WINTER THEME LIGHTING  
AT PERSHING SQUARE PARK**

**I. INTRODUCTION**

Pershing Square Park is a major outdoor concert and event center located in the heart of downtown Los Angeles at 532 South Olive Street, Los Angeles, CA 90013. Operated by the City of Los Angeles, Department of Recreation and Parks (RAP or Department), Pershing Square Park hosts an array of free programs for the community. From mid-November to mid-January, Pershing Square Park is transformed into a winter wonderland and festive environment for the enjoyment of residents, businesses, and visitors.

The winter holiday festival activities include an ice skating rink which will be located in the amphitheater area of Pershing Square Park and will measure approximately fifty feet by ninety feet; the ice rink operations also include a party platform with alcohol vending, skate rental ticket trailer, and a garage to house an ice resurfacing machine. In addition, live musical entertainment is provided on some weekday afternoons and on weekends.

Illuminated winter-themed décor has been an integral part of creating an inviting environment at Pershing Square Park. The décor has included illuminated signage that can be seen from the sidewalks, streets, and from the office buildings above.

**II. OBJECTIVE OF THE REQUEST FOR PROPOSALS**

RAP is initiating this Request for Proposals (RFP) in order to obtain proposals from experienced, responsible firms to design, install, maintain, repair, and remove winter-themed exterior lighting and décor, provided by the proposer, for Pershing Square Park. Proposing firms must have a minimum five (5) years of continuous experience within the last ten (10) years designing and installing outdoor lighting displays in park or commercial environments.

RAP intends to award a contract to the selected proposer for one year, with two (2) one-year renewal options exercisable at the sole discretion of RAP's General Manager. Compensation will not exceed Eighty Five Thousand Dollars (\$85,000.00) per year, and total compensation over three (3) years will not exceed Two Hundred Fifty-Five Thousand Dollars (\$255,000.00).

The contract amounts stated herein are an estimate; nothing herein guarantees that the total compensation amount will be reached. RAP, in entering into an agreement with the selected proposer, guarantees no minimum amount of business or compensation. The contract awarded through this RFP shall be subject to funding availability and to early termination by RAP, as provided in Standard Provisions for City Contracts (Rev. 10/17)[v.3] (Exhibit A).

RAP reserves the right to withdraw this RFP at any time without prior notice and the right to reject any and all responses to this RFP. The rejection of any or all submission in response to this RFP shall not render RAP liable for costs or damages. RAP makes no representation that any contract will be awarded to any entity responding to this RFP.

#### IV. INSTRUCTIONS TO PROPOSERS

A. Submitting a Written Proposal

To be considered for award under this RFP, proposing entities must submit a sealed, written proposal in response to the Proposal Submittal Items indicated herein. Proposals provide information about your background, your current business practice, and your applicable experience. Proposals are evaluated based on several evaluation criteria as indicated in this RFP.

Proposers may wish to consider the following guidelines in preparing their proposals:

- Make sure your proposal is well-organized and easy to read.
- Verify that your proposal is complete and that you’ve completely responded to all proposal items and compliance documents in the RFP.

**IMPORTANT:**

**Charter Section 371(e)(10)**

**In approving this RFP, the Board, in its capacity as the contract awarding authority for the Department, finds, pursuant to Charter Section 371 (e) (10), That the use of competitive bidding would be undesirable, impractical or otherwise**

**excused by the common law and the Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by the Department. To select the best proposer for Winter Theme Lighting at Pershing Square Park, the Board finds it is necessary to utilize a standard request for proposals process and to evaluate proposals received based upon the criteria included in this RFP. The Board specifically finds that the narrower and more specialized competitive sealed proposal processes authorized but not required by Charter Section 371, subsection (b), would not meet the Department's needs and therefore opts to utilize the standard request for proposals process.**

Your written submittal in this RFP process will be the primary basis on which the City will consider its award for the Agreement; therefore, proposers should be as thorough and as detailed as possible when responding to each proposal item and assembling a proposal. In the written proposal, proposers must include responses to ALL proposal items requested herein below. Proposers will not be able to add to or modify their proposals after the proposal due date.

The City may deem a proposer non-responsive if the proposer fails to provide all required documentation and copies.

Proposals accepted by the City in writing constitute a legally binding contract offer. It is requested that proposals be prepared simply and economically, avoiding the use of unnecessary promotional material.

**B. Submittal Requirements: Proposals must contain ALL of the following:**

**1. Cover Letter**

Proposers are to include a cover letter indicating the contact information for the entity proposing. Include at a minimum:

- a. Key names, including title and position;
- b. Complete mailing addresses;
- c. Telephone and fax numbers (including office and cell numbers as appropriate);
- d. E-mail addresses, and any other information needed by City staff to contact proposers; and
- e. Include a statement that the proposing entity confirms its acknowledgement and acceptance of the terms and conditions set forth herein, without exceptions.
- f. The letter must include an inked signature of the proposing entity's authority to contract.

**2. Proposal Deposit**

All proposals must include a Two Thousand Dollars (\$2,000.00) Proposal Deposit in the form of a cashier's check only, payable to the **City of Los Angeles**. This amount shall be payable as a guarantee that the selected proposer will enter into an Agreement.

The Proposal Deposit of the successful proposer will be released upon posting of the certificate of insurance and execution of the Agreement. In the event that an award is made and the successful proposer fails to execute the Agreement and to provide the required Performance Deposit and insurance policies, the Proposal Deposit of that proposer will be forfeited and retained by the Department.

The Proposal Deposits of unsuccessful proposers will be returned upon execution of an Agreement with the awarded proposer. Proposal Deposits are maintained for all proposers in the event the successful proposer fails to execute the Agreement and another proposer is considered for award. Please note that the execution of an agreement could take up to twelve months to complete.

**B. Evaluation and Recommendation**

Furthermore, the City reserves the right to conduct such investigations as the City considers appropriate with respect to the qualifications of each Responsive Proposer and any information contained in its proposal.

All proposals in response to this RFP will be evaluated solely on the basis of the criteria listed above and the ranking of any review panel will serve as a basis to formulate the General Manager's recommendation, setting forth the reasons for recommendation in a report to the Board of Recreation and Park Commissioners.

**C. Award**

The General Manager of the Department of Recreation and Parks recommends contract awards to the Board of Recreation and Park Commissioners. The Department shall notify all proposers in writing of the General Manager's recommendation.

The Board will consider the General Manager's recommendation during a public Commission meeting and may accept or reject the General Manager's recommendation in making their decision as to the selection.

Once the award is approved, the selected proposer will complete and submit the additional documents as required by this RFP, City Ordinance, State and/or Federal laws within 30 days of written notification by the Department.

**D. Contractual Arrangements**

The proposer selected to perform the services outlined in this RFP will enter into an Agreement, approved as to form by the City Attorney, directly with the City of Los Angeles. The Standard Provisions for City Contracts (Rev. 10/17)[v.3] (Exhibit A hereto) will be incorporated into the Agreement.

**E. Verification of Information**

The Department reserves the right to verify the information received in the proposal. If a proposer knowingly and willfully submits false information or data, the Department reserves the right to reject that proposal. If it is determined that an Agreement was awarded as a result of false statements or other data submitted in response to this RFP, the Department reserves the right to terminate the Agreement.

**F. Cost of Preparation**

All costs of proposal preparation shall be borne by the proposer. The City shall not, in any event, be liable for any expenses incurred by the proposer in the preparation and/or submission of the proposal. All proposers who respond to solicitations do so solely at their own expense.

**G. City's Right to Reject Proposals and to Waive Informalities**

In accordance with Los Angeles City Charter Section 371(c): "The City shall reserve the right to reject any and all bids or proposals and to waive any informality in the bid or proposal when to do so would be to the advantage of the City.
