INTRODUCTION, RESPONDENT’S INSTRUCTIONS, AND SUBMITTALS

Firms interested in providing TREE PRUNING AND REMOVAL / URBAN FORESTRY CONSULTING SERVICES AND TREE INVENTORY DATA COLLECTION are invited to submit a Statement of Qualifications to the City of Los Angeles Department of Recreation and Parks (RAP) in response to this Request for Qualifications (RFQ). The RFQ is the first phase of a two-phase procurement process, the second phase being the bid and award of as-needed TREE PRUNING AND REMOVAL / URBAN FORESTRY CONSULTING SERVICES AND TREE INVENTORY DATA COLLECTION contracts for individual projects.

RAP will evaluate submitted Responses to the RFQ based upon the evaluation criteria identified herein and will select the Respondents it deems responsive and qualified. Only those Respondents will be recommended to the Board of Recreation and Park Commissioners (Board) for a contract award. The term of the as-needed contract will be three (3) years.

Complete sets of the RFQ documents, including all addenda, if issued, are available to interested parties online at www.labavn.org and http://www.laparks.org/proposal.htm. It shall be the Respondent’s responsibility to verify that it has a complete set of RFQ documents, including all addenda, prior to the due date. Respondents are advised that the Board has not authorized any other agency, or Internet service other than the RAP Finance Division to distribute or sell RFQ documents. Respondents are therefore further advised that submission of a Response on documents other than those obtained from the above address will cause the Response to be deemed non-responsive.

The Board reserves the right to award an as-needed contract to multiple Respondents, and may award one (1) or more contracts at any time within a period of six (6) months after the receipt of Responses. If necessary, the Board may also request in writing an extension of RFQ proposals from all responsive Respondents for additional periods in increments of three (3) months or ninety (90) days, or until a contract(s) has been awarded and approved.

The City reserves the right to add contractors during the term of the contract(s) awarded as a result of this RFQ process.

DESCRIPTION OF REQUESTED SERVICES

A) TREE PRUNING AND REMOVAL
B) URBAN FORESTRY CONSULTING SERVICES AND TREE INVENTORY DATA COLLECTION

EXPEDITED AWARD AND EXECUTION OF CONTRACT

Due to RAP’s need to complete the contract work associated with this RFQ as expeditiously as possible, the Board has requested that all Respondents be advised of the following:

1. It is the intention of the Board to award an as-needed pre-qualified contract to the respondent(s) who meet the minimum qualifications outlined in this document. All pre-qualified respondents will compete for projects issued by RAP on an as-needed basis.

2. All respondents are requested to cooperate to the fullest extent possible by submitting all required documentation, and any additional documentation requested by staff, as expeditiously as possible. Failure of any respondent to comply with the submittal requirements as defined in this RFQ or to submit any required additional documentation by the date and time specified by staff may render the response non-responsive, making the respondent ineligible for any future contract awards under this RFQ.

IMPORTANT – RESPONDERS MUST SUBMIT ALL REQUIRED FORMS (COMPLETELY FILLED OUT) BY RFQ SUBMITTAL DEADLINE.
3. It is the intention of the Board to award this contract as expeditiously as possible.

4. Any respondent unable to meet the deadline requirements specified herein may be subject to rescission of the contract award by virtue of being declared non-responsive by the Board. At minimum, failure to submit additional documentation requested upon award of contract will render the contractor non-compliant, which results as no contract will be awarded, no work will be performed, and no payments until all required forms are submitted.

5. Respondents may submit qualifications for either TREE PRUNING AND REMOVAL, or URBAN FORESTRY CONSULTING SERVICES AND TREE INVENTORY DATA COLLECTION, or may submit qualifications for both. An offering of a contract for each requested service will be evaluated individually. A respondent may be awarded in one requested service, and not the other, both, or none, depending on the evaluation process of the submissions. Submission of qualifications in one requested service or both requested services does not guarantee the award of a contract in one or either requested service. Note, insurance requirements are different for each contracted service. If a firm is qualifying for both services the higher of the two insurance requirements will apply to both.

Requests for clarification of conflicts and/or omissions from the RFQ and/or contract documents shall be addressed in writing to the RFQ Administrator:

REJECTION OF RESPONSES

In accordance with Los Angeles City Charter section 371(c), “The City shall reserve the right to reject any and all bids or proposals and to waive any informality in the bid or proposal when to do so would be to the advantage of the City. The City may also reject the bid or proposal of any bidder or proposer who has previously failed to timely and satisfactorily perform any contract with the City.”

In general, a respondent will not be released on account of errors. After responses have been opened and declared, no responses shall be withdrawn, except with the consent of the Board and only under the following conditions:

The respondent sends within five (5) calendar days after the opening of the responses, a written notice of a material error in the Response to the Board Secretary at the following address:

B. Provides supporting documentation, including original material (should RAP require additional clarification, information and/or documentation, the Respondent must respond within two (2) working days after receiving notification from the Board Office);
C. Acknowledges that should their request to withdraw be granted by the Board, it is with the understanding that the Board will not accept a Response from them for this contract should there be a need to re-issue this RFQ.

IMPORTANT – RESPONDERS MUST SUBMIT ALL REQUIRED FORMS (COMPLETELY FILLED OUT) BY RFQ SUBMITTAL DEADLINE.
ERRORS INVOLVING SUBSTITUTION OF THE LISTED SUBCONTRACTORS ARE DETAILED ELSEWHERE IN THIS RFQ UNDER THE SECTION ENTITLED SUBLETTING AND SUBCONTRACTORS.

RFQ SUBMITTAL ITEMS
Respondents must submit the following:

- Two (2) complete original RFQ Responses, at least one must be unbound AND
- A scanned PDF electronic copy of the RFQ response (indicate if the copy is on a CD and mark which CD if more than one CD is enclosed, or include it on a USB flash drive).

Each original response must include the RFQ documents, all pages and all attachments, with any Addenda, and all required information, forms and documentation with original initials and signatures in a sealed envelope, boxes, or package addressed to the Board of Recreation and Park Commissioners, Attention: Board Secretary, 221 N. Figueroa Street, Suite 300, Los Angeles, CA 90012. All envelopes must show the contract title and the Responder’s name and address, with “RESPONSE ENCLOSED” indicated in bold letters, and must be received at the above address not later than 3:00 P.M. of the RFQ submittal date designated on Page 3 of this RFQ: “Important Information”. Responders are invited to be present at the time of RFQ opening at the above address, at the time indicated. THIS IS NOT A BID, SO ONLY THE NAME OF THE RESPONDERS WILL BE READ AND RECORDED. City staff will then review the RFQ’s and may make recommendations to the Board (at a date to be determined) on the successful responders (if any) and award of an as-needed contract for the Commission’s consideration. NO Facsimile Responses or Facsimile modifications of Responses will be accepted. Supplemental material may be requested by the City and shall be submitted by the Responder in original form at the address stated above. Failure to submit two (2) complete original responses, one (1) of which must be an unbound copy, and a scanned PDF electronic copy as required may result in your response being deemed non-responsive.

USE OF CITY-ISSUED FORMS

Respondents must complete and submit the forms provided. Any alteration or modification of the forms is prohibited. Any unauthorized conditions, limitations or provisions attached to an RFQ response may be cause for rejection of the response.

PROTEST PROCEDURES

The purpose of these procedures is to provide a method for resolving, prior to award, protests regarding the award of contracts by the City, by and through its Board. These procedures are for the benefit of the City and are not intended to establish an administrative requirement that must be exhausted by the protesting respondent prior to pursuing any legal remedy which may be available. For this reason, no respondent shall have any right to due process, should the City fail to follow these procedures for any reason within its discretion. However, failure by a respondent to follow the protest procedures as discussed below will create the presumption that any subsequent legal action in a court of competent jurisdiction is of no merit. These procedures will enable the Board to ascertain all of the facts necessary to make an informed decision regarding the award of the contract.

It is the policy of the Board that:
1. Officially signed and dated protests must be received prior to the Board’s award of any contract in response to this RFQ.
2. Protests are transmitted via US Mail to:

IMPORTANT – RESPONDERS MUST SUBMIT ALL REQUIRED FORMS (COMPLETELY FILLED OUT) BY RFQ SUBMITTAL DEADLINE.
3. If filing a protest against another respondent, the Board will only consider such protests if it appears that either respondent may have a substantial and reasonable prospect of receiving an award if the protest is denied or sustained.

4. Protests from agencies concerned with contract compliance matters may be considered by the Board beyond the protest period. These protests will receive due consideration if the agency submits the protest in a timely period and such protest affects a respondent who appears to have a substantial and reasonable prospect of receiving an award if the protest is denied or accepted.

5. Protests meeting the above criteria will be evaluated by staff and any recommended actions will be presented in a written report to the Board. Protesting parties and firms protested against will be notified of the time and date that the written report will be discussed in a public session of the Board. Protesting parties and firms protested against will be given the opportunity to present their arguments at the public session.

Prime Contractors are requested to advise their potential Subcontractors of this protest period policy. In addition, protests against a Prime Contractor by a Subcontractor with a direct financial interest that may be adversely affected by the determination of the protest may be considered by the Board beyond the protest period.

RESPONDENT QUALIFICATIONS/EVALUATION

The intent of this RFQ is to produce two lists of pre-qualified contractors that will be eligible to submit proposals for projects on an as-needed basis. RAP will evaluate the responses received and make recommendations to the Board regarding the selected Respondents with whom to enter into contracts for the provision of as-needed services. RAP may recommend the execution of contracts with multiple respondents for inclusion on the lists. Contracts will be awarded based on the completeness of the Response and the respondent’s qualifications.

The respondent’s qualifications will be evaluated based on the minimum qualification criteria below. All qualifications MUST be provided on Form C (Project Qualification Form) of this RFQ. Print out additional Project Qualification Forms as necessary. Respondents must meet all of minimum requirements in order to qualify for a contract award. If acceptable proof of qualifications is not provided, the Response will be considered non-responsive.

This is a pre-qualified contract. RAP may recommend multiple pre-qualified respondents for this contracts. All pre-qualified respondents will compete for projects issued by RAP on an as-needed basis. The award of this contract will be based on the respondent’s qualifications, which will be evaluated based on the information provided in the response.

3. Low branches overhanging sidewalk and street shall be removed to legal height.

4. Pruning shall include the removal of all dead, broken, diseased, insect-infested branches and stubs throughout the tree.

5. In order to shorten the length of limbs, use the thin to lateral method. Methods of pruning which may be called Topping, Heading Back, or Lions Tailing, shall not be used. Maintain symmetrical form of the tree.

6. To lighten end weight where such overburden appears likely to cause breakage of limbs four inches (4”) or more in diameter, the only pruning method to be used is drop crotch. Remove cross limbs and epicormic growth (suckers) as required. Pruners will be used to complete the final trimming process. Any exceptions will be at the discretion of the RAP Contract Inspector. All tree pruning will be done in a manner which will not injure or scar the tree.

7. Final pruning cuts shall be made without leaving a stub. They shall be made in a manner to favor the earliest covering of the wound by callus growth. This requires that the wound be as small as possible and the cut be reasonably flush outside the branch bark ridge area and that the cambium tissues at the edge of the cut be alive and healthy. Extreme flush cuts that produce large wounds and weaken the tree at the cut shall not be made.

8. Pruning and cutting tools shall be kept sharpened to a condition that will not damage the cambium edge on final cuts. Such tools shall also be kept clean and free from infectious materials.

9. The use of climbing spurs or spike shoes will not be permitted, except on Palm trees, dead trees or trees identified for removal. In order to prevent the spreading of fungal diseases on Palm trees, disinfect handsaw or pruners used to prune off live fronds in chlorine solution for at least five (5) minutes before pruning another palm tree. The Contractor may use chainsaws on dead non-conductive tissue of dead palm fronds.

10. Palm tree trimming/pruning specifications:
   a. Date palms---remove dead fronds with chainsaws and two rows of green or live fronds with handsaws or pruners.
   b. Fan palms---remove dead and green fronds including the seed pods. Green fronds are to be removed using handsaws or pruners and the tools disinfected after each use.
   c. Fan palm scoring---remove frond husks on palms.
   d. Green fronds of all palms are to be removed by handsaws or pruners
and the tools disinfected with a chlorine bleach solution after use on each tree.

11. Contractor shall dispose of all branches, brush, debris, chipping, wood, and logs at Contractor’s expense. Contractor shall make every effort to deliver the trimmings, wood and other debris from tree care activities to City operated green waste processing sites for recycling, whenever practical.

III. Specifications for Tree Removal

1. Work shall consist of the removal, including stump, of dead and live trees within the City of Los Angeles limits, when condition of a tree or trees poses both a safety hazard and a substantial fire hazard.

2. Trees to be removed shall be identified by the RAP Contract Inspector. Any tree, living or dead, shall be removed only upon the approval of the RAP Contract Inspector. RAP Contract Inspector shall prioritize tree removal for Contractor. Contractor shall respond by scheduling a walk-through with RAP Contract Inspector. In case of emergencies, Contractor shall respond to a work order within twelve (12) hours of notification, to schedule a project walk-through. Contractor shall submit to RAP a timetable in which Contractor intends to complete the project prior to starting work, by submitting a start date and completion date.

3. Trees identified for removal shall be removed completely including removal of limbs and trunk, and the stump ground to within six (6) to eight (8) inches below the surface of the ground. Stump shall be ground in all areas accessible by equipment. Stump grindings can be left as a mound over the stumped area.

4. Contractor must dispose of all branches, brush, debris, chipping, wood, and logs at Contractor’s expense. The debris and wood removed shall be disposed of in a manner complying with prevailing industry standards and toward the goal of “zero waste” as defined by the California Integrated Waste Management Board (CIWMB). Contractor shall make every effort to deliver the trimmings, wood and other debris from tree removal activities to City operated green waste processing sites for recycling, whenever practical.

5. During the tree removal process, equipment and tools such as ropes, slings, blocks, winches, and/or cranes will be used as needed. Trees should be felled on the main road where possible. They are not to be felled on the hillside and left to slide down the mountain. All felled trees must be completely removed from the work area.

IV. Assigned Personnel

1. Contractor must notify RAP within forty-eight (48) hours, except sooner in emergencies, in writing, if key personnel identified in Contractor’s proposal submittal cannot continue on project or specific job.

2. City reserves the right to approve or reject key personnel replacements.

In addition to the requirements set forth in the provisions pertaining to the listing of subcontractors, the following shall apply for the purpose of this contract:

- All Subcontractors who will be working on the Project shall be approved in writing by the Contract Administrator, prior to any work being performed by said subcontractor, regardless of the dollar amount of work to be performed, and whether or not they were listed in the original bid.

1. For the purpose of Subcontractor approval and/or substitution, RAP’s Project Manager, Project Manager’s Supervisor or Department’s Upper Management may approve any subcontractor changes.

2. Any reduction, increase, or other change to any Subcontract amount without prior approval of the Contract Administrator is considered an Unauthorized Subcontractor Substitution and is subject to a penalty of ten percent (10%) of the subcontract amount, whether bid-listed or not. A subcontract dollar value increased or reduced as the result of a Change Order issued by RAP to add or delete from the original scope of work shall not be subject to a penalty for an Unauthorized Subcontractor Substitution.

   A. A penalty in the amount of ten percent (10%) of the subcontract amount will be assessed for each subcontractor when it is found the Contractor did not pay the entire Bid-listed and/or approved dollar amount of the respective subcontractor and there has been no approval by RAP for a reduction in the subcontract dollar amount.

   B. In the event it is found that the Contractor did not pay any of the Bid-listed and/or approved dollar amount of a subcontract without a change in scope of the original Contract, which resulted in a deletion of the subcontract work, a Change Order to the contract shall be issued deleting the unpaid dollar amount of the subcontract. In addition, the Contractor shall be penalized ten percent (10%) of the subcontract amount and the City may impose sanctions as a result of such action.

3. If the contractor fails to specify a Subcontractor, or if the Contractor specifies more than one (1) Subcontractor for the same portion of Work to be performed under the contract in excess of one-half (1/2) or one (1) percent of the Contractor’s total original bid or Ten Thousand ($10,000.00), whichever is greater, the Contractor agrees that it is fully qualified to perform that portion of work itself, and that it shall perform that portion itself.

4. Subletting or subcontracting of any portion of the Work with a total value of more than one-half (½) of one (1) percent of the Contractor’s total original bid, or Ten Thousands ($10,000.00), whichever is greater, for which no Subcontractor was designated in the original Bid will be permitted only in cases of public emergency or necessity, and then only after a finding reduced to writing as a public record of the Inspector setting forth the facts constituting the emergency or necessity.

   B. Project Work Order Number
C. Subcontractor’s Name
D. Subcontractor’s Business Address
E. Subcontractor’s Business Phone Number
F. Subcontractor’s Status (WBE, MBE, OBE, SBE, EBE, DVBE)
G. Subcontractor’s State of California Contractor License Number
H. Subcontractor’s City of Los Angeles Business Tax Receipt Certificate Number
I. Dollar Amount of Work to be performed
J. Description of Work to be performed

6. No Bid-listed Subcontractor will be approved for a dollar amount of work less than that specified in the original Bid.

7. Failure to obtain approval of RAP in writing prior to each Subcontractor performing work on the project may result in suspension of work by that subcontractor, removal of work performed by unapproved subcontractor, a penalty of ten (10) percent of the unapproved subcontract amount, and possible sanctions against the contractor.

8. The contractor shall set forth in its bid the following: The name, location of the place of business, telephone number, California State Contractor’s License Number, and dollar amount of each Subcontractor who will perform work, labor, service, and/or supply specifically fabricated materials or equipment in an amount in excess of one-half (1/2) of one (1) percent of the contractor’s total bid, or Ten Thousand Dollars ($10,000.00), whichever is greater, and for all subcontractors listed in order to meet the MSM of this project.

9. It shall be considered an Illegal Subcontractor Substitution for anyone other than the bid-listed or approved subcontractor(s), including the prime contractor, to perform any portion of the work designated to be performed by said subcontractor without prior approval of RAP acting on behalf of the Board. An Illegal Subcontractor Substitution is subject to a penalty of ten (10) percent of the subcontract amount, whether bid listed or not.

10. Failure of the Contractor to request and obtain approval from RAP for a reduction in either a Bid-listed Subcontract amount or the Subcontract amount of a Subcontract added after the date of the original Bid will result in a penalty of ten (10) percent of the Subcontract amount and possible sanctions against the Contractor.

11. Additional Subcontractors may be added after the time of the original Bid. The dollar value of Work to be performed by any additional subcontractor(s) may not be greater than one-half (½) of one (1) percent of the Contractor’s original total Bid, or Ten Thousand Dollars ($10,000.00), whichever is greater, unless the Subcontractor will be performing Work added by Change Order causing changes or deviations from the original Contract. Subcontractors approved to work on the project following the date of the original Bid will not be counted toward the MSM requirement of the project.

12. No approval(s) for additional Subcontractor(s) will be granted which will result in the Prime Participation Level falling below that required by the original Contract.

12.2 SUBSTITUTION

No Contractor whose bid is accepted may substitute any person as Subcontractor in place of the Subcontractor listed in the original bid or offer except in the following instances:

- When the Subcontractor listed in the bid, after a reasonable opportunity to do so fails or refuses to execute a written contract when such written contract, based upon the general terms,
conditions, plan and specifications for the project involved or the terms of such Subcontractor’s written bid, is presented to it by the CONTRACTOR.

- When the listed Subcontractor becomes bankrupt or insolvent.
- When the listed Subcontractor fails or refuses to perform its subcontract.
- When the listed Subcontractor fails or refuses to meet the bond requirements of the Contractor as set forth herein.
- When the Contractor demonstrates to the satisfaction of the Board that the Subcontractor was listed by inadvertent clerical error.
- When the Engineer determines that the work being performed by the listed Subcontractor is substantially unsatisfactory and not in substantial accord with the plans and specifications, or the listed Subcontractor is substantially delaying or disrupting the progress of the work.
- When the listed Subcontractor fails to submit an Affirmative Action Plan acceptable to the Board.

The Contractor, as a condition of asserting a claim of inadvertent clerical error in listing a Subcontractor, shall, within two (2) working days after the time of the Prime Contractor’s bid opening by the Board given written notice to the Board and copies of such notices to the Subcontractor it claims to have listed in error. The intended Subcontractor who had bid to the Contractor prior to bid opening and listed Subcontractor who had been notified by the Contractor in accordance with the provisions of this Section as to an inadvertent clerical error shall be allowed six (6) working days from the time of the Prime Contractor’s bid opening within which to submit to the Board and to the Contractor written objection to the Contractor’s claim of inadvertent clerical error.

- When the subcontractor is not registered with the Department of Industrial Relations, no contract will be awarded to the “unregistered subcontractor.” In accordance to SB 854 of 2014, Labor Code 1725.5 et al., “SB 854 includes new or revised statutory obligations in the California Labor Code for “awarding bodies.” These obligations include 1) the duty to include notice of contractor and subcontractor registration requirements in all bid and contract documents, and the duty not to accept a bid or enter into a contract without proof of the contractor’s current registration; 2) a duty to specify in bid and contract documents that the project is subject to compliance monitoring and enforcement by the Department of Industrial Relations; 3) a duty to post or require the prime contractor to post job site notices, as prescribed by regulation; 4) a duty to provide notice to the Department of Industrial Relations of any public works contract within five days of the award.”

In all other cases, the Contractor must make a request in writing to the Board for the substitution of Subcontractors, giving reason therefore. The Board shall mail a written notice to the listed Subcontractor giving reasons for the proposed substitution. The listed Subcontractor shall have five (5) working days from the date of such notice within which to file with the Board written objections to the substitution.

Failure to file written objections pursuant to the provisions of this Section within the times specified herein shall constitute a waiver of objection to the substitution by the listed Subcontractor and, where the ground for substitution is an inadvertent clerical error, an agreement by the listed Subcontractor that an inadvertent clerical error was made.

If written objections are filed, the Board shall give five (5) days’ notice to the Contractor and to the listed Subcontractor of a hearing by the Board on the Contractor’s request for substitution. The determination by the Board shall be final.

Before commencing any work, the Contractor shall submit to RAP for approval the name, address, telephone number and contract amount of all Subcontractors and sub-subcontractors and a description of each portion of the work to be subcontracted.

Evidence of the faithful minimum performance bond shall be presented to RAP’s Contract Administrator for this contract. A City performance bond form can be found on-line at http://cao.lacity.org/risk/1-ContractorsPerformanceBond.pdf. “General Provision: Service Contractor Worker Retention Ordinance and Living Wage Ordinance”

1. This contract is subject to the applicable provision of the Service Contractor Worker Retention Ordinance (SCWRO), Section 10.36 et seq., of the Los Angeles Administration Code, as amended effective November 4, 1999, and the Living Wage Ordinance (LWO), Section 10.37 et seq. of the Los Angeles Administration Code, in accordance with the Declaration of Compliance or the approved Exemption. An approval Exemption exempts only the contractor listed on the Exemption form from the applicable provisions of the SCWRO or LWO during the performance of this contract. A subcontractor performing work on this contract is not exempt unless a separate exemption is approved for the individual subcontractor. The ordinances require that unless a specific exemption applies, as determined by the awarding authority and confirmed the designated administrative agency, all employers (as defined) under contracts primarily for the furnishing of services to or for the City and that involve an expenditure or receipt in excess of Twenty-Five Thousand Dollars ($25,000.00) and a contract term of
EXHIBIT A

at least three (3) months; lessees; licensees; or certain recipients of City financial assistance, generally shall provide the following:

a. Retention by a successor CONTRACTOR/CONSULTANT for a ninety (90) day transition period, the employees who have been employed for the preceding twelve (12) months or more by the terminated CONTRACTOR/CONSULTANT or Subcontractor, earning less than Fifteen Dollars ($15.00) per hour in salary or wage, as provided for, in SCWRO;

b. As provide in Section 10.36.6 of the Los Angeles Administrative Code, City financial assistance recipients shall apply the SCWRO to the expenditure of non-City funds for services contracts to be performed in the City by complying themselves with Section 10.36.2 (g) and by contractually requiring their service contractors to comply with the SCWRO. Such requirement shall be imposed by the recipient until the City financial assistance has been fully expended.

   i. As provided in Section 10.36.1 (c) of the Los Angeles Administrative Code, “City financial assistance recipient” means any person that receives from the City, in any twelve-month period, discrete financial assistance for economic development or job growth expressly articulated and identified by the City totaling at least the One Hundred Thousand Dollars ($100,000.00).

   ii. As further provided in Section 10.36.1 (c) of the Los Angeles Administrative Code, service contracts for economic development or job growth shall be deemed such financial assistance once the One Hundred Thousand Dollars ($100,000.00) threshold is reached.

c. Payment of a minimum initial wage rate to employees as defined in the LWO and as may be adjusted each July 1st and provision of benefits as defined in the LWO;

d. CONTRACTOR/CONSULTANT further pledges that it will comply with federal law proscribing retaliation for union organizing and will not retaliate for activities related to the LWO. CONTRACTOR/CONSULTANT shall require each of its Subcontractors within the meaning of the LWO to pledge to comply with the terms of the federal law proscribing retaliation for union organizing. CONTRACTOR/CONSULTANT shall deliver the executed ledges from each such Subcontractor to the City within ninety (90) days of the execution of the Subcontract. CONTRACTOR/CONSULTANT’S delivery of the executed pledges from each such Subcontract shall fully discharge the obligation of the CONTRACTOR/CONSULTANT to comply with the provision in the LWO contained in Section 10.37.6 (c) concerning compliance with such federal law.

e. The CONTRACTOR/CONSULTANT, whether an employer, as defined in the LWO, or any other person employing individuals, shall not discharge, reduce in compensation, or otherwise discriminate against any employee for complaining to the City with regard to the employer’s compliance or anticipated compliance with the LWO, for participating in proceedings related to the LWO by any lawful means, or otherwise asserting rights under the LWO. CONTRACTOR/CONSULTANT shall post the Notice of Prohibition against Retaliation in a conspicuous place.

f. Any Subcontract entered into by the CONTRACTOR/CONSULTANT relating to this Agreement, to the extent allowed hereunder, shall be subject to the provisions of LWO and the SCWRO, and shall incorporate the “General Provisions: Service Contract Worker Retention Ordinance and Living Wage Ordinance.”

g. CONTRACTOR/CONSULTANT Shall comply with all rules, regulations and policies promulgated by the Designated administrative agency, which may be amended from time to time.

2. Under the provisions of Section 10.36.3 (c) and Section 10.37.5 (c) of the Los Angeles Administrative Code, the City shall have the authority, under appropriate circumstances, to terminate this contract and otherwise pursue legal remedies that may be available if the City determines that the subject CONTRACTOR/CONSULTANT has violated provisions of the LWO and the SCWRO.
3. Where under the LWO Section 10.37.6 (d), the designated administrative agency has determined (a) that the CONTRACTOR/CONSULTANT is in violation of the LWO in having failed to pay some or all of the living wage, and (b) that such violation has gone uncured, the awarding authority in such circumstances may impound monies otherwise due the CONTRACTOR/CONSULTANT in accordance with the following procedures. Impoundment shall mean that from monies due the CONTRACTOR/CONSULTANT, the awarding authority may deduct the amount determined to be due and owing by the CONTRACTOR/CONSULTANT to its employees. Such monies shall be placed in the holding account referred to in LWO Section 10.37.6 (d)(3) and disposed under procedures there described through final and binding arbitration. Whether the CONTRACTOR/CONSULTANT may not elect to discontinue work either because there has been an impoundment or because of the ultimate disposition of the impoundment by the arbitrator.

4. Earned Income Tax Credit

This Contract is subject to the provisions of Section 10.37.4 of the Los Angeles Administrative Code, requiring employers to inform employees making less than Twelve Dollars ($12.00) per hour of their possible right to the federal Earned Income Tax Credit (EITC). EXHIBIT B

CITY OF LOS ANGELES

INSTRUCTIONS AND INFORMATION
ON COMPLYING WITH CITY INSURANCE REQUIREMENTS

(Share this information with your insurance agent or broker.)

1. **Agreement/Reference** all evidence of insurance must identify the nature of your business with the CITY. Clearly show any assigned number of a bid, contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your submission will be properly credited. Provide the **types of coverage and minimum dollar amounts** specified on the Required Insurance and Minimum Limits sheet (Form Gen. 146).

2. **When to submit:** Normally, no work may begin until an Office of the City Administrative Officer, Risk Management insurance certificate approval number (“CA number”) has been obtained, so insurance documents should be submitted as early as practicable. For **As-needed Contracts**, insurance need not be submitted until a specific job has been awarded. **Design Professionals** coverage for new construction work may be submitted simultaneously with final plans and drawings, but before construction commences.

3. **Acceptable Evidence and Approval** Electronic submission is the best method of submitting your documents. **Track4LA®** is the CITY’s online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used by insurance brokers and agents as they submit client insurance certificates directly to the City. It uses the standard insurance industry form known as the **ACORD 25 Certificate of Liability Insurance** in electronic format – the CITY is a licensed redistributor of ACORD forms. Track4LA® advantages include standardized, universally accepted forms, paperless approval transactions (24 hours, 7 days per week), and security checks and balances. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access **Track4LA®** at [http://track4la.lacity.org](http://track4la.lacity.org) and follow the instructions to register and submit the appropriate proof of insurance on your behalf.

Insurance industry certificates other than the ACORD 25 that have been approved by the State of California may be accepted, however **submissions other than through Track4LA® will significantly delay the insurance approval process as documents will have to be manually processed.** All certificates must provide a thirty (30) days’ cancellation notice provision (ten (10) days for non-payment of premium) AND an Additional Insured Endorsement naming the CITY an additional insured completed by your insurance company or its designee is the preferred form of evidence of insurance. If policy includes an automatic or blanket additional insured endorsement, the ACORD certificate must state the City is covered by this endorsement. An endorsement naming the CITY an Additional Named Insured and Loss Payee as Its Interests May Appear is required on property policies. All evidence of insurance must be authorized by a person with authority to bind coverage, whether that is the authorized agent/broker or insurance underwriter. **Completed Insurance Industry Certificates other than ACORD 25 Certificates** are sent electronically to **CAO.insurance.bonds@lacity.org**.

Additional Insured Endorsements DO NOT apply to the following:

1. Indication of compliance with statute, such as Workers’ Compensation Law or the California Financial Responsibility Law for Automobile Liability.

2. **Professional Liability insurance.**

   Verification of approved insurance and bonds may be obtained by checking the Office of the City Administrative Officer, Risk Management, Insurance & Bonds Compliance System at [http://cao.lacity.org/risk/index.htm](http://cao.lacity.org/risk/index.htm).

3. **Renewal** when an existing policy is renewed, have your insurance broker or agent submit a new Acord 25 Certificate or edit the existing Acord 25 Certificate through **Track4LA®** at
4. **Alternative Programs/Self-Insurance** risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and self-insurance programs are subject to separate approval after the CITY has reviewed the relevant audited financial statements. To initiate a review for approval of your program, you should complete and submit the Applicant’s Declaration of Self Insurance form (http://cao.lacity.org/risk/InsuranceForms.htm) to the Office of the City Administrative Officer, Risk Management for consideration.

5. **General Liability** insurance covering your operations (and products, where applicable) is required whenever the CITY is at risk of third-party claims which may arise out of your work or your presence or special event on CITY premises. **Sexual Misconduct** coverage is a required coverage when the work performed involves minors. **Fire Legal Liability** is required for persons occupying a portion of CITY premises. (Information on two (2) City insurance programs, the SPARTA program, an optional source of low-cost insurance which meets most minimum requirements, and PROMPT COVER, which provides liability coverage for short-term special events on CITY premises or streets, is available at [www.2sparta.com](http://www.2sparta.com), or by calling (800) 420-0555.

6. **Automobile Liability** insurance is required only when vehicles are used in performing the work of your Contract or when they are driven off-road on CITY premises; it is not required for simple commuting unless CITY is paying mileage. However, compliance with California law requiring auto liability insurance is a contractual requirement.

7. **Errors and Omissions** coverage will be specified on a project-by-project basis if you are working as a licensed or other professional. The length of the claims discovery period required will vary with the circumstances of the individual job.

8. **Workers' Compensation and Employer's Liability** insurance are not required for single-person contractors. However, under state law these coverages (or a copy of the state's Consent to Self Insure) must be provided if you have any employees at any time during the period of this contract. Contractors with no employees must complete a Request for Waiver of Workers’ Compensation Insurance Requirement form from [http://cao.lacity.org/risk/InsuranceForms.htm](http://cao.lacity.org/risk/InsuranceForms.htm). **A Waiver of Subrogation** on the coverage is required only for jobs where your employees are working on CITY premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals, toxic materials, power tools, etc. The Waiver of Subrogation waives the insurer’s right to recover (from the CITY) any workers’ compensation paid to an injured employee of the Contractor/Consultant.

9. Property Insurance is required for persons having exclusive use of premises or equipment owned or controlled by the CITY. **Builder’s Risk/Course of Construction** is required during construction projects and should include building materials in transit and stored at the project site.

10. **Surety** coverage may be required to guarantee performance of work. A **Crime Policy** may be required to handle CITY funds or securities, and under certain other conditions. **Specialty coverages** may be needed for certain operations. For assistance in obtaining the CITY-required bid, payment and performance surety bonds, please see the City of Los Angeles Bond Assistance Program website at [http://cao.lacity.org/risk/BondAssistanceProgram.pdf](http://cao.lacity.org/risk/BondAssistanceProgram.pdf) or call (213) 258-3000 for more information.

CONTRACTOR RESPONSIBILITY ORDINANCE STATEMENT

The Contractor Responsibility Ordinance (CRO) requires a determination, via the CRO questionnaire, that prospective contractors are responsible and capable of fully performing the work before a contract is awarded by the City of Los Angeles. Additional information may be found at the following website:

http://bca.lacity.org/index.cfm?nxt=soo&nxt_body=content_cro.cfm

INSTRUCTIONS:

The questionnaire must be completed, appropriately signed, and submitted with the proposal (Pages 1 through 9).
1. What is the Contractor Responsibility Ordinance?

The Contractor Responsibility Ordinance (CRO) requires that each department make a determination as to whether prospective contractors are responsible and capable of fully performing the work before being awarding a City contract. The Ordinance also requires prospective contractors to complete a Responsibility Questionnaire that will be posted on the internet for 14 calendar days for public review.

2. When was the Ordinance adopted?

The City Council adopted the CRO on November 21, 2000. Regulations implementing the Ordinance were adopted on June 19, 2001.

3. Who is responsible for the administration and enforcement of the Ordinance?

Three (3) departments were named as administrative agencies responsible for the administration of the CRO. Each Designated Administrative Agency (DAA) administers the Ordinance for a specific type of agreement. The three DAA’s, the type of agreement each DAA is responsible for, and contact information for each DAA is provided in the table below.

4. Are all service, procurement, and construction agreements subject to the CRO?

Generally, an agreement, including one processed as an Authorization for Expenditure (AFE) with a Letter of Agreement, is covered by the CRO if it meets one of the definitions below.

**Service agreements:** Agreements covered under the general category of a “service agreement” include:

- An agreement for $25,000.00 or more and for at least three months in which a contractor will provide services to or for the City.
- An agreement for a lease or license of City property if the service to be performed on the property is something that City employees could perform.
- An agreement for the lease or license of City property that is in a location where a substantial number of the general public might visit.
- An agreement for the grant of City financial assistance for $100,000 or more if the agreement is for the purpose of economic development or job growth. City financial assistance may also include loans if certain conditions are met. (Refer to Sec. 10.40.0(b) of the CRO.)
Purchase agreements: Purchase agreements are covered if they are for One Hundred Thousand Dollars ($100,000.00) or more. Agreements to purchase garments are covered if they are for Twenty-Five Thousand Dollars ($25,000.00) or more.

Construction agreements: All construction agreements are covered, regardless of amount or term.

5. When did the Ordinance become applicable?

The Ordinance is being applied to Invitations for Bids (IFB) (including Requests for Proposals, Requests for Qualifications, “sole-sourced” contracts, and any other procurement process) released to the public on or after September 4, 2001. An agreement entered into as a result of an IFB released prior to that date is not subject to the CRO unless it is amended after September 4, 2001, and the amended agreement meets the definitions stated in the answer to Question #4 above.

6. If an IFB is subject to the CRO, what must a department do?

The department must inform prospective bidders/proposers that the CRO is applicable to the IFB. The department must also include the appropriate Responsibility Questionnaire for bidders/proposers to fill out. Depending on the type of contract to be awarded, one of three Questionnaires may be included in the IFB: Service; Procurement; and Construction.

7. What is a Responsibility Questionnaire?

The Responsibility Questionnaire asks for information about the bidder/proposer: business organization or structure; financial resources and responsibility; performance history; prior disputes; and history in complying with laws. Before a department awards a contract, the department will consider information contained in the Questionnaire as part of the review of a bidder/proposer’s responsibility, as well as any information contained in the Office of Contract Compliance’s Contractor Evaluation database [http://caodocs.ci.la.ca.us/ContEval/] regarding the proposer’s prior performance on City contracts.

8. What must a bidder/proposer do when responding to an IFB?

If the IFB is subject to the CRO, the bidder/proposer must complete the Responsibility Questionnaire and return it to the City department with the bid/proposal. If a bidder/proposer does not submit a completed Questionnaire with the bid/proposal, the City department may consider the bidder/proposer to be non-responsive to the IFB and may disqualify the bidder/proposer from the rest of the IFB process.

9. Is a separate Questionnaire required for each IFB?

Unless the IFB is exempt, a separate Questionnaire must be submitted for each IFB to which a bidder/proposer responds.

10. What will the City do with the Questionnaire?

The department responsible for awarding the agreement will review the information contained in the submitted questionnaires, and if necessary, follow up with the bidder/proposer to clarify any information contained in the Questionnaire. The awarding authority will send the completed Questionnaires to the appropriate DAA. The DAA will post the Questionnaires on the City’s Bidder/Contractor Responsibility website: www.lacity.org/bidresp. This posting also applies to “sole-sourced” contracts, so the completed Questionnaire from a proposed “sole-sourced” contractor must be forwarded to the appropriate DAA for posting.
11. **How long will the Questionnaires be posted?**

The Questionnaires will be posted on the internet for fourteen (14) calendar days. Unless an exemption applies, a department cannot award an agreement until the posting requirement has been met.

12. **What happens during the fourteen (14) calendar-day posting period?**

The general public will be able to review the Questionnaires posted. If, during the fourteen (14) calendar-day posting period, the DAA receives information that calls into question a bidder/proposer’s responsibility, the DAA will investigate the matter. In that case, no agreement may be awarded until the DAA finishes its investigation. Information obtained during the investigation will be provided to the department to consider in its determination of a bidder/proposer’s responsibility.

13. **How does a department know that the posting requirement has been met?**

The awarding department should complete the top portion of the Posting Verification Form and forward it to the DAA along with the Questionnaires. The DAA will complete the bottom portion of the Posting Verification Form and return it to the department when the posting requirement has been met.

14. **Are contract amendments subject to the CRO?**

If an agreement is amended after September 4, 2001, and the amended agreement meets the definitions stated in the answer to Question #4 above, it is subject to the CRO. Contractors do not have to submit a Questionnaire; however, the CRO Contract Language must be incorporated into the amended agreement.

15. **After the agreement is awarded, or the agreement is amended, what does the CRO require the contractor to do?**

The CRO requires a contractor to:

- Comply with all federal, state, and local laws in the performance of the contract, including but not limited to laws regarding health and safety, labor and employment, wage and hours, and licensing laws, which affect employees.
- Notify the awarding authority within 30 calendar days after receiving notice that any governmental agency has started an investigation into violations of, or has found that the contractor has violated, any federal, state, or local law in the performance of the contract.
- When applicable, provide the awarding authority, within thirty (30) calendar days, updated responses to the Questionnaire if a change occurs that would affect the contractor’s responsibility and ability to continue the agreement.
- Ensure that subcontractors working on the City agreement comply with all federal, state, and local laws in the performance of the agreement.
- Ensure that subcontractors working on the City agreement submit a Pledge of Compliance to comply with the CRO.

16. **What happens if a contractor is found to be in violation of the Ordinance?**

The DAA will notify the contractor that a violation has been found and give the contractor ten (10) calendar days to correct the violation. If the contractor fails to do so, the City may terminate the agreement and pursue all available contractual remedies. The City may also hold a non-responsibility hearing and debar the contractor from doing business with the City for five (5) years.
17. What about subcontractors?

Subcontractors are subject to the CRO, and the contractor must ensure that each of its subcontractors complies with the CRO. Subcontractors do not need to complete a Questionnaire, but they must submit to the awarding department a Pledge of Compliance with the Ordinance before they can start work on a City agreement.

18. What if a subcontractor is found to be in violation of the Ordinance?

Because the prime contractor is responsible for ensuring that all its subcontractors comply with the CRO, the sanctions listed in the answer to Question #16 may be applied to the prime contractor if the subcontractor does not correct the violation(s).

19. Are there any exemptions under the Ordinance?

Generally, two (2) categories of exemptions exist under the CRO:

(1) Agreements exempt from all the CRO requirements:
   - Contracts with a governmental entity such as the United States of America, the State of California, a county, city or public agency of such entities, or a public or quasi-public corporation located therein and declared by law to have such status.  
   - Contracts for the investment of trust moneys or agreements relating to the management of trust assets.  
   - Banking contracts entered into by the Treasurer pursuant to California Government Code Section 53630 et seq.

(2) Agreements that are only exempt from the requirement that a bidder/proposer submit a Questionnaire. The contractor must still comply with all other CRO provisions.
   - Agreements awarded on the basis of emergency circumstances when the awarding authority finds that the City would suffer a financial loss or that City operations would be adversely impacted. This exemption is subject to approval by the DAA.
   - Agreements for goods or services that are proprietary or available from only one source. This exemption is subject to approval by the DAA.
   - Agreements awarded under the authority of Charter Sections 371(e)(5), (6), (7) or (8). The awarding authority must certify in writing that the contract is entered into in compliance with the requirements of those Charter sections.

20. Where can I obtain a copy of the Contractor Responsibility Ordinance and the Rules and Regulations?

All CRO-related information and documents can be found on the CRO website: http://www.lacity.org/bidresp.

1. What is the Living Wage Ordinance?

The Living Wage Ordinance (LWO) requires employers who have agreements with the City to pay their employees at least a minimum “living wage” and to provide certain benefits. If the agreement is subject to the LWO, the employer must do the following:

- Pay employees working on the subject agreement a wage rate that is at least equal to the “living wage” rate. The “living wage” is adjusted annually and becomes effective July 1 of each year. Employers can obtain information about the living wage rate currently in effect by going to Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance (OCC) website at www.lacity.org/bca/OCCmain.html.
- Provide employees with at least twelve (12) paid days off per year for sick leave, vacation, or personal necessity; and at least ten (10) unpaid sick days off per year.
- Tell employees who make less than Twelve Dollars ($12.00) per hour that they may qualify for the federal Earned Income Tax Credit and provide them with the forms required to apply for the credit.
- Cooperate with the City by providing access to the work site and to payroll and related documents so that the City can determine if the employer is complying with the LWO.
- Pledge to comply with federal laws prohibiting an employer from retaliating against employees for union organizing.
- Not retaliate against any employee who makes claims about non-compliance with the LWO.

2. When was the Ordinance adopted?

The LWO was adopted in May, 1997 and amended in January, 1999.

3. What types of agreements are subject to the Ordinance?

Generally, the LWO covers the following types of agreements:

- An agreement in an amount over Twenty-Five Thousand Dollars ($25,000.00) and for at least three (3) months in which an employer will provide services to or for the City.
- An agreement for the lease or license of City property if the service being performed on the property is something that City employees would otherwise do.
- An agreement for the lease or license of City property that is in a location where a substantial number of the general public might visit.
- An agreement in which the City gives financial assistance for the purpose of promoting economic development or job growth.
- An agreement in which the City determines that applying the LWO would be in the best interest of the City.
4. Is an agreement subject to the LWO if it was entered into before May, 1997?

Agreements executed after May, 1997 are subject to the LWO. An agreement entered into before May 1997 may become subject to LWO if it is later amended or modified in order to add time or money to the original agreement.

5. Are there any requirements that would apply to an employer who does not have an agreement with City that is subject to the LWO?

All employers are required to comply with the LWO’s prohibition against retaliation, even if the employer does not have an agreement with the City that is subject to the Ordinance.

6. Are all employees covered by the Ordinance?

Intentionally left blank 8/18/06

7. Are an employer’s subcontractors subject to the requirements of the Ordinance?

A subcontractor may be covered by the Ordinance if the subcontractor performs work on the subject agreement. If so, the subcontractor must also comply with the requirements of the LWO, including all reporting requirements. The prime contractor is responsible for the making sure that the subcontractor complies with the LWO.

8. What happens if an employer is found to be in violation of the Ordinance?

Payments due may be withheld. Also, the employer may be deemed to be in material breach of the agreement. When that happens, the City may take the following steps:

- Terminate the agreement and pursue all available contractual remedies.
- Debar the employer from doing business with the City for three (3) years or until all penalties and restitution have been fully paid, whichever occurs last.
- Bring a lawsuit against the employer for all unpaid wages and health benefit premiums and/or seek a fine of up to One Hundred Dollars ($100.00) for each day the violation remains uncorrected.

9. What if a subcontractor is found to be in violation of the Ordinance?

Because the prime contractor is responsible for making sure that all its subcontractors comply with the LWO, the sanctions listed in answer #8 may be applied to the prime contractor if the subcontractor does not correct the violation(s).

10. What can an employee do if an employer is in violation of the Ordinance?

The employee can submit a complaint to the Office Contract Compliance which will investigate the complaint. Also, the employee can bring his or her own lawsuit against the employer for:

Living Wage Ordinance Summary – 06/09
• Back pay for failing to pay the correct wages or correct health benefit premiums.
• Reinstatement and back pay for retaliation.
• Triple the amount of the back pay that is owed if the violation was found by the court to be willful.

11. Are there any exemptions available under the Ordinance?

An employer may apply for an exemption based on the following categories:

• Service agreements that are less than three (3) months or Twenty-Five Thousand Dollars ($25,000.00) or less.
• Agreements for the purchase of goods, property, or the leasing of property (with City as the lessee).
• Construction contracts that do not meet the definition of a service agreement.
• Employees who are required to have an occupational license in order to provide services to or for the City are exempt.
• Employers who are party to a collective bargaining agreement (CBA) that has language stating that the CBA shall supersedes the LWO.
• Financial assistance recipients who meet the requirements stated in Section 10.37.1(c) of the LWO.
• Employers (contractors, subcontractors, financial assistance recipients) organized under IRS Code, Section 501(c)(3) whose chief executive officer’s hourly wage rate is less than eight times the hourly wage rate of the lowest paid worker are be exempt. However, this exemption does not apply to child care workers.
• Lessees or licensees who have no more than a total of seven employees and who have annual gross revenue of less than Four Hundred Fifty-Four Thousand Sixteen Dollars ($454,016.00) (effective July 1, 2009). The qualifying annual gross revenue is adjusted every July.
• One-person contractors, lessees, licensees or financial assistance recipients who employ no workers.
• Agreements that involve other governmental entities.

12. Who is responsible for the administration and enforcement of the Ordinance?

The Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance, located at 1149 S. Broadway Street, Suite 300, Los Angeles, CA 90015. For additional information, please call (213) 847-2625, or go to the Office of Contract Compliance website at http://bca.lacity.org.
LIVING WAGE ORDINANCE STATUTORY EXEMPTIONS

Living Wage Ordinance (LWO) statutory exemptions are now divided into the following three categories:
1. Exemptions that do not require approval from the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance (OCC).
2. Exemptions that do not require OCC approval but require a Contractor Certification of Exemption.
3. Exemptions that require submission of an Application for Exemption and OCC approval of the Application.

1. **The following exemptions do not require OCC approval or any Contractor Certification:** Departments only need to indicate the exemption in the appropriate category on the LWO Departmental Determination of Coverage Form.
   a. **Less than three (3) months OR less than Twenty-Five Thousand Dollars ($25,000.00) (LAAC 10.37.1(j))**. Service contracts or Authority for Expenditures that do not meet these thresholds are not covered by the LWO.

b. **Other governmental entities (LAAC 10.37.1(g)).** Agreements with other governmental entities such as Los Angeles County, the State of California, or the University of California, are not covered by the LWO. Subcontractors to these entities are also not covered by the LWO.

c. **Purchase of goods, property, or the leasing of property, with the City as lessee (LAAC 10.37.1(j)).** Such contracts are categorically exempt from the LWO unless they include a service component that is more than just incidental (regular and recurring services is required). Examples of such categorically exempt contracts include contracts to purchase office supplies or to lease space to be occupied by City departments.

d. **Construction contracts, not conforming to the definition of a service contract (LAAC 10.37.1(j)).** Such contracts are categorically exempt from the LWO. Examples include construction of buildings and infrastructure.

e. **City financial assistance not meeting thresholds (LAAC 10.37.1(c)).** Agreements to provide a contractor with City financial assistance (which typically mean grants or loans provided at interest rates that are lower than the Applicable Federal Rate) are categorically exempt from the LWO if they meet both of the following:
   1. The assistance given in a 12-month period is below One Million Dollars ($1,000,000.00) AND less than One Hundred Thousand Dollars ($100,000.00) per year.
   2. The assistance is not for economic development or job growth.

f. **Business Improvement Districts (BID) (LWO Regulation #11).** Service agreements are categorically exempt from the LWO if the services are funded with the BID’s assessment money collected by the City after the formation of the BID. Service contracts in which City money is used to hire firms to help in forming the BID remain subject to the LWO unless the contractor otherwise qualifies for an exemption.

2. **The following exemption categories do not require OCC approval, but the contractor must still submit a Contractor Certification of Exemption from Living Wage (OCC/LW-13).** No OCC approval is required for the exemption to be valid. However, the department must include the Contractor Certification of Exemption with the contract.
   a. **501(c)(3) Non-profit organizations (LAAC 10.37.1(g)):** Employers (contractors, subcontractors, financial assistance recipients) organized under IRS Code Section 501(c)(3) are exempt from the LWO if the hourly wage rate of the corporation’s highest paid employee is less than eight times the hourly wage rate of the corporation’s lowest paid worker. However, the exemption does not extend to

Form OCC/LW-10 (Rev. 6/09)
Child Care Workers as defined in the LWO Rules and Regulations (an employee “whose work on an agreement involves the care or supervision of children twelve (12) years of age and under.”). A copy of the IRS 501(c)(3) Exemption Letter will be required.

b. One-person contractors with no employees (LAAC 10.37.1(f)): Contractors, lessees, licensees or financial assistance recipients who employ no workers are exempt from the LWO.

3. The following exemption categories require submission of an application for exemption and OCC approval of the application to be valid.

a. Collective bargaining agreements (CBA) that supersede the LWO (LAAC 10.37.12): Contractors whose employees are covered by a CBA that supersedes the requirements of the LWO are not subject to the LWO. A copy of the CBA with the superseding language or a letter from the union indicating that the union has agreed to allow the CBA to supersede the LWO will be required to be submitted. Example: Labor agreement between parking contractor and a labor union with language that wages and benefits in the CBA shall supersede the LWO. Contractors must use the LWO Application for Non-Coverage or Exemption form (Form OCC/LW-10) and submit a copy of the CBA or a letter from the union.

b. Occupational license (LAAC 10.37.1(f)): Employees required to possess an occupational license in order to provide the services under the City agreement are not subject to the LWO. However, only the individual employees who are required to possess an occupational license are exempt. Employees who work on the City contract and are not required to possess an occupational license remain subject to the LWO. Example: Under California Labor Code Sections 7375 – 7380, a person must be licensed by the State of California in order to inspect and certify cranes and derricks used in lifting services. Contractors must use the LWO Application for Non-Coverage or Exemption form (Form OCC/LW-10) and submit a listing of the employees who possess occupational licenses and a copy of the licenses.

c. Small business exemptions for Public Lessees/Licensees (LAAC 10.37.1(i)): Small business that lease property from the City may apply for OCC approval for LWO exemption if the lessee or licensee:

(1) employs no more than a total of seven (7) employees; and (2) has annual gross revenues of less than Four Hundred Fifty-Four Thousand Sixteen Dollars ($454,016.00) (adjusted July 1, 2009). This applies only to lessees with lease agreements executed after February 24, 2001, and to amendments executed after February 24, 2001 that add monies or extend term. Use the Application for “Small Business” Exemption (Form OCC/LW-20) and submit the application with the documents requested on that form.

d. City financial assistance agreements that exceed the LWO monetary thresholds may apply for one of the exemptions below. Applicants and departments should refer to Regulation #3(c) for the requirements and the documents that must be submitted with the LWO Application for Non-Coverage or Exemption (OCC/LWO-10).

(1) The City financial assistance recipient (CFAR) is in its first year of operation (LAAC 10.37.1(c)).
(2) The CFAR employs fewer than five employees (LAAC 10.37.1(c)).
(3) The CFAR would face undue hardship because it employs the long-term unemployed or provides trainee positions to prepare employees for permanent positions (LAAC 10.37.1(c)). REQUIRES COUNCIL APPROVAL.

Form LW-10, Rev. 7/17
CITY OF LOS ANGELES
SERVICE CONTRACTOR WORKER RETENTION
ORDINANCE
(Los Angeles Administrative Code Section 10.36 et seq.)

1. What is the Service Contractor Worker Retention Ordinance?

The Service Contractor Worker Retention Ordinance (SCWRO), effective May, 1996, requires a successor contractor and its subcontractors to retain for a 90-day period certain employees who worked for the terminated contractor or its subcontractors for at least twelve (12) months. (See also Question #7 regarding which employees are covered.)

2. What is a successor contractor?

A successor contractor is one who has been awarded an agreement to provide services to or for the City that are similar to those that were provided under a recently terminated agreement.

3. What types of agreements are covered by the Ordinance?

The SCWRO covers the following types of agreements:

• For services in an amount over Twenty-Five Thousand Dollars ($25,000.00) and for at least three (3) months.
• In which the primary purpose is to provide services to or for the City (including leases and licenses).
• In which the City provides financial assistance for the purpose of promoting economic development or job growth.

4. What does the Ordinance require a terminated contractor to do?

The SCWRO requires the terminated contractor to provide the awarding authority with the names, addresses, dates of hire, hourly wage, and job classes of each employee who worked on the City agreement for that terminated contractor or its subcontractor. The awarding authority will provide the information to the successor contractor.

5. What does the Ordinance require a successor contractor to do?

The Ordinance requires the successor contractor to:

• Offer employment and retain for a ninety (90)-day period the employees who worked for at least twelve (12) months for the terminated contractor or its subcontractors.
• Not discharge the employees retained under the SCWRO without cause during the ninety (90) - day period.
• Perform a written performance evaluation of each employee retained under the SCWRO at the end of the ninety (90)-day period.

Service Contractor Worker Retention Ordinance Summary (06/09)
6. Do the employees retained under the Ordinance receive any additional protection?

Employees retained under the SCWRO are employed under the terms and conditions of the successor contractor or as required by law. However, if the agreement the employees are working under is subject to Living Wage Ordinance (LWO), the employees must be paid the wage rate and be provided the benefits required by LWO.

7. Does the successor contractor have to retain all the prior contractor’s employees?

The SCWRO covers only employees who meet all of the following requirements:

- Earn less than Fifteen Dollars ($15.00) per hour.
- Primary job is in the City working on or under the City agreement.
- Worked for the terminated contractor or its subcontractor for the preceding twelve (12) months or longer.
- Not a managerial, supervisory, or confidential employee; or an employee required to possess an occupational license.

8. What if the successor contractor determines that fewer employees are required to provide the services than were required by the prior contractor?

The names of the affected employees will be placed in order by seniority within each job classification. The successor contractor is required to retain employees based on seniority. The names of employees not retained will be placed on a preferential hiring list from which the successor contractor must use for subsequent hires.

9. What happens if an employee is discharged in violation of the Ordinance?

The employee may bring a lawsuit against the successor contractor. The employee can also submit a complaint to the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance which will investigate the complaint.

10. What if a contractor is found to be in violation of the Ordinance?

DEPARTMENT OF PUBLIC WORKS’ POLICY
BUSINESS INCLUSION PROGRAM FOR A REQUEST FOR QUALIFICATIONS (RFQ)

SUMMARY
This policy sets forth the Department of Public Works’ rules and procedures to be followed by respondents on advertised personal services contracts in regards to the City’s BIP outreach requirements. In general, this policy provides that respondents for contracts must demonstrate compliance with the indicators relating to an active outreach program to obtain participation by MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs. Failure to demonstrate outreach on the BAVN to comply with the indicators will render the response submission non-responsive.

A. GENERAL
This policy statement explains how the City’s BIP will be administered within the Department of Public Works for personal services contracts. The Department is committed to ensuring full and equitable participation by minority, women, small, emerging, disabled veteran, and other businesses in the provision of all goods and services to the Department on a contractual basis. This BIP is set forth in this policy Statement. Respondents to this department shall be fully informed concerning the requirements of this Program. Failure to comply with the City’s BIP outreach requirements will render the response non-responsive and result in its rejection.

Additional information and/or assistance in implementing this program may be obtained through the Office of Contract Compliance, Bureau of Contract Administration by e-mail at bca.biphelp@lacity.org.

9. **Business Inclusion Program Outreach documentation:** The respondent must take affirmative steps prior to submission of their RFQ response to ensure that a maximum effort is made to recruit potential subconsultants. Minority, women, small, emerging, disabled veteran owned and controlled businesses must be considered along with other business enterprises whenever possible as sources of subconsulting services. Affirmative steps for BIP Outreach documentation are outlined in Paragraph C herein. The BIP Outreach documentation must be submitted as described in Paragraph C herein. Failure to submit the BIP Outreach documentation will render the response non-responsive.

10. **Subcontract:** For the purpose of this program, the term “Subcontract” denotes an agreement between the prime Consultant and an individual, firm or corporation for the performance of a particular portion of the work which the prime Consultant has obligated itself.

11. **Subconsultant:** An individual, firm, or corporation having a direct contract with the consultant for the performance of a part of the work which is proposed to be constructed or done under the contract or permit, including the furnishing of all labor, materials, or equipment. For the purposes of this Program, a subconsultant may also be referred to as a subcontractor.

12. **Vendor and/or supplier:** A firm that owns, operates or maintains a store, warehouse, or other establishment in which the materials or supplies required for the performance of the contract are bought, kept in stock, and regularly sold to the public in the usual course of business. The firm must engage in, as its principal business, and its own name, the purchase and sale of the products in question. A vendor and/or supplier of bulk items such as steel, cement, stone and petroleum products need not keep such products in stock, if it owns or operates distribution equipment.

13. **Manufacturer:** A firm that operates or maintains a factory or establishment that produces on the premises the materials or supplies obtained by the contractor.

14. **Broker:** A firm that charges for providing a bona fide service, such as professional, technical, consultant or managerial services and assistance in the procurement of essential personnel, facilities, equipment, insurance or bonds, materials or supplies required for performance of the contract. The fee or commission is to be reasonable and not excessive as compared with fees customarily allowed for similar services.

15. **Participation Recognition:** This applies to recognition as an MBE, WBE, SBE, EBE, and/or DVBE.

   a. All listed MBE, WBE, SBE, EBE, and/or DVBE firms must be certified as defined under Paragraph B, Definitions, Item 4, on the date the task work order for the project is assigned before credit may be allowed toward the respective MBE, WBE, SBE, EBE, and/or DVBE pledged participation level.
b. Work performed by a MBE, WBE, SBE, EBE, and/or DVBE prime consultant will not be considered when determining a prime consultant’s BIP Outreach. The prime consultant will be required to make a BIP Outreach to obtain reasonable anticipated MBE, WBE, SBE, EBE, and/or DVBE participation levels through subconsulting or materials and supplies acquisition.

c. Recognition for materials and/or supplies is limited to 60 percent of the amount to be paid to the vendor for such materials/supplies in computing the pledged levels of MBE, WBE, SBE, EBE, and/or DVBE participation, unless the vendor manufactures or substantially alters the materials/supplies.

d. MBE, WBE, SBE, EBE, and/or DVBE credit for brokers required for performance of the contract is limited to the reasonable fee or commission charged, as not considered excessive, as compared with fees customarily allowed for similar services.

e. A firm which qualified as both a MBE and a WBE will be credited as either MBE participation or as WBE participation, but will not be credited for both. However, a MBE and/or WBE firm may also receive SBE, EBE, and/or DVBE credit if so qualified.

f. A listed MBE, WBE, SBE, EBE, and/or DVBE firm must be potentially available to perform a commercially useful function, i.e., must be potentially responsible for the execution of a distinct element of the work and potentially available to carry out its responsibility by performing, managing and supervising the work.

g. MBE/WBE credit shall not be given to a Joint Venture partner listed as a subconsultant by a Joint Venture respondent.

h. A SBE, EBE, DVBE prime consultant shall receive pledged participation credit for the work performed by its own workforce.

C. BIP OUTREACH DOCUMENTATION

It is the policy of the City of Los Angeles to provide Minority Business Enterprises (MBEs), Women Business Enterprises (WBEs), Small Business Enterprises (SBEs), Emerging Business Enterprises (EBEs), Disabled Veteran Business Enterprises (DVBEs), and all Other Business Enterprises (OBEs) an equal opportunity to participate in the performance of City contracts. In order to maximize this participation while minimizing the administrative impact on City staff and RFQ respondents alike, the Mayor’s Office has developed a BIP. The BIP requires City departments to set anticipated participation levels based on the opportunities presented in their advertised contracts and Department’s achievement of its annual goals. A respondent’s BIP Outreach to MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs shall be determined by their compliance with the following BIP Outreach process which will be performed on the City’s Business Assistance Virtual Network (BAVN). The BAVN can be accessed by going to the City’s Webpage (www.lacity.org) and linking onto “Bids, RFPs & Grants” or directly at www.labavn.org. Failure to meet the anticipated MBE, WBE, SBE, EBE, and/or DVBE participation levels will not by itself be the basis for disqualification or determination of non-compliance with this policy.

**However, failure to comply with the BIP Outreach documentation requirements as described in this section will render the RFO response non-responsive and will result in its rejection.** Compliance with the BIP Outreach requirements is required even if the proposer has achieved the anticipated MBE, WBE, SBE, EBE, and DVBE participation levels. Adequacy of a respondent’s BIP Outreach will be determined by the Board after consideration of the indicators of BIP Outreach as set forth below.

Any technical difficulties while utilizing the BAVN should be reported immediately using the following steps:
1. Email BAVN Support at ITA.BAVN@lacity.org.
2. Email Bureau of Contract Administration, Subcontractor Outreach and Enforcement Section (SOE) at bca.biphelp@lacity.org.
3. If you are not contacted within 15 minutes during normal City working hours (7:00 a.m. to 4:30 p.m. Monday-Friday), call (213) 847-2605 and ask for an SOE Analyst to assist you.

If the above procedures are not followed as stipulated, incomplete outreach and/or incomplete documentation may not be accepted.

Each indicator (2-7) is evaluated on a pass/fail basis. All indicators (2-7) must be passed to be deemed responsive. Only BIP Outreach documentation submitted under the respondent’s name will be evaluated. Therefore submission by a third party will result in the respondent being deemed non-responsive.

<table>
<thead>
<tr>
<th>1</th>
<th>LEVEL OF ANTICIPATED MBE, WBE, SBE, EBE, and DVBE PARTICIPATION</th>
</tr>
</thead>
</table>

The respondent has performed a BIP Outreach in an attempt to obtain potential subconsultant participation by MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs which could be expected by the Board to produce a reasonable level of participation by interested business enterprises, including the MBE, WBE, SBE, EBE, and DVBE anticipated percentages set forth on Page 1 herein and to have the respondent meet the subconsulting expectations for the project.

<table>
<thead>
<tr>
<th>2</th>
<th>ATTENDED PRE-SUBMITTAL MEETING</th>
</tr>
</thead>
</table>

The respondent attended the pre-submittal meeting scheduled by the Project Manager to inform all respondents of the requirements for the project for which the contract will be awarded. This requirement may be waived if the respondent certifies it is informed as to those project requirements and has participated in a City-sponsored or City-approved matchmaking event in the prior 12 months.

**Required Documentation:** An employee of the respondent’s company must attend the pre-submittal meeting scheduled for this project. Credit may not be given if the employee arrives late or fails to sign the pre-submittal meeting attendance roster. This requirement will be waived if the respondent both certifies in writing that it is informed as to the BIP Outreach requirements for the project and has participated in a City-sponsored or City-approved matchmaking event in the prior 12 months as is evidenced by the event attendance documents.

**Note:** If the RFQ states that the pre-submittal meeting is mandatory, then attendance at the pre-submittal meeting is the only way to pass this indicator.

<table>
<thead>
<tr>
<th>3</th>
<th>SUFFICIENT WORK IDENTIFIED FOR SUBCONSULTANTS</th>
</tr>
</thead>
</table>

The respondent has identified the minimum number, as determined by the Department, of specific items of work that will be performed by subconsultants. This will ensure an opportunity for subconsultant participation among MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs.

**Required Documentation:** Outreach via e-mail in the selected potential work items. This outreach must be performed using the BAVN’s BIP Outreach system. The outreach must be to potential MBE, WBE, SBE, EBE,
DVBE, and OBE subconsultants who are currently registered on the BAVN. Failure of the respondent to outreach in all of the potential work items selected by the City as potential subconsulting work items may result in the RFQ response being deemed non-responsive.

**Note:** City staff will access the BAVN and verify compliance with this indicator after the RFQ submission deadline.

### 4. WRITTEN NOTICES TO SUBCONSULTANTS

All notifications must be provided utilizing BAVN, and made not less than **fifteen (15) calendar days** prior to the date the RFQ responses are required to be submitted. In all instances, respondents must document that invitations for subconsulting bids were sent to available MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs for each item of work to be performed.

**Required Documentation:** E-mail notification in each of the selected potential work items to potentially available MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs for each anticipated work item to be performed. The notification must be performed using the BAVN’s BIP Outreach system. The notification must be to potential subconsultants currently registered on the BAVN. If the respondent is aware of a potential subconsultant that is not currently registered on the BAVN, it is the respondent’s responsibility to encourage the potential subconsultant to become registered so that the respondent can include them as part of their outreach. Notifications must contain areas of work anticipated to be subconsulted, City of Los Angeles project name, name of the respondent, and contact person's name, address, and telephone number. Respondents are required to send notifications to a sufficient number of firms comprised of MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs in each potential work item chosen, as determined by the City. What is considered sufficient will be determined by the total number of potential subconsultants in each specific work item.

The City will determine each work area by the North American Industry Classification System (NAICS) code. The following table shows the sufficient number of MBE, WBE, SBE, EBE, DVBE, and OBE subconsultants that need to be notified for each work area.

A respondent’s failure to utilize this notification function will result in their RFQ response being deemed non-responsive.

**Note:** Respondents will not be able to utilize the BAVN’s BIP Outreach notification function if there are less than fifteen (15) calendar days prior to the RFQ response submittal deadline. In utilizing the BAVN’s notification function, respondents will receive a message if they have failed to outreach to a sufficient number of firms when they go to view their summary sheet. Respondents will be given an opportunity to include their own customized statements when utilizing the notification function. However, the City will take into consideration the wording and may deem a respondent non-responsive if the wording is perceived to seriously limit potential subconsultant responses. City staff will access the BAVN and verify compliance with this indicator after the RFQ
submission deadline. Respondents are encouraged to print their BIP Outreach summary sheet prior to logging out as documented proof of their progress.

5 PLANS, SPECIFICATIONS AND REQUIREMENTS

The respondent provided interested potential subconsultants with information about the availability of project scope, services requested, and other requirements for the anticipated subconsulting work.

 Required Documentation: Include in Indicator 4, information detailing how, where and when the respondent will make the required information available to interested potential subconsultants. The notification must be performed using the BAVN’s BIP Outreach system.

Note: For purposes of RFQs, making a copy of the RFQ available to potential subconsultants will meet this requirement. At the time a respondent utilizes the BAVN’s BIP Outreach notification function, the required information will automatically be included in the notification. Respondents will not be able to utilize the BAVN’s Outreach notification function if there are less than fifteen (15) calendar days prior to the RFQ response submittal deadline. City staff will access the BAVN and verify compliance with this indicator after the RFQ submission deadline.

6 NEGOTIATED IN GOOD FAITH

The respondent has responded to every unsolicited offer sent by a registered subconsultant using BAVN and has evaluated in good faith bids or proposals submitted by interested potential MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs. Respondents must not unjustifiably reject as unsatisfactory a bid or proposal offered by a registered subconsultant, as determined by the Board. The respondent must submit a list of all subconsultants for each item of work, including dollar amounts of bids or proposals received. This list must include an explanation of the evaluation that lead to the bid or proposal being rejected and the explanation must have been communicated to the subconsultant using BAVN.

 Required Documentation:
 a) Schedule A List of Potential MBE/WBE/SBE/EBE/DVBE/OBE Subconsultants;
 b) An online Summary Sheet organized by work area, listing the following:
   1) the responses and/or bids received;
   2) the name of the subconsultant who submitted the bid-quote;
   3) a brief reason given for selection/non-selection as a subconsultant;
 c) Copies of all potential MBE/WBE/SBE/EBE/DVBE/OBE bids or quotes received must be submitted prior to award of a contract by the City;

The reasons for selection/non-selection should be included in the notes section of the online Summary Sheet. If the respondent elects to perform a listed work area with its own forces, they must include a bid/quote for comparison purposes and an explanation must be provided and included on the summary sheet. All bids/quotes received, regardless of whether or not the respondent outreached to the subconsultant, must be submitted and included on the online Summary Sheet. To that extent, the City expects the respondent to submit a bid from each subconsultant listed on the online Summary Sheet, including those listed on the respondent’s Schedule A. All potential subconsultants with whom the respondent has had contact outside of the BAVN must be documented on the online Summary Sheet.

The Summary Sheet must be performed using the BAVN’s BIP Outreach system and must be submitted by 4:30 p.m. on the first calendar day following the day of the RFQ response submittal deadline.
If a bid/quote is submitted by a firm that is not registered with the BAVN, the respondent is required to add that firm to their Summary Sheet. A respondent’s failure to utilize the BAVN’s Summary Sheet function will result in their RFQ response being deemed non-responsive.

**Note:** For the purposes of this RFQ only, letters of intent acknowledging a potential subconsultant’s interest in being contacted for work and/or hourly rates for their type of work will be considered the “bids or quotes received.” Staff will request copies of all of the bids/quotes received as part of the BIP Outreach evaluation process. Respondents must have a bid/quote from each potential subconsultant listed on their Schedule A prior to submission of the Schedule A. The submission of the Schedule A is outlined in G herein. Respondents are encouraged to submit all of their bids/quotes with their RFQ response submittal. Respondents will not be able to edit their Summary Sheet on the BAVN’s BIP Outreach Summary Sheet function after 4:30 p.m. on the first calendar day following the day of the RFQ response submittal deadline. City staff will access the BAVN and verify compliance with the summary sheet provision of this indicator after the RFQ submission deadline. Respondents are required to have each of the subconsultants on their Schedule A registered on the BAVN prior to being awarded the contract.

| 7 | BOND, LINES OF CREDIT, AND INSURANCE ASSISTANCE |

Each notification by the respondent shall also include an offer of assistance to interested potential MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs in obtaining bonds, lines of credit, or insurance required by the Awarding Authority or proposer.

**Required Documentation:** Include in Indicator 4, information about the respondent's efforts to assist with bonds, lines of credit and insurance. The notification must be performed using the BAVN’s BIP Outreach system.

**Note:** At the time a respondent utilizes the BAVN’s BIP Outreach notification function, the required information will automatically be included in the notification. Respondents will not be able to utilize the BAVN’s BIP Outreach notification function if there are less than fifteen (15) calendar days prior to the RFQ response submittal deadline. Respondents will be given an opportunity to include their own customized statements when utilizing the notification function. However, the City will take into consideration the wording and may deem a respondent non-responsive if the wording seriously limits potential subconsultant responses or is deemed contrary to the intent of this indicator. City staff will access the BAVN and verify compliance with this indicator after the RFQ submission deadline.

The respondent shall submit completed BIP Outreach documentation either via the BAVN’s BIP Outreach system or prior to award, as specified for each indicator. The Board in its review of the BIP Outreach documentation may request additional information to validate and/or clarify that the BIP Outreach submission was adequate. Any additional information submitted after the response due date and time will be treated at a higher level of scrutiny and may require third party documentation in order to substantiate its authenticity. Such information shall be submitted promptly upon request by the Board.

**D. AWARD OF CONTRACT**

The Board reserves the right to reject any and all RFQ responses. The award of a contract will be to the responsive, responsible Respondent whose submittal complies with all requirements prescribed herein. This includes compliance with the required BIP Outreach. A positive and adequate demonstration to the satisfaction of the Board that a BIP Outreach to include potential MBE/WBE/SBE/EBE/DVBE/OBE subconsultants’ participation was made is a condition for eligibility for award of the contract.
In the event that the Board considers awarding away from a respondent because of the respondent’s failure to supply adequate BIP Outreach documentation, the Board shall afford the respondent an opportunity to present further evidence to the Board prior to a public hearing of the respondent’s BIP Outreach evaluation.

E. **SUBCONSULTANT SUBSTITUTION**

In addition to the requirements set forth in the provisions pertaining to the listing of potential subconsultants, the following shall apply for the purpose of this Program:

1. **Substitution During Contract Duration:** The contract award requires that the level of all subconsultant participation shall be maintained throughout the duration of the contract. To this extent, any unapproved reduction in the listed subcontract amount will be considered an unauthorized substitution.
   
   a. The Consultant shall request approval of the Board for all substitutions of bid-listed (Schedule B) subconsultants.
   
   b. The request shall be in writing and submitted to the designated Project Manager for the Board. The request shall give the reason for the substitution, the name of the subconsultant and the name of the replacement.

2. **MBE/WBE/SBE/EBE/DVBE/OBE Subconsultant Substitution:** The Board requires that whenever the Consultant seeks to substitute a bid-listed (Schedule B) subconsultant, the Consultant must make a BIP Outreach to replace the subconsultant.
   
   a. The Consultant shall contact some of each of the following: certified MBE, certified WBE, certified SBE, certified EBE, certified DVBE, and OBE sub-bid prospects from each trade (see Schedule A) for which sub-bid/subconsulting work is available and document the following for submittal:

   1. Name of company contacted; contact person and telephone number; date and time of contact.
   2. Response for each item of work which was solicited, including dollar amounts.
   3. Reason for selection or rejection of sub-bid prospect.
   4. In the event that the Consultant is unable to find some certified MBE, certified WBE, certified SBE, certified EBE, certified DVBE, and OBE sub-bid prospects, (first from their Schedule A, then from other outreach methods) for each trade, the Consultant should contact the Office of Contract Compliance by e-mail at bca.biphelp@lacity.org for assistance prior to certifying under penalty of perjury that it was unable to fully meet this requirement.

   b. The Consultant shall submit all documentation to the Department’s Project Manager who may refer it to the Office of Contract Compliance for review and approval.

3. In the event that a subcontract is reduced due to a project change that will not be specified in a change order, the Consultant shall request approval for reducing the subcontract by documenting the following for submittal:

Rev. 12/30/12 (Public Works RFQ - BAVN)
a. The name of the company for which the subcontract reduction is requested and the dollar amount of the reduction.

b. The reason for the reduction. Specific details should be given in order for the Consultant’s request to be processed promptly.

c. The Consultant shall submit all documentation to the Department’s Project Manager who may refer it to the Office of Contract Compliance for review and approval.

F. **SUB-AGREEMENT FALSIFICATION**

Falsification or misrepresentation of a sub-agreement as to company name, contract amount and/or actual work to be done by the sub-bidder/subconsultant will result in sanctions set forth in provisions pertaining to listing of subconsultants.

G. **SUBMITTAL DOCUMENTS**

1. List of Potential MBE/WBE/SBE/EBE/DVBE/OBE Subconsultants (Schedule A)

   Respondents shall submit with their RFQ response the List of Potential MBE/WBE/SBE/EBE/DVBE/OBE Subconsultants, provided herein as Schedule A. The respondent shall list the name, address, telephone, contact person and a description of work or supplies to be provided by each of the firms which may be utilized to perform portions of work in a specific task. This list is considered the respondent’s list of prequalified subconsultants which will be utilized when preparing a proposal for a specific project or task work order. For this reason, it is expected that the respondent will list multiple potential subconsultants for each specific area of work. Respondents are expected to only use the firms listed on the Schedule A when preparing a proposal for a specific project or task work order. In the event that the respondent has either a desire to update their Schedule A or a need to solicit subconsultants that are not on the Schedule A, the respondent will be expected to perform an outreach which, at a minimum, conforms to the requirements set forth under “E. Subconsultant Substitutions” of this document.

2. Task Work Order List of Subconsultants (Schedule B)

   At the time a specific task work order is assigned to the consultant, the consultant must submit the Task Work Order List of Subconsultants (Schedule B). The Schedule B is required prior to commencement of work. The consultant is committing itself to utilizing the subconsultants listed on this schedule for the portions of work and subcontract amounts for which they are listed. It is expected that the subconsultants listed on the Schedule B will be from the pool of potential subconsultants listed on the Schedule A. If the consultant needs to list subconsultants that are not on their Schedule A, the consultant needs to refer to the directions included under “1. List of Potential MBE/WBE/SBE/EBE/DVBE/OBE Subconsultants (Schedule A)” for additional details on the process for adding subconsultants to their Schedule A.

3. MBE/WBE/SBE/EBE/DVBE/OBE Utilization Profile (Schedule C)

   During the term of the contract, the consultant must submit a separate MBE/WBE/SBE/EBE/DVBE/OBE Utilization Profile (Schedule C) for each task work order when submitting an invoice to the City.

This week your company moved its offices to a new location. Your company is required to update its contact information on the Form 55 submitted with its proposal. 1. This provision applies to work or service performed or materials manufactured or assembled in the United States.

2. Nothing in this section shall require or prohibit the establishment of new classifications of employees in any given craft, work or service category.

3. The contractor agrees to post a copy of Paragraph A hereof in conspicuous places at its place of business available to employees and applicants for employment.

B. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to their race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.

In addition thereto, such failure to comply may be the basis for a determination by the awarding authority or the Board of Public Works that the said contractor is an irresponsible bidder or proposer pursuant to the provisions of Section 371 of the Charter of the City of Los Angeles. In the event of such a determination, such contractor shall be disqualified from being awarded a contract with the City of Los Angeles for a period of two years, or until the contractor shall establish and carry out a program in conformance with the provisions hereof.

CHILD CARE POLICIES

This Contract is subject to the policy of the City of Los Angeles regarding City Child Care Policies and Vendor System as adopted by City Council. CONTRACTOR is required to complete the Child Care Declaration statement which is attached hereto as Form D and Form E.

I. City Child Care Policy and Vendor System – On February 24, 1987, the City Council adopted the Child Care Policy for the City of Los Angeles. This policy acknowledges the importance of quality, affordable, accessible child care to the individual, family, work place and community. The City further recognizes that existing child care services and facilities are not adequate to meet current demand, and that such demand is increasing. Failure to address this critical unmet need will have serious, detrimental effects on the physical, social and economic life of Los Angeles. Thus, the City Child Care Policy was adopted, committing the City to use its resources as educator, employer, model and facilitator to act as a catalyst in expanding the supply of quality, affordable child care in Los Angeles.

The City Child Care Policy includes an item specifically designed to address the development and implementation of child care policies and practices by vendors, as follows:

THE CITY OF LOS ANGELES SHALL ENCOURAGE ALL ITS VENDORS TO ADOPT A STATED POLICY ON CHILD CARE. TO THE EXTENT PERMITTED BY LAW, VENDORS WITH STATED CHILD CARE POLICIES SHALL RECEIVE PREFERENCE IN CONTRACTING WITH THE CITY OF LOS ANGELES.

It is the goal of the City to promote and facilitate the establishment and implementation of child care policies and practices which address the critical unmet local need for quality, affordable child care services.

A company may, after a review and due consideration, determine that child care is not an employee need or that a child benefit/service cannot feasibly be offered by the company. In this case, a written policy statement to this effect would also qualify a company for the vendor preference.

II. Request Child Care Policy Information from Vendors – All vendor applicants should complete the “Child Care Declaration Statement” form, declaring whether the business has a stated child care policy and/or offers any form of child care assistance to employees. Those vendors indicating they have a stated child care policy for employees should file a copy of said policy along with the “Declaration Form”.

ENDNOTES FOR LWO SUBCONTRACTOR INFORMATION FORM

1 Non-Profit 501(c)(3) Organizations: A corporation claiming exemption under Section 10.37.15(b) of the LWO as a corporation organized under Section 501(c)(3) of the United States Internal Revenue Code must provide the following additional documents in support of the application for exemption:

(1) A copy of the most recent IRS letter indicating that the Employer has been recognized as a non-profit corporation organized under section 501(c)(3) of the United States Internal Revenue Code.

(2) The LW-28 501(c)(3) Non-Profit Exemption Application referred to in the LWO Rules and Regulations Appendix A must include the salary certification information. The salary certification must list the salary of the corporation's chief executive officer (CEO), computed on an hourly basis, and the hourly wage rate of the lowest paid worker in the corporation. The salary of the CEO, when computed on an hourly basis, must be less than 8 times what the lowest paid worker is paid on an hourly basis. For purposes of this exemption, the "chief executive officer (CEO)" means the CEO of the 501(c)(3) corporation that entered into the agreement or the highest paid person employed by the corporation if the CEO is not the highest paid employee. The "lowest paid worker" refers to the lowest paid worker employed by the 501(c)(3) corporation that entered into the Agreement with the City, regardless of whether the person works on the City Agreement.

2 Exemption by Collective Bargaining Agreement – LAAC 10.37.12: An Employer subject to provisions of the LWO may, by collective bargaining agreement (CBA), provide that the CBA, during its term, shall supersede the requirements of the LWO for those Employees covered by the CBA. The provisions of the LWO should not be interpreted to require an employer to reduce the wages and benefits required by the CBA. All parties to the CBA must specifically waive in full or in part the benefits required by the LWO. An Employer applying for this exemption shall submit a copy of the CBA. If the CBA does not specifically indicate that the LWO has been superseded, the Employer shall submit written confirmation from the union representing the Employees working on the Agreement that the union and the Employer have agreed to let the CBA supersede the LWO.

(a) If the final CBA signed by the Employer and the union supersedes the LWO, in full or in part, the Employer shall be considered to be exempt from the LWO's specified provisions for the time period covered by the effective dates of the superseding CBA. The Employer remains subject to all applicable provisions of the LWO for the time period not covered by the superseding CBA. If the Employer has not complied with the LWO requirements during the time period not covered by the superseding CBA, the Employer shall be required to make retroactive corrections for any period of violation, which may include making retroactive payments to affected employees for the relevant periods of violation.

(b) If the final CBA signed by the Employer and the union does not supersede the LWO, the Employer shall be required to comply with all applicable LWO requirements, including the wage and benefits provisions. Compliance shall also be required retroactively to the date that the Employer first became subject to the LWO. If necessary, the Employer shall provide retroactive payments to affected Employees for any time period during which the Employer did not comply with the LWO.

3 Small Business Exemptions for Public Lessees and Licensees – LAAC 10.37.15(a): A public lessee or licensee claiming exemption from the LWO under section 10.37.15(a) shall submit the application for "Small Business Exemption" referred to in the LWO Rules and Regulations Appendix A, along with supporting documentation to verify that it meets the requirement that the lessee or licensee pays no more than seven (7) people on and off City property.

(a) For purposes of this exemption, a lessee or licensee shall be deemed to employ a person if the person works for a company or entity that is owned or controlled by the lessee or licensee, regardless of where the company or entity is located; or if the person works for a company or entity that owns or controls the lessee or licensee, regardless of where the location of the company or entity is located. Whether the lessee or licensee meets the seven (7) person limit shall be determined using the total number of people employed by all companies or businesses, which the lessee or licensee owns or controls, or which own or control the lessee or licensee. For purposes of this example, "control" means that one company owns a controlling interest in another company.

(b) If a business operated by the lessee or licensee is part of a chain of businesses, the total number of people includes all everyone employed by the entire chain of businesses unless the business operated by the lessee or licensee is an independently owned and operated franchise.

(c) A public lessee or licensee shall be deemed to employ no more than seven (7) people if its entire workforce (inclusive of the people falling within the guidelines stated in subsections (a) and (b) above) worked an average of no more than 1,214 hours per month for at least three-fourths of the of the previous calendar year.

4 Governmental Entities – LAAC 10.37.14(b): Agreements with governmental entities are not subject to the requirements of the LWO. If an Agreement is not subject to the LWO because the Employer is a governmental entity, Subcontractors performing work for the governmental entity on the Agreement are also not subject to the LWO.

5 Utilities Companies – LAAC Section 10.37.14(c): Contract for work done directly by a utility company pursuant to an order of the Public Utilities Commission.

6 Construction contracts – LAAC Section 10.37.14(a): Construction contracts are not subject to the LWO unless 1) there are employees not covered by prevailing wage or 2) if the prevailing wage is less than the required rate in 10.37.2.

PSC-1. Construction of Provisions and Titles Herein

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against CITY or CONTRACTOR. The word "CONTRACTOR" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one CONTRACTOR, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. Applicable Law, Interpretation and Enforcement

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and CITY, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. CONTRACTOR shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to CONTRACTOR.

In any action arising out of this Contract, CONTRACTOR consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

PSC-3. Time of Effectiveness

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

A. This Contract has been signed on behalf of CONTRACTOR by the person or persons authorized to bind CONTRACTOR;

B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;

C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and

D. This Contract has been signed on behalf of CITY by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.
PSC-4.  **Integrated Contract**

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

PSC-5.  **Amendment**

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

PSC-6.  **Excusable Delays**

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of CONTRACTOR shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both CONTRACTOR and Subcontractor, and without any fault or negligence of either of them. In such case, CONTRACTOR shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit CONTRACTOR to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event CONTRACTOR'S delay or failure to perform arises out of a Force Majeure Event, CONTRACTOR agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

PSC-7.  **Waiver**

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party’s performance after the other party’s default shall not be construed as a waiver of that default.
PSC-8. **Suspension**

At CITY’S sole discretion, CITY may suspend any or all services provided under this Contract by providing CONTRACTOR with written notice of suspension. Upon receipt of the notice of suspension, CONTRACTOR shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to CITY until CITY gives written notice to recommence the services.

PSC-9. **Termination**

A. **Termination for Convenience**

CITY may terminate this Contract for CITY’S convenience at any time by providing CONTRACTOR thirty days written notice. Upon receipt of the notice of termination, CONTRACTOR shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. CITY shall pay CONTRACTOR its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by CONTRACTOR to effect the termination. Thereafter, CONTRACTOR shall have no further claims against CITY under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights CITY is entitled to, shall become CITY property upon the date of the termination. CONTRACTOR agrees to execute any documents necessary for CITY to perfect, memorialize, or record CITY’S ownership of rights provided herein.

B. **Termination for Breach of Contract**

1. Except as provided in PSC-6, if CONTRACTOR fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, CITY may give CONTRACTOR written notice of the default. CITY’S default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of CITY. Additionally, CITY’S default notice may offer CONTRACTOR an opportunity to provide CITY with a plan to cure the default, which shall be submitted to CITY within the time period allowed by CITY. At CITY’S sole discretion, CITY may accept or reject CONTRACTOR’S plan. If the default cannot be cured or if CONTRACTOR fails to cure within the period allowed by CITY, then CITY may terminate this Contract due to CONTRACTOR’S breach of this Contract.

2. If the default under this Contract is due to CONTRACTOR’S failure to maintain the insurance required under this Contract, CONTRACTOR shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor’s obligation to suspend performance of
services. CONTRACTOR shall not recommence performance until CONTRACTOR is fully insured and in compliance with CITY’S requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against CONTRACTOR, or if CONTRACTOR makes an assignment for the benefit of creditors, then CITY may immediately terminate this Contract.

4. If CONTRACTOR engages in any dishonest conduct related to the performance or administration of this Contract or violates CITY’S laws, regulations or policies relating to lobbying, then CITY may immediately terminate this Contract.

5. Acts of Moral Turpitude
   a. CONTRACTOR shall immediately notify CITY if CONTRACTOR or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws (“Act of Moral Turpitude”).
   
   b. If CONTRACTOR or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, CITY may immediately terminate this Contract.
   
   c. If CONTRACTOR or a Key Person is charged with or indicted for an Act of Moral Turpitude, CITY may terminate this Contract after providing CONTRACTOR an opportunity to present evidence of CONTRACTOR’S ability to perform under the terms of this Contract.
   
   d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.
For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of CONTRACTOR.

6. In the event CITY terminates this Contract as provided in this section, CITY may procure, upon such terms and in the manner as CITY may deem appropriate, services similar in scope and level of effort to those so terminated, and CONTRACTOR shall be liable to CITY for all of its costs and damages, including, but not limited to, any excess costs for such services.

7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that CONTRACTOR was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.

8. The rights and remedies of CITY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

C. In the event that this Contract is terminated, CONTRACTOR shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

PSC-10. Independent Contractor

CONTRACTOR is an independent contractor and not an agent or employee of CITY. CONTRACTOR shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of CITY.

PSC-11. Contractor’s Personnel

Unless otherwise approved by CITY, CONTRACTOR shall use its own employees to perform the services described in this Contract. CITY has the right to review and approve any personnel who are assigned to work under this Contract. CONTRACTOR shall remove personnel from performing work under this Contract if requested to do so by CITY.

CONTRACTOR shall not use Subcontractors to assist in performance of this Contract without the prior written approval of CITY. If CITY permits the use of Subcontractors, CONTRACTOR shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. CITY has the right to approve CONTRACTOR’S Subcontractors, and CITY reserves the right to request replacement of any
Subcontractor. CITY does not have any obligation to pay CONTRACTOR’S Subcontractors, and nothing herein creates any privity of contract between CITY and any Subcontractor.

PSC-12. Assignment and Delegation

CONTRACTOR may not, unless it has first obtained the written permission of CITY:

A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or

B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

PSC-13. Permits

CONTRACTOR and its directors, officers, partners, agents, employees, and Subcontractors, shall obtain and maintain all licenses, permits, certifications and other documents necessary for CONTRACTOR’S performance of this Contract. CONTRACTOR shall immediately notify CITY of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents that relate to CONTRACTOR’S performance of this Contract.

PSC-14. Claims for Labor and Materials

CONTRACTOR shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any CITY property (including reports, documents, and other tangible or intangible matter produced by CONTRACTOR hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

For the duration of this Contract, CONTRACTOR shall maintain valid Business Tax Registration Certificate(s) as required by CITY’S Business Tax Ordinance, Section 21.00 et seq. of the Los Angeles Municipal Code (“LAMC”), and shall not allow the Certificate to lapse or be revoked or suspended.

PSC-16. Retention of Records, Audit and Reports

CONTRACTOR shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form or as otherwise approved by CITY. These records shall be retained for a period of no less than three years from the later of the following: (1) final payment made by CITY, (2) the expiration of this Contract or (3) termination of this Contract. The records will be subject to examination and audit by authorized CITY personnel or CITY’S representatives at any time. CONTRACTOR shall provide any reports requested by CITY regarding
performance of this Contract. Any subcontract entered into by CONTRACTOR for work to be performed under this Contract must include an identical provision.

In lieu of retaining the records for the term as prescribed in this provision, CONTRACTOR may, upon CITY’S written approval, submit the required information to CITY in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract.

PSC-17. Bonds

All bonds required by CITY shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code (“LAAC”) Sections 11.47 et seq., as amended from to time.

PSC-18. Indemnification

Except for the active negligence or willful misconduct of CITY, or any of its boards, officers, agents, employees, assigns and successors in interest, CONTRACTOR shall defend, indemnify and hold harmless CITY and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney’s fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by CITY, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including CONTRACTOR’S employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of an act, error, or omission by CONTRACTOR, Subcontractors, or their boards, officers, agents, employees, assigns, and successors in interest. The rights and remedies of CITY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-19. Intellectual Property Indemnification

CONTRACTOR, at its own expense, shall defend, indemnify, and hold harmless the CITY, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney’s fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by CITY, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by CONTRACTOR, or its Subcontractors, in performing the work under this Contract; or (2) as a result of CITY’S actual or intended use of any Work Product (as defined in PSC-21) furnished by CONTRACTOR, or its Subcontractors, under this Contract. The rights and remedies of CITY provided in this section shall not be exclusive.
and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-20. Intellectual Property Warranty

CONTRACTOR represents and warrants that its performance of all obligations under this Contract does not infringe in any way, directly or contributorily, upon any third party’s intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity and proprietary information.

PSC-21. Ownership and License

Unless otherwise provided for herein, all finished and unfinished works, tangible or not, created under this Contract including, without limitation, documents, materials, data, reports, manuals, specifications, artwork, drawings, sketches, blueprints, studies, memoranda, computation sheets, computer programs and databases, schematics, photographs, video and audiovisual recordings, sound recordings, marks, logos, graphic designs, notes, websites, domain names, inventions, processes, formulas, matters and combinations thereof, and all forms of intellectual property originated and prepared by CONTRACTOR or its Subcontractors under this Contract (each a “Work Product”; collectively “Work Products”) shall be and remain the exclusive property of CITY for its use in any manner CITY deems appropriate. CONTRACTOR hereby assigns to CITY all goodwill, copyright, trademark, patent, trade secret and all other intellectual property rights worldwide in any Work Products originated and prepared under this Contract. CONTRACTOR further agrees to execute any documents necessary for CITY to perfect, memorialize, or record CITY’S ownership of rights provided herein.

CONTRACTOR agrees that a monetary remedy for breach of this Contract may be inadequate, impracticable, or difficult to prove and that a breach may cause CITY irreparable harm. CITY may therefore enforce this requirement by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude CITY from seeking or obtaining any other relief to which CITY may be entitled.

For all Work Products delivered to CITY that are not originated or prepared by CONTRACTOR or its Subcontractors under this Contract, CONTRACTOR shall secure a grant, at no cost to CITY, for a non-exclusive perpetual license to use such Work Products for any CITY purposes.

CONTRACTOR shall not provide or disclose any Work Product to any third party without prior written consent of CITY.

Any subcontract entered into by CONTRACTOR relating to this Contract shall include this provision to contractually bind its Subcontractors performing work under this Contract such that CITY’S ownership and license rights of all Work Products are preserved and protected as intended herein.
PSC-22. Data Protection

A. CONTRACTOR shall protect, using the most secure means and technology that is commercially available, CITY-provided data or consumer-provided data acquired in the course and scope of this Contract, including but not limited to customer lists and customer credit card or consumer data, (collectively, the “City Data”). CONTRACTOR shall notify CITY in writing as soon as reasonably feasible, and in any event within twenty-four hours, of CONTRACTOR’S discovery or reasonable belief of any unauthorized access of City Data (a “Data Breach”), or of any incident affecting, or potentially affecting City Data related to cyber security (a “Security Incident”), including, but not limited to, denial of service attack, and system outage, instability or degradation due to computer malware or virus. CONTRACTOR shall begin remediation immediately. CONTRACTOR shall provide daily updates, or more frequently if required by CITY, regarding findings and actions performed by CONTRACTOR until the Data Breach or Security Incident has been effectively resolved to CITY’S satisfaction. CONTRACTOR shall conduct an investigation of the Data Breach or Security Incident and shall share the report of the investigation with CITY. At CITY’S sole discretion, CITY and its authorized agents shall have the right to lead or participate in the investigation. CONTRACTOR shall cooperate fully with CITY, its agents and law enforcement.

B. If CITY is subject to liability for any Data Breach or Security Incident, then CONTRACTOR shall fully indemnify and hold harmless CITY and defend against any resulting actions.

PSC-23. Insurance

During the term of this Contract and without limiting CONTRACTOR’S obligation to indemnify, hold harmless and defend CITY, CONTRACTOR shall provide and maintain at its own expense a program of insurance having the coverages and limits not less than the required amounts and types as determined by the Office of the City Administrative Officer of Los Angeles, Risk Management (template Form General 146 in Exhibit 1 hereto). The insurance must: (1) conform to CITY’S requirements; (2) comply with the Insurance Contractual Requirements (Form General 133 in Exhibit 1 hereto); and (3) otherwise be in a form acceptable to the Office of the City Administrative Officer, Risk Management. CONTRACTOR shall comply with all Insurance Contractual Requirements shown on Exhibit 1 hereto. Exhibit 1 is hereby incorporated by reference and made a part of this Contract.

Throughout the term of this Contract, CONTRACTOR, shall offer CITY the best terms, prices, and discounts that are offered to any of CONTRACTOR’S customers for similar goods and services provided under this Contract.
PSC-25. Warranty and Responsibility of Contractor

CONTRACTOR warrants that the work performed hereunder shall be completed in a manner consistent with professional standards practiced among those firms within CONTRACTOR’S profession, doing the same or similar work under the same or similar circumstances.

PSC-26. Mandatory Provisions Pertaining to Non-Discrimination in Employment

Unless otherwise exempt, this Contract is subject to the applicable non-discrimination, equal benefits, equal employment practices, and affirmative action program provisions in LAAC Section 10.8 et seq., as amended from time to time.

A. CONTRACTOR shall comply with the applicable non-discrimination and affirmative action provisions of the laws of the United States of America, the State of California, and CITY. In performing this Contract, CONTRACTOR shall not discriminate in any of its hiring or employment practices against any employee or applicant for employment because of such person’s race, color, religion, national origin, ancestry, sex, sexual orientation, gender, gender identity, age, disability, domestic partner status, marital status or medical condition.

B. The requirements of Section 10.8.2.1 of the LAAC, the Equal Benefits Ordinance, and the provisions of Section 10.8.2.1(f) are incorporated and made a part of this Contract by reference.

C. The provisions of Section 10.8.3 of the LAAC are incorporated and made a part of this Contract by reference and will be known as the “Equal Employment Practices” provisions of this Contract.

D. The provisions of Section 10.8.4 of the LAAC are incorporated and made a part of this Contract by reference and will be known as the “Affirmative Action Program” provisions of this Contract.

Any subcontract entered into by CONTRACTOR for work to be performed under this Contract must include an identical provision.

PSC-27. Child Support Assignment Orders

CONTRACTOR shall comply with the Child Support Assignment Orders Ordinance, Section 10.10 of the LAAC, as amended from time to time. Pursuant to Section 10.10(b) of the LAAC, CONTRACTOR shall fully comply with all applicable State and Federal employment reporting requirements. Failure of CONTRACTOR to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment or Notices of Assignment, or the failure of any principal owner(s) of CONTRACTOR to comply with any Wage and Earnings Assignment or Notices of Assignment applicable to them personally, shall constitute a default by the CONTRACTOR under this Contract. Failure of CONTRACTOR or principal owner to cure
the default within 90 days of the notice of default will subject this Contract to termination for breach. Any subcontract entered into by CONTRACTOR for work to be performed under this Contract must include an identical provision.

PSC-28. Living Wage Ordinance

CONTRACTOR shall comply with the Living Wage Ordinance, LAAC Section 10.37 et seq., as amended from time to time. CONTRACTOR further agrees that it shall comply with federal law proscribing retaliation for union organizing. Any subcontract entered into by CONTRACTOR for work to be performed under this Contract must include an identical provision.

PSC-29. Service Contractor Worker Retention Ordinance

CONTRACTOR shall comply with the Service Contractor Worker Retention Ordinance, LAAC Section 10.36 et seq., as amended from time to time. Any subcontract entered into by CONTRACTOR for work to be performed under this Contract must include an identical provision.

PSC-30. Access and Accommodations

CONTRACTOR represents and certifies that:

B. CONTRACTOR shall not discriminate on the basis of disability or on the basis of a person’s relationship to, or association with, a person who has a disability;

D. Construction will be performed in accordance with the Uniform Federal Accessibility Standards (UFAS), 24 C.F.R. Part 40; and

CONTRACTOR shall utilize the Business Assistance Virtual Network (“BAVN”) at https://www.labavn.org/, to perform and document outreach to Minority, Women, and Other Business Enterprises. CONTRACTOR shall perform subcontractor outreach activities through BAVN. CONTRACTOR shall not change any of its designated Subcontractors or pledged specific items of work to be performed by these Subcontractors, nor shall CONTRACTOR reduce their level of effort, without prior written approval of CITY.

In accordance with California Public Contract Code Sections 2200-2208, all contractors entering into, or renewing contracts with CITY for goods and services estimated at $1,000,000 or more are required to complete, sign, and submit the "Iran Contracting Act of 2010 Compliance Affidavit."

PSC-37. Restrictions on Campaign Contributions and Fundraising in City Elections

Unless otherwise exempt, if this Contract is valued at $100,000 or more and requires approval by an elected CITY office, CONTRACTOR, CONTRACTOR’S principals, and CONTRACTOR’S Subcontractors expected to receive at least $100,000 for performance under the Contract, and the principals of those Subcontractors (the “Restricted Persons”)
shall comply with Charter Section 470(c)(12) and LAMC Section 49.7.35. Failure to comply entitles CITY to terminate this Contract and to pursue all available legal remedies. Charter Section 470(c)(12) and LAMC Section 49.7.35 limit the ability of the Restricted Persons to make campaign contributions to and engage in fundraising for certain elected CITY officials or candidates for elected CITY office for twelve months after this Contract is signed. Additionally, a CONTRACTOR subject to Charter Section 470(c)(12) is required to comply with disclosure requirements by submitting a completed and signed Ethics Commission Form 55 and to amend the information in that form as specified by law. Any CONTRACTOR subject to Charter Section 470(c)(12) shall include the following notice in any contract with any Subcontractor expected to receive at least $100,000 for performance under this Contract:

"Notice Regarding Restrictions on Campaign Contributions and Fundraising in City Elections

Pursuant to the City of Los Angeles Charter Section 470(c)(12) and related ordinances, you and your principals are prohibited from making campaign contributions to and fundraising for certain elected City of Los Angeles ("CITY") officials and candidates for elected CITY office for twelve months after the CITY contract is signed. You are required to provide the names and contact information of your principals to the CONTRACTOR and to amend that information within ten business days if it changes during the twelve month time period. Failure to comply may result in termination of this Contract and any other available legal remedies. Information about the restrictions may be found online at ethics.lacity.org or by calling the Los Angeles City Ethics Commission at (213) 978-1960."

PSC-38. Contractors’ Use of Criminal History for Consideration of Employment Applications

CONTRACTOR shall comply with the City Contractors’ Use of Criminal History for Consideration of Employment Applications Ordinance, LAAC Section 10.48 et seq., as amended from time to time. Any subcontract entered into by CONTRACTOR for work to be performed under this Contract must include an identical provision.

PSC-39. Limitation of City’s Obligation to Make Payment to Contractor

Notwithstanding any other provision of this Contract, including any exhibits or attachments incorporated therein, and in order for CITY to comply with its governing legal requirements, CITY shall have no obligation to make any payments to CONTRACTOR unless CITY shall have first made an appropriation of funds equal to or in excess of its obligation to make any payments as provided in this Contract. CONTRACTOR agrees that any services provided by CONTRACTOR, purchases made by CONTRACTOR or expenses incurred by CONTRACTOR in excess of the appropriation(s) shall be free and without charge to CITY and CITY shall have no obligation to pay for the services, purchases or expenses. CONTRACTOR shall have no obligation to provide any services,
provide any equipment or incur any expenses in excess of the appropriated amount(s) until CITY appropriates additional funds for this Contract.

During the performance of any service to install, program or update payment devices equipped to conduct credit or debit card transactions, including PCI DSS services, **CONTRACTOR** shall verify proper truncation of receipts in compliance with FACTA.

**PSC-41. Compliance with California Public Resources Code Section 5164**

California Public Resources Code Section 5164 prohibits a public agency from hiring a person for employment or as a volunteer to perform services at any park, playground, or community center used for recreational purposes in a position that has supervisory or disciplinary authority over any minor, if the person has been convicted of certain crimes as referenced in the Penal Code, and articulated in California Public Resources Code Section 5164(a)(2).

If applicable, **CONTRACTOR** shall comply with California Public Resources Code Section 5164, and shall additionally adhere to all rules and regulations that have been adopted or that may be adopted by CITY. **CONTRACTOR** is required to have all employees, volunteers and Subcontractors (including all employees and volunteers of any Subcontractor) of **CONTRACTOR** working on premises to pass a fingerprint and background check through the California Department of Justice at **CONTRACTOR’S** sole expense, indicating that such individuals have never been convicted of certain crimes as referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2), if the individual will have supervisory or disciplinary authority over any minor.

**PSC-42. Possessory Interests Tax**

Rights granted to **CONTRACTOR** by CITY may create a possessory interest. **CONTRACTOR** agrees that any possessory interest created may be subject to California Revenue and Taxation Code Section 107.6 and a property tax may be levied on that possessory interest. If applicable, **CONTRACTOR** shall pay the property tax. **CONTRACTOR** acknowledges that the notice required under California Revenue and Taxation Code Section 107.6 has been provided.

INSTRUCTIONS AND INFORMATION ON COMPLYING WITH CITY INSURANCE REQUIREMENTS

(Share this information with your insurance agent or broker)

1. Agreement/Reference  All evidence of insurance should identify the nature of your business with the CITY. Clearly show any assigned number of a bid, contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your submission will be properly credited. Provide the types of coverage and minimum dollar amounts specified on the Required Insurance and Minimum Limits sheet (Form Gen. 146) as determined in writing by the CAO-RM.

2. When to submit  Normally, no work may begin until a CITY insurance certificate approval number (“CA number”) has been obtained, so insurance documents should be submitted as early as practicable. For As-needed Contracts, insurance need not be submitted until a specific job has been awarded. Design Professionals coverage for new construction work may be submitted simultaneously with final plans and drawings, but before construction commences.

Submitting your documents. Track4LA® is the CITY’S online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used by insurance brokers and agents as they submit client insurance certificates directly to the CITY. It uses the standard insurance industry form known as the ACORD 25 Certificate of Liability Insurance in electronic format. Track4LA® advantages include standardized, universally accepted forms, paperless approval transactions (24 hours, 7 days per week), and security checks and balances. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access Track4LA® at http://track4la.lacity.org and follow the instructions to register and submit the appropriate proof of insurance on your behalf.

Insurance industry certificates other than the ACORD 25 may be accepted, however submissions other than through Track4LA® will significantly delay the insurance approval process as documents will have to be manually processed. CONTRACTOR must provide CITY a thirty day notice of cancellation (ten days for non-payment of premium) AND an Additional Insured Endorsement naming the CITY an additional insured completed by your insurance company or its designee. If the policy includes an automatic or blanket additional insured endorsement, the Certificate must state the CITY is an automatic or blanket additional insured. An endorsement naming the CITY an Additional Named Insured and Loss Payee as Its Interests May Appear is required on property policies. All evidence of insurance must be authorized by a person with authority to bind coverage, whether that is the authorized agent/broker or insurance underwriter. Completed Insurance Industry Certificates other than ACORD 25 Certificates are sent electronically to CAO.insurance.bonds@lacity.org.

Additional Insured Endorsements DO NOT apply to the following:

- Indication of compliance with statute, such as Workers’ Compensation Law.
- Professional Liability insurance.

Verification of approved insurance and bonds may be obtained by checking Track4LA®, the CITY’S online insurance compliance system, at http://track4la.lacity.org.

4. Renewal  When an existing policy is renewed, have your insurance broker or agent submit a new Acord 25 Certificate or edit the existing Acord 25 Certificate through Track4LA® at http://track4la.lacity.org.

5. Alternative Programs/Self-Insurance  Risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and self-insurance programs are subject to separate approval after the CITY has reviewed the relevant audited financial statements. To initiate a review of your program, you should complete the Applicant’s Declaration of Self Insurance form (http://cao.lacity.org/risk/InsuranceForms.htm) to the CAO-RM for consideration.
6. **General Liability** insurance covering your operations (and products, where applicable) is required whenever the CITY is at risk of third-party claims which may arise out of your work or your presence or special event on City premises. **Sexual Misconduct** coverage is a required coverage when the work performed involves minors. **Fire Legal Liability** is required for persons occupying a portion of CITY premises. Information on two CITY insurance programs, the SPARTA program, an optional source of low-cost insurance which meets the most minimum requirements, and the Special Events Liability Insurance Program, which provides liability coverage for short-term special events on CITY premises or streets, is available at [www.2sparta.com](http://www.2sparta.com), or by calling (800) 420-0555.

7. **Automobile Liability** insurance is required only when vehicles are used in performing the work of your Contract or when they are driven off-road on CITY premises; it is not required for simple commuting unless CITY is paying mileage. However, compliance with California law requiring auto liability insurance is a contractual requirement.

8. **Errors and Omissions** coverage will be specified on a project-by-project basis if you are working as a licensed or other professional. The length of the claims discovery period required will vary with the circumstances of the individual job.

9. **Workers’ Compensation and Employer’s Liability** insurance are not required for single-person contractors. However, under state law these coverages (or a copy of the state’s Consent To Self Insure) must be provided if you have any employees at any time during the period of this contract. Contractors with no employees must complete a Request for Waiver of Workers’ Compensation Insurance Requirement ([http://cao.lacity.org/risk/InsuranceForms.htm](http://cao.lacity.org/risk/InsuranceForms.htm)). **A Waiver of Subrogation** on the coverage is required only for jobs where your employees are working on CITY premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals, toxic materials, power tools, etc. The Waiver of Subrogation waives the insurer’s right to recover (from the CITY) any workers’ compensation paid to an injured employee of the contractor.

10. **Property** insurance is required for persons having exclusive use of premises or equipment owned or controlled by the CITY. **Builder’s Risk/Course of Construction** is required during construction projects and should include building materials in transit and stored at the project site.

11. **Surety** coverage may be required to guarantee performance of work and payment to vendors and suppliers. **A Crime Policy** may be required to handle CITY funds or securities, and under certain other conditions. **Specialty coverages** may be needed for certain operations. For assistance in obtaining the CITY required bid, performance and payment surety bonds, please see the City of Los Angeles Bond Assistance Program website address at [http://cao.lacity.org/risk/BondAssistanceProgram.pdf](http://cao.lacity.org/risk/BondAssistanceProgram.pdf) or call (213) 258-3000 for more information.

12. **Cyber Liability & Privacy** coverage may be required to cover technology services or products for both liability and property losses that may result when a CITY contractor engages in various electronic activities, such as selling on the Internet or collecting data within its internal electronic network. **CONTRACTOR’S** policies shall cover liability for a data breach in which the CITY employees’ and/or CITY customers’ confidential or personal information, such as but not limited to, Social Security or credit card information are exposed or stolen by a hacker or other criminal who has gained access to the CITY’S or CONTRACTOR’S electronic network. The policies shall cover a variety of expenses associated with data breaches, including: notification costs, credit monitoring, costs to defend claims by state regulators, fines and penalties, and loss resulting from identity theft. The policies are required to cover liability arising from website media content, as well as property exposures from: (a) business interruption, (b) data loss/destruction, (c) computer fraud, (d) funds transfer loss, and (e) cyber extortion.
