SECTION D

CONTRACTOR RESPONSIBILITY ORDINANCE STATEMENT

The Contractor Responsibility Ordinance (CRO) requires a determination, via the CRO questionnaire, that prospective Contractors are responsible and capable of fully performing the work before a contract is awarded by the City of Los Angeles. Additional information may be found at the following website: bca.lacity.org

INSTRUCTIONS:

- a. The questionnaire must be completed, appropriately signed, and submitted with the proposal (Pages 1 through 9).

CITY OF LOS ANGELES
CONTRACTOR RESPONSIBILITY ORDINANCE
(Los Angeles Administrative Code Section 10.40 et seq.)

1. What is the Contractor Responsibility Ordinance?

The Contractor Responsibility Ordinance (CRO) requires that each department make a determination as to whether prospective contractors are responsible and capable of fully performing the work before being awarded a City contract. The Ordinance also requires prospective contractors to complete a Responsibility Questionnaire that will be posted on the internet for 14 calendar days for public review.

2. When was the Ordinance adopted?

The City Council adopted the CRO on November 21, 2000. Regulations implementing the Ordinance were adopted on June 19, 2001.

3. Who is responsible for the administration and enforcement of the Ordinance?

Three departments were named as administrative agencies responsible for the administration of the CRO. Each Designated Administrative Agency (DAA) administers the Ordinance for a specific type of agreement. The three DAA's, the type of agreement each DAA is responsible for, and contact information for each DAA is provided in the table below.

Administrative Agency	Agreement Type	Contact Information
Public Works, BCA	Service	Russ Strazella (213) 580-5012
Public Works, BCA	Construction	Russ Struzella (213) 580-5012
General Services	Procurement	Raymond Richards (213) 485-4591

4. Are all service, procurement, and construction agreements subject to the CRO?

Generally, an agreement, including one processed as an Authorization for Expenditure (AFE) with a Letter of Agreement, is covered by the CRO if it meets one of the definitions below.

Service agreements: Agreements covered under the general category of a "service agreement" include:

- An agreement for \$25,000.00 or more and for at least three months in which a contractor will provide services to or for the City.
- An agreement for a lease or license of City property if the service to be performed on the property is something that City employees could perform.
- An agreement for the lease or license of City property that is in a location where a substantial number of the general public might visit.
- An agreement for the grant of City financial assistance for \$100,000 or more if the agreement is for the purpose of economic development or job growth. City financial

assistance may also include loans if certain conditions are met. (Refer to Sec. 10.40.0(b) of the CRO.)

Purchase agreements: Purchase agreements are covered if they are for \$100,000 or more. Agreements to purchase garments are covered if they are for \$25,000 or more.

Construction agreements: All construction agreements are covered, regardless of amount or term.

5. When did the Ordinance become applicable?

The Ordinance is being applied to Invitations for Bids (IFB) (including Requests for Proposals, Requests for Qualifications, “sole-sourced” contracts, and any other procurement process) released to the public **on or after September 4, 2001**. An agreement entered into as a result of an IFB released prior to that date is not subject to the CRO unless it is amended after September 4, 2001, and the amended agreement meets the definitions stated in the answer to Question #4 above.

6. If an IFB is subject to the CRO, what must a department do?

The department must inform prospective bidders/proposers that the CRO is applicable to the IFB. The department must also include the appropriate Responsibility Questionnaire for bidders/proposers to fill out. Depending on the type of contract to be awarded, one of three Questionnaires may be included in the IFB: Service; Procurement; and Construction.

7. What is a Responsibility Questionnaire?

The Responsibility Questionnaire asks for information about the bidder/proposer: business organization or structure; financial resources and responsibility; performance history; prior disputes; and history in complying with laws. Before a department awards a contract, the department will consider information contained in the Questionnaire as part of the review of a bidder/proposer’s responsibility, as well as any information contained in the Office of Contract Compliance’s Contractor Evaluation database [<http://caodocs.ci.la.ca.us/ContEval/>] regarding the proposer’s prior performance on City contracts.

8. What must a bidder/proposer do when responding to an IFB?

If the IFB is subject to the CRO, the bidder/proposer must complete the Responsibility Questionnaire and return it to the City department with the bid/proposal. If a bidder/proposer does not submit a completed Questionnaire with the bid/proposal, the City department may consider the bidder/proposer to be non-responsive to the IFB and may disqualify the bidder/proposer from the rest of the IFB process.

9. Is a separate Questionnaire required for each IFB?

Unless the IFB is exempt, a separate Questionnaire must be submitted for each IFB to which a bidder/proposer responds.

10. What will the City do with the Questionnaire?

The department responsible for awarding the agreement will review the information contained in the submitted questionnaires, and if necessary, follow up with the bidder/proposer to clarify any information contained in the Questionnaire. The awarding authority will send the completed Questionnaires to the appropriate DAA. The DAA will post the Questionnaires on the City's Bidder/Contractor Responsibility website: www.lacity.org/bidresp. This posting also applies to "sole-sourced" contracts, so the completed Questionnaire from a proposed "sole-sourced" contractor must be forwarded to the appropriate DAA for posting.

11. How long will the Questionnaires be posted?

The Questionnaires will be posted on the internet for 14 calendar days. Unless an exemption applies, a department cannot award an agreement until the posting requirement has been met.

12. What happens during the 14 calendar-day posting period?

The general public will be able to review the Questionnaires posted. If, during the 14 calendar-day posting period, the DAA receives information that calls into question a bidder/proposer's responsibility, the DAA will investigate the matter. In that case, no agreement may be awarded until the DAA finishes its investigation. Information obtained during the investigation will be provided to the department to consider in its determination of a bidder/proposer's responsibility.

13. How does a department know that the posting requirement has been met?

The awarding department should complete the top portion of the Posting Verification Form and forward it to the DAA along with the Questionnaires. The DAA will complete the bottom portion of the Posting Verification Form and return it to the department when the posting requirement has been met.

14. Are contract amendments subject to the CRO?

If an agreement is amended after September 4, 2001, and the amended agreement meets the definitions stated in the answer to Question #4 above, it is subject to the CRO. Contractors do not have to submit a Questionnaire; however, the CRO Contract Language must be incorporated into the amended agreement.

15. After the agreement is awarded, or the agreement is amended, what does the CRO require the contractor to do?

The CRO requires a contractor to:

- Comply with all federal, state, and local laws in the performance of the contract, including but not limited to laws regarding health and safety, labor and employment, wage and hours, and licensing laws, which affect employees.

- Notify the awarding authority within 30 calendar days after receiving notice that any governmental agency has started an investigation into violations of, or has found that the contractor has violated, any federal, state, or local law in the performance of the contract..
- When applicable, provide the awarding authority, within 30 calendar days, updated responses to the Questionnaire if a change occurs that would affect the contractor's responsibility and ability to continue the agreement.
- Ensure that subcontractors working on the City agreement comply with all federal, state, and local laws in the performance of the agreement.
- Ensure that subcontractors working on the City agreement submit a Pledge of Compliance to comply with the CRO.

16. What happens if a contractor is found to be in violation of the Ordinance?

The DAA will notify the contractor that a violation has been found and give the contractor 10 calendar days to correct the violation. If the contractor fails to do so, the City may terminate the agreement and pursue all available contractual remedies. The City may also hold a non-responsibility hearing and debar the contractor from doing business with the City for five (5) years.

17. What about subcontractors?

Subcontractors are subject to the CRO, and the contractor must ensure that each of its subcontractors complies with the CRO. Subcontractors do not need to complete a Questionnaire, but they must submit to the awarding department a Pledge of Compliance with the Ordinance before they can start work on a City agreement.

18. What if a subcontractor is found to be in violation of the Ordinance?

Because the prime contractor is responsible for ensuring that all its subcontractors comply with the CRO, the sanctions listed in the answer to Question #16 may be applied to the prime contractor if the subcontractor does not correct the violation(s).

19. Are there any exemptions under the Ordinance?

Generally, two categories of exemptions exist under the CRO:

(1) Agreements exempt from all the CRO requirements:

- Contracts with a governmental entity such as the United States of America, the State of California, a county, city or public agency of such entities, or a public or quasi-public corporation located therein and declared by law to have such status.
- Contracts for the investment of trust moneys or agreements relating to the management of trust assets.
- Banking contracts entered into by the Treasurer pursuant to California Government Code Section 53630 et seq.

(2) Agreements that are only exempt from the requirement that a bidder/proposer submit a Questionnaire. The contractor must still comply with all other CRO provisions.

- Agreements awarded on the basis of emergency circumstances when the awarding authority finds that the City would suffer a financial loss or that City operations would be adversely impacted. This exemption is subject to approval by the DAA.
- Agreements for goods or services that are proprietary or available from only one source. This exemption is subject to approval by the DAA.
- Agreements awarded under the authority of Charter Sections 371(e)(5), (6), (7) or (8). The awarding authority must certify in writing that the contract is entered into in compliance with the requirements of those Charter sections.

20. Where can I obtain a copy of the Contractor Responsibility Ordinance and the Rules and Regulations?

All CRO-related information and documents can be found on the CRO website: <https://bca.lacity.org/Ordinances>.

**CITY OF LOS ANGELES
LIVING WAGE ORDINANCE
(Los Angeles Administrative Code Section 10.37 et seq.)**

1. What is the Living Wage Ordinance?

The Living Wage Ordinance (LWO) requires employers who have agreements with the City to pay their employees at least a minimum “living wage” and to provide certain benefits. If the agreement is subject to the LWO, the employer must do the following:

- Pay employees working on the subject agreement a wage rate that is at least equal to the “living wage” rate. The “living wage” is adjusted annually and becomes effective July 1 of each year. Employers can obtain information about the living wage rate currently in effect by going to Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance (OCC) website at: <https://bca.lacity.org/contracting>.
- Provide employees with at least 12 paid days off per year for sick leave, vacation, or personal necessity; and at least 10 unpaid sick days off per year.
- Tell employees who make less than \$12.00 per hour that they may qualify for the federal Earned Income Tax Credit and provide them with the forms required to apply for the credit.
- Cooperate with the City by providing access to the work site and to payroll and related documents so that the City can determine if the employer is complying with the LWO.
- Pledge to comply with federal laws prohibiting an employer from retaliating against employees for union organizing.
- Not retaliate against any employee who makes claims about non-compliance with the LWO.

2. When was the Ordinance adopted?

The LWO was adopted in May, 1997 and amended in January, 1999.

3. What types of agreements are subject to the Ordinance?

Generally, the LWO covers the following types of agreements:

- An agreement in an amount over \$25,000.00 and for at least three months in which an employer will provide services to or for the City.
- An agreement for the lease or license of City property if the service being performed on the property is something that City employees would otherwise do.
- An agreement for the lease or license of City property that is in a location where a substantial number of the general public might visit.
- An agreement in which the City gives financial assistance for the purpose of promoting economic development or job growth.
- An agreement in which the City determines that applying the LWO would be in the best interest of the City.

4. Is an agreement subject to the LWO if it was entered into before May, 1997?

Agreements executed after May, 1997 are subject to the LWO. An agreement entered into before May, 1997 may become subject to LWO if it is later amended or modified in order to add time or money to the original agreement.

5. Are there any requirements that would apply to an employer who does not have an agreement with City that is subject to the LWO?

All employers are required to comply with the LWO's prohibition against retaliation, even if the employer does not have an agreement with the City that is subject to the Ordinance.

6. Are all employees covered by the Ordinance?

Intentionally left blank 8/18/06

7. Are an employer's subcontractors subject to the requirements of the Ordinance?

A subcontractor may be covered by the Ordinance if the subcontractor performs work on the subject agreement. If so, the subcontractor must also comply with the requirements of the LWO, including all reporting requirements. The prime contractor is responsible for the making sure that the subcontractor complies with the LWO.

8. What happens if an employer is found to be in violation of the Ordinance?

Payments due may be withheld. Also, the employer may be deemed to be in material breach of the agreement. When that happens, the City may take the following steps:

- Terminate the agreement and pursue all available contractual remedies.
- Debar the employer from doing business with the City for three (3) years or until all penalties and restitution have been fully paid, whichever occurs last.
- Bring a lawsuit against the employer for all unpaid wages and health benefit premiums and/or seek a fine of up to one hundred dollars (\$100.00) for each day the violation remains uncorrected.

9. What if a subcontractor is found to be in violation of the Ordinance?

Because the prime contractor is responsible for making sure that all its subcontractors comply with the LWO, the sanctions listed in answer #8 may be applied to the prime contractor if the subcontractor does not correct the violation(s).

10. What can an employee do if an employer is in violation of the Ordinance?

The employee can submit a complaint to the Office Contract Compliance which will investigate the complaint. Also, the employee can bring his or her own lawsuit against the employer for:

- Back pay for failing to pay the correct wages or correct health benefit premiums.
- Reinstatement and back pay for retaliation.
- Triple the amount of the back pay that is owed if the violation was found by the court to be willful.

11. Are there any exemptions available under the Ordinance?

An employer may apply for an exemption based on the following categories:

- Service agreements that are less than 3 months or \$25,000 or less.

- Agreements for the purchase of goods, property, or the leasing of property (with City as the lessee).
- Construction contracts that do not meet the definition of a service agreement.
- Employees who are required to have an occupational license in order to provide services to or for the City are exempt.
- Employers who are party to a collective bargaining agreement (CBA) that has language stating that the CBA shall supersede the LWO.
- Financial assistance recipients who meet the requirements stated in Section 10.37.1(c) of the LWO.
- Employers (contractors, subcontractors, financial assistance recipients) organized under IRS Code, Section 501(c)(3) whose chief executive officer's hourly wage rate is less than eight times the hourly wage rate of the lowest paid worker are be exempt. However, this exemption does not apply to child care workers.
- Lessees or licensees who have no more than a total of seven employees and who have annual gross revenue of less than \$471,870 (effective July 1, 2012). The qualifying annual gross revenue is adjusted every July.
- One-person contractors, lessees, licensees or financial assistance recipients who employ no workers.
- Agreements that involve other governmental entities.

12. Who is responsible for the administration and enforcement of the Ordinance?

The Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance, located at 1149 S. Broadway, Suite 300, and Los Angeles, CA 90015. For additional information, please call (213) 847-2625, send an e-mail inquiry to bca.eeoe@lacity.org, or go to the Office of Contract Compliance website at <http://bca.lacity.org>.

LIVING WAGE ORDINANCE STATUTORY EXEMPTIONS

Living Wage Ordinance (LWO) statutory exemptions are now divided into the following three categories:

- . Exemptions that do not require approval from the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance (OCC).
2. Exemptions that require submission of an Application for Exemption and OCC approval of the Application.

1. The following exemptions do not require OCC approval or any Contractor Certification:
Departments only need to indicate the exemption in the appropriate category on the LWO Departmental Determination of Coverage Form.

- a. **Less than three months OR less than \$25,000 (LAAC 10.37.1(j)).** Service contracts or Authority for Expenditures that do not meet these thresholds are not covered by the LWO.
- b. **Other governmental entities (LAAC 10.37.1(g)).** Agreements with other governmental entities such as Los Angeles County, the State of California, or the University of California, are not covered by the LWO. Subcontractors to these entities are also not covered by the LWO.
- c. **Purchase of goods, property, or the leasing of property, with the City as lessee (LAAC 10.37.1(j)).** Such contracts are categorically exempt from the LWO unless they include a service component that is more than just incidental (regular and recurring services is required). Examples of such categorically exempt contracts include contracts to purchase office supplies or to lease space to be occupied by City departments.
- d. **Construction contracts, not conforming to the definition of a service contract (LAAC 10.37.1(j)).** Such contracts are categorically exempt from the LWO. Examples include construction of buildings and infrastructure.
- e. **City financial assistance not meeting thresholds (LAAC 10.37.1(c)).** Agreements to provide a contractor with City financial assistance (which typically mean grants or loans provided at interest rates that are lower than the Applicable Federal Rate) are categorically exempt from the LWO if they meet both of the following:
 -) The assistance given in a 12-month period is below \$1,000,000 AND less than \$100,000 per year.
 - 2) The assistance is not for economic development or job growth.
- f. **Business Improvement Districts (BID) (LWO Regulation #11).** Service agreements are categorically exempt from the LWO if the services are funded with the BID's assessment money collected by the City after the formation of the BID. Service contracts in which City money is used to hire firms to help in forming the BID remain subject to the LWO unless the contractor otherwise qualifies for an exemption.

3. The following exemption categories require submission of an application for exemption and OCC approval of the application to be valid.

- a. 501(c)(3) Non-profit organizations (LAAC 10.37.1(g)):** Employers (contractors subcontractors financial assistance recipients) organized under IRS Code Section 501(c)(3) are exempt from the LWO if the hourly wage rate of the corporation's highest paid employee is less than eight times the hourly wage rate of the corporation's lowest paid worker. However, the exemption does not extend to Child Care Workers as defined in the LWO Rules and Regulations, an employee whose work on an agreement involves the care or supervision of children 2 years of age and under. A copy of the IRS 501(c)(3) Exemption Letter will be required.
- b. Collective bargaining agreements (CBA) that supersede the LWO (LAAC 10.37.12):** Contractors whose employees are covered by a CBA that supersedes the requirements of the LWO are not subject to the LWO. A copy of the CBA with the superseding language or a letter from the union indicating that the union has agreed to allow the CBA to supersede the LWO will be required to be submitted. Example: Labor agreement between parking contractor and a labor union with language that wages and benefits in the CBA shall supersede the LWO. Contractors must use the LWO Application for Non-Coverage or Exemption form (Form OCC/LW-10) and submit a copy of the CBA or a letter from the union.
- c. Occupational license (LAAC 10.37.1(f)):** Employees required to possess an occupational license in order to provide the services under the City agreement are not subject to the LWO. However, only the individual employees who are required to possess an occupational license are exempt. Employees who work on the City contract and are not required to possess an occupational license remain subject to the LWO. Example: Under California Labor Code Sections 7375 – 7380, a person must be licensed by the State of California in order to inspect and certify cranes and derricks used in lifting services. Contractors must use the LWO Application for Non-Coverage or Exemption form (Form OCC/LW-10) and submit a listing of the employees who possess occupational licenses and a copy of the licenses.
- d. Small business exemptions for Public Lessees/Licensees (LAAC 10.37.1(i)):** Small businesses that lease property from the City may apply for OCC approval for LWO exemption if the lessee or licensee: (1) employs no more than a total of seven employees; and (2) has annual gross revenues of less than \$471,870 (adjusted July 1, 2012). This applies only to lessees with lease agreements executed after February 24, 2001, and to amendments executed after February 24, 2001 that add monies or extend term. Use the Application for "Small Business" Exemption (Form OCC/LW-26a) and submit the application with the documents requested on that form.
- e. City financial assistance agreements that exceed the LWO monetary thresholds may apply for one of the exemptions below.** Applicants and departments should refer to Regulation #3(c) for the requirements and the documents that must be submitted with the LWO Application for Non-Coverage or Exemption (OCC/LW-10).

 -) The City financial assistance recipient (CFAR) is in its first year of operation (LAAC 10.37.1(c)).
 - 2) The CFAR employs fewer than five employees (LAAC 10.37.1(c)).
 -) The CFAR would face undue hardship because it employs the long-term unemployed or provides trainee positions to prepare employees for permanent positions (LAAC 10.37.1(c)).

**CITY OF LOS ANGELES
WORKER RETENTION ORDINANCE
(Los Angeles Administrative Code Section 10.36 et seq)**

1. What is the Worker Retention Ordinance?

The Worker Retention Ordinance (WRO) requires a successor contractor and its subcontractors to retain for a 90-day period certain employees who worked for the terminated contractor or its subcontractors for at least 12 months. (See also Question #7 regarding which employees are covered.)

2. What is a successor contractor?

A successor contractor is one who has been awarded an agreement to provide services to or for the City that are similar to those that were provided under a recently terminated agreement.

3. What types of agreements are covered by the Ordinance?

The **WRO** covers the following types of agreements:

- For services in an amount over \$25,000.00 and for at least three months.
- In which the primary purpose is to provide services to or for the City.
- In which the City provides financial assistance for the purpose of promoting economic development or job growth.
- Public Leases and Licensees

4. What does the Ordinance require a terminated contractor to do?

The WRO requires the terminated contractor to provide the awarding authority with the names, addresses, dates of hire, hourly wage, and job classes of each employee who worked on the City agreement for that terminated contractor or its subcontractor. The awarding authority will provide the information to the successor contractor.

5. What does the Ordinance require a successor contractor to do?

The Ordinance requires the successor contractor to:

- Offer employment and retain for a 90-day period the employees who worked for at least 12 months for the terminated contractor or its subcontractors.
- Not discharge the employees retained under the WRO without cause during the 90-day period.
- Perform a written performance evaluation of each employee retained under the WRO at the end of the 90-day period.

6. Do the employees retained under the Ordinance receive any additional protection?

Employees retained under the WRO are employed under the terms and conditions of the successor contractor or as required by law. However, if the agreement that the employees are working under is subject to Living Wage Ordinance (LWO), the employees must be paid the wage rate and be provided the benefits required by LWO.

7. Does the successor contractor have to retain all the prior contractor's employees?

The WRO covers only employees who meet all of the following requirements:

- Earn less than twice the hourly wage without health benefits available under the Living Wage Ordinance, LAAC Section 10.37 et seq.
- Primary job is in the City working on or under the City agreement.
- Worked for the terminated contractor or its subcontractor for the preceding 12 months or longer.
- Not a managerial, supervisory, or confidential employee.

8. What if the successor contractor determines that fewer employees are required to provide the services than were required by the prior contractor?

The names of the affected employees will be placed in order by seniority within each job classification. The successor contractor is required to retain employees based on seniority. The names of employees not retained will be placed on a preferential hiring list from which the successor contractor must use for subsequent hires.

9. What happens if an employee is discharged in violation of the Ordinance?

The employee may bring a lawsuit against the successor contractor. The employee can also submit a complaint to the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance which will investigate the complaint.

10. What if a contractor is found to be in violation of the Ordinance?

The City may terminate the agreement or pursue other legal remedies.

11. Who is responsible for administering and enforcing the Ordinance?

The Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance, located at 1149 S. Broadway, 3rd Floor, Los Angeles, CA 90015. **CITY OF LOS ANGELES' POLICY
BUSINESS INCLUSION PROGRAM (BIP) FOR A REQUEST FOR PROPOSAL (RFP)**

SUMMARY

This policy sets forth the City of Los Angeles' rules and procedures to be followed by respondents on advertised personal services contracts in regards to the City's BIP outreach requirements. In general, this policy provides that respondents for contracts must demonstrate compliance with the indicators relating to an active outreach program to obtain participation by MBEs, WBEs, SBEs, EBEs, DVBES, and OBEs. Failure to demonstrate an outreach on the RAMP to comply with the indicators will render the bid non-responsive.

A. GENERAL

This policy statement explains how the City's BIP will be administered within the Awarding Authority for personal services contracts. The Awarding Authority is committed to ensuring full and equitable participation by minority, women, small, emerging, disabled veteran, and other businesses in the provision of all goods and services to the Department on a contractual basis. The BIP is set forth in this policy Statement. Respondents to the Awarding Authority shall be fully informed concerning the requirements of this Program. **Failure to comply with the City's BIP outreach requirements will render the response non-responsive and result in its rejection.**

- c. Certification as a Disabled Veteran Business Enterprise: A DVBE must be certified by State of California, Office of Small Business & Disabled Veterans Business Enterprise Services.
9. Business Inclusion Program Outreach Documentation: The respondent must take affirmative steps prior to submission of their RFP response to ensure that a maximum effort is made to recruit subconsultants. Minority, women, small, emerging, disabled veteran owned and controlled businesses must be considered along with other business enterprises whenever possible as sources of subconsulting services. Affirmative steps for BIP Outreach Documentation are outlined in Paragraph C herein. The BIP Outreach Documentation must be submitted as described in Paragraph C herein. Failure to submit the BIP Outreach Documentation will render the response non-responsive.

10. Subcontract: For the purpose of this program, the term “Subcontract” denotes an agreement between the prime Consultant and an individual, firm or corporation for the performance of a particular portion(s) of the work which the prime Consultant has obligated itself.
11. Subconsultant: An individual, firm, or corporation having a direct contract with the consultant for the performance of a part of the work which is proposed to be constructed or done under the contract or permit, including the furnishing of all labor, materials, or equipment. For the purposes of this Program, a subconsultant may also be referred to as a subcontractor.
12. Vendor and/or supplier: A firm that owns, operates or maintains a store, warehouse, or other establishment in which the materials or supplies required for the performance of the contract are bought, kept in stock, and regularly sold to the public in the usual course of business. The firm must engage in, as its principal business, and its own name, the purchase and sale of the products in question. A vendor and/or supplier of bulk items such as steel, cement, stone and petroleum products need not keep such products in stock, if it owns or operates distribution equipment.
13. Manufacturer: A firm that operates or maintains a factory or establishment that produces on the premises the materials or supplies obtained by the contractor.
14. Broker: A firm that charges for providing a bona fide service, such as professional, technical, consultant or managerial services and assistance in the procurement of essential personnel, facilities, equipment, insurance or bonds, materials or supplies required for performance of the contract. The fee or commission is to be reasonable and not excessive as compared with fees customarily allowed for similar services.
15. Participation Recognition: This applies to recognition as an MBE, WBE, SBE, EBE, DVBE.
 - a. All listed MBE, WBE, SBE, EBE, and/or DVBE firms must be certified as defined under Paragraph B, Definitions, Item 4, on the date the Awarding Authority awards a contract for the project before credit may be allowed toward the respective MBE, WBE, SBE, EBE, and/or DVBE pledged participation level.
 - b. Work performed by a MBE, WBE, SBE, EBE, and/or DVBE prime consultant will not be a consideration when determining a prime consultant’s BIP Outreach. The prime consultant will be required to make a BIP Outreach to obtain reasonable anticipated MBE, WBE, SBE, EBE, and/or DVBE participation levels through subconsulting or materials and supplies acquisition.
 - c. Recognition for materials and/or supplies is limited to 60 percent of the amount to be paid to the vendor for such materials/supplies in computing the pledged levels of MBE, WBE, SBE, EBE, and/or DVBE participation,

unless the vendor manufactures or substantially alters the materials/supplies.

- d. MBE, WBE, SBE, EBE, and/or DVBE credit for brokers required for performance of the contract is limited to the reasonable fee or commission charged, as not considered excessive, as compared with fees customarily allowed for similar services.
- e. A firm which qualifies as both a MBE and a WBE will be credited as either MBE participation or as WBE participation, but will not be credited for both. However, a MBE and/or WBE firm may also receive SBE, EBE and/or DVBE credit if so qualified.
- f. A listed MBE, WBE, SBE, EBE, and/or DVBE firm must be potentially available to perform a commercially useful function, i.e., must be potentially responsible for the execution of a distinct element of the work and potentially available to carry out its responsibility by performing, managing and supervising the work.
- g. MBE/WBE credit shall not be given to a Joint Venture partner listed as a subconsultant by a Joint Venture respondent.
- h. A SBE, EBE, DVBE prime consultant shall receive pledged participation credit for the work performed by its own workforce.

C. BIP OUTREACH DOCUMENTATION

It is the policy of the City of Los Angeles to provide Minority Business Enterprises (MBEs), Women Business Enterprises (WBEs), Small Business Enterprises (SBEs), Emerging Business Enterprises (EBEs), Disabled Veteran Business Enterprises (DVBEs), and all Other Business Enterprises (OBEs) an equal opportunity to participate in the performance of City contracts. In order to maximize this participation while minimizing the administrative impact on city staff and RFP respondents alike, the Mayor's Office has developed a Business Inclusion Program (BIP). The BIP requires City departments to set anticipated participation levels based on the opportunities presented in their advertised contracts and department's achievement of its annual goals. A respondent's BIP Outreach to MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs shall be determined by their compliance with the following BIP Outreach process which will be performed on the City's Regional Alliance Marketplace for Procurement (RAMP). The RAMP can be accessed by going to the City's Webpage (<http://www.lacity.org>) and linking onto "Regional Alliance Marketplace for LA (RAMPLA)" or directly at www.rampla.org. Failure to meet the anticipated MBE, WBE, SBE, EBE, and/or DVBE participation levels will not by itself be the basis for disqualification or determination of noncompliance with this policy. **However, failure to comply with the BIP Outreach documentation requirements as described in this section will render the RFP response non-responsive and will result in its rejection.** *Compliance with the BIP Outreach requirements is required even if the proposer has achieved the anticipated MBE, WBE, SBE, EBE, and DVBE participation levels. Adequacy of a bidder's BIP Outreach will be determined by the Awarding Authority after consideration of the indicators of BIP Outreach as set forth below.*

Any technical difficulties while utilizing the RAMP should be reported immediately using the following steps:

1. Email RAMP Support at support@rampla.org
2. Email the Contract Coordinator listed in the RFP.
3. If you are not contacted within 15 minutes during normal City working hours (7:00 a.m. to 4:30 p.m. Monday-Friday), call the Contract Coordinator listed in the RFP.

If the above procedures are not followed as stipulated, incomplete outreach and/or incomplete documentation may not be accepted.

Each indicator (2-6) is evaluated on a pass/fail basis. All indicators (2-6) must be passed to be deemed responsive. Only BIP Outreach documentation submitted under the bidders name will be evaluated. Therefore submission by a third party will result in the bidder being deemed non-responsive.

1	LEVEL OF ANTICIPATED MBE, WBE, SBE, EBE, and DVBE PARTICIPATION
---	--

The proposer has performed a BIP Outreach in an attempt to obtain potential subconsultant participation by MBEs, WBEs, SBEs, EBEs, DVBEs and OBEs which could be expected by the Board to produce a reasonable level of participation by interested business enterprises, including the MBE, WBE, SBE, EBE and DVBE anticipated percentages set forth in the RFP and to have the proposer meet the subconsulting expectations for the project.

2	ATTENDED PRE-BID MEETING
---	---------------------------------

The proposer attended the pre-proposal meeting scheduled by the Project Manager to inform all proposers of the requirements for the project for which the contract will be awarded. This requirement may be waived if the proposer certifies it is informed as to those project requirements and has participated in a City-sponsored or City-approved matchmaking event in the prior 12 months.

Required Documentation: An employee of the proposer's company must attend the pre-submittal meeting scheduled for this project. Credit may not be given if the employee arrives late or fails to sign the pre-submittal meeting attendance roster. This requirement will be waived if the proposer both certifies in writing that it is informed as to the BIP Outreach requirements for the project and has participated in a City-sponsored or City-approved matchmaking event in the prior 12 months as is evidenced by the event attendance documents.

Note: If the RFP states that the pre-submittal meeting is mandatory, then attendance at the pre-submittal meeting is the only way to pass this indicator.

3	SUFFICIENT WORK IDENTIFIED FOR SUBCONSULTANTS
---	--

The proposer has identified the minimum number, as determined by the Awarding Authority, of specific items of work that will be performed by subconsultants. This will ensure an opportunity for subconsultant participation among MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs.

Required Documentation: Outreach via e-mail in the selected potential work items. This outreach must be performed using the RAMP's BIP Outreach system. The outreach must be to potential MBE, WBE, SBE, EBE, DVBE, and OBE subconsultants who are currently registered on the RAMP. Failure of the proposer to outreach in all of the potential work items selected by the City as potential subconsulting work items may result in the RFP response being deemed non-responsive.

Note: City staff will access the RAMP and verify compliance with this indicator after the RFP submission deadline.

4	WRITTEN NOTICES TO SUBCONSULTANTS
---	--

All notifications must be provided utilizing RAMP, and made not less than **fifteen (15) calendar days** prior to the date the Prime Bid/Proposal is required to be submitted. In all instances, proposers must document that invitations for subcontracting bids were sent to available MBEs, WBEs, SBEs, EBEs, DVBEs and OBEs for each item of work to be performed.

Required Documentation: E-mail notification in each of the selected potential work items to potentially available MBEs, WBEs, SBEs, EBEs, DVBEs and OBEs for each anticipated work item to be performed. The notification must be performed using the RAMP's BIP Outreach system. The notification must be to potential subconsultants currently registered on the RAMP. If the proposer is aware of a potential subconsultant that is not currently registered on the RAMP, it is the proposer's responsibility to encourage the potential subconsultant to become registered so that the proposer can include them as part of their outreach. Letters must contain areas of work anticipated to be subconsulted, City of Los Angeles project name, name of the proposer, and contact person's name, address, and telephone number. Proposers are required to send notifications to a sufficient number of firms comprised of MBEs, WBEs, SBEs, EBEs, DVBEs and OBEs in each potential work item chosen, as determined by the City. What is considered sufficient will be determined by the total number of potential subconsultants in each specific work item.

The City will determine each work area by the North American Industry Classification System (NAICS) code. The following table shows the sufficient number of MBE, WBE, SBE, EBE, DVBE and OBE subcontractors that need to be notified for each work area.

# of Subcontractors in NAICS Code	% Prime Must Notify	Number Prime Must Notify
1-10	100%	1-10
11-20	80%	9-16

21-50	60%	13-30
51-100	40%	21-40
101-200	25%	26-50
>200	10%	20+

A proposer's failure to utilize this notification function will result in their RFP response being deemed non-responsive.

Note: Proposers will not be able to utilize the RAMP's BIP Outreach notification function if there are less than fifteen (15) calendar days prior to the RFP response submittal deadline. In utilizing the RAMP's notification function, proposers will receive a message if they have failed to outreach to a sufficient number of firms when they go to view their summary sheet. Proposers will be given an opportunity to include their own customized statements when utilizing the notification function. However, the City will take into consideration the wording and may deem a proposer non-responsive if the wording is perceived to seriously limit potential subconsultant responses. City staff will access the RAMP and verify compliance with this indicator after the RFP submission deadline. Proposers are encouraged to print their BIP Outreach summary sheet prior to logging out as documented proof of their progress.

5	PLANS, SPECIFICATIONS AND REQUIREMENTS
---	---

The proposer provided interested potential subconsultants with information about the availability of plans, specifications, and requirements for the selected subconsulting work.

Required Documentation: Include in Indicator 4, information detailing how, where and when the proposer will make the required information available to interested potential subconsultants. The notification must be performed using the RAMP's BIP Outreach system.

Note: For purposes of RFPs, making a copy of the RFP available to potential subconsultants will meet this requirement. At the time a proposer utilizes the RAMP's BIP Outreach notification function, the required information will automatically be included in the notification. Proposers will not be able to utilize the RAMP's BIP Outreach notification function if there are less than fifteen (15) calendar days prior to the RFP response submittal deadline. City staff will access the RAMP and verify compliance with this indicator after the RFP submission deadline.

6	NEGOTIATED IN GOOD FAITH
---	---------------------------------

The proposer responded to every unsolicited offer sent by a Registered Subcontractor using RAMP and has evaluated in good faith bids or proposals submitted by interested MBEs, WBEs, SBEs, EBEs, DVBES, and OBEs. Proposers must not unjustifiably reject as unsatisfactory a bid or proposal offered by a Registered Subcontractor, as determined by the Awarding Authority. The proposer must submit a list of all subcontractors for each item of work, including dollar amounts of potential work for MBEs, WBEs, SBEs, EBEs, DVBES,

and OBEs, and a copy of any and all bids or proposals received. This list must include an explanation of the evaluation that lead to the bid or proposal being rejected and the explanation must have been communicated to the subcontractor using RAMP.

Required Documentation:

- a) Schedule A MBE/WBE/SBE/EBE/DVBE/OBE Subconsultants Information Form;
- b) An online Summary Sheet organized by work area, listing the following:
 - 1) The responses and/or bids received;
 - 2) The name of the subconsultant who submitted the bid/quote;
 - 3) A brief reason given for selection/non-selection as a subconsultant;
- c) Copies of all potential MBE/WBE/SBE/EBE/DVBE/OBE bids or quotes received must be submitted prior to award of a contract by the City;

The reasons for selection/non-selection should be included in the notes section of the online Summary Sheet. If the proposer elects to perform a listed work area with its own forces, they must include a bid/quote for comparison purposes and an explanation must be provided and included on the summary sheet. **All bids/quotes received, regardless of whether or not the proposer outreached to the subconsultant, must be submitted and included on the on-line Summary Sheet.** To that extent, the City expects the proposer to submit a bid from each subconsultant listed on the online Summary Sheet, including those listed on the proposer's Schedule A. **All potential subcontractors with whom the bidder has had contact outside of the RAMP must be documented on the online Summary Sheet.**

The summary sheet must be performed using the RAMP's BIP Outreach system and must be submitted by 4:30 p.m. on the first calendar day following the day of the RFP response submittal deadline. If a bid/quote is submitted by a firm that is not registered with the RAMP, the proposer is required to add that firm to their summary sheet. A proposer's failure to utilize the RAMP's summary sheet function will result in their RFP response being deemed non-responsive.

Note: Staff will request copies of all of the bids/quotes received as part of the BIP Outreach evaluation process. Proposers must have a bid/quote from each potential subconsultant listed on their Schedule A prior to submission of the Schedule A. The submission of the Schedule A is outlined in G herein. Proposers are encouraged to submit all of their bids/quotes with their RFP response submittal. Proposers will not be able to edit their summary sheet on the RAMP's BIP Outreach summary sheet function after 4:30 p.m. on the first calendar day following the day of the RFP response submittal deadline. City staff will access the RAMP and verify compliance with the summary sheet provision of this indicator after the RFP submission deadline. Proposers are required to have each of the subconsultants on their Schedule A registered on the RAMP prior to being awarded the contract.

7	BOND, LINES OF CREDIT, AND INSURANCE ASSISTANCE
---	---

Each notification by the proposer shall also include an offer of assistance to interested potential MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs in obtaining bonds, lines of credit, and insurance required by the Awarding Authority or proposer.

Required Documentation: Include in Indicator 4, information about the proposer's efforts to assist with bonds, lines of credit and insurance. The notification must be performed using the RAMP's BIP Outreach system.

Note: At the time a proposer utilizes the RAMP's BIP Outreach notification function, the required information will automatically be included in the notification. Proposers will not be able to utilize the RAMP's BIP Outreach notification function if there are less than fifteen (15) calendar days prior to the RFP response submittal deadline. Proposers will be given an opportunity to include their own customized statements when utilizing the notification function. However, the City will take into consideration the wording and may deem a proposer non-responsive if the wording seriously limits potential subconsultant responses or is deemed contrary to the intent of this indicator. City staff will access the RAMP and verify compliance with this indicator after the RFP submission deadline.

The proposer shall submit completed BIP Outreach documentation either via the RAMP's BIP Outreach system or prior to award, as specified for each indicator. The Awarding Authority in its review of the BIP Outreach documentation may request additional information to validate and/or clarify that the BIP Outreach submission was adequate. Any additional information submitted after the response due date and time will be treated at a higher level of scrutiny and may require third Party documentation in order to substantiate its authenticity. Such information shall be submitted promptly upon request by the Awarding Authority.

D. AWARD OF CONTRACT

The Awarding Authority reserves the right to reject any and all RFP responses. The award of a contract will be to the responsive, responsible proposer whose proposal complies with all requirements prescribed herein. This includes compliance with the required Business Inclusion Program Outreach. A positive and adequate demonstration to the satisfaction of the Awarding Authority that a BIP Outreach to include MBE/WBE/SBE/EBE/DVBE/OBE subconsultants' participation was made is a condition for eligibility for award of the contract.

In the event that the Awarding Authority considers awarding away from a proposer because of the proposer's failure to supply adequate BIP Outreach documentation, the Awarding Authority shall afford the proposer an opportunity to present further evidence to the Awarding Authority prior to a public hearing of the proposer's BIP Outreach evaluation.

E. SUBCONSULTANT SUBSTITUTION

In addition to the requirements set forth in the provisions pertaining to the listing of subconsultants, the following shall apply for the purpose of this program:

Rev. 09/27/23 (Citywide RFP – RAMP BIP)

1. Substitution During Contract Duration: The contract award requires that the level of all subconsultant participation shall be maintained throughout the duration of the contract. To this extent, any unapproved reduction in the listed subcontract amount will be considered an unauthorized substitution.
 - a. The Consultant shall request approval of the Awarding Authority for all substitutions of bid-listed (Schedule A) subconsultants.
 - b. The request shall be in writing and submitted to the designated Project Manager for the Awarding Authority. The request shall give the reason for the substitution, the name of the subconsultant and the name of the replacement.
2. MBE/WBE/SBE/EBE/DVBE/OBE Subconsultant Substitution: The Awarding Authority requires that whenever the Consultant seeks to substitute a bid-listed (Schedule A) subconsultant, the Consultant must make a BIP Outreach to replace the subconsultant.
 - a. The Consultant shall contact some of each of the following: certified MBE, certified WBE, certified SBE, certified EBE, certified DVBE, and OBE sub-bid prospects from each trade for which sub-bid/subconsulting work is available and document the following for submittal:
 - 1) Name of company contacted; contact person and telephone number; date and time of contact.
 - 2) Response for each item of work which was solicited, including dollar amounts.
 - 3) Reason for selection or rejection of sub-bid prospect.
 - 4) In the event that the Consultant is unable to find some certified MBE, certified WBE, certified SBE, certified EBE, certified DVBE, and OBE sub-bid prospects for each trade, the Consultant should contact the Office of Contract Compliance at (213) 847- 2684 for assistance prior to certifying under penalty of perjury that it was unable to fully meet this requirement.
3. In the event that a subcontract is reduced due to a project change that will not be specified in a change order, the Consultant shall request approval for reducing the subcontract by documenting the following for submittal:
 - a. The name of the company for which the subcontract reduction is requested and the dollar amount of the reduction.
 - b. The reason for the reduction. Specific details should be given in order for the Consultant's request to be processed promptly.
 - c. The Consultant shall submit all documentation to the Awarding Authority's Project Manager.

F. SUB-AGREEMENT FALSIFICATION

Falsification or misrepresentation of a sub-agreement as to company name, contract amount and/or actual work to be done by the sub-bidder/subconsultant will result in sanctions set forth in provisions pertaining to listing of subconsultants.

G. SUBMITTAL DOCUMENTS

1. MBE/WBE/SBE/EBE/DVBE/OBE Subcontractors Information Form (Schedule A)

Proposers shall submit with their proposal the MBE/WBE/SBE/EBE/DVBE/OBE Subcontractors Information Form, provided here in as Schedule A. In addition, any subcontractors who are projected to perform One Hundred Thousand Dollars (\$100,000.00) worth of work or more on the contract are required to adhere to the same requirements. Said subcontractors and their principles must be notified of the City Charter requirements and prohibitions and must be included on CEC Form 55 (Schedule B).

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and

For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

IRAN CONTRACTING ACT OF 2010 COMPLIANCE AFFIDAVIT

(California Public Contract Code Sections 2200-2208)

The California Legislature adopted the Iran Contracting Act of 2010 to respond to policies of Iran in a uniform fashion (PCC § 2201(q)). The Iran Contracting Act prohibits bidders engaged in investment activities in Iran from bidding on, submitting proposals for, or entering into or renewing contracts with public entities for goods and services of one million dollars (\$1,000,000) or more (PCC § 2203(a)). A bidder who “engages in investment activities in Iran” is defined as either:

1. A bidder providing goods or services of twenty million dollars (\$20,000,000) or more in the energy sector of Iran, including provision of oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or
2. A bidder that is a financial institution (as that term is defined in 50 U.S.C. § 1701) that extends twenty million dollars (\$20,000,000) or more in credit to another person, for 45 days or more, if that person will use the credit to provide goods or services in the energy sector in Iran and is identified on a list created by the California Department of General Services (DGS) pursuant to PCC § 2203(b) as a person engaging in the investment activities in Iran.

The bidder shall certify that at the time of submitting a bid for new contract or renewal of an existing contract, the bidder is **not** identified on the DGS list of ineligible businesses or persons and that the bidder is **not** engaged in investment activities in Iran in violation of the Iran Contracting Act of 2010.

California law establishes penalties for providing false certifications, including civil penalties equal to the greater of \$250,000 or twice the amount of the contract for which the false certification was made; contract termination; and three-year ineligibility to bid on contracts (PCC § 2205).

To comply with the Iran Contracting Act of 2010, the bidder shall provide its vendor or financial institution name, and City business Tax Registration Certificate (BRTC) if available, in completing **ONE** of the options shown below.

☐ **OPTION #1: CERTIFICATION**

I, the official named below, certify that I am duly authorized to execute this certification on behalf of the bidder or financial institution identified below, and that the bidder or financial institution identified below is **not** on the current DGS list of persons engaged in investment activities in Iran and is **not** a financial institution extending twenty million dollars (\$20,000,000) or more in credit to another person or vendor, for 45 days or more, if that other person or vendor will use the credit to provide goods or services in the energy sector in Iran and is identified on the current DSG list of persons engaged in investment activities in Iran.

☐ **OPTION #2: EXEMPTION**

Pursuant to PCC § 2203(c) and (d), a public entity may permit a bidder or financial institution engaged in investment activities in Iran, on a case-by-case basis, to be eligible for, or to bid on, submit a proposal for, or enter into, or renew, a contract for goods and services. If the bidder or financial institution identified below has obtained an exemption from the certification requirement under the Iran Contracting Act of 2010, the bidder or financial institution shall complete and sign below and attach documentation demonstrating the exemption approval.

ENDNOTES FOR LWO SUBCONTRACTOR INFORMATION FORM

¹ **Non-Profit 501(c)(3) Organizations:** A corporation claiming exemption under Section 10.37.15(b) of the LWO as a corporation organized under Section 501(c)(3) of the United States Internal Revenue Code must provide the following additional documents in support of the application for exemption:

(1) A copy of the most recent IRS letter indicating that the Employer has been recognized as a non-profit corporation organized under section 501(c)(3) of the United States Internal Revenue Code.

(2) The LW-28 Non-Profit 501(c)(3) Exemption Application referred to in the LWO Rules and Regulations Appendix A must include the salary certification information. The salary certification must list the salary of the corporation's chief executive officer (CEO), computed on an hourly basis, and the hourly wage rate of the lowest paid worker in the corporation. The salary of the CEO, when computed on an hourly basis, must be less than 8 times what the lowest paid worker is paid on an hourly basis. For purposes of this exemption, the "chief executive officer (CEO)" means the CEO of the 501(c)(3) corporation that entered into the agreement or the highest paid person employed by the corporation if the CEO is not the highest paid employee. The "lowest paid worker" refers to the lowest paid worker employed by the 501(c)(3) corporation that entered into the Agreement with the City, regardless of whether the person works on the City Agreement.

² **Exemption by Collective Bargaining Agreement – LAAC 10.37.12:** An Employer subject to provisions of the LWO may, by collective bargaining agreement (CBA), provide that the CBA, during its term, shall supersede the requirements of the LWO for those Employees covered by the CBA. The provisions of the LWO should not be interpreted to require an employer to reduce the wages and benefits required by the CBA. All parties to the CBA must specifically waive in full or in part the benefits required by the LWO. An Employer applying for this exemption shall submit a copy of the CBA. If the CBA does not specifically indicate that the LWO has been superseded, the Employer shall submit written confirmation from the union representing the Employees working on the Agreement that the union and the Employer have agreed to let the CBA supersede the LWO.

(a) If the final CBA signed by the Employer and the union supersedes the LWO, in full or in part, the Employer shall be considered to be exempt from the LWO's specified provisions for the time period covered by the effective dates of the superseding CBA. The Employer remains subject to all applicable provisions of the LWO for the time period not covered by the superseding CBA. If the Employer has not complied with the LWO requirements during the time period not covered by the superseding CBA, the Employer shall be required to make retroactive corrections for any period of violation, which may include making retroactive payments to affected employees for the relevant periods of violation.

(b) If the final CBA signed by the Employer and the union does not supersede the LWO, the Employer shall be required to comply with all applicable LWO requirements, including the wage and benefits provisions. Compliance shall also be required retroactively to the date that the Employer first became subject to the LWO. If necessary, the Employer shall provide retroactive payments to affected Employees for any time period during which the Employer did not comply with the LWO.

³ **Small Business Exemptions for Public Lessees and Licensees – LAAC 10.37.15(a):** A public lessee or licensee claiming exemption from the LWO under section 10.37.15(a) shall submit the application for "Small Business Exemption" referred to in the LWO Rules and Regulations Appendix A, along with supporting documentation to verify that it meets the requirement that the lessee or licensee employs no more than seven (7) people on and off City property.

Whether the lessee or licensee meets the seven (7) employee limit provided for in Section 10.37.1(i) of the LWO shall be determined using the total number of workers employed by all companies or businesses which the lessee or licensee owns or controls, or which own or control the lessee or licensee. Until the OCC approves the application for exemption, the lessee or licensee shall be subject to the LWO and shall comply with its requirements. If the OCC approves the application, the lessee or licensee shall be exempt from the requirements of the LWO for a period of two years from the date of the approval. The exemption will expire two years from the date of approval, but may be renewable in two-year increments upon meeting the requirements.
