RECOMMENDATIONS

Accept a donation from the Griffith Park Trust and the Los Angeles Parks Foundation of a Darley Fast Attack firefighting unit (Unit, described and shown in Attachments 1 and 2 of this Report) that will be mounted in a Park Ranger truck, and direct that appropriate recognitions be given to the donors.

SUMMARY

The Park Ranger Division has received a Darley Fast Attack firefighting unit from the Griffith Park Trust and the Los Angeles Parks Foundation. This Unit, valued at \$14,000, allows Park Rangers to rapidly respond to reports of fires and extinguish fires in hard to reach locations and will be deployed in the Griffith Park area.

The Park Ranger Division staff has discussed this donation with the Assistant General Manager of the Operations Branch, the Superintendent of Griffith Park Region, and the Chief Park Ranger; everyone is in support of this donation and concurs with this recommendation.

FISCAL IMPACT

Acceptance of this donation results in no fiscal impact to the Department of Recreation and Parks' General Fund and the Unit will be maintained by General Services Fleet Services once accepted.

## BOARD REPORT

PG. 2      NO. 20-051

### STRATEGIC PLAN INITIATIVES AND GOALS

Approval of this Board Report advances RAP's Strategic Plan by supporting:

Goal No. 5: Ensure and Environmentally Sustainable Park System

Outcome No 2: A healthy urban forest across the park system

Key Metric: Percentage of park land that was prevented from burning due to wildland fire.

This Report was prepared by Patrick Joyce, Senior Park Ranger II, Park Ranger Division.
