Bar and Beverage Services Concession – RFP (ARS M10-175)
REQUEST FOR PROPOSALS
FOR THE
BAR AND BEVERAGE SERVICES CONCESSION

I. INTRODUCTION

The Department of Recreation and Parks (Department) is pleased to offer an exciting opportunity for well-qualified business entities to provide and operate bar and beverage services (alcoholic and non-alcoholic) at seven (7) banquet hall rental facilities (Exhibit A). The Department may add facilities to be served or remove facilities during the term of the concession agreement, depending on the needs of the public and of the Department.

The proposing individual or company shall demonstrate the ability to perform in this type of business, clearly articulate achievable plans for operation, and document compliance with appropriate laws and regulations.

The selected concessionaire(s) shall demonstrate the ability to implement a bar and beverage concession program that will meet or exceed the objectives of the City of Los Angeles, Department of Recreation and Parks, as well as incorporate innovative ideas that are appropriate for this concession.

The Department’s goals are to (1) provide the public with the best and most satisfactory service from the concessions, and (2) ensure that the City receives adequate and appropriate compensation from private businesses allowed to operate on park property.

II. OBJECTIVE

The objective of this Request for Proposals (“RFP”) is to award five-year Concession Agreements (hereinafter “Agreement”), with two (2) five (5) year renewal options, exercisable at the sole discretion of the General Manager of Department of Recreation and Parks (General Manager), to up to five (5) concessionaires who will accomplish the following:

- Offer a bar and beverage service to the public which will enhance the event experience;
- Offer and provide a full range of bar and beverage services at various cost options;
- Assist and coordinate planning activities to ensure all events are executed to the satisfaction of the customer;
- Provide high quality, friendly, and professional services at reasonable prices;
- Provide all necessary furnishings and equipment in order to create an attractive and inviting concession;
- Display awareness of the demographics and special needs of the community this concession serves;
- Reach out to the community to increase the current usage of the concession through the use of marketing and advertising;
- Conduct and manage the events accordingly so that clients are satisfied and are provided a memorable experience; and
- Work in unison with the Department of Recreation and Parks during the normal course of business and as unforeseeable problems arise.
The selected concessionaire will be placed on a pre-approved Departmental list of bar and beverage service providers. Concessionaires may be used for multiple projects or for none at all. Patrons that schedule events at the locations listed below and who desire to use a bar and beverage service will select the concessionaire from the pre-approved list which best meets the needs of the event. The Department, in entering into an Agreement with the selected proposer, guarantees no minimum amount of business or compensation. The concession agreement awarded through this RFP process shall be subject to early termination by the Department, in accordance with Section 19 of the Sample Concession Agreement (Exhibit C).

III. DESCRIPTION OF CONCESSION

The Bar and Beverage Services Concession Agreement will require the Concessionaire(s) to provide alcoholic and non-alcoholic beverage services to patrons renting the following facilities: Friendship Auditorium, Grace E. Simons Lodge, Ramona Hall, Orcutt Ranch, Cabrillo Beach Bath House, Griffith Park Visitor Center Auditorium, and Wattles Mansion (Exhibit A). The Department reserves the right to include additional facilities to be served, or to remove facilities during the term of this concession agreement depending on the needs of the public and of the Department.

Numerous events are held in these facilities, such as: weddings, receptions, birthdays, corporate gatherings, business trainings and meetings, and other private parties and events.

The current concessionaire is required to pay 20% of gross receipts produced from bar and beverage (alcoholic and non-alcoholic) sales. In 2008, the operator serviced a total of 438 events, generated $140,515 in gross receipts and paid $28,103 in rent to the Department. The Department guides, regulates, and determines the services offered and the desired performance level. Each concessionaire will be responsible for the management and operation of the bar and beverage concession. These responsibilities include meeting with patrons to schedule events; providing price quotes to patrons prior to events; providing clean up, disposal, and removal of items after events; and collecting and accounting for fees from patrons. The operators must also comply with the provisions of the State of California, Department of Alcoholic Beverage Control.

IV. INSTRUCTIONS TO PROPOSERS

A. Submitting a Written Proposal
To be considered for award of this concession agreement, proposers must submit a sealed, written proposal as indicated herein. Proposals provide information about background, current business practices, applicable experience, and plans for this concession. Proposals are evaluated based on several evaluation criteria as indicated in this RFP. Proposers may wish to consider the following guidelines in preparing their proposals:

- Make sure your proposal is well-organized and easy to read.
- Verify that your proposal is complete and that you’ve completely responded to all proposal items and compliance documents in the RFP.
- Formulate your responses precisely and with detail; avoid vague, meaningless, or open-ended responses.
- Make sure your proposal demonstrates that your financial projections and cost estimates are realistic and sustainable.
- Clearly describe what your management team will bring to the concession.
- If there are significant risks in your business strategy, include plans to mitigate those risks, addressing any contingencies that may arise.

IMPORTANT:

Charter Section 371(e)(10)
In approving this RFP, the Board, in its capacity as the contract awarding authority for the Department, finds, pursuant to Charter Section 371 (e) (10), that the use of competitive bidding would be undesirable, impractical or otherwise excused by the common law and the Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by the Department for the improvement, operation and maintenance of the Department's concession. To select the best proposer for this concession, the Board finds it is necessary to utilize a standard request for proposals process and to evaluate proposals received based upon the criteria included in this RFP. The Board specifically finds that the narrower and more specialized competitive sealed proposal process authorized but not required by Charter Section 371, subsection (b), would not meet the Department's needs and therefore opts to utilize the standard request for proposals process.

Your written submittal in this RFP process will be the primary basis on which the City will consider its award for the Agreement; therefore, proposers should be as thorough and as detailed as possible when responding to each proposal item and assembling a proposal. In the written proposal, proposers must include responses to ALL proposal items requested herein below. Proposers will not be able to add to or modify their proposals after the proposal due date.
The City may deem a proposer non-responsive if the proposer fails to provide all required documentation and copies. Proposals accepted by the City in writing constitute a legally binding contract offer. It is requested that proposals be prepared simply and economically, avoiding the use of unnecessary promotional material.

B. Submitted Proposals - Proposals must contain ALL of the following:

1. Cover Letter
   Proposers are to include a signed cover letter indicating the contact information for the entity proposing. Include at a minimum:
   
   a. Key names, including title and position;
   b. Complete mailing addresses;
   c. Telephone and fax numbers (including office and cell numbers as appropriate);
   d. E-mail addresses, and any other information needed by City staff to contact proposers;
   e. A statement that the proposing entity confirms its acknowledgement and acceptance of the terms and conditions set forth herein, without exceptions; and
   f. The cover letter must be signed by an individual authorized to bind the proposer.

2. Proposal Deposit
   All proposals must include a Two Thousand Dollar ($2,000.00) Proposal Deposit in the form of a cashier’s check only, payable to the City of Los Angeles. This amount shall be payable as a guarantee that the selected proposer will enter into an Agreement for the concession.

   The Proposal Deposit of the successful proposer(s) will be released upon receipt of the required Performance Deposit, evidence of insurance, and execution of the Agreement. In the event that an award is made and the successful proposer fails to execute the Agreement and to provide the required Performance Deposit and insurance policies, the Proposal Deposit of that proposer will be forfeited and retained by the Department.

   The Proposal Deposits of unsuccessful proposer(s) will be returned upon execution of an Agreement with the proposer awarded the concession. Proposal Deposits are maintained for all proposers in the event the successful proposer fails to execute the Agreement and another proposer is considered for award. Please note that award and execution of contract could take up to twelve months to complete.

Additional information regarding some compliance documents may be available at the Pre-Proposal Conference, on a City website, and/or by phone with the administering Department of a given ordinance or compliance document. Exemptions from certain ordinances may also apply. The Department reserves the right to request additional information and/or clarification regarding submitted compliance documents during the evaluation process.

The outreach must attempt to provide a portion of the concession operation to MBE/WBE/OBE subcontractors.

Failure to meet anticipated MBE/WBE/OBE participation levels will not by itself be the basis for disqualification or determination of noncompliance with this policy. However, failure to include supporting documentation of a good faith effort and failure to achieve a minimum of 75 out of 100 Good Faith Effort evaluation points will render the bid non-responsive and will result in its rejection.

The following are areas that have been identified as possible subcontracting opportunities (Note: Proposers may include other outreach areas not listed in the following):
