RECOMMENDATIONS

1. Find, in accordance with Charter Section 371(e)(2) and Los Angeles Administrative Code Section 10.15(a)(2), that competitive bidding is not practicable or advantageous as it is necessary for the Department of Recreation and Parks RAP to be able to call on contractors to perform services regarding all-weather turf construction, retrofit, maintenance, design, engineering, inspection and/or repairs on an as-needed and on an occasional, but frequent, basis without engaging in a new competitive process for each individual project to be performed; however, from among as-needed contractors, each individual project is assigned on the basis of availability of an as-needed contractor to perform the work, the price to be charged and the unique expertise of the as-needed contractor;

2. Find, in accordance with Charter Section 371(e)(10), that use of competitive bidding would be undesirable, impractical or impossible or otherwise is excused by the common law and the Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by (RAP) to provide as-needed All-Weather Turf Construction, Retrofit, Maintenance, Design, Engineering, Inspection and/or Repairs;

3. Find, in accordance with Charter Section 372, that obtaining competitive proposals or bids for each individual project for which all-weather turf construction, retrofit, maintenance, design, engineering, inspection and/or repair work may be performed is not reasonably practicable or compatible with RAP's interests of having available as-needed contractors who are assigned various projects on the basis of availability, price, and expertise, and that it is therefore necessary to have several as-needed contractors for these types of services available when called upon by RAP to perform services;

4. Find, in accordance with Charter Section 1022, that RAP does not have available in its employ personnel with sufficient time or necessary expertise to undertake these services for all-weather turf construction, retrofit, maintenance, design, engineering, inspection and/or
repairs in a timely manner, and it is more feasible, economical and in RAP’s best interest, to secure these services by contract with several contractors to perform this work as-needed and on an occasional, but frequent basis, without engaging in a new competitive bidding process for each individual project to be performed;

5. Approve the award of contracts (Contracts) in accordance with the details set forth in this Report and in substantially the form attached as Exhibit A to this Report, between the City of Los Angeles and the following firms for As-Needed All-Weather Turf Construction, Retrofit, Maintenance, Design, Engineering, Inspection and/or Repair services for a three-year term in an amount not to exceed Seven Million Dollars ($7,000,000.00) per year, and instruct staff to award such Contracts, subject to approval of the Mayor and the City Attorney as to form;

Contractors:

a) Asphalt Fabric and Engineering, Inc.
   2683 Lime Avenue, Long Beach, CA 90808

b) Byrom Davey, Inc.
   13220 Evening Creek Dr, Unit 103, San Diego, CA 92128

c) Hellas Construction, Inc.
   1562 Cherokee Street, San Marcos, CA 92078

d) Ohno Construction Company
   16398 Boyle Avenue, Fontana, CA 92337

6. Authorize RAP’s General Manager or designee to make technical corrections as necessary to carry out the intent of this Report;

7. Direct the Board of Recreation and Park Commissioners (Board) Secretary to transmit the Contracts to the Mayor in accordance with Executive Directive No. 3 (Villaraigosa Series) and, concurrently, to the City Attorney for review and approval as to form; and

8. Authorize the Board President and Secretary to execute the Contracts upon receipt of the necessary approvals.

SUMMARY

RAP has an on-going need for as-needed all-weather turf construction, retrofit, maintenance, design, engineering, inspection and/or repair services. Currently, RAP has three (3) contracts for all-weather turf services that are set to expire on April 5, 2019, requiring RAP to enter into new contracts to continue these services. Awarding of the Contracts to the recommended four (4) contractors identified in this Report will increase competition on servicing RAP’s needs and will ensure that RAP continues to have access to these services. It is critical that RAP has access to
these services because it has over fifty five (55) synthetic turf fields installed throughout the park system.

On October 3, 2018, the Board approved the issuance of Request for Qualifications (RFQ) for All-Weather Turf Construction, Retrofit, Maintenance, Design, Engineering, Inspection and/or Repairs (Report No. 18-202). The RFQ was released on October 15, 2018. A Mandatory Pre-Qualification Meeting was conducted on November 6, 2018 and a Non-Mandatory Technical Review Meeting was conducted on December 4, 2018.

Responders were required to provide evidence of their qualifications in two areas. Contracts could be awarded to a responder as a certified installer, or in the area of all-weather turf maintenance and/or repair work, or both. A contractor qualified as a certified installer may perform field design, engineering, construction and retrofit services. A contractor qualified to perform maintenance and/or repair work may perform field inspection. The qualification areas were defined as follows:

1. **All-Weather Turf Installation**: All responders must meet the following qualifications:

   Each responder must have directly managed and/or performed 100% of the All-Weather turf system installation. The All-Weather Turf system installation must have included sub grade and sub base drainage construction, in accordance with the field design and/or manufacturer’s specification. Responder must currently have and be in good standing with the following California Contractor’s License: “A” General Engineering Contractor and/or D-12 Synthetic Products Contractor. Responder must have successfully constructed under an “A” and/or D12 California Contractor’s license, a minimum of ten (10) All-Weather Turf athletic fields with a minimum of forty thousand (40,000) square feet (sf) each, from the last three (3) years to present date. All referenced installations must have been installed in the United States.

2. **All-Weather Turf Maintenance and/or Repairs**: Responders must provide proof of work for the following qualifications:

   Each responder must have three (3) years of direct experience performing maintenance and/or repairs on commercial size synthetic fields of forty thousand (40,000) sf or larger. Each responder must provide a list of thirty (30) successful repair and/or maintenance projects performed by the company, in the last three (3) years to present day, within the United States. Responder must provide a list of all project site address, customer contacts, size and type of synthetic turf system maintained and/or repaired.

**Results of the RFQ Process**

Responses were evaluated with a two-level review to determine if each responder met the minimum qualifications as either a certified installer, or as a maintenance/repairer, or both, as stated in the RFQ Document. Level I was a review by RAP staff for whether the responder submitted a complete submission package including all required compliance documents, forms, and minimum number of work experiences. Level II focused on the actual qualifications provided by the responder, including current license and/or memberships as set forth in the RFQ. Additionally, Level II review posed
questions to the references submitted regarding responder’s ability to produce a quality product that met all necessary standards in a timely manner, and if the responder was effective in their correspondence with governing agencies. Responders had to pass Level I before they could pass to Level II review.

Five responders submitted packages to this RFQ. Of the five (5) responses, four (4) were submitted as complete packages. RAP staff review determined that the four above listed contractors met and/or exceeded the minimum qualifications as set forth in the RFQ and are therefore being recommended for award of the as-needed Contracts. One submission, from Chris Kelley Inc. dba Child’s Play, failed to submit the minimum required number of job references and could not be recommended for the award of a Contract.

Staff recommends that the Board approve the award of the Contracts to the four (4) recommended responders set forth in this Report and authorize the Board President and Secretary to execute Contracts with each of the four (4) recommended responders, subject to approval by the City Attorney and Mayor's Office. The selected pre-qualified Responders are being recommended to the Board for an as-needed, three (3) year contract, and all responders are recommended for contracts in both qualification areas, in an amount not to exceed an annual expenditure of Seven Million Dollars ($7,000,000.00) per contract, per year. The contract amount is an estimate, and RAP does not guarantee that the contract maximum amount will be reached. The All-Weather Turf Construction, Retrofit, Maintenance, Design, Engineering, Inspection and/or Repairs that RAP is requesting shall be on an as-needed basis. RAP in entering into the Contracts, will not guarantee any minimum amount of business or compensation. The Contracts shall be subject to funding availability and early termination by RAP, as provided in the Standard Provisions for City Contracts (Rev. 10/17)[v.3]. Funding for projects will be provided from various funding sources including, including but not limited to Proposition A, Quimby, Community Development Block Grant (CDBG), and Proposition 84.

FISCAL IMPACT STATEMENT

Awarding and executing these as-needed Contracts has no impact on the RAP’s General Fund as funding will be identified on a per project basis.

This Report was prepared by Aaron Arevalo, Management Assistant, reviewed by Robert Feld, Sr. Management Analyst I, and Matthew Rudnick, Chief Management Analyst.

STANDARD PROVISIONS FOR CITY CONTRACTS

PSC-1. Construction of Provisions and Titles Herein

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against CITY or CONTRACTOR. The word "CONTRACTOR" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one CONTRACTOR, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. Applicable Law, Interpretation and Enforcement

Each party’s performance shall comply with all applicable laws of the United States of America, the State of California, and CITY, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. CONTRACTOR shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to CONTRACTOR.

In any action arising out of this Contract, CONTRACTOR consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

PSC-3. Time of Effectiveness

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

A. This Contract has been signed on behalf of CONTRACTOR by the person or persons authorized to bind CONTRACTOR;
B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
D. This Contract has been signed on behalf of CITY by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.
PSC-4.  Integrated Contract

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

PSC-5.  Amendment

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

PSC-6.  Excusable Delays

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party’s Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of CONTRACTOR shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both CONTRACTOR and Subcontractor, and without any fault or negligence of either of them. In such case, CONTRACTOR shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit CONTRACTOR to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event CONTRACTOR’S delay or failure to perform arises out of a Force Majeure Event, CONTRACTOR agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

PSC-7.  Waiver

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party’s performance after the other party’s default shall not be construed as a waiver of that default.
PSC-8. **Suspension**

At **CITY**’S sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon receipt of the notice of suspension, **CONTRACTOR** shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

**PSC-9. Termination**

A. **Termination for Convenience**

**CITY** may terminate this Contract for **CITY**’S convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY**’S ownership of rights provided herein.

B. **Termination for Breach of Contract**

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY**’S default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY**’S default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY**’S sole discretion, **CITY** may accept or reject **CONTRACTOR**’S plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR**’S breach of this Contract.

2. If the default under this Contract is due to **CONTRACTOR**’S failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor’s obligation to suspend performance of
services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY**’s requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then **CITY** may immediately terminate this Contract.

4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates **CITY**’s laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.

5. Acts of Moral Turpitude

a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws (“Act of Moral Turpitude”).

b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.

c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR’S** ability to perform under the terms of this Contract.

d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.
e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of CONTRACTOR.

6. In the event CITY terminates this Contract as provided in this section, CITY may procure, upon such terms and in the manner as CITY may deem appropriate, services similar in scope and level of effort to those so terminated, and CONTRACTOR shall be liable to CITY for all of its costs and damages, including, but not limited to, any excess costs for such services.

7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that CONTRACTOR was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.

8. The rights and remedies of CITY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

C. In the event that this Contract is terminated, CONTRACTOR shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

PSC-10. Independent Contractor

CONTRACTOR is an independent contractor and not an agent or employee of CITY. CONTRACTOR shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of CITY.

PSC-11. Contractor’s Personnel

Unless otherwise approved by CITY, CONTRACTOR shall use its own employees to perform the services described in this Contract. CITY has the right to review and approve any personnel who are assigned to work under this Contract. CONTRACTOR shall remove personnel from performing work under this Contract if requested to do so by CITY.

CONTRACTOR shall not use Subcontractors to assist in performance of this Contract without the prior written approval of CITY. If CITY permits the use of Subcontractors, CONTRACTOR shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. CITY has the right to approve CONTRACTOR’S Subcontractors, and CITY reserves the right to request replacement of any
Subcontractor. CITY does not have any obligation to pay CONTRACTOR’S Subcontractors, and nothing herein creates any privity of contract between CITY and any Subcontractor.

PSC-12. Assignment and Delegation

CONTRACTOR may not, unless it has first obtained the written permission of CITY:

A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or

B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

PSC-13. Permits

CONTRACTOR and its directors, officers, partners, agents, employees, and Subcontractors, shall obtain and maintain all licenses, permits, certifications and other documents necessary for CONTRACTOR’S performance of this Contract. CONTRACTOR shall immediately notify CITY of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents that relate to CONTRACTOR’S performance of this Contract.

PSC-14. Claims for Labor and Materials

CONTRACTOR shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any CITY property (including reports, documents, and other tangible or intangible matter produced by CONTRACTOR hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

For the duration of this Contract, CONTRACTOR shall maintain valid Business Tax Registration Certificate(s) as required by CITY’S Business Tax Ordinance, Section 21.00 et seq. of the Los Angeles Municipal Code (“LAMC”), and shall not allow the Certificate to lapse or be revoked or suspended.

PSC-16. Retention of Records, Audit and Reports

CONTRACTOR shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form or as otherwise approved by CITY. These records shall be retained for a period of no less than three years from the later of the following: (1) final payment made by CITY, (2) the expiration of this Contract or (3) termination of this Contract. The records will be subject to examination and audit by authorized CITY personnel or CITY’S representatives at any time. CONTRACTOR shall provide any reports requested by CITY regarding
performance of this Contract. Any subcontract entered into by CONTRACTOR for work to be performed under this Contract must include an identical provision.

In lieu of retaining the records for the term as prescribed in this provision, CONTRACTOR may, upon CITY’S written approval, submit the required information to CITY in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract.

PSC-17. Bonds

All bonds required by CITY shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code (“LAAC”) Sections 11.47 et seq., as amended from time to time.

PSC-18. Indemnification

Except for the active negligence or willful misconduct of CITY, or any of its boards, officers, agents, employees, assigns and successors in interest, CONTRACTOR shall defend, indemnify and hold harmless CITY and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney’s fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by CITY, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including CONTRACTOR’S employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of an act, error, or omission by CONTRACTOR, Subcontractors, or their boards, officers, agents, employees, assigns, and successors in interest. The rights and remedies of CITY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-19. Intellectual Property Indemnification

CONTRACTOR, at its own expense, shall defend, indemnify, and hold harmless the CITY, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney’s fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by CITY, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by CONTRACTOR, or its Subcontractors, in performing the work under this Contract; or (2) as a result of CITY’S actual or intended use of any Work Product (as defined in PSC-21) furnished by CONTRACTOR, or its Subcontractors, under this Contract. The rights and remedies of CITY provided in this section shall not be exclusive.
and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-20. Intellectual Property Warranty

CONTRACTOR represents and warrants that its performance of all obligations under this Contract does not infringe in any way, directly or contributorily, upon any third party’s intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity and proprietary information.

PSC-21. Ownership and License

Unless otherwise provided for herein, all finished and unfinished works, tangible or not, created under this Contract including, without limitation, documents, materials, data, reports, manuals, specifications, artwork, drawings, sketches, blueprints, studies, memoranda, computation sheets, computer programs and databases, schematics, photographs, video and audiovisual recordings, sound recordings, marks, logos, graphic designs, notes, websites, domain names, inventions, processes, formulas, matters and combinations thereof, and all forms of intellectual property originated and prepared by CONTRACTOR or its Subcontractors under this Contract (each a “Work Product”; collectively “Work Products”) shall be and remain the exclusive property of CITY for its use in any manner CITY deems appropriate. CONTRACTOR hereby assigns to CITY all goodwill, copyright, trademark, patent, trade secret and all other intellectual property rights worldwide in any Work Products originated and prepared under this Contract. CONTRACTOR further agrees to execute any documents necessary for CITY to perfect, memorialize, or record CITY’S ownership of rights provided herein.

CONTRACTOR agrees that a monetary remedy for breach of this Contract may be inadequate, impracticable, or difficult to prove and that a breach may cause CITY irreparable harm. CITY may therefore enforce this requirement by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude CITY from seeking or obtaining any other relief to which CITY may be entitled.

For all Work Products delivered to CITY that are not originated or prepared by CONTRACTOR or its Subcontractors under this Contract, CONTRACTOR shall secure a grant, at no cost to CITY, for a non-exclusive perpetual license to use such Work Products for any CITY purposes.

CONTRACTOR shall not provide or disclose any Work Product to any third party without prior written consent of CITY.

Any subcontract entered into by CONTRACTOR relating to this Contract shall include this provision to contractually bind its Subcontractors performing work under this Contract such that CITY’S ownership and license rights of all Work Products are preserved and protected as intended herein.
PSC-22. Data Protection

A. CONTRACTOR shall protect, using the most secure means and technology that is commercially available, CITY-provided data or consumer-provided data acquired in the course and scope of this Contract, including but not limited to customer lists and customer credit card or consumer data, (collectively, the “City Data”). CONTRACTOR shall notify CITY in writing as soon as reasonably feasible, and in any event within twenty-four hours, of CONTRACTOR’S discovery or reasonable belief of any unauthorized access of City Data (a “Data Breach”), or of any incident affecting, or potentially affecting City Data related to cyber security (a “Security Incident”), including, but not limited to, denial of service attack, and system outage, instability or degradation due to computer malware or virus. CONTRACTOR shall begin remediation immediately. INSURANCE CONTRACTUAL REQUIREMENTS

CONTACT For additional information about compliance with City Insurance and Bond requirements, contact the Office of the City Administrative Officer, Risk Management at (213) 978-RISK (7475) or go online at www.lacity.org/cao/risk. The City approved Bond Assistance Program is available for those contractors who are unable to obtain the City-required performance bonds. A City approved insurance program may be available as a low cost alternative for contractors who are unable to obtain City-required insurance.

CONTRACTUAL REQUIREMENTS

CONTRACTOR AGREES THAT:

1. Additional Insured/Loss Payee. The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY’S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.

2. Notice of Cancellation. All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.

3. Primary Coverage. CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY’S program shall be excess of this insurance and non-contributing.

4. Modification of Coverage. The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.

5. Failure to Procure Insurance. All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

6. Workers' Compensation. By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 et seq., of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake
self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a Service of Suit clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY’S protection are allowed without the CITY’S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-3, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.

ALL-WEATHER TURF CONSTRUCTION, RETROFIT, MAINTENANCE, DESIGN, ENGINEERING, INSPECTION AND/OR REPAIRS

EXHIBIT A

PROPOSED GENERIC CONTRACT
CONTRACT

BETWEEN

THE CITY OF LOS ANGELES

DEPARTMENT OF RECREATION AND PARKS

AND

TBD

FOR ALL-WEATHER TURF CONSTRUCTION, RETROFIT, MAINTENANCE, DESIGN, ENGINEERING, INSPECTION AND/OR REPAIRS

This CONTRACT (“Contract” or “Agreement”) is made and entered into this _____ day of ___________ 2019, by and between the City of Los Angeles, (herein referred to as "CITY"), a municipal corporation acting by and through its Department of Recreation and Parks (hereinafter referred to as "RAP") and its Board of Recreation and Park Commissioners (hereinafter referred to as "BOARD"), and TBD (hereinafter referred to as “CONTRACTOR”). CITY and CONTRACTOR shall be referred to hereinafter each as a “Party” and collectively as the "Parties".

RECITALS

WHEREAS, RAP owns various facilities and infrastructure throughout the City of Los Angeles and is responsible for the maintenance and improvements for such facilities and infrastructure; and

WHEREAS, RAP requires the services of an experienced and responsible contractor to perform all-weather turf construction, retrofit, maintenance, design, engineering, inspection and/or repair services of the fields and parks in the CITY (“Services”); and

WHEREAS, a Request for Qualification (RFQ) for the Services was released on October 15, 2018, and five responses to the RFQ were received on January 8, 2019; and

WHEREAS, the CONTRACTOR’S response met the minimum requirements for the Services as specified in the RFQ; and

WHEREAS, CONTRACTOR has the necessary equipment and staff possessing sufficient knowledge, expertise, and experience required to provide the necessary Services and has indicated its willingness to perform such Services; and
WHEREAS, RAP, pursuant to Charter Section 371(e)(2), finds that competitive bidding is not practicable or advantageous as it is necessary for RAP to be able to call on contractors to perform these Services as-needed and on an occasional, but frequent, basis without engaging in a new competitive process for each individual project to be performed; however, from among as needed contractors each individual project is assigned on the basis of availability of an as-needed contractor to perform the work, the price to be charged and the unique expertise of the as-needed contractor; and,

WHEREAS, RAP, pursuant to Charter Section 371(e)(10), finds that use of competitive bidding would be undesirable, impractical or impossible or is otherwise excused by the common law and the City Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which contractor can best provide the services required by RAP to provide the Services; and,

WHEREAS, RAP, pursuant to Charter Section 372 and Los Angeles Administrative Code Section 10.15(a)(2), finds that obtaining competitive proposals or bids for each individual project for which work may be performed pursuant to this Agreement is not reasonably practicable or compatible with RAP’s interests of having available as-needed contractors who are assigned various projects on the basis of availability, price and expertise and that it is therefore necessary to have several as-needed contractors for this type of service available when called upon by the RAP to perform services; and,

WHEREAS, the BOARD, as the contract awarding authority, finds pursuant to Charter Section 1022, that the work can be performed more economically or feasibly by independent contractors than by RAP employees because RAP does not have available in its employ, personnel with sufficient time or the necessary expertise to undertake the Services in a timely manner, and therefore it is more feasible and economical and in the RAP’s best interest to secure these Services by contract with contractors to perform this work as-needed and on an occasional, but frequent basis, without engaging in a new competitive bidding process for each individual project to be performed.
