RECOMMENDATIONS

1. Grant preliminary conceptual approval of the installation of interactive outdoor exhibits at the Discovery Science Center Los Angeles in Hansen Dam Recreation Area (Project) in accordance with the detail set forth in this Report and its Attachments (Project); and,

2. Authorize the Department of Recreation and Parks (RAP) staff to make technical corrections as necessary to carry out the intent of this Report.

SUMMARY

The Discovery Cube Los Angeles is an approximately 57,000 square foot museum and science center located at 11800 Foothill Boulevard, in the Lake View Terrace community of the City of Los Angeles (City). The Discovery Cube is located on a 2.5-acre site within the 1,450 acre Hansen Dam Recreation Area.

LEASE AGREEMENT

On December 10, 2012, the Board of Recreation and Park Commissioners (Board) approved a Lease Agreement between the Discovery Science Center of Los Angeles (DSCLA), a non-profit organization based in the City of Santa Ana in Orange County, and the City, acting by and through the Board, for the use, operation, and maintenance of a children’s museum and environmental awareness learning center at Hansen Dam Park, proposed to be called the Discovery Science Center of Los Angeles (Attachment 1 - Report No. 17-245); (Attachment 3 - Lease Agreement No. C-121656 of City Contracts). The Discovery Science Center of Los Angeles is the name of the legal entity that is the lessee/operator under the Lease Agreement and the facility is now known as the Discovery Cube Los Angeles (referred to in the Lease Agreement as "the Center"). The Center opened to the public on November 13, 2014.
The Lease Agreement was executed on January 4, 2013, and has a term of thirty (30) years with an option to extend for an additional twenty (20) year term. The Lease Agreement obligates DSCLA to operate and maintain a children's museum and environmental awareness learning center at Hansen Dam Park, at the facility formerly known as the Children's Museum of Los Angeles. The Lease Agreement requires DSCLA, working in cooperation with the City, to raise and make available the funds necessary to make improvements to the existing building and to design, fabricate and install the Center's exhibit program. DSCLA is also responsible for any costs associated with the long-term operation and maintenance of the Center, including all security, maintenance, and custodial services costs. The City may, but has no obligation to, assist DSCLA in identifying and securing funding for the operation and maintenance of the facility. The City has no obligation to perform any maintenance or to make any repairs to the facility at any time during the term of this Lease Agreement.

Pursuant to the terms of Article 5 of Exhibit E ("Improvements and Exhibits Agreement") of the Lease Agreement, any modifications to the plans and design for the Center's exhibit program, when completed, must be submitted to RAP for review, and presented to the Board for consideration, prior to any construction taking place at the site.

MEMORANDUM OF UNDERSTANDING

In 2017, the Board approved a Memorandum of Understanding (MOU) between RAP and DSCLA for the transfer of Proposition K maintenance funds for the Discovery Cube Los Angeles. Prior to the approval of the MOU, RAP had applied for all Proposition K funds with the intent to transfer any awarded funds to DSCLA.

Per the MOU, DSCLA is now able to directly submit applications for Proposition K funds without RAP being the pass-through entity, provided that any Proposition K applications DSCLA prepares is submitted to RAP for consideration prior to submittal to the Proposition K program. Any funds awarded for the maintenance of the Center and permanent exhibits are to be expeditiously paid or transferred directly to DSCLA.

SCOPE OF WORK

The Project proposes the development of the area in front of the Discovery Science Center Los Angeles located at Hansen Dam Park, which includes the installation of four interactive exhibits and related site improvements. The proposed Project also includes the installation of a water retention basin in the northernmost portion of the parcel next to Foothill Boulevard. All of the proposed improvements would be located within the current boundaries of DSCLA's Lease.
The scope of work is as follows:

- **Exhibit 1:** The installation of a water fountain featuring a 26-foot Discovery Cube sculpture, with water and lighting effects. The fountain will also generate power via solar panels.
- **Exhibit 2:** The installation of a new play area featuring a fire truck with splash pads and an interactive model helicopter.
- **Exhibit 3:** The installation of a new carousel that will be powered via solar panels.
- **Exhibit 4:** The installation of an interactive water table resembling the Los Angeles River.
- Related site improvements such as landscaping improvements.
- The installation of a decorative water retention basin on the northern corner of the parcel.

Conceptual renderings of the proposed Project are attached (Attachment 2).

The budget for the Project is currently estimated at $5 million. DSCLA has identified sufficient capital funds needed in order to fund the proposed Center building improvements and exhibit program. The funding for the proposed Project is being provided by the State of California.

Upon approval of this Report, DSCLA can commence with the development of the detailed working drawings, specifications, and final plans needed to initiate the design, fabrication, and installation of the proposed Project. Per Exhibit E of the Lease Agreement, final plans will be subject to review by the Board prior to installation.

Additionally, it should be noted that a portion of the proposed Project is located on federally-owned land managed by the United States Army Corps of Engineers (USACE). The federally-owned land is leased to City for recreational purposes pursuant to Department of the Army Lease No. DACW09-1-69-45 between USACE and the City for property located within the Hansen Flood Control Basin. Pursuant to the terms of the Lease Agreement, as well as Department of the Army Lease No. DACW09-1-69-45, the proposed Project is also subject to the approval of USACE.

The Office of Council District 7 is in support of this Project.

**FUNDING INFORMATION**

The proposed Project is to be funded with funds provided directly to DSCLA by the State of California.
ENVIRONMENTAL IMPACT

The scope of work of the proposed Project is not defined enough to determine which California Environmental Quality Act (CEQA) action should be taken. Therefore, RAP Staff has determined that CEQA will be addressed when the complete project scope has been defined and finalized for approval by the Board.

FISCAL IMPACT

The conceptual approval of this Project will not have an impact on RAP’s General Fund.

The costs for the design, development, and construction of the proposed Project is anticipated to be funded by funding sources other than RAP General Fund. Because the improvements are located within the boundaries of the DSCLA Lease area, DSCLA will provide any repairs or maintenance once the improvements have been installed.

STRATEGIC PLAN INITIATIVES AND GOALS

Approval of this Board Report advances RAP’s Strategic Plan by supporting:

**Goal No. 3: Create and Maintain World Class Parks**

**Outcome No. 1:** Newly developed open space park projects and the redesign of signature City Parks.

**Result:** The installation of outdoor exhibits at the Discovery Cube Los Angeles will engage the community and enhance the park user’s experience.

SUMMARY

The Discovery Cube Los Angeles is an approximately 57,000 square foot museum and science center located at 11800 Foothill Boulevard, in the Lake View Terrace area of the City. The Discovery Cube is located on a 2.5 acre site within the 1,450 acre Hansen Dam Recreation Area.

LEASE AGREEMENT

On December 10, 2012, the Board of Recreation and Park Commissioners (Board) approved a Lease Agreement between the Discovery Science Center of Los Angeles, a non-profit organization based in the City of Santa Ana in Orange County, and the City of Los Angeles, acting by and through the Board, for the use, operation, and maintenance of a children’s museum and environmental awareness learning center at Hansen Dam Park, proposed to be called the Discovery Science Center of Los Angeles (Attachment 1 - Board Report No. 12-327); (Attachment 2 - Lease Agreement No. C-121656 of City Contracts). The Discovery Science Center of Los Angeles is name of the legal entity that is the lessee/operator under the Lease Agreement and the facility is now known as the Discovery Cube Los Angeles (referred to in the Lease Agreement as “the Center”). The Center opened to the public on November 13, 2014.

The Lease Agreement was executed on January 4, 2013, and has a term of thirty (30) years with an option to extend for one twenty (20) year term. The Lease Agreement obligates DSCLA to operate and maintain a children’s museum and environmental awareness learning center at Hansen Dam Park, at the facility formerly known as the Children’s Museum of Los Angeles. The Lease Agreement requires DSCLA, working in cooperation with the City, to raise and make available the funds necessary to make improvements to the existing building and to design, fabricate and install the Center’s exhibit program. DSCLA is also responsible for any costs associated with the long-term operation and maintenance of the Center, including all security, maintenance, and custodial services costs. The City may, but has no obligation to, assist DSCLA in identifying and securing funding for the operation and maintenance of the facility. The City has no obligation to perform any maintenance or to make any repairs to the facility at any time during the term of this Lease.

PROPOSITION K MAINTENANCE FUNDING

The Proposition K Ballot Measure designated that a portion of the annual assessment be used for maintenance of completed projects that had been funded under the Proposition K Program. However, only a limited amount of maintenance funds are available on an annual basis. Proposition K maintenance funds are only available to completed projects and Proposition K grantees must apply each year for funding. The Office of the City Administrative Officer (CAO) and Chief Legislative Analyst (CLA) review the maintenance applications and recommend funding amounts to the L.A. for Kids Steering Committee. The maintenance awards are then submitted to the City Council for approval.
A portion of the funding utilized for the design and construction of the Center building, and for the design, fabrication and installation of the Center's exhibit program, were provided by the Proposition K Specified Grant Program (Contracts No. C-98362 and No. C-109472) and the Proposition K Competitive Grant Program (Contract No. C-100050).

RAP, as the grantee for the Proposition K Specified Grant Program funds and the Proposition K Competitive Grant Program funds that were utilized for the Center project, is the agency eligible to request and receive Proposition K maintenance funds for the maintenance of the Center and permanent exhibits. Accordingly, for the past two fiscal years, RAP has requested, and was awarded, a total of $158,122.00 in Proposition K maintenance funds for the Center -- $73,545.00 for FY 2015-2016 and $84,577.00 for FY 2016-2017. It should be noted that these Proposition K maintenance funds were awarded and appropriated to RAP but that RAP has not received nor expended them.

MEMORANDUM OF UNDERSTANDING

Article 3.2 of the Lease Agreement states, in part, that "...the CITY may, at its sole and absolute discretion, assist DCLA in identifying and securing funding for the operation and maintenance of the Center but has no obligation to do so." For the past several years RAP has applied for Proposition K maintenance funds with the intent to transfer any awarded funds to DSCLA, as all maintenance at the Center is done by DSCLA staff and/or contractors. It was originally anticipated that the Lease Agreement with DSCLA would provide the City with sufficient authority to transfer the appropriated Proposition K maintenance funds to DSCLA. However, it was ultimately determined that a separate mechanism would be needed in order to specifically authorize the transfer of Proposition K maintenance funds to DSCLA.

RAP is recommending the Board approve a Memorandum of Understanding (MOU) with DSCLA in order to facilitate the transfer of any Proposition K maintenance funds awarded for the maintenance of the Center and permanent exhibits directly to DSCLA, and to provide that in the future, DSCLA may itself apply for Proposition K maintenance funding without having RAP be the pass-through entity for the application and the maintenance funds.

As detailed in the proposed MOU, the City would delegate, on a non-exclusive basis, authority to DSCLA to apply for Proposition K maintenance funds for the Center and permanent exhibits on behalf of RAP. The MOU requires DSCLA to provide any Proposition K maintenance application it prepares to RAP, for its review and approval, prior to its submittal to the Proposition K Program. Additionally, under the MOU any Proposition K maintenance awarded to the DSCLA project would be paid directly to the entity (RAP or DCLA) that prepared and submitted the Proposition K maintenance application for that given year. Finally, the MOU would authorize the City to transfer to DCLA any Proposition K maintenance funds previously awarded to RAP for the DSCLA project.

Upon execution of the MOU, RAP staff will coordinate as necessary with the CAO and the Department of Public Works, Office of Accounting, to ensure that any Proposition K maintenance funds awarded for maintenance of the DSCLA project are expeditiously paid or transferred directly to DSCLA.
ENVIROMENTAL IMPACT STATEMENT

RAP Staff has determined that the project has been previously evaluated for environmental impacts in compliance with City California Environmental Quality Act (CEQA) Guidelines, and the proposed MOU will not cause any additional adverse environmental impacts. A Mitigated Negative Declaration (MND) was adopted by the Los Angeles City Council on May 24, 2000 in connection with the Children's Museum of Los Angeles project, including the operations of the facility. A Notice of Determination was filed with the Los Angeles City and County Clerks on June 20, 2000. The proposed MOU will not substantially change the scope of the original operational plan of the Children's Museum of Los Angeles project, nor require any additional mitigation measures. Therefore, the previously adopted MND is still valid for this MOU, and no additional CEQA documentation is required for Board approval.

FISCAL IMPACT STATEMENT

The approval and execution of the MOU will have no fiscal impact on the RAP's General Fund.

This Report was prepared by Darryl Ford, Senior Management Analyst I, Planning, Maintenance and Construction Branch.

SUMMARY:

In Board Report No. 12-308, approved by the Board of Recreation and Park Commissioners (Board) at its meeting of November 7, 2012, a Lease Agreement, between the Discovery Science Center of Los Angeles (DSCLA), a non-profit organization formed by the Discovery Science Center based in the City of Santa Ana in Orange County (DSC-OC), and the City of Los Angeles, acting by and through the Board was approved, for the use, operation, and maintenance of a museum and environmental learning center at Hansen Dam Park, proposed to be called the Discovery Science Center of Los Angeles.

Subsequent to the November 7, 2012 meeting of the Board, it was determined that various modifications are needed to the Lease Agreement to comply with New Markets Tax Credits (NMTC) funding requirements and to maximize the amount of funds the project is eligible to
receive. The Discovery Science Center in Orange County (DSC-OC) created a new legal entity, the DSC Leverage Lender, LLC (DSC LLC), to serve as a conduit for leveraging additional equity to maximize the amount of New Market Tax Credit (NMTC) financing that DSCLA would be eligible to receive for the Center’s improvements and exhibit program.

In order to effectuate the necessary NMTC transactions, a lease agreement with the City must be initially executed with the DSC, LLC, instead of the Discovery Science Center of Los Angeles (DSCLA) as was approved by the Board at its meeting of November 7, 2012. Once the NMTC financing deal closes, the DSC, LLC will assign its lease to DSCLA, at which time the successor lease between RAP and DSCLA will become effective, and the lease between RAP and the DSC, LLC will terminate. The NMTC financing is provided to DSCLA by the lender in the form of a loan that DSCLA essentially repays by creating jobs and providing services in a low income community. This concept is discussed in more detail below. The loan is secured by a Leasehold Deed of Trust on the leasehold interests of the DSCLA. In the event of a default on the loan by DSCLA, the NMTC structure allows the lender to select a replacement operator that would be required to operate the Center within the terms of the lease between RAP and DSCLA. The proposed Consent to Leasehold Deed of Trust and Modification of Lease effectuates the lender securing the loan with DSCLA’s leasehold interests and provides remedies to the lender in the event DSCLA defaults on the loan. Alternatively, in the event DSCLA defaults on the loan, RAP would have the right to terminate the Lease with DSCLA and operate the center itself or secure another operator. Neither the City nor RAP would have any liability for DSCLA’s obligations under the NMTC financing. The City Attorney has reviewed the related transactional documentation and has opined that they are in order.

Lease Agreements

As discussed above, staff is recommending that the Board approve two separate lease agreements for the Center – the initial lease with DSC, LLC, which will terminate upon the successor lease with DSCLA becoming effective. The terms and conditions of the two lease agreements are substantially the same.

A summary of the major provisions of the lease agreements is provided below:

- **Term** - Thirty (30) years with an option to extend by one twenty (20) year term subject to successful negotiation of a new lease between the City and USACE to extend the terms of the City’s lease of the Hansen Flood Control Basin.

- **Center Opening Date** - On or before March 31, 2015.

- **Center Hours of Operation** - Typical Hours of Operation will be from 10:00 a.m. to 5:00 p.m. seven (7) days a week, and an estimate two hundred seventeen (217) hours per
month. Additionally, DSCLA may sponsor up to thirty (30) evening events annually at the Center, with the prior written approval of the General Manager.

- Admission Fees - DSCLA may charge a reasonable admission fee subject to the written approval of the General Manager. The standard used to approve admission fees shall be that the proposed fee is comparable to that of unsubsidized science centers in the United States of America.

- Parking - City will make available the non-exclusive use of not less than 250 surface parking spaces located within 750 feet of the Center.

- Financing - DSCLA shall be responsible for any costs associated with the long-term operation and maintenance of the Center. The City may, but has no obligation to, assist DSCLA in identifying and securing funding for the operation and maintenance of the Center.

- Ownership of Center and Improvements - All improvements located on the site, including the building and tenant improvements constructed by the City or by DSCLA at the Center at any time during the Term of the lease, would be owned by DSCLA during the Term. At the end of the Term of the lease, the Ownership of the building and tenant improvements revert to the City upon termination of the Lease Agreement.

- Improvements and Exhibit Agreement - The “Improvements and Exhibits Agreement”, which is Exhibit E of the lease agreements, governs (a) the design and modification of the existing building on site, (b) the design, construction and installation of the Center's improvements and exhibit program, and (c) the financing and disbursement of payments for the Center improvements and exhibits.

- Quarterly Reports - DSC and City representatives shall confer on a quarterly basis to evaluate (a) the adequacy of the functional and operational responsibilities of each party, (b) the adequacy of the maintenance levels at the Center, and (c) compliance with any funding or grant agreements reporting obligations.

- Termination - Lease agreements provide for early termination if (a) by September 30, 2013, DSC and City fail to raise and make available the funds necessary to make improvements to the existing building and needed to proceed with design, fabrication and installation of the Center’s exhibits, (b) sufficient funding commitments have not been secured to open and operate the Center by the March 31, 2015 deadline, and (c) DSC fails to open the Center on or before March 31, 2015.
Again, it should be noted that the DSC, LLC lease will terminate once NMTC funds are issued, and upon termination of that lease the lease with DSCLA would become effective.

U.S. Army Corps of Engineers

A portion of the land proposed to be leased to DSC, LLC and then to DSCLA for the Center is City-owned land and a portion of the land is Federally-owned land managed by the U.S. Army Corps of Engineers (USACE). The Federally-owned land is leased to City for recreational purposes pursuant to Department of the Army Lease No. DACW09-1-69-45 between USACE and the City for property located within the Hansen Flood Control Basin.

Pursuant to the terms of Department of the Army Lease No. DACW09-1-69-45, the lease agreements are subject to the approval of USACE, as any subletting of land leased to the City within Hansen Flood Control Basin requires the approval of USACE.

Additionally, it should be noted that, for example, admission fees charged by DSC for entry to the Center, food and/or beverages concession operations at the Center, and the planning and permitting of improvements to the Center by DSC, may also be subject to approval of USACE.

New Market Tax Credits

It is the intention of DSCLA to pursue NMTC financing to help fund improvements to the Center’s improvements and exhibit program. DSC anticipates it will be able to secure up to $3.2 million in NMTC allocations for the project.

New Market Tax Credits are funded from the Community Development Financial Institutions (CDFI) Fund of the U.S. Department of the Treasury. The NMTC Program was established by Congress in 2000 to facilitate economic development in low income communities. The NMTC Program allows individual and corporate investors to receive a tax credit in exchange for making equity investments in specialized financial institutions called Community Development Entities (CDEs). The credit totals 39 percent of the original investment amount and is claimed over a period of seven (7) years. In the recent past, the CDFI Fund has released Notices of Funding Availability to allow CDEs to apply (on a competitive basis) for a new allocation of NMTC each Fiscal Year.

To allow a project to receive the NMTC funds, it is necessary that a single-asset entity be formed to be the borrower and sign the lease and operate the project. This entity is known as a Qualified Active Low-Income Community Business (QALICB).
The proposed lease agreements with DSC, LLC and DSCLA would allow for DSCLA to pursue NMTC funds for the Center’s exhibit program. In order to effectuate the necessary NMTC transactions and maximize the amount of funds the project is eligible to receive, the lease with the City must be initially executed with the DSC, LLC. Then DSCLA essentially purchases the building and lease from DSC, LLC, and the value of the building and lease increase the borrower’s (DSCLA) equity, thereby maximizing the NMTC funds that DSCLA is eligible to receive for the Center. Once the NMTC funds are issued to DSCLA, the successor lease between the City and DSCLA will become effective, and the lease with DSC, LLC will terminate.

Pursuant to Article 17.1 of the lease agreements, DSC, LLC and DSCLA are not permitted to sublet, transfer, or assign the Center or Center Improvements without the consent of the Board and the City Council. Therefore, in order to permit DSCLA to pursue NMTC to help fund improvements to the Center and the Center exhibit’s program, it is also necessary for the Board to approve the proposed Consent to Leasehold Deed of Trust and Modification of Lease and to authorize the General Manager to entering into any collateral agreements that may be necessary for DSCLA to obtain NMTC financing for the Center, subject to approval by the City Attorney as to form.

Improvements and Exhibit Program

At this time, the detailed final plan for the exhibit program for the Center is not complete. Pursuant to the terms of the “Improvements and Exhibit Agreement” (which is an exhibit to each of the lease agreements), the plans and design for the Center’s exhibit program, when completed, will be submitted to staff for review, and presented to the Board for approval, prior to any construction taking place at the site. The deadline for DSCLA to start fabrication of the Center’s exhibits is September 30, 2013. The budget for exhibit program is currently estimated at $21.3 million. City and DSC have identified sufficient capital funds, including the $3.2 million in NMTC funds discussed above, needed in order to fully fund the proposed exhibit program.

Environmental Review

Staff has determined that the project has been previously evaluated for environmental impacts in compliance with City California Environmental Quality Act (CEQA) Guidelines, and the proposed Lease Agreements will not cause any additional adverse environmental impacts. A Mitigated Negative Declaration (MND) was adopted by the Los Angeles City Council on May 24, 2000 in connection with the Children’s Museum of Los Angeles project, including the operations of the facility. A Notice of Determination was filed with the Los Angeles City and County Clerks on June 20, 2000. The proposed operation of the Center, under the terms of the Lease Agreements, will not substantially change the scope of the original operational plan of the Children’s Museum of Los Angeles project, nor require any additional mitigation measures.
Therefore, the previously adopted MND is still valid for these Lease Agreements, and no additional CEQA documentation is required for Board approval.

FISCAL IMPACT STATEMENT:

The approval and execution of the proposed lease agreements and Consent to Leasehold Deed of Trust and Modification of Lease will have no significant impact on the Department’s General Fund.

The costs for the design, development, and construction of building improvements and tenant improvements that may be developed at the Center through the implementation of the Lease Agreements are anticipated to be funded by funding sources other than the Department’s General Fund. The costs associated with the long-term operation and maintenance of the Center will be the responsibility of DSCLA.

Implementation of these lease agreements may result in an increase the overall level of daily maintenance required at Hansen Dam Park as it is anticipated that the opening of the Center will result in a net increase in daily visitors to the park.

DSCLA further covenants and agrees, at its sole cost and expense, to provide and keep in full force and effect Boiler and Machinery insurance on all air conditioning equipment, boilers, and other pressure vessels and systems, whether fired or unfired, serving the improvements on the Premises.

10.1.3. Builder’s Risk Insurance. Prior to the commencement of any construction at, or expansion of, the Center, or major internal or external improvements to the Center’s structure, DSCLA shall, at its sole cost and expense, cause to be provided and kept in full force and effect “All Risks Builder’s Risk” insurance, including vandalism and malicious mischief, covering improvements in place, and all materials and equipment at the job site. Said insurance shall remain in full force and effect until the improvements shall have been completed and fully insured as provided in this Article.

10.1.4. Insurance on DSCLA Personal Property. DSCLA may obtain other insurance covering its equipment, exhibits, artifacts, memorabilia, and other personal property at its sole discretion. CITY, as Landlord, shall have no right to require such insurance nor shall CITY be deemed a beneficiary thereof. No claims will be made to CITY by DSCLA for losses sustained by DSCLA. Nothing in this Paragraph, however, shall be construed to restrict the right of the City of Los Angeles, or any of its Departments, Boards, Commissions, or officers, or any other person or organization, to require DSCLA to obtain insurance on any equipment, artifacts or other property loaned or otherwise provided to the Center or DSCLA by the City of Los Angeles for exhibits, display, or other purposes.
10.1.5 Workers' Compensation. DSCLA shall comply with the provisions of section 3700, et seq., of the California Labor Code and shall be insured (and shall require that each of its contractors and subcontractors comply with such Code and be insured) against liability for workers' compensation and employers' risk in accordance with the provisions of such Code before commencing the performance of any work on or about the Premises or otherwise in relation to this Lease. A Waiver of Subrogation in favor of CITY is required.

10.1.6 Adjustment of Insurance Levels. CITY reserves the right at any time during the Term of this Lease, applying generally accepted Risk Management principles, to change the amounts and types of insurance required hereunder effective at the renewal date of insurance then in effect (in no case more than one year from the written notice) by giving DSCLA ninety days' written notice provided that such amounts and/or types shall be reasonably available to DSCLA at commercially reasonable premiums.

10.1.7 Reduction of Insurance Protection. If any of the required insurance coverages contain aggregate limits, or apply to other operations or tenancies of DSCLA outside of this Lease, DSCLA shall give CITY prompt, written notice of any incident, occurrence, claim, settlement, or judgment against such insurance which in DSCLA'S best judgment may diminish the protection such insurance affords CITY. DSCLA shall further take immediate steps to restore such aggregate limits or shall provide other insurance protection for such aggregate limits.

10.2 Self-Insurance Programs. Self-insurance programs and self-insured retention in insurance policies are subject to separate approval by CITY upon review of evidence of financial capacity to respond. Additionally, such programs or retention must provide CITY with at least the same protection from liability and defense of suits as would be afforded by first-dollar insurance.

10.3 Failure to Maintain Insurance. DSCLA'S failure to procure or maintain required insurance shall constitute a material breach of this Lease under which CITY may immediately terminate this Lease, or, at its discretion, procure or renew such insurance to protect CITY's interest and pay any and all premiums in connection therewith, and recover all monies so paid from DSCLA. If CITY elects to terminate this Lease, DSCLA agrees to immediately cease all operations and activities under this Lease and to peacefully surrender the Premises.

10.4 Indemnification/Hold Harmless. Except for the active negligence or willful misconduct of CITY, or any of its Boards, Officers, Agents, Employees, Assigns and Successors in Interest, DSCLA undertakes and agrees to defend, indemnify and hold harmless CITY and any of its Boards, Officers, Agents, Employees, Assigns, and Successors in Interest from and against all suits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees and cost of litigation, damage or liability of any nature whatsoever, for death or injury to any person, including DSCLA'S employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of the negligent acts, errors, omissions or willful misconduct incident to the performance of this Lease by DSCLA or its subcontractors of any tier. The provisions of this paragraph survive expiration or termination of this Lease.
ARTICLE 11. OWNERSHIP OF IMPROVEMENTS

11.1. Improvements. All improvements located on the Premises, including the building and tenant improvements constructed by the City or by DSCLA as of the Effective Date of this Lease, and all Tenant improvements constructed on the Premises by DSCLA at any time and from time to time during the Term, shall be owned by DSCLA during the Term. Except as hereinafter provided, all improvements on the Premises at the end of the Term shall, without any obligation on the part of CITY to compensate DSCLA therefore, become and remain CITY's property free and clear of all claims to or against such tenant improvements by DSCLA or any third party. CITY shall have the right to require DSCLA to demolish and remove all or any portion of the tenant improvements on the Premises. DSCLA shall take reasonable steps to remove all such claims of third parties existing at that time. Notwithstanding the foregoing, all bronze and other decorative metal, stain glass windows, historic buildings and similar items or structures which DSCLA deems to be part of its collection shall be removable at the end of the Term, whether or not such items are tenant improvements or fixtures.

ARTICLE 12. DAMAGE AND RESTORATION

12.1. Damage. Except as otherwise provided in this Lease, if any improvements located on the Premises are damaged and such damage was caused by fire or other peril covered by DSCLA'S insurance, DSCLA agrees to repair such damage to the extent set forth in this Section, and this Lease shall continue in full force and effect. If such improvements are damaged as the result of any cause other than perils covered by DSCLA'S insurance then DSCLA may, at DSCLA'S option, either (i) repair such damage as soon as reasonably practicable at DSCLA'S sole cost and expense, in which event this Lease shall continue in full force and effect, or (ii) give written notice to CITY within ninety (90) days after the date of occurrence of such damage of DSCLA'S intention to cancel and terminate this Lease of the date of the occurrence of such damage. Upon such termination, DSCLA shall, if requested by CITY, complete demolition of the damaged Center or other damaged improvement and restoration of the Premises to the condition it was in prior to construction of the improvements at DSCLA'S sole cost and expense and shall transfer any proceeds received from DSCLA'S insurance that are attributable to damage to the real property underlying the Premises, if any, to CITY.

12.2. Obligation to Restore. If this Lease is not terminated pursuant to any of the provisions of this Article 12, DSCLA shall, to the extent of available insurance proceeds plus any deductible DSCLA elects to carry, promptly and diligently restore and repair the improvements to substantially the same condition, to the extent possible, they were in immediately prior to the occurrence of the damage, except for modifications required by building codes and other laws and except for any other modifications to the improvements considered desirable by DSCLA and approved by the General Manager. DSCLA'S obligation to restore is subject to reasonable delays for insurance adjustment and other matters beyond DSCLA'S reasonable control. During any period of restoration pursuant to this Section, the Center shall not be required to be open for operation (except where such restoration is minimal or reasonably would not affect partial operation of the Center).
ARTICLE 13. DESIGN AND CONSTRUCTION OF IMPROVEMENTS AND EXHIBITS

13.1 Design and Construction of Tenant Improvements and Exhibits by Tenant. DSCLA shall design the layout of the Center, design and construct Improvements, and design and construct or have constructed the Center Exhibits pursuant to and in conformance with the terms and conditions of the Improvements and Exhibit Agreement attached hereto by this reference and incorporated herein as Exhibit E "Improvements and Exhibit Agreement". DSCLA shall also design the Center and construct the improvements and Center Exhibits in conformance with all the applicable federal, state, county, and city laws in force at the time of design.

13.2 Design and Construction of Improvements by CITY. CITY shall prior to the Center's Opening Date design and construct the improvements specified in Exhibit B "Premises Improvements to be Completed by City".

ARTICLE 14. HAZARDOUS MATERIALS

14.1. Hazardous Materials. CITY and DSCLA agree as follows with respect to the existence or use of Hazardous Materials (as defined in Paragraph 14.1.3. below) on the Premises:

14.1.1. Prohibition. DSCLA shall not cause or permit any Hazardous Material to be brought upon, kept or used in or about the Premises by DSCLA, its agents, employees, contractors or invitees in violation of law or in quantities which would require reporting to a governmental entity, without the prior written consent of the General Manager, which consent shall not be unreasonably withheld. If DSCLA breaches the obligations stated in the preceding sentence, or if the presence of Hazardous Material on the Premises caused or permitted by DSCLA results in contamination of the Premises, or if contamination of the Premises by Hazardous Material otherwise occurs for which DSCLA is legally liable to CITY for damage resulting there from, then DSCLA shall indemnify, hold CITY harmless, and defend CITY (with counsel reasonably acceptable to CITY) from any and all claims, judgments, damages, penalties, fines, costs, liabilities or losses (including, without limitation, diminution in value of the Premises, damages for the loss or restriction on use of rentable or usable space or of any amenity of the Premises, damages arising from any adverse impact on marketing of space on the Premises, and sums paid in settlement of claims, attorneys' fees, consultant fees and expert fees) which arise during or after the Term as a result of such contamination. This indemnification of CITY by DSCLA includes, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision because of Hazardous Material present in the soil or ground water on or under the Premises. Without limiting the foregoing, if the presence of any Hazardous Material on the Premises caused or permitted by DSCLA results in any contamination of the Premises, DSCLA shall promptly take all actions at its sole expense as are necessary to return the Premises to the condition existing prior to the introduction of any such Hazardous Material to the Premises; provided that CITY's approval of such actions shall first be obtained, which approval shall not unreasonably be withheld so long as such actions would not potentially have any material adverse long-term or short-term effect on the Premises. However, the foregoing provisions shall not prohibit DSCLA from transportation to and from, and the use, storage, maintenance, and handling within the Premises of substances customarily used in connection with normal office or Center use provided: a) such substances shall be used and maintained only in such quantities as are reasonably necessary for the permitted use of the Premises set forth in Section 5.1. of this Lease, strictly in accordance with applicable laws and the manufacturers' instructions therefore;
b) such substances shall not be disposed of, released, or discharged at the Premises, and shall be transported to and from the Premises in compliance with all applicable laws, and as CITY shall reasonably require; c) if any applicable law or the trash removal contractor requires that any such substances be disposed of separately from ordinary trash, DSCLA shall make arrangements at DSCLA'S expense for such disposal directly with a qualified and licensed disposal company at a lawful disposal site, and shall ensure that disposal occurs frequently enough to prevent unnecessary storage of such substances on or around the Premises; and d) any remaining such substances shall be completely, properly, and lawfully removed from the Premises upon expiration or earlier termination of this Lease.

14.1.2. Compliance Costs. CITY and DSCLA acknowledge that CITY may become legally liable for the costs of complying with laws relating to Hazardous Material which are not the responsibility of DSCLA pursuant to Paragraph 14.1.1., including the following: (1) Hazardous Material present in the soil or ground water; (2) a change in Laws which relate to Hazardous Material which make such Hazardous Material which is present on the Premises as of the Effective Date, whether known or unknown to CITY, a violation of such new laws; (3) Hazardous Material that migrates, flows, percolates, diffuses or in any way moves on to or under the land; (4) Hazardous Material present on or under the land as a result of any discharge, dumping or spilling (whether accidental or otherwise) on the land by other owners of the Premises or their agents, employees, contractors or invitees, or by others. Accordingly, CITY and DSCLA agree that the cost of complying with laws relating to Hazardous Material on the Premises for which CITY may be legally liable shall be borne by CITY unless the cost of such compliance, as between CITY and DSCLA, is made the responsibility of DSCLA pursuant to this Lease.

14.1.3. "Hazardous Material" - Definition. As used herein, the defined term "Hazardous Material" means any chemical, substance, material, or waste or component thereof the presence of which requires investigation or remediation under any federal, state, or local statute, regulation, ordinance, order, action, policy, or common law, or which is now or hereafter listed, defined, or regulated as a flammable explosive, radioactive material, hazardous or toxic chemical, substance, material or waste or component thereof (whether injurious by themselves or in conjunction with other materials) by any federal, state, or local governing or regulatory body having jurisdiction, or which would trigger any employee or community "right-to-know" requirements adopted by such body, or for which any such body has adopted any requirements for the preparation or distribution of a material safety data sheet. "Hazardous Material" includes, without limitation, any material or substance which is: a) defined as a "hazardous waste," "extremely hazardous waste" or "restricted hazardous waste under Sections 25115, 25117 or 25122.7, or listed pursuant to Section 25140, of the California Health and Safety Code, Division 20, Chapter 6.5 (Hazardous Waste Control Law); b) defined as a "hazardous substance" under Section 25316 of the California Health and Safety Code, Division 20, Chapter 6.8 (Carpenter-Presley-Tanner Hazardous Substance Account Act, California Health and Safety Code Section 25300, et seq.); c) defined as a "hazardous material," "hazardous substance," or "hazardous waste" under Section 25501 of the California Health and Safety Code, Division 20, Chapter 6.95 (Hazardous Materials Release Response Plans and Inventory, California Health and Safety Code Section 25500, et seq.); d) defined as a "hazardous substance" under Section 25281 of the California Health and Safety Code, Division 20, Chapter 6.7 (Underground Storage of Hazardous Substances, California Health and Safety Code Section 25280, et seq.); e) petroleum; f) asbestos; g) defined as a "hazardous constituent," "hazardous material," "hazardous waste," or "toxic waste" under Article 2 of Chapter 10 (Section 66260.10) or defined as a "hazardous waste" under Article 1 of Chapter 11 (Section 66261.3) of Title 22 of the California Code of Regulations, Division 4.5 (Environmental Health Standards for the
14.1.4. Disposal of Hazardous Material. If DSCLA disposes of any soil, material or groundwater contaminated with hazardous material, DSCLA shall provide CITY copies of all records including a copy of each uniform hazardous waste manifest indicating the quantity and type of material being disposed of, the method of transportation of the material to the disposal site and the location of the disposal site. Except where presence of Hazardous Material predated this Lease, CITY shall not appear on any manifest document as a generator of such material disposed of by DSCLA.

14.1.5. Hazardous Material Tests. Any tests required of DSCLA by this Article shall be performed by a State of California Department of Health Services certified testing laboratory satisfactory to CITY. By signing this Lease, DSCLA hereby irrevocably directs any such laboratory to provide CITY, upon written request from CITY, copies of all of its reports, test results, and data gathered. As used in this Article, the term "DSCLA" includes agents, employees, contractors, subcontractors, and/or invitees of DSCLA.

14.1.6. Notice of Hazardous Substances. California Health and Safety Code section 25359.7(a) requires any owner of nonresidential real property who knows, or has reasonable cause to believe, that any release of hazardous substance has come to be located on or beneath that real property to, prior to the lease or rental of that real property or when the presence of such release is actually known, give written notice of that condition to the lessee or renter. California Health and Safety Code section 25359.7(b) requires any tenant of real property who knows, or has reasonable cause to believe, that any release of a hazardous substance has come to be located on or beneath that real property to give written notice of such condition to the owners. DSCLA and CITY shall comply with the requirements of section 25359.7 and any successor statute thereto and with all other statutes, laws, ordinances, rules, regulations and orders of governmental authorities with respect to hazardous substances.

ARTICLE 15. DEFAULT AND TERMINATION

15.1. Events of Default. The following occurrences are "Events of Default":

15.1.1. Breach of Lease. DSCLA or CITY materially breaches or fails in the performance of any of the provisions or conditions of this Lease; or

15.1.2. Failure to Conform to Laws. DSCLA fails to conform to applicable federal, state, county or local laws, rules, regulations or policies; or
15.1.3. Incapacity to Perform. DSCLA ceases to operate, exist or maintain its nonprofit corporate status (temporary suspension of status for a period not exceeding six (6) months shall not be considered a failure to maintain status) or becomes unable through corporate or personal incapacity to fulfill its obligations under this Lease; or

15.1.4. Lack of Funds. If DSCLA is no longer able to carry out the purposes of the Lease because of a lack of funds or funding; or

15.1.5. Non-conforming Use. DSCLA ceases to use the Premises for the purpose of a recreation and environmental awareness center as set forth in Article 5; or

15.1.6. Failure to Commence Construction Of The Center Exhibits. DSCLA fails to commence construction of the Center Exhibits on or before September 30, 2013, either CITY or DSCLA may terminate this Lease. DSCLA may request a change in this date, for which the City will not unreasonably withhold its consent if the requested deadline extension does not significantly impact the City's ability to meet the March 2015 opening deadline. Construction of the Center Exhibits shall be deemed to have commenced on the date DSCLA or its subcontractors starts physical fabrication on the Center Exhibits through the execution of a contractual agreement(s); or

15.1.7. Breach of the Improvements and Exhibits Agreement. DSCLA materially breaches or fails in the performance of any of the provisions or conditions of the Exhibit E “Improvements and Exhibits Agreement”; or

15.1.8. Failure to Commence Center Operations. If DSCLA fails to open the Center on or before March 31, 2015, CITY may terminate this Lease at any time on or after March 31, 2015.

15.2. Default - CITY's Remedies. If any one or more of the “Events of Default” set forth in Section 15.1. above occurs, then CITY may, at its election, without any further notice to or authorization from DSCLA, and without waiving any of City's rights at any time to select any other remedy provided in this Section, or elsewhere in this Lease, if applicable, or under law, do any one or more of the following:

15.2.1. Termination of Lease. CITY may give DSCLA written notice of such "Event of Default." If DSCLA does not cure said default within thirty (30) days after notice (and forthwith for a default involving health, sanitary or safety conditions or pertaining to the maintenance of insurance required under this Lease) or such longer period as is reasonably necessary to remedy such default, as determined by either CITY, provided that DSCLA shall continuously and diligently pursue such remedy at all times until such default is cured, CITY may, by delivering written notice to DSCLA, terminate this Lease and DSCLA shall vacate the Premises and comply with Section 16.1.; and/or

15.2.2. Recovery at Law. CITY may recover at law any and all claims which may be due CITY; and/or

15.2.3. Self-help. In the event that neither the City nor DSCLA terminates the term of this lease agreement under the conditions herein defined, the CITY may, but is not obligated to, perform such work as it deems necessary to cure any "Event of Default" and charge DSCLA for the cost of labor and materials expended. The General Manager may exercise this option immediately in an "Event of Default" involving health, sanitary or safety
considerations. Otherwise, the General Manager may exercise this option within sixty (60) days after giving DSCLA written notice of a default involving Premises' maintenance if DSCLA does not commence to cure. CITY shall provide DSCLA with reasonably detailed invoice for the labor and materials expended and DSCLA shall pay the full sum of the invoice within sixty (60) days of DSCLA'S receipt of the invoice, using as a first priority any monies remaining from the project escrow account as defined in section 9.2 of Exhibit E to this agreement. In the event DSCLA disputes any of the charges on the invoice or DSCLA'S obligation to pay for any or all of the items, DSCLA shall pay the full sum of the invoice within the sixty (60) day period, subject to prompt reimbursement from CITY to the extent DSCLA prevails on any items in dispute.

The specified remedies to which CITY may resort under the provisions of this Lease are cumulative and not intended to be exclusive of any other remedies afforded by law or equity.

15.3. No Waiver. The conduct of either party or the acceptance of all or part of any payment by CITY after an "Event of Default" for any period after an "Event of Default" shall not be deemed a waiver of any rights and remedies, nor a waiver of the default of the same or any other provision, covenant or condition. Waiver by either CITY or DSCLA of any breach by the other of any covenant, condition or obligation herein contained or failure by either CITY or DSCLA to exercise any right or remedy in respect of any such breach shall not constitute a waiver or relinquishment for the failure of any such covenant, condition or obligation or of any subsequent breach of any such covenant, condition or obligation nor bar any right or remedy of CITY or DSCLA in respect of any such subsequent breach.

15.4. Default by CITY. In the event CITY defaults in the performance of any of the provisions or conditions of this Lease, and if a written notice of such default is issued to CITY by DSCLA, and if CITY does not commence to cure said default within sixty (60) days of receipt of said notice, DSCLA may immediately terminate this Lease and/or obtain specific performance.

ARTICLE 16. SURRENDER OF PREMISES

16.1. Surrender of Premises. Upon termination of this Lease, DSCLA shall quit and surrender possession of the Premises to CITY in good and usable condition, subject to normal wear and tear, provided, however, that the BOARD, at the BOARD's sole discretion, may require DSCLA to demolish and remove all or any portion of the improvements on the Premises and restore the demolished portion of the Premises to its original condition as of the effective date of the lease or to a reasonably acceptable condition as approved by the BOARD. Except as provided in Section 11.1, any improvements and Center Exhibits which have been constructed or erected on the Premises shall, upon termination of this Lease, become the property of CITY. DSCLA'S collections and all personal property and fixtures related thereto, and all property described in Section 11.1, shall remain the property of DSCLA or its assigns and may be removed by DSCLA from the Premises upon termination of this Lease. Should DSCLA fail to remove such property, improvements, or fixtures after the termination of this Lease, CITY may, at CITY's option: (1) retain all or any of such property, and title thereto shall thereupon vest in CITY; or (2) remove the same, in which event DSCLA shall pay to CITY upon demand the reasonable costs of such removal plus the cost to restore the Premises to an acceptable condition as approved by the BOARD.
16.2. **No Implied Surrender.** DSCLA agrees on the last day of the Term, or on the earlier termination of this Lease, to surrender the Premises, including all then existing improvements other than the items identified in Section 11.1, which are to be removed. No act or thing done by CITY during the Term shall be deemed an acceptance of a surrender of the Premises, and no agreement to accept such surrender shall be valid unless in writing and signed by CITY.

16.3. **Failure to Surrender.** If DSCLA fails to surrender the Premises, together with the improvements thereon, upon the termination of this Lease, DSCLA agrees to indemnify and hold harmless CITY from and against any loss or liability, including costs and reasonable attorney's fees, resulting from such failure to surrender, including, but not limited to, any claims made by any succeeding tenant based on or resulting from such failure to surrender. Nothing herein contained shall be construed as consent to any occupancy or possession of any portion of the Premises and the improvements thereon by DSCLA beyond the expiration of the Term or the earlier termination of this Lease.

**ARTICLE 17. ASSIGNMENT AND BANKRUPTCY**

17.1. **Assignment and Subletting.** DSCLA shall not under-let or sublet the Premises or any part thereof or allow the same to be used or occupied by any other person, group or organization for any other use than that herein specified, nor assign this Lease, nor transfer, assign or in any manner convey any of the rights or privileges herein granted without the consent of the BOARD and the City Council, which may give or deny consent at their sole discretion provided that DSCLA shall have the right to sublease or contract for the operation of a food service enterprise, gift shop, or other related undertaking with the prior written consent of the General Manager, which consent shall not be unreasonably withheld or delayed). In addition, the General Manager, or the BOARD, may give written consent for subleases of not more than five days in duration involving uses of portions of the Premises consistent with the provisions of this Lease. Short term and occasional use of the Premises for other activities such as location filming, special events, and projects with artists or other non-profit or governmental agencies shall not be considered as assignments or subletting and DSCLA may allow such use with the prior consent of CITY (however, net income, if any, from such activities is subject to the provisions of Section 5.7.). DSCLA shall not rent, lease, or offer any space for storing any article or articles unrelated to the permissible uses of the Center within or on the Premises. Any attempt to sublease, assign, or transfer without the consent required by this Section shall be void.

17.2. **Bankruptcy.** To the extent permitted by law, neither this Lease nor the rights herein granted shall be assignable or transferable by any process or proceedings in any court, or by attachment, execution, proceedings in insolvency or bankruptcy either voluntary or involuntary, or receivership proceedings. To the extent the previous sentence is not permitted by law, in the event that DSCLA shall have the right to sublease or contract for the operation of a food service enterprise, gift shop, or other related undertaking with the prior written consent of the General Manager, which consent shall not be unreasonably withheld or delayed. In addition, the General Manager, or the BOARD, may give written consent for subleases of not more than five days in duration involving uses of portions of the Premises consistent with the provisions of this Lease. Short term and occasional use of the Premises for other activities such as location filming, special events, and projects with artists or other non-profit or governmental agencies shall not be considered as assignments or subletting and DSCLA may allow such use with the prior consent of CITY (however, net income, if any, from such activities is subject to the provisions of Section 5.7.). DSCLA shall not rent, lease, or offer any space for storing any article or articles unrelated to the permissible uses of the Center within or on the Premises. Any attempt to sublease, assign, or transfer without the consent required by this Section shall be void.

20
ARTICLE 18. CONDEMNATION

18.1. Condemnation. Should any or all of the Premises be acquired for public use under the power of eminent domain or by purchase in lieu thereof, CITY shall be entitled to all compensation and severance damages attributable to the land and buildings. DSCLA shall receive any compensation and severance damages which may be paid for damage or loss of the leasehold interest only.

ARTICLE 19. NOTICES

19.1. Notices. All notices and demands which may or are to be required or permitted to be given by either party to the other hereunder shall be in writing. All notices and demands shall be personally delivered (including by means of professional messenger service), sent by United States mail, postage prepaid, return receipt requested, or transmitted by telecopier (e.g., Fax) or electronic mail (upon mutual agreement of participating parties), in which case the receiving party shall immediately confirm receipt of such telecopied or e-mailed notice. All notices are effective upon receipt. For the purposes of such notices, the addresses for the parties are set forth in Section 19.2 below. In the event CITY is unable to give notice to DSCLA at the address(es) provided to CITY by DSCLA, notice shall be deemed effective when addressed to DSCLA at the Premises. The LWO also requires that employees be provided with at least twelve compensated days off per year for sick leave, vacation, or personal necessity at the employee’s request, and at least ten additional days per year of uncompensated time pursuant to Section 10.37.2(b). The LWO requires employers to inform employees making less than twelve dollars ($12.00) per hour of their possible right to the federal Earned Income Tax Credit ("EITC") and to make available the forms required to secure advance EITC payments from the employer pursuant to Section 10.37.4. DSCLA shall permit access to work sites for authorized CITY representatives to review the operation, payroll, and related documents, and to provide certified copies of the relevant records upon request by CITY. Whether or not subject to the LWO, DSCLA shall not retaliate against any employee claiming non-compliance with the provisions of the LWO, and, in addition, pursuant to Section 10.37.6(c), DSCLA agrees to comply with federal law prohibiting retaliation for union organizing.

21.3.2. Living Wage Coverage Determination. DEPARTMENT has made the initial determination that this Lease, as a public lease or a public license, is subject to the LWO. DSCLA, although subject to the LWO, may be exempt from most of the requirements of the LWO if DSCLA qualifies for such exemption under the provisions of the LWO. Determinations as to whether an employer or employee is exempt from coverage under the LWO are not final, but are subject to review and revision as additional facts are examined and/or other interpretations of the law are considered. Applications for exemption must be renewed every two years. To the extent DSCLA claims non-coverage or exemption from the provisions of the LWO, the burden shall be on DSCLA to prove such non-coverage or exemption and, where applicable, renew such exemption.

21.3.3. Compliance; Termination Provisions and Other Remedies: Living Wage Policy. If DSCLA is not initially exempt from the LWO, DSCLA shall comply with all of the provisions of the LWO, including payment to employees at the minimum wage rates, effective on the Execution Date of this Lease, and shall execute a Declaration of Compliance Form contemporaneously with the execution of this Lease. If DSCLA is initially exempt from the LWO, but later no longer qualifies for any exemption, DSCLA shall, at such time as DSCLA is no longer exempt, comply with the provisions of the LWO and execute the then-currently used Declaration of Compliance Form, or such form as the LWO requires. Under the provisions of Section 10.37.6(c) of the Los Angeles Administrative Code, violation of the LWO shall constitute
a material breach of this Lease and CITY shall be entitled to terminate this Lease and otherwise pursue legal remedies that may be available, including those set forth in the LWO, if CITY determines that DSCLA violated the provisions of the LWO. The procedures and time periods provided in the LWO are in lieu of the procedures and time periods provided in Article 15 of this Lease. Nothing in this Lease shall be construed to extend the time periods or limit the remedies provided in the LWO.

21.4.1. Non-Discrimination in Use of Premises. There shall be no discrimination against or segregation of any person, or group of persons, on account of race, religion, national origin, ancestry, sex, sexual orientation, age, physical handicap, marital status, domestic partner status, or medical condition in the lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Premises or any part of the Premises or any operations or activities conducted on the Premises or any part of the Premises, nor shall DSCLA or any person working under or through DSCLA establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use of occupancy of tenants, subtenants, or vendees of the Premises. Any sublease or assignment which may be permitted under this Lease shall also be subject to the non-discrimination clauses contained in this Section 21.4.

21.4.2. Non-Discrimination in Employment. DSCLA agrees and obligates itself in the performance of this Lease not to discriminate against any employee or applicant for employment because of the employee's or applicant's race, religion, national origin, ancestry, sex, sexual orientation, age, physical handicap, marital status, domestic partner status, or medical condition.

21.4.3. Equal Employment Practices. This Lease is a contract with or on behalf of the City of Los Angeles for which the consideration is one thousand dollars ($1,000) or more. Accordingly, during the performance of this Lease, DSCLA further agrees to comply with Section 10.8.3 of the Los Angeles Administrative Code ("Equal Employment Practices"). By way of specification but not limitation, pursuant to Sections 10.8.3.E and 10.8.3.F of the Los Angeles Administrative Code, the failure of DSCLA to comply with the Equal Employment Practices provisions of this Lease may be deemed to be a material breach of this Lease. No such finding shall be made or penalties assessed except upon a full and fair hearing after notice and an opportunity to be heard have been given to DSCLA. Upon a finding duly made that DSCLA has failed to comply with the Equal Employment Practices provisions of this Lease, this Lease may be forthwith terminated.

21.4.4. Equal Benefits Provisions. This Lease is subject to Section 10.8.2.1, Article 1, Chapter 1, Division 10 of the Los Angeles Administrative Code ("Equal Benefits Provisions") related to equal benefits to employees. DSCLA agrees to comply with the provisions of Section 10.8.2.1. By way of specification but not limitation, pursuant to Section 10.8.2.1.c of the Los Angeles Administrative Code, the failure of DSCLA to comply with the Equal Employment Practices provisions of this Lease may be deemed to be a material breach of this Lease. No such finding shall be made or penalties assessed except upon a full and fair hearing after notice and an opportunity to be heard have been given to DSCLA. Upon a finding duly made that DSCLA has failed to comply with the Equal Employment Practices provisions of this Lease, this Lease may be forthwith terminated.
21.5. Contractor Responsibility Ordinance.

21.5.1. General Provisions; Contractor Responsibility Policy. This Lease is subject to the Contractor Responsibility Ordinance ("CRO") (Section 10.40, et seq, of the Los Angeles Administrative Code) and the rules and regulations promulgated pursuant thereto as they may be updated. The CRO requires that, unless specific exemptions apply as specified in Section 10.40.4(a), lessees or licensees of City property who render services on the leased or licensed premises are covered by the CRO if any of the following applies: (1) the services are rendered on premises at least a portion of which are visited by substantial numbers of the public on a frequent basis, (2) any of the services could feasibly be performed by City employees if the awarding authority had the requisite financial and staffing resources, or (3) designated administrative agency of the City has determined in writing that coverage would further the proprietary interests of the City. Lessees or licensees of City property who are not exempt pursuant to Section 10.40.4(a) or (b), unless subject to the CRO solely due to an amendment to an existing lease or license, are required to have completed a questionnaire ("Questionnaire") signed under penalty of perjury designed to assist the City in determining that the lessee or licensee is one that has the necessary quality, fitness and capacity to perform the work set forth in the contract. All lessees or licensees of City property who are covered by the CRO, including those subject to the CRO due to an amendment, are required to complete the following Pledge of Compliance ("POC"):

(1) comply with all applicable federal state, and local laws and regulations in the performance of the contract including, but not limited to, laws regarding health and safety, labor and employment, wage and hour, and licensing laws which affect employees;

(2) notify the awarding authority within thirty calendar days after receiving notification that any government agency has initiated an investigation that may result in a finding that the lessee or licensee did not comply with Subsection (1) above in the performance of the lease or license;

(3) notify the awarding authority within thirty calendar days of all findings by a government agency or court of competent jurisdiction that the lessee or licensee has violated Subsection (1) above in the performance of the lease or license;

(4) ensure within thirty days (or such shorter time as may be required by the awarding authority) that subcontractors working on the lease or license submit a POC to the awarding authority signed under penalty of perjury; and

(5) ensure that subcontractors working on the lease or license abide by the requirements of the POC and the requirement to notify the awarding authority within thirty calendar days that any government agency or court of competent jurisdiction has initiated an investigation or has found that the subcontractor has violated Subsection (1) above in the performance of the lease or license.

DSCLA shall ensure that their subcontractors meet the criteria for responsibility set forth in the CRO and any rules and regulations promulgated thereto. DSCLA may not use any subcontractor that has been determined or found to be a non-responsible contractor by CITY. The listing of non-responsible contractors may be accessed on the internet at: http://www.lacity.org/bidresp. Subject to approval by the awarding authority, DSCLA may substitute a non-responsible subcontractor with another subcontractor with no change in the consideration for this Lease. DSCLA shall submit to CITY a POC for each subcontractor listed.
by the DSCLA in its Questionnaire, as performing work on this Lease within thirty calendar days of execution of this Lease, unless the Department of General Services requires in its discretion the submission of a POC within a shorter time period. The signature of DSCLA on this Lease shall constitute a declaration under penalty of perjury that DSCLA shall comply with the POC.

21.5.2. Update of Information. DSCLA shall:

(1) notify the awarding authority within thirty calendar days after receiving notification that any governmental agency has initiated an investigation that may result in a finding that DSCLA did not comply with any applicable federal, state, or local law in the performance of this Lease including, but not limited to, laws regarding health and safety, labor and employment, wage and hour, and licensing laws which affect employees;

(2) notify the awarding authority within thirty calendar days of receiving notice of any findings by a government agency or court of competent jurisdiction that DSCLA violated any applicable federal, state, or local law in the performance of this Lease including, but not limited to, laws regarding health and safety, labor and employment, wage and hour, and licensing laws which affect employees; and

(3) notify the awarding authority within thirty calendar days of becoming aware of any information regarding its subcontractors and investigations or findings regarding the subcontractor’s violations of any applicable federal, state, or local law in the performance of this Lease including, but not limited to, laws regarding health and safety, labor and employment, wage and hour, and licensing laws which affect employees.

Updates of information contained in DSCLA’S responses to the Questionnaire must be submitted to the awarding authority within thirty days of any changes to the responses if the change would affect DSCLA’S fitness and ability to continue performing this Lease. Notwithstanding the above, DSCLA shall not be required to provide updates to the Questionnaire if DSCLA became subject to the CRO solely because of an amendment to the original lease or license. DSCLA shall cooperate in any investigation pursuant to CRO by providing such information as shall be requested by City. DSCLA agrees that City may keep the identity of any complainant confidential. DSCLA shall ensure that subcontractors who perform work on this Lease abide by these same updating requirements including the requirement to:

(1) Notify the awarding authority within thirty calendar days after receiving notification that any government agency has initiated an investigation which may result in a finding that the subcontractor did not comply with any applicable federal, state, or local law in the performance of this Lease including, but not limited to, laws regarding health and safety, labor and employment, wage and hour, and licensing laws which affect employees; and

(2) Notify the awarding authority within thirty calendar days of all findings by a government agency or court of competent jurisdiction that the subcontractor violated any applicable federal, state, or local law in the performance of this Lease including, but not limited to, laws regarding health and safety, labor and employment, wage and hour, and licensing laws which affect employees.
The requirement that DSCLA provide Questionnaires and updates to Questionnaire responses does not apply to subcontractors.

21.5.3. Compliance; Termination Provisions and Other Remedies. If DSCLA is not exempt from the CRO, DSCLA shall comply with all of the provisions of the CRO and this Lease. Failure to comply with the provisions of the CRO, including without limitation the requirements that all responses to the Questionnaire are complete and accurate, to provide updates as provided therein and to correct any deficiencies within ten (10) days of notice by CITY, or failure to comply with the provisions of this Lease shall constitute a material breach of this Lease and CITY shall be entitled to terminate this Lease and otherwise pursue any legal remedies that may be available, including those set forth in the CRO. Nothing in this Lease shall be construed to extend the time periods or limit the remedies provided in the CRO.

21.6. Business Tax Registration Certificates and Tax Payments. This Section is applicable where DSCLA is engaged in business within the City of Los Angeles and DSCAL is required to obtain a Business Tax Registration Certificate ("BTRC") pursuant to one or more of the following articles (collectively "Tax Ordinances") of Chapter II of the Los Angeles Municipal Code: Article 1 (Business Tax Ordinance) [section 21.00, et seq.], Article 1.3 (Commercial DSCLA'S Occupancy Tax) [section 21.3.1, et seq.], Article 1.7 (Transient Occupancy Tax) [section 21.7.1, et seq.], Article 1.11 (Payroll Expense Tax) [section 21.11.1, et seq.], or Article 1.15 (Parking Occupancy Tax) [section 21.15.1, et seq.]. Prior to the execution of this Lease, or the effective date of any extension of the Term or renewal of this Lease, DSCLA shall provide to DEPARTMENT proof satisfactory to the General Manager that DSCLA has the required BTRCs and that DSCLA is not then currently delinquent in any tax payment required under the Tax Ordinances. CITY may terminate this Lease upon thirty days' prior written notice to DSCLA if CITY determines that DSCLA failed to have the required BTRCs or was delinquent in any tax payments required under the Tax Ordinances at the time of entering into, extending the Term of, or renewing this Lease. CITY may also terminate this Lease upon ninety days' prior written notice to DSCLA at any time during the Term of this Lease if DSCLA fails to maintain required BTRCs or becomes delinquent in tax payments required under the Tax Ordinances and DSCLA fails to cure such deficiencies within the ninety day period (in lieu of any time for cure provided in Article 15).

21.7. Slavery Disclosure Ordinance. This Lease is subject to the applicable provisions of the Slavery Disclosure Ordinance ("SDO") (Section 10.41, et seq, of the Los Angeles Administrative Code). Unless otherwise exempt in accordance with the provision of this Ordinance, DSCLA certifies that it has complied with the applicable provisions of the Ordinance. Under the provisions of Section 10.41.2(b) of the Los Angeles Administrative Code, CITY has the authority, under appropriate circumstances, to terminate this Lease and otherwise pursue legal remedies that may be available to CITY if CITY determines that the DSCLA failed to fully and accurately complete the SDO affidavit or otherwise violated any provision of the SDO.

ARTICLE 22. MISCELLANEOUS PROVISIONS

Within thirty (30) days of any change in such names, DSCLA shall provide to CITY the updated Corporate Resolution.

22.6. Counterparts. This Lease may be executed in one or more counterparts, each of which may be deemed an original, but all of which together shall constitute one and the same instrument.

22.7. Exhibits - Incorporation in Lease. All exhibits referred to are attached to this Lease and incorporated by reference.

22.8. Force Majeure. Whenever either party hereto shall be required by the provisions of this Lease or by law to perform any contract, act, work, construction, labor or services (excepting only the obligation to pay rent due hereunder), or to discharge any lien against the Premises, or to perform and comply with any laws, rules, orders, ordinances, regulations or zoning regulations, said party shall not be deemed to be in default herein and the other party shall not enforce or exercise any of its right under this Lease, if and so long as nonperformance or default herein shall be directly caused by strikes, nonavailability of materials, war or national defense preemptions, governmental restrictions, acts of God or other similar causes beyond the reasonable control of the nonperforming party provided; however, that notwithstanding any of the provisions of the foregoing, the nonperforming party shall commence such performance and continue the same with diligence and continuity immediately after the removal of any of the causes hereinabove specified.

22.9. Gender. As used herein, the neuter gender includes the feminine and masculine, the masculine includes the feminine and the neuter, and feminine includes the masculine and the neuter, and each includes corporations, limited liability companies, partnerships or other legal entities when the context so requires.

22.11. No Prior Agreements. This Lease contains all of the agreements of the parties hereto with respect to the matters covered hereby, and no prior agreements, oral or written, or understandings or representations of any nature whatsoever pertaining to any such matters shall be effective for any purpose unless expressly incorporated in the provisions of this Lease.
22.12. No Relocation Assistance. DSCLA acknowledges that it is not entitled to relocation assistance or any other benefits under the California Relocation Assistance Act (Government Code section 7260, et seq.), the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C.A. § 4601, et seq.), or any other provisions of law upon termination of this Lease.

22.13. Quiet Enjoyment. If DSCLA is not in default as provided herein, DSCLA shall and may peaceably and quietly have, hold, and enjoy the Premises with necessary ingress and egress in accordance with the provisions hereof.

22.14. Severability. If any provision of this Lease or the application thereof to any person or circumstance shall to any extent be invalid or unenforceable, the remainder of this Lease, or the application of such provision to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each provision of this Lease shall be valid and be enforced to the fullest extent permitted by law.

22.15. Sole Discretion. In those instances in this Lease where it is provided that CITY or the General Manager or other City of Los Angeles agency may approve a request in the exercise of "sole discretion" or words of like import, the parties expressly agree that CITY or the General Manager or other City of Los Angeles agency, as the case may be, has the absolute unfettered discretion to grant or withhold approval, either arbitrarily or otherwise, and with or without reason, and neither DSCLA nor any other party or tribunal shall have any right or power to inquire into or review the granting or withholding of such approval or the reasons or lack of reasons therefore.

22.16. Time. Time is of the essence with respect to the performance or observance of each of the obligations, covenants and agreements under this Lease. Except where expressly stated to be "business days" or "working days," the word "days" shall mean "calendar days."

1. Agreement/Reference  All evidence of insurance must identify the nature of your business with the CITY. Clearly show any assigned number of a bid, contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your submission will be properly credited. Provide the types of coverage and minimum dollar amounts specified on the Required Insurance and Minimum Limits sheet (Form Gen. 148) included in your CITY documents.

2. When to submit  Normally, no work may begin until a CITY insurance certificate approval number ("CA number") has been obtained, so insurance documents should be submitted as early as practicable. For As-needed Contracts, insurance need not be submitted until a specific job has been awarded. Design Professionals coverage for new construction work may be submitted simultaneously with final plans and drawings, but before construction commences.

3. Acceptable Evidence and Approval  Electronic submission is the best method of submitting your documents. Track4LA® is the CITY’s online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used by insurance brokers and agents as they submit client insurance certificates directly to the City. It uses the standard Insurance industry form known as the ACORD 25 Certificate of Liability Insurance in electronic format – the CITY is a licensed redistributor of ACORD forms. Track4LA® advantages include standardized, universally accepted forms, paperless approval transactions (24 hours, 7 days per week), and security checks and balances. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access Track4LA® at http://track4la.lacity.org and follow the instructions to register and submit the appropriate proof of insurance on your behalf.

Insurance industry certificates other than the ACORD 25 that have been approved by the State of California may be accepted, however submissions other than through Track4LA® will significantly delay the insurance approval process as documents will have to be manually processed. All Certificates must provide a thirty (30) days’ cancellation notice provision (ten (10) days for non-payment of premium) AND an Additional Insured Endorsement naming the CITY as an additional insured completed by your insurance company or its designee. If the policy includes an automatic or blanket additional insured endorsement, the Certificate must state the CITY is an automatic or blanket additional insured. An endorsement naming the CITY as an Additional Named Insured and Loss Payee as Its Interests May Appear is required on property policies. All evidence of insurance must be authorized by a person with authority to bind coverage, whether that is the authorized agent/broker or insurance underwriter. Completed Insurance Industry Certificates other than ACORD 25 Certificates are sent electronically to CAO.insurance.bonds@lacity.org.

Additional Insured Endorsements DO NOT apply to the following:

- Indication of compliance with statute, such as Workers’ Compensation Law.
- Professional Liability Insurance.

Verification of approved insurance and bonds may be obtained by checking Track4LA®, the CITY’s online insurance compliance system, at http://track4la.lacity.org.

4. Renewal  When an existing policy is renewed, have your insurance broker or agent submit a new Acord 25 Certificate or edit the existing Acord 25 Certificate through Track4LA® at http://track4la.lacity.org.
5. **Alternative Programs/Self-Insurance**  
Risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and self-insurance programs are subject to separate approval after the CITY has reviewed the relevant audited financial statements. To initiate a review of your program, you should complete the Applicant's Declaration of Self Insurance form ([http://cao.lacity.org/risk/insuranceForms.htm](http://cao.lacity.org/risk/insuranceForms.htm)) to the Office of the City Administrative Officer, Risk Management for consideration.

6. **General Liability** insurance covering your operations (and products, where applicable) is required whenever the CITY is at risk of third-party claims which may arise out of your work or your presence or special event on CITY premises. **Sexual Misconduct** coverage is a required coverage when the work performed involves minors. **Fire Legal Liability** is required for persons occupying a portion of CITY premises. Information on two CITY insurance programs, the SPARTA program, an optional source of low-cost insurance which meets the most minimum requirements, and the Special Events Liability Insurance Program, which provides liability coverage for short-term special events on CITY premises or streets, is available at ([www.2sparta.com](http://www.2sparta.com)), or by calling (800) 420-0555.

7. **Automobile Liability** insurance is required only when vehicles are used in performing the work of your Contract or when they are driven off-road on CITY premises; it is not required for simple commuting unless CITY is paying mileage. However, compliance with California law requiring auto liability insurance is a contractual requirement.

8. **Errors and Omissions** coverage will be specified on a project-by-project basis if you are working as a licensed or other professional. The length of the claims discovery period required will vary with the circumstances of the individual job.

9. **Workers' Compensation and Employer's Liability** insurance are not required for single-person contractors. However, under state law these coverages (or a copy of the state's Consent To Self Insure) must be provided if you have any employees at any time during the period of this contract. Contractors with no employees must complete a Request for Waiver of Workers' Compensation Insurance Requirement ([http://cao.lacity.org/risk/insuranceForms.htm](http://cao.lacity.org/risk/insuranceForms.htm)).

A **Waiver of Subrogation** on the coverage is required only for jobs where your employees are working on CITY premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals, toxic materials, power tools, etc. The Waiver of Subrogation waives the insurer's right to recover (from the CITY) any workers' compensation paid to an injured employee of the contractor.

10. **Property Insurance** is required for persons having exclusive use of premises or equipment owned or controlled by the CITY. **Builder's Risk/Course of Construction** is required during construction projects and should include building materials in transit and stored at the project site.

11. **Surety coverage** may be required to guarantee performance of work and payment to vendors and suppliers. A **Crime Policy** may be required to handle CITY funds or securities, and under certain other conditions. Specialty coverages may be needed for certain operations. For assistance in obtaining the CITY required bid, performance and payment surety bonds, please see the City of Los Angeles Bond Assistance Program website address at ([http://cao.lacity.org/risk/BondAssistanceProgram.pdf](http://cao.lacity.org/risk/BondAssistanceProgram.pdf)) or call (213) 258-3000 for more information.

option within sixty (60) days after giving DSCLA written notice of a default involving Premises' maintenance if DSCLA does not commence to cure. CITY shall provide DSCLA with reasonably detailed invoice for the labor and materials expended, and DSCLA shall pay the full sum of the invoice within sixty (60) days of DSCLA's receipt of the invoice, using as a first priority any monies remaining from the project escrow account as defined in section 9.2 of Exhibit E to this agreement. In the event DSCLA disputes any of the charges on the invoice or DSCLA'S obligation to pay for any or all of the items, DSCLA shall pay the full sum of the invoice within the sixty (60) day period, subject to prompt reimbursement from CITY to the extent DSCLA prevails on any items in dispute.

The specified remedies to which CITY may resort under the provisions of this Lease are cumulative and not intended to be exclusive of any other remedies afforded by law or equity.

10.3. **No Waiver.** The conduct of either party or the acceptance of all or part of any payment by CITY after an "Event of Default" for any period after an "Event of Default" shall not be deemed a waiver of any rights and remedies, nor a waiver of the default of the same or any other provision, covenant or condition. Waiver by either CITY or DSCLA of any breach by the other of any covenant, condition or obligation herein contained or failure by either CITY or DSCLA to exercise any right or remedy in respect of any such breach shall not constitute a waiver or relinquishment for the failure of any such covenant, condition or obligation or of any subsequent breach of any such covenant, condition or obligation nor bar any right or remedy of CITY or DSCLA in respect of any such subsequent breach.

10.4. **Default by CITY.** In the event CITY defaults in the performance of any of the provisions or conditions of this Agreement, and if a written notice of such default is issued to CITY by DSCLA, and if CITY does not commence to cure said default within sixty (60) days of receipt of said notice, DSCLA may immediately terminate this Agreement and/or obtain specific performance.

STANDARD PROVISIONS FOR CITY CONTRACTS

PSC-1. Construction of Provisions and Titles Herein

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against CITY or CONTRACTOR. The word "CONTRACTOR" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one CONTRACTOR, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. Applicable Law, Interpretation and Enforcement

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and CITY, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. CONTRACTOR shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to CONTRACTOR.

In any action arising out of this Contract, CONTRACTOR consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

PSC-3. Time of Effectiveness

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

A. This Contract has been signed on behalf of CONTRACTOR by the person or persons authorized to bind CONTRACTOR;

B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;

C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
D. This Contract has been signed on behalf of CITY by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

PSC-4. Integrated Contract

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

PSC-5. Amendment

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

PSC-6. Excusable Delays

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of CONTRACTOR shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both CONTRACTOR and Subcontractor, and without any fault or negligence of either of them. In such case, CONTRACTOR shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit CONTRACTOR to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event CONTRACTOR'S delay or failure to perform arises out of a Force Majeure Event, CONTRACTOR agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

PSC-7. Waiver

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party’s performance after the other party’s default shall not be construed as a waiver of that default.
PSC-8.  **Suspension**

At CITY’S sole discretion, CITY may suspend any or all services provided under this Contract by providing CONTRACTOR with written notice of suspension. Upon receipt of the notice of suspension, CONTRACTOR shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to CITY until CITY gives written notice to recommence the services.

PSC-9.  **Termination**

A.  **Termination for Convenience**

CITY may terminate this Contract for CITY’S convenience at any time by providing CONTRACTOR thirty days written notice. Upon receipt of the notice of termination, CONTRACTOR shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. CITY shall pay CONTRACTOR its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by CONTRACTOR to effect the termination. Thereafter, CONTRACTOR shall have no further claims against CITY under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights CITY is entitled to, shall become CITY property upon the date of the termination. CONTRACTOR agrees to execute any documents necessary for CITY to perfect, memorialize, or record CITY’S ownership of rights provided herein.

B.  **Termination for Breach of Contract**

1.  Except as provided in PSC-6, if CONTRACTOR fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, CITY may give CONTRACTOR written notice of the default. CITY’S default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of CITY. Additionally, CITY’S default notice may offer CONTRACTOR an opportunity to provide CITY with a plan to cure the default, which shall be submitted to CITY within the time period allowed by CITY. At CITY’S sole discretion, CITY may accept or reject CONTRACTOR’S plan. If the default cannot be cured or if CONTRACTOR fails to cure within the period allowed by CITY, then CITY may terminate this Contract due to CONTRACTOR’S breach of this Contract.

2.  If the default under this Contract is due to CONTRACTOR’S failure to maintain the insurance required under this Contract, CONTRACTOR shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance
coverage and Contractor’s obligation to suspend performance of services. CONTRACTOR shall not recommence performance until CONTRACTOR is fully insured and in compliance with CITY’S requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against CONTRACTOR, or if CONTRACTOR makes an assignment for the benefit of creditors, then CITY may immediately terminate this Contract.

4. If CONTRACTOR engages in any dishonest conduct related to the performance or administration of this Contract or violates CITY’S laws, regulations or policies relating to lobbying, then CITY may immediately terminate this Contract.

5. Acts of Moral Turpitude
   a. CONTRACTOR shall immediately notify CITY if CONTRACTOR or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").

e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of CONTRACTOR.

6. In the event CITY terminates this Contract as provided in this section, CITY may procure, upon such terms and in the manner as CITY may deem appropriate, services similar in scope and level of effort to those so terminated, and CONTRACTOR shall be liable to CITY for all of its costs and damages, including, but not limited to, any excess costs for such services.

7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that CONTRACTOR was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.

8. The rights and remedies of CITY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

C. In the event that this Contract is terminated, CONTRACTOR shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

PSC-10. Independent Contractor

CONTRACTOR is an independent contractor and not an agent or employee of CITY. CONTRACTOR shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of CITY.

PSC-11. Contractor’s Personnel

CONTRACTOR shall not use Subcontractors to assist in performance of this Contract without the prior written approval of CITY. If CITY permits the use of Subcontractors,
CONTRACTOR shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. CITY has the right to approve CONTRACTOR’S Subcontractors, and CITY reserves the right to request replacement of any Subcontractor. CITY does not have any obligation to pay CONTRACTOR’S Subcontractors, and nothing herein creates any privity of contract between CITY and any Subcontractor.

PSC-12. Assignment and Delegation

CONTRACTOR may not, unless it has first obtained the written permission of CITY:

A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or

B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

PSC-13. Permits

CONTRACTOR and its directors, officers, partners, agents, employees, and Subcontractors, shall obtain and maintain all licenses, permits, certifications and other documents necessary for CONTRACTOR’S performance of this Contract. CONTRACTOR shall immediately notify CITY of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents that relate to CONTRACTOR’S performance of this Contract.

PSC-14. Claims for Labor and Materials

CONTRACTOR shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any CITY property (including reports, documents, and other tangible or intangible matter produced by CONTRACTOR hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

For the duration of this Contract, CONTRACTOR shall maintain valid Business Tax Registration Certificate(s) as required by CITY’S Business Tax Ordinance, Section 21.00 et seq. of the Los Angeles Municipal Code (“LAMC”), and shall not allow the Certificate to lapse or be revoked or suspended.

of this Contract or (3) termination of this Contract. The records will be subject to examination and audit by authorized CITY personnel or CITY'S representatives at any time. CONTRACTOR shall provide any reports requested by CITY regarding performance of this Contract. Any subcontract entered into by CONTRACTOR for work to be performed under this Contract must include an identical provision.

In lieu of retaining the records for the term as prescribed in this provision, CONTRACTOR may, upon CITY'S written approval, submit the required information to CITY in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract.

PSC-17. Bonds

All bonds required by CITY shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code ("LAAC") Sections 11.47 et seq., as amended from time to time.

PSC-18. Indemnification

Except for the gross negligence or willful misconduct of CITY, or any of its boards, officers, agents, employees, assigns and successors in interest, CONTRACTOR shall defend, indemnify and hold harmless CITY and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by CITY, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including CONTRACTOR'S employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of an act, error, or omission by CONTRACTOR, Subcontractors, or their boards, officers, agents, employees, assigns, and successors in interest. The rights and remedies of CITY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-19. Intellectual Property Indemnification

CONTRACTOR, at its own expense, shall defend, indemnify, and hold harmless the CITY, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by CITY, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by CONTRACTOR, or its Subcontractors, in performing the work under
this Contract; or (2) as a result of CITY’S actual or intended use of any Work Product (as defined in PSC-21) furnished by CONTRACTOR, or its Subcontractors, under this Contract. The rights and remedies of CITY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-20. Intellectual Property Warranty

CONTRACTOR hereby assigns to CITY all goodwill, copyright, trademark, patent, trade secret and all other intellectual property rights worldwide in any Work Products originated and prepared under this Contract. CONTRACTOR further agrees to execute any documents necessary for CITY to perfect, memorialize, or record CITY’S ownership of rights provided herein.

CONTRACTOR agrees that a monetary remedy for breach of this Contract may be inadequate, impracticable, or difficult to prove and that a breach may cause CITY irreparable harm. CITY may therefore enforce this requirement by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude CITY from seeking or obtaining any other relief to which CITY may be entitled.

For all Work Products delivered to CITY that are not originated or prepared by CONTRACTOR or its Subcontractors under this Contract, CONTRACTOR shall secure a grant, at no cost to CITY, for a non-exclusive perpetual license to use such Work Products for any CITY purposes.

CONTRACTOR shall not provide or disclose any Work Product to any third party without prior written consent of CITY.

CONTRACTOR shall begin remediation immediately. CONTRACTOR shall provide daily updates, or more frequently if required by CITY, regarding findings and actions performed by CONTRACTOR until the Data Breach or Security Incident has been effectively resolved to CITY’S satisfaction. CONTRACTOR shall conduct an investigation of the Data Breach or Security Incident and shall share the report of the investigation with CITY. At CITY’S sole discretion, CITY and its authorized agents shall have the right to lead or participate in the investigation. Failure of CONTRACTOR to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment or Notices of Assignment, or the failure of any principal owner(s) of CONTRACTOR to comply with any Wage and Earnings Assignment or Notices of Assignment applicable to them personally, shall constitute a default by the CONTRACTOR under this Contract. Failure of CONTRACTOR or principal owner to cure the default within 90 days of the notice of default will subject this Contract to termination for breach. Any subcontract entered into by CONTRACTOR for work to be performed under this Contract must include an identical provision.

CONTRACTOR agrees that any services provided by CONTRACTOR, purchases made by CONTRACTOR or expenses incurred by CONTRACTOR in excess of the appropriation(s) shall be free and without charge to CITY and CITY shall have no obligation to pay for the services, purchases or expenses. EXHIBIT 1

INSTRUCTIONS AND INFORMATION
ON COMPLYING WITH CITY INSURANCE REQUIREMENTS

(Share this information with your insurance agent or broker)

1. Agreement/Reference  All evidence of insurance should identify the nature of your business with the CITY. Clearly show any assigned number of a bid, contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your submission will be properly credited. Provide the **types of coverage and minimum dollar amounts** specified on the Required Insurance and Minimum Limits sheet (Form Gen. 146) as determined in writing by the CAO-RM.

2. When to submit  Normally, no work may begin until a CITY insurance certificate approval number ("CA number") has been obtained, so insurance documents should be submitted as early as practicable. For **As-needed Contracts**, insurance need not be submitted until a specific job has been awarded. **Design Professionals** coverage for new construction work may be submitted simultaneously with final plans and drawings, but before construction commences.

Submitting your documents.  **Track4LA®** is the CITY’S online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used by insurance brokers and agents as they submit client insurance certificates directly to the CITY. It uses the standard insurance industry form known as the **ACORD 25 Certificate of Liability Insurance** in electronic format. Track4LA® advantages include standardized, universally accepted forms, paperless approval transactions (24 hours, 7 days per week), and security checks and balances. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access **Track4LA®** at [http://track4la.lacity.org](http://track4la.lacity.org) and follow the instructions to register and submit the appropriate proof of insurance on your behalf.

Insurance industry certificates other than the ACORD 25 may be accepted, however **submissions other than through Track4LA® will significantly delay the insurance approval process as documents will have to be manually processed.** CONTRACTOR must provide CITY a thirty day notice of cancellation (ten days for non-payment of premium) AND an Additional Insured Endorsement naming the CITY an additional insured completed by your insurance company or its designee. If the policy includes an automatic or blanket additional insured endorsement, the Certificate must state the CITY is an automatic or blanket additional insured. An endorsement naming the CITY an Additional Named Insured and Loss Payee as Its Interests May Appear is required on property policies. All evidence of insurance must be authorized by a person with authority to bind coverage, whether that is the authorized agent/broker or insurance underwriter. Completed **Insurance Industry Certificates other than ACORD 25 Certificates** are sent electronically to [CAO.insurance.bonds@lacity.org](mailto:CAO.insurance.bonds@lacity.org).

Additional Insured Endorsements DO NOT apply to the following:

- Indication of compliance with statute, such as Workers’ Compensation Law.
- Professional Liability insurance.

Verification of approved insurance and bonds may be obtained by checking **Track4LA®,** the CITY’S online insurance compliance system, at [http://track4la.lacity.org](http://track4la.lacity.org).

4. Renewal  When an existing policy is renewed, have your insurance broker or agent submit a new Acord 25 Certificate or edit the existing Acord 25 Certificate through **Track4LA®** at [http://track4la.lacity.org](http://track4la.lacity.org).

5. Alternative Programs/Self-Insurance  Risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and self-insurance programs are subject to separate approval after the CITY has reviewed the relevant audited financial statements. To initiate a review of your program, you should complete the Applicant’s Declaration of Self Insurance form ([http://cao.lacity.org/risk/InsuranceForms.htm](http://cao.lacity.org/risk/InsuranceForms.htm)) to the CAO-RM for consideration.
6. **General Liability** insurance covering your operations (and products, where applicable) is required whenever the CITY is at risk of third-party claims which may arise out of your work or your presence or special event on City premises. **Sexual Misconduct** coverage is a required coverage when the work performed involves minors. **Fire Legal Liability** is required for persons occupying a portion of CITY premises. Information on two CITY insurance programs, the SPARTA program, an optional source of low-cost insurance which meets the most minimum requirements, and the Special Events Liability Insurance Program, which provides liability coverage for short-term special events on CITY premises or streets, is available at (www.2sparta.com), or by calling (800) 420-0555.

7. **Automobile Liability** insurance is required only when vehicles are used in performing the work of your Contract or when they are driven off-road on CITY premises; it is not required for simple commuting unless CITY is paying mileage. However, compliance with California law requiring auto liability insurance is a contractual requirement.

8. **Errors and Omissions** coverage will be specified on a project-by-project basis if you are working as a licensed or other professional. The length of the claims discovery period required will vary with the circumstances of the individual job.

9. **Workers’ Compensation and Employer’s Liability** insurance are not required for single-person contractors. However, under state law these coverages (or a copy of the state’s Consent To Self Insure) must be provided if you have any employees at any time during the period of this contract. Contractors with no employees must complete a Request for Waiver of Workers’ Compensation Insurance Requirement (http://cao.lacity.org/risk/InsuranceForms.htm). A Waiver of Subrogation on the coverage is required only for jobs where your employees are working on CITY premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals, toxic materials, power tools, etc. The Waiver of Subrogation waives the insurer’s right to recover from the CITY any workers’ compensation paid to an injured employee of the contractor.

10. **Property** insurance is required for persons having exclusive use of premises or equipment owned or controlled by the CITY. **Builder’s Risk/Course of Construction** is required during construction projects and should include building materials in transit and stored at the project site.

11. **Surety** coverage may be required to guarantee performance of work and payment to vendors and suppliers. A **Crime Policy** may be required to handle CITY funds or securities, and under certain other conditions. **Specialty coverages** may be needed for certain operations. For assistance in obtaining the CITY required bid, performance and payment surety bonds, please see the City of Los Angeles Bond Assistance Program website address at http://cao.lacity.org/risk/BondAssistanceProgram.pdf or call (213) 258-3000 for more information.

12. **Cyber Liability & Privacy** coverage may be required to cover technology services or products for both liability and property losses that may result when a CITY contractor engages in various electronic activities, such as selling on the Internet or collecting data within its internal electronic network. CONTRACTOR’S policies shall cover liability for a data breach in which the CITY employees’ and/or CITY customers' confidential or personal information, such as but not limited to, Social Security or credit card information are exposed or stolen by a hacker or other criminal who has gained access to the CITY’S or CONTRACTOR’S electronic network. The policies shall cover a variety of expenses associated with data breaches, including: notification costs, credit monitoring, costs to defend claims by state regulators, fines and penalties, and loss resulting from identity theft. The policies are required to cover liability arising from website media content, as well as property exposures from: (a) business interruption, (b) data loss/destruction, (c) computer fraud, (d) funds transfer loss, and (e) cyber extortion.

Discovery Cube Los Angeles
Sustainability Park – Phase 1
January 2020

Sustainability Park Overview

In July 2019, Discovery Cube Los Angeles received a state grant to create additional educational exhibit experiences highlighting sustainability. It is Discovery Cube’s intent to create deliberative, hands on educational experience that engages the community we serve and is reflective of their values and experiences. The planned, outdoor expansion will highlight sustainable energy, water supply and preservation of the LA River, wildlife conservation and fire science and safety.

With the closure of the Discovery Cube Los Angeles, due to the pandemic, it is apparent that the need for an outdoor educational space is critical in reopening the Cube to the public. By providing open-air experiences and safe physical play spaces, Guests will have an opportunity to learn and explore away from digital devices and increase physical activity.

Discovery Cube seeks to empower people to change the way they think, work, and play today to help create a pathway towards a sustainable future. Critical in the development of exhibits, that not only carry this environmental message, it is also important that these experiences are representative of the community, city and county we serve while featuring the rich history of Los Angeles and its unique environmental landscape. In conducting a recent survey of our community members, Discovery Cube learned that there was also a strong desire for exhibits that allowed interaction with water.

The first phase of the Sustainability Park features four unique educational exhibits that address issues specific to our local community and it is resilience to current environmental issues.

**Solar Cube Fountain**: The Cube is our iconic logo, representing our brand and upholding our four core initiatives: STEM Proficiency, Early Learning, Healthy Living and Environmental Stewardship. It serves as a vibrant reminder of Discovery Cube’s mission to IMPACT, INSPIRE and EDUCATE the community we serve. Powered by solar, our iconic cube will educate guests visiting Discovery Cube on sustainable and alternative energy sources necessary in adaptation to the changing climate in the LA region.

**Fire Ranger Training Ground**: Climate change can influence and raise the risks of wildfires. Moreover, as we have experienced, wildfires are a yearly threat to our community. There have been several high-risk incidents in Hansen Dam causing an increase of susceptibility for the surrounding community. The Fire Ranger Training Ground will explore science and technology, fire ecology and related careers, climate change, conservation, along with fire safety and prevention in the wild land urban interface. This exhibit provides useful and timely knowledge on fire safety and prevention in a fun, engaging and hands on adventure.

**Conservation Solar Carousel**: As wildfires are a yearly threat in our area, the wildlife in the local park and forest areas are greatly impacted by the destruction of their native habitats and threat to their safety. During this experience, guests are introduced to a variety of local wildlife and domestic animal habitats that are compromised during wildfires. With over 28 animals, the conservation carousel will be a prominent feature to the park. The carousel itself will have a shade structure with solar panels on it to provide the...
power needed to run this major attraction. The structure will also provide needed protection against the elements and ashes from local fires.

**LA River Water Table:** The LA River is a source of memorable experiences for local residents. Beginning in the western San Fernando Valley at the foothills of the Simi Hills and the Santa Monica and Santa Susana Mountains. It flows east, curving around Griffith Park and passing beneath the foothills of the San Gabriel Mountains before flowing south all the way to Long Beach and the Pacific Ocean. Through preservation and revitalization, the river has been brought back to life to benefit local residents and urban wildlife. This exhibit will note the distinguished features of the river while educating on conservation and preservation of this large waterway.

Ever mindful and respectful of Hansen Dam Recreation Area, we are sensitive to the ecological balance as we go into designing exhibits and attractions and are committed to limiting negative environmental impact to the area. Discovery Cube’s aim is to work closely with Recreation and Parks and US Army Corps of Engineers to ensure diligence in this endeavor.
Our “Cube”

Discovery Cube Los Angeles will finally have its own iconic Cube! The Cube Fountain will bring a recognizable structure to the DCLA campus and will greet our Guests with a dynamic water feature and themed lighting. Standing at, approximately, 26 feet tall on a vertex, the cube will not only highlight brand colors but will also generate power via solar panels.
Fire Ranger Training Ground

The Fire Ranger Training Ground will feature a fire truck that includes working water hoses for putting out fires, an obstacle course for guests to climb and traverse, with focus on strengthening and stretching muscles, practicing communication skills, and building teamwork. The exhibit features a splash pad for children and will also include a helicopter that guests can explore and understand how these aerial vehicles are used in combatting wildfires by dropping salt or fresh water, and aid in rescue.
Conservation Solar Carousel

The carousel features colorful animals representing protected and endangered species. For younger children, the carousel will be a gentle introduction to the world of animals and for older children and adults it will be a reminder of the need to conserve our rich resources for the next generation. The Conservation Solar Carousel will be a centerpiece to engage guests in discussions about wildlife and the need for their protection.
LA River Water Table

Guests will engage with an interactive stream table that will inspire creativity through science investigations and imaginative play while sharing the story of the LA River. Guests will experiment with various objects and be able to investigate and predict the results of building bridges, moving barriers, and putting together and taking apart obstacles. Levers will control water flow so that guests can experiment with high and low velocity runoff. Guests will build and engineer floating vehicles or like items such as a kayak, small boat, or raft from LEGO Bricks at the build stations. The water table will display iconic landmarks found along the LA River and provide information on various recreational and historical points of interest.

Retention Basin – LA Sanitation LID

After a discussion in November 2020 with representatives from LA Sanitation Watershed Protection and RAP, Discovery Cube received the support to move the current retention basin located in front of the property with a new BMP. Relocation of the current basin is critical in making space for the planned expansion while also giving way to develop a structure that provides an attractive element to the corner of Foothill and Osborne. Currently we are exploring a Capture and Use system to be installed at the water source, supplying water to a fountain and adjacent landscaping. A RFP for an engineering firm to assist with the LID plans has been sent to bid.

All such equipment shall be installed and operated in compliance with all applicable laws and regulations. The BOARD shall have the sole and exclusive right to collect and use any revenue or fees generated from the placement of such equipment by CITY or CITY's licensee. All costs related to the installation, maintenance, or operation of such equipment by CITY or CITY's licensee shall be the responsibility of CITY or CITY's licensee, including without limitation electrical power and other necessary utilities and related service meters. CITY or CITY's licensee shall be financially responsible for and shall immediately commence and diligently pursue to completion any repair of damage to the Premises or the areas adjoining the Premises, or any contents thereof, caused by the installation, maintenance, or operation of such equipment. CITY or CITY's licensee shall have access to the Premises upon twenty-four hours notice to DSCLA for installation or maintenance purposes.

4.5. Parking Spaces. CITY shall make available to DSCLA and its visitors, guests, agents, and employees, the non-exclusive use of not less than 250 off-site surface parking spaces located within 750 feet of Premises. Use of said Parking Spaces is subject to existing easements as defined in Exhibit A, other restrictions of record, and Department of the Army Lease No. DACW09-1-69-45 between USACE and CITY for property located within the Hansen Flood Control Basin.

ARTICLE 5. USE OF PREMISES FOR THE CENTER

5.1. Use of Premises. The Premises shall be used for the purpose of a Center, to serve youth and their families, with an emphasis on recreation and environmental science, on a non-profit basis and operations and/or functions related to or incidental to such Center, including offices and storage. Any and all concession operations, including the sale of food and/or beverages, gifts, materials and supplies, shall be subject to prior approval by the General Manager or BOARD, when applicable.

5.2. Operation. As partial consideration for the use of City-owned and leased property, the Center shall be operated as a first-class Center for youth and their families, with an emphasis on recreation and environmental science, conducted on a nonprofit basis. The exhibits of the Science Center at the Premises shall be open to the general public on a year-round basis at least two hundred fifty (250) days per year (January 1 through December 31) and will serve the public with the overall operation schedule to be developed by mutual agreement of the General Manager and DSCLA (see Section 12.2, regarding obligations after damage or destruction). DSCLA shall operate the Center, develop recreational and environmental awareness educational programming, volunteer training, seminars, workshops, special programs, literacy gallery, community outreach programs, special exhibition displays, and similar programs and events for the benefit of the general public, all to the extent that DSCLA's fundraising and staffing commitments shall allow (nothing in this sentence shall be construed to modify DSCLA'S obligation to operate a first-class Center with a major focus on providing youth and their families with environmental awareness educational programs within a recreational atmosphere for a specified minimum number of hours per month, or the right of CITY to terminate this Lease for DSCLA'S failure to so operate).
5.2.1. **Hours of Operation.** Use of the Center is restricted to the hours of 7:00 a.m. to 11:00 p.m., with exception for 30 evenings annually for events at the Center sponsored by DSCLA and in keeping with the permissible uses of the Center under this lease ("Special Events"). Hours of Operation shall reflect normal park operating hours, except under such circumstances and conditions as may be approved in writing in advance by the General Manager. At a minimum, the Center shall be open to the general public from 10:00 a.m to 5:00 p.m, seven days a week, and for no less than two hundred fifty (217) hours per month. DSCLA shall post its operating schedule in a conspicuous place near the entrance to the Center and shall adhere to the posted hours of operation. Any changes in said operating schedule shall be posted for a reasonable period in advance of the date on which such changes are to take effect.

5.2.2. **Special Events.** DSCLA may conduct Special Events at the Center with the prior written approval of the General Manager, which shall not be unreasonably withheld or delayed, and in compliance with all policies and procedures heretofore and hereafter adopted by the CITY. DSCLA shall provide for and assume all costs and expenses for additional personnel and/or facilities that the General Manager deems necessary to accommodate said special event. The approval of Special Events located on land owned by USACE and leased to the CITY may be subject to approval of USACE pursuant to the terms of Department of the Army Lease No. DACW09-1-69-45 between USACE and CITY.

5.3. **Security.** DSCLA shall, at its sole cost and expense, provide for reasonable precautions to protect the security and safety of the Premises, contents contained therein, and all those who lawfully enter the Premises. In the event of an injury to a person lawfully or unlawfully on said Premises or emergency situation, DSCLA shall make reasonable efforts to ensure that the injured person or emergency receives prompt and qualified attention. CITY is not obligated under this Lease to provide any security for the Premises, contents contained therein, or persons who lawfully or unlawfully enter the Premises. No person may live on the Premises (i.e. use of facility as a home or living quarters) except during declared emergencies.

5.4. **Alcoholic Beverages.** The dispensing of beer, wine, or other intoxicating liquors shall not be permitted, except under such circumstances and conditions as may be approved in writing in advance by the General Manager.

5.5. **On Premises Signs and Advertising.** Signage on the Premises and advertising shall be governed as follows:

5.5.1. **Signs.** All signage shall comply with all Los Angeles Municipal Code sign regulations and relevant DEPARTMENT policies. In addition, all signage must be approved in advance, in writing, by the General Manager and such consent may not be unreasonably withheld or delayed.

5.5.2. **City Acknowledgements.** The cooperation between DSCLA and CITY shall be recognized in a mutually agreed to manner consistent with the sign regulations of the Los Angeles Municipal Code and DEPARTMENT policies.

5.5.3. **Donor Acknowledgements.** The CITY acknowledges that DSCLA will undertake a fundraising effort to support the maintenance and operation of the Center and that it may be necessary, in appropriate instances, to recognize donors by installing plaques or other appropriate signage or naming facilities, or parts of facilities, as provided in the conditions accompanying the gifts. Accordingly, DSCLA shall have the right to recognize gifts in that
manner during the term of the Lease; provided however that all signage shall be consistent with the sign regulations of the Los Angeles Municipal Code and relevant DEPARTMENT policies, and that any agreement to install such signs, plaques or similar acknowledgements on the Premises for any period of time shall not extend beyond the term of the Lease and shall be subject to the prior written approval of the BOARD.

5.6. **Admission Fees.** DSCLA may charge a reasonable admission fee subject to the written approval of the General Manager. The standard used to approve admission fees shall be comparable to unsubsidized science centers in the United States. For the initial schedule of fees and any subsequent adjustments that may be desired periodically, DSCLA shall submit to the General Manager a list of all proposed admission fees. DSCLA will be notified in writing within thirty (30) days of the General Manager's approval or disapproval of any or all of the proposed admission fees. In the event of disapproval of any such admission fees, the General Manager shall specify the reasons therefore, along with the amount or range of admission fees which would be approved. CITY through the General Manager reserves the right to disapprove proposed admission fees when it appears that proposed admission fees are above the prevailing standard set forth above. The approval of Admission Fees for improvements located on land owned by USACE and leased to the CITY may be subject to approval of USACE pursuant to the terms of the Department of the Army Lease No. DACW09-1-69-45 between USACE and CITY.

5.6.1. **Free Annual Memberships.** DSCLA shall provide a program for some free individual admissions slots provided on an annual basis as defined in the City approved Pro Forma then in effect, which shall be subject to approval by the General Manager or BOARD, as applicable, in accordance with the terms defined in Section 8.1 of this agreement.

5.7. **Ancillary Income.** During the Term, in the event DSCLA obtains income from uses of the Premises which are ancillary to and consistent with or related to the uses permitted under this Lease (e.g., use of Premises in the filming of a motion picture), DSCLA shall use such income only for such purposes as are consistent with the permitted uses of the Lease. Any receipt and use of such income shall be reported to CITY in the reports required pursuant to Section 8. Nothing in this Section shall be construed to permit uses of the Premises not otherwise allowed under the provisions of this Lease, nor shall anything in this Section be construed to negate or modify any requirement for prior approval of activities.

**ARTICLE 6. SECURITY, MAINTENANCE, CUSTODIAL SERVICES AND REPAIR OF THE CENTER**

6.1 **DSCLA'S Responsibilities.** DSCLA shall keep and maintain, at DSCLA'S sole cost and expense, the Premises and all improvements on the Premises, including Center Exhibits, in good condition and repair during the entire Term of this Lease. DSCLA shall be responsible for providing all security, maintenance, and custodial services as are required for the Premises. DSCLA shall pay the cost of all such services. The condition and state of repair covering the entire Premises including all improvements thereto, the buildings or other structures on the Premises, interior, exterior, and all access areas thereto, shall at all times, include but not be limited to the following: Safe and free from hazard; free of rodents, insects and other pests; free from unsightly signs, displays, markings, and graffiti; free from litter and debris; all plumbing, electrical, heating cooling and other systems in good operating condition and free from hazard of obstruction of any kind; sidewalks, fencing, landscaping, and play and parking areas in neat and safe condition; all areas adequately illuminated; and all areas in such condition as not to detract from the surrounding neighborhood and be in compliance with all building and fire codes.
and public health regulations. CITY shall have the right to inspect the Premises for compliance under this Section pursuant to Section 9.3.

6.2 CITY is Not Obligated to Repair. Except as provided expressly in this Lease, in no event shall CITY be required or obligated to perform any maintenance or to make any repairs, changes, alterations, additions, modifications or replacements of any nature whatsoever, on the Premises, or any part thereof, at any time during the Term of this Lease.

6.3. Refuse and Trash. DSCLA shall keep the Premises clean and sanitary at all times. No refuse matter, nor any substance constituting an unnecessary, unreasonable or unlawful fire hazard, or material detrimental to the public health, shall be permitted or allowed to remain thereon, and DSCLA shall take all reasonable precautions to prevent any such matter or material from being or accumulating upon the Premises. DSCLA shall, solely at its expense, provide for the collection and removal of all garbage and/or refuse from the Premises as often as is necessary. DSCLA shall furnish all equipment and materials therefore, including trash receptacles of a size, type and number approved by CITY for use by the public. Such approval shall not be unreasonably withheld. DSCLA shall provide an enclosed area concealing trash storage from public view. DSCLA shall, during the Term of this Lease and at DSCLA’s sole expense, conduct a recycling program on the Premises in conjunction with the Facilities Recycling Program of the City of Los Angeles, or any similar program subsequently implemented. Such program will include all materials which may be reasonably recycled (e.g., white paper, mixed paper, newspaper, aluminum cans, and plastic and glass containers).

6.4. Safety Deficiencies. DSCLA shall promptly correct all safety deficiencies and violations of safety practices of which it has knowledge and shall cooperate fully with CITY in the investigation of accidents occurring on the Premises. In the event of injury to a patron or customer, DSCLA shall use its best efforts to provide prompt and qualified medical attention to the injured person; provided, however, that nothing in this Section is intended to confer any third-party beneficiary status on any person not a party to this Lease. As soon as possible after an event of injury, DSCLA shall submit to CITY a City Form General No. 87 ("Non-Employee Accident or Illness Report") or make such other report as CITY may reasonably require.

6.5. Failure to Perform Maintenance. In the event DSCLA does not perform maintenance or repairs such that the improvements on the Premises, or any portion thereof, are no longer suitable for use by the public or other occupancy, as determined by either CITY or DSCLA, or that the improvements on the Premises, or any portion thereof, are not in compliance with applicable federal, state, or local laws on or after the date provided for such compliance, in each case beyond applicable notice and cure periods, CITY, at its sole discretion, may:

6.5.1. Perform or have performed the necessary remedial work at DSCLA’S expense and DSCLA shall immediately reimburse CITY for any expenses incurred in performing or having the remedial work performed;

6.5.2. Terminate this Lease in accordance with Paragraph 15.2.1.; or

6.5.3. Require the immediate vacation of all of the improvements on the Premises or, at the sole discretion of CITY, a portion of the improvements on the Premises until such time as such maintenance or repairs are complete or such time as the improvements on the Premises are in compliance with such laws, as the case may be. The remedy provided in this Paragraph 6.5.3 may be used independently or in conjunction with the remedies provided in either Paragraph 6.5.1 or Paragraph 6.5.2.
6.6. Effect of Inspections or Approvals. Wherever in this Lease inspections or approvals are required from CITY in its role as Landlord under this Lease, including from the General Manager, such inspections or approvals are additional to, and are not in lieu of, any inspections or approvals otherwise required under any applicable ordinance, regulation, or statute. Such inspections or approvals by CITY are discretionary acts and shall not impose any liability on CITY to third persons nor to DSCLA and, in addition, shall not obligate CITY for any costs or expenses related to the construction, improvement, or maintenance of any building or other structure at the Premises.

ARTICLE 7. UTILITIES, SEWERS AND STORM DRAINS

7.1. Utilities. DSCLA shall install and pay all charges associated with the installation of electricity, natural gas, sewer, water and telephone services, as well as all periodic fees and permits for said services. DSCLA shall, at its sole cost and expense, provide any additional above-ground and underground utility lines, and related improvements, required for the successful operation of the Center and Center exhibits. CITY shall assist DSCLA in obtaining such utility easements and connections as may be necessary to provide any utility service, provided that the obtaining of said easements and connections shall be at no cost to the CITY.

7.2. Sewers and Storm Drains. Sewage lines and storm drainage lines which were constructed in connection with the improvements on the Premises are the responsibility of DSCLA, which shall maintain and repair such sewage lines and storm drainage lines at DSCLA's sole cost and expense. CITY is not responsible for payment of any fees nor for delays in permit processing or approvals. To the extent that there are sewage lines and storm drainage lines within the boundaries of the Premises which predate this Lease or which were installed by CITY (other than for exclusive use of the Center): (i) CITY retains an easement across the Premises for such sewage lines and storm drainage lines, including the right to access such lines for the purpose of inspection, repair, and relocation, and DSCLA shall not construct any improvements over such sewage lines or storm drainage lines without the prior written consent of the General Manager, which shall be at the General Manager's sole discretion, and (ii) CITY shall maintain and repair such sewage lines and storm drainage lines. In the event that sewer and/or drainage lines (if any) within the boundaries of the Premises are replaced, repaired or relocated as an element of a CITY project not related to the Center, CITY agrees to restore, at its sole expense, any landscaping and ground conditions existing prior to such activity.

ARTICLE 8. REPORTS AND AUDITS

8.1. Reports to CITY. DSCLA shall provide information to the General Manager relative to its management, operation, and maintenance of the Premises, including, but not limited to the following:

8.1.1. Quarterly Reports. On a quarterly basis, or as deemed necessary by either DSCLA or CITY, representatives of the parties shall confer to evaluate the following:

8.1.1.1 Functions and Operations. Representatives of the parties will confer to evaluate the adequacy of the functional and operational responsibilities of each party, as stipulated in this Lease. This shall include, but not be limited to: (i) the number of visitors, and youth, serviced by the Center, (ii) the number of hours the Center was open to the public, and (iii) status of any major or minor changes to Center Exhibits and/or programs. The Parties may
make such adjustments as they deem necessary provided that any substantive or material adjustments shall require the written approval of the BOARD and amendment of this lease if applicable.

8.1.1.2 Review of Maintenance Levels. Representatives of the parties will confer to evaluate adequacy of the maintenance levels of DSCLA for the Center, as stipulated in this Lease. This shall include, but not be limited to: (i) the status of any safety or security issues, (ii) the status of any fire, building and safety, or health code violation, and (iii) the status of any minor or major repairs. The Parties may make such adjustments as they deem necessary provided that any substantive or material adjustments shall require the written approval of the BOARD and amendment of this lease if applicable.

8.1.1.3. Grant Agreement Obligations. Representatives of the parties will confer to evaluate compliance with any reporting obligations imposed under the terms of any grant agreement entered into by CITY or DSCLA for the development or operation of the Premises, the Center, or the Center Exhibits. CITY agrees to assist DSCLA in obtaining any information or records necessary for the preparation of these reports.

8.1.2. Annual Report. Not later than twelve months following the Effective Date, and thereafter annually, DSCLA shall provide a copy of its annual report, which includes the financial, organizational, and programmatic activities of the Center to the General Manager.

8.1.3. Five Year Strategic Plan. Not later than four years following the Center’s Opening Date, and on every fifth anniversary thereafter, DSCLA shall provide to the General Manager a report on proposed financial, organizational, and programmatic activities of the Center for the next five years. This report shall include a comprehensive outlook of anticipated Center attendance, pricing, revenues, and expenses, as well as plans for future exhibits, attractions, and programs.

8.2. Business Records. CITY maintains an interest in assuring that the facilities it provides at no or minimal rents are operated in a manner consistent with the CITY’s intent. Accordingly, DSCLA shall maintain a method of accounting of all the receipts and disbursements received or made in connection with the Premises which shall correctly and accurately reflect the gross receipts and disbursements received or made by DSCLA from the operation of the Center and other activities on the Premises. These records shall be prepared by DSCLA’s auditors or certified accountants and be consistent with recognized accounting principles.

8.3. Inspection and Audit of Records by CITY. All documents, books and accounting records required to be maintained or retained under this Article shall be open for inspection and re-inspection by CITY with reasonable prior notice during regular operating hours during the Term of this Lease and for a period of seven years thereafter. In addition, CITY may from time to time consistent with recognized accounting principles conduct, at CITY’S sole cost and expense, an audit or re-audit of the books and business conducted by DSCLA with respect to DSCLA’S operations of the Premises and the Center and observe the operation of business so that accuracy of the above records can be confirmed.

ARTICLE 9. COMPLIANCE WITH ALL LAWS AND REGULATIONS

9.1. Federal, State and Local Laws. DSCLA agrees that in achieving its goals as set forth in this Lease, it will comply with all applicable laws, ordinances, rules and regulations enacted or promulgated or which are enacted or promulgated in the future by the City of Los Angeles, the County of Los Angeles, the State of California, and the Federal Government. DSCLA shall also
adhere to all rules and regulations that have been adopted or that may be adopted by the BOARD or any successor Department, Board or Commission having jurisdiction over the Premises.

9.2. Compliance with Americans with Disabilities Act. DSCLA agrees that as between DSCLA and CITY, DSCLA shall be responsible for compliance, including all costs of compliance, with the Americans With Disabilities Act of 1990 (42 U.S.C. § 12101, et seq.) and any and all other federal, state, and local laws related to the accessibility of the Premises to persons with disabilities.

9.3. Right of Entry. CITY and the General Manager, their authorized representatives, agents and employees shall have the right to enter upon the Premises at any and all reasonable times within operating hours for the purposes of inspection and observation of DSCLA'S operations. CITY shall endeavor to conduct such inspections and observations in a manner calculated to minimize disruption to the use and enjoyment of the Premises by DSCLA, its employees, and patrons. Said inspections may be made by persons identified to DSCLA as CITY employees or by independent contractors engaged by CITY. Inspections of areas not open to the general public shall be made with reasonable prior notice (except in the case of emergency, where no notice is required).

9.4. Operating Permits and Licenses. DSCLA shall obtain, at its sole expense, any and all permits or licenses that may be required in connection with its operations including, but not limited to, tax permits, business licenses, and health permits. CITY is not responsible for payment of any fees nor for delays in permit processing or approvals.

ARTICLE 10. INSURANCE

10.1. Insurance. Prior to the occupancy of the Premises, under the provisions and conditions of this Lease, DSCLA shall furnish CITY with evidence of insurance from insurers (i) reasonably acceptable to CITY, and (ii) authorized to do business in the State of California, on a form reasonably acceptable to the CITY, Office of the City Administrative Officer (CAO), Risk Management for the following coverages and minimum limits of insurance specified on the Form Gen. 146R Forms attached hereto and incorporated herein by reference as Exhibit C "Form Gen. 146R Insurance Form". The following coverages shall be maintained by DSCLA at its sole cost and expense throughout the Term of this Lease. Evidence of such coverage shall be provided to CITY by DSCLA in accordance with the Instructions and Information on Complying with City Insurance Requirements attached hereto and incorporated herein by reference as Exhibit D "Instructions and Information on Complying with City Insurance Requirements", which includes the following:

10.1.1. General Liability Insurance. DSCLA shall obtain Commercial General Liability insurance with coverage for Premises and Operations, Products and Completed Operations, Blanket Contractual Liability, Broad Form Property Damage, and Personal Injury coverages included and shall provide for total limits of not less than $5,000,000 Combined Single Limit, per occurrence, for bodily injury and property damage (during any construction phase at the Center, Umbrella or Excess Liability coverages may be used to supplement primary coverages to meet required limits). Evidence of such coverage shall provide for the following:
10.1.1.1. Include CITY, its boards, officers, agencies, and employees as additional insureds with DSCLA for the development and operation of the Center at the Premises and all DSCLA’s activities and insured risks related thereto.

10.1.1.2. That the insurance is primary and not contributing with any other insurance maintained by the City of Los Angeles.

10.1.1.3. With respect to the interests of CITY, if an insurance company elects to cancel insurance before the stated expiration date, or declines to renew in the case of a continuous policy, or materially reduces the coverage period by changing the retroactive date (if any), or the extended discovery period (if any), or reduces the stated limits other than by impairment of an aggregate limit, or materially reduces the scope of coverage which affects CITY’s interest, the company will provide CITY at least thirty days’ prior written notice of such election (ten days for non-payment of premium). Notice will be addressed as follows: City of Los Angeles, CAO, Risk Management, 200 North Main Street, 12th Floor, Los Angeles, California 90012, or at such address as CITY may, from time to time, specify by written notice.

10.1.2. Property Coverage. At all times during the Term of the Lease with respect to any improvements on the Premises including, without limitation, the building containing the Center and Center Exhibits, DSCLA shall, at its sole cost and expense, cause to be provided and kept in force and effect insurance policies, protecting CITY and DSCLA as their interests may appear, against loss or damage to the improvements on the Premises, in an amount consistent with what a prudent operator of a comparable building would carry providing replacement cost coverage for perils typically insured against in a California standard all risk property insurance policy. The replacement cost of the improvements shall be determined in accordance with the standard practices of the insurance industry and evidenced by the certificate of the insurance company or companies issuing such insurance at the time the policy or policies are obtained. DSCLA further covenants and agrees, at its sole cost and expense, to provide and keep in full force and effect Boiler and Machinery insurance on all air conditioning equipment, boilers, and other pressure vessels and systems, whether fired or unfired, serving the improvements on the Premises.

10.1.3. Builder’s Risk Insurance. Prior to the commencement of any construction at, or expansion of, the Center, or major internal or external improvements to the Center’s structure, DSCLA shall, at its sole cost and expense, cause to be provided and kept in full force and effect "All Risks Builder’s Risk" insurance, including vandalism and malicious mischief, covering improvements in place, and all materials and equipment at the job site. Said insurance shall remain in full force and effect until the improvements shall have been completed and fully insured as provided in this Article.

10.1.4. Insurance on DSCLA Personal Property. DSCLA may obtain other insurance covering its equipment, exhibits, artifacts, memorabilia, and other personal property at its sole discretion. CITY, as Landlord, shall have no right to require such insurance nor shall CITY be deemed a beneficiary thereof. No claims will be made to CITY by DSCLA for losses sustained by DSCLA. Nothing in this Paragraph, however, shall be construed to restrict the right of the City of Los Angeles, or any of its Departments, Boards, Commissions, or officers, or any other person or organization, to require DSCLA to obtain insurance on any equipment, artifacts or other property loaned or otherwise provided to the Center or DSCLA by the City of Los Angeles for exhibits, display, or other purposes.
10.1.5 Workers' Compensation. DSCLA shall comply with the provisions of section 3700, et seq., of the California Labor Code and shall be insured (and shall require that each of its contractors and subcontractors comply with such Code and be insured) against liability for workers' compensation and employers' risk in accordance with the provisions of such Code before commencing the performance of any work on or about the Premises or otherwise in relation to this Lease. A Waiver of Subrogation in favor of CITY is required.

10.1.6. Adjustment of Insurance Levels. CITY reserves the right at any time during the Term of this Lease, applying generally accepted Risk Management principles, to change the amounts and types of insurance required hereunder effective at the renewal date of insurance then in effect (in no case more than one year from the written notice) by giving DSCLA ninety days' written notice provided that such amounts and/or types shall be reasonably available to DSCLA at commercially reasonable premiums.

10.1.7. Reduction of Insurance Protection. If any of the required insurance coverages contain aggregate limits, or apply to other operations or tenancies of DSCLA outside of this Lease, DSCLA shall give CITY prompt, written notice of any incident, occurrence, claim, settlement, or judgment against such insurance which in DSCLA'S best judgment may diminish the protection such insurance affords CITY. DSCLA shall further take immediate steps to restore such aggregate limits or shall provide other insurance protection for such aggregate limits.

10.2. Self-Insurance Programs. Self-insurance programs and self-insured retention in insurance policies are subject to separate approval by CITY upon review of evidence of financial capacity to respond. Additionally, such programs or retention must provide CITY with at least the same protection from liability and defense of suits as would be afforded by first-dollar insurance.

10.3. Failure to Maintain Insurance. DSCLA'S failure to procure or maintain required insurance shall constitute a material breach of this Lease under which CITY may immediately terminate this Lease, or, at its discretion, procure or renew such insurance to protect CITY's interest and pay any and all premiums in connection therewith, and recover all monies so paid from DSCLA. If CITY elects to terminate this Lease, DSCLA agrees to immediately cease all operations and activities under this Lease and to peacefully surrender the Premises.

10.4. Indemnification/Hold Harmless. Except for the active negligence or willful misconduct of CITY, or any of its Boards, Officers, Agents, Employees, Assigns and Successors in Interest, DSCLA undertakes and agrees to defend, indemnify and hold harmless CITY and any of its Boards, Officers, Agents, Employees, Assigns, and Successors in Interest from and against all suits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees and cost of litigation, damage or liability of any nature whatsoever, for death or injury to any person, including DSCLA'S employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of the negligent acts, errors, omissions or willful misconduct incident to the performance of this Lease by DSCLA or its subcontractors of any tier. The provisions of this paragraph survive expiration or termination of this Lease.
ARTICLE 11. OWNERSHIP OF IMPROVEMENTS

11.1. Improvements. All improvements located on the Premises, including the building and tenant improvements constructed by the City or by DSCLA as of the Effective Date of this Lease, and all Tenant improvements constructed on the Premises by DSCLA at any time and from time to time during the Term, shall be owned by DSCLA during the Term. Except as hereinafter provided, all improvements on the Premises at the end of the Term shall, without any obligation on the part of CITY to compensate DSCLA therefore, become and remain CITY's property free and clear of all claims to or against such tenant improvements by DSCLA or any third party. CITY shall have the right to require DSCLA to demolish and remove all or any portion of the tenant improvements on the Premises. DSCLA shall take reasonable steps to remove all such claims of third parties existing at that time. Notwithstanding the foregoing, all bronze and other decorative metal, stain glass windows, historic buildings and similar items or structures which DSCLA deems to be part of its collection shall be removable at the end of the Term, whether or not such items are tenant improvements or fixtures.

ARTICLE 12. DAMAGE AND RESTORATION

12.1. Damage. Except as otherwise provided in this Lease, if any improvements located on the Premises are damaged and such damage was caused by fire or other peril covered by DSCLA'S insurance, DSCLA agrees to repair such damage to the extent set forth in this Section, and this Lease shall continue in full force and effect. If such improvements are damaged as the result of any cause other than perils covered by DSCLA'S insurance then DSCLA may, at DSCLA'S option, either (i) repair such damage as soon as reasonably practicable at DSCLA'S sole cost and expense, in which event this Lease shall continue in full force and effect, or (ii) give written notice to CITY within ninety (90) days after the date of occurrence of such damage of DSCLA'S intention to cancel and terminate this Lease of the date of the occurrence of such damage. Upon such termination, DSCLA shall, if requested by CITY, complete demolition of the damaged Center or other damaged improvement and restoration of the Premises to the condition it was in prior to construction of the improvements at DSCLA'S sole cost and expense and shall transfer any proceeds received from DSCLA'S insurance that are attributable to damage to the real property underlying the Premises, if any, to CITY.

12.2. Obligation to Restore. If this Lease is not terminated pursuant to any of the provisions of this Article 12, DSCLA shall, to the extent of available insurance proceeds plus any deductible DSCLA elects to carry, promptly and diligently restore and repair the improvements to substantially the same condition, to the extent possible, they were in immediately prior to the occurrence of the damage, except for modifications required by building codes and other laws and except for any other modifications to the improvements considered desirable by DSCLA and approved by the General Manager. DSCLA'S obligation to restore is subject to reasonable delays for insurance adjustment and other matters beyond DSCLA'S reasonable control. During any period of restoration pursuant to this Section, the Center shall not be required to be open for operation (except where such restoration is minimal or reasonably would not affect partial operation of the Center).
ARTICLE 13. DESIGN AND CONSTRUCTION OF IMPROVEMENTS AND EXHIBITS

13.1 Design and Construction of Tenant Improvements and Exhibits by Tenant. DSCLA shall design the layout of the Center, design and construct improvements, and design and construct or have constructed the Center Exhibits pursuant to and in conformance with the terms and conditions of the Improvements and Exhibit Agreement attached hereto by this reference and incorporated herein as Exhibit E "Improvements and Exhibit Agreement". DSCLA shall also design the Center and construct the improvements and Center Exhibits in conformance with all the applicable federal, state, county, and city laws in force at the time of design.

13.2 Design and Construction of Improvements by CITY. CITY shall prior to the Center’s Opening Date design and construct the improvements specified in Exhibit B "Premises Improvements to be Completed by City".

ARTICLE 14. HAZARDOUS MATERIALS

14.1. Hazardous Materials. CITY and DSCLA agree as follows with respect to the existence or use of Hazardous Materials (as defined in Paragraph 14.1.3. below) on the Premises:

14.1.1. Prohibition. DSCLA shall not cause or permit any Hazardous Material to be brought upon, kept or used in or about the Premises by DSCLA, its agents, employees, contractors or invitees in violation of law or in quantities which would require reporting to a governmental entity, without the prior written consent of the General Manager, which consent shall not be unreasonably withheld. If DSCLA breaches the obligations stated in the preceding sentence, or if the presence of Hazardous Material on the Premises caused or permitted by DSCLA results in contamination of the Premises, or if contamination of the Premises by Hazardous Material otherwise occurs for which DSCLA is legally liable to CITY for damage resulting there from, then DSCLA shall indemnify, hold CITY harmless, and defend CITY (with counsel reasonably acceptable to CITY) from any and all claims, judgments, damages, penalties, fines, costs, liabilities or losses (including, without limitation, diminution in value of the Premises, damages for the loss or restriction on use of rentable or usable space or of any amenity of the Premises, damages arising from any adverse impact on marketing of space on the Premises, and sums paid in settlement of claims, attorneys’ fees, consultant fees and expert fees) which arise during or after the Term as a result of such contamination. This indemnification of CITY by DSCLA includes, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision because of Hazardous Material present in the soil or ground water on or under the Premises. Without limiting the foregoing, if the presence of any Hazardous Material on the Premises caused or permitted by DSCLA results in any contamination of the Premises, DSCLA shall promptly take all actions at its sole expense as are necessary to return the Premises to the condition existing prior to the introduction of any such Hazardous Material to the Premises; provided that CITY’s approval of such actions shall first be obtained, which approval shall not unreasonably be withheld so long as such actions would not potentially have any material adverse long-term or short-term effect on the Premises. However, the foregoing provisions shall not prohibit DSCLA from transportation to and from, and the use, storage, maintenance, and handling within the Premises of substances customarily used in connection with normal office or Center use provided: a) such substances shall be used and maintained only in such quantities as are reasonably necessary for the permitted use of the Premises set forth in Section 5.1. of this Lease, strictly in accordance with applicable laws and the manufacturers’ instructions therefore;
b) such substances shall not be disposed of, released, or discharged at the Premises, and shall be transported to and from the Premises in compliance with all applicable laws, and as CITY shall reasonably require; c) if any applicable law or the trash removal contractor requires that any such substances be disposed of separately from ordinary trash, DSCLA shall make arrangements at DSCLA’S expense for such disposal directly with a qualified and licensed disposal company at a lawful disposal site, and shall ensure that disposal occurs frequently enough to prevent unnecessary storage of such substances on or around the Premises; and d) any remaining such substances shall be completely, properly, and lawfully removed from the Premises upon expiration or earlier termination of this Lease.

14.1.2. Compliance Costs. CITY and DSCLA acknowledge that CITY may become legally liable for the costs of complying with laws relating to Hazardous Material which are not the responsibility of DSCLA pursuant to Paragraph 14.1.1., including the following: (1) Hazardous Material present in the soil or ground water; (2) a change in Laws which relate to Hazardous Material which make such Hazardous Material which is present on the Premises as of the Effective Date, whether known or unknown to CITY, a violation of such new laws; (3) Hazardous Material that migrates, flows, percolates, diffuses or in any way moves on to or under the land; (4) Hazardous Material present on or under the land as a result of any discharge, dumping or spilling (whether accidental or otherwise) on the land by other owners of the Premises or their agents, employees, contractors or invitees, or by others. Accordingly, CITY and DSCLA agree that the cost of complying with laws relating to Hazardous Material on the Premises for which CITY may be legally liable shall be borne by CITY unless the cost of such compliance, as between CITY and DSCLA, is made the responsibility of DSCLA pursuant to this Lease.

14.1.3. "Hazardous Material" - Definition. As used herein, the defined term "Hazardous Material" means any chemical, substance, material, or waste or component thereof the presence of which requires investigation or remediation under any federal, state, or local statute, regulation, ordinance, order, action, policy, or common law, or which is now or hereafter listed, defined, or regulated as a flammable explosive, radioactive material, hazardous or toxic chemical, substance, material or waste or component thereof (whether injurious by themselves or in conjunction with other materials) by any federal, state, or local governing or regulatory body having jurisdiction, or which would trigger any employee or community "right-to-know" requirements adopted by such body, or for which any such body has adopted any requirements for the preparation or distribution of a material safety data sheet. "Hazardous Material" includes, without limitation, any material or substance which is: a) defined as a "hazardous waste," "extremely hazardous waste" or "restricted hazardous waste" under Sections 25115, 25117 or 25122.7, or listed pursuant to Section 25140, of the California Health and Safety Code, Division 20, Chapter 6.5 (Hazardous Waste Control Law); b) defined as a "hazardous substance" under Section 25316 of the California Health and Safety Code, Division 20, Chapter 6.8 (Carpenter-Presley-Tanner Hazardous Substance Account Act, California Health and Safety Code Section 25300, et seq.); c) defined as a "hazardous material," "hazardous substance," or "hazardous waste" under Section 25501 of the California Health and Safety Code, Division 20, Chapter 6.95 (Hazardous Materials Release Response Plans and Inventory, California Health and Safety Code Section 25500, et seq.); d) defined as a "hazardous substance" under Section 25281 of the California Health and Safety Code, Division 20, Chapter 6.7 (Underground Storage of Hazardous Substances, California Health and Safety Code Section 25280, et seq.); e) petroleum; f) asbestos; g) defined as a "hazardous constituent," "hazardous material," "hazardous waste," or "toxic waste" under Article 2 of Chapter 10 (Section 66260.10) or defined as a "hazardous waste" under Article 1 of Chapter 11 (Section 66261.3) of Title 22 of the California Code of Regulations, Division 4.5 (Environmental Health Standards for the

14.1.4. Disposal of Hazardous Material. If DSCLA disposes of any soil, material or groundwater contaminated with hazardous material, DSCLA shall provide CITY copies of all records including a copy of each uniform hazardous waste manifest indicating the quantity and type of material being disposed of, the method of transportation of the material to the disposal site and the location of the disposal site. Except where presence of Hazardous Material predated this Lease, CITY shall not appear on any manifest document as a generator of such material disposed of by DSCLA.

14.1.5. Hazardous Material Tests. Any tests required of DSCLA by this Article shall be performed by a State of California Department of Health Services certified testing laboratory satisfactory to CITY. By signing this Lease, DSCLA hereby irrevocably directs any such laboratory to provide CITY, upon written request from CITY, copies of all of its reports, test results, and data gathered. As used in this Article, the term "DSCLA" includes agents, employees, contractors, subcontractors, and/or invitees of DSCLA.

14.1.6. Notice of Hazardous Substances. California Health and Safety Code section 25359.7(a) requires any owner of nonresidential real property who knows, or has reasonable cause to believe, that any release of hazardous substance has come to be located on or beneath that real property to, prior to the lease or rental of that real property or when the presence of such release is actually known, give written notice of that condition to the lessee or renter. California Health and Safety Code section 25359.7(b) requires any tenant of real property who knows, or has reasonable cause to believe, that any release of a hazardous substance has come to be located on or beneath that real property to give written notice of such condition to the owners. DSCLA and CITY shall comply with the requirements of section 25359.7 and any successor statute thereto and with all other statutes, laws, ordinances, rules, regulations and orders of governmental authorities with respect to hazardous substances.

ARTICLE 15. DEFAULT AND TERMINATION

15.1. Events of Default. The following occurrences are "Events of Default":

15.1.1. Breach of Lease. DSCLA or CITY materially breaches or fails in the performance of any of the provisions or conditions of this Lease; or

15.1.2. Failure to Conform to Laws. DSCLA fails to conform to applicable federal, state, county or local laws, rules, regulations or policies; or
15.1.3. **Incapacity to Perform.** DSCLA ceases to operate, exist or maintain its nonprofit corporate status (temporary suspension of status for a period not exceeding six (6) months shall not be considered a failure to maintain status) or becomes unable through corporate or personal incapacity to fulfill its obligations under this Lease; or

15.1.4. **Lack of Funds.** If DSCLA is no longer able to carry out the purposes of the Lease because of a lack of funds or funding; or

15.1.5. **Non-conforming Use.** DSCLA ceases to use the Premises for the purpose of a recreation and environmental awareness center as set forth in Article 5; or

15.1.6. **Failure to Commence Construction Of The Center Exhibits.** DSCLA fails to commence construction of the Center Exhibits on or before September 30, 2013, either CITY or DSCLA may terminate this Lease. DSCLA may request a change in this date, for which the City will not unreasonably withhold its consent if the requested deadline extension does not significantly impact the City’s ability to meet the March 2015 opening deadline. Construction of the Center Exhibits shall be deemed to have commenced on the date DSCLA or its subcontractors starts physical fabrication on the Center Exhibits through the execution of a contractual agreement(s); or

15.1.7. **Breach of the Improvements and Exhibits Agreement.** DSCLA materially breaches or fails in the performance of any of the provisions or conditions of the Exhibit E "Improvements and Exhibits Agreement"; or

15.1.8. **Failure to Commence Center Operations.** If DSCLA fails to open the Center on or before March 31, 2015, CITY may terminate this Lease at any time on or after March 31, 2015.

15.2. **Default - CITY’s Remedies.** If any one or more of the "Events of Default" set forth in Section 15.1. above occurs, then CITY may, at its election, without any further notice to or authorization from DSCLA, and without waiving any of City’s rights at any time to select any other remedy provided in this Section, or elsewhere in this Lease, if applicable, or under law, do any one or more of the following:

15.2.1. **Termination of Lease.** CITY may give DSCLA written notice of such "Event of Default." If DSCLA does not cure said default within thirty (30) days after notice (and forthwith for a default involving health, sanitary or safety conditions or pertaining to the maintenance of insurance required under this Lease) or such longer period as is reasonably necessary to remedy such default, as determined by either CITY, provided that DSCLA shall continuously and diligently pursue such remedy at all times until such default is cured, CITY may, by delivering written notice to DSCLA, terminate this Lease and DSCLA shall vacate the Premises and comply with Section 16.1.; and/or

15.2.2. **Recovery at Law.** CITY may recover at law any and all claims which may be due CITY; and/or

15.2.3. **Self-help.** In the event that neither the City nor DSCLA terminates the term of this lease agreement under the conditions herein defined, the CITY may, but is not obligated to, perform such work as it deems necessary to cure any “Event of Default” and charge DSCLA for the cost of labor and materials expended. The General Manager may exercise this option immediately in an “Event of Default” involving health, sanitary or safety
considerations. Otherwise, the General Manager may exercise this option within sixty (60) days after giving DSCLA written notice of a default involving Premises' maintenance if DSCLA does not commence to cure. CITY shall provide DSCLA with reasonably detailed invoice for the labor and materials expended and DSCLA shall pay the full sum of the invoice within sixty (60) days of DSCLA'S receipt of the invoice, using as a first priority any monies remaining from the project escrow account as defined in section 9.2 of Exhibit E to this agreement. In the event DSCLA disputes any of the charges on the invoice or DSCLA'S obligation to pay for any or all of the items, DSCLA shall pay the full sum of the invoice within the sixty (60) day period, subject to prompt reimbursement from CITY to the extent DSCLA prevails on any items in dispute.

The specified remedies to which CITY may resort under the provisions of this Lease are cumulative and not intended to be exclusive of any other remedies afforded by law or equity.

15.3. No Waiver. The conduct of either party or the acceptance of all or part of any payment by CITY after an "Event of Default" for any period after an "Event of Default" shall not be deemed a waiver of any rights and remedies, nor a waiver of the default of the same or any other provision, covenant or condition. Waiver by either CITY or DSCLA of any breach by the other of any covenant, condition or obligation herein contained or failure by either CITY or DSCLA to exercise any right or remedy in respect of any such breach shall not constitute a waiver or relinquishment for the failure of any such covenant, condition or obligation or of any subsequent breach of any such covenant, condition or obligation nor bar any right or remedy of CITY or DSCLA in respect of any such subsequent breach.

15.4. Default by CITY. In the event CITY defaults in the performance of any of the provisions or conditions of this Lease, and if a written notice of such default is issued to CITY by DSCLA, and if CITY does not commence to cure said default within sixty (60) days of receipt of said notice, DSCLA may immediately terminate this Lease and/or obtain specific performance.

ARTICLE 16. SURRENDER OF PREMISES

16.1. Surrender of Premises. Upon termination of this Lease, DSCLA shall quit and surrender possession of the Premises to CITY in good and usable condition, subject to normal wear and tear, provided, however, that the BOARD, at the BOARD's sole discretion, may require DSCLA to demolish and remove all or any portion of the improvements on the Premises and restore the demolished portion of the Premises to its original condition as of the effective date of the lease or to a reasonably acceptable condition as approved by the BOARD. Except as provided in Section 11.1, any improvements and Center Exhibits which have been constructed or erected on the Premises shall, upon termination of this Lease, become the property of CITY. DSCLA'S collections and all personal property and fixtures related thereto, and all property described in Section 11.1, shall remain the property of DSCLA or its assigns and may be removed by DSCLA from the Premises upon termination of this Lease. Should DSCLA fail to remove such property, improvements, or fixtures after the termination of this Lease, CITY may, at CITY's option: (1) retain all or any of such property, and title thereto shall thereupon vest in CITY; or (2) remove the same, in which event DSCLA shall pay to CITY upon demand the reasonable costs of such removal plus the cost to restore the Premises to an acceptable condition as approved by the BOARD.
16.2. **No Implied Surrender.** DSCLA agrees on the last day of the Term, or on the earlier termination of this Lease, to surrender the Premises, including all then existing improvements other than the items identified in Section 11.1, which are to be removed. No act or thing done by CITY during the Term shall be deemed an acceptance of a surrender of the Premises, and no agreement to accept such surrender shall be valid unless in writing and signed by CITY.

16.3. **Failure to Surrender.** If DSCLA fails to surrender the Premises, together with the improvements thereon, upon the termination of this Lease, DSCLA agrees to indemnify and hold harmless CITY from and against any loss or liability, including costs and reasonable attorney's fees, resulting from such failure to surrender, including, but not limited to, any claims made by any succeeding tenant based on or resulting from such failure to surrender. Nothing herein contained shall be construed as consent to any occupancy or possession of any portion of the Premises and the improvements thereon by DSCLA beyond the expiration of the Term or the earlier termination of this Lease.

**ARTICLE 17. ASSIGNMENT AND BANKRUPTCY**

17.1. **Assignment and Subletting.** DSCLA shall not under-let or sublet the Premises or any part thereof or allow the same to be used or occupied by any other person, group or organization for any other use than that herein specified, nor assign this Lease, nor transfer, assign or in any manner convey any of the rights or privileges herein granted without the consent of the BOARD and the City Council, which may give or deny consent at their sole discretion provided that DSCLA shall have the right to sublease or contract for the operation of a food service enterprise, gift shop, or other related undertaking with the prior written consent of the General Manager, which consent shall not be unreasonably withheld or delayed. In addition, the General Manager, or the BOARD, may give written consent for subleases of not more than five days in duration involving uses of portions of the Premises consistent with the provisions of this Lease. Short term and occasional use of the Premises for other activities such as location filming, special events, and projects with artists or other non-profit or governmental agencies shall not be considered as assignments or subletting and DSCLA may allow such use with the prior consent of CITY (however, net income, if any, from such activities is subject to the provisions of Section 5.7.). DSCLA shall not rent, lease, or offer any space for storing any article or articles unrelated to the permissible uses of the Center within or on the Premises. Any attempt to sublease, assign, or transfer without the consent required by this Section shall be void.

17.2. **Bankruptcy.** To the extent permitted by law, neither this Lease nor the rights herein granted shall be assignable or transferable by any process or proceedings in any court, or by attachment, execution, proceedings in insolvency or bankruptcy either voluntary or involuntary, or receivership proceedings. To the extent the previous sentence is not permitted by law, in the event that DSCLA shall be adjudicated a bankrupt, or become involved in any proceedings under the bankruptcy laws of the United States or the receivership laws of the State of California, or if the leasehold interest created by this Lease or any improvements constructed pursuant to this Lease are transferred due to operations of law, including, without limitation, the enforcement of a judgment, the trustee in bankruptcy, the receiver, the assignee, or the judgment purchaser shall be bound by all provisions of this Lease, including, without limitation, the requirement that the Premises be operated as a Center (Section 5.1.).
ARTICLE 18. CONDEMNATION

18.1. Condemnation. Should any or all of the Premises be acquired for public use under the power of eminent domain or by purchase in lieu thereof, CITY shall be entitled to all compensation and severance damages attributable to the land and buildings. DSCLA shall receive any compensation and severance damages which may be paid for damage or loss of the leasehold interest only.

ARTICLE 19. NOTICES

19.1. Notices. All notices and demands which may or are to be required or permitted to be given by either party to the other hereunder shall be in writing. All notices and demands shall be personally delivered (including by means of professional messenger service), sent by United States mail, postage prepaid, return receipt requested, or transmitted by telemarketer (e.g., Fax) or electronic mail (upon mutual agreement of participating parties), in which case the receiving party shall immediately confirm receipt of such telemarked or e-mailed notice. All notices are effective upon receipt. For the purposes of such notices, the addresses for the parties are set forth in Section 19.2 below. In the event CITY is unable to give notice to DSCLA at the address(es) provided to CITY by DSCLA, notice shall be deemed effective when addressed to DSCLA at the Premises. Either party may from time to time designate another person or place in a notice.

20.1 Standard Provisions for City Contracts. This Lease is subject to CITY's Standard Provisions for City Contracts, attached hereto and incorporated herein by reference as Exhibit F “Standard Provisions for City Contracts”.

ARTICLE 21. ORDINANCE MANDATED PROVISIONS

21.1 Child Support Assignment Orders. This Lease is subject to Section 10.10, Article 1, Chapter 1, Division 10 of the Los Angeles Administrative Code related to Child Support Assignment Orders. Pursuant to this Section, DSCLA (and any subcontractor of DSCLA providing services to City under this Lease) shall (1) fully comply with all State and Federal employment reporting requirements for DSCLA'S or DSCLA'S subcontractor's employees applicable to Child Support Assignment Orders; (2) certify that the principal owner(s) of DSCLA and applicable subcontractors are in compliance with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally; (3) fully comply with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment in accordance with California Family Code section 5230, et seq.; and (4) maintain such compliance throughout the Term of this Lease. Pursuant to Section 10.10.b of the Los Angeles Administrative Code, failure of DSCLA or an applicable subcontractor to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment Orders and Notices of Assignment or the failure of any principal owner(s) of DSCLA or applicable subcontractors to comply with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally shall constitute a default of this Lease subjecting this Lease to termination where such failure shall continue for more than ninety days after notice of such failure to DSCLA by CITY (in lieu of any time for cure provided in Article 15).

21.2. Service Contract Worker Retention Ordinance. This Lease is subject to the Service Contract Worker Retention Ordinance ("SCWRO") (Section 10.36, et seq, of the Los Angeles Administrative Code. The SCWRO requires that, unless specific exemptions apply, all employers (as defined) under contracts that are primarily for the furnishing of services to or for the City of Los Angeles and that involve an expenditure or receipt in excess of $25,000 and a contract term of at least three months shall provide retention by a successor contractor for a ninety-day transition period of the employees who have been employed for the preceding twelve months or more by the terminated contractor or subcontractor, if any, as provided for in the
SCWRO. Under the provisions of Section 10.36.3(c) of the Los Angeles Administrative Code, CITY has the authority, under appropriate circumstances, to terminate this Lease and otherwise pursue legal remedies that may be available if CITY determines that the subject contractor violated the provisions of the SCWRO.

21.3. Living Wage Ordinance.

21.3.1. General Provisions: Living Wage Policy. This Lease is subject to the Living Wage Ordinance ("LWO") (Section 10.37, et seq., of the Los Angeles Administrative Code. The LWO requires that, unless specific exemptions apply, any employees of tenants or licensees of CITY property who render services on the leased or licensed premises are covered by the LWO if any of the following applies: (1) the services are rendered on premises at least a portion of which are visited by substantial numbers of the public on a frequent basis, (2) any of the services could feasibly be performed by CITY employees if the awarding authority had the requisite financial and staffing resources, or (3) the designated administrative agency of the City of Los Angeles has determined in writing that coverage would further the proprietary interests of the City of Los Angeles. Employees covered by the LWO are required to be paid not less than a minimum initial wage rate, as adjusted each year (July 1, 2006, levels: $9.39 per hour with health benefits of at least $1.25 per hour or otherwise $10.64 per hour). The LWO also requires that employees be provided with at least twelve compensated days off per year for sick leave, vacation, or personal necessity at the employee's request, and at least ten additional days per year of uncompensated time pursuant to Section 10.37.2(b). The LWO requires employers to inform employees making less than twelve dollars ($12.00) per hour of their possible right to the federal Earned Income Tax Credit ("EITC") and to make available the forms required to secure advance EITC payments from the employer pursuant to Section 10.37.4. DSCLA shall permit access to work sites for authorized CITY representatives to review the operation, payroll, and related documents, and to provide certified copies of the relevant records upon request by CITY. Whether or not subject to the LWO, DSCLA shall not retaliate against any employee claiming non-compliance with the provisions of the LWO, and, in addition, pursuant to Section 10.37.6(c), DSCLA agrees to comply with federal law prohibiting retaliation for union organizing.

21.3.2. Living Wage Coverage Determination. DEPARTMENT has made the initial determination that this Lease, as a public lease or a public license, is subject to the LWO. DSCLA, although subject to the LWO, may be exempt from most of the requirements of the LWO if DSCLA qualifies for such exemption under the provisions of the LWO. Determinations as to whether an employer or employee is exempt from coverage under the LWO are not final, but are subject to review and revision as additional facts are examined and/or other interpretations of the law are considered. Applications for exemption must be renewed every two years. To the extent DSCLA claims non-coverage or exemption from the provisions of the LWO, the burden shall be on DSCLA to prove such non-coverage or exemption and, where applicable, renew such exemption.

21.3.3. Compliance; Termination Provisions and Other Remedies: Living Wage Policy. If DSCLA is not initially exempt from the LWO, DSCLA shall comply with all of the provisions of the LWO, including payment to employees at the minimum wage rates, effective on the Execution Date of this Lease, and shall execute a Declaration of Compliance Form contemporaneously with the execution of this Lease. If DSCLA is initially exempt from the LWO, but later no longer qualifies for any exemption, DSCLA shall, at such time as DSCLA is no longer exempt, comply with the provisions of the LWO and execute the then-currently used Declaration of Compliance Form, or such form as the LWO requires. Under the provisions of Section 10.37.6(c) of the Los Angeles Administrative Code, violation of the LWO shall constitute
a material breach of this Lease and CITY shall be entitled to terminate this Lease and otherwise pursue legal remedies that may be available, including those set forth in the LWO, if CITY determines that DSCLA violated the provisions of the LWO. The procedures and time periods provided in the LWO are in lieu of the procedures and time periods provided in Article 15 of this Lease. Nothing in this Lease shall be construed to extend the time periods or limit the remedies provided in the LWO.

21.4.1. Non-Discrimination in Use of Premises. There shall be no discrimination against or segregation of any person, or group of persons, on account of race, religion, national origin, ancestry, sex, sexual orientation, age, physical handicap, marital status, domestic partner status, or medical condition in the lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Premises or any part of the Premises or any operations or activities conducted on the Premises or any part of the Premises, nor shall DSCLA or any person working under or through DSCLA establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use of occupancy of tenants, subtenants, or vendees of the Premises. Any sublease or assignment which may be permitted under this Lease shall also be subject to the non-discrimination clauses contained in this Section 21.4.

21.4.2. Non-Discrimination in Employment. DSCLA agrees and obligates itself in the performance of this Lease not to discriminate against any employee or applicant for employment because of the employee's or applicant's race, religion, national origin, ancestry, sex, sexual orientation, age, physical handicap, marital status, domestic partner status, or medical condition.

21.4.3. Equal Employment Practices. This Lease is a contract with or on behalf of the City of Los Angeles for which the consideration is one thousand dollars ($1,000) or more. Accordingly, during the performance of this Lease, DSCLA further agrees to comply with Section 10.8.3 of the Los Angeles Administrative Code ("Equal Employment Practices"). By way of specification but not limitation, pursuant to Sections 10.8.3.E and 10.8.3.F of the Los Angeles Administrative Code, the failure of DSCLA to comply with the Equal Employment Practices provisions of this Lease may be deemed to be a material breach of this Lease. No such finding shall be made or penalties assessed except upon a full and fair hearing after notice and an opportunity to be heard have been given to DSCLA. Upon a finding duly made that DSCLA has failed to comply with the Equal Employment Practices provisions of this Lease, this Lease may be forthwith terminated.

21.4.4. Equal Benefits Provisions. This Lease is subject to Section 10.8.2.1, Article 1, Chapter 1, Division 10 of the Los Angeles Administrative Code ("Equal Benefits Provisions") related to equal benefits to employees. DSCLA agrees to comply with the provisions of Section 10.8.2.1. By way of specification but not limitation, pursuant to Section 10.8.2.1.c of the Los Angeles Administrative Code, the failure of DSCLA to comply with the Equal Employment Practices provisions of this Lease may be deemed to be a material breach of this Lease. No such finding shall be made or penalties assessed except upon a full and fair hearing after notice and an opportunity to be heard have been given to DSCLA. Upon a finding duly made that DSCLA has failed to comply with the Equal Employment Practices provisions of this Lease, this Lease may be forthwith terminated.
21.5. Contractor Responsibility Ordinance.

21.5.1. General Provisions; Contractor Responsibility Policy. This Lease is subject to the Contractor Responsibility Ordinance ("CRO") (Section 10.40, et seq, of the Los Angeles Administrative Code) and the rules and regulations promulgated pursuant thereto as they may be updated. The CRO requires that, unless specific exemptions apply as specified in Section 10.40.4(a), lessees or licensees of City property who render services on the leased or licensed premises are covered by the CRO if any of the following applies: (1) the services are rendered on premises at least a portion of which are visited by substantial numbers of the public on a frequent basis, (2) any of the services could feasibly be performed by City employees if the awarding authority had the requisite financial and staffing resources, or (3) designated administrative agency of the City has determined in writing that coverage would further the proprietary interests of the City. Lessees or licensees of City property who are not exempt pursuant to Section 10.40.4 (a) or (b), unless subject to the CRO solely due to an amendment to an existing lease or license, are required to have completed a questionnaire ("Questionnaire") signed under penalty of perjury designed to assist the City in determining that the lessee or licensee is one that has the necessary quality, fitness and capacity to perform the work set forth in the contract. All lessees or licensees of City property who are covered by the CRO, including those subject to the CRO due to an amendment, are required to complete the following Pledge of Compliance ("POC"): 

(1) comply with all applicable federal state, and local laws and regulations in the performance of the contract including, but not limited to, laws regarding health and safety, labor and employment, wage and hour, and licensing laws which affect employees;

(2) notify the awarding authority within thirty calendar days after receiving notification that any government agency has initiated an investigation that may result in a finding that the lessee or licensee did not comply with Subsection (1) above in the performance of the lease or license;

(3) notify the awarding authority within thirty calendar days of all findings by a government agency or court of competent jurisdiction that the lessee or licensee has violated Subsection (1) above in the performance of the lease or license;

(4) ensure within thirty days (or such shorter time as may be required by the awarding authority) that subcontractors working on the lease or license submit a POC to the awarding authority signed under penalty of perjury; and

(5) ensure that subcontractors working on the lease or license abide by the requirements of the POC and the requirement to notify the awarding authority within thirty calendar days that any government agency or court of competent jurisdiction has initiated an investigation or has found that the subcontractor has violated Subsection (1) above in the performance of the lease or license.

DSCLA shall ensure that their subcontractors meet the criteria for responsibility set forth in the CRO and any rules and regulations promulgated thereto. DSCLA may not use any subcontractor that has been determined or found to be a non-responsible contractor by CITY. The listing of non-responsible contractors may be accessed on the internet at: http://www.lacity.org/bidresp. Subject to approval by the awarding authority, DSCLA may substitute a non-responsible subcontractor with another subcontractor with no change in the consideration for this Lease. DSCLA shall submit to CITY a POC for each subcontractor listed
by the DSCLA in its Questionnaire, as performing work on this Lease within thirty calendar days of execution of this Lease, unless the Department of General Services requires in its discretion the submission of a POC within a shorter time period. The signature of DSCLA on this Lease shall constitute a declaration under penalty of perjury that DSCLA shall comply with the POC.

21.5.2. **Update of Information.** DSCLA shall:

1. notify the awarding authority within thirty calendar days after receiving notification that any governmental agency has initiated an investigation that may result in a finding that DSCLA did not comply with any applicable federal, state, or local law in the performance of this Lease including, but not limited to, laws regarding health and safety, labor and employment, wage and hour, and licensing laws which affect employees;

2. notify the awarding authority within thirty calendar days of receiving notice of any findings by a government agency or court of competent jurisdiction that DSCLA violated any applicable federal, state, or local law in the performance of this Lease including, but not limited to, laws regarding health and safety, labor and employment, wage and hour, and licensing laws which affect employees; and

3. notify the awarding authority within thirty calendar days of becoming aware of any information regarding its subcontractors and investigations or findings regarding the subcontractor's violations of any applicable federal, state, or local law in the performance of this Lease including, but not limited to, laws regarding health and safety, labor and employment, wage and hour, and licensing laws which affect employees.

Updates of information contained in DSCLA'S responses to the Questionnaire must be submitted to the awarding authority within thirty days of any changes to the responses if the change would affect DSCLA'S fitness and ability to continue performing this Lease. Notwithstanding the above, DSCLA shall not be required to provide updates to the Questionnaire if DSCLA became subject to the CRO solely because of an amendment to the original lease or license. DSCLA shall cooperate in any investigation pursuant to CRO by providing such information as shall be requested by City. DSCLA agrees that City may keep the identity of any complainant confidential. DSCLA shall ensure that subcontractors who perform work on this Lease abide by these same updating requirements including the requirement to:

1. Notify the awarding authority within thirty calendar days after receiving notification that any government agency has initiated an investigation which may result in a finding that the subcontractor did not comply with any applicable federal, state, or local law in the performance of this Lease including, but not limited to, laws regarding health and safety, labor and employment, wage and hour, and licensing laws which affect employees; and

2. Notify the awarding authority within thirty calendar days of all findings by a government agency or court of competent jurisdiction that the subcontractor violated any applicable federal, state, or local law in the performance of this Lease including, but not limited to, laws regarding health and safety, labor and employment, wage and hour, and licensing laws which affect employees.
The requirement that DSCLA provide Questionnaires and updates to Questionnaire responses does not apply to subcontractors.

21.5.3. Compliance; Termination Provisions and Other Remedies. If DSCLA is not exempt from the CRO, DSCLA shall comply with all of the provisions of the CRO and this Lease. Failure to comply with the provisions of the CRO, including without limitation the requirements that all responses to the Questionnaire are complete and accurate, to provide updates as provided therein and to correct any deficiencies within ten (10) days of notice by CITY, or failure to comply with the provisions of this Lease shall constitute a material breach of this Lease and CITY shall be entitled to terminate this Lease and otherwise pursue any legal remedies that may be available, including those set forth in the CRO. Nothing in this Lease shall be construed to extend the time periods or limit the remedies provided in the CRO.

21.6. Business Tax Registration Certificates and Tax Payments. This Section is applicable where DSCLA is engaged in business within the City of Los Angeles and DSCAL is required to obtain a Business Tax Registration Certificate ("BTRC") pursuant to one or more of the following articles (collectively "Tax Ordinances") of Chapter II of the Los Angeles Municipal Code: Article 1 (Business Tax Ordinance) [section 21.00, et seq.], Article 1.3 (Commercial DSCLA'S Occupancy Tax) [section 21.3.1, et seq.], Article 1.7 (Transient Occupancy Tax) [section 21.7.1, et seq.], Article 1.11 (Payroll Expense Tax) [section 21.11.1, et seq.], or Article 1.15 (Parking Occupancy Tax) [section 21.15.1, et seq.]. Prior to the execution of this Lease, or the effective date of any extension of the Term or renewal of this Lease, DSCLA shall provide to DEPARTMENT proof satisfactory to the General Manager that DSCLA has the required BTRCs and that DSCLA is not then currently delinquent in any tax payment required under the Tax Ordinances. CITY may terminate this Lease upon thirty days' prior written notice to DSCLA if CITY determines that DSCLA failed to have the required BTRCs or was delinquent in any tax payments required under the Tax Ordinances at the time of entering into, extending the Term of, or renewing this Lease. CITY may also terminate this Lease upon ninety days' prior written notice to DSCLA at any time during the Term of this Lease if DSCLA fails to maintain required BTRCs or becomes delinquent in tax payments required under the Tax Ordinances and DSCLA fails to cure such deficiencies within the ninety day period (in lieu of any time for cure provided in Article 15).

21.7. Slavery Disclosure Ordinance. This Lease is subject to the applicable provisions of the Slavery Disclosure Ordinance ("SDO") (Section 10.41, et seq. of the Los Angeles Administrative Code). Unless otherwise exempt in accordance with the provision of this Ordinance, DSCLA certifies that it has complied with the applicable provisions of the Ordinance. Under the provisions of Section 10.41.2(b) of the Los Angeles Administrative Code, CITY has the authority, under appropriate circumstances, to terminate this Lease and otherwise pursue legal remedies that may be available to CITY if CITY determines that the DSCLA failed to fully and accurately complete the SDO affidavit or otherwise violated any provision of the SDO.

Within thirty (30) days of any change in such names, DSCLA shall provide to CITY the updated Corporate Resolution.

22.6. Counterparts. This Lease may be executed in one or more counterparts, each of which may be deemed an original, but all of which together shall constitute one and the same instrument.

22.7. Exhibits - Incorporation in Lease. All exhibits referred to are attached to this Lease and incorporated by reference.

22.8. Force Majeure. Whenever either party hereto shall be required by the provisions of this Lease or by law to perform any contract, act, work, construction, labor or services (excepting only the obligation to pay rent due hereunder), or to discharge any lien against the Premises, or to perform and comply with any laws, rules, orders, ordinances, regulations or zoning regulations, said party shall not be deemed to be in default herein and the other party shall not enforce or exercise any of its right under this Lease, if and so long as nonperformance or default herein shall be directly caused by strikes, nonavailability of materials, war or national defense preemptions, governmental restrictions, acts of God or other similar causes beyond the reasonable control of the nonperforming party provided; however, that notwithstanding any of the provisions of the foregoing, the nonperforming party shall commence such performance and continue the same with diligence and continuity immediately after the removal of any of the causes hereinabove specified.

22.9. Gender. As used herein, the neuter gender includes the feminine and masculine, the masculine includes the feminine and the neuter, and feminine includes the masculine and the neuter, and each includes corporations, limited liability companies, partnerships or other legal entities when the context so requires.

22.10. Memorandum of Lease. A Memorandum of Lease, substantially in the form as that attached to this Lease as Exhibit G “Memorandum of Lease”, shall be completed and executed by both parties concurrently with the execution of this Lease. CITY may record such Memorandum of Lease.

22.11. No Prior Agreements. This Lease contains all of the agreements of the parties hereto with respect to the matters covered hereby, and no prior agreements, oral or written, or understandings or representations of any nature whatsoever pertaining to any such matters shall be effective for any purpose unless expressly incorporated in the provisions of this Lease.
22.12. No Relocation Assistance. DSCLA acknowledges that it is not entitled to relocation assistance or any other benefits under the California Relocation Assistance Act (Government Code section 7260, et seq.), the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C.A. § 4601, et seq.), or any other provisions of law upon termination of this Lease.

22.13. Quiet Enjoyment. If DSCLA is not in default as provided herein, DSCLA shall and may peaceably and quietly have, hold, and enjoy the Premises with necessary ingress and egress in accordance with the provisions hereof.

22.14. Severability. If any provision of this Lease or the application thereof to any person or circumstance shall to any extent be invalid or unenforceable, the remainder of this Lease, or the application of such provision to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each provision of this Lease shall be valid and be enforced to the fullest extent permitted by law.

22.15. Sole Discretion. In those instances in this Lease where it is provided that CITY or the General Manager or other City of Los Angeles agency may approve a request in the exercise of "sole discretion" or words of like import, the parties expressly agree that CITY or the General Manager or other City of Los Angeles agency, as the case may be, has the absolute unfettered discretion to grant or withhold approval, either arbitrarily or otherwise, and with or without reason, and neither DSCLA nor any other party or tribunal shall have any right or power to inquire into or review the granting or withholding of such approval or the reasons or lack of reasons therefore.

22.16. Time. Time is of the essence with respect to the performance or observance of each of the obligations, covenants and agreements under this Lease. Except where expressly stated to be "business days" or "working days," the word "days" shall mean "calendar days."

EXHIBIT D
INSTRUCTIONS ON COMPLYING WITH CITY INSURANCE REQUIREMENTS

To be included in final lease agreement
CITY OF LOS ANGELES
INSTRUCTIONS AND INFORMATION
ON COMPLYING WITH CITY INSURANCE REQUIREMENTS

(Share this information with your insurance agent or broker)

1. Agreement/Reference  All evidence of insurance must identify the nature of your business with the CITY. Clearly show any assigned number of a bid, contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your submission will be properly credited. Provide the types of coverage and minimum dollar amounts specified on the Required Insurance and Minimum Limits sheet (Form Gen. 146) included in your CITY documents.

2. When to submit  Normally, no work may begin until a CITY insurance certificate approval number ("CA number") has been obtained, so insurance documents should be submitted as early as practicable. For As-needed Contracts, insurance need not be submitted until a specific job has been awarded. Design Professionals coverage for new construction work may be submitted simultaneously with final plans and drawings, but before construction commences.

3. Acceptable Evidence and Approval  Electronic submission is the best method of submitting your documents. Track4LA® is the CITY's online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used by insurance brokers and agents as they submit client insurance certificates directly to the City. It uses the standard insurance industry form known as the ACORD 25 Certificate of Liability Insurance in electronic format – the CITY is a licensed redistributor of ACORD forms. Track4LA® advantages include standardized, universally accepted forms, paperless approval transactions (24 hours, 7 days per week), and security checks and balances. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access Track4LA® at http://track4la.lacity.org and follow the instructions to register and submit the appropriate proof of insurance on your behalf.

Insurance industry certificates other than the ACORD 25 that have been approved by the State of California may be accepted, however submissions other than through Track4LA® will significantly delay the insurance approval process as documents will have to be manually processed. All Certificates must provide a thirty (30) days' cancellation notice provision (ten (10) days for non-payment of premium) AND an Additional Insured Endorsement naming the CITY an additional insured completed by your insurance company or its desigee. If the policy includes an automatic or blanket additional insured endorsement, the Certificate must state the CITY is an automatic or blanket additional insured. An endorsement naming the CITY an Additional Named Insured and Loss Payee as its Interests May Appear is required on property policies. All evidence of insurance must be authorized by a person with authority to bind coverage, whether that is the authorized agent/broker or insurance underwriter. Completed Insurance Industry Certificates other than ACORD 25 Certificates are sent electronically to CAO.Insurance.bonds@lacity.org.

Additional Insured Endorsements DO NOT apply to the following:

- Indication of compliance with statute, such as Workers' Compensation Law.
- Professional Liability insurance.

Verification of approved insurance and bonds may be obtained by checking Track4LA®, the CITY's online insurance compliance system, at http://track4la.lacity.org.

4. Renewal  When an existing policy is renewed, have your insurance broker or agent submit a new Acord 25 Certificate or edit the existing Acord 25 Certificate through Track4LA® at http://track4la.lacity.org.
5. Alternative Programs/Self-Insurance  Risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and self-insurance programs are subject to separate approval after the CITY has reviewed the relevant audited financial statements. To initiate a review of your program, you should complete the Applicant’s Declaration of Self Insurance form (http://cao.lacity.org/risk/InsuranceForms.htm) to the Office of the City Administrative Officer, Risk Management for consideration.

6. General Liability insurance covering your operations (and products, where applicable) is required whenever the CITY is at risk of third-party claims which may arise out of your work or your presence or special event on City premises. Sexual Misconduct coverage is a required coverage when the work performed involves minors. Fire Legal Liability is required for persons occupying a portion of CITY premises. Information on two CITY insurance programs, the SPARTA program, an optional source of low-cost insurance which meets the most minimum requirements, and the Special Events Liability Insurance Program, which provides liability coverage for short-term special events on CITY premises or streets, is available at (www.2sparta.com), or by calling (800) 420-0555.

7. Automobile Liability insurance is required only when vehicles are used in performing the work of your Contract or when they are driven off-road on CITY premises; it is not required for simple commuting unless CITY is paying mileage. However, compliance with California law requiring auto liability insurance is a contractual requirement.

8. Errors and Omissions coverage will be specified on a project-by-project basis if you are working as a licensed or other professional. The length of the claims discovery period required will vary with the circumstances of the individual job.

9. Workers’ Compensation and Employer’s Liability insurance are not required for single-person contractors. However, under state law these coverages (or a copy of the state’s Consent To Self Insure) must be provided if you have any employees at any time during the period of this contract. Contractors with no employees must complete a Request for Waiver of Workers’ Compensation Insurance Requirement (http://cao.lacity.org/risk/InsuranceForms.htm). A Waiver of Subrogation on the coverage is required only for jobs where your employees are working on CITY premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals, toxic materials, power tools, etc. The Waiver of Subrogation waives the insurer’s right to recover (from the CITY) any workers’ compensation paid to an injured employee of the contractor.

10. Property Insurance is required for persons having exclusive use of premises or equipment owned or controlled by the CITY. Builder’s Risk/Course of Construction is required during construction projects and should include building materials in transit and stored at the project site.

11. Surety coverage may be required to guarantee performance of work and payment to vendors and suppliers. A Crime Policy may be required to handle CITY funds or securities, and under certain other conditions. Specialty coverages may be needed for certain operations. For assistance in obtaining the CITY required bid, performance and payment surety bonds, please see the City of Los Angeles Bond Assistance Program website address at http://cao.lacity.org/risk/BondAssistanceProgram.pdf or call (213) 258-3000 for more information.

The specified remedies to which CITY may resort under the provisions of this Lease are cumulative and not intended to be exclusive of any other remedies afforded by law or equity.

10.3. No Waiver. The conduct of either party or the acceptance of all or part of any payment by CITY after an “Event of Default” for any period after an “Event of Default” shall not be deemed a waiver of any rights and remedies, nor a waiver of the default of the same or any other provision, covenant or condition. Waiver by either CITY or DSCLA of any breach by the other of any covenant, condition or obligation herein contained or failure by either CITY or DSCLA to exercise any right or remedy in respect of any such breach shall not constitute a waiver or relinquishment for the failure of any such covenant, condition or obligation or of any subsequent breach of any such covenant, condition or obligation nor bar any right or remedy of CITY or DSCLA in respect of any such subsequent breach.

10.4. Default by CITY. In the event CITY defaults in the performance of any of the provisions or conditions of this Agreement, and if a written notice of such default is issued to CITY by DSCLA, and if CITY does not commence to cure said default within sixty (60) days of receipt of said notice, DSCLA may immediately terminate this Agreement and/or obtain specific performance.

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions hereof. The language of this Contract shall be construed according to its fair meaning and not strictly for or against the CITY or CONTRACTOR. The word "CONTRACTOR" herein in this Contract includes the party or parties identified in the Contract. The singular shall include the plural; if there is more than one CONTRACTOR herein, unless expressly stated otherwise, their obligations and liabilities hereunder shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. NUMBER OF ORIGINALS

The number of original texts of this Contract shall be equal to the number of the parties hereto, one text being retained by each party. At the CITY'S option, one or more additional original texts of this Contract may also be retained by the City.

PSC-3. APPLICABLE LAW, INTERPRETATION AND ENFORCEMENT

Each party's performance hereunder shall comply with all applicable laws of the United States of America, the State of California, and the CITY, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing laws which affect employees. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. CONTRACTOR shall comply with new, amended, or revised laws, regulations, and/or procedures that apply to the performance of this Contract.

In any action arising out of this Contract, CONTRACTOR consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any law of a federal, state or local government having jurisdiction over this Contract, the validity of the remaining parts, terms or provisions of the Contract shall not be affected thereby.
PSC-4. **TIME OF EFFECTIVENESS**

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

A. This Contract has been signed on behalf of CONTRACTOR by the person or persons authorized to bind CONTRACTOR hereto;

B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;

C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and

D. This Contract has been signed on behalf of the CITY by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

PSC-5. **INTEGRATED CONTRACT**

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter hereof, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in paragraph PSC-6 hereof.

PSC-6. **AMENDMENT**

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-4.

PSC-7. **EXCUSABLE DELAYS**

In the event that performance on the part of any party hereto is delayed or suspended as a result of circumstances beyond the reasonable control and without the fault and negligence of said party, none of the parties shall incur any liability to the other parties as a result of such delay or suspension. Circumstances deemed to be beyond the control of the parties hereunder include, but are not limited to, acts of God or of the public enemy; insurrection; acts of the Federal Government or any unit of State or Local Government in either sovereign or contractual capacity; fires; floods; earthquakes; epidemics; quarantine restrictions; strikes; freight embargoes or delays in transportation, to the extent that they are not caused by the party's willful or negligent acts or omissions, and to the extent that they are beyond the party's reasonable control.

PSC-8. **BREACH**

Except for excusable delays as described in PSC-7, if any party fails to perform, in whole or in part, any promise, covenant, or agreement set forth herein, or should any representation made by it be untrue, any aggrieved party may avail itself of all rights...

PSC-9. **WAIVER**

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-10. **TERMINATION**

A. **TERMINATION FOR CONVENIENCE**

The CITY may terminate this Contract for the CITY'S convenience at any time by giving CONTRACTOR thirty days written notice thereof. Upon receipt of said notice, CONTRACTOR shall immediately take action not to incur any additional obligations, cost or expenses, except as may be reasonably necessary to terminate its activities. The CITY shall pay CONTRACTOR its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by CONTRACTOR to affect such termination. Thereafter, CONTRACTOR shall have no further claims against the CITY under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights thereto, shall become CITY property upon the date of such termination. CONTRACTOR agrees to execute any documents necessary for the CITY to perfect, memorialize, or record the CITY'S ownership of rights provided herein.

B. **TERMINATION FOR BREACH OF CONTRACT**

1. Except for excusable delays as provided in PSC-7, if CONTRACTOR fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, the CITY may give CONTRACTOR written notice of such default. If CONTRACTOR does not cure such default or provide a plan to cure such default which is acceptable to the CITY within the time permitted by the CITY, then the CITY may terminate this Contract due to CONTRACTOR'S breach of this Contract.

2. If a federal or state proceeding for relief of debtors is undertaken by or against CONTRACTOR, or if CONTRACTOR makes an assignment for the benefit of creditors, then the CITY may immediately terminate this Contract.

3. If CONTRACTOR engages in any dishonest conduct related to the performance or administration of this Contract or violates the
CITY'S lobbying policies, then the CITY may immediately terminate this Contract.

4. In the event the CITY terminates this Contract as provided in this section, the CITY may procure, upon such terms and in such manner as the CITY may deem appropriate, services similar in scope and level of effort to those so terminated, and CONTRACTOR shall be liable to the CITY for all of its costs and damages, including, but not limited, any excess costs for such services.

5. All finished or unfinished documents and materials produced or procured under this Contract, including all intellectual property rights thereto, shall become CITY property upon date of such termination. CONTRACTOR agrees to execute any documents necessary for the CITY to perfect, memorialize, or record the CITY'S ownership of rights provided herein.

6. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that CONTRACTOR was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-10(A) Termination for Convenience.

7. The rights and remedies of the CITY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

PSC-11. INDEPENDENT CONTRACTOR

CONTRACTOR is acting hereunder as an independent contractor and not as an agent or employee of the CITY. CONTRACTOR shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of the CITY.

CONTRACTOR shall not use subcontractors to assist in performance of this Contract without the prior written approval of the CITY. If the CITY permits the use of subcontractors, CONTRACTOR shall remain responsible for performing all aspects of
this Contract. The CITY has the right to approve CONTRACTOR’S subcontractors, and the CITY reserves the right to request replacement of subcontractors. The CITY does not have any obligation to pay CONTRACTOR’S subcontractors, and nothing herein creates any privity between the CITY and the subcontractors.

CONTRACTOR certifies to immediately notify the CITY of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents.

PSC-15. CLAIMS FOR LABOR AND MATERIALS

CONTRACTOR shall promptly pay when due all amounts payable for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any CITY property (including reports, documents, and other tangible or intangible matter produced by CONTRACTOR hereunder), against CONTRACTOR’S rights to payments hereunder, or against the CITY, and shall pay all amounts due under the Unemployment Insurance Act with respect to such labor.

PSC-16. CURRENT LOS ANGELES CITY BUSINESS TAX REGISTRATION CERTIFICATE REQUIRED

If applicable, CONTRACTOR represents that it has obtained and presently holds the Business Tax Registration Certificate(s) required by the CITY’S Business Tax Ordinance, Section 21.00 et seq. of the Los Angeles Municipal Code. requirements prescribed by the CITY. These records shall be retained for a period of no less than three years following final payment made by the CITY hereunder or the expiration date of this Contract, whichever occurs last. Said records shall be subject to examination and audit by authorized CITY personnel or by the CITY’S representative at any time during the term of this Contract or within the three years following final payment made by the CITY hereunder or the expiration date of this Contract, whichever occurs last. CONTRACTOR shall provide any reports requested by the CITY regarding performance of this Contract. Any subcontract entered into by CONTRACTOR, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract.

In addition thereto, such breach may be the basis for a determination by the awarding authority or the Board of Public Works that the said CONTRACTOR is an irresponsible bidder or proposer pursuant to the provisions of Section 371 of the Los Angeles City Charter. In the event of such determination, such CONTRACTOR shall be disqualified from being awarded a contract with the CITY for a period of two years, or until he or she shall establish and carry out a program in conformance with the provisions hereof.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a Service of Suit clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY’S protection are allowed without the CITY’S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-4, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.
