**Addendum No. 1**

**Special Announcement – Touring the Restaurants and Cafés**

Formal tours of all eight golf course restaurants and cafés relating to this RFP will take place soon after the November 29, 2017 Pre-Proposal Conference. A schedule will be posted on LABAVN. Tours will include all areas of operation such as dining rooms, kitchens, prep areas, storage, offices, banquet rooms, and halfway house (snack stands) as featured at each respective location. These tours are designed to give you the most insight and information as staff from the Department of Recreation and Parks (RAP) Concessions Unit will be on-sight as a guide and to facilitate.

If you are compelled to visit any of the locations prior to the Pre-Proposal Conference, please follow these guidelines:

- Coordinate your visit with RAP Concessions Unit at [Stanley.Woo@lacity.org](mailto:Stanley.Woo@lacity.org) or (213) 202-5670.
- When escorted by RAP golf staff, do not ask questions relating to the business or RFP. They do not have details of the RFP.
- Do not ask the current operator or staff any questions relating to their business or the RFP. Keep disruption to a minimum.
