TO: BOARD OF RECREATION AND PARK COMMISSIONERS

FROM: MICHAEL A. SHULL, GENERAL MANAGER
DEPARTMENT OF RECREATION AND PARKS

SUBJECT: OVERVIEW OF THE ADOPTED FISCAL YEAR 2019-20 DEPARTMENT OF RECREATION AND PARKS OPERATING BUDGET

The City of Los Angeles (City) Fiscal Year 2019-20 (FY '19-20) Budget was approved by the City Council and the Mayor on May 29, 2019 and May 30, 2019, respectively. Included in the adopted FY '19-20 Budget is the $268.56M appropriation for the operations of the Department of Recreation and Parks (RAP), an increase of $20.14M from FY 2018-19 (FY '18-19).

SOURCES OF FUNDS:

The projected sources of funds for FY 19-20 operations include the following:

- $207.49M from the City's Charter Mandated property tax revenue allocation, an increase of $14.08M from FY '18-19.
- $9.08M from the Golf Revenue.
- $7.2M from the Harbor Department for ground maintenance and recreational services provided by RAP.
- $5.05M of reimbursements from special funds Proposition K, an increase of $1.9M from FY '18-19.
- $3M from the Greek Theatre.
- $2.7M from Griffith Park Parking.
- $2.19M from Griffith Observatory.
- $1.65M from swim pools, a reduction of $0.3M from FY '19-20.
- $1.5M transfer from the Pershing Square Revenue.
- $0.75M from Budgetary Savings (Unreserved and Undesignated Fund Balance).
- $0.25M of reimbursements from the In-House Capital Delivery Plan, a reduction of $0.25M from FY '18-19.
- $17.54M from other self-generated revenues, mainly from facility and programming fees and concessions.
- $10.16M from the City's General Fund.

See Attachment A for Sources of Funds from FY 2008-09 (FY '08-09) through FY '19-20.

APPROVED FUNDING REQUESTS:

RAP submitted its FY '19-20 budget proposal in alignment with RAP's strategic goals, the City's Sustainability pLAn and the Mayor's specific goals for the Department. The budget requests center around six core areas: 1) equitable recreational programming (expansion of the Universal Play initiatives with increased service levels for underserved and economically disadvantaged communities); 2) new and expanded services and facilities; 3) maintenance of facilities and parks; 4)
obligatory and mandated requests; 5) improved technology for data gathering, metric tracking and asset management; and 6) service requests to support and grow City-wide programs such as emergency preparedness, serving the homeless population and Summer Night Lights.

The adopted FY '19-20 Budget provides healthy funding appropriations to maintain current RAP’s core services and the following enhanced services and programs:

- New and Expanded Facilities ($2,464,000)
- Universal Play – Adaptive Sports ($472,000)
- Universal Play – LA 2028 Training and Safety Requirements ($400,000)
- Data/Asset Management Group ($700,000)
- Senior Program ($147,000)
- Campo de Cahuenga ($78,000)
- Summer Night Lights Program Wage Increase ($146,000)
- HVAC Assessment ($763,000)
- Fire Life & Safety ($300,000)
- Citywide Pump Crew ($250,000)
- Gym Floor Maintenance (supporting Clipper funded basketball court improvements $160,000)
- Bulky Items Illegal Dumping Crews (BIID) ($1,435,000)
- Tree Crew ($852,000)
- Brush Clearance ($250,000)
- Reduce Salary Savings Rate by 1% to 5.5% ($820,000)
- Utility increase due to rate increases ($3,934,000)

The FY '19-20 Budget also includes City General Funds ($4M) to continue the City Services provided by RAP to other City departments: Joy Picus Child Care Center; Public Building Landscape Services; Summer Night Lights (SNL) Program; and Emergency Management.

See Attachments B and C for the approved budget by budgetary program and category.

Additional funds from City’s General Funds, Proposition A Local Transit Assistance Fund and Municipal Improvement Corporation of Los Angeles (MICLA) financing are also allocated for the following programs:

- SNL Fiscal Agent Functions – Continuing program at the same funding level ($1,688,000).
- Universal Play and SwimLA – Contingent upon the execution of the Youth Sports component of the Games Agreement with LA 2028 ($1,475,000)
- Youth Program Bus Services ($500,000)
- Major Equipment Purchase for HVAC, BIID and Tree Maintenance Crews ($1,254,000)

CHALLENGES:

Although RAP received a healthy funding allocation for FY ‘19-20 including $14.1M mandated increase in property tax assessment, the increase was immediately depleted to offset the increase in City’s General Fund (GF) Contribution, the increased needs to maintain existing service levels and unbudgeted demands.
• **Maintenance of Existing Services Levels** – RAP must use $8.2M to maintain current existing service levels through supporting negotiated labor contract salary increases and other full-time labor related adjustments ($7.1M); and fully funding new and expanded facilities that received partial funding in prior year ($1.1M).

• **Additional City General Fund Contribution** – $3.9M was added to pay for Utilities and Refuse Collection in FY ’19-20. RAP is required to use $81.4M (30.3% of the total operating budget) to pay reimbursements to the City’s General Fund for employee benefits ($49.2M), the Department of Water and Power (DWP) for utilities ($29.9M), and the Bureau of Sanitation for refuse costs ($2.3M). These increases diminish RAP’s ability to meet and increase vital maintenance and recreational programming needs. Since the inception of these Department contributions in FY ’08-09, approximately $591M has been diverted away from RAP’s core operations.

• **Salary Savings and Unfunded Demands** – The salary savings rate continues to be high at 5.5% for full-time positions. Due to the combination of the high salary savings rate, unfunded labor costs (sick time payouts, retirement payouts, bonuses, etc.), unfunded emergency shelter and cooling center operations, and participation in other mandated City programs that are unfunded or underfunded, RAP must hold approximately 130 of its existing full-time positions vacant.

See Attachment D for expenditures by program and by category.

**POSITIONS:**

The FY ’19-20 Budget includes 1,537 regular authorities for full-time positions, an increase of 65 positions from FY ’18-19. These new positions are for swim pools conversion to year-round operation (7), meeting LA 2028 Training and Safety requirements (4), recreation and maintenance supporting new and expanded facilities (8), Adaptive Sports (3), Senior Program (3), HVAC (10), BIID Crews (15), Tree Crew (11), Data & Asset Management Group (3), and a regularized Service Coordinator. The FY ’19-20 Personnel Resolution adopted by this Board on June 5, 2019 under Report No. 19-113 provides details of these positions.

Although the number of authorities has increased in FY ’19-20, RAP will face challenges to continue our workforce restoration due to high salary saving rate of 5.5%, increased General Fund contribution, and unbudgeted/under-budgeted demands.

This Report was prepared by Sondra Fu, Senior Management Analyst II, Finance Division.
