Hollywoodland CREATOR-CON

Do you love creating something out of nothing? Do you have great ideas yet nowhere to actualize them? Whether you love crafting, engineering, inventing, designing, experimenting, creating, playing, or simply tinkering - this week has something for you. Through sciences, sports, the arts, cooking, and nature, we'll spend the week proving all of the ways our brains really are our superpowers.

Registration & Enrollment Information

Our Camp

Camp Hollywoodland's mission is to provide our campers a place where girls can come to have fun, meet new friends, face new challenges, learn, improve new skills, experience group living, learn to express their creativity, and build a positive self-image. Methods we use to achieve this mission include creating community, building relationships, leading by example, helping build self-reliance, providing opportunities to learn and master new skills, and teaching coping skills to move through new or uncomfortable experiences.

We believe that our camp is place where girls can find their own sense of self, experience independence, practice facing fears, be inspired by and participate in a diverse community of young women, overcome challenges, and seize opportunities to develop both hard and soft skills. If you're unsure if our camp is for you, please call the office to discuss prior to registering.

Readiness for Our Camp

In order to participate in our program, a camper needs to be able to move independently from place to place, meet their own personal care needs (i.e. tie shoes, brush hair and teeth, shower, use the toilet, feed themselves etc.), carry their own luggage, and live cooperatively in a group environment (that may or may not include a cabin buddy).

When campers are ready for overnight camp, it can be a transformative, learning and growing experience. We have found that campers acclimate best when they are able to vocalize their needs and self-advocate (e.g. I don't understand what to do, I need water, I need help, I feel...). To best set your camper up for success, please consider reviewing these concepts with her prior to attending camp. We can most effectively work to find solutions in real time when campers are able to share the discomforts or struggles that they're experiencing as they occur.

Our Cabin Buddy Philosophy & Guidelines

While we embrace the idea of campers requesting one cabin buddy to enhance their experience, requests for more than one buddy are not accommodated at Camp Hollywoodland. We've observed that when campers arrive without pre-established buddy groups, it fosters a more inclusive environment and better experience for all involved. We recognize that camp can be a unique opportunity for campers to reunite with cherished friends or family members so we will continue to honor single cabin buddy requests, but requests of more than one cabin buddy per week will not be honored. The rules regarding buddy requests are as follows:

1. Each camper is allowed to request **one** cabin buddy, no exceptions.
2. If more than one name is entered on the cabin buddy section of the registration form or buddy request e-mail, all requests will be null and void and no cabin buddy will be granted.
3. Cabin buddy requests must be mutual between two buddies only and the cabin buddy you requested on your child's registration form must also request your child as their buddy on their registration form.
4. A camper may only request a cabin buddy in their own age group (6-8yrs, 9-11yrs, 12-14yrs).

Helping your camper understand that cabin buddy requests can *never* be guaranteed can be helpful in avoiding surprise or panic upon arrival at camp. While we try to do our best to accommodate requests, it isn't always possible.

How to Register

Parents/guardians will be required to register online at <https://www.laparks.org/camp/camp-hollywoodland> and complete all listed forms. All youth must be registered in advance to participate in our program. Onsite registration will not be accepted unless called off of the waiting list for attendance that day. Completed applications are accepted on a first-come, first-served basis. It is understood and agreed that no refund or reduction in fees are made for late arrivals, early departures, withdrawal or requests to leave due to misconduct.

The rules of acceptance and participation in camp programs are the same for everyone, without regard to race, color, religion or national origin. Please allow a minimum of 2 weeks prior notification for interpretive services. If you are a person with a disability and require accommodation to participate in a City of Los Angeles Department of Recreation and Parks program, service, or activity, requests may be made by calling the facility (323-467-7193), or 711 for CA Relay, ten days in advance of the event. We will do our best to fulfill requests with less than ten business days' notice.

Late Fees & Cancellations

If any registration is accepted one week prior to the start of the session, there will be a \$50 late fee. All cancellations must be in writing. Telephone calls must be followed up with a written request for refund. Refunds may take up to 6-8 weeks after the request is received in writing. Registration fees will be refunded as follows: less \$50 per person with two weeks or more notice; less \$75 per person with less than two weeks notice. Failure to cancel a session by the first day of camp at 8 a.m. will be considered a “no-show” and no refund will be issued. Spaces are non-transferrable.

Confirmation Packet

A confirmation packet will be e-mailed to you about 2 weeks before winter camp begins. You will need to either fill out our medical forms and waivers through the ePact Network, or fill out our original paperwork available to download and print on our website. If choosing ePact, you must download your child's record, print it, and bring it to camp with you or you will need to fill out new paperwork on site when you arrive.

The confirmation packet will include several pages of camp information covering health procedures, check-in and out procedures, rules of conduct, reasons for immediate dismissal, what to (and what not to) bring to camp, spending money, mailing letters and other pertinent policies and procedures. Please read the confirmation packet thoroughly. Pets must be left at home (including while signing in/signing out your child). Only trained service animals are allowed on site.

Health Protocols

Every child will go through a basic health check, which will include a series of wellness questions and a head to toe evaluation. All campers should be wearing closed-toe shoes at this time. Any camper found with lice or a communicable ailment will need to be cleared by a professional and confirmed with a signed note, in order to attend the program. If your camper requires special accommodations (medication outside of typical program hours, dietary restrictions, and/or any other medical considerations, please call the office at least two weeks prior to your session to discuss appropriate accommodations with the camp director (even if it's mentioned in in your child's ePact records).
