RECOMMENDATIONS

1. Approve the proposed Partnership Agreement with the Youth Cricket Development Organization, Inc., a California nonprofit corporation, to assist and support the Department of Recreation and Parks (RAP) in the development, implementation, and expansion of the PlayLA Cricket Program, in substantially the form attached hereto as Attachment 1; and

SUMMARY

Cricket, one of the world's most popular sports, continues to grow rapidly in participation and visibility across Los Angeles. The sport's inclusion as a new discipline in the upcoming Los Angeles 2028 Olympic Games (LA28) has further amplified community enthusiasm and interest in developing youth cricket opportunities.

In response to strong community demand, the Department of Recreation and Parks, through its PlayLA Youth and Adaptive Sports Program, has collaborated with the Youth Cricket Development Organization (YCDO) to introduce cricket programming across city recreation centers. During the summer of 2025, YCDO partnered with PlayLA to conduct cricket demonstrations at summer camps throughout Los Angeles, engaging hundreds of youth and families.

BOARD REPORT

PG. 2 NO. 25-182

Since then YCDO has continued to participate in outreach activities at PlayLA community events, showcasing the sport and providing opportunities for participants to experience cricket through guided instruction and exhibition play. This partnership aligns with RAP's goal of expanding equitable access to emerging Olympic and Paralympic sports and enhancing citywide recreation sport offerings.

YCDO will provide subject matter expertise in the implementation of a PlayLA Cricket program, support recruitment and training of coaches, and collaborate to create sustainable growth within RAP. The PlayLA Cricket Program will foster inclusion, athletic development, and community engagement while continuing to build momentum toward the 2028 Games; this collaboration is also expected to expand PlayLA enrollments, enhance equitable access to Olympic sports, and support the City's broader LA28 legacy goals.

FISCAL IMPACT

There is no direct cost to RAP for the proposed partnership with YCDO.

This Report was prepared by Veronica Polanco, Chief Innovation Officer, Department of Recreation and Parks.
