenfields is extremely proud of the safe and durable design of its products, which are built to surpass their warranty under normal usage. Installations throughout the hemisphere prove this equipment’s success in both hot and cold climates, as well as dry and humid conditions. While the units were designed to require, for the most part, little to no maintenance, Greenfields recognizes that heavy and constant usage will require a minimal level of maintenance which will be scheduled based on the specific nature of each project.

Installation on an ocean front, or with a direct line of sight to the ocean, will expose the units to salt and will require additional maintenance which is not required inland or in dry climates. Such installations will require a regular fresh water rinse to remove the salt from the units (do not use reclaimed water - exposing the equipment to reclaimed water will void warranty).

Greenfields recommends periodic inspection by a maintenance team to ensure each and every apparatus functions as intended. Please refer to Periodic Inspection Checklist provided with the O&M Owner’s Manuals.

The equipment is designed for use by individuals weighing up to 300 pounds.

The equipment is NOT intended to be used by individuals younger than 14 years of age unless supervised by adults.

Greenfields’ units are designed to accommodate the majority of users age 14 and above; however, due to the nature of outdoor fitness equipment, units are regarded as “one size fits most, but not all”.

**CUSTOMER SUPPORT**

Upon written notification (email or fax) to Greenfields of a product’s failure to conform to any of the aforementioned warranties during the applicable warranty period, Greenfields shall correct such failure/non-conformity by repairing the defective part(s) or providing replacement part(s) within 60 calendar days of receipt of the notification. Greenfields shall ship the required replacement part(s) to the site free of charge, but will not be responsible for providing labor or the cost of labor for removing defective part(s) or installing replacement part(s). Greenfields will warrant the replacement part(s) for the remainder of the original warranty period.

Furthermore, no representation, oral or written, of any individual may be substituted for this exclusive limited warranty. To the extent permitted by law, Greenfields shall not be liable for any direct, indirect, special incidental or consequential damages, which are expressly excluded from the sale of its product.

To make claims under the terms of this warranty, please contact Greenfields’ Customer Support Center at CSC@GreenfieldsFitness.com. Please include photos or video.

**INSTALLATION**

Greenfields’ equipment is constructed from heavy steel pipes and is subject to heavy forces and torques when in use as intended. Extra care must be taken to ensure that the equipment is securely installed so that it can be safely enjoyed for years to come.

There are two methods of installation for the equipment:

- Surface mount installation with posts bolted to a reinforced concrete slab a minimum of 6”-8” thick (please refer to Installation Instructions & Video for detailed guidelines)
- Permanent in-ground installation in which the equipment post extensions are placed in concrete footings and use provided rebar pegs (please refer to Installation Instructions & Video)

Installers and project managers are encouraged to contact Greenfields’ Customer Support Center with any questions before and/or after installation. Detailed installations instructions are available for all products and are included in the Operations & Maintenance (O&M) Owner’s Manuals which are shipped with every order.

Often the installation of Greenfields products is assigned to the lowest bidder contractor. The contractor may not have been in contact with Greenfields prior to the project or seen the detailed Installation Instructions. It is the responsibility of the project manager to ensure said contractor is provided with the most updated set of Greenfields’ Installation Instructions & Installation Video to ensure the validity of the warranty. Should the project installer need a copy of the Installation Instructions, please contact Greenfields’ Customer Support Center at 888-315-9037 or by email at CSC@GreenfieldsFitness.com.

**SAFETY STANDARDS**

This adult outdoor fitness equipment is not intended for use by unsupervised individuals younger than 14 years of age.

While playgrounds are subject to laws in various states requiring compliance with ASTM and/or Consumer Product Safety Commission (CPSC) guidelines, at present there are no state laws requiring compliance with standards set forth by ASTM for outdoor fitness equipment (nor with CPSC guidelines, as none currently exist.) Play equipment can be certified to be in compliance with ASTM by the International Playground Equipment Manufacturers Association (IPEMA), and many agencies have a requirement that they only purchase equipment that is IPEMA certified. However, at this time, this is not possible with outdoor fitness equipment, as IPEMA does not currently certify compliance of outdoor fitness equipment. In addition, at this time there are no programs in place to train certified inspectors for outdoor fitness equipment.

Without a state law that requires compliance, specifications are voluntary only.

However, Greenfields Outdoor Fitness strives to comply with all of the voluntary specifications of ASTM F3101-15.

Greenfields recommends adding a customized sign to each project to limit liability.

**SURFACING MATERIALS**

Over the years, Greenfields’ product has been installed using the following types of surfacing: decomposed granite (aka DG or crushed granite), concrete, bonded rubber or poured-in-place surfacing, rubber tiles, asphalt, paver stones, and synthetic grass. Mulch, woodchips, beach sand, and sod have also been used but are not recommended for wheelchair access.

The type of surfacing used is ultimately the choice of the owner and their project manager.

**MAINTENANCE & EQUIPMENT UPKEEP**

Greenfields Outdoor Fitness equipment is intended to be used by the unsupervised public in a variety of outdoor settings. Greenfields is extremely proud of the safe and durable design of its products, which are built to surpass their warranty under normal usage. Installations throughout the hemisphere prove this equipment’s success in both hot and cold climates, as well as dry and humid conditions. While the units are designed to require, for the most part, little to no maintenance, Greenfields recognizes that heavy and constant usage will require a minimal level of maintenance which will be scheduled based on the specific nature of each project.

Installation on an ocean front, or with a direct line of sight to the ocean, will expose the units to salt and will require additional maintenance which is not required inland or in dry climates. Such installations will require a regular fresh water rinse to remove the salt from the units (do not use reclaimed water - exposing the equipment to reclaimed water will void warranty).

Greenfields recommends periodic inspection by a maintenance team to ensure each and every apparatus functions as intended. Please refer to Periodic Inspection Checklist provided with the O&M Owner’s Manuals.
AGREEMENT BETWEEN  
THE CITY OF LOS ANGELES  
DEPARTMENT OF RECREATION AND PARKS  
AND  
GREENFIELDS OUTDOOR FITNESS, INC.  
FOR AS-NEEDED PURCHASE AND INSTALLATION OF PLAYGROUND & OUTDOOR  
FITNESS/EXERCISE EQUIPMENT AND RELATED PRODUCTS AND SERVICES

This Agreement (“Agreement” or “Contract”) is entered into this _____ day of ______________, 20___, by and between the City of Los Angeles, (herein referred to as “CITY”) a municipal corporation, Department of Recreation and Parks (hereinafter referred to as “RAP”), acting by and through its Board of Recreation and Park Commissioners (hereinafter referred to as “BOARD”), and Greenfields Outdoor Fitness, Inc. (Greenfields)(hereinafter referred to as “CONTRACTOR”). CITY and CONTRACTOR shall be referred to hereinafter as the “Parties”.

WHEREAS, the CONTRACTOR has been awarded a competitively bid contract through a Request for Proposal by the United States General Services Administration (GSA) to provide customized military line of products, which also includes Open Market Items allowing purchasers to acquire all items or services from Greenfields’ product line offering of playground and outdoor fitness/exercise equipment and related products and services on an as-needed, non-exclusive basis pursuant to GSA Contract No. GS03F086GA (hereinafter referred to as “GSA CONTRACT”) awarded on August 21, 2017 (attached hereto and incorporated herein by reference as Appendix A) and Contract Summary Document between GSA and CONTRACTOR (“GSA Contract Summary Document” attached hereto and incorporated herein as Appendix B); and

WHEREAS, the BOARD has determined, pursuant to Charter Section 371(e)(2), that the professional, scientific, expert, technical or other special services to be provided by CONTRACTOR are of a temporary and occasional character for which competitive bidding is not practicable or advantageous; and

WHEREAS, the BOARD has determined, pursuant to Charter Section 371(e)(8), that the CITY may utilize the GSA CONTRACT with CONTRACTOR, because contracts for cooperative arrangements with other governmental agencies for the utilization of the purchasing contracts and professional, scientific, expert or technical services contracts of those agencies and any implementing agreements, are an exception to the City’s competitive bidding requirements; and

WHEREAS, the BOARD has determined, pursuant to Charter Section 371(e)(10), that the services to be provided by CONTRACTOR are for the performance of professional, scientific, expert or technical services and the use of competitive bidding would be undesirable, impractical or impossible or is otherwise excused by common law; and

WHEREAS, RAP desires to secure the technical, expert and professional services of a qualified contractor on an occasional and as-needed basis in order to enhance the recreational experience of the public; and
WHEREAS, pursuant to Charter Section 1022 RAP does not have available in its employ personnel with the necessary expertise to undertake the specialized professional tasks sought and the work can be performed more economically or feasibly by and independent contractor; and

WHEREAS, CONTRACTOR is experienced in providing the services of the type required, is willing to perform such service, and can provide such services to RAP; and

WHEREAS, it is in RAP's best interest to secure these services from CONTRACTOR; and

WHEREAS, RAP has the need for the purchase and installation of playground and outdoor fitness/exercise equipment and related products and services on an as-needed basis; and

WHEREAS, the CONTRACTOR has agreed to provide such as-needed purchase and installation of playground and outdoor fitness/exercise equipment and related products and services to RAP; and

WHEREAS, CONTRACTOR by written communication dated April 19, 2018 (attached hereto and incorporated by reference herein as Appendix C), has expressly authorized RAP to utilize Contract No. GS03F086GA between CONTRACTOR and GSA for the purchase and installation of playground and outdoor fitness/exercise equipment and related products and services.

NOW THEREFORE, RAP and the CONTRACTOR hereby agrees as follows:

SECTION 1 – PARTIES TO THE AGREEMENT, REPRESENTATIVES AND NOTIFICATION.

SECTION 2 – TERMS OF THE AGREEMENT

The term of this Agreement shall commence on the date of execution and expire August 20, 2022, the expiration date of the GSA CONTRACT with CONTRACTOR.

CONTRACTOR also agrees to comply with the Standard Provisions for City Contracts (Rev. 10/17)[v.3] attached hereto and incorporated herein by reference as Attachment 1.

RAP shall have the right to terminate this Agreement for its convenience, upon thirty (30) calendar days written notice to CONTRACTOR.

SECTION 3 - SCOPE OF SERVICES

3.1 Services to be provided by CONTRACTOR

Upon receipt from RAP of a Notice to Proceed (NTP) with specified work, the CONTRACTOR has agreed by letter dated April 19, 2018 (attached hereto and incorporated by reference herein as Appendix C), to provide playground and outdoor fitness/exercise equipment and related products and services to RAP on an occasional and as-needed basis on the same terms and conditions as the GSA CONTRACT and GSA Contract Summary Document.

3.2 Services to Be Provided by CITY

RAP’s authorized agent (or other RAP management designee) will issue a Notice To Proceed (NTP) to the CONTRACTOR prior the start of any work.

RAP personnel will work cooperatively with CONTRACTOR to ensure timely review of all services provided by CONTRACTOR under this Agreement.

RAP will promptly act, review and make decision as necessary to permit the orderly progress of CONTRACTOR’s work under this Agreement.

SECTION 4 – COMPENSATION AND INVOICING

4.1 Compensation

CITY will pay CONTRACTOR an amount for services outlined in the NTP for each individual project. The total amount for this CONTRACT will not exceed Seven Million Dollars annually, ($7,000,000.00). The Contract amount is an estimate, and RAP does not guarantee that the Contract maximum amount will be reached. The professional service that RAP is requesting shall be on an occasional and as-needed basis and the CITY, by entering into this Contract, guarantees no minimum amount of business or compensation. RAP staff will monitor this not-to-exceed aggregate total.
4.2 Invoicing

Prior to the start of any work, CONTRACTOR must receive a NTP from an authorized agent of RAP. CONTRACTOR shall submit invoices to RAP for all work performed. Once work has been completed to the satisfaction of RAP, CONTRACTOR may submit an invoice for the agreed amount on the CONTRACTOR’S original proposal, as stated on the NTP, such amount to be consistent with the prices set forth in the GSA CONTRACT (attached hereto and incorporated by reference herein as Appendix A) and Contract Summary Document (attached hereto and incorporated by reference herein as Appendix B) and Greenfields Source Book (attached hereto and incorporated by reference herein as Appendix D), and subject to Warranty provisions (attached hereto and incorporated by reference herein as Appendix E). Invoices must include the CONTRACTOR’S name, date, address, contact phone number, summary of work completed, address/location of work completed, dollar amount originally proposed and the agreed on by RAP.

Invoices must be submitted to (or other RAP management designee):

Jimmy Newsom, Senior Management Analyst II
City of Los Angeles, Department of Recreation and Parks
6335 Woodley Ave
Van Nuys, CA 91406

Email: jimmy.newsom@lacity.org
Telephone Number: (818) 756-9294
Fax Number: (818) 908-9786

4.3 Compensation and schedule of payments

The CONTRACTOR’s invoice will be reviewed and approved for payment by RAP’s designated Project Manager (PM). Once signed off by the PM, payment will be processed by RAP’S Accounting Section for payment. RAP may take up to thirty (30) days for payment of invoice properly submitted, unless CONTRACTOR offers a discount for an early processed payment.

SECTION 5 - NON-EXCLUSIVITY

RAP and the CONTRACTOR understand and agree that this is a non-exclusive Agreement to provide services to RAP and that RAP may contract with other contractors to provide similar services during the term of this Agreement.

SECTION 6 – CONTRACT COMPLIANCE DOCUMENTS

CONTRACTOR is required to complete and submit City’s Contract Compliance Documents (attached hereto and incorporated by reference herein as Attachment 2). Included within the scope of the laws, referred to in this paragraph but in no way to operate as a limitation, are all forms of Federal, State, and City laws, regulations policies and ordinances. Any breach by CONTRACTOR of the laws, regulations, policies and ordinances shall constitute a breach of this Contract.

SECTION 7 - RATIFICATION
At the request of RAP, and because of the urgent need therefore, CONTRACTOR may have commenced performance of services required hereunder prior to the execution of this Agreement. By its execution hereof, RAP hereby accepts such services from CONTRACTOR subject to all of the terms, covenants and conditions of this Agreement, and CONTRACTOR’s performance of such services.

SECTION 8 - INCORPORATION OF DOCUMENTS

This Agreement, appendices and incorporated documents represents the entire agreement of the Parties and supersedes all prior written or oral representations, discussions, and agreements. This Agreement may not be changed or modified in any manner except by formal, written amendment fully executed by both CITY and CONTRACTOR. The following documents are incorporated and made a part hereof by reference:

Appendix A. CONTRACT NO. GS03F086GA awarded on August 21, 2017 between the GSA and Greenfields Outdoor Fitness, Inc.
Appendix B. U.S. GSA Contract Summary Document between GSA and Greenfields Outdoor Fitness, Inc., CONTRACT NO. GS03F086GA
Appendix C. Letter dated April 19, 2018 from Greenfields Outdoor Fitness, Inc. authorizing RAP to utilize CONTRACT NO. GS03F086GA between GSA and Greenfields Outdoor Fitness, Inc.
Appendix D Greenfields Source Book
Appendix E Warranty
Attachment 1 Standard Provisions for City Contracts. (Rev. 10/17)[v.3]
Attachment 2 CITY’s Contract Compliance Documents including Insurance Contractual Requirements

The order of precedence in resolving conflicting language, if any, in the documents shall be: (1) This Agreement, incorporating Attachment 1 and Attachment 2 and Appendix E; (2) Attachment 1; (3) Attachment 2; (4) Appendix A; (5) Appendix B; (6) Appendix C; and (7) Appendix D.
IN WITNESS THEREOF, the parties hereto have executed this Agreement to be executed by their duly authorized representatives on the dates indicated:
