RECOMMENDATIONS

1. Approve the proposed Hansen Dam Aquatic Center Schedule of Rates and Fees as set forth in Attachment 1 of this Report, effective upon approval by the Board of Recreation and Park Commissioners (Board) of this Report; and,

2. Authorize staff to amend RAP’s Schedule of Rates and Fees to incorporate the Hansen Dam Aquatic Center Schedule of Rates and Fees as set forth in Attachment 1 of this Report.

SUMMARY

Each year, the Department of Recreation and Parks (RAP) staff reviews the Schedule of Rates and Fees and recommends changes in order to clarify policy issues that have been raised the previous year, to revise fees to simplify the fee schedule, minimize incorrect billings, more accurately recover operational costs, and to generate new revenues. As the cost of providing services to the public continues to rise, RAP remains committed to providing quality and affordable recreational opportunities to the City’s residents and visitors. However, it is necessary to increase rates and fee to enable RAP to fulfill this commitment.

Hansen Dam Aquatic Center (Aquatic Center) is a part of a 40-acre recreation facility located on the north-west side of Hansen Dam Recreation Area in the Lake View Terrace community. The Aquatic Center includes a 9-acre recreation lake, 1.5-acre swimming lake with two large water slides. Activities available include boating, fishing, jogging, picnicking, swimming, volley ball, and other forms of recreation.

RAP staff recommends changes to RAP’s Schedule of Rates and Fees to incorporate a new schedule of rates and fees for the Aquatic Center. This new schedule is set forth in Attachment 1 of this Report. The addition of this new schedule is being proposed because it allows a
mechanism for staff to develop a charge system for groups that utilize the different areas of the aquatic center such as the picnic and group areas within the Hansen Dam Aquatic Center. It will minimize incorrect billings and streamline the invoice process.

The new schedule includes:

- References to the Citywide Aquatics Rates and Fees
- Costs of canopy and furniture rentals based on the existing Aquatics Rates and Fee Costs
- Various Cost was referenced from the existing RAP Picnic Schedule of Rates and Fees
  - Cancellation Cost
  - Reservations for Group Area
  - Picnic Area Costs
- Additional Fees
  - Utility Hook-Up Fee based on RAP Utility Hookup Rates and Fees
- Parking Lots Fee was based on the existing Pay Parking Lots Rates and Fees

FISCAL IMPACT STATEMENT

The addition of the proposed schedule of rates and fees for the Aquatic Center will result in a minimal increase in fees deposited into the Hansen Dam Aquatic Center’s Municipal Recreation Program (MRP) Fund accounts that will be used to fund program needs.

This will have no fiscal impact on RAP’s General Fund.

This Report was prepared by Jimmy Kim, Superintendent, Special Operations Branch.
