PROJECT CONSTRUCTION

RAP staff has determined that sufficient funding has been identified and construction for the Project is anticipated to begin in Fall 2021.

TREES AND SHADE

The proposed Project will not have any impact on the existing trees at Valley Plaza Park. The proposed Project includes the installation of a shade structure over the playground and adjacent seating area.

ENVIRONMENTAL IMPACT

The proposed Project consists of outdoor lighting and fencing for security and operations; replacement of existing structures where the new structure will be located on the same site as the structure replaced and have substantially the same purpose and capacity; installation of new equipment involving negligible or no expansion of use if required for safety and the public convenience; new gardening, tree planting, and landscaping and construction or placement of minor structures accessory to existing institutional facilities. As such, RAP staff recommends that
the Board of Recreation and Parks Commissioners (Board) determines that it is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Article III, Section 1, Class 1(12), Class 2(2), Class 3(4), Class 4(3) and Class 11(6) of City CEQA Guidelines and Article 19, Section 15301, 15302, 15303, 15304(b) and 15311 of California CEQA Guidelines. RAP staff will file an NOE with the Los Angeles County Clerk upon the Board’s approval.

FISCAL IMPACT

The approval of this allocation of Quimby Fees, Zone Change Fees and commitment of Park Fees will have no fiscal impact on RAP’s General Fund.

The estimated costs for the design, development, and construction of the proposed park improvements are anticipated to be funded by Quimby Fees, Zone Change Fees, Park Fees or funding sources other than the RAP’s General fund. The maintenance of the proposed park improvements can be performed by current staff with no overall impact to existing maintenance service at this facility.

STRATEGIC PLAN INITIATIVES AND GOALS

**Goal No. 1:** Provide Safe and Accessible Parks  
**Outcome No. 2:** All parks are safe and welcoming  
**Result:** The replacement of the playground, installation of path of travel and additional improvements will enhance the park users’ experience.
