

RECREATION CREDIT - LAND DEDICATION

City of Los Angeles - Department of Recreation and Parks

These instructions are only for projects proposing to dedicate public land per LAMC 12.33, Section H.1(a).

Recreation Credit plans submitted to the Department of Recreation and Parks (Department) shall comply with the following specifications. Additional materials or information may be required according to each type of application. Application forms are available at www.laparks.org and at the Department Public Counter, located at 221 N. Figueroa Street, 4th Floor, Los Angeles, CA 90012 (phone: 213-202-2682).

1. Summary of Public Land Dedication:

- *In lieu of paying the park fee, land may be dedicated to the City for public park and recreational purposes.*
- *u*
- *Credit shall be granted square foot for square foot for any land dedicated to the City*
- *u) k h D*
- *recreational standards and requirements.*
- *The facilities shall be in substantial accordance with the Department's policies and standards for the development of park and recreational facilities.*
- *The proposed facilities shall be reasonably adaptable for use for park and recreational purposes, taking into consideration such factors as size, shape, topography, geology, access and location.*
- ***Only the Board of Recreation and Parks Commissioners has the authority to accept (or decline) the proposed improvement to an existing park or facility.***

2. Land Dedication Options Include:

- *On-site land dedication (ie. within the boundaries of the proposed development site)*
- *Off-site land dedication (ie. not within the boundaries of the proposed development site)*
- *Or a Combination thereof of the options listed above*

3. Examples:

On-Site Land Dedication: If the applicant has identified a site for proposed land dedication within the boundaries of the proposed development, the applicant would meet with the Department staff to discuss the proposed site. Pending Department staff determination that the proposed site is reasonably adaptable for park and recreational uses, Department staff would recommend that the Board of Recreation and Parks Commissioners grant preliminary approval to accept the land dedication. Subsequently, Department staff would perform due diligence and analysis to determine if the proposed site is compliant with Department standards. If the site is deemed compliant, Department staff would recommend that the Board of Recreation and Parks Commissioners accept the land dedication. If the land dedication is accepted, the Park Fee would be adjusted accordingly.

Off-Site Land Dedication: If the applicant has identified a site for proposed land dedication outside the boundaries of the proposed development, the applicant would meet with the Department staff to discuss the proposed site. The proposed off-site land dedication must be located within a reasonable distance of the proposed development site, as determined by staff. Pending Department staff determination that the proposed site is reasonably adaptable for park and recreational uses, Department staff would recommend the Board of Recreation and Parks Commissioners grant preliminary approval to accept the land dedication. Subsequently, Department staff would perform due diligence and analysis to determine if the proposed site is compliant with Department standards. If the site is deemed compliant, Department staff would recommend that the Board of Recreation and Parks Commissioners accept the land dedication. If the land dedication is accepted, the Park Fee would be adjusted accordingly.
