RECOMMENDATIONS

1. Approve the scope of work and the total budget of the Yosemite Recreation Center – Pool Heater Replacement (PRJ21835) Project (Project), as described in the Summary of this Report;
2. Authorize RAP staff to commit from the following fund and work order numbers a maximum of \$60,000.00 in Park Fees for the proposed Project;

<u>FUNDING SOURCE</u>	<u>FUND/DEPT./ACCT. NO.</u>	<u>WORK ORDER NO.</u>
Park Fees	302/89/89716H	QT067938

3. Approve the Project to be bid and constructed through the RAP list of pre-qualified on-call contractors;
4. Approve the authorization of change orders as authorized under Board Report No. 06-136, for the construction contracts for this Project in the budget contingency amounts for such contracts as stated in this Report;

BOARD REPORT

PG. 2 NO. 25-047

- 5. Determine that the proposed Project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Article 19, Section 15302 [Replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced and have substantially the same purpose and capacity] of California CEQA Guidelines and Article III, Section 1, Class 2 of City CEQA Guidelines, and direct staff to file a Notice of Exemption with the Los Angeles County Clerk and with the Governor’s Office of Land Use and Climate Innovation;
- 6. Authorize RAP’s Chief Accounting Employee to prepare a check to the Los Angeles County Clerk in the amount of \$75.00 for the purpose of filing an NOE; and,
- 7. Authorize RAP staff to make technical corrections as necessary to carry out the intent of this Report.

SUMMARY

Yosemite Recreation Center is located at 1840 Yosemite Drive in the Northeast area of the City. This facility provides a variety of services and programs to the community, including an indoor gymnasium, two outdoor basketball courts, handball court, two lighted baseball diamonds, newly refurbished tennis courts, modern children's play area, two large indoor meeting rooms, picnic area, seasonal swimming pool and an outdoor stone amphitheater. Due to the facility’s size, features, programs and services it provides, Yosemite Recreation Center meets the standard for a Community Park, as defined in the City’s Public Recreation Plan.

PROJECT SCOPE

The scope of work of the proposed Project includes the replacement of the swimming pool heater.

PROJECT FUNDING

Upon approval of this Report, \$60,000.00 in Park Fees can be committed to the proposed Project, which will be the total budget inclusive of the contingency amounts set forth below.

These Park Fees were collected within five miles of Yosemite Recreation Center, which is the standard distance for the commitment of Park Fees for community recreational facilities pursuant to Los Angeles Municipal Code Section 12.33 E.3.

See below the anticipated pre-qualified on-call contract(s) and budget contingency amount(s) that will be used for the Project:

On-Call Contract	Contingency Amount
Park Facility Construction	\$12,000.00

BOARD REPORT

PG. 3 NO. 25-047

FUNDING SOURCE MATRIX

Source	Fund/Dept/Acct	Amount	Percentage
Park Fees	302/89/89716H	\$60,000.00	100%
Total		\$60,000.00	100%

PROJECT CONSTRUCTION

RAP Staff has determined that sufficient funding has been identified for the Project. See below the anticipated schedule for the proposed Project:

Phase	Duration
Pre-design	N/A
Design	N/A
Bid and Award	February 2025 – May 2025
Construction	June 2025 – July 2025
Post Construction	August 2025 – January 2026

TREES AND SHADE

This Project will have no impact on the existing trees and shade at Yosemite Recreation Center.

ENVIRONMENTAL IMPACT

The proposed Project consists of replacing an existing structure where the new structure will be located on the same site as the structure replaced and have substantially the same purpose and capacity.

According to the parcel profile report retrieved on February 18, 2025, this area resides in a liquefaction zone. The construction of this Project will not create conditions that could lead to liquefaction. This site is not within a coastal, methane, or historic zone. The new pool heater is compliant with Southern California Air Quality Management District's (SCAQMD) rule 1146.2 which regulates pool heaters' NOx emissions. Therefore, there is no reasonable possibility that the proposed Project may impact on an environmental resource of hazardous or critical concern or have a significant effect due to unusual circumstances. No other known projects would involve cumulatively significant impacts, and no future projects would result from the proposed Project. As of February 18, 2025, the State Department of Toxic Substances Control (DTSC) (Envirostor at www.envirostor.dtsc.ca.gov) and the State Water Resources Control Board (SWRCB) (Geotracker at <https://geotracker.waterboards.ca.gov/>) have not listed the Project site or any contaminated sites near the Project area (within 1,000 feet). According to the Caltrans Scenic Highway Map, there is no scenic highway located within – or adjacent to – the Project site.

BOARD REPORT

PG. 4 NO. 25-047

Furthermore, the proposed Project is not located in proximity of a known historical resources and will not cause a substantial adverse change in the significance of any historical resource.

Based in this information, staff recommends that the Board determine that the proposed Project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Article 19, Section 15302 of California CEQA Guidelines as well as to Article III, Section 1, Class 2 of City CEQA Guidelines. Staff will file a Notice of Exemption with the Los Angeles County Clerk and the Governor's Office of Land Use and Climate Innovation upon Board's approval.

FISCAL IMPACT

The approval of this commitment of Park Fees will have no fiscal impact on RAP's General Fund. The estimated costs for the design, development, and construction of the proposed park improvements are anticipated to be funded by Park Fees or funding sources other than RAP's General Fund. The maintenance of the proposed park improvements can be performed by current staff with minimal impact to existing maintenance service at this facility.

This Report was prepared by Nicolas Caulfield, Management Assistant, Planning, Maintenance and Construction Branch.
