BENNY H. POTTER PARK

Kindred Arts in conjunction with City of Los Angeles Council District 10 are presenting various sculptures across South and Downtown Los Angeles. The sculptures will appear as part of Monumental Tour, a touring exhibition empowering social change through art. Monumental Tour has traveled to several cities across the United States. The City of Los Angeles is the first tour of 2022.

On February 12, 2022 RAP issued a Right of Entry Permit to Kindred Arts, Inc. for the installation, display and de-installation of a sculpture, *Caliban's Hands*, at Benny H. Potter Park as part of the art tour. The sculpture will be on display February 12 through May 16, 2022. An image of the sculpture is attached to this report as Attachment 1.
