SUMMARY

The Los Angeles Dodgers Foundation (LADF) is a 501(c)(3) non-profit organization and the official team charity of the Los Angeles Dodgers. LADF's primary focus is to strengthen and support cornerstone programs in sports, recreation, education, literacy, health, and wellness, which benefit children and families in need throughout the greater Los Angeles region. The Dodgers DREAMTEAM Program (Program), formerly known as the Dodgers RBI Program, is a part of an international Major League Baseball (MLB) initiative, which today encompasses more than 200 cities and over 200,000 youth, helping them grow on and off the baseball field. Over the past eight years, the Program has been supported by MLB and LADF; one year by MLB for Spring League 2013, and since by LADF for RAP's Spring Leagues. RAP has submitted the grant application for the 2022 Program that begins in April and will conclude in August.

RE: Support for 2022 Dodgers Dreamteam Program (formerly Dodgers RBI Program) with the City of Los Angeles, Department of Recreation and Parks

Dear Mr. Kim,

It is my pleasure to inform you that The Los Angeles Dodgers Foundation, a California nonprofit public benefit corporation (the "Foundation" or "LADF"), has approved a grant to support the Dodgers Dreamteam program (the "Program") with the City of Los Angeles, Department of Recreation and Parks a government entity (the "Grantee") in the amount of one hundred fifty three thousand one hundred fifty dollars (**\$153,150**) (the "Grant"). This Grant will offset staffing to include a Dodgers Dreamteam Coordinator (\$33,000), field maintenance, and umpire fees (\$120,150). This Grant is to support 5,340 youth players at 21 locations and will offset Grantee staffing, field maintenance and umpire fees for the Grantee's program referred to as the 2022 Dodgers Dreamteam program (See Addendum 1 for approved number of players and locations). In addition to the Grant funds, Grantee will receive the in-kind contribution of uniforms, equipment, recruitment and marketing flyers, banners for each location, educational and health resources and services, coach mentors (Field Champions) and coaches training, player development clinics and incentives/giveaways, and complimentary use of LeagueApps, the online registration system and access to special events throughout the season. Grantee can charge no more than fifteen dollars (\$15) per player.

This Grant is contingent upon the Grantee complying with the Dodgers Dreamteam Program Requirements (Addendum 2).

NOTE: Sixty percent (60%) of the Grant amount to offset field maintenance and umpire fees PLUS the total amount to offset staffing to include a Dodgers Dreamteam coordinator will be awarded based on the following schedule:

Dodgers Dreamteam Grantee Start Date	60% Disbursement Period
April 2022	April 2022
May 2022	May 2022
June 2022	June 2022

****If the program has multiple locations with different start dates, the latest start date will be used for payment schedule.****

In order to receive the remaining forty percent (40%) of the Dodgers Dreamteam Grant funds, the following must be completed by the last day of games on any location’s schedule:

- a. Ensure registrations for players and coaches are input into LeagueApps. This must be completed prior to any practice or game.
- b. Complete team rosters on LeagueApps prior to any practice or game. Each team roster should include the youth participants and coaches.
- c. Provide complete schedules for the season prior to the first day of games.
- d. Ensure that all excess baseballs, softballs, uniform sets, and coach polos are returned to LADF within fifteen (15) days of the start of games.
- e. All Location Directors must complete a midseason evaluation interview with LADF staff.
- f. To receive one hundred percent (100%) of your program grant amount, partners must reach at least ninety percent (90%) of preseason player projections. For any variance greater than ten percent (10%), the grant will be reduced by the equivalent amount. For example, if you project one thousand (1,000) players and only eight hundred and fifty (850) players are registered on LeagueApps, the **TOTAL** grant amount will be reduced by fifteen (15%) and deducted from the forty percent (40%) grant payment. If projections are increased after approval by LADF, the new number will be used to determine final season grant calculations.

The Grantee is required to attend the Dodgers Dreamteam Virtual Partners Meeting on February 15, 2022 and a partners recap meeting after the end of the season.

This letter is a legally binding agreement (the “Grant Agreement”). This Grant Agreement will become effective upon the Foundation’s receipt of the Grant Agreement signed by an authorized representative of the Grantee. Please keep a copy of this Grant Agreement for your files.

Please read the terms and conditions of this Grant Agreement very carefully. The Foundation may withhold payment to the Grantee if the Grantee fails to meet the terms and conditions of the Grant Agreement.

May 2022	May 2022
June 2022	June 2022

Organizations will receive 60% of the program grant based on the Official Program Start Date. Example, if your program begins in May, organizations should expect to receive the 60% grant portion in May.

To receive the remaining 40% of the program grant funds, the following must be completed:

- Ensure registrations for players and coaches are input into LeagueApps, including, without limitation, obtaining the Foundation’s waiver and release of liability as provided in Addendum 4. This must be completed prior to any practice or game.
- Complete team rosters on LeagueApps prior to any practice or game. Each team roster should include the youth participants and coaches.
- Provide complete schedules for the season prior to the first day of games.
- Ensure that all excess baseballs, softballs, uniform sets, and coach polos are returned to LADF within 15 days of the start of games.
- All Location Directors must complete a midseason evaluation interview with LADF staff.
- To receive 100% of your program grant amount, partners must reach at least 90% of preseason player projections. For any variance greater than 10%, the grant will be reduced by the equivalent amount. For example, if you project 1,000 players and only 850 players are registered on LeagueApps, the **TOTAL** grant amount will be reduced by 15% and deducted from the 40% grant payment. If projections are increased after

approval by LADF, the new number will be used to determine final season grant calculations.

Note – Grant funds will not be disbursed if in-person play is unable to take place due to LA County health regulations.

Dodgers Dreamteam Rules

In addition to the playing rules (USA Softball, PONY, NFHS, etc.) determined by each Grantee, this document outlines the rules that are enforced in all Dodgers Dreamteam leagues. However, in the case of the Grantee playing rules conflicting with the Dodgers Dreamteam rules, the Dodgers Dreamteam rules will take precedent (Ex: mercy rules, game length, etc.). In this document you will also find pitching guidelines to follow.

Dodgers Dreamteam League Code of Ethics

Any adult or player who violates the Dodgers Dreamteam League Code of Ethics will be subject to removal from the Dodgers Dreamteam program.

The adults that participate in the Dodgers Dreamteam program are viewed as role models to the youth served. It is imperative that those connected with the league always engage in conduct that is a positive representation of the league.

- All Grantees must adhere to the LADF Safe Sport Policy.
- Under no conditions should anyone, lay a hand upon, push, shove, strike, or threaten to strike an official, player, coach, spectator, game monitor, scorekeeper, or staff.
- Do not consume alcoholic beverages or any illegal substance at any time in the presence of players or in any context involving the league.
- Under no conditions swear, commit, or imply a vulgar act or motion.
- Do not bait or ride umpires, opposing managers and coaches, scorekeepers, or staff. Appropriate conduct should prevail.
- The manager or coach may inquire as to the nature or interpretation of a rule, but after an explanation, no further questions, or actions.
- All teams should play every player in as much of every game as possible.

- Make certain that managers, coaches, and your team shake hands with opposing team before and/or after each game.
- A coach shall not use tactics to deceive or take unfair advantages over his/her opponents.
- Every league must provide background checks to all coaches and volunteers who will be working directly with the kids in your Dodgers Dreamteam program.
- Do everything possible to ensure that playing Dodgers Dreamteam is a rewarding experience for the players. Encourage all players to be good scholars and equally good citizens.

COVID-19 Policy - Return to Play Protocols

The Los Angeles Dodgers Foundation (LADF) is carefully monitoring and evaluating the safety around a return to play for youth sports. LADF will comply with all COVID-19 guidelines provided by the County of Los Angeles Department of Public Health. This document is intended to provide an overall summary of safety protocols, guidance, and adaptations to rules to create a safe environment for all participants, coaches, staff, umpires, and spectators. These rules will apply to all Dodgers Dreamteam practices, games, and clinics.

The information contained here may be updated as appropriate to reflect the County of Los Angeles Department of Public Health changes. LADF will communicate any adjustments to these policies. A copy of these policies and protocols will be required to be shared during any parent and/or coaches' meetings.

- Mask rules based on the setting. Wearing face masks reduces the spread of the virus that causes COVID-19. In outdoor settings with less than 10,000 people, it is recommended, but not required, that all participants, coaches, staff, volunteers, and spectators who are in close contact with others, regardless of vaccination status, wear a mask.
- When outdoors, masks are recommended in crowded spaces and places, including among spectators at sporting events where distancing is not practical or possible.
- It is strongly recommended that all student athletes ages 5 and older, coaches and team staff are fully vaccinated. Vaccination against the virus that causes COVID-19 is available for everyone 5 years of age and older.
- Vaccinations will also decrease disruption in team activities, because fully vaccinated individuals are not required to quarantine if they are close contacts to a case of COVID-19, as long as they remain asymptomatic and continue to test negative.
- Ask participants and families to self-screen for COVID-19 symptoms prior to attending youth sports activities.
- Post signage to remind everyone who enters your establishment that they should NOT enter if they have symptoms of COVID-19 or if they are under isolation or quarantine orders.

- Youth sports programs must exclude or isolate any participant, coach, or spectator that is showing symptoms of COVID-19.
- Take action to isolate participants who begin to have COVID-19 symptoms during youth sports activities, from other participants, coaches, and spectators.
- Notify LACDPH officials, staff, and families immediately of any confirmed case of COVID-19.
- Consider limiting the number of participants who visit the restroom or locker room at any given time.
- Persons who show proof that they are fully vaccinated against COVID-19 or that they have recovered from/completed isolation for laboratory confirmed COVID-19 within the past 90 days should not be included in periodic COVID-19 screening testing if the person is asymptomatic. Screening for not fully vaccinated persons who were previously infected with COVID-19 should start 90 days after the first day of symptoms or from the day of collection of first positive test (if they were asymptomatic).
- Whenever a confirmed case is identified on any of your youth sports teams, follow instructions listed in the Exposure Management Plan for Youth Sports and ensure that all unvaccinated close contacts quarantine along with any symptomatic vaccinated close contacts.
- Youth sports leagues, team organizers, or coaches should maintain records of all athletes' and staff/coaches'/volunteers' vaccination status and weekly COVID-19 testing compliance and any testing done after having exposure to a COVID-19 case. They do not need to keep a copy of the proof of full vaccination shown nor copies of test results.
- Outdoor Moderate or High-Risk Sports for youth ages 12 and older and staff/coaches/volunteers. A weekly negative test result is required for all participants who are not fully vaccinated, including youth ages 12 and older who are playing and staff/coaches/volunteers; weekly school testing fulfills this obligation.
- No screening testing is required for children under age 12 playing Outdoor Sports. For players on moderate- and high-risk sports teams who are under age 12, and are regularly transported together via buses/vans, a weekly negative test result is recommended; weekly school testing fulfills this obligation.
- Place handwashing stations or hand sanitizer at entry and outside communal bathrooms with signage promoting use.
- Encourage frequent handwashing.

We agree to comply with the direction provided by the Foundation’s staff and coaching staff and acknowledge that the failure to do so may result in our being refused participation at meetings, practice, competitions, and/or the Program.
