SUMMARY

On October 15, 2020, the Board of Recreation and Park Commissioners (Board), through Report No. 20-206, approved a Voting Center Agreement with the Los Angeles County Registrar-Recorder/County Clerk (RR/CC) which allowed the use of thirty-four (34) RAP facilities as host locations for voting centers in the November 3, 2020 Presidential General Election. Recently, RR/CC staff approached RAP concerning the need to utilize RAP facilities for a special election. Due to the resignation of State Senator Holly J. Mitchell, who was elected to the Los Angeles County Board of Supervisors, a Special Election for Senate District 30 is required.

RR/CC staff have identified three (3) facilities they would like to utilize as hosts for voting centers for this special election. The three (3) facilities are as follows:

Betty Hill Senior Citizen Center located at 3570 S. Denker Avenue
Vineyard Recreation Center located at 2942 S. Vineyard Avenue
Mar Vista Recreation Center located at 11430 Woodbine Street

RAP staff has reviewed the proposed sites and find them acceptable. It should be noted that Betty Hill Senior Citizen Center and Vineyard Recreation Center were utilized as Voting Centers during the November 3, 2020 election.

Vote Center Use Agreement

The proposed VCA is essentially similar to the agreement that the Board approved on October 15, 2020. The term of the proposed VCA is for a maximum period of three (3) months which includes access to the facilities for set-up, election day, and tear-down. It includes a provision that provides reimbursement for costs incurred by RAP which include staff costs related to opening and closing the voting centers and maintaining the restrooms during the election. It should be noted that this VCA covers the time period for the Special Primary Election which will
occur on March 2, 2021 and Special General Election which will occur May 4, 2021. The proposed VCA is attached to this Report as Attachment 1.

ENVIRONMENTAL IMPACT

The proposed Project consists of an agreement to use existing facilities involving negligible or no expansion of use. As such, RAP staff recommends that the Board determines that it is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Article III, Section 1, Class 1(14), of City CEQA Guidelines and Article 19, Section 15301 of California CEQA Guidelines. RAP Staff will file an NOE with the Los Angeles County Clerk upon Board approval.

FISCAL IMPACT

All costs related to the work for the operation and maintenance of the vote centers will be the responsibility of RR/CC. There is no fiscal impact to RAP’s General Fund as a result of this VCA.

This Report was prepared by Cid Macaraeg, Sr. Management Analyst II, Planning, Construction and Maintenance Branch.

SAFE ELECTION PLAN

The Los Angeles County “Safe Election Plan” aligns with California’s “Election Administration Guidance under COVID-19.” Each was developed in consultation with relevant health authorities using the best public health information available, including guidance provided by the U.S. Centers for Disease Control and Prevention (CDC) and California public health officials.

The Los Angeles Registrar-Recorder/County Clerk (RR/CC) will:

• Develop a voting location-specific protection plan.
• Train workers on measures to limit the spread of COVID-19, including screening themselves for symptoms and staying home when necessary.
• Establish prevention and self-screenings measures for workers.
• Establish and communicate physical distancing guidelines.
• Implement hand-washing, face covering and disinfection protocols.

FOR VOTERS

All registered voters will be mailed a Vote by Mail ballot.

L.A. County will encourage voters to stay home and vote using their mail-in ballot. However, for some individuals it will still be preferable to vote in person. Wherever in-person voting is offered, we will follow the State and County’s public health and safety guidance to provide a safe voting environment.

COVID-19 Information for Voting In-Person:

• Voters must wear a face covering while at the vote center or waiting in line.
• Face coverings and gloves will be available for voters if requested.
• Hand sanitizer will be provided upon entry and exit of the Vote Center. Hand sanitizer will also be available at key stations during the voting process.
• Social distancing will be enforced while waiting in line and throughout the check-in and voting process.
• ePollbooks and Ballot Marking devices will be sanitized after every voter.
• Voters will be encouraged to take measures to speed up their election process to limit their time in the Vote Center. This includes verifying voter registration in advance, using the Interactive Sample Ballot (ISB) to pre-mark selections, and bringing their Sample Ballot to speed up the voter check-in.
• Voters will be encouraged to take advantage of early voting and vote at off-peak times if possible.
• Curbside voting will continue to be available for voters who are unable to enter the Vote Center.

FOR ELECTION WORKERS

Election Workers will be trained to implement the following guidelines:

• Follow prevention measures while at home to help limit the spread of COVID-19.
• Do not come to the Vote Center if diagnosed with COVID-19, symptomatic, or in contact with a positive patient in prior 14 days.
• Confirmation of self-screening as part of daily worker sign-in.
• Wash hands frequently or use hand sanitizer where soap and water are unavailable.
• Wear protective equipment including face coverings, face shields, and gloves.
• Establish non-contact norms so workers avoid greeting co-workers and voters with physical contact: “Distancing starts at hello.”
• Frequently sanitize work items and commonly used surfaces.
• Sanitize ePollbooks and Ballot Marking Devices before start of day, after each voter, on an hourly schedule, and at closing time.
• Minimize the handling of shared objects.
• Limit nonessential visitors to the Vote Center.
• Take special care to disinfect equipment before use by voters with disabilities because they may interact with the equipment in different ways, and some may have unique health vulnerabilities. Accessibility controls for voting equipment will be cleaned before and after each use.
• Single-use disposable ear covers for device headphones will be provided and replaced after each use.

VOTE CENTER LAYOUT

• A custom Vote Center layout will be created for each location that ensures 6ft physical distance throughout the Vote Center to the extent possible.
• One-directional foot traffic.
• Separate routes for entry and exit where possible.
• Windows will be opened to increase air circulation where possible.
• Check-in stations and Ballot Marking Devices will be placed to create physical distance.
• Each vote center will have a stop station at the entrance where voters will be provided with hand sanitizer. Masks and gloves will be available for voters if needed. An election worker will be stationed here to remind voters of special precautions.
• If weather permits, the number of voters in the facility will be limited by moving lines outdoors.

SIGNAGE

• Signage to remind voters, observers and workers of physical distancing, face coverings, and updated foot traffic patterns.
• Clear signage to indicate appropriate distances.
• Posted at entrances and highly visible locations.
• Visual cues (e.g., floor markings, colored tape, or signs) will be deployed to remind workers and voters of appropriate distancing.

MEDIA, SOCIAL MEDIA AND DIRECT COMMUNICATION

The County’s media campaign will include the following components:

• Voting by mail is a safe choice to avoid exposure to COVID-19 while voting.
• There are alternatives to provide a ballot replacement or to help you cast a ballot without entering a voting site including procedures for requesting a replacement, drop boxes and curbside voting.
• If you must enter a voting location, please:
  - Wear a face covering.
  - Maintain physical distance of at least 6ft from people not from your household.
  - Use hand sanitizer before approaching the check-in station and after voting.
  - Follow any additional guidance provided at the voting location.

This plan serves as a baseline. The RR/CC Safe Election Plan will continue to grow and expand as new guidance and recommendations continue to come out.
