RECOMMENDATIONS

1. Find, in accordance with Charter Sections 371(e)(2) and 375, and Los Angeles Administrative Code Section 10.15(a)(2), that it is in the best interest to have pre-qualified contractors and that competitive bidding is not practicable or advantageous as it is necessary for the Department of Recreation and Parks (RAP) to be able to call on contractors to perform this expert, technical work as-needed and on an occasional, but frequent, basis without engaging in a new competitive process for each individual project to be performed; however, from among as-needed, pre-qualified contractors, each individual project is assigned on the basis of availability of an as-needed, pre-qualified contractor to perform the work, the price to be charged and the unique expertise of the as-needed contractor;
2. Find, in accordance with Charter Section 371(e)(10), that use of competitive bidding would be undesirable, impractical or impossible or is otherwise excused by the common law and the Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by RAP to provide as-needed fence and wall installation, maintenance, and/or repairs;
3. Find, in accordance with Charter Sections 372 and 375, that obtaining competitive proposals or bids for each individual project for which work may be performed pursuant to this agreement is not reasonably practicable or compatible with RAP's interests of having available as-needed contractors who are assigned various projects on the basis of availability, price, and expertise, and that it is therefore necessary to have several as-needed contractors pre-qualified for this type of service available when called upon by RAP to perform services;
4. Find, in accordance with Charter Section 1022, that the RAP does not have, available in its employ, personnel with sufficient time or necessary expertise to undertake fence and wall

installation, maintenance, and/or repairs in a timely manner, and it is more feasible, economical and in RAP's best interest, to secure these services by contract with several contractors to perform this work as-needed and on an occasional, but frequent basis, without engaging in a new competitive bidding process for each individual project to be performed;

5. Approve the waiver of informality in the response of the recommended contractor in connection with their response to RAP's Request for Qualifications for As-Needed Fence and Wall Installation, Maintenance and/or Repairs (RFQ) released on January 8, 2020, as more fully set forth in this Report;
6. Approve the award and execution of the as-needed services contract for Chain-Link and/or Omega Fencing for Installation, Maintenance, and/or Repairs (Chain Link Contract), in substantially the form attached to this Report as Attachment 1, between RAP and the following firm, for a term of three (3) years and for an annual expenditure not to exceed Five Million Dollars (\$5,000,000.00) per contract, subject to approval of the Mayor and the City Attorney as to form;

Recommended Contractor:

- a) Defence Company
14528 Los Angeles St., Baldwin Park, CA 91706
7. Direct the Board of Recreation and Parks Commissioners (Board) Secretary to transmit the Chain Link Contract to the Mayor in accordance with Executive Directive No. 3 (Villaraigosa Series) and, concurrently to the City Attorney for review and approval as to form;
8. Authorize the Board President and Secretary to execute the Chain Link Contract upon receipt of the necessary approvals.
9. Authorize RAP's General Manager or designee to make technical corrections as necessary to carry out the intent of this Report.

SUMMARY

RAP has an on-going need for as-needed fencing and netting installation, maintenance, and/or repairs services. RAP currently has contracts in place for these services that are set to expire this year. On June 4, 2020 the Board approved Report No. 20-090 (Attachment 2), awarding contracts for Fence and Wall Installation, Maintenance, and/or Repairs to a number of contractors. Defence Company (Defence), a responder to the RFQ, was not recommended for a contract at that time due to a lack of qualifying projects under the RFQ. Defence requested the Board and staff re-evaluate their response to the RFQ, stating it submitted what it believed were more than sufficient references in the Chain Link service category. After further review and verification by RAP staff, it was determined Defence did have the requisite minimum required experience and could be recommended for the as-needed contract. Awarding of the Chain Link Contract to Defence will increase competition among RAP's pre-qualified fencing contractors and will help ensure that RAP

BOARD REPORT

PG. 3 NO. 20-151

quickly responds to fence installation, maintenance and repair as needed to maintain safe facilities throughout the park system.

Request for Qualifications Summary

A Fence and Wall Installation, Maintenance and/or Repairs Request for Qualifications (RFQ) was released on January 8, 2020. A Mandatory Pre-Qualification Meeting was conducted on January 21, 2020 and a Non-Mandatory Technical Review Meeting was conducted on February 11, 2020. The RFQ allowed responders to submit proposals in response for fence and wall installation, maintenance, and/or repairs for four service categories: 1) Chain Link and/or Omega Fencing; 2) Ornamental Fencing; 3) Sports Netting/Fencing; and 4) Masonry Walls.

The scope of the awarded Contracts includes, but are not limited to:

- Design, engineering, fabrication, purchase, and installation, maintenance, and/or repair of chain link fencing (permanent or temporary fencing)
- Backstops, automatic driveway gates, tubular driveway gates (rhino gates), retractable gates, guard rails, and flag poles
- Omega fencing, wood creek/recycled lumber fences

As detailed in Attachment 2, RAP evaluated and made recommendations for contract award per its routine process.

Informality

Upon the first review of responses, RAP staff could not make the determination that Defence had met the minimum requirements set forth in the RFQ. The Project Qualification Submission Forms submitted by the responder had several errors. Of primary concern, the majority of references submitted stated they were on -going projects rather than completed projects. It was determined that this was a misstatement on the part of Defence. Once the project completion dates could be verified and the references checked, it was determined Defence did have the requisite minimum required experience and could be moved forward to recommending for the as-needed contract.

It was found through review and verification by RAP staff that Defence Company met the minimum qualifications as set forth in the RFQ for the Chain-link and/or Omega Fencing service category. The respondent also submitted a package with a minor informality. Defence Company failed to complete the Contractor Governmental Project Reference Sheet; this form can be sent to the contractor for completion. RAP staff recommends the informality be waived from the initial submission requirements for this respondent and that Defence, who is recommended for award of contract in this Report, be given fourteen days (14) from notice to correct the listed informality. Giving the responder the opportunity to correct this informality will be in the best interest of RAP and increase competition in the bid process for projects.

BOARD REPORT

PG. 4 NO. 20-151

Recommended Contract

RAP Staff recommends the Board approve the award of the Chain Link Contract to Defence in the Chain-link and/or Omega Fencing qualifier, and authorize the Board President and Secretary to execute the Chain Link Contract with them, subject to approval by the City Attorney and Mayor's Office. The selected pre-qualified contractor is being recommended to the Board for an as-needed, three (3) year contract, in an amount not to exceed an annual expenditure of Five Million Dollars (\$5,000,000.00) per year. The contract amount is an estimate, and RAP does not guarantee that the contract maximum amount will be reached. The contract shall be subject to funding availability and early termination by RAP, as provided in the Standard Provisions for City Contracts which is a part of each contract. Funding for projects will be provided from various funding sources including, but not limited to Proposition K, Quimby, Measure A, and Proposition 68.

FISCAL IMPACT

The award and execution of this as-needed Chain Link Contract has no impact on the RAP's General Fund as funding will be identified on a per project basis.

This Report was prepared by Cynthia Gonzalez, Management Assistant, reviewed by Robert Feld, Sr. Management Analyst II, and reviewed by Matthew Rudnick, Chief Management Analyst.

STRATEGIC PLAN INITIATIVE AND GOALS

Approval of this Report advances RAP's Strategic Plan by supporting:

Goal No. 3: Create & Maintain World Class Parks and Facilities

Outcome No. 3: Increased park maintenance, with a focus on cleanliness

SUMMARY

RAP has an on-going need for as-needed fencing and netting installation, maintenance, and/or repairs services. RAP currently has contracts in place for these services that are set to expire this year. Awarding of the Chain Link Contracts to the recommended two (2) contractors and the Sports Netting Contracts to the recommended three (3) contractors identified in this Report will support RAP staff's ability to provide RAP with additional resources to ensure installation, maintenance, and/or repairs for fencing, as required to protect park patrons and employees, as well as properties and facilities, protect park-adjacent areas from park related usage and activities, and/or to cordon off areas under construction, and/or refurbishment, and other related usages on an as-needed basis. It is critical that RAP has access to these services to maintain safe facilities throughout the City's vast park system.

A Fence and Wall Installation, Maintenance and/or Repairs Request for Qualifications (RFQ) was released on January 8, 2020. A Mandatory Pre-Qualification Meeting was conducted on January 21, 2020 and a Non-Mandatory Technical Review Meeting was conducted on February 11, 2020. The RFQ allowed responders to submit proposals in response for fence and wall installation, maintenance, and/or repairs for four service categories: 1) Chain Link and/or Omega Fencing; 2) Ornamental Fencing; 3) Sports Netting/Fencing; and 4) Masonry Walls.

The scope of the awarded Contracts will include, but not be limited to:

- Design, engineering, fabrication, purchase, and installation, maintenance, and/or repair of chain link fencing (permanent or temporary fencing)
- Backstops, automatic driveway gates, tubular driveway gates (rhino gates), retractable gates, guard rails, and flag poles
- Omega fencing, wood-creek/recycled lumber fences
- Golf fence netting systems

On March 3, 2020, RAP received the following seven (7) proposals in response to the RFQ for Fence and Wall Installation, Maintenance, and/or Repairs:

- 1) Chris Kelley Inc., dba Childs Play
- 2) Coastal Iron Works Corp. dba Coast Iron Works
- 3) Defence Company

Results of the RFQ Process

Responses were evaluated with a two-level review to determine if each responder met the minimum qualifications as stated in the RFQ document. The first level determined if the responder submitted a complete package and all required forms. The second level focused on the qualifications and quality of the information provided and whether the experience submitted met the minimum qualifications as stated in the RFQ.

The following is the breakdown of respondents that submitted a response in each qualifie:

The following responders submitted a response for Chain-Link and/or Omega Fencing:

1. Chris Kelley Inc. dba Childs Play
2. Defence Company

4. KSJV3 Inc. dba Five Star Fence
5. Izurieta Fence Company, Inc.

BOARD REPORT

PG. 6 NO. 20-090

Informalities

It was found through review and verification by RAP staff that two (2) of the responders met or exceeded the minimum qualifications as set forth in the RFQ for the Chain-link and/or Omega Fencing qualifier, and that three (3) of the responders met and/or exceeded the minimum qualifications as set forth in the RFQ for the Sports Netting/Fencing qualifier. Of these responders, one (1) submitted a complete package and three (3) submitted packages with minor informalities. RAP Staff recommends these informalities be waived from the initial submission requirements for these responders and that these responders, who are recommended for award of contracts in this Report, be given fourteen days (14) from notice to correct the listed informalities. Giving responders the opportunity to correct these informalities will be in the best interest of RAP and increase competition in the bid process for projects. The following three (3) firms have informalities which can be corrected:

- 1) Izurieta Fence Company, Inc. submitted a complete CRO Questionnaire but failed to sign the Certification Under Penalty of Perjury section. The bidder also submitted complete Child Care Policy forms but failed to sign the Vendor Child Care Policy Program Child Care Declaration Statement in one place. These forms can be sent to Izurieta Fence Company, Inc. for completion and signature, to be returned to the Board Office within 14 days of written notice.
- 2) KSJV3 Inc. dba Five Star Fence did not complete or acknowledge the Living Wage Ordinance and Service Contract Worker Retention Ordinance. The bidder also did not complete or sign the Schedule A List of Potential MBE/WBE/SBE/EBE/DVBE/OBE Subconsultants form. The bidder submitted complete Child Care Policy forms but failed to sign the Vendor Child Care Policy Program Child Care Declaration Statement in one place. These forms can be sent to KSJV3 Inc. dba Five Star Fence for completion and signature, to be returned to the Board Office within 14 days of written notice.
- 3) West Coast Netting did not complete or acknowledge the Living Wage Ordinance and Service Contract Worker Retention Ordinance. This form can be sent to West Coast Netting for completion, to be returned to the Board Office within 14 days of written notice.

Additional RFQ Results

1) Chris Kelley Inc. dba Childs Play submitted a response to all four contract qualifiers however, the company only met the licensing requirements for two of the four qualifiers. For the Chain-Link and/or Omega Fencing qualifier the RFQ states a valid C-13 license is required; for the Ornamental Fencing qualifier the RFQ states a valid C-23 license is required. The responder did not submit evidence of possession of either license. The responder also failed to submit the minimum qualifications regarding the required number of project submissions for the Masonry Walls contact qualifier. The responder only submitted one (1) Project Qualification Submission Form and the RFQ requested ten (10) project submissions for Masonry Walls. Chris Kelley Inc. dba Childs Play did submit a qualifying package for the Sports Netting/Fencing and is therefore only being recommended for a contract award for that qualifier.

BOARD REPORT

PG. 7 NO. 20-090

The following firms did not successfully make it through the two-level review process for reasons as outlined below and cannot be recommended for an as-needed contract:

- 1) Coastal Iron Works Corp. dba Coast Iron failed to submit the minimum number of qualifying projects. The bidder only submitted three (3) Project Qualification Submission Forms for the Ornamental Fencing qualifier and the RFQ requested ten (10) project submissions.
- 2) Defence Company failed to submit the minimum number of qualifying projects. The bidder only submitted six (6) Project Qualification Submission Forms for the Chain-Link and/or Omega Fencing qualifier and the RFQ requested ten (10) project submissions.
- 3) Evergreen Environment, Inc. failed to submit proof of a valid C-13, or C-23 license as required for the Chain-Link and/or Omega Fencing qualifier and Ornamental Fencing qualifier. The bidder also failed to submit the minimum qualifications regarding the relevant project experience for the Masonry Walls contract qualifier. The RFQ states that for the Masonry Walls qualifier each project submitted must consist of at least 1,500 LF and a minimum height of 8 ft. or higher. Most projects submitted by the company did not meet this minimum measurement requirement.
- 4) Izurieta Fence Company, Inc. responded to the Ornamental Fencing qualifier with a sufficient number of projects they installed, however, examination of the projects failed to demonstrate that Izurieta Fence Company, Inc. conducted all on-site and off-site fabrication of the submitted projects nor were projects performed by a certified Los Angeles fabricator and therefore could not be recommended for a contract in that qualifier. Izurieta Fence Company, Inc. is being recommended for a contract in the Chain-Link and/or Omega fencing qualifier as outlined above.

Failed Qualifiers

The Masonry Wall Qualifier failed to produce any fully qualified responders. The RFQ states that for the Masonry Walls qualifier each project submitted must consist of at least 1,500 LF and a minimum height of 8 feet. As stated before, most projects submitted by the responders did not meet this minimum measurement requirement. Two contractors responded, Chris Kelley Inc. dba Childs Play and Evergreen Environmental, Inc., and neither submitted sufficient qualifying projects. RAP staff will return to the Board at a future time with recommendations to address Masonry Wall service category.

The Ornamental Fencing Qualifier failed to produce any qualified responders. The RFQ requested ten (10) fencing projects, and all on-site and off-site fabrication of the submitted projects must have been performed by a certified Los Angeles fabricator. Each project submitted must be a minimum of 700 LF. Two companies submitted a response to this qualifier, Coastal Iron Works Corp. dba Coast Iron Works, and Izurieta Fence Company, Inc. Neither responder submitted sufficient qualifying projects to be awarded in this qualifier. RAP staff will return to the Board at a future time with recommendations to address Ornamental Fencing service category.

Recommended Contracts

BOARD REPORT

PG. 8 NO. 20-090

Once it was determined that the two (2) recommended contractors in the Chain-link and/or Omega Fencing qualifier and the three (3) recommended contractors in the Sports Netting/Fencing qualifier had met all of the minimum qualifications, RAP staff surveyed the responders' provided references. Questions were posed regarding both the responder's ability to self-produce a quality product that met all necessary standards in a timely manner, and if the responder was timely and effective in their correspondence with governing agencies. All of the references for the responders who met our minimum qualifications responded favorably to these questions and highly recommended the respective responder. It is recommended that the two (2) recommended contractors in the Chain-link and/or Omega Fencing qualifier, and the three (3) recommended contractors in the Sports Netting/Fencing qualifier be awarded as-needed contracts for those areas in which the contractors qualified and be eligible to bid on future RAP projects for those project areas which they have qualified.

RAP Staff recommends the Board approve the award of the Contracts to each of the two (2) recommended contractors in the Chain-link and/or Omega Fencing qualifier, and the three (3) recommended contractors in the Sports Netting/Fencing qualifier and authorize the Board President and Secretary to execute the Contracts with each of them, subject to approval by the City Attorney and Mayor's Office. The selected pre-qualified contractors are being recommended to the Board for an as-needed, three (3) year contract, in an amount not to exceed an annual expenditure of Five Million Dollars (\$5,000,000.00) per contract, per year. The contract amount is an estimate, and RAP does not guarantee that the contract maximum amount will be reached. The Contracts shall be subject to funding availability and early termination by RAP, as provided in the Standard Provisions for City Contracts which is a part of each Contract. Funding for projects will be provided from various funding sources including, but not limited to Proposition K, Quimby, Measure A, and Proposition 68.

FISCAL IMPACT

The award and execution of these as-needed Contracts have no impact on the RAP's General Fund as funding will be identified on a per project basis.

This Report was prepared by Cynthia Gonzalez, Management Assistant, reviewed by Robert Feld, Sr. Management Analyst II, and reviewed by Matthew Rudnick, Chief Management Analyst.

STRATEGIC PLAN INITIATIVE AND GOALS

Approval of this Report advances RAP's Strategic Plan by supporting:

Goal No. 3: Create & Maintain World Class Parks and Facilities

Outcome No. 3: Increased park maintenance, with a focus on cleanliness.

FOR SPORTS NETTING/FENCING FOR INSTALLATION, MAINTENANCE, AND/OR
REPAIRS

This CONTRACT ("Contract" or "Agreement") is made and entered into this ____ day of _____ 2019, by and between the City of Los Angeles, (herein referred to as "CITY"), a municipal corporation acting by and through its Department of Recreation and Parks (hereinafter referred to as "RAP"), acting by and through its Board of Recreation and Park Commissioners (hereinafter referred to as "BOARD"), and XXX, hereinafter referred to as CONTRACTOR. CITY and CONTRACTOR shall be referred to hereinafter as the "Parties".

RECITALS

WHEREAS, RAP owns various facilities and infrastructure throughout the City of Los Angeles and is responsible for the maintenance and improvements for such facilities and infrastructure; and

WHEREAS, RAP requires the services of an experienced and responsible contractor to perform as-needed sports netting/fencing installation, maintenance and/or repairs for RAP; and

WHEREAS, a Request for Qualification (RFQ) for such services was released on January 8, 2020 and seven (7) responses to the RFQ were received on March 3, 2020; and

WHEREAS, the CONTRACTOR'S response met the minimum requirements for the provision of sports netting/fencing installation, maintenance, and/or repairs services for RAP as specified in the RFQ; and

WHEREAS, CONTRACTOR has the necessary equipment and staff possessing sufficient knowledge, expertise, and experience required to provide the necessary services and has indicated its willingness to perform such services; and

WHEREAS, as a pre-qualified contractor selected through the RFQ, CONTRACTOR shall be invited to bid on projects for sports netting/fencing installation, maintenance and/or repairs on an as-needed basis (each a "Project"), and, if CONTRACTOR is awarded any such Project, CONTRACTOR has indicated its willingness to provide the necessary services for the Project upon the terms and conditions set forth in (1) this Agreement, (2) the RFQ and CONTRACTOR's response to the RFQ ("RFQ Documents"), and (3) the bid notice/documents for the applicable Project and CONTRACTOR's response thereto ("Bid Documents"); and

WHEREAS, RAP, pursuant to Charter Sections 371(e)(2) and 375, finds that it is in its best interest to have pre-qualified contractors and that competitive bidding is not practicable or advantageous as it is necessary for RAP to be able to call on contractors to perform this work as-needed and on an occasional, but frequent, basis without engaging in a new competitive process for each individual project to be performed; however, from among as needed, prequalified contractors each individual project is assigned on the basis of availability of an as-needed, prequalified contractor to perform the work, the price to be charged and the unique expertise of the as-needed contractor; and,

WHEREAS, RAP, pursuant to Charter Section 371(e)(10), finds that use of competitive bidding would be undesirable, impractical or impossible or is otherwise excused by the common law and the City Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by RAP to provide as-needed sports netting/fencing installation, maintenance and/or repairs services; and

WHEREAS, RAP, pursuant to Charter Sections 372 and 375, and Los Angeles Administrative Code Section 10.15(a)(2), finds that obtaining competitive proposals or bids for each individual project for which work may be performed pursuant to this Agreement is not reasonably practicable or compatible with RAP's interests of having available as-needed contractors who are assigned various projects on the basis of availability, price and expertise and that it is therefore necessary to have several as-needed contractors prequalified for this type of service available when called upon by RAP to perform services; and,

WHEREAS, RAP, pursuant to Charter Section 1022, does not have sufficient or adequate personnel in its employ to undertake this task, does not have in its employ staff to respond to this need on an emergency basis, and it is more feasible and economical to secure said services by contract; and

SECTION 6 - COMPENSATION AND INVOICING

6.1 Compensation

CITY will pay CONTRACTOR an amount for service outlined in the "Notice to Proceed" for each individual project awarded under this Contract. The total compensation awarded under this Contract will not exceed Five Million Dollars (\$5,000,000.00) annually on an as-needed basis. CITY in entering in this Contract guarantees no minimum amount of compensation. CITY staff will monitor this not-to-exceed aggregate total.

- 6.2 CONTRACTOR shall inform CITY of any additional project costs due to unforeseen delays and unexpected changes to the scope of work for a project. Additional project costs shall be itemized by CONTRACTOR and approved by CITY before payment is made to CONTRACTOR. CONTRACTOR must provide a report for each service line item that is awarded to the CONTRACTOR. These reports should reflect all pertinent information as it relates to the services performed. The Report should have the CONTRACTOR's business name, address, contract number and contact phone, email and location where the service was performed. No payments shall be made by City accounting staff without an authorized signature from City Staff.

Staff may request evidence that the task has been completed, in the form of a report, brochure or photographs, shall be attached to all invoices.

Invoices and supporting documentation shall be prepared at the sole expense and responsibility of CONTRACTOR. The City will not compensate CONTRACTOR for costs incurred in invoice preparation. The City may request changes to the content and format of the invoice and supporting documentation at any time. The City reserves the right to request additional supporting documentation to substantiate costs at any time.

Tasks that are completed by subcontractors shall be supported by subcontractor invoices, copies of pages from reports, brochures, photographs, or other unique documentation that substantiates their charges.

Failure to adhere to these policies may result in nonpayment pursuant to Charter Section 262(a), which requires the City Controller to inspect the quality, quantity, and condition of services, labor, materials, supplies, or equipment received by any City office or department, and to approve demands before they are drawn on the Treasury.

SECTION 7 - NON-EXCLUSIVITY

RAP and the CONTRACTOR understand and agree that this is a non-exclusive Agreement to provide services to RAP and that RAP may contract with other contractors to provide similar services during the term of this Agreement.

SECTION 8 - RATIFICATION

STANDARD PROVISIONS FOR CITY CONTRACTS

PSC-1. Construction of Provisions and Titles Herein

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one **CONTRACTOR**, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. Applicable Law, Interpretation and Enforcement

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to **CONTRACTOR**.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

PSC-3. Time of Effectiveness

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR**;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
- D. This Contract has been signed on behalf of **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

PSC-4. Integrated Contract

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

PSC-5. Amendment

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

PSC-6. Excusable Delays

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event **CONTRACTOR'S** delay or failure to perform arises out of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

PSC-7. Waiver

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-8. Suspension

At **CITY'S** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon receipt of the notice of suspension, **CONTRACTOR** shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

PSC-9. Termination

A. Termination for Convenience

CITY may terminate this Contract for **CITY'S** convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

B. Termination for Breach of Contract

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If the default under this Contract is due to **CONTRACTOR'S** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of

services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY'S** requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then **CITY** may immediately terminate this Contract.
4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates **CITY'S** laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.
5. Acts of Moral Turpitude
 - a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").
 - b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.
 - c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR'S** ability to perform under the terms of this Contract.
 - d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.

- e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
 6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
 7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
 8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

PSC-10. Independent Contractor

CONTRACTOR is an independent contractor and not an agent or employee of **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of **CITY**.

PSC-11. Contractor's Personnel

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. **CITY** has the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** shall remove personnel from performing work under this Contract if requested to do so by **CITY**.

CONTRACTOR shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. If **CITY** permits the use of Subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. **CITY** has the right to approve **CONTRACTOR'S** Subcontractors, and **CITY** reserves the right to request replacement of any

Subcontractor. **CITY** does not have any obligation to pay **CONTRACTOR'S** Subcontractors, and nothing herein creates any privity of contract between **CITY** and any Subcontractor.

PSC-12. Assignment and Delegation

CONTRACTOR may not, unless it has first obtained the written permission of **CITY**:

- A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or
- B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

PSC-13. Permits

CONTRACTOR and its directors, officers, partners, agents, employees, and Subcontractors, shall obtain and maintain all licenses, permits, certifications and other documents necessary for **CONTRACTOR'S** performance of this Contract. **CONTRACTOR** shall immediately notify **CITY** of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents that relate to **CONTRACTOR'S** performance of this Contract.

PSC-14. Claims for Labor and Materials

CONTRACTOR shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

PSC-15. Current Los Angeles City Business Tax Registration Certificate Required

For the duration of this Contract, **CONTRACTOR** shall maintain valid Business Tax Registration Certificate(s) as required by **CITY'S** Business Tax Ordinance, Section 21.00 *et seq.* of the Los Angeles Municipal Code ("LAMC"), and shall not allow the Certificate to lapse or be revoked or suspended.

PSC-16. Retention of Records, Audit and Reports

CONTRACTOR shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form or as otherwise approved by **CITY**. These records shall be retained for a period of no less than three years from the later of the following: (1) final payment made by **CITY**, (2) the expiration of this Contract or (3) termination of this Contract. The records will be subject to examination and audit by authorized **CITY** personnel or **CITY'S** representatives at any time. **CONTRACTOR** shall provide any reports requested by **CITY** regarding

performance of this Contract. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

In lieu of retaining the records for the term as prescribed in this provision, **CONTRACTOR** may, upon **CITY'S** written approval, submit the required information to **CITY** in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract.

PSC-17. Bonds

All bonds required by **CITY** shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code ("LAAC") Sections 11.47 *et seq.*, as amended from time to time.

PSC-18. Indemnification

Except for the active negligence or willful misconduct of **CITY**, or any of its boards, officers, agents, employees, assigns and successors in interest, **CONTRACTOR** shall defend, indemnify and hold harmless **CITY** and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including **CONTRACTOR'S** employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of an act, error, or omission by **CONTRACTOR**, Subcontractors, or their boards, officers, agents, employees, assigns, and successors in interest. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-19. Intellectual Property Indemnification

CONTRACTOR, at its own expense, shall defend, indemnify, and hold harmless the **CITY**, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its Subcontractors, in performing the work under this Contract; or (2) as a result of **CITY'S** actual or intended use of any Work Product (as defined in PSC-21) furnished by **CONTRACTOR**, or its Subcontractors, under this Contract. The rights and remedies of **CITY** provided in this section shall not be exclusive

and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-20. Intellectual Property Warranty

CONTRACTOR represents and warrants that its performance of all obligations under this Contract does not infringe in any way, directly or contributorily, upon any third party's intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity and proprietary information.

PSC-21. Ownership and License

Unless otherwise provided for herein, all finished and unfinished works, tangible or not, created under this Contract including, without limitation, documents, materials, data, reports, manuals, specifications, artwork, drawings, sketches, blueprints, studies, memoranda, computation sheets, computer programs and databases, schematics, photographs, video and audiovisual recordings, sound recordings, marks, logos, graphic designs, notes, websites, domain names, inventions, processes, formulas, matters and combinations thereof, and all forms of intellectual property originated and prepared by **CONTRACTOR** or its Subcontractors under this Contract (each a "Work Product"; collectively "Work Products") shall be and remain the exclusive property of **CITY** for its use in any manner **CITY** deems appropriate. **CONTRACTOR** hereby assigns to **CITY** all goodwill, copyright, trademark, patent, trade secret and all other intellectual property rights worldwide in any Work Products originated and prepared under this Contract. **CONTRACTOR** further agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

CONTRACTOR agrees that a monetary remedy for breach of this Contract may be inadequate, impracticable, or difficult to prove and that a breach may cause **CITY** irreparable harm. **CITY** may therefore enforce this requirement by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

For all Work Products delivered to **CITY** that are not originated or prepared by **CONTRACTOR** or its Subcontractors under this Contract, **CONTRACTOR** shall secure a grant, at no cost to **CITY**, for a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

CONTRACTOR shall not provide or disclose any Work Product to any third party without prior written consent of **CITY**.

Any subcontract entered into by **CONTRACTOR** relating to this Contract shall include this provision to contractually bind its Subcontractors performing work under this Contract such that **CITY'S** ownership and license rights of all Work Products are preserved and protected as intended herein.

PSC-22. Data Protection

- 2. Notice of Cancellation.** All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.
- 3. Primary Coverage.** CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.
- 4. Modification of Coverage.** The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.
- 5. Failure to Procure Insurance.** All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

- 6. Workers' Compensation.** By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same.
