BOARD REPORT

PG. 2 NO. 21-006

SUMMARY

Delano Recreation Center is located at 15100 Erwin Street in the Van Nuys community of the City. This 4.45 acre facility provides multipurpose fields, a play area, and a recreation center for the use of the surrounding community. Approximately 6,307 City residents live within a one-half mile walking distance of Delano Recreation Center.

The Los Angeles Organizing Committee for the Olympic and Paralympic Games 2028 (LA28) commissioned the installation of a few, select LA28 murals throughout the City as part of the launch of the LA28 official logo and emblem reveal and to engage the community and promote a positive social change as part of the emerging Olympic & Paralympic Games.

In August 2020, RAP staff issued a ROE permit for the installation of a temporary mural at Delano Recreation Center (the only City park site chosen for this special honor), which would remain until the end of September 2020. The installation of the mural was completed on September 1, 2020, as depicted in Attachment 1.

The mural installed at Delano Recreation Center includes the LA28 emblem designed by Olympian and professional soccer player Alex Morgan on a background inspired by the scenery of California and as a nod to RAP's successful GirlsPlayLA program and the Youth Sports Program. The mural is located on a portion of the northern facing wall around the entrance to the recreation center facing the site's **baseball diamond** (shown in Attachment 2).

The mural was designed specifically for Delano Recreation Center by local artist Kristy Sandoval. Sandoval is first-generation Chicana raised in the Northeast San Fernando Valley. Since 2008, Sandoval has painted more than 30 art murals focusing on human rights, world affairs from an environmental standpoint and female empowerment.

The Office of Council President Nury Martinez and District 6 requested the temporary mural installation be made permanent.

Subsequently, LA28 submitted an art application requesting the mural be approved for an installation period of 10 years. LA28 will remove the Snapchat logo and the LA28 logos on the top right portion of the mural (shown in Attachment 3) and those areas will be painted to match the background of the existing mural. LA28 will also coat the mural in the required anti-graffiti coating.

BOARD REPORT

PG. 3 NO. 21-006

RAP's standard Waiver of Rights as part of the mural application process has been enacted with the following modifications, under the proposed revisions to the "Artist Waiver for Public Art, Murals, Monuments and Memorial Plaques" as Attachment 4. Per the proposed revisions:

- The "LA28" logo, designed by Alex Morgan, will remain the intellectual property of LA28, who would retain the sole rights to removal and modification of the "LA28" logo portion of the mural at any time.
- RAP would have the right to remove but not change or modify the "LA28" logo at any time
- RAP would have the rights to modify any other portion of the mural except the "LA28" logo.
- City agrees to provide the following notice for any Film LA permit, or other permit that may involve capturing the mural for commercial uses or purposes: "*The mural at Delano Park contains the intellectual property of Los Angeles Organizing Committee for the Olympic and Paralympic Games 2028 dba LA28, and may not be reproduced or used without the express written consent of LA28*"
- City may photograph the mural for the City's non-commercial publicity and educational purposes

Upon approval of this Report, the revised "Artist Waiver for Public Art, Murals, Monuments and Memorial Plaques" will be signed by LA28 and executed by RAP staff.

Per LA28, the mural needs to be approved by the end of January 2021 at which point the mural has to be removed and the wall restored to its original state due to the expiration of LA28's contract with the artist.

RAP staff has contacted the Department of Cultural Affairs (DCA) staff to coordinate the necessary approval of the mural. The conceptual and final approval for the project from the DCA Board of Commissioners is pending. Should the mural not receive the necessary approvals from DCA Board of Commissioners, then the mural shall be removed by LA28 and the wall restored to its original state.

The Office of Council District 6 has provided a letter of support for the mural, which also states that the mural has broad support from the surrounding community (Attachment 5). To date the mural has been a wonderful addition to the recreation center and a nice vantage point for RAP's Alternative Learning Site.

ENVIRONMENTAL IMPACT

The proposed Project consists of the installation of signs on City property managed by a City Department which has a sign policy adopted by the Board of Commissioners. As such RAP staff recommends that the Board of Recreation and Park Commissioners (Board) determines that it is exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Article III, Section 1, Class 11(5) of City CEQA Guidelines and Article 19, Section 15311(a) of California CEQA Guidelines. A Notice of Exemption will be filed with the Los Angeles County Clerk upon the Board's approval.

BOARD REPORT

PG. 4 NO. 21-006

FISCAL IMPACT

RAP will be responsible for the maintenance of the mural. It is anticipated that the maintenance of the mural will incur an annual cost of approximately Seven Thousand, Five Hundred Dollars (\$7,500.00) to RAP's General Fund. This estimate includes the on-going application of anti-graffiti coating a few times a year and consistent cleaning (ie. pressure washing) and anti-graffiti removal. Should the mural or the "LA28" logo be de damaged beyond RAP's staff's ability to restore or clean, then LA28 will be contacted to restore the mural or "LA28" logo or the wall will be restored to its original state.

STRATEGIC PLAN INITIATIVES AND GOALS

Approval of this Board Report advances RAP's Strategic Plan by supporting:

Goal No. 1: Provide Safe and Accessible Parks

Outcome No. 2: All parks are safe and welcoming

Result: The LA28 mural demonstrates the diversity of Los Angeles and enhances the park user's experience.

RE: Delano Park LA28 Mural

Dear Ms. Luera,

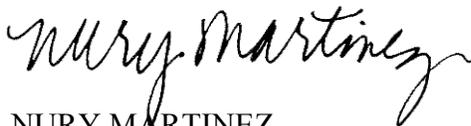

This letter is in support of the LA28 Mural at Delano Recreation Center.

This mural was created by Kristy Sandoval, a local artist from the San Fernando Valley. It converted a blank wall into a large piece of public art, which has become a local landmark in the community and it has broad support from the surrounding neighborhood.

Increasing the amount of public art in my district is a big priority of mine and urge your support of this mural.

If you have any questions please contact my Planning Director, Max Podemski, at (213) 473-7006.

Sincerely,

NURY MARTINEZ
LA City Council President
Councilwoman, 6th District
